Out on the Pampas

EUROPEAN CLIMAX

It appears as if the affairs in Europe are fast coming to a climax. Great Britain has announced a determination to carry out the threatened oil embargo against Italy. While arrangements are being made, it is hoped that Mussolini will reconsider and arbitrate before such drastic action takes place. France has agreed to back John Bull in any action that will be taken to force Italy to the wall. The big question facing these foreign diplomats is whether or not the United States will cooperate with the League in case such a step is made. In view of the fact that Mussolini has declared that he will oppose any such embargo to the bitter end, it seems doubtful that he will be able to retract and retain the following of his patriots.

MYSTERY SURROUNDS DEATH

A strange disease yesterday claimed the life of James H. Breasted, noted archaeologist and historian. Hospital authorities of the Presbyterian Medical Center of New York city kept a secret the cause of the undetermined malady which first affected him while enroute to the United States from France. Rumor has it that the curse on the walls of Tutankhamen's tomb which Breasted helped to excavate some years ago has again been fulfilled.

NEW GERMAN MOVE

Yesterday the German nation took an unprecedented move and placed the church in absolute subjugation. Hans Kerri, head of the national department of church affairs, deprived the Protestant Confessional Synod of all authoritative and administrative power. Even though it was not specifically mentioned, it was understood that the decree also placed in the hands of the government the right to the church taxation and collection of funds.

DRUG COMPELS SPEECH

Scopolamine, a hypnotic drug used mostly for producing twilight sleep at childbirth, has been found to inhibit a person's ability to withhold information from a questioner. Recently in Kansas City a confession obtained from a suspected murderer while under the influence of this drug, resulted in his being convicted of first degree murder. Dean Paul Toohey of Rockhurst college and many others are protesting that such a manner of obtaining confession as an immoral, defiance of human right.

'Y' HEADS SELECT NEW COMMITTEES

The officers' cabinet of the College "Y" met third hour this morning in the Men's club room for the purpose of appointing club members to the various committees of the organization. Plans for future programs and for the southern trip on December 7 were also discussed.

Membership, constitution, social, program, activities, and convention committees were formed under the leadership of Denning McArthur, "Goldy" Goldsmith, Lorne Olson, Bob Kindred, Lawrence Connell, and Dick Jackson. The committee heads with Thomas Merrill, "Y" president, compose the group which attended the organization meeting. Appointments will be announced at the regular supper meeting tonight.

Arthur Glover Wins Plaid Steamer Robe

Arthur Glover, home economics department major, was the winner of the scotch plaid steamer rug raffled off in the cafeteria at noon on November 27. The event was sponsored by the Kappa Omicron Phi fraternity. According to Glover, the rug will be saved for "bundling."

New Showers Keep Athletics Healthy

"Sufferin' catfish! Why the heck don't they install some showers down here. Makin' us hike all the way up to the gym. What do they think we are?"

No more will these comments be heard from the rugged athletes attending State for a new hot water system has recently been installed in the Phelps field house to help keep our star sportsmen in the pink of condition during their training period.

Just one thing makes the boys uncomfortable, 13 showers have been installed, but who knows, 13, may be their lucky number.

Gaucha Scribes Stage Conclave on Dec. 13th

Bill Hoyt, Paul Woods To Be in Charge of Affair; Will Discuss Journalism

Plans for the southern California collegiate press convention are progressing as the representatives of the Southern Conference colleges are preparing to attend Santa Barbara State college on Friday, December 13.

Under the supervision of Bill Hoyt, editor of El Gaucha and president of the conclave, and Paul Woods, president of Alpha Phi Gamma, honorary journalistic fraternity, an afternoon panel on which several prominent speakers will discuss the various phases of journalism, is being planned.

Harold Jacobs, editor of the Morning Press; V. T. Vawter, of the Santa Barbara Associates; and Ralph Porter, State college printing instructor, will be among the feature speakers of the conference. Following the afternoon meeting, members will be entertained at a dinner-dance at El Paseo.

Registration will be held in the student body office from 12 noon to 2:00 p.m. at a cost of \$1.00 per person. All visiting members of the press conference have been invited to the annual Christmas formal at Rockwood.

Ashworth Attends Speech Arts Meet at San Francisco

Gathering at the William Taylor hotel in San Francisco, delegates from various colleges attended the annual conclave of the Western Council of Speech Arts held last Sunday.

The purpose of the council is to present and discuss new ideas and progress in connection with the speech arts groups in different sections of the state. Dean William Ashworth, delegate from Santa Barbara, said, "Many of the ideas presented by the speakers at the conference can be used to advantage in connection with the speech arts courses which are given here at the college."

Ted Hanley Stars in Little Theater Play

Leading roles were given to Ted Hanley, Santa Barbara State college student, and Barbara Smith in casting the characters of the "Hottentot," a comedy by Victor Mapes to be given at the Little Theatre of the Santa Barbara school of the Arts late in January.

The play will be under the direction of Mrs. Elizabeth U. Stevens who has been on the stage a great many years, appearing in several Lobero productions.

Other State students in the play are Audrey Fletcher, Bill Poole, and Frances Hoelscher. Fred Harrison, Dick Waterman, Hugh Clark, and Dick Morgan also have parts.

'Parking Tags' Aid Committee in New System

Office Receives Complaints Concerning Bumped Cars and Scratched Paint

Due to the numerous complaints turned in concerning violators of the school parking rules, the Welfare committee has concluded that drastic action must be taken toward enforcement of these regulations, according to Tommy Merrill, chairman.

Meeting last Tuesday evening at the home of Miss Helen Sweet for the purpose of discussing the enforcement of parking regulations, the committee evolved the following steps toward compulsion: license numbers of offenders will be closely checked and a record of these numbers filed in the office of President Clarence L. Phelps; repeated transgressors will be notified to refrain from using the student parking places provided on the campus.

By following the above procedure, the committee hopes to stimulate student cooperation in an attempt to become more considerate of the other fellow's property and in observance of the traffic rules.

Council Plans Meet in Library

Staters Invited to Attend; Standing Committees to Present Reports

The regular meeting of the student's legislative council, Thursday night at 7:30 p.m. will be held in the library in order to accommodate all students and faculty who are interested in attending, according to Garlyn Basham, president of Associated Students.

"Staters who are interested in student politics should make a point of attending this meeting," stated Basham, "as many reports of committees and much important business will be brought up. In this way it is hoped that the student body will learn how its business is handled and the status of the student body in general."

Miss Winifred Frye, chairman of the Co-op committee, will still be unable to attend the council meeting because of illness in her family. The business concerning the running of the Co-op store will be postponed for the present. However, the intercollegiate athletic board, of which Joe Robinson is chairman, will submit a basketball budget for the discussion of the group. Various standing committees such as the finance, awards, amendments, and welfare groups will present reports of their activities this semester.

JUNIOR HI DEPT. STAGES PROGRAM

Members of the junior high department are sponsoring an assembly for the Santa Barbara junior high school student body on Friday, December 13.

Among the outstanding numbers on the program will be a demonstration of model airplanes by Denning McArthur, piano selections by Phyllis English and Allan Lambourne, and a group of original poems read by Marjorie Tondro.

Miss Elsie A. Pond, director of the department, attended a convention of Kern county teachers in Bakersfield last week.

PRICE VISITS TEACHERS

Mrs. Laura Sprecht Price, head of the elementary education department, spent the Thanksgiving vacation in Los Angeles. Traveling south Wednesday she stopped in Carpinteria and visited those students from State college.

State's Publication, El Gaucha, Splits Editorial Staff for Semi-weekly

Bob Moore and 'Petie' McKinney to Act as Managing Editors; Journalistic Task Discussed by Staff Reporters

Realizing a goal set early in the year Bill Hoyt, editor of El Gaucha, announced the completion of two editorial staffs which will henceforth publish the Santa Barbara State college student paper. The formal announcement was made at the staff dinner held in the Gaucha club last Tuesday evening.

Seniors Make Spring Plans at Breakfast

Prexy Appoints Committees for Important Functions of Graduating Class

Terminating this year's activities, the senior class will hold a breakfast meeting tomorrow morning at seven o'clock in the college cafeteria. Plans for the spring semester will be formed and committees appointed for the important functions of the graduating class which will take place next year. In addition to a musical program, Mr. William Peters will speak on the "Art of Being Fooled."

Lyman Goldsmith, class president, states that this is the first senior class in the history of the State college that has been organized before the second semester, and asks that all members pay their dues immediately in order that the class activities may be carried out as planned. Some of the committees to be named include class announcements, class gift, and junior-senior prom. The committee on class motto and aims will report at the meeting. Faculty members who will be present are Miss Jean T. Krueger, senior class adviser, Doctor Elizabeth Bishop, Dean Lois Bennink and Dean William Ashworth.

Outing Committee Makes Plans for Collegiate Party

Basket lunches, games, hiking and riding will feature the student body trip to the State college cabin in Santa Ynez, on Sunday, December 8, according to plans made by the Outing committee.

Members of the committee are Wilma Kiesner, chairman, Gladys Van Fossen and Fred Griffin, faculty advisors, George Herron and Dave Pollock.

All students who intend to take the trip next Sunday should sign their names on the bulletin board in the main hall of the administration building, and signify whether or not they have transportation for themselves or room for others. The group will leave the campus at 10 a.m.

P. E. Majors Stress Playground Positions

Preparation of senior men in the physical education department for professional playground work next summer was stressed in today's meeting of the male physical education majors. Inasmuch as this is a relatively new field of work, director Hal Davis urges the men to start preparation early in order to qualify for the new position.

A check of grades at the meeting was made and Davis told of the new A. B. degree without teaching certificate which is being introduced. The department also made a tentative outline of new courses for next semester and held a discussion of professional work.

Under the new organization Bob Moore and "Petie" McKinney will be the managing editors of the Tuesday and Friday editions respectively. Moore will have as his staff on the first edition of the week Norman Phillips, assistant editor; Nat Hales, news editor; Hal Dee Julian, feature editor; and Francis Becchio, sport editor.

McKinney Heads Friday Staff

On the Friday edition of El Gaucha, "Petie" McKinney will be assisted by Paul Hurst, assistant editor; Dorothy Hornor, news editor; Irene Minikin, feature editor; and Dan DeReign as sport editor.

With the instigation of the semi-weekly paper on the Santa Barbara State college, it was the original purpose to split the staffs into two bodies early in the year, but due to inexperience and numerous newcomers, the appointments were not possible until the necessary background had been acquired by the new student journalists.

Guests that were honored at the staff dinner were Dean William Ashworth, Mr. and Mrs. Ralph Porter, and Garlyn Basham, student body president.

Porter, Basham Express Views

In the short discussions that followed the dinner, Mr. Porter told how the cooperation of the editorial staff had helped him in his printing of the paper, and Bill Hoyt expressed the staff's appreciation for Porter's cooperation. Basham expressed the attitude of the students as a whole toward the paper.

A short discussion on the variety of attitudes a reporter may have in his interviews with students and faculty was also taken up. Following the dinner many of the guests danced to the music provided by the radio in the Gaucha club.

STATE INSTALLS PINE HALL BELL

In answer to a request registered in El Gaucha concerning a bell for Pine Hall a new bell was recently placed on the north side of the Quad building.

The present system was installed to take care of the Quad. When the education building was erected, two new bells were installed, and two more added when the home economics building was completed. Eight bells are now being operated on the circuit designed for two bells.

According to Mr. W. W. Peters, instructor of mathematics and physics, the clocks on the campus are in a bad state, because of the way in which they have been handled. The clocks have been set many times by well-meaning persons who bend the hands, which, in passing, catch and stop the mechanism.

A.W.S. Raises Funds for Christmas Work

Drop your extra pennies here! Little red jars have been placed by the A.W.S. at various frequented spots around the campus in order to raise money to buy things to finish filling their Christmas baskets for two needy families.

Toys, food, pennies and clothing would be welcome contributions to the baskets, according to Betty Roulston, service chairman.

El Gaucho Announcement

With this issue we have the honor of announcing the final selection of two complete editorial staffs of El Gaucho. It is on the twenty-first publication that we are starting to work on the original plan of organization which includes only two returning members of the efficient staff of Miriam Firkins, '34-'35 El Gaucho editor, "Petie" McKinney and Bob Moore in the positions of managing editors.

On the Friday publication of September 27 in our editorial, El Gaucho, we listed a few of the trials and tribulations of an editorial staff endeavoring to edit a semi-weekly paper for the first time in the history of the school. We pulled through the first of the semester without too many scrapes on a single staff. A staff both inexperienced and unversed at the start in the journalistic methods, but one that had the will to work and the fire to win. Without whose help we would have had an extremely hard time to get our first twenty issues off the press.

Two members of that unheralded staff, because they are no longer attached to the paper, deserve the commendations of the associated students in appreciation of their untiring efforts in working on El Gaucho until the last few issues. "Dolly" Hall as feature editor on State college's first semi-weekly publication met every deadline on the dot and helped immeasurably in the coaching of many new reporters. The second is "Ike" Kahn, who as sports editor helped guide Los Gauchos through the most successful football season in five years. To these two students we wish to express our appreciation many times over and wish them all the success in the world for the future.

Under the new system of organization, which is listed in the mast head at the top of this column, there will be a managing editor each in charge of his or her respective publication. Each will have the responsibility of their issues and will be assisted by subordinate editors.

It is not the idea to get acute competition but rather a cooperative, competitive spirit of trying to attain better journalism in writing and make-up for the students of Santa Barbara State college.

One Paper, Please

While it is gratifying to know that students are glad when El Gaucho is placed in the Gaucho box on Tuesday and Friday mornings, it is not so nice to come around a little later in the day to find that the papers are all gone.

With five hundred being distributed the first run and another two hundred being placed out later in the afternoon, it seems obvious that some students are taking more than one.

Students that want a paper on the day following publication can usually find one in the Gaucho box on the desk in the student body office.

CAMPUS CALENDAR

Social Calendar for the Week
of Tuesday, December 3, 1935;
to Tuesday, December 10, 1935.

- Tuesday, December 3.—Department Meetings, 2nd hour; College "Y"; Delta Phi Upsilon; Kindergarten-Primary Department.
- Wednesday, December 4.—Senior Class Breakfast; Pi Sigma Chi; Bible Club; Band, Music Hall; Riding Class, Vandever's Riding Academy.
- Thursday, December 5.—Student Council Meeting, 7:30 p.m.
- Friday, December 6.—Sigma Alpha Kappa Christmas Dance; Gnome Club Dance.
- Saturday, December 7.—Delta Phi Upsilon Initiation and Dance; Alpha Theta Chi Dance and Supper, El Cortijo.
- Sunday, December 8.—Trip to College Cabin for all Students; Delta Sigma Epsilon Tea.
- Monday, December 9.—Sorority Meetings; Fraternity Meetings.
- Tuesday, December 10.—Student Body Meetings, Second Hour; Players Club; A.W.S. Board Meeting.

Music-Art-Drama

By BRUCE TOMLINSON

This last Sunday's L. A. Times submitted "Mutiny on the Bounty" as its choice for the annual best picture award. Time of Nov. 18 admits it is "a superb story magnificently told," but remarks that it lacks "balance, polish, and direction." If the Times is correct, it is because of the acting of Charles Laughton, the excellent photography of ships and sea, and the cinematic monopoly on the portrayal of such chronicles as this Nordhoff-Hall trilogy. Many movies are primarily stage and theater material and must be judged on such standards. But a movie like this is in a class of its own and as such is outstanding.

The comments of Time are dramatist views. The picture is certainly no drama although saturated with dramatic sequences. It loses out by its lengthy inclusion of Tahitian love interest, which definitely breaks the build-up continuity of mutinous spirit without adding anything necessary to theme or story. The ship's crew is automatically satisfied when the sex of the audience is thereby satisfied, and Mr. Blich would most certainly have lashed the directors or the audience or somebody for that.

But whichever view one wishes to take, this saga of the sea still remains profoundly interesting. Laughton's acting is magnificent. Other good performers include Dudley Digges as the ship's doctor and Clark Gable as Christian—and the cook produced rare comedy. The fact that the show fails to achieve dramatic unity does not keep it from being a brilliant screen classic.

MEN'S CLUB ROWDIES

Dear "Ye Olde Ed.:"

I appreciate jazz music as much as anyone, but somehow the "budding musicians" that continuously pound the defenseless piano in the Men's club room annoy me. To my notion the St. Louis Blues rendered in low down rhythm doesn't seem to blend in with Henry III Judicial Reforms, or maybe it's twentieth century atmosphere.

Anyhow with deep concentration I am able to catch one of about every five words of a lecture punctuated with the familiar, classical strains of "Chopsticks." Hour after hour it goes on, a sour, very sour saxophone joining in occasionally to cover up the odd mistake or so-called variations of the genius at the keys. Ah, what peace, what heavenly quiet there would be if sound-proof walls could be installed and the door were kept closed! Perhaps a limitation of time on the hours of entertainment would be even better.

ANOTHER GROUCH

CONGRATULATIONS

Dear "Ye Olde Ed.:"

Congratulations for a bit of leaves here and a bit of leaves there being taken out of the quad pool. No fooling though the quad is really a quad beautiful now. The recent plantings of flowers, and now this cleaning of the pool make the center of our campus a place of real relaxation so all of us can stop a minute during the busy day and let our minds wander off into space.

Your hard work makes it possible for the rest of us to be proud. We who don't work on such projects have a feeling of appreciation for the work done.

Signed—
I'MSOTIRED

Dear "Ye Olde Ed.,"

These anonymous letters with their fictitious signatures get me down. If anyone has anything to say that is worth the paper it is printed on, why should he not sign his own name to it?

J. H. LONG, PRES.

Dramatic Action of Police Broadcasts Enthralls Reporter

Nothing can compare with the thrill of listening to police warnings, the exhilaration of following with breath-taking proximity the war on crime.

We set our dial at 124.2 meters and listen. In a few minutes we hear Fresno police calling Bakersfield with the information that all is well. We turn up the volume to hear Bakersfield answer that everything is just dandy, and leave it that way. In rather less than an hour, we hear something else. "KGZO SANTA BARBARA POLICE TIME CALL 8:32 p. m. TIME KGZO THAT IS ALL," roars the sergeant.

More Local Warnings

Oh, yes. That IS the frequency of the local police. After our ears have cooled off a little and we have turned down the volume, we hear some more local stuff, not quite so loud. "KGZO etc. Attention 83; call your station, etc." We are thrilled. This must be what the radio ads call following the real, thrilling drama of the police warnings, or "being there with the squad cars when police warnings sound." Great stuff!

We listen some more. Another time call 9:04 p. m. Quiet. Then suddenly we hear a click, and the hum of the carrier. "KGZO Santa Barbara police. Calling all cars." We have a feeling of impending epochal events. We lean forward, listening intently. "Attention all cars. Be on the lookout for a bicycle without lights, seen a few minutes ago at State and Mission." Thrills! Action! Drama!

We turn the dial to Los Angeles police. Ah! A broadcast so soon? "Calling car 1234 in 1234.5's district. Go to 6789 321st. street. Some 345's in an 890. Give'em the 7654. (Chorus repeats three times.) 9:28, broadcast 432." We can just see it all there, as plainly as if we were only a light year away! Ain't the triumphs of modern science and stuff wonderful?

Boots and Spurs

By FRANCIS BECCHIO

Editor's note: This column, which will appear regularly in the Tuesday edition of the "El Gaucho," will have as its purpose the presentation of the writer's views on different phases of sports. The title "Boots and Spurs" is of double significance in that it not only carries out the Gaucho motif but also can be applied to "boots" of criticism and "spurs" of praise. Any suggestions or criticisms concerning this column will be appreciated.

Agitation among several students on the campus has been stirred up because of a story going the rounds that several of the Gaucho boxers were forced to drop out of the "Golden Gloves" tournament in Los Angeles because of lack of funds. The question asked is "What happened to the proceeds of the boxing show, and why couldn't some of this money be used for expenses?"

Those expressing such views undoubtedly do not know all the facts, however, someone should make an official statement as to the policy of the school regarding the "Golden Gloves" tournament.

A few attendance facts released by Fred Allred, student comptroller, should prove of interest. More fans attended the five home games this season than the six grid battles of '34. A total of 10,786 fans witnessed the Gaucho pigskin machine in action on Pershing field this year, while 10,377 turned out last season. The average attendance of each game of '34 was 1,729 and for this fall 2,157. This record should be surpassed during the 1936 campaign when the State varsity plays its first season on the new Laguna field.

Well, well! Reports from Redlands have it that coach Cecil Cushman figures there should be a change in the tackling rules. It is alleged that coach Cushman claims San Diego defeated his squad because of the present rules. The Aztecs were stopped, according to the Bulldog mentor, and then tossed laterals to gain more yardage. We disagree, Mr. Cushman, there is still plenty of opportunity to tackle men so that he's down. And as long as we're on the subject, who should have won the Redlands-Santa Barbara game if the tackle rules were different, or maybe, Mr. Cushman, you would rather forget about Yeager's touchdown run.

Mustangs Will Oppose Indians in Grid Classic

Southern Methodist Accepts Bid; First Time Team West of Mississippi Is Invited

The classy Mustangs of Southern Methodist University have been picked to face Stanford in the Rose Bowl grid classic on New Year's day in Pasadena.

Alfred Masters, Stanford graduate manager, issued the invitation to James Stewart, director of athletics at the southern institution and it was accepted.

This marks the first time in the history of the famous grid-fest that a team west of the Mississippi river has been invited to furnish opposition to the west's best.

S. M. U. is coached by Matty Bell, who in his first year fielded a team with all victories and no ties or defeats against them. Bobby Wilson, all-american halfback candidate will attempt to keep the Indians worried with his sensational speed-burning ability. He will be aided by a young man named Shuford who has gained wide acclaim as a line plunger. Shuford has been out with injuries since the aerial circus against U. C. L. A.

The Methodists still have a conference game with Texas Aggies on their schedule, but are expected to hurdle this obstacle with comparative ease.

This marks the third time in a row that Stanford has been selected to represent the west coast. In 1933 they clashed with Columbia; Jupe Pluvius intervened and the underdog Lion proved he was a better swimmer than the Indian and emerged on the long end of a 7-0 score. In 1934 a group of Alabamans set foot on California's soil and staged an aerial circus with Dixie Howell as chief bomber and routed the featherless Indian 29-13.

BOXERS COMPETE IN TOURNAMENT

Johnny Varner and Lester Clemons left for Los Angeles today to participate in the Golden Gloves tournament at Hollywood Legion stadium.

The festivities will start tonight and will finish on Friday night when the champions will be crowned.

Varner will be the only entrant from Santa Barbara State while Clemons will fight unattached. Such fighters as the Monson brothers, Jackie Smith, Louis Triguero, and Bobby Fosdick had to be left at home due to lack of funds.

The winners of the fight classic will be afforded a trip to San Francisco in order to take on the northern champs.

AIN'T IT THE TRUTH, THO?

SCRIBE REVEALS GRIDIRON FACTS

While wandering about through a maze of statistics, I came across the amazing fact that only thirty-two points were rung up against our erstwhile football team of the past season. Having that small grain of curiosity aroused in me I investigated further. Here folks is the results of my efforts.

Santa Barbara State football team ties for fifth position in the nation in defensive record. Mighty Princeton and the S. M. U. Mustangs have had their goals crossed the same number as our Gauchos. This is a record we can more than afford to be proud of, as these two teams are the champs of the nation.

TOURNEY STAGED IN LOS ANGELES DURING HOLIDAYS

The annual tournament of the far western section of the United States Field Hockey association was held at Griffith park in Los Angeles last Friday and Saturday.

Ten teams entered the tournament; four from the San Francisco Bay region, one from Tucson, Arizona; and five from the Los Angeles district.

Miss Gladys Van Fossen, women's physical education instructor, is the secretary-treasurer of the Far-western section.

Former State college students shooting on various teams are Marilyn Jameson '30, Florence Longawa '33, and Tilly Chamberlain Silva '33, of the Santa Barbara club; Catherine Boyton '35, and Rosalyn Phillips '32, of the Shamrock club in Los Angeles, and Mickey Webster Laird '30, of the Originals in Los Angeles.

INTRAMURAL STANDINGS

Standings in the intramural tournament have been reported to be the same as last week. Now that football season is over, Hal Davis urges all singles to run off their assignments.

WHAT! AGAIN MR. KARNES?

P. Freeland - What are those red spots on your nose?

R. Karnes - Glasses my dear boy, glasses.

Campus Coffee Cup Capers

Well we are glad to see all the turkey "Gobblers" back in town after an "indigestible" week end.

Barry Simmons, potential big shot (and Pasadena play boy), was seen feasting on eight HAMBURGERS Thanksgiving Day.

"Brakey" Brakesman, (Ye olde HAMBURGER slinger), brags that he can cook more "Wimpy Specials," with his hands tied, than three other guys. (Yeah Man.)

Fresh pies served daily at 9:00 p. m.

Well, Aileen Elder finally worked her way up in the Navy. Was seen "highstepping" with Admiral Reeves on a southland dance floor. (What's next, Aileen, the Army?)

Well, don't forget to drop in and meet your friends at the "Cup."

State Cagers Meet Santa Maria in First Encounter

Santa Maria Bulldog Hoopsters Will Invade Santa Barbara; Frosh and Los Prietos Will Meet in Preliminary Game

Coach Hal Davis will trot his cagers out on the maple in the first game of the year against the Bulldogs from Santa Maria J. C. in the Armory on Saturday night at 8:00 p.m.

Although faced with the prospect of having their season shortened due to the lack of funds, Davis reports that the boys' enthusiasm is running high. The northern trip has been cancelled due to lack of lining up games for the local quintet.

STATE GRIDDER'S PLACE ON AZTEC ALL STAR SQUAD

Three Santa Barbara State Gauchos were placed on the San Diego Aztec All-conference team. Bounding Bobby Morelli landed on the first team for his consistent playing and excellent qualities as a back man. Thunderbolt Sanderson was awarded a place as second team fullback, and Tiger Twaddell as tackle also landed second team honors. Ogre Oldershaw received honorable mention along with Larruping Lee at guard, and swivel-hips Yeager at half.

More men have been placed on all conference teams this year than in the history of the school. The time is fast approaching when State should be the class of the conference.

The first string is as follows:

Tebbs of Whittier and Smythe of San Diego at ends, Dahlitz of Whittier and Gemmel of Oxy at tackles, Butler of San Diego and Rush of Whittier at guards, Durland of San Diego at center, Blaisdell of Redlands at quarter, Morelli of Santa Barbara and Peterson of Redlands at halves, and Hutchison of Whittier at full.

FINAL STANDINGS

Team	W	L	T	Pct.
Whittier	4	1	0	.800
Redlands	3	1	1	.700
Santa Barbara	2	2	1	.500
San Diego	2	2	1	.500
Occidental	1	2	1	.375
La Verne	0	4	0	.000

GAUCHITA SPORT GAB

By ARMAE BREWSTER

Many of us are still in a daze as a result of some stiff quizzes on soccer, speedball, and hockey these last few days.

"It's Easter all the time on this campus!" This from a fellow-sufferer with a more or less jocund outlook on life. Right she is too, come to think of it! Especially is this the case on the women's athletic field—What with red sweaters, orange gym suits, green and purple sox, etc., etc.; we should maybe start an artist's colony! You do so think not, too?

Girl scouts, here's your chance to make good! The W. A. A. is sponsoring a Christmas basket again this year, and all contributions will be graciously welcomed. We do hope you gals feel the same, and will help us to spread the annual cheer to some one less fortunate than we! The Golden Rule still stands unbent: "Do unto others as you would have them do unto you!"

Attention,—Tennis players! As coach Davis would like to have intramural tennis matches

The following cagers are due to see action in the opener: Rumbaugh, Johnston, Crow, Swanson, Hoffer, Lee, Lebeck, Voorhies, Willis, Campbell, Erhard, Fosdick, Lindquist, Luce, Smith, Pollock, Langlo, Homan and Hale. Due to the limited space in which to practice, no scrimmage has been held as yet, but Headman Davis intimated that Bob Johnston, six-foot four inch center would start. Johnston demonstrated to Santa Barbara fans his possibilities by his rapid improvement at the end of last season.

Coach Davis will use his "man in front of the ball system" which is also known as the triangle offense. He will employ shifting defense which is a combination of man for man and zone defense. This combination will be used to stop the plays of the opposition. The criss-cross formation which was very successful last year in obtaining a lease on a jump ball will also be put in effect. The Gaucho hoopsters have nine men who tower around six feet or better.

A preliminary between the frosh and Los Prietos C.C.C. will be staged at 6:30. Little is known of the peagreen's ability, due to their lack of practice.

The Junior Varsity, a team composed of boy's who cannot go out for the varsity on account of work or inability will also be featured again this year. The team will be entered in the Santa Barbara City League. Games will also be arranged with outside teams which will assure the boys a lot of activity.

Students will be admitted free to the Gaucho-Bulldog clash with a 25 cent charge for outsiders.

Names of those who will act on committees for the W. A. A. Fall banquet have been posted on the bulletin board in the gym. Whoops, gals, we eat! (I hope!)

Well, I guess you horse-back riders will be all ready to go back to the old grind, again, what with a whole week's vacation in which to recuperate. Or, have you built up the necessary reserve to enable you to take it by now?

Some of the gym majors seem to have literary abilities as well as athletic! Olive De Motte's article on the hare and hound chase which appears in the latest A. F. C. W. News letter is really very clever. Take a gander, kids! It has been posted on the bulletin board in the gym.

Staters Attend Health Meeting

Student Health Association Holds Two-Day Session at Los Angeles

Meeting for the purpose of discussing "The Bettering of Health Conditions for Students Attending the Universities," the Pacific coast division of the Student Health association held a two-day conference at the University of California at Los Angeles on November 29 and 30.

Among the varied topics discussed were "Protective Coaching Methods, Measures and Medical Examinations for all Athletic Teams," "Health Value of Women's Athletics," and "Limiting the Curriculum Load of Students Working Their Way Through College."

Delegates at the conference who represented State college were Mrs. Winifred Hodgins and Miss Gladys Van Fossen of the women's athletic department, Coach Harold Davis, and Dr. Edward Markthaler, school physician. Of the 102 delegates attending were representatives from Washington, Oregon, Nevada and Arizona.

El Gaucho expresses sympathy with Mr. and Mrs. Carl Houtz in the recent death of their infant son.

LOCAL Y. M. C. A. PLANS 'HOLIDAY IN HOLLYWOOD'

Approximately 30 Santa Barbara Y.M.C.A. members will participate in the Y.M.C.A.'s "Holiday in Hollywood" on Saturday, December 7.

"Holiday in Hollywood," which was started by Merle Waterman of the Y.M.C.A., will attract nearly 2,500 young men from all sections of southern California. It will include a matinee at Grauman's Chinese theater, lunch at Hollywood high school and admission to the U.S.C.-Washington football game. Ten College "Y" and 20 Hi "Y" members headed by C. Davies will represent Santa Barbara.

Beta Sigma Chi Dines at Pledges' Expense

Active and alumni members of the Beta Sigma Chi fraternity were entertained at a dinner given by the pledges Monday evening at their house on Cheltenham drive. This dinner officially started "Hell Week" for the pledges.

Pledges responsible for the dinner were Dan Mulock, Julius Langlo, Tommy Lindquist and Robert Rezzonico.

Under the direction of James Lebeck, the actives are fighting hard for the prizes to be awarded in the intramural badminton and pool tournaments in progress at this time. The prizes for the competitors are being donated by the Campus Coffee Cup and Ott's

National Council Member Inspects College Sorority

Mrs. Ada Dunning Greenway, a member of the national grand council of Delta Sigma Epsilon, will be entertained by the local Santa Barbara Pi chapter, this coming weekend, December 7, 8 and 9. She will be the guest of Mrs. Josephine Bolton and Miss Lucille Bolton, alumnae.

A model initiation ceremony will be presented and followed by an informal tea Sunday afternoon honoring Mrs. Greenway. Active members will present a model meeting Monday night at the home of Margaret Laing in Montecito.

The purpose of the visit is to inspect the activities of the sorority. Every chapter of Delta Sigma Epsilon is inspected by a national officer biennially, just preceding the biennial conclave. In the summer of 1936, the biennial conclave, at which the Pi chapter will be represented by two delegates who have not been chosen yet, will be held in St. Louis, Mo.

C. Phelps Represents Colleges at Meeting

President Clarence L. Phelps, representing the State colleges, will attend a meeting of the board of directors of the California Teachers' association, December 6 and 7 at Los Angeles.

The purpose of the meeting is to discuss the educational problems of the State of California.

GNOMES SPONSOR CHRISTMAS HOP AT SAMARKAND

Plans for a Christmas dance, which is to be held at the Samarkand hotel on Friday, December 6, were made at a regular meeting of the Gnome club at the home of Verna Wilber and Maurine Fisher last night.

Phyllis English and her orchestra will furnish music for the evening. Dancing will begin at 9:00 p.m. and continue until 12 p.m. for the semi-formal dance.

Ethel Cornelius, social chairman, has charge of the affair and is assisted by Betty Wells, Anne Pierce and Verna Wilber.

Newman Club Holds Business Meeting

The Newman club will hold an organization meeting in Junipero Serra hall, Thursday night at 8 o'clock. With Jimmy Shaug presiding, the Catholic organization will elect officers for the coming year and draw up a charter that the body may become eligible to join the national organization.

The Catholic Daughters of Santa Barbara will serve refreshments at the meeting. President Shaug urges all interested students to attend.

DISCUSS INITIATION PLANS

Discussion of initiation plans to be held in the near future was the main business of the Phi Delta Pi meeting held last evening at the home of La Rue Steelsmith.

College Women Give Club Tea

Thanksgiving Tea Attended by Both State Men and Women Students

A Thanksgiving tea was given by the Associated Women Students last Tuesday afternoon, November 26, from 3 to 5 o'clock in the women's clubroom. Ellen Roe, first vice-president, was in charge of the affair and acted as hostess. Lois M. Bennink, dean of women, and Lois Jo McPheeters, A.W.S. president, poured for the group.

Many faculty members were present. The affair being open to the entire student body was attended by the men as well as by the women.

Chairmen of committees were Edna Forbes, food; Dorothy Taylor, preparation and clean up; and Margaret Eastwood, serving. Members of the A.W.S. assisting were Eva Metzgar, Alice Lamb, Jessie Griffin, Clara Ross, Olive De Motte, Elinor Myers, Dolores Fletcher, Mary Tindall, Betty Townsend, Darlene Hapenny and Doris Deay. Decorations were furnished by Miss Della Haverland.

El Gaucho expresses sympathy with Raymond G. McKelvey in the recent death of his mother.

The proof of the cigarette is in the smoking . . . and it always will be

Smokers—both men and women—want a cigarette to be mild—yet not flat or insipid. At the same time they want a cigarette that gives them taste—taste they can enjoy.

Chesterfields are outstanding for mildness—outstanding for better taste. You can find that out by smoking them.

Just try them - Chesterfields are what they say they are
