### LIBRARIANS TO MEET HERE

About 100 librarians will gather on the campus for a University Extension sponsored conference on "Written and Oral Library Reporting," scheduled July 20-23.

### TO HAVE GRADES MAILED

All persons attending summer session may obtain their grades by leaving a stamped, self-addressed envelope in the box provided for that purpose in the Registrar's Office, bldg. 403, side entrance. There will also be a box for this purpose placed outside the Graduate Manager's Office, bldg. 477, room 102. Please include 4¢ postage due to postal change Aug. 1.

### NATURE STUDY INSTITUTE FOLLOWS SUMMER SESSION ON AUG. 4-16

You can extend your summer study program another two weeks by enrolling in the enjoyable outdoor field classes of the Institute of Nature Study and Conservation, to be given in Santa Barbara Aug. 4-16, sponsored by University of California Extension.

Two semester units of upper division credit in biological science will be granted for the course. No previous experience or training is necessary.

With headquarters at the Santa Barbara Museum of Natural History, field classes will be given in seashore life, native birds, astronomy, native plants, rocks and minerals, organisms and their environment, conservation and elementary science methods.

Faculty scientists on the staff come from UC, Cal Poly, and the Museum and Botanic Garden. The fee for the two-week program is \$35 and must be paid by Aug. 1.

Further information and enrollment forms are available at the UC Extension Office, 129 E. Carrillo St., Santa Barbara, phone 2-9118.

### SUMMER WHIRL DANCE ON FRIDAY

A student and faculty dance will be given in the Faculty Club "X" room on Friday at 8:30 p.m. The Faculty Club is the building right on the corner of the campus, towards the airline terminal (northeast corner, if that helps). This is a date or non-date affair and informal. Hope to see you there.

### FOOTBALL'S THE THING

If you've been puzzled about overhearing conversations on "side saddle T," "blocking patterns" and "defensive tactics," don't worry about it.

You see, the first annual All-American Football Clinic has been in session on the campus with over 200 coaches from throughout the west participating. Some of the big names who have been on the teaching staff are Terry Brennan, Notre Dame; Jack Curtice, Stanford; Don Clark, SC; Paul Bryant, Alabama; and others. The clinic closes today.

### APPLICATIONS FOR READMISSION REINSTATEMENT

Students who are under disqualification from Santa Barbara College and who expect to make Application for Readmission Reinstatement for the Fall 1958 semester, must do so at the Registrar's Office, no later than Friday, July 25, or their situation will not be reviewed by the Committee on Reinstatement.

It is also essential for such students to have a conference with their respective Personnel Deans, in the Dean of Students Office, before their case can be presented to the Committee on Reinstatement.

### ADULT EDUCATION WORKSHOP

Adult education leaders from throughout the state will come to Santa Barbara on July 18 to open a week's workshop in this field, based on the theme, "Adult Education--A Community Enterprise." Stanley E. Swarder, Chief of the Bureau of Adult Education, State Department of Education, is coordinator of the activity.

### CORRECTION IN CHORAL SESSION TIME

Students are invited to join the choral group which meets daily at 12 noon, not 12:50 as announced last week in El Gauchito. Dorothy Westra, assistant professor of music, will conduct the sessions from 12 to 12:50 in the Choral Room of the Music Building in preparation for a concert on Wednesday, July 30. All would-be, are, or have-been vocalists are asked to attend.

### ALL-DAY FISHING TRIP

Six have signed up for the all-day fishing trip on Saturday, July 19. Why don't you join them?

The cost is \$7.50 for the day, leaving at 6:30 a.m. from Goleta Pier. Make your reservations by today, Thursday, at the Graduate Manager's Office. Bait is furnished and you can rent tackle.
