Dairy Council Provides Educational Films

Laura S. Price Heads Visual Aid Meet at Recreation Center, William Rust Shows Pictures

• Under the sponsorship of the educational branch of the California Dairy Council, a meeting featuring the showing of two new dairy films taken by the San Diego school system, and a discussion of visual aids in the educational fields, will be held tomorrow morning at 10:00 a.m. at Recreation Center.

Mrs. Laura S. Price, head of the elementary department, will be in charge of the meeting, which was brought to Santa Barbara by Nina B. Crigler, of San Diego, a former instructor at Santa Barbara State college. Helping in the local gathering will be Mrs. Nelle H. Nelson, in charge of the educational work for the Dairy Council at the Los Angeles office.

Rust Shows Films

Students in the teaching field are urged to attend the meetings and exhibits to be shown preceding the Recreational center gathering. A special opportunity to see the two films will be given State college students when William Rust will show them in his private projection room in the industrial education building during sixth hour today.

The invitation to attend the exhibit and discussion of visual and supplemental school material, came with the holding of the 18th annual meeting of the state Dairy Council in Santa Barbara. According to Miss Crigler, supplementary school material for units of work and projects in health education for all grade levels, transportation, cafeteria, meal selection, dietetics, physical education, general science, social studies, and many others will be displayed and discussed. The motion pictures to be shown will be correlated with the course of study.

Price Talks

Mrs. Price's topic for discussion will be "How to use visual education material successfully so that children will get the most from it." The bringing of the educational meeting was aided by G. H. Roche, Los Angeles assistant manager in charge of the southern district for the dairy instructor, and Mr. Sam H. Greene, executive secretary at San Francisco.

Dr. R. J. Scanlon Writes Article on Public Fear

• Dr. Ralph J. Scanlon, former professor in economics at Santa Barbara State, recently wrote an article entitled "Shall we Sit Tight?" for the San Francisco Daily News which appeared on Saturday, February 5. Dr. Scanlon, who left State to take active leadership in California politics in 1934, is now confined in his home in Berkeley because of illness and devotes his entire time to economic studies, many of which contemporary journals have used recently.

In this article Dr. Scanlon deals with the question of a people's becoming satisfied with existing conditions for fear that change might be for the worse. The article came in answer to an article reprinted from the London Sphere by Dr. Langley Porter.

The article takes a hypothetical statement in which America is spoken of as the country in which the highest conditions of health are prevalent and which concludes that since this is the case any further research is a waste of time. By pointing out this fallacy in self-satisfaction Scanlon parallels it with the contention that our political achievements have no more been completed than our health problems.

KTMS Airs State Program

Second 'El Gaucho' Show Features Phelps' Address, McBride, Women's Trio

• The second of a series of radio programs presented by the radio class of Frederic Hile, was broadcast last night at 8:30 p.m. over KTMS, featuring the industrial education department.

The half-hour program featured a welcome by President Clarence L. Phelps to the character of "El Gaucho" who will appear weekly at the same hour as a visitor to the State college campus. A woman's trio composed of Hazel and Anna Mary Reynard and Jean Duran, and Louie S. Taylor, industrial education department teacher appeared on the evening's radio program.

McBride Plays

Josephine McBride acted as accompanist for the program. "El Gaucho," as portrayed by Mr. Hile, will appear alternate weeks as visitor to college departments. On the other programs, short plays will be presented by the radio class. Next week the class will give "American Beauties," a romance of the beautiful Betsy Patterson, of Baltimore and Jerome Bonaparte, younger brother of Napoleon Bonaparte.

On tonight's program will be heard Malcom Woodhead and Ralph Hone of the industrial education department; Ralph Carmen, Merle Vance, Carlos Bee, Chuck Bowen, Jack Kitchen, Betty Caldwell, Jeanne Duran, Josephine McBride, Hazel Renard, Louie Taylor, Frank Bennett, and Don Wooten.

Assembly Features Change Artist

• Jack Rank, dramatic change artist sponsored by National School Assemblies, will appear at the student body assembly on Tuesday in a series of dramatic sketches.

Rank, who has an international reputation in his field, having played in the major countries of Europe, as well as in America, will feature a Shakespearean scene done in modern style. In this he plays several different characters.

According to Carlos Lozano, program chairman, who with student body president Danny D'Alfonso is responsible for Rank's appearing at the assembly, this promises to be an exceptionally interesting program. Lozano expressed regret that the television show which was scheduled will not be possible. However, a very special surprise assembly is being planned for the very near future, which the program chairman promises will be very much out of the ordinary.

Bigger Show Causes Revue Date Change

Roadrunner Show Committee Sets New Time for Performance on May 11, 12 with Tentative Estudiantina Show

• With the innovations of an original musical comedy script, new dance routines and original songs to the "Roadrunner Revue Presents Molly," the executive committee of the group has set the date back to May 11 and 12, a Wednesday and Thursday, with a possible performance on Friday of the same week for the "Estudiantina."

Production of Players' Club Show Begins

Shakespeare's 'Macbeth' Features Hile, Call, Kelly, Duran, Adams, Girvetz

• Rehearsals for the Players Club presentation of Macbeth on April 21, 22 and 23 are in progress, with the cast doing very well at this point, according to Frederic W. Hile, director of the speech arts department, who is directing the production.

Hile, who also plays the part of Macbeth, pointed out that the play is being given in honor of the 374th anniversary of the birth of William Shakespeare, will be given a modernistic production. The costumes, makeup, and staging will be semi-stylized, with symbolic scenery and lighting. The costumes for the play were conceived by the director, and designed by the class of costume designing under the direction of Mrs. Isabel Fish.

Call Plays Lead

Playing the leading role of Lady Macbeth is Theda Call. Other cast members include Rosalind Kelly, first witch; Jeanne Duran, second witch; Alberta Adams, third witch; Bernice Shedd, Fleance; Alice Goff, Lady Macduff; Vivian Girvetz, Lady Macduff's son; Winifred Nichols and Margaret Busby, ladies in waiting; Anna Lou Jacobs, the gentlewoman. Male castings include Carl Jorgenson as Macduff; Jed Blake, Banquo; Clyde Cadwell, Malcolm; W. L. Robertson, Ross; Daniel Wooten, Lennox; Harold Bolas, Porter and the Lord; Bill Hurst, Duncan; Lloyd Borstleman, Seyton; Bert Fitzpatrick, Menith and the doctor; Arthur Arturo, first murderer; Charles Gifford, second murderer. The three apparitions are played by Norman Becchio, Bob Smith and Vivian Girvetz.

Assisting Hile as technical director is Dave Westcott.

Home Ecers Bring Guest Speaker

• Home economic department members will hear Mrs. Clara P. Snyder of the California State bureau of Homemaking at their next department meeting on March 1.

Mrs. Snyder will use, as the principal topic of her talk, "Special Problems in Family Life Education." Mrs. Snyder is working on problems of adult education in cooperation with the State college as a vocational teacher trainer in homemaking education from Sacramento.

The meeting will be held in the Music hall and is under the direction of the new officers for the spring semester. They are Eva Metzger, president; Martha Booker, vice-president; Persis Kent, secretary; Elna Patersen, treasurer; Margaret McMath, historian; and Virginia Ulrich, publicity.

VETERAN JURIST DIES

CHICAGO, Feb. 24.—Judge Joseph B. David, veteran of more than two decades on superior and criminal court benches in Cook county and often called Chicago's most colorful jurist, died recently of heart disease. He was 75 years old.

Election Board Gives Notice of Rules

Candidates Get Petitions on March 21; Must Be Filled by March 30 with Signatures

• With student body election campaigns less than a month away, notice was served by members of the election committee, headed by Ann Seymour, vice-president, for prospective candidates to begin a preliminary checkup as to eligibility and standing.

Petitions for candidacy will be issued on March 21 by the members of the committee for the purpose of getting signatures of ten percent of the Associated Student body membership endorsing the candidate. These petitions must be returned to the committee completely filled out by March 30 or the candidate will be ineligible.

Hold Examination

Constitutional examinations for the candidates will be held on April 1. This examination is concerning the constitution and by-laws of the Associated Students of the Santa Barbara State college, entailing a knowledge of parliamentary procedure.

Campaign speeches will be given in the regular Tuesday morning assembly, second period on April 3, at which time all candidates will be required to make an appearance.

Set Election Day

The following day, April 6, the general elections for the offices of the student body will be either elected or cast into a re-vote in election finals in case a majority is not attained by any one candidate for an office.

"It is not possible to stress the importance on people, both prospective candidates and electors, to take plenty of time in deciding to run or on whom should be elected. As these jobs, that these people will assume, are as much a part of your life for the following year, as any other phase of collegiate living. They must be the cream of the campus," stated Danny D'Alfonso, president of the Associated Students, "mistakes have been made in the past."

Radio Club Tries Voice Ability on Airwaves

• The Radio club held a meeting Wednesday evening as the first meeting of the type that is to be held regularly. At the first part of the meeting there was general discussion of the club and of different phases of radio. Ed McPhee, president of the group, told of the need of old radio sets to get parts from them. Different members of the club then contacted several other radio stations and exchanged ideas. The purpose of this is to determine the quality of voice being sent into the air, and how it is carried in the air.

Following the general meeting Elvin Williamson gave a talk on the number of component parts of a radio transmitter and the purpose of each.

Wednesday night tryouts resulted in casting for the rhythm prologue, dancing choruses, and several specialty acts and numbers. Selections were made by Jack Manson, writer of the sketch, Jimmie Fullerton, director, "Petie" McKinney, general manager, and Harry Sloan, dance director.

Vocal tryouts for the singing choruses will be held at a further date by individual call by Fred Lambourne, musical director.

Phantom Singer

A new turn in the revue cast was the presence of a mysterious freshman, little known as to vocal ability on the campus. "His voice is one of the finest that the Roadrunner Revue has presented," voiced Petie McKinney and Helen Longawa, costume director, two of the six who were permitted to become acquainted with the identity of the "Phantom singer with the mystery voice," as the director has tabbed him.

That the extension in the time before presentation will permit the cast and choruses to perfect all scenes for a finer show was the hope of persons directly in charge of the production.

Department Meet Discusses Future Entertainment

• Plans for entertainment of junior high student-teacher supervisors at the May meeting were submitted last Tuesday night as that department met in El Gaucho clubroom under the direction of Al Belprez, president.

Next meeting is scheduled for March 15, the speaker for the evening to be Reverend John Pettus of Montecito who will speak on Chinese civilization which he knows first hand, having spent many years in the Orient.

Dancing and refreshments followed the business session and a visit to the Japanese art exhibit in Pine Hall.

Guests of the department included Dan Scher, and Paul Woods, alumni.

PAPER HONORS COLLEGE

• Of interest to State college students, will be the Diamond Jubilee issue of the Santa Barbara News-Press on Sunday, February 27. Many college stories and pictures will be run. Working on the edition from the college were Betty Nordyke, Lausen Miller, Frank Douglas and Walt Bradbury.

Final Enrollment Figures at 1132

• Final enrollment figures, released from the office of President Clarence L. Phelps, showed that 1132 students have signed for courses for the spring semester. Whereas the second semester enrollment drops in almost every school and has done so at Santa Barbara State, previously, the figures show an increase over the fall semester of forty students.

The high enrollment has made necessary the construction of a new building for classrooms, estimated to hold 350 students.

Statement of Policy

• With the second announcement of rules and regulations concerning student body elections, El Gaucho takes the cue to issue a statement of policy before the intense feeling and great excitement of the campaigning descends. In the first place, El Gaucho is a student publication owned and published entirely by the associated students. No one group should have or will have preference as to candidates' pictures, names, or stories. It is always the case that a presidential candidate is a person of some importance in campus affairs, and there develops the tendency to use stories of other activity events to bring before the student body the name of the candidate.

Managers for various nominees have the option of announcing the candidacy of a person at any time, and any such announcement will be headlined as an event of major importance, which cannot be denied. However, it must not be interpreted that the first announcement made, is that of the preference of the editor or any of his staff.

The advance notices of the coming election, preceding the ballot day by quite a number of weeks, indicates a healthy attitude on the part of election officials, and will give ample time for consideration of student body candidates.

It seems to be the usual case that the rushing season heightens group feeling in both fraternity and sorority life which later becomes entangled with election issues. There is no doubt but that these groups are logical fields from which nominations can come, yet each group should realize that an officer's duty when elected is not to any one group but to over a thousand students, of which social fraternal groups constitute but one third in number.

Any suggestions as to needed rules or changes of rules, or constitutional procedure in the manner of elections or of the setup of our student government will be gladly printed as signed letters to the editor.

• "Are those leaving our colleges different from the masses, except for their interest in football tickets on the 50-yard line?" Dr. Robert G. Sproul, president of the University of California, thinks that 85 percent of the students in junior colleges are not of college caliber and should not go on to higher education.

• "Civilization has advanced, in my opinion, not because of any improvement of mental quality in the masses but rather because the realization of the material advantages to be gained from the toleration of genius has slowly percolated into the minds of the majority of our species." Dr. Earnest A. Hooton, professor of anthropology and curator of Peabody Museum at Harvard, argues that social, material and intellectual progress are always the result of the effort of the gifted individual.

Fifty years or so from now,
When old are the men of today;
In the hall of fame
Will rest the name

Or discover forgotten land;
His brain was not bent
Toward things to invent
He did nothing so terribly grand.

He didn't find a new planet,
He didn't discover a star;
He wasn't a king
Or any such thing
Not even a prince or a czar.

What he DID do took courage,
And a heart bold and brave;
And now that he's dead
And a stone on his head
Is the following verse o'er his grave:

"Here's to the man called Oliver Shay,
Who braved life's buffets and socks;
He startled the world in '36"
When he voted for Landon and Knox!"

A program that may be of interest to some of you is "Hobby Lobby." The sponsors bring people with interesting hobbies from all over the United States so that they may tell of them over the air. I believe the only hobby that hasn't been represented is stamp collecting and that will probably have to wait for television. Most of the hobbies are very unusual. It may be heard on KNX every Tuesday at 8:30 p.m.

"Death Valley Days," a program of high dramatic quality giving the true experiences of the valley may be heard on KFI every Tuesday evening at 9:00 p.m. that is if you don't like the Al Pearce show that is on KNX at the same time. The Pearce show is a variety with a lot of varied comedy.

Second Guess . . .

By BOB BURT

By BOB BURT

• Basketball fans get a real treat tonight when the Broadway Clowns and House of David team clash at the Armory. The two teams are ranked as the best professional outfits in the country and it will be well worth your time to attend tonight's game.

YEAGER AND OLDSHAW

The Second Guesser is very happy to hear about Howie Yeager and Doug Oldershaw landing contracts with the New York Giants. Both men have plenty of natural ability and barring injuries, and bad breaks the two Gauchos should be right up there. If the manner in which Howie and Doug have been running through these big rugby players (who played football at S.C., Stanford and U.C.L.A.) is a sample of the way they will do back east, they should be sensations.

LOOKING INTO FUTURE

If in some way he could look into 1960, perhaps this is what we would find:

La Verne finally wins a football game . . . Tony Luisetti, son of Hank, is playing great ball for Stanford and says his ambition is to break his father's record . . . Coach Howard Jones, still coaching at U.S.C. claims the Trojans will finally have a championship team next fall . . . Santa Barbara State moves to the new campus on Lead-better hill.

THIS AND THAT

The U.S.C. frosh basketball team has won 74 games in a row; the last team to defeat them was Long Beach jaysee . . . Chief Newman resigned from Whittier college the other day because of salary differences . . . Joe Louis' knockout over Mann raises his total to 31 kayos in 38 fights . . . Detroit boxing fans claim Jimmy Adamick, young boxer who defeated Harry Thomas last week, is a better prospect than Joe Louis was . . . Art Stoeleting, House of David center, is 6 ft. 11 and weighs 225 pounds. Never mind, girls he has a beard . . . Orin Landreth, newly appointed Arizona coach, should be a huge success at Tucson; while at Long Beach Poly he won eight championships in twelve years.

CAMPUS CHATTER

The yearly grudge battle between the frosh and varsity basketball teams takes place next Friday night; last year the "first yearmen" eked out a two point victory . . . Although the team was a big success, rugby lost money this year . . . "Spud's" baseball team should wallop Ventura Jaysee today.

Faculty Takes on Senior Cagers

Phelps, Jacobs Referee
Hoop Game in Armory
Next Friday Night

• The hoop game in its form will be the topic of the day Friday, March 4, according to Coach Willie Wilton. On this day the varsity will tangle with the seniors and the frosh will attack the varsity. Officials for the first game will be President Clarence L. Phelps and Charles L. Jacobs, dean of the upper division. For the second game Van Meter will handle the duties.

"There will be fair play in this game or I'll know the reason why. What's more I'll see to it that there are no faculty members on the court that don't have at least a D average." Such was the statement of Phelps late yesterday.

No Varsity Men

According to Wilton who is directing the game as well as playing for the faculty there will be no men allowed on the senior team who have played varsity basketball. This regulation was drawn in order to give the profs a better chance.

Recruit Faculty

Recruiting of players for the faculty team is now in process and every man who can walk is in high demand. Mather and Harder will coach the doctors of philosophy who will include Girvez, Davis, Follett, Kupfer, Noble, Jones, Wilton, Hile, and Outland. Any other man who wants to play will certainly get his chance as the faculty needs men badly.

One interesting fact about the frosh-varsity game is Russell's status. If he plays he will have to play for the varsity against his own men and if he does not play it will make a considerable difference in the varsity team.

Gym Club Prepares for Competition

• Next Tuesday night, March 1 from 7:30 to 9 there will be a special meeting of the Gym club members at the home of Dr. Elmer Noble, 1735 Grand avenue.

The purpose of the meeting is to discuss the possibility of gymnastic competition with other teams and to make definite plans for the coming Gym Jinx.

All men interested in joining the Gym Club are invited, and all those who intend to come must notify Dr. Noble by noon Tuesday.

Tracksters Enter Three Relays in Meet at Chaffee Jaysee

• Entrants for the Southern California Relays have been selected from the State track team to enter two frosh relays and the shuttle hurdle relay. Picked by Coach Dimmie Mather these teams will compete tomorrow at Chaffee Jaysee in Ontario, California against all the colleges of Southern California.

In the shuttle relay will be Howard Yeager, Harold Fortress, Bill Gray, and Clyde Frisholtz. Of these men there appears little difference and Yeager and Gray are probably the strongest in the event. However, in a straight hurdle competition either Frisholtz or Fortress could give trouble.

Frosh Run

In the four-man 880 and the medley the frosh are sending delegations south. These men will be Morgan, Peters, Kilroy, Robinson, Rivers and Gutridge.

Chiefly because the grounds are still in no condition for outdoors, Mather is unable to send the entire team to the relays. As there can only be gym practice the distance men are not training for the meet. Other meets coming soon are the

Varsity' Ventura Meet in Pershing Park

Gaucha Squad Prepares for Stiff Game with Pirate Crew; Find Combination with Strongest Defense in Years

By FRANK DOUGLAS

• Baseball season will start today when the Gaucha horsehidlers face the Ventura Jaysee Pirates on the Pershing park diamond at 3:00 p.m. The varsity men under the direction of Spud Harder are rapidly being whipped into shape and with very few exceptions should be ready, willing and very able. The team will present what should turn out to be the best defense in many seasons and if they can get into a hitting spree this early

things will be going bad for all opponents.

The first team has been fairly well lined up and the combination that will start on the diamond today is likely to change little. However, there is fairly sure to be some change as Harder is not entirely satisfied with all of his men.

List Batting Order

The batting order as it is now reads: Ripsch, Murray, Evans, White, Erhard, Merlo, Hallen, Lee, and McNeice. With Merlo behind the plate McNeice or Gardenhire will do the pitching. If Erhard pitches Smith will fill in his position in right field. Ripsch, Lee, and Evans will play the three bags with White, Murray and either Erhard, or Smith in the outfield.

Others Play

Men who will probably get their chance to play are Yoshihiko Fugimoto, Bill Brothers and Doug Duckham. All of these boys have been giving everything they have and have developed an ability that Harder will find valuable.

son or Fitzgerald, pitcher. Other frosh likely to play will be Pitcher, Navarro, Lyman, Bailey, and Pearce.

The varsity lineup will be the same as in the Ventura game.

FROSH BASEBALL MEN BATTLE VARSITY

• Beginning tomorrow the frosh and the varsity will open a series of games to be played on open dates in order to keep both squads in practice and to give themselves a chance to work out their own weaknesses according to Coaches Harder and Jimmy Van Meter. The first game will start at 2:00 p. m. on Cabrillo field.

According to Harder the game is to be played in order that both teams might work up better harmony that may be worked into a stronger unit by giving the frosh a chance to gain an acquaintance with a real style of competitive ball. Also it will give the varsity an extra test in a game that they can afford to experiment in.

Starting for the frosh will be Wallack, third; Fitzgerald, short; Markham, second; West, center; Morgan, left; Silvelt, right; Halferty or MacMurray, first; Wilson or Widman, catcher; and Wright-

Long Beach relays on March 5, the freshman-varsity meet on March 19 and the freshman meet with Ventura Jaysee here on March 12 and the triangle meet with Bakersfield jaysee and Cal Poly.

Prospective Pledges Dance at Tau Omega Open House

Fraternity Officers Give Brief Talks; Drummond Speaks on China

The second "open house" event of the fraternity rushing season was held Wednesday night at the home of Wells Gibson, 1135 Arbolado road, when the Tau Omegas entertained prospective pledges.

Beginning at 7:30 p.m. active, guests and alumnae joined for an introductory session during which Dr. Charles Pruess, sponsor; James Nicklin, local lawyer and alumnus; Glen Turner, past T.O. president; Bob Reynolds and Wells Gibson, newly elected fraternity head, gave short talks.

Drummond Speaks

Feature of the evening was an informal speech by Reverend W. J. Drummond, who has recently returned from China after forty seven years of missionary work. Rev. Drummond, forced to return due to war conditions, described current situations and problems in the Orient. Marjorie Ann Gibson, who will leave shortly to study in the East, played harp selections for the group.

Following the first part of the evening, a dance honoring the guests and alumni was held. Women joining the Tau Omegas for the affair were Marion Clark, Vivian Scott, Jane Howland, Dorothy Staples, Jayne Hannah, Mary Ellen Putnam, Jeanne Duran, Gerry Groshong, Myra Davis, Georgia Crosby, Rosalie Bell, Jean McArthur, Irene Baptiste, Jane Leslie, Dorothy McConnell, Betty Howell, Myrna Julien, Pearl Beach, Loraine Squires, Betty Allen and Ruth Struthers.

Many Guests

Guests of the fraternity included Glen Marchbanks, Richard Moore, Bill Sears, Tom Wharton, Jack Rivers, Walter Kilroy, Spencer Ray, Cameron Sellar, Frank Adelseck, Alvin Lappin, Harry Livezey, Buzz Bolas, Malcom Woodhead, Cameron Wells and Clovis Caille.

Others present were Mr. and Mrs. Albert Eaves, Mr. and Mrs. L. Gresson, Kenneth Brinks, Vera Diedrich, Mr. and Mrs. Ardlie Pierce, Mr. and Mrs. John Ingram, Mr. and Mrs. Ben Romer, Thomas Keating, Tom Merrill, Al Wach, James Nicklin, and Captain and Mrs. Paul Jones.

Gavel and Key Men Formulate Plans

Fifteen members of Gavel and Key, men's honor group, met Tuesday evening at the Barbara hotel for a dinner business session under the leadership of Fred Lambourne, organization president.

Discussion of the meeting included plans for a page in La Cumbre; the awarding of a scholarship cup to the senior man having the highest grades for his four college years; decision to confer with Crown and Scepter on the question of honor systems; and organization work for the following gatherings of the group. Among those present were Fred Lambourne, Ed Cole, Danny D'Alfonso, Carl Sundquist, Jack Kitchen, Nat Hales, Ronald Cray, Marlin Wilbur, Harry Sloan, Carlos Bee, Alfredo Chavez, Bill McKenzie, Frank Meredith, Ted Joham and Elmer Neihbur.

Dr. H. E. Sweet Reviews New Book

Dr. Helen Sweet, science instructor, reviewed Zinser's new book, "Rat's, Lice and History," at the Tuesday bi-monthly meeting of the science departments and interested local citizens, held at 4:00 p.m. in Dr. Elmer Noble's laboratory.

Dr. Noble, in charge of the meetings, which bring the latest scientific developments before college teachers, announced that Dr. Hazel Severy will be the speaker at the next seminar gathering, to review a recent work on plant dyes.

B.E.X. Plans Drive to Raise Grade Standings

Meeting at their fraternity house on Cheltenham Road, the Beta Sigma Chis conducted a business meeting. A lead-foil collection was started by the members to be sold later for a Scholarship. Several tournaments were started for the benefit of the members exclusively. These are: pool, ping-pong and cribbage. Prizes will be awarded to the individual members winning these tournaments.

Plan to Study

A drive has been started to raise the fraternity scholarship average. A perpetual trophy will be awarded to the man attaining the highest average with his name engraved on it. Plans were also formulated to asphalt the driveways going into and out of the fraternity house.

Many alumni were present at the meeting last night including Don Follett, Ferd Davis, Al Scott, Sid Smith, Reed Prince, Kenny Oppe, Paul Westbury, Roland Carter, Jim Daykin, and Howard Gammill.

Tri-Y Backs Local Charter Group

The Tri-Y women of Santa Barbara State college met Wednesday night to discuss a program of service for the year. Plans were made for visiting the children at the county hospital, and for doing other work in the social field.

The local group members were guests of honor Monday at a Tri-county meeting of the Tri-Y and Hi-Y. Carpentaria High school Hi-Y and Tri-Y were hosts to clubs from Ventura J.C., Oxnard, Fillmore, Santa Paula, Santa Barbara Senior Hi-Y, and Santa Barbara State college Tri-Y. About two hundred people attended the pot luck supper and participated in the games led by Glenn Grant, Pacific Coast Recreational Director. Mr. Grant is well known also as the author of U. S. C.'s fight song.

The college women's Tri-Y is sponsoring the beginning of a Tri-Y club for the girls in Santa Barbara high school.

Trainer Speaks on First Aid Work

First aid for coaches and players will be the subject of a talk and demonstration by Mr. Frank Cramer, Olympic trainer for the United States government for the last several Olympics. The meeting will be held at the Chamber of Commerce, 7:30 Monday night, February 28.

Associated with the Wilson Sporting Goods Co. and the Cramer Chemical Co., the speaker is covering the United States instructing coaches and players in first aid. All men interested are urged to come, with special invitation being extended to physical education majors.

Men seeking a cure for injuries received in athletic endeavors are urged to ask for instruction in caring for their ailments, as this is the purpose of Mr. Cramer's tour. After the talk an open discussion will be held in which questions are welcomed.

SIG ALPHS OPEN HOUSE CLOSES RUSH SEASON

Sigma Alpha Kappa, social fraternity, will be host at the final open house of the spring semester rush period next Monday night at the home of Dr. Harry Girvetz, fraternity sponsor, 1933 Mission Ridge road.

The evening of entertainment will be an informal stag affair. Preparation for the program, games, and refreshments is under the direction of Ronald Cray, social chairman. He will be assisted by a committee which includes Harry Nethery, president; Fred Lambourne, Ed Cole and Frank O'Neil. Members will meet at 7:30 and call for guests at 8:00 o'clock. Invitations have been extended to twenty-two prospective pledges.

During the fraternity meeting last Monday night at the clubroom, 1620 Grand avenue, a working committee was appointed to organize the social affairs for the remainder of the semester which includes the Sig Alph spring formal.

GAMMA SIGMA PI HOLDS DANCE

Gamma Sigma Pi will hold its annual open house this evening in La Hacienda club in the form of a dance which prospective members have been invited to attend. In addition to the regular fraternity, approximately fifty couples are expected and a full evening's entertainment will be provided.

Social chairman Ted Joham, together with Arnold Rose and Fred Smoot, have been working with the sub-committees in preparation for the party. Invitations were extended by Norman Becchio, corresponding secretary, to Dean William Ashworth, Captain Paul Jones, and to the fraternity sponsors, including Dr. Irving Mather, John Thomas Porter, and Mr. Charles Ott.

Sport will be the order of dress and dancing is scheduled to start at 9:00 p.m. Games have been planned and refreshments will be served during the evening.

At the regular fraternity meeting Monday night, it was decided to start a display case in the Gauch clubroom in which to put the Gamma Sigma Pi coat of arms, various pins and cups on exhibition. Plans for the annual spring formal were also discussed and Marlin Wilbur, president, appointed committees to make arrangements.

Educational Frat Pledges Six at Dinner Meet

The members of Alpha Delta Chi, elementary education fraternity, held their regular meeting last Wednesday night. The meeting was preceded by a dinner served in the faculty dining room of the College cafeteria. Dr. George Outland of the social science department was the guest speaker of the evening. He gave a thought provoking talk concerning the "Transient Boy" emphasizing the important part which teachers have in dealing with this social problem.

The names of prospective pledges were presented to the group. Those selected for membership in the fraternity were as follows: Dorothy Cameron, Mary Marjorie Casity, Richard Moore, Spencer Ray, Thelma Jo Russell, and Robert Shannon.

Choose Pins

The suggestions for fraternity pins and pledge pins made by the committee for this purpose, were approved by the group and orders are to be sent East immediately. Phyllis La Source made a brief report in regard to possible revisions in the constitution of the organization.

The offices of historian and publicity chairman were separated. Lorraine Twogood was elected to the new office of publicity chairman. Dorothy Horner, Editor of El Visitadore, gave a report on the progress of this publication. She stated that plans were underway, with the various stories apportioned among the reporters.

Tau Gams Sponsor Benefit Tea

The alumnae of Tau Gamma Sigma, State social sorority, are sponsoring a benefit bridge tea and Spring hat review Saturday afternoon at 2:00 p.m. at Rockwood, to which all college women are invited. Mrs. Katherine Kelly, alumnae president, Phyllis Cole, Marguerite Hansen and Marlyn Jameson are in charge of the affair.

Active members and pledges are selling tickets on the campus. Among those modeling the season's

Hoag Orchestra Plays for First Semi-Formal of Spring Semester

The first semi-formal dance of the semester, honoring the birthday of George Washington, will be held Saturday evening at 9:00 p.m. at Rockwood Women's club. Dancing will last until 12 midnight, with music being furnished by Doug Hoag's seven piece orchestra.

Bill McKenzie, social chairman, assisted by the social committee, is directing the affair. Guests are reminded that formal dresses for the women and dark suits for the men will be the order of the evening.

Sponsors invited are Mrs. Theo. Harder, Wilton Wilton, Mr. and Mrs. Harold Davis, and Mr. and Mrs. John Porter.

Guest cards may be obtained at the office of Dean Lois M. Benink before next Friday noon. Admittance by presentation of student body books will be as usual.

This will be the second dance of the spring semester; other dances are being planned by the social committee.

Drama Group Takes in New Members

Members of the Players' club will meet Tuesday night at 7:30 p.m. in Room 81 to consider the entrance of additional students and to discuss possibilities of joining a national dramatic fraternity.

Carl Jorgensen, Players' president, will preside over the meeting. Sophomores, juniors and seniors are eligible to join the club on a permanent basis and may do so by attending this meeting, Jorgensen said. Frosh will be taken in the organization on probationary standing.

Hatwear are Jean McArthur, Bobbie Ellis, Dorothy Hansen, Lyndell Brundige and several alumna. Hats for the event will be furnished by Trenwith's store.
