ALL-CAMPUS GET-TOGETHER TOMORROW AT OAK PARK FEATURES FOOD AND FUN

Faculty-Staff Softball Team To Test Student Squad In Titanic

Tomorrow afternoon at Oak Park the first social event of the Summer Session will be held beginning at 4 p.m. This is the "GAU-CHOW", a student-faculty get-together for food, fun, and frolic. The extravaganza is a family affair, with the families of all faculty and staff members as well as students' families cordially invited.

The festivities will begin at 4 p.m. when a softball team composed of students will meet in a "friendly" match with a faculty-staff squad. The faculty team is managed by "Peppy" Pop Wells, who is busily lining up a potent array of softball players. "Pop" has already received signed contracts from Larruping Lester Sands, Gritty Glenn Durflinger, Galloping George Oborn, Bashing Bill Davis, and Krafty Kermit Seefeld. Many other faculty and staff members are on the verge of signing up, with only bonus prices holding up the deals. Many students have expressed the hope that while they don't want to see any permanent injuries come out of the game, they would not be adverse to having the faculty members forced to miss a class or two because of sore muscles.

While the softball game is going on, there will also be volleyball competition for those who can't stand the sight of blood. For the younger set there will be a supervised wading pool and a sandpile where the children can get wet and dirty to their hearts' desire.

At 6 p.m., what is left of the faculty and staff will serve the food. Barbecued franks, tossed green salad, frijoles, toasted buns, coffee and ice cream will be on the menu. Milk will be provided for the children. Entering students will watch to see which faculty and staff members will be unable to eat their food, and thereby get extra chow.

After dinner, there will be square and social dancing for those still able to stand. George Kelly of the ROTC Department will call the squares, and this boy is really good!

The price for all of this is only 50¢ for adults, and 30¢ for children under 12. Tickets may be purchased in advance in the Dean of Women's Office or at the Graduate Manager's Office. Latecomers can get tickets at Oak Park.

Here's how to find Oak Park. If you are driving, go out De La Vina St. to Alamar, turn left for a couple of blocks, and you are there. For bus riders, take the Oak Park bus anyplace on State Street, and get out at the Park. EVERYBODY PLAN TO ATTEND - - - IT WILL BE LOTS OF FUN!!!!!!

"POP" WELLS REVEALS BRIBE OFFER IN SOFTBALL GAME

"Peppy" Pop Wells, playing manager of the faculty staff softball team told the El Gauchito yesterday that he had been approached by an unknown person with an offer to throw the softball game tomorrow afternoon.

"It is obvious to me," the wily manager stated, "that the students are getting a little worried about the outcome of this contest, and so are resorting to underhanded means in an effort to insure a victory for their outclassed squad. Of course this means that my boys will really have to lay it on."

An investigation of the bribe offer met with stout denials from the student camp, which insists that victory is already in the bag.

DEAN SWEET TO UMPIRE SOFTBALL CONTEST

Dean of Women, Helen E. Sweet, agreed today to act as umpire at the student-faculty-staff softball game at Oak Park tomorrow afternoon. This announcement came as an aftermath of the reported bribe offer to "Pop" Wells, manager of the faculty-staff team. "I will be a fair and impartial umpire," Miss Sweet said. "I will see to it that there are no foul tactics employed by either side. The only thing I insist upon is adequate police protection."

The El Gauchito contacted Captain Bernard of the University Police and asked if he would provide guards at the game. "Absolutely not," he said. Those games get entirely too rough. The last time they had a student-faculty game, I provided seven men as guards. When the dust had cleared, three of the boys couldn't work for two weeks, and two others quit the department on the spot! Miss Sweet will have to take her own chances!"

NEW BOOKSTORE HOURS

Effective today, July 9, the College Bookstore will be open from 8:45 to 1 p.m., Monday through Friday for the remainder of the summer session.

NEWS ITEMS WANTED

News for El Gauchito should be submitted to the Dean of Women's Office or the Office of Public Information by Monday noon next week. Next week the paper will appear on Wednesday instead of Thursday, to remind you of the Goleta tour and to give you the very latest information.

NATURE STUDY INSTITUTE

Applications for the 21st annual Institute of Nature Study and Conservation are still being received by UC Extension, 906 Santa Barbara St. This two unit institute will be held from Aug. 10-22, immediately following Summer Session.

It will be an outdoor activity with field trips to many interesting places in the area to study seashore life, native birds, insects, native plants, Western trees, rocks and minerals and elementary science methods. There will also be time out for Fiesta events and an overnight camping trip for those who would like it.

CAMPUS POETRY READING EVENT

Dr. W. Hugh Kenner, Assistant Professor of English, will read from the poems of W. B. Yeats on Thursday afternoon, July 16 from 2:30 to 3:30 p.m. in the Associated Women Student's Club Room.

Students, faculty and staff are invited to hear the readings of Dr. Kenner, a distinguished authority on contemporary literature. This will be the first of two poetry reading activities during the Summer Session.
