**History of State Beach Park**

Trailed Back for 103 Years

It is a peculiar, but well known, fact that people are often unfamiliar with the history of landmarks, parks, etc. Situated in their own community and this fact was again proven when an inquiry was received several weeks ago by the Carpinteria Chamber of Commerce and Carpinteria papers concerning the history of the State Beach Park.

The information was requested by Mrs. J. W. Young, Mrs. O. L. Lyman, Mrs. W. C. Hohmann and Mrs. J. F. Tubbs, Mrs. S. B. Hohmann, Mrs. Emma G. Marquis, Mrs. J. F. Hill, Mrs. F. Babbitt and Mrs. J. W. Young.

The committee in charge of preparation of the different papers asked for facts relative to the State Beach Park, and particularly as to what changes have been made in the State Beach since it became a State Park.

Included in reconstruction work of the State Beach Park is the construction of a "swimming pool," in the library, where students may rest and read. Eighteen lockers for individual use have been installed in the swimming room, which is in the gym, a lounge and furniture.

Although the blaze was outside the town limits and the State Park, it threatened to spread into this district and the department was on hand to rescue the local beach from a brush fire on the Dabny estate.

Flats are planned for completion for the members of the new grammar school building which will be opened on Sunday, September 24th, at 1:30 p.m. under the auspices of the Grand Lodge of Masons of Carpinteria.

The lodge will convene at the Mason temple and proceed to the school from there. Complete programs for the ceremonies will be announced later.

**GRAMMAR SCHOOL TEACHERS GIVEN CLASS ASSIGNMENTS**

All arrangements have been completed for the opening of the Carpinteria Grammar school on Monday and it is expected that the new grammar school building will be opened and seats allocated to classes and school will be in session. It is expected that the new grammar school has ordered by the school board will be delivered before Monday. The classes this week were scheduled for the beginning of the high school, the bus making trips each morning.

Levies for individual use have been installed in the swimming room, which is in the gym, lounge and furniture.

Enrollment for the 1938-39 school year, according to A. P. Southworth, principal, will approximate last year's registration. A slightly larger freshman class is anticipated.

Enrollment had its beginning for the 1938-39 school year, according to A. P. Southworth, principal, will approximate last year's registration. A slightly larger freshman class is anticipated.

In commemoration of anniversary of the signing of the constitution in this country, the Carpinteria Junior high school will hold a flag ceremony on Friday, September 16, at which a guest speaker, as yet unannounced, will speak.

**MEETINGS MONDAY**

The Junior Study group was led by Mr. Wayne Rodham, who is in charge of this group, and the Intermediate Junior High School boys and girls, Junior boy and girl class teachers, and the local, state and county, private and public school principals and supervisors for younger children were present.

Although the peak of the season has passed the beach will prove popular for several weeks, and the beach is expected to draw good crowds over the weekend.

**COUNTY PUBLICITY DIRECTOR TO BE AT C. OF C. MEET**

The Carpinteria Valley Chamber of Commerce will hold its regular monthly meeting next Wednesday at the home of Mrs. J. F. Babbitt, director of the State Publicity. The meeting is at the home of Mrs. J. F. Babbitt, director of the State Publicity.

**Barbara County Forest Department**

The crowds which flocked to the Carpinteria beach over the Labor Day holiday weekend were the result of one of the most successful seasons in the history of Carpinteria and left no doubt but what the best beach will retain its record established last year as the most popular beach in the County. All accommodations at water courts, camps and hotels were taken over the holiday by out-of-town visitors and crowds from neighboring communities flocked to the beach for the day. Although no check has been made, judging from the amount of General Delivery mail handled during the past two months by the post office it is believed that a new high in summer tourists was reached this season.

Carpinteria's right to proclaim the local beach as "our Safest Beach," was again demonstrated by about 5,000 according to Gale Ross, life guard who stated that no serious accidents occurred during the season and that, although assistance was given several people and encountered a few difficulties, no bathers were ever in danger of drowning. Clauses in this statement are popular with the out of town for beginners and younger children with full permission for supervision for younger children was provided.

Although the peak of the season has passed the beach will prove popular for several weeks, and the beach is expected to draw good crowds over the weekend.

**Thur's Rock to Beach on Labor Day as Season Closes**

After being silent for several weeks the fire showed itself on Tuesday afternoon about 3:00 p.m. at the northern end of the town and the local department at a brush fire on the Dabny estab.

The alarm was turned in by Stanley Shipman, owner of the large cloud of smoke which he thought was seen and called "ogglering burning." He thought the blaze was started by a campfire in the canyon a few weeks ago and was the result of one of the most successful seasons in the history of Carpinteria and left no doubt but what the best beach will retain its record established last year as the most popular beach in the County. All accommodations at water courts, camps and hotels were taken over the holiday by out-of-town visitors and crowds from neighboring communities flocked to the beach for the day. Although no check has been made, judging from the amount of General Delivery mail handled during the past two months by the post office it is believed that a new high in summer tourists was reached this season.

MISSISSIPPI

LEGION CARAVAN

DUE SEPT. 15TH

Walter Lee, grand chef de gare posts of the 40 & 8, who will head the Mississippi Legion caravan on its 5,700 mile journey from Jackson to the national parade in Los Angeles visiting Carpenters in Seattle, has announced that in addition to the expensive array of floats which make up the state display, a caravan of 40 & 8 locomotives, manned by a crew of uniformed Legionnaires, will make the trip to the West Coast, leaving about a week prior to the Los Angeles parade of September 22.

Annie Laurie Bishop, the scintillating Tupelo drum major, who at the New York parade last year attracted such widespread attention, has been selected for the second consecutive year to be lead drum major of the Mississippi marching units and will thus head the first band of the parade.

Robbie Vanghi, beautiful blonde drum major of Magnolia, winner of the national high school championship in drum-majoring at the Louisville, Ky., contest last spring, has been selected to lead the second band in the national parade, Mr. Lee announced.

The Legion caravan, comprising five immense floats and two maintenance vehicles, left Jackson August 21.

The caravan is accompanied by Miss Elaine Russell of Vicksburg, whose brunt bustle brought her the national title of "Miss American Legion." She will act as personal representative of Governor Hugh White, extending his greetings to high Legion dignitaries and governors of states included on the itinerary.

Miss Jean Skorkley, who has been spending the past month at the home of her uncle, Dr. George Skorkley, in Mt. Vernon, Wash., has enrolled as a student in the home economics department in the University of Washington in Seattle.

Miss Cora Upp of Van Nuys was the guest of Mrs. L. B. Cadwell during the past week.

HAGENBACK-WALLACE CIRCUS IN SANTA BARBARA SEPT. 14TH

Four of the giant pachyderms, without which no circus would be complete, which accompany the Hagenback-Wallace Circus which comes to Santa Barbara for two performances next Wednesday, Sept. 14th.

GRAVESIDE RITES CONDUCTED FOR CARPINTERIA BABY

Graveside services were conducted in the Carpinteria cemetery Tuesday afternoon at 4 p.m. by Rev. Rev. Dean F. Bulhill for Romo Eugene Bradford, Jr., infant son of Mr. and Mrs. R. E. Bradford of Carpinteria. The child was born on March 31, 1938, and passed away in a Ventura hospital on Monday following an abdominal operation from which it failed to rally.

Besides the parents who recently came to Carpinteria from Shreveport, Texas, the infant leaves a brother, David George.

Mr. and Mrs. F. J. Humphrey left Saturday for Phoenix, Ariz., where they will visit their daughter, Mrs. Raymond Fickham and family. Mrs. F. L. Burbridge will be in charge of the library during Mrs. Humphrey's absence.

GOOD NEWS!

The Supreme Court has approved the Title of the EMPLOYMENT RELATIONS INITIATIVE

The Secretary of State has designated the Measure as:

PROPOSITION No. 1

(GENERAL ELECTION—NOVEMBER 8th)

This Initiative was placed on the ballot by the signatures of over 265,000 voters, in response to a rising tide of protest by farmers, housewives, business men, and workers in and out of unions. Such a law is needed because ALL CITIZENS are entitled to protection.

People Everywhere Are Saying:

LABOR ABUSES MUST BE CURBED!

Individual Freedom, Liberty of Contract and Job Protection for Workers Must be Restored

See How this Law Protects Everybody:

W OR K E R S CAN ORGANIZE— (and bargain collectively without interference).

W OR K E R S CAN STRIKE— (but no sit-downs, nor seizures of property).

W OR K E R S ON STRIKE CAN PICKET— (but with reasonable regulations and only peaceful methods).

W OR K E R S ON STRIKE CAN BOYCOTT— (but only their own employers).

BUT NOBODY CAN— interfere with free use of the highways and wharves by farmers or anyone else.

N O B O D Y CAN carry on MASS picketing.

N O B O D Y CAN use coercion or intimidation to force free citizens to join unions, or not join them, or other un-American practices.

N O B O D Y CAN use the excuse of "hot cargo" for boycotting or picketing when a union official declares a commodity "unfair."

N O B O D Y CAN boycott those with whom they have no quarrel. In brief——no secondary boycotts. For PEACE, PROSPERITY and a FAIR and SQUARE DEAL for ALL WORK, TALK and VOTE "YES" ON

PROPOSITION No. 1

(GENERAL ELECTION—NOVEMBER 8th)

MRS. BARRY JAMES ENTERTAINS IN HONOR OF SON’S BIRTHDAY

Mrs. Harry James entertained Wednesday afternoon at her home on Vallecito Road in honor of her son, Marshall’s second birthday. The young guests who were apostilled by their mothers included David Alexander, Philip Kathman, Bobby Young, Roger Tennyson, Allan Meigs, Jimmy Kimes, Janie Johnson, Dicki May, Bobby Robertson, and Jerry Morrison.

BOBBY HATTON CELEBRATES TENTH BIRTHDAY

Bobby Hatton, son of Mr. and Mrs. G. E. Hatton, celebrated his 10th birthday Tuesday afternoon with a party for a group of his friends at his home on east 8th Street.

His guests included Bobby Latham, Tom Swanson, Jerry Peterson, Marshall Maddox, Russell Marple, and Jack Bush.

GLADYS BAUHAUS BECOMES BRIDE OF ARTHUR TUCKER

Miss Gladys Bauhaus, daughter of Mrs. Martin Westcott of Carpinteria, was married Friday September 2, to Mr. Arthur Tucker of Celarito at the Baptist church. The newlyweds will reside at Celarito, where Mr. Tucker is an engineer.

FAMILY DINNER PARTY GIVEN ON BIRTHDAY

William H. James celebrated his birthday Monday evening with a dinner party for members of his family at Frank and Rudy’s on the Bluffs. Guests included Mr. and Mrs. A. T. Mende, Mr. and Mrs. Jack Bush, and Mr. and Mrs. Harry James.

Mrs. James E. Shepard celebrated her 88th birthday anniversary Sunday at the home of her daughter, Mrs. Gwyn Thomson, near Santa Ynez.

ARCHWAY OF THE FAMOUS SANTA BARBARA COURTHOUSE—ONE OF THE MOST BEAUTIFUL PUBLIC BUILDINGS IN AMERICAN CIVILIZATION. ACTUALLY OF NATURAL GAS CITIES BECAUSE THE AIR ITSELF IS CLEAN

Southern California—land of inviting climate, beautiful scenery and clean cities! Visitors from other regions often comment on the delightful freedom from soot. Even in commercial districts, practically all chimneys are smokeless—for most factories, use natural gas. It burns clean. In addition, it does its work supremely well and furnishes quick, high controllable energy at small cost. To get best results in home or factory, use gas equipment that includes the marvelous new labor-saving and fuel-saving improvements. See a dealer or the gas company. Inquire about the very convenient terms.

ANN HARDING TO APPEAR IN TITLE ROLE OF "CANDIDA"

Paying her first visit to Santa Barbara, of a professional nature, Ann Harding celebrated stage and motion picture star, will be welcomed by her host of friends September 23 and 24, in the greatest fine productions of the year and one which no follower of the legitimate drama will want to miss. Harold Parry, manager of the Lobero Theatre, announces that already large advance mail reservations indicate that a sell-out will await the distinguished star. It is therefore urged that patrons of the theatre make their reservations now and avoid a possible disappointment in not being able to obtain choice seats.

Miss Harding appeared in "Candida" in England and the provinces, with great success, playing for six months. At that time motion picture compliments forced her to leave the cast, but the play continued on for another three months. George Bernard Shaw himself, came into London to witness the performance, opening night, and is said to have been extremely pleased with Miss Harding's interpretation. Miss Harding is said to have declared to be, the author's greatest heroine.

A splendid supporting company appears with Miss Harding, including Paul Cavanagh, Virginia Vale, Ernest Coxnet and Clay Moore. The play is being staged by Phyllis Leatham, Homer Green and Luther Greene are presenting the production.

Two evening performances of this splendid play at the Lobero Theatre will truly mark one of the fine productions of the year and one which no follower of the legitimate drama will want to miss.

FOREST FIRE HEROES TO BE GIVEN MEDALS
The establishment of an American Forest Fire Heroes Award, a recognition of heroism in forest fire battle, has been proposed by the United States Forest Service. Announcement of the award movement will come at the conclusion of the Blackwater fire tragedy in Wyoming last year in which forest fire officers were lost in their lives in the flames.

Under the plan, it is understood the American Forestry Association of Washington, D. C. funds are already on hand to solve the national medal problem. It is the first award of its kind to be established.

The basic purpose of the award, states the Forest Service, is to show public appreciation to individuals for outstanding acts exhibiting the highest degree of personal courage, judgment and initiative in fighting forest fires anywhere in the United States. Any individual or public officer may be eligible.

Mr. F. W. McPherson, Forester, emphasizes that in-come recognizable evidence is presented that he has performed an act worthy of commendation. The medal may be awarded posthumously.

The award committee will select by the American Forestry Association, the American Forest Fire Truck Manufacturers Association, Society of American Foresters and the Forest Foundation and the Association of State Foresters. The American Forestry Association will sponsor and handle all matters pertaining to the award.

"Forest fire fighting in this country is the most arduous and hazardous work which any forester, or a forestry or protective employee, can ever call upon to perform," commented Regional Forester S. R. Show. "Not only may have been formally recognized in the world."

NEW ORCHESTRA AT EL CORTIJIO PROVES POPULAR
Although Jimmy McPherson’s Aliso school has only started its engagement at the El Cortijio, the popular Montecito club on the coast, there is no question but what the band, which is the most popular ever to play at El Cortijio. The band is composed of Jimmy McPherson, Woody Holbert, Kenny Miller, Fred Gattle, Dale Herst and Don Wright, who are all known to be very popular at the beach. All the boys are extinction.
