## Select Betty Hopkins for Second Term as A. W. S. President

### 50 Per Cent of Women Students Participate in Election; Returns Are Kept Secret for Scoop

Betty Hopkins was reelected president of the A.W.S. at the semi-annual election conducted by the A.W.S. under the supervision of Dean Lois M. Bennink Tuesday in the administration building.

Other officers elected were Lucille Bolton, first vice-president; Elizabeth Stover, secretary; Marjorie Williams, treasurer; and Betty Roulston, student councillor.

Although the ballots were counted last Thursday afternoon, Dean Bennink and the election committee kept the results a secret in order that the Roadrunner might have the privilege of breaking the news to the students.

Later the A.W.S. board will elect a tea chairman, clubroom chairman and a point system chairman. These offices have been held by Lucille Bolton, Virginia Fennell, and Dorothy Dowling respectively. Other officers for the present semester are Betty Hopkins, president; Elizabeth Leonard, first vice-president; Clare Wise, second vice-president; Elizabeth Stover, secretary; Marjorie Williams, treasurer; and Betty Roulston, student councillor.

According to figures released by Dean Bennink, 228 women voted this year, this figure signifies about 50 percent of the total women registered took part in the election and shows a gain of 25 percent over those voting in previous years.

Betty Hopkins has had previous experience in executive positions and has served on various committees in the student body. She is a member of Delta Zeta Delta, social sorority, and Hui Eleu, social club. Lucille Bolton acted as tea chairman during the present semester and was also president of Hui Eleu. Ruth Carter is now secretary.

## 25th Birthday to Be Celebrated by State College

Plans are being formulated for the celebration of the 25th anniversary of the founding of Santa Barbara State college. This program will take place on Saturday, March 17 on the campus. Friday, March 16 is the actual date of the birthday of the college but tentative plans are that open-house will be held with invitations being extended to townspeople as well as students.

It has been the policy of administration officials in the past to commemorate the founding of the institution every five years with some kind of a program. Members of the faculty association will discuss the affair at their next regular meeting.

President Clarence L. Phelps announced that Vierling Kersey, state superintendent of education, has been secured to speak at the gathering, and other well known public officials will probably be on the quarter of a century program.

Miss Winifred M. Frye, chairman of the faculty association in conjunction with President Phelps and other faculty members will have charge of the entertainment.

## Trautz Wins Award Given by Department

Oscar J. Trautz was awarded the elementary education scholarship of \$25 for the most deserving senior in the department. He was selected by the college scholarship committee Monday afternoon. The award was based on scholarship and extra-curricular activities.

Mr. Trautz is completing his fourth year of collegiate training here and has served in many important offices and on many committees.

This scholarship is given by the elementary education department to aid some deserving senior complete his work. The scholarship committee, consisting of Dean Bennink, Dean Ashworth and Mrs. Jane Miller Abraham met with Mrs. Laura Price, head of the elementary education department in making the award.

## Semester Exams Begin Tomorrow

In an effort to clarify doubts of some students who are wondering when examination week starts, administration heads wish it to be understood that exams start tomorrow and continue through until Thursday of next week.

This change was made to accommodate conflicts in certain examinations.

With the starting of examination week tomorrow all regular classes will be discontinued. This will close the semester on Thursday, February 1 instead of Friday as first planned.

## W.A.A. Awards Presented at Formal Dinner

Sport honors were awarded to outstanding members of the Women's Athletic Association at the annual banquet of the organization last Friday evening at a formal banquet at Russell's. Awards were made to women who have devoted their time to making Santa Barbara State college "sport minded."

Mrs. Roy Thompson was guest speaker, using as her subject, "Recreation in Foreign Countries." Mercedes Berger accompanied by Anita Cochran entertained the guests with a group of songs. The banquet was concluded with the awards.

First awards, numerals, were made to Doris Braley, Helen Grady, Marvina Jones, Ruth Johnston, Barbara Lingenfelter, Jean McKay, Lois Jo McPeeters, Betty Mercer, Jewel Stephens, Helen Warner, and Pearl Wilson. Second awards, sweat sweaters, were presented to Lucille Bolton and Frances Warring. Final and highest awards, white sweaters with green letters, were awarded to Margaret Bedome, Cathryn Kitley, Lorraine Koehly, Evelyn Maitland, Joyce Newton, Ida Pagliotti, Margaret Rodriguez, Mervilyn Shaw, Virginia Slipton, Vivienne Sims, and Thelma Terris.

Honored guests were Mrs. Roy Thompson, Dean Lois Bennink, Misses Mercedes Berger, Anita Cochran, Hazel Severy, Betty Hopkins, Alumnæ guests, Miss Maurine Moore, A.W.S. president in 1931 and 1932, Mrs. Pearl Reiger Schuler, and Miss Ida Reeder.

## INITIATE FOUR INTO HONORARY I. E. FRATERNITY

Charles Barnes, Clyde Campbell, Jesse Hathaway, and Art Nisewanger were initiated into Pi Sigma Chi, honorary industrial education fraternity, at a special meeting held last night in the I.E. building.

In completion of pledgeship to the fraternity each of the pledges were required to make a formal talk before the members. Charles Barnes spoke on "Selling the Frills in Education to the Taxpayer," Clyde Campbell spoke on "Correlation of Industrial Education Work in Social Activities," Jesse Hathaway's speech was on "Industrial Arts as Aids to Worthy Use of Leisure Time" and Art Nisewanger spoke on "The Value of Excursions to Industrial Plants."

Active members attending the meeting were Paul Hylton, president of the fraternity, Paul Ralston, Joe Ball, Charles Richardson, Karl Houtz, Louie Taylor, Gene Nelson and the pledges.

Alumni members at the meeting were Rollo Elliott and Jesse Rathbun.

E. E. Ericson and S. O. Werner attended as councillors for the fraternity.

## Group Begins Housing Plans for Orchestra

Housing committee plans for 75 student musicians gathering here for the fourth annual All-Southern California College Symphony orchestra conclave beginning March 4 are well under way with Dorothy Dowling in charge of housing for the women and Thomas Merrill in charge of housing for the men.

Judy Bredsteen and Marcus Cravens had charge of housing last year and Oscar Trautz headed the committee two years ago. Any students or friends who would like to be host to the visiting students may inform Miss Dowling, Mr. Merrill, or leave word at the main office as soon as possible.

The present personnel is tentative and will be subject to change as additional applications for positions are made.

Those students whom Bakersfield Junior college will send are Florence Moore, second violin; Elizabeth Behan, viola; and Virginia Daugherty, flute. Compton Junior college will be represented by Willy Kelly, first violin; Ethel Roe Keener, second violin; Maurine Martin, cello; Evan William, bass; and Bruce Le Claire, trombone.

Student musicians from Fullerton J.C. will be Marcelina Arroues, first violin; Nina Hamilton, and Eleanor Wolf, second violin; Thor Walberg, cello; Enid Dunavant, bass; Paul Beatty, flute; and Sylvan Beebower, clarinet.

L.A.J.C. will send Francis Meyer, first violin; Jacob Gyer, second violin; Robert Lowenthal and Harry Rumpfer, viola. From Redlands college will come, Aleatha Parker, cello; James Armstrong, horn; Russell Hathaway, trumpet; Paul Dotsen, first violin.

Students chosen from San Diego State college are Virginia Stubbs, J. Giovannazzi, Keith Collins, first violin; Viola Vogt, Austin Shaw, Gertrude Tyler, Dwight Stanford, Robert Hamilton, second violin; Marjorie Hall and Gladys Fleiss.

## Students Debts Must Be Paid

Word was issued from the office of President Clarence L. Phelps yesterday that all students owing any fees or dues will not be permitted to receive their grades nor allowed to re-register until all debts have been paid.

This notice has been issued before and it was definitely stated that there will be no exceptions to this ruling. The regulation is one issued by the State Board of Education.

These obligations must be met on or before registration day, February 5, according to President Phelps.

## Class Program for New Term Made in Shop

Schedules for classes for the coming semester will be as soon as the print shop is able to run them off, according to Mrs. Hazel Severy, head of the science department. The only new courses to be offered on the campus are a lower division course in verse writing and an upper division course in contemporary verse to be offered by Miss Margaret Burke.

Courses given during the fall semester which will be repeated are as follows: growth and development of the child, educational psychology, introduction to psychology, introduction to education, and secondary education.

New educational courses to be offered this semester are the philosophy of education, education sociology, educational statistics, and junior high school procedure. Others are child study, kindergarten activities, kindergarten crafts.

English courses which are being offered this semester and which were not given in the fall are Milton, the Bible as literature, the modern novel, feature writing, comparative literature, and contemporary verse. Jewelry, costume, interior decoration, poster, art needlework, applied design, toys, applied design and textiles, public school art, life drawing and stage craft, are new art courses.

Home economics courses are advanced textiles, tailoring, serving, gardening demonstration, millinery.

## E. ERICSON ASKS MEN TO ARRANGE PRACTICE HOURS

E. E. Ericson asked all men planning to do practice teaching next semester to arrange their program with him this week. He requests all those not taking practice teaching to postpone their conferences with him until next week. This request was made of the men of the industrial education department at their regular monthly meeting Tuesday morning.

President Eugene Nelson presided and appointed a committee of Dave Larsen, chairman, Herbert Kling, and Barney Casner to arrange the annual page.

The first get-together meeting of next semester has tentatively been set for February 8. Plans call for a dinner with entertainment by a quartette from the CCC camp followed by an interesting talk by George W. McClellan, treasurer of Santa Barbara county.

All men of the department paying their dues will be permitted to attend this dinner free of charge.

## GRADUATE IN HOSPITAL

Sally Leonard a graduate of the kindergarten-primary department here in 1933 and now living in Glendale, was rushed to a Glendale hospital yesterday with an acute attack of appendicitis.

## Pet Reptile Still Missing After Long Hunt on Campus

Recalling the old adage "when the cat's away the mice will play," so it seems "when the owner's away the turtle will play." The owners of this playful turtle are not sure if the hard shelled slow poke is to blame for its sudden disappearance or if the playing can be attributed to the prank of some friendly collegian.

News of the straying of this, the slowest of all animals was reported late Tuesday evening after the owners had left the winner of the famous race alone in a car parked

## Lack of Engagements Causes Cancellation of Annual Band Trip

### Plans Formulated for Musical Groups to Make Several Short Trips; to Visit Bakersfield February 16

Virtual cancellation of this year's band and glee club tour of the San Joaquin valley was the decision reached by President Clarence L. Phelps, Mrs. Helen M. Barnett, head of the music department, and Allan Lambourne, manager of the band, in a meeting held yesterday afternoon in the office of President Phelps.

An insufficient number of bookings to keep the band from running into a large deficit in completing the tour was given as the cause for the action. In accordance with a new ruling effective this semester, Clifford E. Leedy, director of the band and glee club, was notified by both President Phelps and Miss Hazel W. Severy, faculty representative for the student body, that no deficits would be allowed to be incurred.

Earlier in the season bookings had seemed to be exceptionally good, but financial stringencies caused the cancellation of several important engagements. According to Mrs. Barnett, this is the first year since 1928 that the tour has not been held.

Instead of the usual tour lasting approximately a week, the boys will go over to Taft and Bakersfield on February 16 and give their program for the one day only. Several other short trips and engagements were tentatively planned, according to Mr. Leedy. By this arrangement many boys can be taken on the short trips who could not have accompanied the group for the whole tour.

The local Chamber of Commerce made suggestions and tried to help the band overcome their financial handicaps, but their plan was powerless in the face of the amount of the prospective deficit, according to manager Lambourne.

"Bookplates are printed to indicate ownership of books," was the definition Miss Haverland gave her topic.

Continuing her talk she told that the hobby of collecting bookplates began about 1875 and in that 1930 a guide to bookplates was published. This movement soon spread so that there are now national and international bookplate societies.

Although there are some indications of bookplates being used in Babylonian times, the present form is thought to have been originated in Germany in the form of woodcuts about 1490.

Miss Haverland illustrated her talk with numerous bookplates from the collection of Miss Katherine Ball and from the city library. The design of the bookplate has gone through an evolution from heraldry through Jacobean, Chippendale, and allegorical to the present ship and symbolical designs. Paul Revere was an early famous designer of bookplates.

## Report on Condition of Teacher Expected

Edwin Maier, part-time instructor in the industrial education department and student at Santa Barbara State has been confined to his home for the past two days on account of illness.

It is not known at present just how serious Mr. Maier's condition is, but a more definite report is expected from medical heads in a few days.

## Dr. Scanlon Lectures on Roosevelt's Policy

Dr. Ralph Scanlon in his lecture at Recreation Center next Tuesday will use as his subject "President Roosevelt's Momentary Policy." This lecture will be at 4 o'clock.

He is giving a series of eight weekly lectures on current event topics and domestic affairs.

## Art Student's Mother Passes Away at Home

Mrs. Frances W. Rowe, mother of Barbara Rowe, outstanding art student at State, passed away in the family residence 318 West Valerio street Tuesday night following an extended illness.

Mrs. Rowe is survived by her husband E. D. Rowe, her daughter Barbara, and three sisters, Mrs. Caroline Lane-Fox, Mrs. Charles Bairley, and Miss Nellie Welch, all of Santa Barbara.

Funeral services will be celebrated with Mass in the Old Mission Friday at 9:00 o'clock, prayers for the deceased will be said in the Haider chapel on Anapamu street tonight. Any floral offerings are requested to be sent to the chapel. Interment will be in Calvary cemetery.

## Serious Mood Falls on Campus as Final Exams. Draw Near

Red eyes, propped open by determination, are seen sleepily slithering about the campus. The proverbial midnight oil is burned in lamps instead of in "cut-down cuddle-ups." Telephone calls replace evening visits, and a glance must suffice in the place of the usual stroll about the campus.

There is no singing on the quad steps, and even Napoleon, the campus mascot, senses the spirit which has dropped over the campus and refrains from his usual noisy bark.

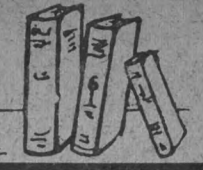

All is quiet. There is a studious appearance about everyone. Bulletin boards are carefully studied. Meals are gulped down by the truly conscientious students who eat with a thick text propped open in front of them.

Typewriters may be heard in nearby rooming houses at all hours of the day and night. Students who have been "going to the library" all semester, really go there.

All in all, these strange actions are obviously caused by that mysterious phrase "exams next week."

### A Temporary Condition

It was indeed a blow to Santa Barbara students to hear that plans for the annual band and glee club tour had fallen through for this year. The yearly band trip has been a part of this institution for so many years that its annual occurrence has been something unshadowed with doubt—something that was as sure to take place as summer is to follow spring.

Several weeks ago representatives of the musical organizations make a trip up the coast and down through the valley, arranging engagements for the trip. The success of their journey seemed assured when they returned to the campus with a full schedule for the band tour.

As time passed, one or two of the institutions, fearing the income from the concert and finding their own budgets hardly pressed, cancelled their musical engagements. In addition to this difficulty, the local musical organization found itself confronted with the new policy adopted by the Associated Students, which does not allow any student department to run a deficit. With the curtailment of funds, plans for the activities of the band and glee club had to be altered.

Not to be daunted by a reversal of conditions, Director Clifford E. Leedy and Manager Bud Lambourne have already made tentative plans for a number of short trips to be made by the musical group. The first one will be made to Bakersfield in the middle of February.

Failure to make the valley trip will indeed prove a great loss to Santa Barbara State. It will be a set back to the members of the band and glee club, who each year look forward with great anticipation to the tour. State college will miss the friendly publicity given the band in the various valley newspapers as the organization makes its visits to the towns and cities on its route.

Let us hope that this arrangement is only temporary and that the valley trips are resumed next year; however, we can rest assured that whatever the new year brings, Director Leedy will be ready to face it with an active program.

### Support Our Basketball Teams

Student interest centers around the basketball game to be played between the State Varsity and their younger brothers, the Jayvees. The funds from the game are to be used for purchasing the sweaters and letters won by the members of the football team.

Due to untold expense and the curtailment of funds at the beginning of the year, the athletic department has found it impossible to set aside the money necessary for purchasing the awards. It has been the policy of Santa Barbara State for a number of years to award its first string football players with letters and sweaters. This is a sign of recognition that the students of this institution cannot fail to give to the men who have labored hours in training, and fought faithfully on the field of battle for the glory of dear old State.

The date is tomorrow, and from all reports the entertainment will be well worth the price of admission. Following the basketball game, there will be an informal dance at Rockwood. Turn out and support this worthy cause and help the students do their part in maintaining the standards and traditions of State.

### E. Ericson Receives Invitation to Speak

An invitation has been accepted by E. E. Ericson, head of the industrial education department, to speak at a meeting of the Santa Barbara County Schoolmasters' club next Monday evening. The meeting will be held at Buellton, beginning with a dinner at 6:30 o'clock at the Buellton hotel.

The topic of Mr. Ericson's talk will be "The Place of Handwork Activities in the Elementary School Program."

### Faculty Relieved of Work on Final Report

Faculty members have been notified by Dr. Elizabeth Bishop that it is no longer necessary to make out the long semester reports that have heretofore been made out at the end of each semester.

This announcement came as the result of a visit to the campus last Tuesday of Dr. Joseph Birgman, director of State Teachers colleges at Sacramento for the State of California. According to Dr. Birgman these reports are no longer required by the state.

Appointments made with Dr. Bishop by members of the faculty for Saturday and Sunday February 4 and 5 in order to check these reports are cancelled.

### Scott Elected Prexy of Sophomore Class

At a meeting of the sophomore class Friday noon in the auditorium officers for the coming semester were elected. Those elected were A. Scott, president; Virginia Fennell, vice-president; Bill Crow, treasurer; and Lois Jo McPeeters, secretary. Other officers are Harry Moore, social chairman; Frank Gilmore, sergeant-at-arms. The meeting was in charge of Al Scott, incumbent president.

A meeting will be held at the beginning of the new semester to organize and discuss plans for the sophomore class day.

### Department Women Visit County Offices

Approximately sixteen kindergarten-primary women from the local campus were guests of Dr. Madeline Veverka, supervisor of curriculum studies from kindergarten to the eighth grade in Los Angeles public schools, Saturday.

The group visited a series of eight offices, supervised by Dr. Veverka, in which was displayed material subject to use by any Los Angeles city school teacher. In the afternoon the women drove to Dr. Veverka's home in Eagle Rock where they were served a Czechoslovakian dinner.

### Follett Demands Payment of Dues

Due to the need for a trailer on the athletic field, all freshmen are urged to tie the proverbial string around their fingers and pay their class dues promptly. It is essential that this trailer be bought before the end of this semester, and all freshmen are urged to cooperate in effecting this bill. Dues may be paid to Margaret Mellinger, Tom Merrill, Don Follett, Betty Roome, and George Smith.

### Teaching Positions Filled by Graduates

That Francis Baril and Eileen Donovan of the elementary education department have secured teaching positions in Santa Barbara was announced by Mrs. Jane Abraham.

Miss Baril, a February graduate, started teaching the fifth grade Monday in Santa Maria while Miss Donovan, a graduate of last June, is teaching in the Jalama school district near Lompoc.

Misses Marguerite Lambert, Helen Butler and Clare Wise have been asked to put in their various applications at various places.

### Advanced Journalism Offered by College

An advanced course in newswriting, English 127, open to upper and lower division students who have had English 27 or 28, will replace English 28 previously scheduled for the spring semester.

The new course is planned to accommodate advanced students who desire additional credit in the field of journalism. Students who have had no previous work in newswriting will not be admitted to the course.

### PRAISE GIVEN TO MUSICAL GROUPS FOR CAMP VISIT

Sixty eight members of the band and men's glee club under the direction of Clifford Leedy went to the San Marcos CCC camp last Wednesday evening and gave a program for the men stationed there. In a letter addressed to the Roadrunner concerning this entertainment, Dr. William H. Ellison, member of the faculty committee in charge of programs, commented on the aptness of the program and the promptness of the entertainers. The letter is as follows:

"As one of the faculty committee responsible for arranging 15 weekly programs at the San Marcos CCC camp I wish to commend Director Cliff Leedy and his 68 band and glee club members for their fine service at the camp last Wednesday evening. For 68 men to be on hand ready to start at the exact time for starting, to have the big army truck sent from the camp all loaded with drums, big horns, chests, music stands, and other goods ready to go; and then arriving at camp to get all set up in crowded quarters and give a program of real merit without a hitch is evidence of excellent discipline and the right spirit. The program was suited to the time and place and was so thoroughly enjoyed by camp officers and men that our boys had a grand time themselves. Thanks to and Dean Lois Benninkvohrst all of you: Director Leedy, band men, and glee club members, for your cooperation, and to Dean Lois Bennink, E. E. Ericson, and Dr. Charles Jacobs for assistance in transportation.

### President C. Phelps Presides at Conclave

President Clarence L. Phelps is to be chairman of the meeting of Phi Delta Kappa, national honorary educational fraternity to be held at Buellton on February 3, at the Buellton hotel.

The subject of the evening will be "New Deals for High Schools." President Phelps will give the main address of the evening. Three counties, San Luis Obispo, Ventura, and Santa Barbara, are to be represented at the meetings. Sixty active members of the fraternity are located in this district. The membership of the national group of educators is about 3,000, according to President Phelps.

### Mrs. Helen Barnett Attends Meet in L. A.

Mrs. Helen M. Barnett, head of the music department, spent Thursday, Friday and Saturday of last week in Los Angeles attending a meeting of the State Curriculum commission.

Mrs. Barnett has just completed the chapter on music for the Intermediate Teacher's Guide to be published soon by the commission. On Thursday evening a point reception was given for the members of the commission and the educational department of U.C.L.A. Mrs. Barnett was featured in several groups of songs and received special comment on one of her own songs called "The Brook."

### Students Must Have Record of English A

"Anyone who has not yet taken an English A examination must have a record of having taken one by next semester. The next examination will be given Saturday morning, February third, in the college library," declared Dean William Ashworth before the Academic department at a meeting held Tuesday morning.

# Varsity and Junior Varsity to Settle Grudge at Flying 'A' Tomorrow

## STATE VARSITY DOWNS CAL-TECH IN FIRST CONFERENCE WIN OF SEASON

### First Stringers Play Flashy Ball to Take Game

STATE 28; CAL-TECH 24.

It was like a manna from heaven when the boys dumped the engineers last Saturday night in the Flying "A".

It was like the fulfillment of an opium dream to see Lebeck and Stockel and Hoffar and Zapf dropping in those points.

It was like the golden rays of a new dawn dissipating the dank fog of conference trouncings to see the intermittent flashes of ball handling and footwork by the Roadrunners.

And it was as disappointing as the blind date who had just eaten onions, to see the meager crowd of students present.

For Coach Hal Davis' varsity five won their first conference basketball fracas since long before we can remember, last week-end.

**Varsity in Play**

The game was not the type that would have won a tournament, but it was entirely satisfactory from the local point of view. There were flashes of speed, accurate passing, fancy floor work, and dexterous basket shooting, but then there were brief exhibitions that causes sideline critics to moan.

The hipster mentor opened with his sophomore squad, which looked about as good as the visiting varsity but which failed to prove it by the scoreboard account. After the first 10 minutes of the opening half had rolled away and found Coach Zediker's boys a few points in front, Coach Davis sent in his first string, which soon evened up the matter and then went ahead. At half time the score was 15-12, favoring the home forces.

**Caltech Rallies**

After the rest period the sophs again opened the battle, but gave way in the last 10 minutes to the varsity. The first string boys were hard put to hold off a last minute rally by the engineers who flashed some fancy shooting in the final moments.

Dauben, running guard for the mechanics, was high point man of the evening with nine points, six of which came from long shots out by the center line. Ralph Stockel took second honors with eight digits.

### Freshmen Lose Tilt to Santa Ynez Squad

It was pretty ragged, but the frosh did show some improvement over past performances, albeit they did lose their game 18-13 to the Santa Ynez Valley five last Saturday night in the Flying "A" in a preliminary conflict. The tilt was slow, shooting was wild, and the score remained surprisingly low until late in the game.

The valley boys seemed lost on the big court during the first of the game and concentrated largely on defense. At the half the score was only 6-5, with the Roadrunner babes momentarily holding the upper hand. Scoring was a little more accurate in the second half, but the invaders rose to their peak in the final quarter when they held Coach Ray Denno's charges scoreless and made six points to capture the fray.

Howard "Rip" Van Winkle showed promise of becoming good varsity material next year. He handles the ball cleverly, and last Saturday was leading scorer for the locals with eight digits. D. Fitzgerald of Santa Ynez was high man of the evening with 11 points.

**Tough Schedule Face Freshmen This Week**

Out to avenge the defeat of last Saturday night, Coach Ray Denno's frosh will take the floor Thursday night against the Antlers. The skirmish will be preliminary to the Olson Swedes-Varsity game, and will start at 7:00 p. m.

Friday night, as a preliminary to the Varsity-Junior Varsity encounter, the Dennomen will take on the strong San Marcos CCC boys.

"The boys will have to look better; they couldn't look worse," admits Denno.

Both games should prove interesting and will show the true strength of the freshman hoopsters.

The starting line-up for the encounter will include: Van Winkle, f; Brimer, rf; Johnston, c; Dorn, lg; and Morris, rg; Nye, Rupp, McLeod, Beigle, Dofoset, Ople, and David will probably see plenty of action before the final whistle blows.

## Bearded Boys Win in Hard Fought Game

With a seriousness of determination that obviously hampered their opponents' customary clowning, Coach Davis' fighting Roadrunners almost singed the beards of those House of David vaudeville trouperes in a basketball game that was won 43-36 by the barnstorming Michigan five last Thursday night in the Flying "A". So determined was the local five, in fact, that the home forces held a sizeable 21-14 lead at the half. In the final frame, however, the bearded boys shook off some of their staleness and romped in ahead at the concluding whistle.

Apparently a bit tired and stale as a result of games night after night, the bearded basketekers from Benton Harbor were decidedly off the brilliant form which they displayed here last year. The Davismen were prompt in seizing their opportunity and quickly ran up a lead that was not overhauled until well into the second half.

Coach Davis used two complete teams, opening each half with his shining sophomores and then injecting his full first string to finish each stanza. The plan worked well and should prove a potent force during the remainder of the season. Adams led the attack for the invaders, scoring 13 points, followed by Johnston with nine. Ralph Stockel was high point man for the Olive and White with eight tallies.

**Large Turnout Seen as Track Year Opens**

With the future looking for a successful track season, Coach Ray Denno announces that practice will start Monday, January 29. Nick Carter, former Occidental College track star will assist Denno in the running events.

The track is being put into condition and should be all ready by the beginning of the new semester. Interest in track has grown to such an extent on the campus that it is expected to draw a large turnout Monday night.

Numerous meets have been scheduled, notable among them is the Long Beach relays to be held on March 3. There will be two or three dual meets with conference teams as well as the All-Conference meet.

The outstanding track men will be sent to the Fresno relays according to Denno.

On April 28, the 4th Annual Santa Barbara Open Track Meet will be held. This meet should attract athletes from various colleges all along the coast. Special events have been added for the junior colleges, colleges and high schools.

Men who are expected to make a showing in track this year are: Tiny Roe, weight man, Bill Crow, hurdles, George Harper, Tiny McCullough, Pat McCullough, "Doc" Kelliher, pole vault, and Willard Livingston, mile.

## BETA SIGS LEAD IN INTRAMURALS

Thumping the H-P basketekers 35-28 last Friday afternoon in the gym to break up a tie in the standings, Bob Stuart's Beta Sigma Chi quintet retained the intramural basketball championship won last year. The fraternity boys during the season won nine games and lost one for a total of 46 points in the intramural points standings.

The loss dropped the H-P boys to second place in the season's standings. They won eight and lost two for a total of 42 points. Tau Omega was third with a record of seven won and three lost for 38 points.

**Game Is Rough**

The championship fray was a rough and tumble affair, four men being ejected on personal fouls. "Doc" Kelliher, intramural manager, was top point man of the contest, scoring 12 points, closely followed by Charlie Lester of the independent team with 11 digits. The score was 16-12 at the half in favor of the winners. Both teams scored heavily in the third period, but it was in the final frame that the Greek letter boys put the tilt on ice, scoring seven points to their opponents' three.

The intramural schedule was divided into two halves, the first of which ended with the Christmas vacation. Going into the second half three teams were tied for first place, with four wins and one loss, Beta Sigs, H-P, and Tau Omega. Beta Sigs who rose triumphant, losing no more games and winning five.

**BETA SIGMA CHI WIN**

In one of the closest games of the season, the Beta Sigma Chi fraternity five nosed out the Methodist Church Collegiates 45-33. The final outcome was in doubt until the last few minutes of the game, when Dornan, fraternity guard went wild in scoring six points.

Johnston, lanky center for the churchmen, was high point scorer for the losers, while Russell and Follett lead the BEX scoring with ten digits apiece.

## Local Squads Prepare for Grudge Fight

With the band playing and the rooting sections cheering, the varsity and the junior varsity basketball teams will take the floor tomorrow night in one of the best grudge battles to be seen in this vicinity in a long while.

From the looks of advance ticket sales, the junior varsity has a strong following, although it has been reported that the varsity followers are buying their tickets on the sly.

Due to the fact that someone stole the masked marvel's mask he refuses to fight, Don and Willard Livingston, however, are all set to take on Dale Dearth and Roy Cosper of the San Marcos CCC at half-time of the grudge tilt. Immediately following the fights there will be the drawing of the door prize, which we might hint, was donated by the sporting department of Ott's.

The State College band, under the direction of Cliff Leedy, will be on hand in full regalia. Barney Jameson will lead yells for the Junior varsity contingent, while Bud Gammill will direct the antics of the varsity following. The blue ticket holders, or varsity backers, will sit on the west side of the court, while the yellow ducat buyers, junior varsity, will sit on the east side.

Tickets must be exchanged at the ticket office for numbered tickets. The numbered tickets will be torn in half, one half being deposited in the drawing box and the other half being retained by the buyer.

## INVASION BY OLSON'S SWEDES WILL BE CHALLENGED BY STATE TONIGHT

### Junior Varsity Wins From Local Quintet

Led by "Buppy" Moore, who rang up 17 digits, the Junior Varsity boys romped to a win over the Young Democrats last night by a score of 46-24 in an open league encounter.

In their first meeting, the Young Democrats nosed out the Jayvee boys, but the Killianites avenged the defeat in full in last night's fracas. The Junior Varsity showed great improvement over their showing of Monday night.

Coach Harry Killian has worked hard in bringing the boys around into shape, and is now satisfied that his team is in a position to clean up the rest of the games. The offense clicked to perfection in last night's go, with a pair of deadeyed forwards connecting with the hoop time and time again.

Bill Morrissey, star guard of the Killianites, came through with 11 tallies to follow Moore for scoring honors. Pensinger and Treloar connected for 10 points apiece.

### Local Boxers Ready for C. C. C. Pugilists

One of the features of the varsity-junior varsity grudge tilt tomorrow night will be the three boxing bouts to be held between halves: Willard Livingston, who was intra-mural champion of his weight last year, will take on the middle-weight champion of the San Marcos CCC camp in the feature bout of the evening.

Livingston has been training diligently for the past few weeks, and reports that he is in good condition for the fight. He has been in the boxing game for ten years, getting his start in Taft, where he won several amateur boxing tournaments.

Livingston says, "I'll do the best I can to put on a good flashy bout for three rounds."

In the curtain-raiser, Don Livingston will mix with another champion from the CCC ranks. Livingston is an ardent student of the boxing and pugilistic sport. He has picked up most of his boxing technique by observation. Livingston is a left-hander, but he boxes right-handed, which gives him a whirlwind left. He is in the pink of condition and raring to go.

The bouts will be for three rounds apiece.

### Tricky Passes Cause Difficulties for Local Squad

Led by Ole Olson, famous back-hand passer, Olson's Terrible Swedes will give a performance long to be remembered by local basketball enthusiasts when they meet Coach Hal Davis' varsity at 8:00 p. m. tonight at the Flying "A" gym.

What with their far-famed frog dribble and whirlwind passing attack, the Swedes should provide plenty of entertainment for the crowd. Olson's trickiest shot is one in which he bats the ball through the net with his head. His bewildering passing should cause the Davismen plenty of worry before the final whistle is blown.

**Crack Players**

Wayne Howdysell, former All-Kansas ace and one of the best guards in basketball will open at one of the guard posts for the Swedes, while Ed Grant, high scoring guard, will hold down the other guard position. Playing his fifth season with the Swedes, "Dutch" Richardson, All-American from Franklin college, will perform at forward with Olson. Gus Babb, a good vaudeville performer on the hardwood courts will open at center.

**Popular Team**

During the last basketball season, the Swedes dropped only one game out of 120. They were beaten by the University of Alabama, whom they later beat in a return engagement. In 13 years of performing, the barnstormers have played before 1,000,000 basketball fans, and in one season received 2,300 applications for games. Each player holds an A.A.U. card, and is known for his individual play.

The Roadrunners anticipated a tougher game than that against the bearded boys from the House of David last week, and Davis will probably use his first combination to open the game. The sophomore quintet will see plenty of action before the evening's entertainment is over, however.

Coach Ray Denno's frosh will play the Antlers five in a preliminary game at 7 o'clock.

**PLEDGES INITIATED**

James Lebeck, Richard W. Jackson and William Pensinger will be initiated into Alpha Phi Omega, national scouting fraternity at their meeting in the college dining hall. Dinner will be served following the initiation.

Old Maps Shown in Library Case by Dr. Ganzert

Fac-similes of two old maps which are now on exhibit in the library form part of a collection of such maps belonging to Dr. Frederick Ganzert of the social science department. This collection was presented to Dr. Ganzert at the time he was studying in Brazil by authority of Dr. Afranio de Mello Franco, then Brazilian Minister of Foreign Affairs.

The originals of these maps are now in the archives of the Ministry of Foreign Affairs in Rio de Janeiro, Brazil.

Dr. Ganzert explained that the small map by Hieronimi Marini is the first map of the world on which the word "Brasil" appears to designate the country. The use of an "s" in the spelling on this map is the basis for the contention of many Brazilians that the name of their country should rightfully be written "Brasil."

The other exhibit, a book map, is a copy of the atlas submitted by Brazil to the Swiss Federal Council as evidence in the Brazilian claim to what is now Brazilian Guiana. The original collection, according to Dr. Ganzert, was made in Europe by the Baron de Rio Branco, then counsel for the Brazilian government, who later became one of Brazil's most outstanding foreign ministers.
