Collegians Attend Dual Assembly

Dot Perry Leads Community Sing

1942-43's \$16,000 Associated Student budget will face a final test Tuesday as the student body is asked to give its approval to the proposed war-time allocations at a dual budget and community sing assembly hour in the college auditorium.

Finance Chairman Art Chauvel will take charge of the first part of the assembly program as he presents the various items on campus expenditures for the coming year, to the student body members for their sanction. As it is based on an expected enrollment of 800, the proposed budget as set up by the finance committee and tentatively approved by the executive council calls for drastic or economizing cuts in all Gaucholand extra-curricular activities.

1942-43 BUDGET PROPOSAL

Reduction of debt	3000.00
Health Fund	3520.00
Admin. & Pub. Rela.	3500.00
Interest on loans	400.00
B.A.C. Conference	200.00
Res. Dec in Enroll.	300.00
Admin. Aud. '41-42	150.00
B.A.C. 1941-42 Bills	
2C2A Con. Awards	119.00
Medical bills	125.00
Scoreboard	650.00
Pay to Health Fund	75.00
Equip. Man 1941-42	75.00

Assoc. Men Stud.	95.00
Assemblies	100.00
Artist Series	440.00
Assoc. Women Stud.	300.00
Awards	75.00
Debate & Forensics	120.00
College Cabin	25.00
Band	100.00
El Gaucho	200.00
Glee Club	100.00
General Fund	100.00
La Cumbre	500.00
Social Committee	600.00
W.A.A.	100.00
B.A.C.	1031.00

Total \$16,000.00

Following the adoption of the budget, Dorothy Perry will lead the assembly in a community sing, including the Gaucho fight songs and the new Green and White song from the current Roadrunner Revue, assisted by Mrs. Josephine Harper, of the music department, at the piano.

Breakfast Fetes New Editor

Staff members of El Gaucho, La Cumbre, The Commentator, and Hoy Dia, faculty sponsors and advisors, and their guests will attend a breakfast on Sunday, May 24, to be held at the Samarkand hotel. Breakfast will be served at 10:00 a.m. A charge of one dollar will include breakfast, and facilities for various recreational activities such as tennis, badminton and swimming.

Ruthe Suggs, editor of El Gaucho, will preside over the breakfast. The editor for next year will be introduced and will appoint his staff at this time. Awards for outstanding feature articles, news write-ups and editorials will be presented.

'Oh, Sergeant Please!' Ends Run In College Auditorium Tonight

Rally Chairman GEORGE BLUMENSON and MAURICE FAULKNER, music instructor, cooperate in presenting "Oh, Sergeant Please!", eleventh annual Roadrunner Revue, in the college auditorium.

Santa Barbara State Proves Its Sincerity in War Effort

Have you done your part for national defense?

Students of Santa Barbara State college will have an opportunity to prove that they are doing their part beginning next week as the Defense Stamp drive officially opens on campus Tuesday under the sponsorship of the Associated Student council.

The drive, while designed to boost the sales of government war stamps, is planned so local students can do their part in aiding the war effort at a modified cost while purchasing 10 or 25 cents stamps.

Under present plans, each organization included on both the Mesa and Riviera campuses, will be asked to cooperate in the two-week drive by taking charge of

the booths or "stamp huts" which will be erected in Ebbets hall and in the Quad. Privileges will also be given to each organization to conduct any type of stamp selling campaign they desire on the day which it takes over supervision of the booths.

Campus individuals and organizations selling the greatest volume of stamps will receive special recognition from the executive council.

John Falxa Takes Charge of Gaucholand's Legislative Body

"To serve the majority of the students as they want to be served."

Under this motto, John Falxa, newly elected Associated Students' president takes over the reigns of Gaucholand legislation for the coming year.

Falxa defeated Dick O'Brien, president of Sigma Alpha Kappa, in the final election held last Friday. The other office filled at the time of the final election was that of senior women's representative, won by Doris Cruz over Connie Gill.

A native Barbareno of French parentage, Falxa attended Santa Barbara high school where he served as student body treasurer and later took a post graduate course at Johnson county high school in Buffalo, Wyoming before entering Santa Barbara State.

Since enrolling on the local

campus in 1940, Falxa has been active as a member of Gamma Sigma Pi social fraternity and Beta Beta Beta, national honorary biological science fraternity. More recently he has associated himself in student body activities with his work as script manager of the Barbary Coast carnival, publicity committeeman on the Roadrunner Revue, and committeeman on the current Stamp Week.

The president-elect was victorious in his campaign against four other candidates with his pledge to office which realized the need for more intra-mural activities, better relationships between the two campuses, and a well-rounded and representative social calendar.

Assisting Falxa as executive councilmen will be Alan Mac-

Blumenson, Evans, Barker Hold Leads In Eleventh Annual Roadrunner Revue

Wanted: Men!

In the classified section of the 1975 newspaper such might legitimately run, according to the situation traced in "Oh, Sergeant—Please!" eleventh annual Roadrunner Revue which opened a three-night run in College theater Wednesday night.

Russell Warns Students on Annual Rates

Today marks the deadline for purchase of La Cumbre for special prices, according to word received from Bill Russel, graduate manager.

Students who hold Fall and Spring Associated student cards may purchase the yearbook for \$1.50 up to 4 p.m. today. One semester students can still buy the annual for \$3, while price to non-members is \$5. After today the prices will be boosted to \$2.50, \$4 and \$6, respectively.

Since a limited number of yearbooks are being printed, it is necessary that orders be turned in today.

It is expected that the completed copy will leave the printers by May 22 so that the bindery, located in Los Angeles, will return the books for distribution on June 1.

A special two-color process, achieved by the new off-set press, will be used throughout the annual, it was announced by Jackie Pound, La Cumbre editor.

The graduating senior who has demonstrated outstanding leadership, character and scholarship will be recipient of the Honor copy, highest award made by Santa Barbara State college.

Plot of "Oh, Sergeant—Please" centers around the college of a disastrous future, assuming that the war drags along, almost devoid of men. Marriage is the major aim of every coed, with the added incentive of the male quota doubling at the alma mater of the college woman who snares a husband.

Written and directed by George Blumenson, the Revue was composed of two acts and eight scenes. Blumenson easily stole the show with his entr'actes, one of which was a pantomime.

Connie Evans, lead comedienne, didn't really turn loose until near the last act when her inimitable uncoordinated tap dance brought down the house. Other feminine lead was Mabel Barker, who did passably well by "Why is the Moon Always Crying?" written by Cal Estes and Edith Van Meter. The sentimental ditty was duet material for Miss Barker and Don Goddard in act 1, scene 3. Goddard was target for cupid's bows, according to the coeds' combined plans, and "Mouse" Mann was the comedian lead opposite Miss Evans. "Mouse" was "Mouse" and naturally funny.

Tuneful original numbers include "Fight On, Green and White, (orchestra); "Cecille" (Bob Sherman) and "We Came to College," by Bill Marvel and Blumenson. The latter was suggestively chanted by the "men": Bob Mardian, Dave Brady, Bob Sherman and Mann.

Surpassing previous campus performances, Nancy Brown vocalized a clever batch of bars

(Cont'd on Page 6 Col. 1)

Kappa Delta Pi Inducts Pledges

Kappa Delta Pi, honorary education fraternity, initiated seventeen new pledges at a formal dinner, held Friday evening at the Mar Monte hotel. Dr. Albert O. Mitchell, of the speech department, was speaker of the evening.

Introduction services were held for Stanley Aspittle, Jean Ayers, Helen De Pew, Irene Easterling, Bernice Gill, Louise Havensteik Frances Houghton, Sybel Jonathan, Naida Kenoyer, Varda Moore, Jane Nelson, Mary Julia Peterson, Arline Soule, Raymond Spitzer, Elizabeth Ann Walker, Lois Scott Wright, and Ah Chong Zane.

Science Groups Show Educational Picture

"Tidepool Animals in Action," a technicolor picture, will be shown Friday third hour in the college auditorium through the cooperation of the science department and Tri-Beta.

Editorially Speaking . . .

Courageous Senator Dares Vituperation With Auto Bill

There is a great furore in Washington over Senator Sheridan Downey's bill for the confiscation of private automobiles if and when the government deems this necessary for the welfare of the nation.

There can be no doubt as to the sincerity of Mr. Downey's proposal. There can be no doubt that Mr. Downey acted very courageously in daring to propose such a measure.

When it became necessary to conserve rubber, the tire was rationed; when it became obvious that the east coast could not be supplied with its normal supply of gasoline, rationing became the order of the day on gas.

John Public must remember that we are fighting for our very lives. And that is why Mr. Downey's measure should not have brought down such a storm of protest on his head.

Sheridan Downey acted according to the dictates of his conscience. No other man in Washington had the courage to propose such a bill.

Congratulations on your courage, Mr. Downey.—G. B.

Much Ado . . .

BY GEORGE BLUMENSON

Now is the time for all good men to come to the aid of their country. The Roadrunner Revue has come and is going, and with it yours truly is going—to bed for a week.

The troubles of a theatrical director are legion. And the tales told of the troubles of theatrical directors are legion.

Suddenly his face would blanch he would start trembling, and he would kneel down in front of the watch. "It was my mother's" he would say—"she gave it to me on her deathbed"—and then he would start to weep.

Beef week is over, also, and these beefs came in hot and heavy. Naturally, the beefs were the same things which the students have been beefing about since time immemorial.

Contributed by the American Society of Magazine Cartoonists.

Suggs-estions

Before the ink on this galley of type cools several hundred Gauchos, grads and townspeople will have snickered through the eleventh annual Roadrunner Revue.

Wednesday, debut of a 3 night run, was, admittedly, a poor night for revuing the Roadrunner. Played to an inexperienced audience (i. e. inexperienced from the point of view of age and to a scant crowd, the show was little more than a glorified dress rehearsal.

Perhaps, though, something could be learned by these difficulties—details of management which should be recorded for future Roadrunner management. Suggestions should be forthcoming from those in charge of this year's show as to improving next year's Revue.

ing in. Talent tryouts are unsuccessful (Doty Barr, who steals the show in Act 11, Scene III with her own song did not even try out.

The suggestions that might derive from this year's managers might be that a larger supervisory staff be responsible for the Revue. Not that we are against student productions under student management—it's absolutely the progressive thing to do—but the fact remains that more effective supervision might eliminate the bevy of headaches that invariably accompany the life of every student director.

Quick, Henry, the flit

Or

Don't shoot! It may be the Love Bug!!!

Spring is here, the birds are singing, And from the ground, the flowers are "springing."

The love bug's biting one and all Everyone's sure to be married by fall.

For he's doing double duty, Biting every beast and beauty, Making everyone sooooo happy, Golly, ain't that insect sappy?

—E. V. M.

Students Trade Traveling for Summer Study

Comes June and students scatter to the four winds in the pursuit of knowledge. Summer schools throughout the country will absorb the local college crowd as they go to college overtime.

The rule, not the exception now, is for students to traipse about campus with a motley assortment of summer university catalogs. Busily they scan requirements and tuition fees for Kow Tank U., Swee Gee college in the Adirondacks, or some institution in old Sante Fe.

Contrary to current belief, summer school is still a great student institution and ranks as being an expedient method of hastening the acquisition of that degree.

Santa Barbara State college during summer session is transformed into a playground for teachers who come back to college to be taught. Greybeards trot about the fair campus in bobby socks and saddle shoes, invade the Gaucho club and return to their respective classrooms in the fall with a good shot of education from this illustrious fountain of learning.

During that period of blissful adolescence, it was a happy thought to count lazy summer days as an integral part of a beach or mountain vacation but now it seems to be books and more books.

**Music Groups Present
Annual Spring Concert**

Annual spring recital by members of the music department will be presented Thursday at 8 p.m. in the Riviera auditorium.

The affair, free to the public, will present selections by students in the classes of Mrs. Josephine Harper, Lloyd Browning, Maurice Faulkner, Van A. Christy, Henry Schwab, and H. Klyne Headley.

Featured soloists will be Dorothy Perry, pianist; Phyllis Johnson, pianist; Herbert Moise, clarinetist; Dwala Ray, pianist; Gladys Street, pianist; Elizabeth Ferris, soprano; Mary Baalam, violinist; Mary Lynn Drake, contralto; Thornton Marker, bass baritone; and Arthur Avery, euphonium.

The program will include "Thou Art Repose," Schubert-Liszt; "Rhapsody in B Minor," Brahms; "Venitian Boat Song," Mendelssohn; "Bouree," Bach "Blissful Sorrow," Baerman; "Calm as the Night," Boehm; "Pilgrims Song," Tschaikowski; "Clair de Lune," Debussy; "Nocturne," Grieg; "Malaguena," Lecuona; "Du Bist die Ruh," Schubert; "Serenade," Pierna; "Rondino," Kreisler; "Nocturne," Curran; "Homing," Del Riego and "Concerto," David.

The Greatest Air Army in the World
Needs Flight and Ground Crew Officers

**NOW FOR COLLEGE MEN A NEW
OFFICERS' TRAINING PLAN**

★ **New Deferred Service Plan Allows You to Continue Your Education** ★

In the skies over America the mightiest air fleet in the history of the world is mobilizing for victory!

So fast is it growing that there is a place here — an *urgent need here* — for every college man in America who can qualify for Officer's Training.

The U. S. Army Air Forces need Flying Officers and Ground Crew Officers. And many of them must come from the ranks of today's college students — men who make their plans now for the necessary Aviation Cadet training.

Thanks to a newly created Air Force Reserve plan, men of all classes — aged 18 to 26, inclusive — can enlist for immediate service or continue the scholastic work required for graduation before being called to active duty.

You must meet the requirements for physical fitness, of course. In addition, you take a new simplified test to determine your ability to grasp the training. A college man should pass it easily.

\$75 A MONTH DURING TRAINING

Those accepted who wish immediate duty will go into training as rapidly as facilities permit. As an Aviation Cadet, you are paid \$75 a month, with subsistence, quarters, medical care, uniforms, equipment.

In 8 months you can win an officer's commission as a bombardier, navigator or pilot — and be well started on your way to serve America and advance yourself in aviation.

**Three Enlistment Plans
for College Men**

**Juniors—Sophomores—Freshmen
May Continue Their Education**

1. A new plan allows Juniors, Sophomores and Freshmen, aged 18 to 26, inclusive, to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standings.

**All College Men May Enlist
for Immediate Service**

2. All college students may enlist as privates in the Army Air Forces (unassigned) and serve there until their turns come for Aviation Cadet training.

3. All college students may enlist in the Air Force Enlisted Reserve and wait until ordered to report for Aviation Cadet training.

Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.

If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an over-all Army Enlisted Reserve Corps program shortly to be announced. This program will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation if a satisfactory standard of work is maintained. In case of necessity the Secretary of War shall determine when they may be called to active duty.

It is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.

This plan has been approved in the belief that continuance of education will develop capacities for leadership. (Reserve enlistment will not alter regulations regarding established R.O.T.C. plans.)

MANY BRANCHES OF SERVICE

There are also commissions awarded in ground crew service. College men particularly will be interested in the requirements for Armaments, Communications, Engineering, Meteorology, Photography. If you have engineering experience your chances of getting a commission are excellent.

As a Second Lieutenant on active duty with the Army Air Forces, your pay ranges from \$183 to \$245 a month.

ACT AT ONCE

If you want to fight for America, this is where your blows will count.

If you want the best training in the world, and years of solid achievement in aviation—the great career field of the future—this is where you belong. Your place is *here*—in the Army Air Forces.

If you plan to enlist immediately, start getting your necessary papers ready for the Aviation Cadet Examining Board when it meets in your locality. For complete information, see your Faculty Air Force Advisor. You can take your mental and physical examinations the same day you apply. Get further information *now*.

NOTE: If you wish to enlist and are under 21, you will need your parents' or guardian's consent. Birth certificates and three letters of recommendation will be required of all applicants. Obtain the forms and send them home today—you can then complete your enlistment before any Aviation Cadet Examining Board.

**Speech Groups
Release New
Contest Rules**

Contest is the key word of the speech division with the announcement this week of three speaking frays scheduled by groups in that division.

Theta Alpha Phi, honorary dramatics fraternity, scheduled the preliminary round of an interpretive reading contest for Thursday in room 26. Finals are set for Tuesday, May 26 in room 28. Each contestant is required to have a selection of his choice memorized at the time of the preliminaries, not exceeding seven minutes.

Winner of the contest will be awarded a book in the field of dramatics of his choice, cost not to exceed \$5. Students interested in entering the contest may obtain entrance blanks from Fredric W. Hile, division head.

As final events on the year's public speaking and forensic program, an after-dinner speaking contest and an extemporaneous speaking contest will be held Thursday at 4:30 p.m. and Tuesday, May 19 at 2:30, respectively.

The extemporaneous contest is open to all scholastically eligible members of the student body, excluding past winners and members of the varsity debate squad, while the after-dinner contest is confined to freshmen.

An original speech, appropriate for the after-dinner situation and not longer than five minutes is required for that contest. Entrance to the extemporaneous contest deals with a speech from a selected number of topics, and not longer than seven minutes.

Complete details may be secured from W. Charles Redding, forensics coach, any time before the date of the contests.

**Science Groups Show
Educational Picture**

Due to lack of interest and unforeseen circumstances involving money, the senior class will dispense with the prearranged senior picnic which was to be held next week. Program for the next few weeks will include the baccalaureate service, the last senior breakfast, the reception of women sponsored by Crown and Sceptre, and the senior banquet at the El Paseo.

Dan Cupids Arrows Fly Fast, Coeds Announce Engagements

There isn't any shortage of men around Gaucholand as far as the Santa Barbara State college co-eds are concerned. To prove this, one might check the number of engagements that have been announced about the campus during the recent weeks.

Sybel Jonathan passed the traditional box of bon bons to her Kappa Omicron Chi sisters to announce her engagement to Frank Morris of Chino. Mary Lee Lynch, senior home eco-

RUTH THOMPSON, social chairman, takes charge of the forthcoming Pan Hellenic formal at the Samarkand.

nomics major and Delta Sigma Epsilon member, told of her engagement to Lieutenant Ralph Hand, former State college student. Soon to become Mrs. Thomas Kruger is Dorothy File, member of the Chi Delta Chi sorority.

Delta Zeta Delta sisters heard of the engagement of Dorothy Peacock to James Hendy by means of the traditional candy box. Edith Bell, now president of Gamma Delta Chi, announces she is soon to become the bride of Bud Thomas, former State college man.

Ruth Grant, Delta Zeta Delta, surprised her sisters with the announcement of her engagement to Lt. Bill Vanderhoff. Ruth Thompson made it known to her Sigma Delta Chi sisters that she is soon to become Mrs. Clifford Hale.

Mary Putman, former Santa Barbara State college co-ed, recently told of her engagement to Lt. James Burns, Jr.

Lorraine Shaw announced her engagement to Glenn Hellebrand to her Tau Gamma sisters. Helen Dixon passed the traditional box of chocolates to the Delta Zeta Deltas to announce her engagement to Bill Jessup, while at the Chi Delta Chi meeting, Ruth Kohlmeier was telling her sisters that she was soon to become Mrs. Stewart Dillihunt. Dorothy Miller, Gamma Delta Chi sorority member, announced her engagement to Richard Ball.

Biggest surprize was the two month old marriage of Ann Miller and Vernon Johnson.

Betsy Talbot told the Delta Zetes of her coming marriage to Harry Armstrong, and Stella Collins, five footer, is wearing the ring of Carl Schleiderer. June Evans and Chuck Moss join the throng, as do Patsy Craig and Dick Garcia.

Sororities Elect Fall Cabinets

Sorority women of Gaucholand, with their escorts, don formal attire for the Pan-Hellenic ball, Saturday, May 23, which will be held at Montecito Country club. Tommy House's orchestra have been contracted to play for the affair which will be held from 9 to 12 p.m.

A circus theme will predominate in decorations, according to Ruth Thompson, social chairman in charge of the dance.

TAU GAMMA SIGMA

Buffet supper was followed by a business meeting Monday night at the home of Marian Moser. During the meeting, the Tau Gamma Sigma members had informal pictures taken for the annual.

CHI DELTA CHI

Meeting at the home of Ellen Scully, the Chi Delta Chi members followed a pot-luck supper with the election of new officers for the coming year. Ellen Scully will take over the presidents chair.

DELTA SIGMA EPSILON

At the regular meeting of Delta Sigma Epsilon, final plans for the joint formal were discussed. The dessert party preceding the dance will be held at the home of Jane Ellen Nelson.

SIGMA DELTA PHI

Ruth Moody's home was the site of the Sigma Delta Phi meeting Monday night. Plans for the remainder of the semester were formulated with a beach party scheduled for tomorrow afternoon.

Greeks Plan Spring Formals At Meetings

Plans were being made this week for an inter-fraternity picnic, to be held on May 24, subject to change. Formals were discussed, and plans made for final social events of the semester.

Members of Sigma Alpha Kappa and their guests held their formal dinner-dance last Saturday night at the Samarkand hotel. Peggy Lou Anderson reigned as queen over the evenings festivities.

Plans were discussed for the inter-fraternity picnic at the meeting Monday night.

At the meeting Monday night final plans were made by members of Gamma Sigma Pi for the annual formal dinner dance, to be held May 30, at the Samarkand hotel. They also planned a joint meeting with Alpha Theta Chi, to be held next Monday night and adjourned the meeting to attend the fights.

Plans for the Beta Sigma Chi formal dinner-dance to be held Saturday, May 22 at the La Cumbre Country club, were made, and "The Last Roundup," a barn dance which will take the place of the annual Beachcombers Ball on May 29, was planned. After the meeting the members went to play miniature golf.

Ma'ma-zelle

By BARBI GEORGE

Are you among the girls complaining lately that there is just nothing new in the way of school fashions, and they are so-o-o tired of wearing the same old sweaters, blouses, and skirts day in and day out? Let me tell you that there are new things in campus clothes. New styles, new jewelry suitable for class wear, new colors, etc.

First of all, how about the new culotte skirts? They are made now in all fabrics from corduroy to cotton, and in all colors, plain, and prints. Looking just like a pleated skirt they are cool as the proverbial cucumber and allow plenty of action. Emma Tadlock has been seen wearing a navy blue one with a white tailored shirt.

How about a new hair ribbon to spruce up a tired out wardrobe? Try a big butterfly bow in a matching or contrasting color. —a plaid bow with a plain color dress will do wonders for your morale. Mary Lou Tompkins wears a great big white one. Roberta Lamson wears a perky yellow one.

MARY LEE LYNCH, the future Mrs. Ralph Hand, joins numerous coeds in announcing her engagement.

DO YOU DIG IT?

Gauchos Meet Caltech in Track Finale

WIN or LOSE ..

By OZZIE OSBORNE

San Jose's undefeated track team, with an apparently unappeasable appetite for blue ribbons, cleaned up most of the honors at the recent 2C2A Sports Carnival held at San Diego, not only defeating defending champions Fresno State, but also amassing a total of 85 1/4 points as compared to the Gauchos' 12 1/2. It might also be mentioned that the Spartans took nine first places, smashed two meet records, and tied three more . . . all in a day's work!

Slender, gangling, phenomenal freshman Bill Smith, dusky Spartan powerhouse, captured three first places at the Carnival, leaped 6 feet 4 inches to a new meet record in the high jump, equaled the 9.8 record in the century, and won the broad jump with a leap of 23 feet 5 1/2 inches. Smith is the biggest reason that San Jose lays claim to an undefeated season this year, and since he is only a freshman, one may look forward to a Spartan repetition of this feat next year.

PATRONIZE

EL GAUCHO ADVERTISERS

San Jose Swamps Cindermen; Netmen Retain Doubles Title

Possessing a world of fight but dogged by the smallness of numbers, the college track squad went down to a smashing but not unexpected defeat, in bringing up the rear in the four 2C2A school standing at San Diego Saturday at the annual conference meet. The scores were San Jos, 85 1/2; Fresno, 46; San Diego, 21, and Santa Barbara, 12 3/4.

Sensational Freshman Billy Smith, Spartan spikeman, ran hog-wild, leading his teammates with three first places. He turned in a new meet record by leaping 6 feet 4 inches in the high jump, equaled the record in the 100-yard dash by a 9.8 second performance, and wound up the day with a first place in the broad jump with a 23 feet 5 1/2 inch hurdle.

Captain Hovis Bess of the Green and White tied for first and third place respectively in the 220 and 100. The furlough time was a fast 22.0 seconds.

Gauchos placing were: Gail Squires, fourth place in the shot put; Bob Sherman, fourth place in the javelin; Wallace Cole, a tie for third in the high jump; Max Diamond, a tie for third in the broadjump and Art Carter, third in the 100-yard dash.

BOB "SHANTY" STANSBURY, former Gauchos diamond ace, now playing with the Bakersfield Badgers, in the California League.

Clicking in every department of play, the flashy college tennis doubles team composed of Captain Ed Doty and Lorenzo Dall 'Armi, halted at least one San Jose conference thrust by defeating the Spartan duet Saturday at the 2C2A meet in San Diego, by the score of 4-6, 6-1, 6-3, thus retaining the conference doubles championship.

By taking high point honors in the doubles round robin tournament held in the morning, the two teams met, for the finals in the afternoon by reason of a new tournament plan, presented by Coach Terry Dearborn and accepted by the conference the night before.

Although the doubles crown, which was won in 1941 by Doty and Mike Koury, the team championship was lost to San Jose by a score of 121 to 143. San Diego and Fresno took third and fourth place respectively.

Tom Hamilton and Dick Cobos amassed a total of 18 and 25 points each in the round robin singles play, out of a possible 60, but did not net sufficient points to qualify for the finals.

The round robin tournament, that was originated by Dearborn, calls for each singles and doubles player of the conference schools to play opposing racquetmen. Each entrant played 6 games in the morning.

Because of absences, the annual conference confab scheduled for Friday night was held only in part. Dearborn's round robin plan was adopted by the convening group but election of new officers was not held.

Hilltoppers Out to Break Meet Records

In their season finale, the Gauchos trackmen meet Coach Fox Stanton's highly-touted Cal Tech cindermen, southern conference dual meet champions, at La Playa field tomorrow afternoon, with the locals gunning to break several school records.

Track coach Nick Carter expects co-captain Hovis Bess to break the 440 record of 50.2, held by Bill Gibson, '38, and also believes Skeeter Malcolm will break the 880 record of 2:00.7, held by Roland MacDonald, also from the 1938 squad. The Cal Tech meet will mark Malcolm's initial 880 attempt in competition, but he has been clocked in practice sessions in near-record time.

CAL TECH STRONG

The Cal Tech cindermen have turned in a very successful season in their loop, holding dual wins over Redlands, Pomona and Whittier. Carter's cindermen wind up their season with Saturday's meet, returning from the California Collegiate Athletic association sports carnival held at San Diego last Saturday.

The team's hottest sprint man, Bess will also try his hand at the shot put against the Engineers, having gained third place in the 2C2A meet last week, falling only 3 inches short of second. Carter had not used Bess in the shot event until the 2C2A meet last week, saving him for the sprints, but due to the lack of material in the iron-heaving event, switched Bess in that slot.

SOULE IN MILE

The distance jaunts will again be defended by diminutive George Soule, who runs the mile with teammate Dick Rider, and the two-mile alone. Art Carter, Dave Westmont, and Dick Sneed supply the Gauchos with winning material for the 100 yd. dash, while in the 220, Bess, Carter and Sneed will provide the Engineers competition.

In the relay Max Diamond, Bob Etchart, Skeeter Malcolm, and Bess compose the Gauchos sterling quartet, and comparing their past records, should come near to setting a new record. The shot put event finds Gale Squires and Bess competing. Squires will also heave the discus with teammate Cole.

- Lineups:
- 100—Carter, Westmont, Eneed
 - 220—Bess, Carter, Sneed
 - 440—Bess, Etchart
 - 880—Malcolm, Marker
 - Mile—Soule, Rider
 - 2 mile—Soule
 - High hurdles—Sherman, Cole
 - Low hurdles—Sherman, Westmont
 - Relay—Diamond, Etchart, Malcolm, Bess
 - Shot—Squire, Bess
 - Discus—Squires, Cole
 - Javelin—Sherman, Cole, Smith
 - High jump—Cole, Sherman, Smith
 - Pole Vault—Malcolm, Matthews
 - Broad jump—Diamond, Cole

Locals Play for Badgers

Formerly with State's horsehiders, Bob "Shanty" Stansbury and Walt Lohman are now on the Bakersfield Badger roster, holding down catcher and short-stop positions respectively.

Stansbury was all-conference backstop man for the Gauchos for three years, while Lohman played both third and short for the Hilltoppers. The Bakersfield post marks the first year of pro ball for Stansbury, but Lohman had played several seasons with the American Legion team.

Lohman bats and throws righty with the Bakersfield managed and is proving a favorite. He is one of the married men of the squad and is now residing in Los Angeles.

Stansbury was one of the mainstays on the Gauchos diamond crew and during his three years competition in the 2C2A circuit, led the Gauchos with a lusty batting average of .379.

The former Gauchos play for Bakersfield, in the California League, and compete with Fresno, Santa Barbara, and San Jose.

Whittier Wins Championship

By virtue of their 2 game triumph over Occidental college last week, Whittier college wound up their 1942 baseball season by annexing the Southern California Conference championship.

Although Redlands and Cal Tech must meet in a double header this week before the conference schedule is officially closed neither team will be able to oust the Poets in their claim for the title. However, a double win for either team will give the winner the second spot in the final standings, while a split series will develop a 3 way tie for second place honors between Occidental, Redlands and Cal Tech.

Departments Hold Spotlight With Elections, Science Show

Students Aid In Exhibition

As a major advance under the new plan to establish Santa Barbara as an educational and cultural center, "The World of Tomorrow," reflected through the eyes of the combined sciences, will be presented to students and townspeople Friday evening from 7 to 10 in the Mission Canyon museum through the cooperation of the Santa Barbara State college science department and the Museum of Natural History.

Included in the open house program will be colored motion pictures on various phases of the programs' theme; chemical and physical experiments; exhibits on textiles and dyes, bird banding, seashore life, gems and minerals, fluorescence, Indian life, vitamins, plant pigments, polarized light, plant and animal life, strategic war materials, colors in animals, microscopic life and discussion under the direction of the heads of both sponsoring organizations.

As a cooperative venture between the two institutions the day's program is under the direction of the combined personnel. Student members of the college science department will be instrumental in setting up the exhibits and conducting the experiments.

This science show marks the initial endeavor under the recent cultural plan established by the museum, State college, and the Museum of Art, whereby they combine their facilities for study and instruction in the fields of science and art for the benefit of students and townspeople. Admission is free.

Revue Ends Run Tonight

(Continued from Page 1)

and notes in "Don't Overstuff the Configuration" compiled by Lewis Paul. The Estes-Van Meter combo contributed another tune, smartly entitled, "Any Resemblance to Hedy Lamarr is Purely Max Factor" which was sung by Sherman.

A newcomer to the Gauchero stage, Dotty Barr and her self-written song, "Here is My Heart," did well in a lilty, almost blues style.

Prologue, as presented by John Holloway, was convincingly Rooseveltian. Other speaking members of the cast include Nell Martin, who as well, executed a tap dance in act II, Helen Morrison, Miss Van Meter, Miss Brown and Laurette Lovell.

The chorus, eye-filling as well as rhythmic, was directed by Gerry Cockins, advised by Miss Margaret DeHaan and included Patsy Bass, Maureen Drury Marge La Salle, Jean Davis, Dwala Ray, and the Misses Brown and Martin.

Direction of the orchestra is under Bill Marvel. Adviser is Maurice Faulkner.

Roadrunner Revue, as always, was not without the traditional "bumps" and pie-throwing. And the audience still love 'em.

SYBEL JONATHAN, home economics major, takes over the president's chair for her department following Tuesday's elections.

Gauchero Choir Ends Annual Singing Tour

Striking a high point in their busy Music Week program, Santa Barbara State's A Cappella choir, directed by Van A. Christy, moved into Lobero theater Wednesday night to lend music to the Federated Woman's Club at their annual convention which met in Santa Barbara this year. Soloists on the program were Nino Baudino, tenor, and Margaret Kerr, contralto. Thornton Marker was the baritone for the Cappella choir.

Having just completed a concert tour to Santa Ynez high school, Santa Maria high school and junior college, and Lompoc high school, the choir is slated to sing at Carpenteria high school Friday and entertain the soldiers at Fleischman Field on the return trip.

Program presented to the Woman's Club Wednesday night included "O Love So Brief," Christiansen; "I Talked to God Last Night," Guion; "The Challenge of Thor," Elgar; "Calm as the Night," Bohm; and "Pilgrim's Song," Tschaiakowsky.

WAA Slates Barbecue

Members of the Women's Athletic association will meet Wednesday at West beach for a barbecue supper beginning at 5:30 p.m.

Installation of next year's officers will take place at this time. Betty Dawson will take over the office of president now occupied by Frances Boyton, newly elected A. W. S. prexy. Martha Thomas will turn over the duties of the vice presidency to Dorothy Wilcox. Ruth Howell will replace Betty Mitchell as secretary. Thelma Erickson assumes the work of athletic manager.

'42-'43 Officers Take Posts

Elections for 1942-43 leaders were the chief items of business at the various department meetings, held on the campus last Tuesday, fourth hour.

Sybel Jonathan automatically moved up to the presidents post of the home economics department, serving this semester as vice-president. Elected at last Tuesday's meeting were Mildred Geissler, vice-president; Catherine Lesovskey, secretary; Barbara Harrison, treasurer; Edwina Thompson, historian; Eleanor Hankey, publicity chairman; Phillis DePew, program chairman. Home economics majors joined the division the later part of the meeting for a moving picture on "Making a Cartoon."

Elementary department elections saw Bob Hart elected as the new president. Included in next year's cabinet will be Francis Bedford, vice-president; Polly Walker, secretary; Betty Riley, social chairman.

MESA MEN VOTE

Plans for the industrial education barbeque next Friday were completed, along with plans for the annual Spring formal banquet on June 6. Mesa goes will hold elections on Monday and Tuesday, at which time Gerald Ellis, John Groblei, Henry Hutchings and Cornie Maaskant are running for president of the department; John Dawley, Will Seamen and Robert Shelley, vice-president; Ivan Grigsby and George Ritche, secretary; Earl Hoover, Bob Stetler, and Cliff Wrightson, treasurer; Roy Cagnacci and Robert Goulet, publicity chairman.

Speech division students elected Bob Clark as president for next semester and Connie Evans as vice-president; Paul Kill, treasurer and Mary Lynn Drake, secretary.

Open house for faculty members, to be held in room 30 on Thursday, was planned by women's physical education department members. Arrangements were also completed for the annual formal banquet, to be held this year at El Paseo on May 29. Jean Blakeman heads the committee for the dinner. Balloting for next year's officers started yesterday and will continue until this afternoon, according to Miss Van Fossen. On the ballot are Jean Blakeman and Thelma Erickson for president; Betty Murphy and Lois Jellison, vice-president; Betty Nay and Ruth Howell, secretary-treasurer; Nell Martin and Lorraine Sully, historian; Nancy Morrison and Vicky Hunter, publicity and Evelyn McDonald and Virginia Cathcart, program chairman.

Dan Lieberman will head the science department cabinet for next semester, along with Yee Sing Yee, vice-president and Bob Farkas as publicity chairman and historian.

W. CHARLES REDDING, speech department instructor, supervises extemporaneous and after-dinner speaking contests.

Speech Heads Plan Program

According to an announcement made by Dr. John C. Snidecor, the division of speech will continue its work for the special credential and for those interested in general speech work, including fundamentals of speech, phonetics and voice, and speech pathology.

Dr. Albert O. Mitchell will teach courses in the fundamentals of speech, and the interpretation of poetry and plays, and will also direct the college theater program during the summer.

Articles by Dr. Snidecor and Frederic W. Hile, of the division of speech appear this month in "Western Speech."

Pasatiempo

By NATALIE STEWART

The ides of May go on and on and finals approach like a black falcon swooping down to feed on the parched brains of students.

Many students at the Roadrunner Revue last night, and more anticipated tonight to laugh at the spring fun fest. Reports say—Go!

Seems that many students are thumbing their way through catalogs of one sort or another in a valiant effort to decide just how and when they are going to graduate from college with some sort of a degree. The annual spring trek has begun to Dr. Mather's office for a perusal of catalogs for summer session. Seems that most of us want to scatter to the four winds for a few short months.

Surprising the number of engagements on campus this spring. Men are getting harder and harder to snag because nine women out of ten now wear that premature bond of servitude, the engagement ring.

Seen around and about: Bill Morrissey, that perennial, lending eclat to the Gauchero room in the drear hours of an early May morn. Al Rasmussen, catering to drive in customers before catering to the army air corps, come the end of May. Students discussing the army air corps deferralment plan over a cup of java in the Gauchero—among them Bob Works, Ozzie Osborne and Bob Stevens . . . Barbara J. Idleman rushing around town on matters of state before her marriage to a Stanford man. Lucille Chester debating about the age old question and getting advice from Krebs.

Jackie Pound, our nomination for the busiest girl on campus as La Cumbre goes to press. Billy Mason calling phone numbers for a Saturday night date.

How to Steal Your
Roommate's Boyfriend....

Is a walk-away with this new discovery you'll find at Campus Corner.

Although we don't recommend "double-crossing" your roommate—we do recommend the new addition to the cosmetics world—Tone Complexion Tint.

It's a new kind of liquid color accent for the face coming in two shades—"Dahlia", a rosy pink which may be used as a rouge or as a "color undertone" for the entire face, and "Bittersweet" which imparts a golden sun-tanned look that is also making a tremendous hit as a silken-smooth makeup for stockingless legs.

A "must have" that will fit into any coed's budget for there are the two sizes—\$1.00 and \$2.50.
