

# 1986-87 ISLA VISTA APARTMENT LIST

PROVIDED BY THE  
COMMUNITY  
HOUSING OFFICE  
Building 434 • 961-4371

## Where to begin . . .

The Community Housing Office presents this Isla Vista Apartment List for your information and guidance in your search for fall housing. At the time of this publication there is no way to determine which of these apartments are still available because of "squatters rights," but as the landlords/owners update our information we will adjust our UPDATE LIST in the Community Housing Office for your reference.

In addition to the list, the Community Housing Office has listings on our bulletin boards covering the Ellwood Beach/Goleta/Santa Barbara areas for roommates wanted, apartments, houses and exchange positions. There are listings here as well for roommates wanted to share housing in Isla Vista. Although the Community Housing Office makes every effort to include as many I.V. apartments as possible in this list, many owners/managers do not provide the CHO with information regarding their units; therefore, this list does not contain all the apartments available to students in Isla Vista. Students are encouraged to use these listings as a starting point and as a reference in their search for an apartment; the CHO listing board, newspapers and word of mouth are other good sources of information for the apartment hunter.

Read this supplement and plan your housing strategy BEFORE beginning your search. Be selective, ask questions and get all the facts before you sign anything.

Come to the Community Housing Office, Bldg. 434, or phone 961-4371. We're here to help you.

**Good luck!**

## Tips for apartment hunting . . .

- Study the CHO Isla Vista Apartment List in this supplement. Be flexible — consider ALL your options.
- Decide where you want to live and investigate the area. Don't panic — housing's not so tight that you have to settle for just anything.
- Visit the apartments you think suit your needs as well as your budget. Ask current tenants about their rental experiences with the landlord/management company.
- Decide what size apartment you will need. Do you plan to share your apartment? If so, decide on the number of your roommates... and list with us if you need a roommate. Hint: your best friend may not make the best roommate.
- When you decide on an apartment, check the terms of the lease. Is it a 12-month lease? A 9-month lease? Month-to-month? Does it provide subleasing privileges?

## Read on . . .

- **12 MONTH LEASE** — It is the most common lease and commitment is for 12 FULL MONTHS. You may have to sublet during the summer if you expect to be here only during the academic year; be sure you have subleasing privileges. The advantage of this lease is that your rent cannot be increased for this period of time. It usually runs from late June to late June.
- **9 MONTH LEASE** — Price and length of stay is firmly committed but there are very few 9-month leases in Isla Vista. This lease usually begins in September and ends in June
- **MONTH-to-MONTH LEASE** — You or the landlord can terminate with a 30-day notice. This may be the best way to go for graduate students or those planning to transfer to another school before completion of the academic year. Also, if you can't find what you want now, this is a good option for you and late comers to consider.

## . . . and on . . .

- **DEPOSITS** — Most lease/agreements require some type of deposit. In I.V. you can expect a security/damage deposit of approximately \$200-\$300 per person.
- **RENTS** — You can expect to pay first and last month's rents prior to moving into an apartment. Generally, gas and electricity are not included in rent nor are telephone and cable T.V. You will need a lot of "up front" money.
- **GUESTS/PETS** — Check your lease to see whether or not there are restrictions.
- **. . . and on . . .**
- Get landlord/management company promises **IN WRITING** in the lease.
- **READ YOUR LEASE** . . . remember, you are making a commitment not signing an autograph! If you don't understand it, don't sign it . . . come see us!
