During these talks the student is encouraged to bring up any of his problems or to ask for information and advice.

The pamphlet, Dr. Hayes explains, is just one other means of trying to help the students find their places in the college community and hit their most effective stride without painful delays and confusions.

FRENCH CLUB

All interested Santa Barbara College students are cordially invited to join Le Circle Gaulois, the college French club.

The first Spring semester meeting of the club will be held on Wednesday, February 16 at 8:00 pm in a place to be announced in next Tuesday's Gaucho. Some knowledge of the French language is required for members since the planned portion of meetings is conducted in French. The purpose of the club is both social and educational, aimed at increasing knowledge of French language and culture as well as to introduce students with interests in these of the quad building.

BASEBALL SEASON SOON TO OPEN

Now that the local winter snows have melted and Spring is once more about to descend warmly upon Santa Barbara, the thoughts and actions of Coach Joe Lantagne turn to baseball and to the prospects for the team's success in 1949. With a turnout of nearly 30 men, Lantagne, in his first year as mentor, finds himself with a squad short on pitching, questionable in the hitting and fielding departments, but excellent in spirit.

Since the first week in January, the likeable head coach has been slowly preparing his charges for the rigors of the diamond by daily gym workouts, which includes plenty of running and conditioning exercises. Now, with the first game only a little over two weeks away, practice is underway in full swing and the aspirants are going to get a taste of the real thing when actual baseball workouts begin at Cabrillo field next week.

The nucleus of this year's ball club will probably be built around the returning lettermen and letterman transfers from junior colleges. Vern Wrightson, Lou Munson, Hal Abbott, Bill French, Oren Skeith, Bud Gmur and Cy Williams are Block "C" winners who will be back for another try this Spring. Also returning are Neil Goedhard, John Bassler, Glenn Mullaney, and Norm Hernandez. Williams was unanimous choice for an all-2C2A outfield berth last year when he led Gaucho sluggers with a .473 average. Abbott was chosen all-conference utility man.

Acting Manager Kenny Kellogg reports the following men as prospective pitchers: Bill French, Neil Goedhard, Oren Skeith, Laird Stabler, Larry Smith and Don Humphreys. Trying out for the catching position are Lou Munson

and Glenn Mullaney. Among the other candidates for diamond positions are Knute Clark, Dan Smith, Jim Kutch, Dick Gorrie, Fred Swehla, Tom Kelly, Bob Grate, Jess Sandoval, and John Hackett.

Lantagne emphatically stated that he has not picked a team as yet, all positions are wide open, and any aspiring ball-players are urged to try out. The coach plans to work off the rough edges during the rest of this month before deciding upon the 20 best players ing and treating acute illnesses. that will comprise his traveling squad. First scheduled game is against the Alumni on February 26. Various other practice games are tentatively scheduled during all illnesses except those which the year, among them Whittier, students have at the time of enford.

Hoping to better their poor showing of 1948, the Gauchos open their conference season against Cal Poly on March 25-26 in a double-header at San Luis Obispo.
