

CHEADLE RECEIVES POSITION AS NEW UCSB CHANCELLOR

THREE NEW DEANS WILL JOIN FACULTY

Dr. Vernon I. Cheadle, acting vice chancellor at the University of California at Davis...

The Regents, meeting at UCLA last Friday, appointed Dr. Cheadle to take the place of Chancellor Samuel B. Gould...

DEANS NAMED

Also effective July 1 is the appointment of three new UCSB deans announced at the Friday Regents meeting.

Dr. Donald R. Cressey, professor of sociology at UCLA, was named dean of the College of Letters and Science...

The new dean of the College of Letters and Science succeeds acting dean Dr. A. Russell Buchanan...

KERR ENTHUSIASTIC

"The appointment of a chancellor and three deans at Santa Barbara represents an important development in plans for the campus," UC President Clark Kerr said.

"The Regents expressed their pleasure at the continued growth and stature of the Santa Barbara campus. Appointment of the four distinguished scholars to important positions at Santa Barbara reaffirms that which has been developed there."

Dr. Cheadle, a native of South Dakota, is a graduate of South Dakota State College and received a master's degree at Miami University in 1932 and his doctorate at Harvard in 1936.

His academic career includes...

DR. VERNON I. CHEADLE

three years at Harvard as an Austin Teaching Fellow. He was a member of the faculty of the University of Rhode Island from 1936 to 1952 where he served several years as chairman of the Department of Botany and director of the Graduate Division.

Since 1952 he has been a professor of botany, and chairman of the botany department at the Davis campus.

His professional associations include a fellowship in the American Academy of Arts and Sciences, membership in the American Society of Plant Taxonomists and the International Society of Plant Morphologists. He is also a member of the Botanical Society of America...

FULBRIGHT SCHOLAR

He served as Fulbright Research Scholar in 1959-60 in Australia and in 1950 was a Distinguished Visitor to the Union of South Africa.

Cheadle is a member of Phi Beta Kappa, a fellow of the American Academy of Arts and Sciences and is active in other honorary and scholarly organizations.

Dr. Cressey, new dean of letters and science conducted extensive research in criminal sociology, and has written a book on the psychology of embezzlement.

Dr. Griggs, appointed Dean of the Graduate Division, came to UCLA where he is now professor of English, after a 24-year teaching career at the Universities of Minnesota, Oregon, Michigan and Pennsylvania. He has published 14 books and more than 40 articles on Samuel Taylor Coleridge. He served for nearly two years as vice chairman of the Academic Senate Los Angeles division.

Guggenheim Aid Won By Profs

Dr. Joseph H. Connell and Dr. Immanuel Hsu, both associate professors at UCSB are among 270 scholars, scientists, and artists across the United States to receive cash grants from the Guggenheim Foundation to conduct their research over the next year.

The zoologist and historian, who have been awarded the Fellowships for the 1952-63 year, received notice last week from the John Simon Guggenheim Memorial Foundation in New York.

Dr. Connell will go on sabbatical leave to the University of Queensland in Brisbane to work on the ecology of marine shore organisms on the East coast of Australia.

Dr. Hsu will go aboard and examine numerous British documents in the Public Record office in London as well as many Chinese documents in the archives of the Institute of Modern History on Formosa. The Asian scholar is completing his historical study of the crucial years of 1871-81, when Russo-Chinese relations were strained to the point of rupture.

Student Teaching Forms Available

Applications for student teaching for the fall semester 1962 are now due. Applications may be obtained from the office of the Director of Student Teaching, Building 431, room 142.

"Sea and Stars"

The Eighth Annual Aquacade entitled "From the Sea to the Stars" will be presented tonight and tomorrow at 8:30 p.m. at the campus pool. The show includes such numbers as "Unwelcome Intrusion," "Winsome Sunbeams," "Trioka Frenzy," and "Butterfield 0-00008." Lighting and other special effects carry out the themes of each of the 11 numbers.

Twenty-six girls are swimming in the Aquacade with solo performances given by Dee Ann Grossi in "Lonely Love," and Jan Crawford in "Little Sea Nymph."

The show is being sponsored by the Women's Physical Education Department and the Associated Students. It is under the direction of faculty advisors, Miss Joyzelle Herod and Miss Kathy Barthels. General chairman for the event is Carol Dawson with Linda Bell serving as vice-chairman.

Tickets will be purchased at the the Graduate Manager's Office at the door, or from any of the cast members. Admission is \$7.50 for students and \$1.00 for adults.

Bali Music, Dance Show Here Tonite

In Bali, the Gender Wajang Quartet accompanies the all-night puppet plays and performs without interruption from 7:30 at night until 6 a.m. the next morning.

A small sample of this exotic musical marathon will be offered by Dr. Mantle Hood and his UCLA Balinese gamelan performers in their concert of the music and dance of Bali tonight at 8:30 p.m. in Campbell Hall. Tickets are available at the UC Extension Office to students and university staff at the reduced price of \$7.50.

Balinese Gamelan and Dance is one of the most colorful expressions of Balinese Hinduism. In this society, where religion is truly a way of life, every dance and musical performance becomes an offering.

Hard wooden hammers on bronze keys rise and fall in interlocking melodic patterns which underscore the alternately quick and tense movements of the dancer.

Tonight's program will feature a 26-man troupe under the direction of Dr. Hood, noted UCLA musicologist, and director of the institute of ethnomusicology on the UCLA campus. The Gender Wajang Quartet will perform the "Gong Kegyay" with dances by Wajan Gandera and Hazel Chung.

SPRING SING REVIEWED

There will be an open meeting of the Spring Sing Committee this Tuesday, May 8, at 4:00 in the Huddle. The purpose of this special meeting is to evaluate this year's Spring Sing. Also the individual point scores will be released at this time.

Ray Conniff made comments on most of the groups and these will be released also.

All interested groups or individuals are invited to attend this "highly informative" meeting. Remember this will be the only time this information will be released to students.

SORRENTINO AND McCORD WIN AS RECORD NUMBER VOTE IN ASB ELECTIONS

KOVITZ ASSUMES AS SECRETARYSHIP

UCSB students elected their representative to student government this week for the school year 1962-63.

Joe Sorrentino was elected President.

Bob McCord was elected AS Vice President by a 500 vote majority. Bob is a junior from Needles, California, majoring in political science. This past year he has served as chairman of the AS Finance Committee. He hopes that next year more unity can be achieved by the various campus groups.

The new AS Secretary is Suzi Kovitz. Suzi, a sophomore from Los Altos, California, has been very active in student government this past year. She was on Leg Council Charities Committee and secretary of her sorority.

UCSB students voted in this election for the name of the student newspaper. The constitution states that the name must be chosen by a two-thirds majority. There was not a two-thirds majority in this election. Tom Lloyd says that the matter will be discussed in Legislative Council and possibly a new election will be called.

AS PRESIDENT JOE SORRENTINO

FINAL ELECTION TALLY

Table with columns for various positions (President, Vice President, Secretary, etc.) and names of candidates with their respective vote counts.

NEW AS PRESIDENT FROM EAST COAST

Contacted late Wednesday night, AS president-elect Joe Sorrentino made this statement: "My first thought upon being told of the election results was to personally thank the many people that so ardently supported me. While I am very grateful to every one who has helped me, I am especially moved by the faith shown by the fraternity and sorority people. The enthusiasm demonstrated in this election has imbued me with confidence for a year of achievement in student government at UCSB."

Joe Sorrentino was elected to the office of AS President as UCSB students turned out in record numbers. Over half of the student body, 1766 voters, marked their ballots in the presidential contest.

Joe has attended UCSB for the past three years, majoring in political science. He has received the RHA scholarship for two consecutive semesters. He serves presently as Navajo Hall's RA.

Originally from Brooklyn, New York, Joe was one of seven children. Joe began boxing at 13 years of age and eventually became Golden Gloves Champion. He quit high school when 16 in order to support his family.

After serving a stretch in the Marine Corps, he attended night school to get his high school diploma. He worked days during this time to support himself, usually in the capacity of a longshoreman.

Following his graduation from college Joe wants to teach and practice law. Joe hopes next year to license the campus radio and improve the UCSB campus image.

SUZI KOVITZ AS Secretary

Brass Choir

The UCSB Brass Choir will give its only campus concert of the year on May 15 at noon in the music bowl.

The music to be played is varied and includes contemporary and jazz arrangements. One of the most popular numbers on the program is "Bewitched, Bothered, and Bewildered" as arranged by Keith La Motte, a former UCSB student now with Stan Kenton's Band.

Brass Choir is composed of 22 musicians under the direction of Dr. Maurice Faulkner. The musicianship and arrangement are such that the ensemble is able to combine lightness and melody not usually associated with brass instruments with the heavier, more dramatic passages.

The group has just returned from a successful tour that included Santa Monica, Camarillo, Fullerton, and San Diego area performances.

NEWS IN BRIEF

THE X-15 ROCKET SHIP achieved a record altitude of 48 1/2 miles earlier this week over the California desert. This represents the highest altitude ever reached by a man-controlled plane.

Piloted by Joe Walker, the flight was accomplished with a minimum of trouble; said Walker, "The beauty of the flight was that no single problem showed up that we didn't expect." Although Walker reached the edge of space and reported that he turned off the motor of his plane for fear that he would go into orbit, he experienced no feeling of weightlessness as he was strapped into the cockpit.

SECRETARY OF DEFENSE Robert S. McNamara is planning a visit to war-torn South Vietnam about May 9. The visit will be a stop-over of McNamara's return from the NATO meetings held this week in Athens. This will be his first appearance in the tiny Southeast Asian country recently the scene of much guerrilla fighting.

FROM ONE SIDE OF THE GLOBE to the other the Communist world held celebrations, parading armed might on last Tuesday, May Day. The festivities in most Communist controlled or influenced cities consisted of rallies, parades, and speeches. In Tokyo snake-dancing student demonstrators clashed with police while people everywhere were reminded of Communist threats to conquer the world.

STRONG WINDS and tornadoes hit the Midwest. South and Southwest earlier this week leaving at least eight persons dead, 100 injured and millions of dollars of damage. Hardest hit were Illinois, Indiana, Missouri, and Mississippi.

JOYZELLE HEROD pauses during a recent Aquacade rehearsal to illustrate a stroke for one of the participating groups. The show, which continues tonight and tomorrow night at the Campus Pool, features eleven precision swim numbers.

Student Polling In Wednesday Class

A poll of student opinion concerning third semester operations will be taken next Wednesday in all 9 a.m. classes. Results of the poll will assist the University in planning for a third semester to be conducted in the summer of 1963.

This third semester, to be offered on the Berkeley and Los Angeles campuses, will be available to students from all campuses.

The poll will provide a basis for estimating prospective enrollment. Students will be expected to carry a study load of 12-15 units and fees will be comparable to those in effect during the fall and spring semesters on the campuses involved.

Third semesters may become a regular offering of the University to provide utilization of facilities and to permit interested students to make accelerated progress toward a degree.

Distinguished Pianist Pennario Gives Concert Here On May 15

The May 15 appearance of distinguished American pianist Leonard Pennario in Campbell Hall will mark the end of his sold out tour of Europe and the United States this season. Completing 60 concerts, 40 of them in Europe this spring, Pennario ends his annual international tour with the UCSB concert. Since his debut 25 years ago the noted pianist has annually toured throughout the world completing an average of 60 to 75 concerts yearly. Tickets priced at \$1.25 for students and faculty are available at the Graduate Manager ticket window.

WHERE'S CHARLEY? OPENS RUN MAY 10

"Where's Charley?" a comedy-musical, will open a two weekend run at Campbell Hall on Thursday, May 10. The farce originally played on Broadway and was taken from the play, "Charlie's Aunt." The leading player will be Bill Black, a graduate Speech and Drama student. Others in the cast of 18 include Mary Fraga, Robin Ryland, and Al Ellington.

Produced and directed by Dr. T. W. Hatlen.

WITH HEIFETZ
This past summer Pennario was invited to perform at the history-making chamber music concerts in the Pilgrimage Theatre in Los Angeles. In the concerts he joined two greats in the music world, Jascha Heifetz and Gregor Piatigorsky in performances of the Frank Quintet. These concerts received national publicity for distinguished personal and artistic accomplishment.

EARLY RECOGNITION
Pennario's career began at an early age when he substituted for an ailing soloist with the Dallas Symphony. At 15 he topped 300 other contestants in the annual Young Artists Contest and earned an invitation to play with the San Francisco Symphony. While at USC, a visiting impresario heard him play a Chop Nocturne and took the unprecedented step of signing Pennario for an extended tour which began his series of recital tours.

Pennario himself considers his "command performance" at the White House for President Eisenhower a highpoint in his career. The occasion was a reception held by the President and the First Lady.

VARIED PROGRAM
The artist's recital in Campbell Hall will include the compositions "Sonata in F," Haydn; Sonata B minor, Liszt; "Two Etudes," Chopin; "Le Tombeau de Couperin" by Ravel; and the "Sonata Number 22" by Prokofieff.

Sarah Simpson transferred to this University from Ohio and has been extremely active in campus musical productions since coming to Santa Barbara. The vocalist is a

LEONARD PENNARIO appears in concert here May 15, 8:30 p.m. in Campbell Hall. Tickets for the event, under the auspices of the AS Assembly Committee, are on sale at the Graduate Manager ticket window at \$1.25 for students and faculty.

SPECTRUM PROVIDES PLACE FOR LITERARY AND ARTISTIC

The Spring-Summer issue of Spectrum will appear in the Campus Bookstore Monday. Spectrum is the literary magazine published by the Associated Students at UCSB. Now in its sixth year, Spectrum has published the contributions of such distinguished writers as William Carlos Williams, T. S. Eliot, and Jean Cocteau, as well as those of many other contributors, among them students and faculty members at UCSB. The magazine is comparable to those published by other universities in the United States and abroad, for example, the literary reviews from Cambridge University, Cornell, and the University of Kansas City. No other campus of the University of California publishes such a review.

TO PUBLISH BEST
The aim of Spectrum is to publish the best quality of literature and artistic work available to it, from whatever source, and at the same time provide a place for UCSB students to publish their best work. The magazine goes into homes and on the library racks all over the United States, and in Canada and Great Britain; it is sold in bookstores in California and in the Eastern U.S.

Spectrum publishes poetry, short stories, critical essays, and other forms of literary endeavor, as well as art work. The staff especially encourages students to submit manuscripts. They can be left in the Spectrum box in the A.S. office with the author's name and phone number. Contributors will be invited to the staff meetings to discuss their work.

STAFF OPEN
The editorial staff of Spectrum is made up of students, with a faculty literary advisor, Edward Loomis, faculty art advisor, Thomas Cornell, and a faculty advisory board. The staff considers manuscripts, puts the magazine together, and takes care of sales, advertising, and promotion. Staff meetings are at noon on Tuesdays in the A.S. Conference Room, and all students interested in working on the magazine or in writing for it are welcome to come.

This issue of Spectrum will exhibit changes in format and in the cover. It will contain contributions from such students as Mary Yoder, Thomas

Professor Roberto Pane, internationally known authority on Italian Renaissance and Baroque art, will deliver a lecture concerning the Sistine Ceiling paintings by Michelangelo on Monday May 7 at 8:30 p.m. in the South Hall auditorium.

Professor Pane is presently on leave from the University of Naples and is a Visiting Professor of Italian Culture at the University of California at Berkeley. He has given a number of highly successful lectures at Berkeley about a variety of interesting art subjects. The lecture will be supplemented with color slides, thus giving those attending the opportunity of observing these paintings in detail.

The Sistine Chapel paintings were painted between 1508 and 1512. This project was extremely difficult. Michelangelo divided the ceiling into nine panels on which he told a story beginning with the Creation of Man and ending with the Drunkenness of Noah. Covering 700 square yards, this work is undoubtedly the most outstanding artistic achievement of Western Civilization.

Michelangelo, in the painting, exhibited his immense knowledge of anatomy. It can be said, "he does not copy figures, he creates them."

"Evening At Tara" Is Formal Setting

"An Evening at Tara," the spring RHA Formal, will be held at the Miramar Hotel on Saturday, May 12, from 9 p.m. to 1 a.m. Admission to the formal is one meal ticket per couple. Refreshments will be served.

Entertainment in the Convention Hall will be by the Lino Mautino Band while the Men in Blue, a five-piece jazz combo, will play in the Santa Barbara Room.

A new perpetual trophy will be awarded the winners of the King and Queen Contest with individual trophies going to the King and Queen.

Simpson Sings Senior Recital

A senior recital by Sarah Simpson, soprano, will be given tomorrow in the campus auditorium at 8:30 p.m. The public is invited to attend.

Miss Simpson, a major in music performance, will graduate in June. This recital is offered in partial fulfillment of the requirements of her BA degree.

A program of primarily 17th and 19th century German music—opera, airs, and songs by Euxtehude, Wolf, Mozart, Poulenc, and Barber will be given. Mrs. Janice Schmutzer, a junior music major, will accompany her at the piano.

Sarah Simpson transferred to this University from Ohio and has been extremely active in campus musical productions since coming to Santa Barbara. The vocalist is a

student of Miss Dorothy Westra, and her adviser is Carl Zytowski.

QUARTET WILL GIVE CONCERT ON MAY 8

The Paganini Quartet, UCSB's renowned quartet in residence, will give its final on-campus concert of the year Tuesday, May 8 at Campbell Hall. The quartet is composed of Henri Temianka, first violinist; Stefan Kravk, second violinist; Albert Gillis, violist; and Lucien Laporte, cellist.

Next Tuesday's program will include "Mozart's Quintet for Strings in C Major" with faculty member Peter Odegard as guest violinist, Mildred Couper's "Introduction and Scherzo for String Quartet," and Roy Harris' "Quintet for Piano and Strings." This last piece will feature Mr. Harris' wife Johanna as guest pianist.

The program is free and will begin at 8:30 p.m. An open rehearsal will be held in Campbell Hall by the quartet at 12 noon the same day. The public is invited to bring their lunches and listen.

VARSITY BASEBALLERS... SEEK WINNING WAYS

By BOB WALTER

The UCSB Gauchos will be looking to end a five game losing streak and to reverse an earlier 21-1 decision as they tackle rough Cal Poly of Pomona on the Campus Field today at 3:00. Tomorrow they will play hosts to the Highlanders of UC at Riverside for a doubleheader beginning at 12:30.

Three of the five games in the current losing streak can be chalked up to league lead-

ing Fresno State as they were bad hosts last weekend. The luckless Gauchos could easily have come up with two victories but for bad breaks.

In the opener Friday night the Bulldogs took an 8-7 lead into the eighth inning and added eight more to put the game on ice. In the second game on Saturday the Fresno Staters took advantage of a dropped foul pop up to score three unearned runs to win 4-2 even though the Gauchos outhit them 8-5. The first game was no contest as the hometowners batted out 10 runs while the Gauchos couldn't come up with any.

Westmont added to the woes of coach Dave Gorrie as they won their third straight game from the Gauchos Tuesday afternoon on the Campus Field, 12-9. It looked like the Gauchos were going to pick up their first win against the Warriors until the fifth inning when the visitors took advantage of Carl Merz's sore arm to start a rally to finally yielded eight runs off three pitchers.

The Gauchos ended the game with the tying runs on base, but the cross town rivals managed to continue their wizardry over the UCSB boys. Outfielder Leroy Pifer continued to eat up Warrior pitching, however, as he went three for four to make him nine for ten against Westmont pitching for the year. Gary Shoop has also been batting the ball around for the Santa Barbarans lately, being 6 for 14 in the last four games.

ARIZONA

The powerful University of Arizona invaded Santa Barbara last week and dealt the locals a 52-2 beating in a non-conference match. A following contest against UCLA was cancelled as the Gauchos prepared for today's championships.

The Gauchos have been led throughout the year by Jim Clark, Alvin Bills, Dick Fisher, and Dave Yamamoto.

EL GAUCHO SPORTS

EDITOR, G. SMITH

TONY PALLANTE, defending 1961 CCAA javelin champion warms up with a mighty effort as he and his Gaucho mates prepared to journey to L.A. State for the CCAA finals this weekend. Though starting slow this year, Pallante last week uncorked a 200 plus effort to put him right back into the title contending picture this time around.

REID, GAYNOR LEAD LOCAL NETMEN INTO FINAL CCAA COMPETITION

LOS ANGELES — May 4, 1962 — The University of Santa Barbara tennis team, hungry for a long shot upset capture of top spot, are currently going at it here at Los Angeles State in the CCAA league meet, which began yesterday. The Gauchos, recorded a third place finish

behind San Diego and Los Angeles State at the outset of the tourney, lost during regular season to the Aztecs by a 4-3 count, but behind top guns Lee Reid and Don Gaynor, will be firing for all they're worth. The Gauchos topped off their regular season competition

with a stunning 7-0 white-washing of Long Beach State, behind Reid, Gaynor, Mike Hall, Paul Baiotto, Jim Loda, and Mike Garrigan, taking some cross-country heroics to do the trick, however. Reid and Gaynor, engaged

GAUCHO SPIKES JAUNT TO L.A.—CCAA FINALS

Frosh Conclude "Best Year"

The winningest team in Santa Barbara frosh track and field annals put the key in the lock on the 1962 season last weekend, with a vindicative victory in the mile relay for freshman at the Mt. SAC relays.

Coach Sam Adams' fearsome foursome of Larry Barnum, Dave Marshburn, Taylor Clayton, and Fred Velez turned the four laps in 3:24.2, edging San Diego State's crew, which had beaten the Gauchos earlier, thus hand-

"With a little luck, we may pull off a few big surprises," related varsity track mentor Nick Carter as he prepared his charges for the CCAA meet tomorrow afternoon at Los Angeles State College.

Enthused over his teams great improvement, culminated by a fine showing in last week's Mt. Sac Relays, the Gaucho head man looked at the dope sheet, and predicted that a "loaded" Long Beach crew should displace defending kingpin Fresno State as CCAA titans.

Carter pinned his belief on Dee Andrews, Gary Patterson, and Jim Richardson, stating that the 49ers should be followed by Fresno, Los Angeles, and San Diego, while he accorded his Gauchos a good chance to squeeze past either the Aztecs or the Diablos.

The locals tuned up for the upcoming titanic last week at the Mt. San Antonio Relays, more than giving a good account of themselves. Hurdlers Bill Halderman in the rated division, sped to a first place in the highs with a clocking of 15.4, while captain Joe Taylor had to settle for fifth in the seeded competition in the same event with an all-time best of 14.9. Larry Rucker took fourth in the shot-put at 48-3 and sixth in the discus at 143-8, as all of his tosses in the latter event were over 140 feet.

YEARLING HORSEHIDERS FINISH WITH 7-5 MARK

The Gaucho frosh diamond aggregation ended its season last Saturday on a sour note, dropping an 8-1 decision to Hancock J.C. The loss ended the locals' year at a respectable 7-5 mark.

It was a case of two bad innings for the Gauchos as Hancock was able to score four runs in each the second

and ninth innings. In the second stanza, Blue and Gold pitcher Rich Arnoult temporarily lost sight of the plate and gave up three walks which were instrumental in the visitors' outburst.

After the second, the contest settled down into a pitcher's duel, with Arnoult yielding only one scratch infield hit, while visiting hurler Bob Reid was scattering 7 local safeties. However, in the ninth the invaders exploded for 4 hits and 4 runs to ice the game.

The men of Coach Roy Askins, though garnering five doubles, were unable to put any of them together until the eighth when Don Lake doubled in the lone home score.

Coach Askins thought that "despite the lopsided score, the game was one of the frosh's finest efforts. The defensive play of Ned Armstrong and John Cole was outstanding while backstop Joe Morbeto turned in another of his usual good games."

Final batting statistics for the Gaucho frosh revealed Lake, an outfielder, leading in almost every department:

Lake 385
Morbeto 364
Armstrong 333

and ninth innings. In the second stanza, Blue and Gold pitcher Rich Arnoult temporarily lost sight of the plate and gave up three walks which were instrumental in the visitors' outburst.

Defending champion javelin hurler Tony Pallante, who last year threw the spear 215-8, got over 200 for the first time this year at 200-2 to place fourth. Pallante, after a slow start, has picked up, and will be out to recapture his CCAA javelin diadem.

In the relay competition, the local 880 yard foursome burdgeoned to a new school record and a second place finish with a mark of 1:29, with Jack Burdullis showing the way with a 21.9 twenty-two way.

The Blue and Gold mile relay team of Bill O'Neill, Don Zelman, Taylor, and Burdullis took fifth in 3:22.2, with Burdullis supplying a 49.8 leg and Taylor flashing for a 49.2 trip. Coach Carter noted that the opening meet time for the mile relay by the Gauchos stood at 3:35.4; thus the group cut some 13 full seconds off their initial time.

Carter expects his crew to be ready to capitalize on the least bit of lethargy by the opponents tomorrow, counting on Pallante and Mike Beresford in the javelin, Halderman and Taylor in the hurdles, Burdullis in the 440, Jim Carroll in the two mile, and Rick Aster and Steve Clover in the pole vault to make their best performances of the year, and to subsequently place in competition. "It's a large order, but this team has improved tremendously," stated Carter.

Ralph Barkey Returns To UCSB As Assistant Basketball Coach

By TOM MORGAN

Ralph Barkey, former Gaucho cage standout, will return to the University of California at Santa Barbara in September as assistant basketball coach and a supervisor in men's physical education. It was announced today from the office of the Chancellor at UCSB.

Barkey, who was an assistant to head basketball coach Arthur J. Gallon, head freshman hardwood mentor, and varsity tennis coach while on

RALPH BARKEY

the physical education staff at UCSB from 1958-60, will leave his present position as head basketball coach at College of San Mateo after two successful seasons.

The popular Barkey, who at 25 was called the "finest young coach in the nation" by sportswriter Roy Hurlbert of Burlingame last season, compiled an overall 36-21 record at San Mateo, including a lustrous 22-9 mark in 1960-61.

Last year's performance included victories in two top junior college tournaments at Modesto and Santa Ana, and his club ended up with a sparkling 49.7 defensive average, just one point off the national JC record of 48.7 for one season set by Oakland City College in 1958.

Barkey left Santa Barbara in 1960 to accept the position at San Mateo, and inheriting a basketball record that had seen San Mateo teams win just 15 games in three years, five each season, he piloted the squad to a 14-12 showing in his freshman campaign. In his first season, his team beat San Francisco City College for the first time since 1948.

A native of Laramie, Wyoming, Barkey attended Bakersfield College for two years before transferring to UCSB in 1955. He was a basketball star for three years with the Gauchos, performing under both former coach Willie Wilton and Gallon.

He was named to the All-California Collegiate Athletic Association team in his senior year (1957-58), and also received honorable mention on the small college All-American squad that same year.

Barkey scored a total of 733 points in his three years at UCSB — 186 in 1955-56; 225 in 1956-57; and 322 in 1957-58. He departed Gene Bartow as assistant basketball coach.

HEADS FOR WIRE INTRAMURAL RACE

The SAE's, by virtue of a brilliant come through performance in the University swim meet, have shot to the head of a tight, three pronged assault on the 1962 All-sport trophy. With final points yet to be tabulated in softball and track, the SAE's hold a lead over Yuma Hall and Delta Tau Delta.

SAE	387
YUMA	360.5
DELTS	317
APACHE	217
PIMA	209

The closeness in competition will be enhanced in that during the current softball playoffs, both the Delts and Yuma are represented in the semi-finals, while the SAE's did not reach this far. All three groups will be out to gain valuable points in the intramural track meet, scheduled for next Thursday, at 3:00.

The men of Delta Tau Delta rate the natural choice to take the all-school trophy in softball, due to a brilliant hurler, Jan Jones, and some consistent hitting by Larry Redfoot, Dave Yamamoto, and Tom Morgan. Redfoot became something of a legend with a home-run in each of the first five games that the Delts played during their undefeated season.

Yuma Hall, likewise, rolled to a perfect record in the Anapca League, led by some fine pitching by Mike Cullinane and hitting by Joe Scott, Steve Wilson, and Cullinane.

The rampaging Isla Vista Boys' Club rolled through the Casitas League on top, with hurler Ray Bosch allowing two hits through the entire season. Blessed with an overabundance of speed and power, the Isla Vistas were led by league leading hitters (in order) Curt Hanson, Gary Davis, Steve Gray and Tom Stoffel. Pine Hall, though finishing third in the league, rated the fourth spot in the playoffs—boasting a veteran team built around Don Stewart on the mound, and hitters Steve Lawrence, Bruce Hunter, and Vern Scholl.

The semis were held yesterday, with Pine squaring off against IVBC and the Delts

meeting Yuma. Finals, for the all-school intramural softball trophy are scheduled for Monday afternoon at 4:00 p.m. and a large turnout is expected for the titanic struggle.

The finale, and undoubtedly the "moment of truth" will occur next Thursday on the campus oval as the intramural track meet holds forth as the center of attention. Getting underway at 3:00 p.m., the meet will certainly produce the eventual all-school championship from one of the contending groups—the Delts, SAE's, and Yuma Hall.

The recently concluded swim convolve, the most successful in the history of the school, resulted in no less than five new records, as the water literally boiled before the onslaught of the record book.

Bob Whitney of the Delts won the 50 free in 25.9, Ron Sauley of Sigma Pi took the 50 back and the 50 breast in 29.0 and 32.0 respectively, and Dick Johns of the SAE's captured the 200 free and the 100 free in respective clockings of 2:18.5 and 59.8, all breaking previous records. The SAE's walked off with the 150 medley in 1:31.1 and the 220 yard free relay in 1:51.0 to pick up valuable points, while Steve Rathfon of Pima Hall, twisted his way to a top finish in the diving competition.

CYCLE CLUB SETS RACES

The UCSB cycling club is sponsoring two races through campus from about 11 a.m. to 1:30 p.m. this Sunday, May 6.

A 23-mile junior race will begin at 11 a.m. between teams of high school age, and a 33-mile senior race will follow for older contestants.

Both races will follow a 2.2 mile course rambling through the University campus. The race will start and finish at the old gym, where all results will be posted.

Since the four-man teams will leave the starting line at different intervals to lessen the possibility of an accident, the best times will determine the winners. Each team works as a unit, and the time is recorded when the third man crosses the finish line. UCSB's cycling club will enter Roger Dawson, Mike Knoell, Brent Bennett, and John Posy. They will be competing in the senior division against teams such as Montrose, a leading cycling club which boasts two members of the United States Olympic cycling team.

The campus club was organized last summer by five ambitious students who pedaled on a 900 mile excursion to Eureka, California. Their activities include work-outs and touring as well as races.

Volleyball Tourney Scheduled

The Rec Control Board has scheduled a doubles and mixed doubles volleyball tournament for May 12-13, from 1-5 in Robertson gym.

All persons interested are requested to contact Jerry Huot, rec control supervisor, at Robertson gym. The sport has become increasingly popular at UCSB, as evidenced by the fine showing at an intercollegiate tourney by the SAE's.
