

# ALL-UNIVERSITY WEEKEND

UNIVERSITY OF CALIFORNIA

## El Gaucho

SANTA BARBARA COLLEGE

Vol. XXXV

GOLETA, CALIFORNIA, TUESDAY, OCTOBER 25, 1955

No. 12

### DEANS INVITE CAMPUS GROUPS TO COFFEE HRS.

Holders of scholarships on the SBC campus will be special guests of the personnel deans at a coffee hour tomorrow afternoon between 3 and 4 p.m. in the College Art Gallery.

Also invited to the informal get-together are selected faculty members. All holders of scholarships, whether granted by the University or other agencies, will be welcomed by Dean of Women Helen Keener and Dean of Men Lyle Reynolds.

A deans' tea for foreign students is slated for Thursday afternoon from 4 to 5 p.m., also in the Art Gallery, Bldg. 412. Members of the International Students Club and other interested students are invited.

### Memorial Swim Meet Participants Sign Up

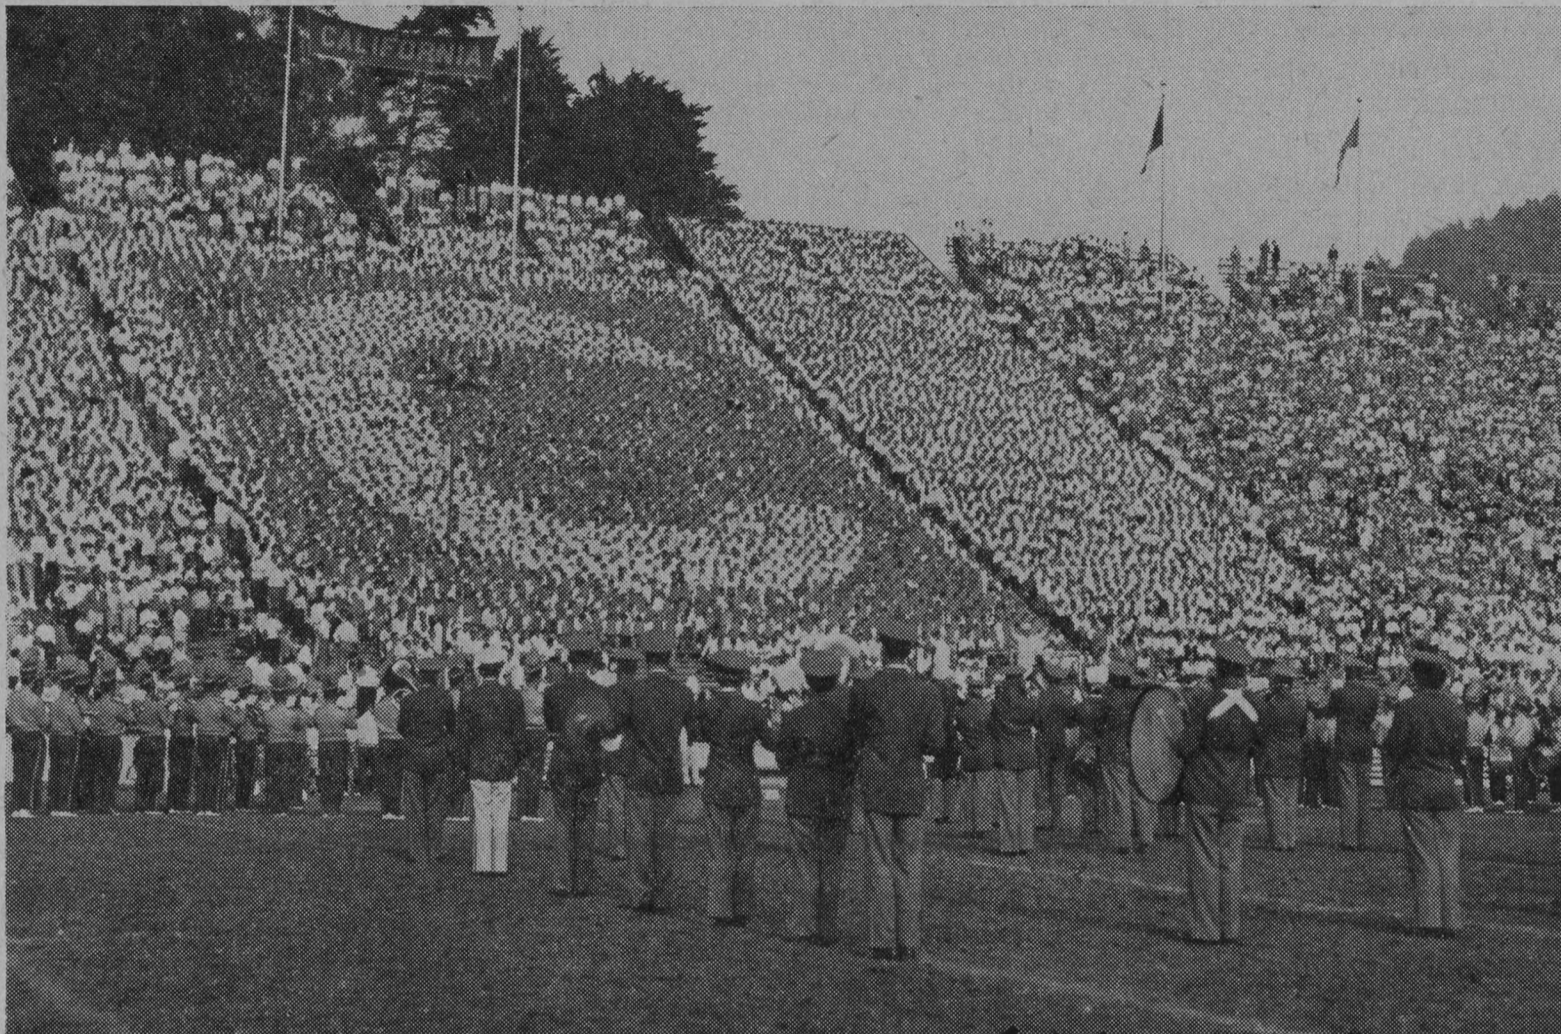

The semi-annual intramural Dave Russell Memorial Swim Meet will be held Friday, Nov. 4, from 3 to 5 p.m. in the UCSBC pool.

The college pool will be open for practice during regular recreational swimming hours. It is mandatory that all women planning to enter must practice three half-hour sessions in the pool before competing. Lifeguards on duty will record names.

**Excellence in swimming is not a requirement, and anyone who enjoys swimming is cordially invited to take part in the meet, according to Winnie Munson, meet chairman.**

Sign-up sheets are being sent to all organized living groups—sororities, fraternities, residence halls and units in the new hall. Individual entry sign-up sheets are posted in the Student Union, men's gym and on the Mesa campus.

Seven new meet records were recorded during last semester's meet, in which 75 students took part. Four new records were set in the men's events and three in the women's. Sigma Alpha Epsilon won the men's point championship, and the first place in the women's competition resulted in a tie between the Kappa Alpha Thetas and the Alpha Delta Pis.

Gauchos take part in half-time activities in Strawberry Canyon at last year's All-Cal celebration. The Gaucho-Mustang and

Bear-Bruin games are only part of the annual fun-packed weekend, this year hosted in Los Angeles by UCLA.

### UCSBC ENTERS ALL-CAL FLOAT

"On the Shore in '44" is the theme for Santa Barbara College's entry in the All-U Division of the All-Cal parade this Friday.

All students are urged to volunteer their help in the construction of the float, which will carry a figure depicting University President Robert Gordon Sproul reclining on the beach. Success of the float will depend upon co-operation of the students.

Donna Pat Wolf, chairman of the Rally Committee, announced that actual construction, for which men students are especially needed, will begin Thursday morning at the athletic field across from the men's gymnasium on the UCLA campus. Crepe paper poking, for which students are particularly needed, will begin at 9 a.m. Friday. Floats must be finished by 3 or 4 p.m. on Friday if Santa Barbara is to participate in the parade.

### SPURBELLS SOLD FOR ALL-CAL

Spurs, sophomore women's honorary, will be selling cowbells in front of the Student Union today, tomorrow and Thursday.

The gold bells are for use in the cheering section at the All-Cal games on Saturday and for home games. They are decorated with the blue letters, UCSB. "Spurbells" are available for 35 cents. The supply is limited.

### Lecture Features Expert on Design

"Modern Scandinavian Furniture Design" is the title of the All-College Lecture to be given today at 4 p.m. in Bldg. 431, Rm. 102.

The speaker will be Mrs. Marie Wilson, assistant professor of home economics, who returned this fall after a year's sabbatical leave doing research study in the Scandinavian countries. She is an authority on furniture and interior designs.

Mrs. Wilson, a strong exponent of modern interiors for today's family living, will show the development of the Scandinavian designs which have influenced American and European furniture styles. Beginning with "Swedish modern," she will describe the developments in that country and Denmark and Norway.

To illustrate these ideas, she will show color slides which she collected during her stay in Scandinavia. They include the work of the most famous Scandinavian interior architects.

The material collected by Mrs. Wilson already has resulted in the publication of an article in *Arts & Architecture* magazine on modern Danish furniture.

### OPERA COURSE OFFERED ON TV

A University of California Extension course on the opera will be available to television viewers on Saturdays at 10:30 a.m., beginning Nov. 5, offering accreditation to those desiring it.

The lecturer of the program, "Spotlight on Opera," over KNXT, Channel 5, will be the well-known Jan Popper, professor of music on the UCLA campus and active as a lecturer in the fields of symphony and opera.

The University Extension class will be presented during 16 programs on consecutive Saturdays from 10:30 to 11 a.m., with Dr. Popper conducting each class and presenting such distinguished guests as Mme. Lotte Lehman of Santa Barbara, of opera fame, and Lucas Foss, distinguished young composer on the UCLA faculty.

For persons enrolled in the course, three contact meetings with Dr. Popper are planned as well as a final examination gathering on the campus and probably in other centrally located meeting places.

### Selective Service

Deadlines for filing applications for selective service college qualification tests have been changed, it was announced last week by the office of the Dean of Men.

Applications for the Nov. 17 test must be postmarked by midnight, Nov. 2. For the April 19, 1956, test, applications must be postmarked not later than midnight, March 5, 1956.

Further information regarding the tests can be obtained from the office of the Dean of Men.

## UCLA HOSTS HI-JINKS; SPROUL TO BE HONORED

"The C Around Us" will be the theme for this year's All-University weekend, to be held in Los Angeles on Friday and Saturday, Oct. 28 and 29. The weekend this year has been dedicated to Robert Gordon Sproul, president of the University, in honor of his "25 years before the mast."

Weekend activities begin with the All-University meeting on Friday and reach their climax on Saturday in the Coliseum where the Gauchos meet the Cal Aggies and UCLA's Bruins tangle with the Cal Bears.

### All-U Meeting

The All-U meeting at 11 a.m. Friday is the first event of the weekend in which all students can participate. It is also the most formal.

Each school will honor President Sproul, who will be presented with a gift at the end of the event. Provosts, bands, yell leaders, student body presidents and queens representing each campus will participate in the event. Following the meeting will be a luncheon for members of Cal Club, inter-campus honorary organization.

### Parade

Activities will continue Friday night, with the UCLA homecoming parade. A special All-U division has been included in the parade this year for entries from the different campuses. A trophy will be awarded to the entry which best carries out the theme by depicting some phase of President Sproul's life.

Kathy Riordan, Santa Barbara homecoming queen, will represent the Gauchos on the All-U queens' float. The parade will begin in Westwood near the UCLA campus at 7:30 p.m.

### Rally and Dance

All-U rally will take place at 10 p.m. between the UCLA gyms. Skits will be presented by each campus. Bands, yell leaders and song leaders from the different campuses also will participate.

The rally will be followed by a dance at 10:30 in the UCLA Women's Gym. The dance ends official activities for the night.

The annual pre-game Cal Club brunch will be held at 9:30 Saturday morning with President Sproul as the honored guest.

The football games in the Coliseum will bring organized All-U activities to a close. A small parade of the award-winning floats from Friday's parade will take place in the Coliseum at 1 p.m.

### Community Chest Schedules Drive

Community Chest Drive, sponsored by the Charity Committee, will be held Monday, Oct. 31, through Friday, Nov. 4, according to Sally Phillips, Charity Committee chairman.

The money will be collected in wishing wells located in the library, Student Union and Las Casitas dining hall.

"We are hoping this year to break the record set last year, and can only do this with your help! Please donate," Sally said.

The Charity Committee sponsors the college's Community Chest drive every year, in conjunction with the drive held in Santa Barbara at the same time.

"Old Bob Sproul" and followed Rod Friedman in a yell of 25 "rahs," one for each year of Sproul's administration.

Included in the gifts from various campus organizations were a plaque from Publications Board, a gavel from the ASUC, a Golden Bear blanket from the Big "C" Society, a baton from the University marching band, and several life memberships. Mrs. Sproul was similarly honored. ASUC President Bob Hamilton's introductory words summed up the general spirit of the assembly: "Here's to the prexy, the chief of the staff. His heart is as big as his wonderful laugh."

Santa Barbara's entry in the All-University Division of the All-Cal Weekend Parade has the theme "On the Shore in '44." It will depict the admission of Santa Barbara to the University of California in that year.

## From The President's Desk . . .

The wonderful weather we've been blessed with lately has brought a very timely project to mind. Before long, possibly sooner than I think, the Goleta monsoons will start, and doubtlessly present still more problems to those of us who commute from Santa Barbara and Goleta.

An idea has been brewing to construct one or more sheltered waiting stations, one in front of the Student Union for those waiting for buses, and one along the road off campus for those desiring car rides into town.

I'm asking that any of you who have ideas about the advisability of these, their placement, construction or design, to please get this information to the Associated Students Office *this week*.

I might add in passing that building these shelters will not in itself get students into town, so start now making it a habit to "give a Gaucho a lift."

Jack Christofferson  
 ASUCSBC President

## Tattle Tales . . .

by Janet Adameck

Hi all! Glad to hear you missed the column. Since Theo Knaphurst has now graduated to greater things on a somewhat larger newspaper, and is really a busy gal, it looks as if I'm elected to give you news on the social half of life at UCSBC. I'll really need your help, so please let me in on any happenings on campus and around the town (especially you residence hall-ites).

Even after the big homecoming weekend, activities really came at a pretty fast clip. Last Monday two desserts were held. The Thetas and SAEs had a song-fest at their dessert; Alouette was by far the most popular (song, that is). At the DG-Delt dessert a jam session livened up and took over the singing, with Sally Leflang at the piano and Bill Blythe and Stan McGinley taking turns at the drums.

I'm speaking for many, many people when I say congratulations to Nancy and Bob Lorden. Lots of happiness to you.

Who stole the dinner bells? Dinner chimes from the Pi Phi, Alpha Phi and DG houses are missing. The gals have been called to dinner right on time anyway—their own chimes, too—by phone. They're trying awfully hard to figure out the mysterious voices (or voice). Any ideas?

It seems that when Delt Bill Steere makes an impression, he really does it up right. Last week he took Mary Bucklin, Pat Harding and Kathy Goodcell to dinner (Dutch, of course), made his appearance by swinging up the hall on the water pipes. I'm told that any difference between him and Tarzan was purely accidental. There was no damage to the pipes; however, the R.A. was a little upset.

Alpha Phi and Kappa Sig pledges almost fooled the actives at their ditch last week. The party was finally found down at Montecito beach. The Alpha Phi pledges came in at 6 a.m. Thursday and served the actives' break-

fasts to pay for ditching on Monday.

The Delt house provided a perfect setting for their Halloween party on Saturday night. Those attending were Barbara Gordon and Keith Leaburn, Alpha Phi Penny Gray and Jack Geise, DG Robin Walsh and Phi Delt Bob Miles, Marilyn Orbaugh and Don Heck, DG Martha Netzley and Joe Diehl, Pi Phi Karen Gundersen and Bob Rolph, Theta Marcia Lloyd and Dick Goode, Ruth Nicholson and Jerry Furrey, DG Judy Bartley and Bill Tice, Pi Phi Helen Garben and Bob Westlund, Theta Karen Pettker and Dick B., Maggie South and Gray Baskerville, DG Carolyn McCarthy and Thad Smith, Francine Chamberlin and Tom Preston, Theta Terry Tisdale and Bill Blythe, and Janet Bingham and Ted Harder.

Many other parties and joints were held on the weekend. These included an SAE - Kappa Alpha Theta joint, a Sig Ep - Alpha Phi joint, parties at both Sycamore and Birch Halls, Pi Phi-Lambda Chi joint, and probably many more. I hope to have more info on some of these parties next week.

They say anything can be found in a slough—including a horse? The story of how the horse got in the slough is a long one, but here goes. The horse belonged to Yucca and Manzanita. Palm took it off Yucca's roof (confused yet?) and gave it to Oak, who kept it inside until it was discovered by Manzanita, who got terribly upset. Oak and Palm got a truck and took the poor lost horse to the slough, put it in a boat, stuck a sign on it saying "Help!" and left it to Fate, who got some girls from Manzanita to wade out (ish) and rescue it. Anyway, I hope everyone's happy now. I'm kinda confused.

All-Cal Weekend should really be something this year. Here's hoping the Gauchos beat Davis. Anyway, spirit seems to be pretty high, so keep it up and everyone will have one big time. Have fun!

## Attention Students: Are You at Death's Door? The Health Center Will Pull You Through

Scene in Rm. 113, Maple Hall: Joe is sprawled on bed, left, with a greenish pallor evident on his countenance. He groans. His roommate, Marty, enters.

Marty—Whassa matter, boy?

Joe (weakly)—Uhhh. I feel awful. I think I may die.

Marty (briskly)—Well, look here. You can't do that. It would give the place a bad name. Besides, you promised to drive me into town tomorrow.

Joe—Uhhhhh.

Marty—Tell you what. I got some pills here somewhere (*rummages through drawers*). Ah! Here they are. Take two of these (*shoves them down Joe's throat*).

\* \* \*

It's too bad about Joe. When the resident assistant finally found out about him and called the doctor, they had to use a stomach pump to get rid of Marty's pills, and by that time Joe was in such bad shape he had to spend a week and a half in the hospital, got 'way behind in his work, missed three mid-terms, and lost his girl to some guy across the hall who worked fast while he was out of commission.

But then, in a way, it was his own fault. He was one of those guys who thought the Student Health Center was just a filing cabinet full of old chest X-rays.

If Joe had used his head he'd have headed for Bldg. 478, over between the Science Building and the new dorm, as soon as he started feeling rocky. There's a nurse

on duty 24 hours a day until the last day of the semester, and the doctor is usually there, too, between 9 a.m. and 12 noon and 1 and 5 p.m. when classes are in session. At any time when it is not practical for a student's family physician to be consulted, illness or injury should be reported to the health center as soon as possible.

It is the purpose of the Student Health Service to keep students well so they won't lose study time due to illness, and to get them back in circulation again if they do become ill. The service works as closely as possible with personal physicians.

The health service also verifies absences due to illness, where required by instructors, and handles cases of leaves of absence or withdrawals from school due to health problems.

Even if you never need its services, it's wise to know where the Student Health Center is and what it offers. And whatever you

## Club Notes

PSYCHOLOGY CLUB met Monday evening, Oct. 17, in the recreation room of the Student Union to elect officers and organize committees. Questions concerning fundamental values were submitted to the group and their responses formed a basis for planning the poll to be conducted about Nov. 1. Bud Horton was elected president, Herb Rigoni vice-president and Lucy Matteson secretary-treasurer. The organization will hold its next meeting Nov. 16 at 7 p.m.

INDUSTRIAL MANAGEMENT CLUB will meet on Thursday at 7 p.m. The meeting will take place at the IA Bldg., Rm. 209, on the Mesa campus, and will include an election of officers, program planning for the

year and a movie on industrial arts mobilization.

PI SIGMA ALPHA, political science honorary, initiated Jerry Perry and Jack Adler as new members at its meeting last week.

INTERNATIONAL CLUBbers and guests are invited to attend a Dean's Tea Thursday at 4 p.m. in the Art Gallery.

## TIME OUT FOR LUCKY DROODLES!

**WHAT'S THIS?**  
 For solution, see paragraph below.

**EVERY ONE OF THE PEOPLE** in the Doodle above (titled: Lucky smokers playing poker) has a *good deal*. Because they all smoke Luckies, they all enjoy better taste. Luckies taste better, first of all, because Lucky Strike means fine tobacco. Then that tobacco is *toasted* to taste even better . . . cleaner, fresher, smoother. So light up a Lucky yourself. You'll rate it *aces high* for smoking enjoyment.

## Sports

### SIDELINE CHATTER

by Glenn Dickey

Just thought I'd remind you that the Dave Russell Memorial Swim Meet is just around the corner, Friday, Nov. 4, to be exact.

The swim meet is held twice a year and is one of the biggest intramural sports activities of the year. (Don't worry, I'm not going to give you another sermon on the importance of intramural sports.)

**Dave Russell**

For the benefit of late tuners, Dave Russell was a Santa Barbara College student some years back, who was killed in a tragic car accident.

Because of his active interest in sports, it was decided to honor him by naming the swim meet after him.

**Anyone Can Enter**

The meet is open to all who wish to enter, be they male or female. It should be stressed also that high proficiency is not a prerequisite; if you enjoy swimming you should enter the meet. Individual trophies and team trophies are awarded. For more details, check the story elsewhere in this rag.

**Doubles Tourney**

Another big intramural activity that is still in the planning stage is a tennis doubles tournament. This tournament was held last year and was a big success.

As in the case with other intramural activities, this tourney is something of a social activity also. Both faculty and students enter, so students often get a different picture of the professors than the one they have after an examination.

I said this tournament was still in the planning stage. Actually it's all planned, the only difficulty is finding an open date. The most likely time at this writing is the Saturday following the DR Memorial Swim Meet.

Jordan Romeo covered the Pappy Waldorf case pretty well in the last issue, but I just have to get my two cents in.

It was just three years ago that the California press brochure was hailing Waldorf as the most successful of PCC coaches.

"What are the secrets of this man's amazing success?" asked the brochure. "Why are his methods so superior to other coaches?"

The answer, of course, was that he had Olczewski, Celeri and a few others to carry out his superior methods.

A coach is no better than his material. Undeniably UCLA's Red Sanders is a top-flight coach but do you think he would be winning games with Pappy's material? Don't you believe it.

**Poor Oddsmakers**

If you think I'm taking a beating on my football predictions, consider the poor oddsmakers for the pro games.

The point-spread has held up on only four out of the first 24 games this year as the pros are having their wackiest season in many moons.

Who's your pick to win the Western Conference? I'd like to say the L.A. Rams but I'm afraid it would be a case of the wish being father to the thought."

**Lopat, Joost Gone**

It seems like I'm stealing a lot of angles from Jordan this time. At any rate, I'd like to talk about a couple of baseball stars who have dropped out of sight—Eddie Lopat and Eddie Joost by name.

Lopat and Joost had one thing in common besides first names: a competitive spirit. Neither had great natural ability but both were more useful to their clubs than teammates with the natural ability they lacked.

Lopat was never accused of having a Feller-type fastball. Casey Stengel never

## Gauchos Trail at Halftime But Rally in Second Half

by Gil Romoff

Trailing 7 to 0 at halftime, Santa Barbara's Gauchos came to life with 15 points in the second half to defeat a surprisingly strong Sacramento State Hornet eleven, 15 to 7, Saturday night at Grant Stadium.

Sacramento took the opening kickoff and moved the ball to the Gaucho 4-yard line before Russ Young recovered a fumble to halt the Hornet drive. With two minutes remaining in the first period, Eddie Soto, who did everything but carry the waterbucket, took a Pat Mills punt and rambled 45 yards for the Hornets' only touchdown. Lloyd Snelson kicked the extra point to give Sacramento a 7-to-0 lead.

Just before the end of the half, Sut Puailoa took a Hornet punt on his own 11-yard line and threaded his way 87 yards to the Sacramento 2-yard line, only to have a 15-yard penalty, for holding, nullify the great run.

It was a completely different Gaucho team that came out after halftime intermission. After a poor Hornet kick had gone out of bounds on the Sacramento 26, it took the Gauchos only three plays to tally their first score of the evening. Two plays put the ball on the 13, from where Jerry Humrighouse raced the distance for the score. Bucky Baird's conversion attempt was wide.

Early in the fourth period the hard-fighting Gauchos took advantage of a Sacramento fumble to score the eventual winning touchdown. Center Al Kauti pounced on the loose ball on the Hornet 24-yard line and the rejuvenated Santa Barbarans needed but five plays to score. From the Hornet five, Baird raced into the promised land to give the Gauchos a 12-to-7 lead. Young's kick was blocked.

The Staters then took the ensuing kickoff and drove to a first down on the Gaucho 20. But, with victory in sight, the Gauchos stiffened and took over on the 28. On the first play Puailoa popped through left guard and romped 58 yards to the Sacramento 15. Three plays later Young stepped back and calmly toed a field goal from the Hornet 25-yard line to insure the Gauchos' second straight victory.

Santa Barbara easily dominated the statistics by gaining 292 yards rushing and 23 yards passing for a net of 315 yards, while the Hornets amassed 125 yards on the ground and 45 by the air-lanes for a grand total of 170 yards. Puailoa was the game's leading runner as he picked up 101 yards in 10 carries. He also had two sparkling punt returns, one for 52 yards and the other for 87 yards, nullified by penalties.

Soto was the whole show for Sacramento, as he gained 98 yards in 23 carries and completed seven of the eight Sacramento passes.

### TOUCH FOOTBALL GETS UNDER WAY

Lambda Chi Alpha, Sequoia Hall and Palm Hall got off to fast starts in the Men's Intramural Touch Football League as they all racked up victories in last Wednesday's games. The games were the league openers.

Lambda Chi and Sequoia both scored fairly easy wins, Lambda Chi by 25-12 over Sycamore Hall and Sequoia by 18-6 over Sigma Alpha Epsilon. In the other scheduled game Acacia Hall forfeited to Palm Hall.

Ed Austin was the star in the Lambda Chi victory as he scored tow touchdowns on passes. Egmore and Goodner also scored for Lambda Chi. Otterness and Tyler scored for Sycamore.

Boyd, Setmid and Bailey scored to spark Sequoia's victory. Foss scored Sigma Alpha Epsilon's lone touchdown.

### Women's Intramurals

Tomorrow's schedule for women's intramural volleyball includes games between the Lazy Joes and Kappa Alpha Theta, the Jets and Alpha Phi, the Slow Pokes and Alpha Delta Pi, Chi Omega and the Hep Cats, and Juniper Hall and the Wildcats.

In last week's play the Slow Pokes edged the Lazy Joes, 29 to 28; Chi Omega trounced Juniper Hall, 21-16; Chi Omega nipped Alpha Delta Pi, 34-33; Madrona Hall defeated Cypress Hall, 31-38; Delta Gamma beat Laurel Hall, 30-20; Oak Hall walloped Manzanita Hall, 43-18, and Delta Sigma Epsilon whipped Sigma Kappa, 38-20.

When you're the star of the play,  
The Big Man of the Day,  
You deserve a bouquet—have a CAMEL!

—Man, that's  
pure pleasure!

It's a psychological fact: Pleasure helps  
your disposition. If you're a smoker,  
remember — more people get more  
pure pleasure from Camels than  
from any other cigarette!

No other cigarette is  
so rich-tasting, yet so mild!

Camel

R. J. Reynolds Tobacco Co., Winston-Salem, N. C.

## Define History Club Goals and Functions

Mr. Carl Schuler, instructor in history at Santa Barbara College, is the faculty advisor for the History Club this year. His club is open to all students and faculty members interested in history study. Besides promoting and stimulating interest and investigation into all aspects and fields of history, the club allows the faculty and students to intermingle informally.

The History Club is strictly a scholastic group, meeting once every month with a guest speaker present each time. It is spearheaded by the Phi Alpha Theta fraternity, an honorary history group on campus. There are 25 to 30 members at present, with a minimum of organization consisting of President Richard Fletcher, Vice President Henry Van Leeuw and Secretary-Treasurer Heidi Kingsbury.

Every semester, one of the meetings is reserved for a reading of papers made up by some of the members interested in various historical subjects.

Dr. Phillip W. Powell, professor of history who specializes in Spanish studies, was the speaker in one of the recent meetings. Having made a tour of a large region of South America last year, he talked mainly about specific projects in Spain and gave his impressions of Portugal.

Next Meeting will be Oct. 27

All are cordially welcome!

# BOX SCORE ON THE UNITED NATIONS

## THE PROBLEM

**Atoms for peace**—How to promote development and guarantee use of atomic power for peaceful pursuits and the benefit of all mankind.

**Disarmament**—How to control the increasingly destructive weapons of mass annihilation and reduce the general level of all armaments.

**Formosa Straits**—How to settle the hostilities in the China Sea between Communist China (People's Republic of China) and Republic of China (Formosa).

**French colonies** — How to resolve disputes which have existed for some time between France and Tunisia and Morocco.

**Greece** — How to handle Greek complaint to Security Council (1946) that aid was given to Greek guerrillas by Albania, Yugoslavia, and Bulgaria.

**Indonesia** — How to resolve fighting between the Netherlands and the Indonesians over sovereignty for Indonesia.

**International Law** — How to establish and apply rules of international law, and to adjust and settle international disputes by legal rather than political or military means.

**Italian colonies** — How to settle disagreement of Britain, France, Russia, and United States on disposition of colonies renounced by Italy in Italian Peace Treaty of 1947.

**Iran** — How to handle Iran's charges that Russian troops lagged in leaving northern Iran and Russia was interfering in Iran's internal affairs (1946).

## THE ACTION

General Assembly unanimously endorsed (1954) creation of an international atomic energy agency of nations interested in sharing the development of atomic power for peaceful use.

The impasse in disarmament negotiations was overcome in 1954, when Russia agreed to a broader basis of discussion, including international supervision of weapons

New Zealand brought issue before the U. N. (1954): Question debated; Communist China refused invitation to send representatives.

General Assembly voted to postpone consideration of these problems while negotiations are going on between France and the two colonies (1954).

The Security Council set up a Commission of Investigation which it sent to Greece. A General Assembly Special Committee on the Balkans made on-the-spot observations and helped mediate the complaint.

Australia and India (1947) brought question to the attention of the Security Council. Security Council provided mediation and worked to settle disputes after series of cease-fires.

U. N. Charter created International Court of Justice as judicial organ of U. N. General Assembly set up International Law Commission to codify, and encourage progressive development of international law (1947).

The four powers concerned agreed to abide by decision of General Assembly.

Security Council adopted resolution to work toward a solution.

## THE SCORE

An international conference on peaceful uses of atomic energy convenes in Geneva (August 1955). Negotiations for an International Atomic Energy Agency are in progress.

General Assembly directed Disarmament Commission to make a new attempt at agreement, and subcommittee is now working in London.

Still unsettled and world danger spot.

Negotiations in progress.

Conditions improved and the General Assembly Special Committee dissolved in 1951. A new Balkan subcommittee of the U. N. Peace Observation Commission was set up in 1952. It was discontinued in 1954 at the request of Greece.

Republic of Indonesia (70,000,000) came into being in 1949, and became 60th member of the U. N. in 1950.

International Court of Justice has delivered judgment in 10 cases. U. N. has requested 8 advisory opinions, but individual nations have not made full use of the Court.

As result of U. N. action Libya became fully independent in 1952; Eritrea was federated with Ethiopia as an autonomous unit (1952); Somaliland was put under trusteeship until 1960, with Italy as administering authority.

Societ troops left peacefully.

## UC DRAMA DEPT. GIVES PLAY HERE

"The Confidential Clerk" will be presented by the Dramatic Arts Department of the University of California at Berkeley, in a one-night stand on the UCSBC campus Sunday evening, Nov. 6. The performance will take place in the campus auditorium, with student tickets priced at 40 cents and non-student tickets at 70 cents.

This production is a part of the Inter-Campus Art Exchange Program. The play is sponsored here by the Committee on Music, Drama and Lectures.

Committee on International Relations of the National Education Association issues an annual "box score" on the United Nations. The 1955 edition, just released, covers the entire ten years since the UN was founded.

Because *El Gaucho* feels this information is of vital interest to every American, the entire box score will appear in this and succeeding issues.
