Devising plans for the remainder of this semester and forming plans for next year was the work of the newly formed Public Relations committee, which met Tuesday evening in the home of Florence Longawa, Roger Casler, chairman of the committee, presided, while the members, Miss Longawa, and Jack Porter, attended.

Present College Begins Career as 'Cooking School' for Girls

By DORIS COKER

With the founding of a "Cooking School" in 1891 by Miss Anna S. C. Blake the present Santa Barbara State Teachers' college had its start. Miss Blake at that time equipped a large room in the Hollister building on the corner of State and Haley streets and offered courses in cooking and sewing to grammar school girls.

Student control of all student affairs was organized in 1913. On June 24, 1918 President Clarence L. Phelps present president of the college, was made head of the institution, upon the resignation of Frank H. Ball, who was forced to resign after a year and a half of active service because of poor health. He was the father of Miss Katharine Ball, college librarian.

Local Women to Compete in Glee Contest

Twenty-nine members chosen from the Women's Glee club through competitive tryouts, will go to Los Angeles on Saturday to compete in the Annual Pacific Southwest Intercollegiate Glee club contest.

HYLTON LEADS AT SENIOR MEET IN DINING ROOM

A senior breakfast will be held Wednesday, March 21 at 7 a. m. in the main dining room of Ebbets hall. Paul Hylton, class president will preside.

Founder's Day

On Saturday, March 17, Santa Barbara State college will celebrate its 25th anniversary. The college was first founded in 1909 as a manual arts and home economics normal school, under the able direction of Mrs. Ednah Rich Morse. Its first location was in the Blake Memorial building of the public schools of Santa Barbara. In 1913 the first buildings on the present site were completed and the college moved from its downtown location to the Riviera campus.

Since 1913 as the enrollment and demands on the college have increased, numerous additions have been made to the campus. In 1919 three additional buildings were added to the original "Quad" and shops on the grounds. These structures were to accommodate classes in art, music, and physical education. The next major improvement to be made on the site came in 1927 when Ebbets hall was constructed, equipping the campus with one of the most modern home economic buildings in the state. The following year the new administration building was completed. This graceful structure furnished State college with an up-to-date auditorium and library and adequate administrative and private office facilities.

As Santa Barbara State college has grown in structural size, so has it expanded in student enrollment and in the number of courses it offers. When this institution first opened, the Santa Barbara State Normal School of Manual Arts and Home Economics (as it was then known) had an enrollment of around one-hundred students. At the last enrollment, Santa Barbara State enrolled around seven hundred students. It now has a number of complete departments offering B.A. degrees and credentials to teach in the state. These departments include: industrial education, home economics, physical education, art, English, education, junior high, elementary and kindergarten. There are also subjects given in science, music, mathematics, and foreign languages.

Keeping pace with its improvement record, State college in its 25th year is contemplating to begin construction work on the newly acquired 46 acre campus site, located on the Mesa above a 20-acre ocean beach. Realizing that the college had outgrown its present grounds, President Clarence L. Phelps some time ago took advantage of the opportunity to purchase the new beach site. Academically, the college is expanding in a number of departments. The latest expansion is being made in the music department, which promises to soon offer courses leading to the B.A. degree and teaching credentials. Santa Barbara State college is a progressive school in every respect, and although it is 25 years old it realizes that it is still a young institution and has many new roads to travel over.

Santa Barbara State college is greatly indebted to Mr. William Wyles, founder and chief donor of the Lincoln library the latest addition to our campus. Mr. Wyles has made a great contribution to our institution. The library is a real service to college students and the townspeople. It has attracted attention far and wide. We find it fitting to honor you at our 25th anniversary celebration.

We welcome back to our campus Mrs. Ednah Rich Morse, who had the foresight and confidence to organize the first Santa Barbara State college. We hope that our progress for the past 25 years has fulfilled the ideals and ambitions she had made for her school.

The Parking Problem

Instructors having classes in the west side of the main building have for a long time endured having their lectures disturbed by the noise of cars leaving the parking spaces, and by the conversation of students who congregate in the parked cars. As a matter of courtesy to the instructors and from the viewpoint of administrative efficiency classes should not be distracted in this manner.

Several possible solutions to the problem have been suggested by the committee which was appointed at the last meeting of the student executive council to investigate the situation.

The parking spaces near rooms 42-45 could be reserved for the faculty use. This would utilize the same amount of room on the campus for parking, but the faculty cars would be leaving the campus less often and possibly with less noise. At the same time the problem of classes being disturbed by the conversation of groups gathered in cars would be removed.

While this seems to be the best solution of the problem, if for any reason it should not be advisable, possibly changing the entrance to the campus would help. The chief complaint is from the noise of cars starting up the hill in a noisy low or second gear. By reversing the entrance and exit, such noisy take-offs would be largely eliminated.

Another suggestion would be to have no parking at all in this zone. To make up for the space not used, the entrance and exit to the parking lot behind the main building could be improved by the students working for Federal Employment. plan. This lot could be made into a serviceable parking space.

Of course, parking on the campus could be entirely prohibited. Students at many schools have to walk several blocks to and from the available parking places. On this campus such a move should not be necessary. A slight shifting of the existing arrangement with the cooperation of the students can effectively correct the situation. —C.M.G.

PRESIDENTS HOLD MONTHLY MEET ON LOCAL CAMPUS

(Continued from Page 1)
dents association will give a brief talk.

In the evening after the completion of the Founder's Day celebration the presidents will hold their meeting and dinner at 6:00 o'clock in the dining room in Ebbets hall. Important business concerning the symposium, when and where it will be held and who the main speaker will be, is to be discussed. The election of a new president is also to be discussed since Sidney Wall's term ends at this meeting. Last year the speaker at the annual convocation was Professor Albert Einstein, who discussed his theories of relativity.

The meeting will adjourn to the twenty-fifth anniversary dance that is to be held at Rockwood.

Due to the long distance between the Southern California colleges and Santa Barbara State this is the first meeting to be held here since James Kent's administration in 1931 and 1932.

Those remaining over Sunday will attend a barbecue picnic at Paradise camp.

New Members Picked by Local Journalists

At a meeting held on Tuesday evening by Alpha Phi Gamma national honorary journalistic fraternity, decision was made to extend bids to nine members of the student body.

Under a new ruling made by the National Executive committee, local chapters are to be allowed to take in associate members who have worked on campus publications but are special students. These members are allowed all privileges of membership but are denied a vote.

Bids were extended to Marjorie Williams, Dave Larsen, Miriam Firkins, Clarke George, Fredric Hendrixson, Merle McGowen and Yale Lorden. Associate bids were given to Jack Porter and Della Haverland.

Members and Guests Picnic at Gaviota

Members and pledges of Tau Omega social fraternity and their guests will participate in an annual spring picnic in honor of the spring semester pledges to be held Sunday, March 18, at Gaviota beach about 38 miles north on the Coast highway.

March 18 was selected as the date for the annual picnic in view of the fact that a goodly number of alumni members of the fraternity will be in Santa Barbara on Saturday to join in the celebration of the 25th anniversary of the founding of the college, and who will also desire to be with the fraternity for a social good time on Sunday.

Donations Needed for Decorations

All students who are willing to contribute fruit, flowers, or vegetables for decorations for the Founders' Day luncheon are asked to leave them at the dining hall on Friday afternoon. These must be marked "for decorating committee". The list of things requested by Mrs. Jane Miller Abraham, general chairman for Founders' Day, are as follows: flowers, fruit, vegetables, small gourds, artichokes and blossoms, and singing birds.

The LONGBOW

By A. R. O.

Our biggest problem at the moment is to find someone who can speak Icelandic, or is it Icelandic? A correspondent of ours in Reykjavik has sent us a magazine written in the native language. We feel honored, but also a bit helpless. For instance, what would you do if someone dropped such words as "klukkustund," "likansaeingarnar," or "fjelagsskapur" in your lap? Yes, Egbert, you would stand up. Any confident linguist willing to tackle the problem will be given due honor and reception.

We have never yet found anyone who disliked old Omar Khayyam's magnificent poetry as translated by Edward Fitzgerald. It is among our favorite and frequent delights to take the hand of Euterpe and romp through the wining or linger through the melancholy of old Omar. Never was temptation held out to youth more beautifully than in this quatrain:
Come, fill the cup, and in the fire of Spring
Your Winter-garment of repentance fling;
The bird of Time has but a little way
To flutter—and the bird is on the wing.

We are sorry to learn that some of the faculty members have remonstrated with Dr. Maxwell for mentioning James Joyce's "Ulysses" in his modern novel class. A book that has been judged by competent critics as one of the most significant novels written so far this century should be as widely read as is possible. We feel that amazingly frank books, even one like "Ulysses," won't injure any one of our morals. The mere fact of trying to suppress it will only make it the more popular.

Speaking of Joyce, it might not be amiss to say a word about this remarkable man. He is Irish. His mother wanted him to be a priest, but he refused. He took up singing and he sung on the stage with John McCormack. He has studied medicine and has been a teacher, and he can speak with ease French, German, Gaelic, Saxon, Latin, Greek, Spanish, Portuguese, and Italian, and read and understand the Slavic. We blush a little to think of that "C" for which we struggled so hard in French!

There is nothing more amusing, but at the same time pitiful, than a helpless man in a woman's power. As the quiet and casual observer perched on a quad bench we have had occasion to notice some of our attractive co-eds in action and are induced to quote one of our favorite poems, "The Time I've Lost in Wooing" by Thomas Moore, the first stanza of which is:
The time I've lost in wooing,
In watching and pursuing,
The light, that lies
In woman's eyes,
Has been my heart's undoing.
Tho' wisdom oft has sought me,
My only books
Were woman's looks,
And folly's all they've taught me.

69 EMPLOYED IN EMERGENCY WORK

(Continued from Page 1)
sisted by S. O. Werner, representative from the faculty; Marcus Craven, president of the Associated Student Body, Betty Hopkins, president of the Associated Women Students, and Dean Lois M. Bennink. Fred Allred, student body controller, will direct the work of the men employed about the buildings and grounds. An effort is being made to have the grounds cleaned up and put in condition for the Founder's Day celebration.

When the committee first began making arrangements, it was thought that a certain percentage of the students employed would have to be new students, but later this qualification was dropped. The committee discouraged new students from registering as they would have difficulty in making up the back work. However, a few new students were accepted.

Some students who applied could not be given work because they were already on the state payroll. Also a few students were refused employment because of low scholarship averages.

Dr. Jacobs wishes to thank the members of his committee for their prompt response and their sincere effort.

Alumnae Group Gives Members Bridge Party

Honoring the pledges of the active chapter of Delta Zeta Delta, the alumnae association of the sorority entertained with a St. Patrick's bridge party on Monday evening in the home of the president, Ester Janssens Ludeke.

Beta chapter of Ventura sent a most interesting written report through their secretary concerning their social affairs and their interest in social welfare work in Santa Paula.

Final plans were formulated for the issuing of the alumnae magazine "Delta Data," which will be distributed in April as well as the annual summer fashion show which is to be held at the Biltmore hotel next month.

Reservations were taken by Miss Julia Lynch for sorority members attending the Founder's Day celebration at State college on Saturday.

The honor guests for the evening were Miss Marjorie McKee, Lita Boeseke, Lillian Talbot, Katherine Cornwall, Helen Shepherd, Myrtle Holt, Peggy Helm and Mary Lee Townsend.

Junior Takes Pledge to Sigma Alpha Frat

Pledging of Richard Griffiths, junior student at Santa Barbara State college, featured the activities of Sigma Alpha Kappa social fraternity Monday evening at the fraternity house on Prospect avenue.

Griffiths was the last student to be pledged by the group this semester. Ten other students have become pledges to Sigma Alpha Kappa.

A report on the picnic held last Sunday at John Westwick's cabin at Paradise camp was read.

Mamie Miller and Irene Clow, the sweethearts of the administration building have feasted on our grand sirloin recently! No wonder they are always in the best of humor.

Fritz "Toad" Muegenburg didn't do so bad last evening. Ask Margaret Beddome the details.

We hear "Slip Stick Louie," alias Fritz Zapf, is making great headway in his new role as a surveyor. He's a boss already.

Our place must be an institution. He desired his education here. He also comprised State's routing section at Santa Maria last Saturday.

The campus has a new menace—cake stealing! A new fear crept into the hearts of the fraternities when it was learned that a certain fraternity has had its cake stolen, but its the rock pile for some of you mugs—their consciences won't the battle and did they confess!

And our dear little sophs—What no class day! No class spirit! No president officio! No class meetings! Tsk, tsk, they really ought to advertise . . . and let us know we have 'em. Or perhaps they do—at least the gals "Roar with Gilmore."

Who was the gal that Don Coker took rowing around the breakwater some Saturday night? Her name is something like this—Lo's J-e Mick Pheeters.

Too bad—too bad—our fair golden haired co-ed crooner will not glorify the American stage during the forth coming "Roadrunner Review." "Bup" Moore knows she will steal the show from him, and therefore won't give her an act. Now that's what I call professional jealousy and HOW!! You might take a tip "Bup" and realize that she is the box-office attraction . . . Anyhow what's a couple of hicks doing running a musical show?

What was Fern Johnson doing on Western avenue, in Los Angeles so early Sunday morn'g?

Mary Sackridier is showing (Hime) Jim Thompson around or vice versa.

"Humpty" Homfeld is still raving about his symphony date that he showed the view from the Mesa. . . . It must have been the gal from San Diego by the name of Peg Kendall.

W.A.A. Will Be Hosts to Western Delegates

The Western sectional conference of the Athletic Federation of college delegates will convene in Santa Barbara April 5, 6, and 7 as guests of the W.A.A. Delegates will be sent from universities, colleges, and junior colleges in the states of Arizona, Montana, Oregon, Washington, California, Idaho, Nevada, Utah, and Wyoming.

The Summark hotel has been selected for conference headquarters. Notable speakers have accepted invitations to speak during the conference among whom are N. P. Neilson, chief of division of health and physical education of the state of California, Miss Esther Ansel, national scout councillor, Miss Marguerite Schwary, national secretary of A.F.C.W. and Dr. Elizabeth L. Bishop.

Alumni Compliment Pledges

Alumnae members of Tau Gamma Sigma, social sorority complimented the sorority pledges at a bridge tea in the Biltmore hotel lounge, Saturday afternoon. Tea was served in the patio.

Honored guests included Betty Roome, Isabel Ferguson, Sue Knox, Faith Holm, Marjorie Cadwell, Marguerite, Hansen, Connie Cheever, and Helen Mattson. Active-members there were Betty Roulston, president, Barbara Clark, Dorothy Dowling, Mercedes Berger, Esther Ibsen, Lois Jo McPheeters, and Marjorie Williams.

Hostesses for the affair were Mrs. Madelyn Wilhoit, Mrs. Margaret Smith, Mrs. Margaret Cutler of Compton, Mrs. Ann Van Horn, Helen Honigsberger, Marlayn Jameson, Anita Cochran, Thelma Kent, Fay Munger, and Cecelia Hauser.

Service Organization Serves at High Tea

Plans were made at a meeting on Tuesday in the Women's club room for Las Espuelas to take an active part in the Founder's Day program on Saturday. They will arrange for decorations for Ebbets hall and will provide ushers for the afternoon program in the auditorium. The girls will serve at high tea and at any other project planned for Founder's Day, according to Betty Hopkins, A.W.S. president.

At the meeting on Tuesday five new members were elected to the club. Newly elected girls are Edith Hawks, Lois Jo McPheeters, Betty Roulston, Merle McGowen, and Shirley Warner. Old members are Mary Bigland, Ruth Carter, Helen Hearn, Catherine Hacking, Evelyn Brown, Elizabeth Leonard, Mary Lee Townsend, Marjorie Williams, Virginia Fennell, and Carol Zerby.

Phi Kaps Arrange Theatre Party

A theatre party held at the Club Chico of the Fox-Arlington theatre, Wednesday evening by members of Phi Kappa Gamma, social sorority, was discussed at the meeting of the sorority Tuesday evening, March 6, at its club house at Chapala and Solo streets. Other social activities were planned.

Active members present were Kay Myers, president, and Kay Gaines; Virginia Allred, Catherine Coy, Helen Cooley, Genevieve Moore, Mildred Wright, and Doris Stanley were alumnae members there. Pledges attending were Phyllis Badger, Marian Call, Marion Ek, Rosemary Habecker, Carolyn Hofer, Lois Lamb, and Mary Melano.

Alpha Thets Arrange for Dinner Dance

Alpha Theta Chi held its regular meeting at the home of Connie and Clare Wise, Monday evening, March 12. A dinner dance to be held in May and other social events were discussed. The pledges furnished the entertainment for the evening.

Members present were Ellen Voss, Eva Miratti, Margaret Keelley, Esther Funk, Jewel Stevens, Iris Cooley, Mary Erickson, Ruth Carter, Connie Wise, and Clare Wise. Pledges present were Mary Bell, Genevieve Jones, Margaret Walker, Catherine Westaway, Catherine Hacking, Dorothy Weber, Mary Alice Erickson, Virginia Fennell, Madge Bunch, and Peggy Koeppe.

Student Announces Engagement

Word has been received of the announcement of the engagement of Miss Marybelle Bowie and Virgil Harold Gillum, former State college student.

Miss Bowie is the daughter of Mr. and Mrs. Walter B. Bowie of Los Angeles. She is a senior at Occidental college and president of Beta Phi Delta sorority.

Virgil Gillum attended State three years ago. He is a graduate of Carpinteria high school and graduated from Occidental last June. He is the son of Mr. and Mrs. Nathan S. Gillum of Summerland.

Beta Sigs Entertain Pledges With Picnic

Active members of Beta Sigma Chi, local social fraternity will honor their new pledges and guests at a picnic to be held Sunday, March 18, at Paradise camp, in the Santa Ynez valley.

Members of the Southern California Student Body, Presidents association, who are to be in Santa Barbara for their monthly meeting, are to be the guests of Marcus Cravens.

Club Members Dance at Mar Monte

Gathering at the Mar Monte hotel Saturday evening at 9 o'clock, members of Pu Ko How, Gnome, and Hui Eleu, social clubs, and their guests staged the first inter-club dance. Semi-formal attire was in order.

Approximately 53 couples attended the affair. The music for the dancing was furnished by Douglas Hoag and his orchestra. Patrons and patronesses were Mr. and Mrs. Byron Abraham, and Mr. and Mrs. Henry Beard.

Committee chairmen for the dance were Irene Parker, general chairman; Josephine Newstetter, tickets; Pearl Smead, doorman; and Irene Parker, programs.

Gamma Delta Chi Honors Pledges

Honoring its pledges, Gamma Delta Chi, social sorority, will give a sport dance tomorrow evening at 8:30 o'clock in the Southern Counties Gas company auditorium. Harry Johnson's orchestra will furnish the music.

Those who will be honored are Wyllys Anderson, Marguerite Audureau, Peggy Brest, Irene Elliott, Margaret Holden, Wandalyne Linker, and Lucille Rankin.

H.E. Sponsors Noon Dance in Cafe

Another noon dance was sponsored by the home economics department on Wednesday noon in the college cafeteria. This is to be a weekly occurrence hereafter and all students are invited to attend.

The committee in charge of these dances is Jessie Le Baron, Elsie Eckhoff, Madge Bunch, Esther Funk, Beth Briggs, and Esther Yearout.

BREAKFAST AT OUTING CLUB

A steak breakfast to be held Sunday at the Outing club was the topic of discussion at a meeting of Hui Eleu, social club, held Tuesday evening at the home of Rosemary Habecker, 123 West Valerio street. Only members of the club will attend the bake.

The College Widow

By THE WIDOW

Just came from the assembly, nice band this CWA has . . . we've heard so much about this CWA thing . . . now we know what it is. The pianist is a brother of some body's aunt it seems, which makes it all the more close to home. Incidentally, will someone tell Keith, Crow, and others that they aren't in junior high anymore, or should we have the faculty patrol the aisles?

Such lovely weather, such balmy nights, such Heaven on the break-water!!!! They are each a pledge to something-or-ohre, this Barney Jameson the Frances Saylor, cute couple but something really should be done about it before these children get serious . . . also the Poor situation . . . Then there is Warren Rouse getting along quite well with one Eva with a queer last name, notes in history class, etc. ya know how it is . . . Lois Lamb and Don Watson, too . . . ask them about last Saturday night.

We're thinking about it, here are some things we could get along without: A certain party who can whistle in double notes in the gardens of the quad.

Last year's love who starts hanging around just as we are making good progress with this year's.

People who alternate semesters at S.B.S.C. and larger institutions, making up grade points here so a good time can be had next semester at said larger institutions.

People who rouge their eyelids: Dirty gym floors. Those who talk with affected accents, most objectionable are English and southern.

And things we can't do without: Mountain cabins. Spring weather in the Spring, (watch it turn cold before Thursday).

Mrs. Abraham. Our music department. Has anyone heard about Pat M. losing his frat pin???? 'Tis interesting.

That inter-club organization is running the Pan-Hel a merry second, that's what those popular guys who get invites to both events tell us.

This week's advice, "Be Good and You'll Be Lonely."

Dance Given at Rockwood Founder's Day

In culmination of the Founder's Day celebration on the campus Saturday, State college students will be hosts to alumni and townsmen at the reception and dance at Rockwood Inn from 8:30 to 12:00 o'clock.

President and Mrs. Clarence L. Phelps, Dr. and Mrs. Charles L. Jacobs, Dean and Mrs. William Ashworth, Mr. and Mrs. Byron Abraham, student body heads and the faculty will form the reception line from 8:30 to 9:00 o'clock. Following the reception there will be dancing to Bud Lambourne's orchestra. Card tables will be placed in Sycamore Hall and on the dais of the dance floor for those who wish to play cards.

St. Patrick's Day will be the theme for the decorations under the direction of Mercedes Berger, head of the social committee, Miss Berger has appointed Howard Bush as decorations chairman, and the social committee is to work with him.

Many alumni have accepted invitations to attend the Founder's Day celebration and it is expected that many of them will be present at the dance to greet the faculty, old classmates, and active students.

It has been understood by many that the baseball team is to practice in Phelps' field, however, up to this date not a practice has been held there. The boys hitch-hike over to the old stamping grounds, Pershing Park, for their practice just because the weeds are so high in the canyon field that the pitcher couldn't see the batsman to pitch a ball to. Much time is wasted as well as gas and morale in traveling across town just to practice when a good field built for the purpose is much nearer the college.

Coach Ray Denno should be credited with the development of the track field. Working against odds, in that the field is very bumpy and the soil very poor for tracksteers he has really accomplished a feat. Of course he has had help, but without his tireless work day after day State college could not boast of the field it has today.

Did you notice those men cutting and digging around the State College buildings? This should be recommended for athletes as it is good training for the coming seasons. How about it, some of you strong men of State; Don Watson is already in training.

A real fellow that many of the State students never see is Nick Carter, one of the track coaches. He is out there every night showing the boys how to do it. More power to you Nick.

Those track men are off for a good season. After swamping the Loyola track starts the local cinder men are more enthused than ever. Never before has such spirit been shown here and let us hope that it never ceases.

Swell weather we're having. Swimming has become the outstanding sport of the week. I saw three girls walk into assembly late the other day all the better to show off the sun tans which their loutbacked dresses well exhibited.

In keeping with springtime the natural dancing classes come into their own. The cheesecloth costumes which they must don are much more in keeping with sunny weather than with rain. Strolling in on one last week I saw Helen Grady in blue, Virginia Slicton in green and Marvina Jones in brown flitting by.

Volleyball season is in full swing. Captains for each team are freshmen—Dorothy Taylor, sophomore—Frances Waring, junior (1) Jerry Slayton, junior (2) Lucille Gaudin, senior—Fern Johnson. The seniors lost two games last week, losing to the freshmen 29 to 19 and to the juniors (1) 43 to 38. The junior (2) and freshmen tied 31-31.

Tennis games are still being played off in the ladder tournament. Olive De Motte, Loraine Koehly, and Jerry Slayton head the ladder. And what is this rumor that Jewel Stevens and Margaret Keeley are extremely interested in their tennis games?

Dorn Wins Mile Run in Intramural Track

Intramural track was slowed up considerably this week due to intercollegiate track meets, both last week end with Loyola University and next week end with Santa Maria Junior college.

Tuesday afternoon the mile was won by Leonard Dorn, BEX, in five minutes, six seconds. Dorn followed the field the first lap and put on a strong finish to capture the first place by a wide margin.

Though the time was slow, Coach Ray Denno thinks that the winner has prospects of becoming a good distance runner with the necessary training and experience. "G" Armstrong and Jimmy Moss, both A-P's copped second and third places respectively.

STATE TRACKSTERS DEFEAT LOYOLA

LOCAL SPIKESTERS BREAK RECORDS IN WINNING FIRST MEET OF YEAR

Kelliher Tallies 48 Markers for State

By ALLAN OTTLEY
Showing surprising strength in several of the field events, Coach Ray Denno's new and untried tracksters sprung an upset by knocking up the Lion's tail last Saturday afternoon on Phelps' field and sent home the small squad of Loyola university cinder men bemoaning a 79-51 beating. It was the first track meet with outside competition that has been staged on the canyon field in several years and marked State's re-entry into the realm of the spiked shoe and the short pants.

Records Broken
Two new school records were set, both in the weight events. Willis "Tiny" McCullough, the burly boy who served as official bouncer on Saturday nights at a local dance hall, heaved the shot 41 feet 9 1/2 inches. The mark bettered anything done in Southern Conference competition over the week-end and indicates a strong Roadrunner threat in the all-conference meet later in the season. The new record topped all previous marks ever made by McCullough in competition, and bettered his old distance set last year in the intramural combat.

The discus mark also went by the board when Thornley "Tiny" Roe whisked the steel-rimmed platter out for a distance of 131 feet 3 3/4 inches, considerably better than the old record previously held by Thayer "Army" Kessler.

Kelliher Stars
Mayville "Doc" Kelliher, who has been piling up a prodigious total of points in the intramural, had a good day last Saturday and rang up 18 digits to take high scoring honors for the meet. He took firsts in the low hurdles, the pole vault, the broad jump, and placed second to McEachen in the century.

Results
100-yard dash—McEachen (L), first; Kelliher (S), second; Barry (L), third; time 10.5.
220-yard dash—McEachen (L), first; Ash (S), second; Stember (L), third; time 23.8.
440-yard dash—Crow (S), first; Van Dries (L), second; Ferrari (L), third; time 57.2. (Through error, race was 465 yards.)
Half mile—Van Dries (L), first; Bortolazzo (S), second; Richard (L), third; time 2:18.2.
Mile—Jackson (S), first; Casey (L), second; Bortolazzo (S), third; time 4:56.
High hurdles—Crow (S), first; Ferrari (L), second; time 16.7. (No third, Keith and Parslow disqualified.)
Low hurdles—Kelliher (S), first; Parslow (L), second; Keith (S), third; time 26.7.
High jump—Weber (L), first; 6 feet; Garber (S), second, 5 feet 6 inches; Mahoney (S), third, 5 feet 4 inches.
Pole vault—Kelliher (S), first, 11 feet; Lee (S), second; Mahoney (S), third.Shot—McCullough (S), first, 41 feet 9 1/2 inches; Roe (S), second, 41 feet 4 inches; Donnelly (L), third, 35 feet 3/4 inches.
Broad jump—Kelliher (S), first, 20 feet 6 3/4 inches; McEachen (L), second, 20 feet 1 1/2 inches; Barry (L), third, 19 feet 10 3/4 inches.
Javelin—Lee (S), first, 163 feet 11 1/2 inches; Harper (S), second, 153 feet 11 inches; Donnelly (L), third, 149 feet 4 inches.
Discus—Roe (S), first 131 feet 3 3/4 inches; Donnelly (L), second, 119 feet 3 1/2 inches; Ferrari (L), third, 117 feet 7 inches.
Two mile—Casey (L), first; Mackey (S), second; Jemtegaard (S), third; time 11:36.
Relay—State won (Forsyth, Westwick, Craven, Crow); time 2:47.5; (race was 4-man 4-5 mile.)

Close Battle Won By Junior Varsity Team

Thrilling those who witnessed the game, the Jayvees nosed out the Bekins by a score of 27-25 in the old Junior High last night at 7:30 o'clock.
With one minute to go the Bekins led the Junior Varsity by one point when Moore sunk a foul shot to tie the score. To clinch the game Mahoney came through with a long fast shot.
High point man for the fracas was Mahoney with 12 digits to his credit. Next came Morrissey with eight tallies, Moore with five, and Moss with 2. Others who played were Jensen, Christensen, Coultas, Swansen, and Lowe.

Swansen, who is a new man on the team, proved to be good at the guard position. Jensen was strong on defense and Bob Lowe stood out at the standing guard post.
Next Wednesday the Jayvees play the Phantoms, one of the strong teams of the Open League conference.

Club Officers Plan for Annual Jaunt

A special meeting of the Outing club has been called for Wednesday at 3:30 o'clock, according to Melville "Humpty" Homfeld, president of the club.
All members and officers are urged to be present as the final plans are to be made for the island trip which is to be held May 25, 26, and 27. Any others interested in going on the trip are asked to attend this meeting as it is necessary to know the tentative number going on the excursion, said Mr. Homfeld.

Phelps' Field Will Be Scene of Track Meet

Champing at the bit and hoping to repeat their performance of last Saturday, the Santa Barbara State college cinder artists will meet the Santa Maria Junior college this Saturday, March 17. The meet is to be held at Phelps' field and will start at 1 o'clock.
According to Coach Ray Denno, the Northern boys are more or less of a dark horse as not very much is known about their team, with the exception that Openshaw, speedy J.C. hurdler, is doped to give Bill Crow more than a little opposition in the high hurdles. Boulash, J.C. quarter miler, is also favored to give the Staters a run for their money.

Old Man Injury has been around the Hilltoppers campus and as a result Bill Crow has been taking it easy because of a pulled leg muscle; Garber, State high jumper, injured his ankle while practicing and Harper, javelin thrower, is nursing a sore arm. Outside of these few minor casualties the remainder of the team are in top condition.
Tentative line-ups for the meet are:
100-yard dash—Kelliher, Pensinger, Cravens; 220-yard dash—Cornwall, Cravens, Pensinger; 440-yard dash—Bortolazzo, Westwick, Crow; half mile—Jackson, Ash; mile—Jemtegaard, Mackey, Campbell; low hurdles—Kelliher, Keith; high hurdles—Crow, Keith; relay—Jackson, Forsyth, Cravens, Crow; high jump—Garber, Mahoney; broad jump—Kelliher, Mahoney, Garber; shot-put—W. McCullough, P. McCullough, Roe; discus—W. McCullough, P. McCullough, Roe; pole vault—Kelliher, Lee, Mahoney; javelin—Yost, Lee, Harper.

State Diamond Men to Invade Redlands Sat.

The Roadrunner diamonders will meet the Redlands Bulldog college team Saturday afternoon at 2:00 o'clock on the Redlands athletic field in the second contest of the season for the State men.

Twelve of the best men out for baseball will be taken to Redlands Saturday, according to Coach Hal Davis, and that number will be taken to all games hereafter. Davis revealed. Those men who will make the trip south this week-end are Rezzonico, Boucher, Miller, Stockel, Muesgenburg, Ball, Lorden, Killian, Drennan, Lebeck, Willard, Hoffer, and possibly Harry Moore.

The probable line-up for the Redlands game will be as follows, according to Coach Davis: Rezzonico, catcher; Boucher, pitcher; Miller, 1st base; Stockel, 2nd base; Muesgenburg, short; Ball, 3rd base; and the fielders have not been definitely selected but will be chosen from Lorden, Killian, Drennan, Lebeck, Willard, Hoffer, or Moore.

"The fielders will be selected by their hitting ability," according to Coach Davis. "Also first baseman, short, and catcher will be selected by this method, due to the fact that every man out for the respective positions are equally well skilled on his particular position, but what we want now is the men who can bring in the best hitting averages," Davis said.
Two new men have reported for the varsity this week, namely, Keith, and Jensen, a first baseman. A game with the Seattle Indians will be scheduled next week sometime with out a doubt according to Davis.

ROADRUNNERS DEFEATED IN FIRST GAME OF SEASON BY SCORE OF 6-3

New Uniforms to Be Used by Players This Season

Showing unexpected ability and enthusiasm, the Roadrunner nine dropped a close, but exciting game to the Santa Maria J.C. diamonders on the northern campus Saturday afternoon. The final score was Santa Maria J.C. 6; State 3.

"Compared with the J.C. boys our fellows had very good hitting in view of that fact that we had had only about four days practice while the Santa Marians have been practicing as a unit for well over two weeks," reported Coach Hal Davis. Miller probably played the outstanding game for the Roadrunners in their first contest of the season. He made two hits out of four times at the plate. Killian played a bang-up game a first base. Boucher and Rouse played an outstanding game on the mound, with Boucher showing up better than could be expected so early in the season. Harry Moore looks like a coming star from his first indications. Likewise Ball is proving himself worthy of holding down the 3rd base position.

Captain Aspitte Injured
In the sixth inning of the Saturday game Captain Clarence Aspitte received a severe injury on one of his fingers as a pitched ball connected with the end of a finger. He is expected to be unable to report for baseball from three to four weeks, according to latest reports from Coach Davis. Aspitte was State's best catcher, having held down that position on the local nine last season.

"Either Rezzonico or Willard will be shifted to the catching position to replace Aspitte," said Coach Davis. "However, they neither have had the experience that Clancy

Tau Omegans to Meet Alumni in Baseball

Alumni members of Tau Omega social fraternity have challenged the actives in a baseball game to be played in the college gymnasium, Monday night at 7:00 o'clock. Many hard fought games have been played in past years between these two groups and from all indications the battle Monday night is to be better than any played heretofore by the Greek organization.

Among the alumni team will be such players of old State times as Lorenze "Pinky" Greeson, Chester Tubbs, V. Kirkpatrick, Robert Hughes, Howard Bush, Ardie Pierce, Hal Polley, Bill Roustan, Jimmy Coultas, and Charles Van Winkle. Those men who will chiefly make up the actives team are Douglas Kirkpatrick, Howard Van Winkle, "Buppy" Moore, Charles Leister, Johnny Coultas, Clifton Morris and others to be selected later.

has had, but with a little extra hard drilling the boys can both be made into pretty good receivers," continued Davis.

New Suits for Team
"We have just purchased 11 new navy blue suits through Adams and Goodman, athletic goods distributors. The players are furnishing their own shoes this year, and also mits," reports Coach Davis the first of the week.

Practice is taking place every evening at 4:00 o'clock at Pershing park, where two batting cages help facilitate matters greatly. "It is very improbable that Phelps field will be used at all this season due to the poor condition of the diamond and backstop facilities," said Davis.
The box score for Saturday's game is:

NO two people in the world look alike... act alike. So it is with tobacco... just like folks.
No two leaves are the same.
And it's the same with cigarettes... no two brands are alike.
Furthermore, not only are the tobaccos different, but the way the tobaccos are handled is different.
This, you can understand.
You know just as well as we do that no two manufacturers use the same kinds of tobaccos, or blend them or cross-blend them or weld them together in the same manner.
