SPRING 2000

Alpha Delta Pi

Alpha Delta Pi is excited to continue and plan philanthropy events for the millennium. Alpha Delta Pi is affiliated with the Ronald McDonald House, Alpha Delta Pi volunteers for other charities and helps around local areas. The Goleta Lemon Festival is an annual charity event that the girls participate in. This past Halloween, Alpha Tau Omega and Alpha Delta Pi teamed up for ATO's annual Haunted House. Children from local areas toured through the haunted house, which was built and decorated by both houses. These children were lead through the house by these members. Also, the sorority and fraternity members worked at booths, such as carnival games and face painting, for the children to enjoy.

Alpha Delta Pi works hard to grant some of the "wishes" from the Ronald McDonald House. One of its wishes was for a supply of paper towels, and Alpha Delta Pi granted this wish. Right now, the girls are making Valentine's Day cards to send to the children at the Ronald McDonald House. In addition, the new Philanthropy chairs are planning a philanthropy event that will become an annual event for the house. This year, the sisters of Alpha Delta Pi are going to focus even more on their philanthropy and charity events to reach their desired goals.

Alpha Epsilon Phi

Seen a cute frat boy lately? Chances are he is in the Men of Santa Barbara Calendar. This is the main Alpha Epsilon Phi philanthropy during the year. Money from this philanthropy goes to the Elizabeth Goaser Foundation, which researches Pediatric AIDS. The original concept for this charity calendar was created last school year by the current philanthropy chair, Laura Horowitz. The calendar process consists of getting pictures from very attractive fraternity members, campus club members and any other college student who lives in the Santa Barbara area. Then the entire campus is able to vote on which men make it into the calendar by placing change in their respective bottles. The 12 people who received the greatest amount of money during the voting at the end of last term were professionally photographed and placed in the calendar. Throughout the past few weeks, AEPi sisters have taken turns showing the pictures, selling calendars, and accepting donations. The \$10 calendars are still available. To purchase one, please contact Laura Horowitz at 685-0538.

Alpha Phi

Alpha Phi ended the 90s with a bang. Beginning with fall rush 18 spirited new members were thrilled to join their sisters in a multitude of celebrations. We held our famed Ma-phi-a party. We are looking forward to these upcoming events: Grab-a-date, Masquerade ball and Super hero celebration. Alpha Phi is known to participate in the annual Goleta Lemon festival. We also participate in athletic events such as Lambda Chi Omega's ISVT tournament, Fiji's soccer tournament, Sigma Chi's football tournament and our own Phi-ball, a volleyball tournament that appeals to the Isla Vista community to help raise money for cardiac care and heart disease. We are honored to help Theta Chi hold their annual Rock MS concert benefiting Multiple Sclerosis research. This year's line up is to be headed by **Snoop Dogg**. Last year, Rock MS raised over \$10,000 for the disease and this year we are hoping to double that! Coming up this month we will be celebrating the 50th anniversary of our presence at UCSB. We are delighted to host the International President of Alpha Phi as a guest for that weekend. With all the excitement and the importance of maintaining our exceptional GPA, a hectic and zestful quarter is preordained for Alpha Phi. Check out our new website at http://alpha_phigb.tripod.com.

The Brothers of Beta Theta Pi have endeavored into many charitable acts over the past few years. We pride ourselves on being one of the most active houses on campus when it comes to this area. Our biggest charitable contribution comes in the spring with the annual Beta Softball Tournament. This two day event, which is sponsored by the American Heart Society, incorporates the other Greeks on campus, along with chapters from other institutions. This event raised over \$2,000 last year, in our biggest production to date. We are also involved in many other worthwhile charities, including the Special Olympics and the Cystic Fibrosis Foundation. Whether it was referring at the Special Olympics or assisting at the Cystic Fibrosis Walkathon, the Brothers of Beta Theta Pi were more than willing to lend a hand. As Betas, we will not rest if there is charity work to be done.

C h i D e l t a T h e t a

On October 13, 1999 Chi Delta Theta was established as the first Asian-American interest sorority on the University of California, Santa Barbara campus. Since then, Chi Delta Theta has expanded to four other campuses: Cal Poly San Luis Obispo, Loyola Marymount University, Cal State Long Beach and the University of California at Davis. The specific ideals and goals by which our sorority was founded on include sisterhood, cultural awareness, academics, social activity and community service.

Some of the philanthropy that we have been involved in include the annual Breast Walk in Los Angeles; a storm drain stenciling program, which required us to visit various storm drains in Santa Barbara and stencil messages warning against dumping into the ocean; an the annual Isla Vista Halloween carnival where we helped decorate the Anisq'oyo Park for not only the children's Halloween festivities but the Dia de Los Muertos decorations. We also have fund raisers which help raise money for different charities. Chi Delta Theta strives to better itself by assisting the community in as many ways as it can.

D e l t a S i g m a T h e t a

The history of Delta Sigma Theta Sorority, Inc. is a tribute to the spirit and imagination of 22 visionary college women. Eight six years ago, at Howard University in Washington D.C., Delta's dedicated Founders were committed to establishing and maintaining a high standard of morality and scholarship among women. These young women envisioned a national organization founded on Christian principles, emphasizing sisterhood and public service.

Through the tremendous efforts of Delta's Founders, the organization continues to thrive as a sisterhood of more than 200,000 predominately Black college educated women. There are over 870 chapters located in the United States, Japan, Germany, the Virgin Islands, Bermuda, Haiti, Liberia and the Republic of Korea. The major programs of the Sorority are based upon the organization's Five Point Thrust: Economic Development, Educational Development, International Awareness, and Involvement, Physical and Mental Health, Political Awareness and Involvement.

F I J I

The brothers of Phi Gamma Delta are looking forward to another great winter and spring quarter. With such great events as our 17th annual "All-Greek Soccer Tournament" and our huge ninth annual benefit concert "ISLANDER" approaching, FIJI is geared to have some fun while giving back to the community.

In the past, "ISLANDER" and the soccer tournament have headlined such bands as Unwritten Law, Pivit, Sublime, 311, Buck-O-Nine, Goldfinger, Blink 182, Homegrown, The Impossible 5, and the Mad Caddies just to name a few. This year our soccer tourney will host teams for UCLA, Cal Poly SLO, UC Irvine, UC Davis, UC San Diego and USC. A great time is sure to be had by all. Everyone is invited to come out and enjoy some competitive soccer, and at night get ready to party! This year a portion of all benefits will go to Cottage Hospital in Santa Barbara, which focuses on the needs of young children. Giving back to the community is one of FIJI's principal goals and what better way to do it than by having fun.

So come out one and all and join the men of FIJI for some great times and a good cause.

G a m m a P h i B e t a

We all, whether we are Greek or not, came to UCSB in search of many different things — independence, maturity and primarily, an education. Along the way many of us were fortunate enough to have discovered an organization that provides strength to our character, depth to our education and fulfillment to our personal lives. We have found all these valuable things in Gamma Phi Beta; and, perhaps most importantly, we have found each other. And, just as our sorority's flower, the pink carnation, is the longest enduring flower, so too do we believe that the opportunities and friendships found in Gamma Phi are everlasting. In the past quarter the women of Gamma Phi have hosted a Halloween party that benefited the children of Isla Vista Youth Projects. The second major philanthropic event of Fall Quarter was our annual Pancake Breakfast. Gamma Phis cooked a breakfast of all you can eat pancakes, bacon, eggs, sausage and juice for more than 500 UCSB students and faculty. The proceeds from this event were given to Mothers Against Drunk Driving and Isla Vista Youth Projects. MADD is an organization close to Gamma Phi's heart because in 1996, one of our sisters who was attending Pepperdine Law School, Kimberly Ellis, was killed by a drunk driver. It is worthy causes such as MADD and Isla Vista Youth Projects that inspire us to donate our time and effort to these numerous philanthropic events.

K a p p a A l p h a T h e t a

After a fun and successful fall quarter, we have jumped right back into the swing of things this winter quarter. With so much fun already behind us including TGs with Pike and Sigma Nu, the Thetas look forward to our annual beach cleanup, girls' night out to a UCSB basketball game, our annual Principals and School Girls TG with Sigma Chi, a fun and crazy TG with Lambda, Theta movie night and more. Of course, winter quarter means Krystal Kike formal for Theta. We look forward to coordinating with Kappa Kappa Gamma for our annual Kite and Key Crush Party... look out boys! Our philanthropic events sponsor the CASA and HeartSpring foundations. Fall quarter brought Theta an annual car wash. Before winter break, we sponsored a Holiday Giving Tree project... buying gifts for the children of CASA. In the spring, over 40 members of Theta will walk the streets of Santa Barbara in order to raise money for Multiple Sclerosis. In addition, spring quarter brings Theta the second annual golf tournament, involving parents, fraternities, community members and many more. The enthusiasm in the members of Theta for social and philanthropy events has never been higher and has definitely been contagious for new members and others.

K a p p a K a p p a G a m m a

The 1999-2000 school year started off excellent for Kappa Kappa Gamma. The fall quarter began with an amazing rush and the addition of 24 incredible girls. Furthermore, we had various social events and philanthropic activities that brought Kappa's new and old members closer together. So far, though, winter quarter has been the most exciting with the homecoming of our 16 Kappas who were abroad during the fall. Their return has made Kappa complete once again. Spring quarter awaits us with our first ever annual philanthropic event — a celebrity-filled tennis match that benefits Isla Vista's youth sports teams. Once again, Kappa, along with the rest of UCSB's Greek system anticipates ISVT... wherever it may be. Overall, Kappa Kappa Gamma continues to maintain excellent academics, give back to our community and solidify the many friendships that have been formed here.

L a m b d a C h i A l p h a

Do you think you own the monstrous surf of Sands Beach? Can you conquer the terrifying waves of I.V. and make them your mere play toy? If your heart races at the very thought of these questions and everything inside you is screaming, "Yes, that's me. They're talking about me!" then, my friend, your time has come. For, right here at your very own favorite surf spot of Sands Beach, Lambda Chi Alpha will present to you, the test of all tests: THE LAMBDA CHI ALPHA SURF OFF! This internationally renowned event offers multiple heats of death defying competition among the finest surfers I.V. has to offer. The winner, sure to be a modern day Hercules or perhaps Xena of surfing, along with runner-up contestants will receive worthy prizes bestowed upon them by our gracious sponsors. Proceeds from the event will benefit Heal the Bay. The date for this competition has yet to be announced, for we hope for it to coincide with one of the massive swells that bombards Sands during the winter season. This is to be a test of skill that is open to men, women and children, but only those with true grit. ISVT

That's right, it is once again nearly time to pack your belongings and head down south for ISVT. For those of you who have not heard of this phenomenon, it is Lambda Chi Alpha's very own annual Inter-Sorority Volleyball Tournament. Once every spring, 150 to 200 teams comprised entirely of gorgeous amateur sorority athletes, hailing from universities all over Southern California, come together for a festival of sun, sand, tight-fitting outer-wear and of course hard-hitting volleyball. This year the event takes place at the Orange County Huntington Beach.

L a m b d a P h i E p s i l o n

Lambda Phi Epsilon is the first and only nationally recognized Asian-American interest fraternity in the United States. Since our conception in 1986, the Gamma Chapter of Lambda Phi Epsilon at the University of California, Santa Barbara has been dedicated to service in the community and university, increasing cultural awareness and achieving excellence in both academics and personal growth. We are proud that we are part of the venerable traditions of fraternities while offering the unique perspective of Asian-American ancestry to our brotherhood.

L a m b d a S i g m a G a m m a

The sisters of Lambda Sigma Gamma Sorority, Inc. at the University of California, Santa Barbara are the Zeta chapter members of this organization. Seven women at this university found the need for a diversified sisterhood at this campus. They were interested in forming a multicultural sisterhood that valued diversity, academics and philanthropic service. The Zeta Chapter was founded on November 10, 1991. Lambda Sigma Gamma Sorority, Inc. is continuously growing and providing immediate philanthropic opportunities for its members. Our national philanthropy is the California Head Start Program. The Zeta Chapter strives to assist underprivileged families within communities in Santa Barbara County. In 1992 the Zeta Chapter established the Big Sister/Little Sister Program with La Patera Elementary School, a local elementary school in Goleta. The Zeta Chapter also participates in tutoring at the Isla Vista Teen Center, the donation of Thanksgiving Food Baskets and toys during the holidays for the local community, and the Santa Barbara Special Olympics.

L a m b d a T h e t a N u

The ladies of Lambda Theta Nu Sorority Inc. take great pride in being part of the first and only Latina interest sorority established on the UCSB campus. Although we are a Latina interest sorority, anybody may join. Our purpose is to open doors of opportunity for women in higher education and within the work force. This is accomplished by providing an environment for personal growth within a unit of sisterhood. Our sorority promotes the advancement of higher education through academic excellence by requiring that all members maintain a 2.5 GPA or higher. Our community service is focused predominately within the Latino Community, however we hold no limitations.

During this past year we have tutored local kids at the I.V. Teen Center, and participated at Children's Fairs through the I.V. Youth Projects. We also worked with the elderly and the homeless, by volunteering at the Santa Barbara Transition House. By serving as role models, we have a positive impact on our community.

N u A l p h a K a p p a

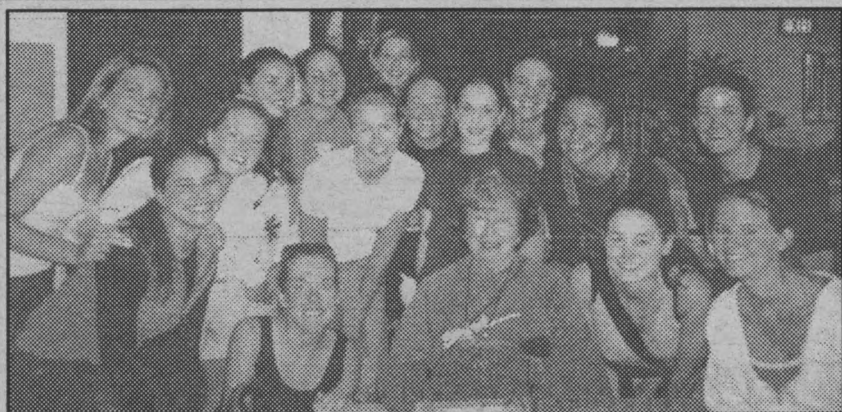

Nu Alpha Kappa Fraternity Inc. was established at UCSB on November 21, 1992 by 12 close friends. The Founding Fathers established the Zeta Chapter in order to provide an avenue for those individuals who felt, shared and believed in the goals of academic excellence, strong sense of culture and brotherhood.

NAK is an academic, personal and social network for all members. It is involved in many capacities both within the UCSB campus and surrounding community. NAK prides itself on the tight knit sense of family that is shared amongst all chapters. It is a priority to maintain close relations and travel to all chapters in order to share experiences as well as to show support. As an integral part of the Latino community at UCSB, the brothers of NAK also attempt to provide events which promote social and cultural awareness. Some events that NAK is a part of include Adopt-a-Highway, and R.O.C.K. on Isla Vista.

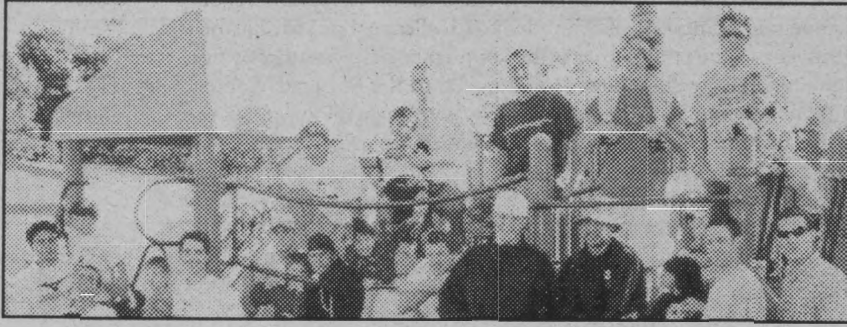

It is through these various components that NAK is able to instill a stronger sense of one's self as well as to create a well-rounded and cultural experience for those individuals that seek to join our brotherhood.

P i B e t a P h i

Although others have followed, Pi Beta Phi was the pioneer — the first national fraternity for women to have its own philanthropic project. Some of the earlier projects include the Pi Beta Phi Settlement School, and the Arrowmont School of Arts and Crafts. In keeping with the fraternity's original educational mission at Settlement School, alumnae clubs and chapters today are helping to identify and fill the literacy needs within their local communities through "Links to Literacy." Another project, Arrow in the Arctic, collects donations from Pi Phis everywhere, which provide support for the many branches of the library systems in the Yukon and Northwest Territories. Our local chapter of Pi Beta Phi regularly visits the residents of Friendship Manor as well as the residents of Hillside House. This year, Pi Phi is doing a new philanthropy. It is called Bowling for Books! This bowling tournament is going to benefit the new school in Isla Vista. Pi Beta Phi is going to donate money to the school to purchase books for the library.

S i g m a C h i

The fundamental purpose of the Sigma Chi Fraternity is to cultivate an appreciation of and commitment to the ideals of friendship, justice and learning. Here at UCSB, the Zeta Kappa chapter has continued to thrive for 35 years. Our commitment to the highest standards in recruitment, education and philanthropy have continued to pave the way for success during and after college. The diversity of our chapter is a unique characteristic which sets us apart from other houses. While maintaining one of the top GPAs in the Greek community, we also are represented by many NCAA athletes competing in basketball, volleyball, baseball, tennis, soccer and lacrosse as well as three professional surfers. We regularly visit the Hillside House which provides services for mentally and physically disadvantaged people. We are also active with Isla Vista Youth Projects planning quarterly visits to help with upkeep of the facility and playing with the children.

S i g m a C h i O m e g a

Sigma Chi Omega of UC Santa Barbara was founded in the Fall of 1993. It was started by 10 men who wanted to create a brotherhood that did not discriminate on the basis of race.

Sigma Chi Omega continually strives to develop "mind, body and brotherhood." That is, we encourage academic excellence, physical fitness and a sense of unity through our activities and events. We are looking for new members who are down to earth, outgoing, motivated and who will positively represent the fraternity. Our organization offers advantages to its members in three main areas: academics, social activities and employment opportunities.

S i g m a K a p p a

Sigma Kappa is a national sorority that was founded in 1874. Since then, it has expanded from its original five founders to an ever growing 120,000 dedicated, intelligent and fun loving girls found all over the country. This Beta Chi Chapter of Sigma Kappa at UCSB is extremely proud to not only be a part of such a wonderful, well rounded sorority, but to also be involved in the campus and the community. The four main philanthropies that we sponsor are Gerontology, Inherit the Earth, Alzheimer's disease, and the Main Sea Coast Mission. It is with great satisfaction and passion that the women of our chapter regularly visit our fellow community members at Friendship Manor, a home for the elderly. In association with Gerontology, Sigma Kappa also adopted Inherit the Earth in 1992 as a national service project. The sisters of Sigma Kappa are concerned with the beaches of Santa Barbara.

Our Annual Burrito bash, taking place this spring quarter, allows us to come together, with the participation of the community, to not only raise money for Alzheimer's Association, but to have fun. Sigma Kappa is also extremely excited about a new event called Singled Out, based on the MTV dating game. It will give fellow students the chance to meet others, have a lot of fun, all in hopes of finding their perfect match. In addition, our proceeds will go to benefit one of our philanthropies. As members of Sigma Kappa, we are extremely excited about helping our community and causes through our philanthropic events.

S i g m a P h i E p s i l o n

Since 1947, Sig Ep Brothers at UCSB have lived by our cardinal principles of Virtue, Diligence and Brotherly Love. This year has been no exception. At Sig Ep, we take academic excellence very seriously and have house study hours and test files. Besides our dedication and commitment to academic excellence, our year has been filled with rewarding and valuable programming. One of the many benefits that Sig Ep has to offer its members and the community is the abundance of philanthropy events in which we engage. We begin the year with our 11th annual Greek Football Tournament, where we estimate \$3,000 will be made and donated to the Battered Women's Shelter.

Socially, we hold many successful functions, and this quarter will be our 12th Polar Ice Cap Party. Ice Cap last year awed visitors with huge igloos and six tons of snow on the front lawn. We also engage in many mixers, TGs and date parties throughout the year with sororities. Road trips as well as house intramural sports involve many of the brothers. Our doors are always open at the Red Brick House at 795 Embarcadero del Norte.

T h e t a C h i

Theta Chi has become one of the leading fraternities that continue to grow and improve every day. This year is marked by improvements in every aspect of the fraternity experience. Theta Chi has emerged as a powerhouse in athletics, social functions and philanthropy here at UCSB. For athletics, Theta Chi competes in many intramural and Greek tournaments, such as volleyball, soccer, baseball and especially football. Socially, no other fraternity has more fun or parties harder than Theta Chi. Whether we are having a "larger than life" Saturday night party, or a small intimate get-together with a lovely sorority, Theta Chi is always having a great time. We have also created the largest and most entertaining philanthropic event in the history of the Greek system. The third annual Rock MS concert on February 25, a charity event to raise money for the research of Multiple Sclerosis, promises to raise more money than any other Greek event. This year's amazing performers, Snoop Doggy Dog and Coolio, will make this the best and most successful concert ever. Besides these fun events that Theta Chi has to offer. We also pride ourselves in having a genuine brotherhood, and a sense of family. This brotherhood creates a support group that can help a struggling member when he is not doing well. Through all the things that Theta Chi does, there are many opportunities to get involved and become a leader. When you're a Theta Chi brother, your life is a non-stop roller coaster that enhances every aspect of your college life.

Z e t a P h i B e t a

Zeta Phi Beta Sorority was founded January 16, 1920, on the campus of Howard University in Washington, D.C. by five astonishing women. These women dared to depart from the traditional coalitions for Black women and sought to establish a new organization predicated on the precepts of Scholarship, Service, Sisterhood, and Finer Womanhood.

The sorority was the first Greek-letter organization to charter a chapter in Africa (1948); to form adult and youth auxiliary groups, the Amicae, Archonettes, Amicettes, and Pearlettes; and to be constitutionally bound to a brother group, Phi Beta Sigma Fraternity, Incorporated.

The legacy of Zeta Phi Beta Sorority Inc., was brought to the campus of the University of California at Santa Barbara on May 22, 1999, by 11 illustrious women. The following women: Divita Wright II, Tedra Tanner, Courtney Burbridge, Ebony Kee, Melody Ngaue, Shanicka Brown, Tawiah Burrows, Samantha Rainer, Samara Ashley, Eboni Bryant, and Crystal Polk continue to carry out the principles and programs that the five pearls established 80 years ago. There continues to be thousands of chapters located in nine regions throughout the U.S., as well as West Africa, West Germany, Bahamas Islands, Virgin Islands, South Korea and Italy.
