THE CURIOUS CUB

Question: Why isn't there more interest in athletics and what could be done to stimulate it?

Answers: 1. Max Conklin. "It seems to me that the attitude of the faculty toward athletics determines the amount of pep to a great extent. The faculty should attend the games more."

2. Frances O'Reilly: "Have rallies the evenings before. That's what gave Porterville High the football championship last year."

3. Alta Faulkner: "There's too much small town stuff. Of course we can't do like the big colleges but we ought to do something. We ought to spell letters with our caps."

4. Fred Allred: "It's the atmosphere in Santa Barbara. It makes you want to day-dream all the time."

5. Doctor Ellison: "There's too much difference between factions in the school. Junior College, for instance, has interests different from those of other departments. The college hasn't existed long enough to stimulate a natural interest for athletics which comes by development. Keep up the assembly singing recently begun."

6. Ted Ellsworth: "Get some more young people in the college. There are too many old people who have other things to do. And we need an acrobatic yell leader to make the people see him."

7. Bud Garber: "Let the students know when we are going to have games. Use the Thursday meetings to pep up the student body, to announce the games anyway. The students don't realize how much more their certificates or degrees would be worth if the school had a reputation for athletics."

Ruth Carruthers Merritt, '21, of Cambridge, Massachusetts, is announcing the arrival of a son, William Louis, born on the tenth day of April.

U. S. C. Frosh Win Close Game In Twelfth Inning

In spite of a lack of adequate practice, the Roadrunners held the U. S. C. Frosh nine to a two to three score in a twelve-inning game at the local park last Saturday. The Roadrunners could hit and field the balls as well as any of the Frosh; but the latter had it over us in practice. Anderson pitched a spectacular game, holding the Trojan Babes to six hits while the locals touched Edwards of U. S. C. for twelve. This was the 21st game won by the Frosh in the 29 games of their season. They scalped the Trojan varsity nine several times.

Cherrie came off with the best batting average of the game by chalking up four singles in five trips to the platter. Peel also distinguished himself as a pinch hitter by slapping two hits in five trips, the first of which drove Keim in with the first tally. Pullins and Orsatti did most of the timber-toting for the Frosh. Each made two hits in six and five times at bat respectively. No more healthier wallop than a single was chalked up during the game.

Flip Brotherton on the center sack and Spud Sawyers in the outer garden played an excellent fielding game for the Roadrunners. Galindo, Frosh shortstop, showed some spectacular stuff in his lane, too, by assisting in 8 put outs. Edwards of the U. S. C. Babes fanned 12 men, while Anderson retired 5.

Santa Barbara took a lead of one run in the first round when Keim singled, was advanced by Williams, and scored by a single by Peel. The Frosh retaliated in the fourth when Gibson and Orsatti scored on infield errors and a

Departmental Baseball Games Postponed

The departmental baseball finals have been postponed until after the inter-Collegiate schedule due to the fact that the amount of practice received does not warrant the wear on pitchers in these games.

Coach Gilliland feels that the team is in need of more organized practice and that we cannot afford to cripple a good pitcher in the prime of the season.

Elementary School Pupils Plan Exhibition

The entire Elementary School is preparing to take part in a physical education exhibition to be held in the College gymnasium in the near future.

Miss Eleanore Ginno is directing the exhibition work which is the first of its kind to be given here. All the parents and relatives are invited to attend. The exact date of the performance will be given soon.

squeeze play. The game was on ice until the eighth inning when Flip Brotherton scored Keim by gathering three bags off infield errors to tie the score and necessitate additional innings. The Roadrunners socked five hits in the last four innings, while the Frosh only netted two, but the locals were unable to complete them. The Trojans scored their winning marker in the twelfth when McQuigg walked, was advanced by an error, and scored by a pop fly by Diehl.

Roadrunners To Meet Cal Christian Team Tomorrow Afternoon

California Christian College of Los Angeles has definitely agreed to meet the Roadrunner nine on the southern diamond tomorrow afternoon. Casey will take the squad south tomorrow morning for the game.

Although the Cal Christian outfit has been in baseball training since the beginning of the track season, a close score, if not a victory, is anticipated. Coach Casey has a wealth of material to represent the college this season; as has been seen by the two games already played.

With the exception of Hollingsworth and O'Reilly, the team is in fine condition. Hollingsworth turned his ankle in a hole in the outer garden in practice last week. O'Reilly injured his hand, but it is hoped that he will be able to play in tomorrow's game.

The team played an excellent game last Saturday against the U. S. C. Frosh, showing marked improvement in both timber work and fielding. With the termination of the third week of practice, an even better machine has been produced. Anderson has outpitched each of his opponents so far and the batting average of the team is as high as any college team in the south.

The Cal. Christian lineup will be announced after the game. The Roadrunners will have the old battery and the same general lineup with the possible exception of infield changes.

Locals To Meet Loyola May 9

The Roadrunners will meet Loyola College on the home diamond a week from to-morrow. Loyola has an excellent team this year, having defeated Caltech 11 to 9, and U. S. C. Frosh 9 to 2. With the practice received since the Frosh game, however, we ought to be able to run up a score.
