Men Vote for Queen Candidates Wednesday; Gala Weekend Set

With Homecoming '49 just around the corner, the Associated Men Students will go to the polls on Wednesday, November 2, to determine which of the 10 beautiful Queen candidates will reign as queen during the 26th annual CAL-ossal activities. Election booths will be set up in prominent places, and students are reminded that the polls will be open ONE DAY ONLY, on both the Riviera and Mesa campuses, from 9 a. m. to 4 p. m.

The four runners-up to the queen will serve as the queen's court for the series of Homecoming events, which include the all-college sing on Thursday, November 3, in the Riviera Auditorium; the Galloping Gaucho Revue on Friday, November 4, in the Riviera Auditorium; and the Homecoming Parade, the Gaucho-Wave gridiron clash, and the all-college dance at the armory on Saturday, November 5.

CAL-ossal Parade

The Homecoming Parade promises to be the most CAL-ossal ever held at Santa Barbara, and will feature 18 Greek organization floats, plus a host of celebrities and the stirring march music of four different marching organizations. Parade time is 2:30 p. m.;

QUEENS IN QUAD

A special introduction of all candidates for Homecoming Queen will be held in the quad at 11:50 Monday. This will enable all men to make their decisions relative to the Wednesday election.

the parade will form at State and Haley Streets and move northward on State Street to Micheltorena; the groups will then move eastward on Micheltorena Street and disband in the neighborhood of Alamenda Park.

Gigantic Rally

Immediately following the parade will be a gigantic RALLY at the Sunken Gardens, just to the south of the parade terminus, with all rooters ably led by the Gaucho yell-leaders and the band in the college yells and songs.

The parade floats may be viewed Saturday evening at La Playa Field, the scene of the Santa Barbara Gaucho - Pepperdine Wave contest. Sunday morning has been reserved for the numerous organizational alumni breakfasts and activities.

Homecoming '49 is under the direction of the Special Events Committee, headed by Beverly Purdum and Ken Trevel. Members of the hard-working group are Gloria Steers, Eleanor Conte, Jim Mulick, and Jim Stanley.

No Gaucho Tuesday; Special Edition For Homecoming

Due to the fact that most staff members of El Gaucho plan to attend the All-Cal Week-end and so will not be able to work on a Tuesday edition, the next issue of the college paper will not appear until a week from today.

A special eight-page Homecoming Edition is planned for Friday, November 4. It is to include news stories on the events of homecoming week-end in addition to feature material of interest to both students and alumni.

Bookstore Hands Hauser Prize

Winner of last week's Bookstore football contest was Arthur Hauser. Predicting a 13-to-56 score, Spartans on top of course, Hauser missed by only one point on each end.

Predictions may still be made for tomorrow's contest with the Cal Aggies down south. The closest prediction wins a five-dollar bookstore money order.

GREAT SHOW

Pete Grant announces the "greatest little show on earth," which will be held in the Riviera auditorium on Friday, November 4th. The tickets are going on sale this week in the Graduate Manager's office. The prices of the tickets will be 60 cents for students and faculty, and 90 cents for the townspeople and for reserved seats.

There will be two hours of fine entertainment, over which Jim Scott will preside as Master of Ceremonies. Be sure to get your tickets early, as they will sell very quickly. Don't miss the finest show of the semester.

All-College Sing Thursday Evening Riviera Auditorium

The first All-College Sing to occur in conjunction with Homecoming will be held in the Riviera Auditorium Thursday, November 3, at 7:30 p. m. Dr. Walter Buchanan will lead a short period of group singing at the beginning, using such peppy college numbers as "The Lady in Red," "California," and introducing the new "Gaucho Fight Song."

Eight groups competing for the trophy and second and third place ribbons are Delta Sigma Phi, Delta Tau Delta, Keener's Kuties, Sigma Pi, Sigma Alpha Epsilon, Freshman class, Phrateres, and Beta Sigma Tau. Each entry will have five minutes in which to snig tow songs. The California Club will also sing two or three specialty numbers during the program.

The Men's Glee Club under the direction of Dr. Buchanan will present a concert including the following numbers: O bone Jesu by Palestrina, "Jesu, joy of man's desiring, Now let every tongue adore thee, and (Sleepers, Wake!) by Bach, the Glee Club; Di Provenza il mar (La Traviata) by Verdi, Sam Simons; Solenne in quest'ora (La forza del destino) by Verdi, Dale Emde and Sam Simons; Trio from Faust by Gounod, Shirley Newlin, Dale Emde, and Alfred Jensen; An Act of Pp-to-Date Grand Opera, Sam Simons, prima donna, Robert Bush, tenor, Alfred Jensen, janitor; Sea Chanteys: Eight Bells, Away to Rio, and Old Man Noah, the Glee Club; Sourwood Mountain, Dry Bones, Calliope, Quartet composed of Dale Emde, Edward Harris, Stephen Roland, and Dale Shaver; Look to This Day by Gaines, Our Sturdy Golden Bear, Gaucho Fight Song, Hail to California, the Glee Club.

"We want everyone to come out to have a fine time, let off steam, and start off Homecoming with a bang," commented Ken Trevel, chairman of the affair.

The arrangements are being handled by Jim Stanley and the Homecoming committee.

Migration South Begins Today; Parade, Bonfire, Dance Tonight

"Three Bears" will descend on Los Angeles today, joining UCLA to commence the All-Cal Week-end. The branches of the University include Santa Barbara, Berkeley, and Davis, who will meet at the UCLA campus.

Coronation of UCLA's Homecoming Queen will take place at 11 a. m. today followed by the Cal-UCLA Frosh game at 2:30 on Spaulding Field. A float parade scheduled for 8 p. m. will precede an All-U pre-game rally. Santa Barbara's student body president, Bob Hartzell, coach Roy Engle, and our three yell leaders will participate in the rally with representatives of the other campuses.

The next event scheduled is the "C" ceremony consisting of three simultaneous activities. First the "C" itself will be lighted and reflected by food lights in a brilliant blue and gold. The All-University alma mater, "Hail to California," will be played on the Royce Hall chimes followed by the singing voices of the combined Men's glee clubs.

The lighting of the giant 30-foot bonfire in blue and gold follows immediately, highlighted by a spectacular fireworks display. A pajamarino will be formed in a serpentine which will lead around the bonfire and eventually wind up at the Rally dance.

The Rally dance will be held in the women's gym, tickets selling for 75 cents each. Two bands will be featured: the Firehouse Five, a Dixieland combo, and smooth music by Chuck Cabot and his orchestra. Awards will be presented at the dance, including the Grand sweepstakes trophy for the best float, and prizes for the most unusual pajama tops worn in the pajamarino. UCLA's Homecoming Queen and her court, and guest stars will be present at the dance.

Gauchos will play the Davis Aggies in the football game at 11 a. m. tomorrow in the Los Angeles Memorial Coliseum. A float parade review will precede the Cal-UCLA game at 2:30.

Mayor Fletcher O. Bowron of Los Angeles has declared, today, tomorrow, and Sunday as All-University of California week-end.

This is the second annual All-Cal Week-end, coordinated by the Cal Clubs of the four major campuses.

C-U-All down south at the Southern celebration!

Here's How to Get There-By Train

For rooters arriving by rooters' train in Union station in Los Angeles: Take the "N" car from Macy street side of station to 5th and Spring. Walk 3 blocks west (right) to Pershing Square, at 5th and Olive. Catch PE bus No. 82, maked "Westwood, UCLA" on the west side of square. This bus runs directly to the UCLA campus and stops. Time: one hour.

Special roped-off areas on the Quad will be set up for visiting students so that each may sit in his own school's territory during the Coronation and President's Convocation on Friday at 11 a. m. There will be sign posts indicating the various sections for each University.

Information booths will be set up at intervals on campus during the week-end so that out-of-town persons may obtain directions, advice, and so on. The booths will be manned by UCLA's Co-ed Auxiliary.

EDITORIAL

Within the next ten days Santa Barbara students will have the opportunity to participate in two of the year's largest events, the All-Cal Week-end at UCLA and our own Homecoming. Included in them are ceremonies, parades, dances, games, and other festivities too numerous to mention. These many activities are the result of the detailed planning and hard work on the part of the chairmen and members of the committees and organizations concerned. These people give their time and effort freely to further activities for the benefit of the entire student body.

Surely the students should show their appreciation for this work. This can be done by compliments or suggestions when they are valid and by cooperation with the people in charge of the event attended. Such action will show these people that the student body is interested in and appreciates their work and will give them added incentive to make future events as successful, and perhaps even more so, than All-Cal and Homecoming 1949.

Tuesday night the La Cumbre recommendations for printer, photographer, and binder of the 1950 book were approved. Zane's Studio will supply photos for the book, and Lederer, Street & Zues will do the makeup and printing. La Cumbre editors Bill Jackson and Ken Terry are confident that LA '50 will be a memorable annual.

Correction: last week we stated that council had approved awards for themselves, to be a chenille "C" on a white pullover sweater. This statement was misconstrued by many. Council only approved the "C" award, and recommended that it be placed on a white sweater for uniformity.

The Safety Committee, composed of faculty members, decided that the council reserved parking spaces in the student lot are not necessary, when they were pressed by student opinion. However, one of these spaces will continue to be reserved for the El Gaucha editors to facilitate printers' deadlines. Other cars parked in this space will receive violation tickets.

Council approved, after a heated discussion, in which members of the Press Control Board, outside students, and council members ironed out differences of

opinion, the recommendations of PCB regarding editorial policy and a united effort to improve even more the quality of El Gaucha.

One item which garnered considerable interest was the question of whether El Gaucha was published by the Associated Students or by Student Council. The publisher automatically has complete control over the editorial policy of El Gaucha and can stifle any is-

JOTTINGS

This afternoon we will be in Los Angeles and then the fun will start! It seems that all of our fraternities and sororities have made many plans for these two fun-filled days. There will be open houses all week-end, dances, parties, and probably a lot of things that none of us have heard of.

The Sigma Alpha Epsilon will stage an open house; the Beta Sigma Epsilon have reserved rooms at the Beverly Carlton Hotel and have a block of seats reserved in the "rooting section." The Delta Sigs are taking in a couple of parties, one of which will be the Beta Gamma on Saturday night. The Sigma Pi fraternity will have a party on Friday night after the rally, then on Saturday night Graham Mahaffey is having a house party in Beverly Hills; they, too, have a block in the rooting section. All California chapters of the Kappa Sigs will be fully represented at a joint open house in the Kappa Sig house down south. The Delta Tau Delta is having an organized party for all the Deltas of all of the U. C. campuses.

Wedding bells will soon be ringing for Mary Lou Roewekamp and Earl Engman, also Bami Everett announced her engagement to Tom Ogden. Bami is a Chi Delt pledge.

Open Letter

Dear Gals,

These cold winter days are certainly not the Californian's dream. Almost as bad as the Great North! But the way to keep ahead of this weather is to own one of Wendel's big, comfy coats or jackets. In fluffy wool—either plain colors, tweeds, or plaids—corduroy and gabardine. You'll be warmer than you ever dreamed you could.

Stop by and take a look around—better have that coat before "All-Cal" Weekend. You don't want to catch cold and have to remain here.

See you down south.

Wilton Greet 35 Prospective Basketball Players Headed by Snyder and McCutcheon

Coach Willie Wilton greeted four returning lettermen, six players from last year's squad, and about 25 prospects as he held his first informal practice sessions of the year this week in preparation for the ensuing basketball season.

Led by Gene Snyder and Bob McCutcheon at forwards, and Hudson Scott and Jack Moore at the guard spots, about 35 prospects are working out in the armory under Wilton's watchful eye during afternoon training at the armory. Also back from last year's team that landed in a tie for second

place in the 2C2A conference are Patty Hill, Bernie Fox and Jim Schleuter at forward, and Nick Fasola at the guard position. Bert Guisness and Jack Aldridge, two more forwards, round out the returning list.

Prospects are again bright for Wilton, who has never finished worse than second in conference competition, certainly Santa Barbara's best sports record. Last year, much the same squad finished in a tie with San Diego State for second place. Probably the biggest highlight of last year's season was the 60-44 upset against San Jose State which saw the Gauchos trouncing the league leaders for their first defeat in 1949 conference play.

The Gauchos ended up with a conference record of six wins and four losses, and an overall for the year of 11 victories against nine losses.

INTRAMURAL TENNIS
The annual Intramural Tennis Tournament for men will start November 14 at the Stadium Tennis Courts. All men, except varsity and letter men, are urged to enter. There will be no entry fee. For fun and keen competition see Mr. Kaywood in West Hall 110, by November 11.

Bob McCutcheon was voted all-conference forward for last year while winning his second varsity letter at Santa Barbara. Snyder, also a two-letter man, is back for his final fling and with a few breaks should land in the all-conference bracket himself this year. Hudson Scott, currently training for the football team, will be out for his third letter also.

Any more aspiring casaba-men are urged to contact Wilton in his office in the men's gym or drop down to the armory during afternoon practice.

Preliminary Gaucho-Aggie Game Kickoff at 11am--Rated Toss Up

Gridiron festivities for the second annual "All-Cal Week-end" begin tomorrow morning at 11 as the Santa Barbara Gauchos and the Cal Aggies from Davis clash in a pre-game tilt to the crucial Bruin-Golden Bear contest in Memorial Coliseum.

MURAL MUSINGS

The surging Lambda Chi Alpha football team, sparked by brilliant defensive play of End Walt Chimil and Backs Bob Talley and Gil Rayburn, climbed into a three-way tie for second place Tuesday when they dumped the previously undefeated Sigma Tau Gamma team, 18-0. The Lambda Chis are now tied with Kappa Sigma and Sigma Tau for second place behind Delta Tau Delta, with four wins and one loss.

VOLLEYBALL ENTRIES

More entries are needed for intramural volleyball which starts November 7. Fraternity entries are especially needed. All interested persons please contact Mr. Kaywood in West Hall 110.

WOMEN'S INTRAMURALS

The women's intramural program features volleyball this semester on Wednesday evenings from 7 to 9 p. m.

Games between living groups and organizations are now being slated. Any group interested in participating should contact Betty Westbrooke immediately. A trophy will be awarded to the winning team at the close of the tournament.

Last year at Berkeley, Santa Barbara trounced the Aggies 26-7. But so far this year the Mustangs' seasonal record shines compared to the Gauchos'. They boast of wins over the Stanford JV's, Humboldt State, and Southern Oregon College. Their lone defeat was at the hands of Occidental, as the Tigers blanked them 26-0.

Revolving around the "T" formation, the Aggies potential threat is left half, Kenny Kuykendall. Kuykendall, a fleet break-away artist and a specialist at open field running, is one of the lightest members of the team, tipping the scales at 145 and standing five feet eight inches. Another running back, Don Schamm, fills in on the right side of the backfield. An ex-Santa Clara, Fullback Bill Collins, supplies the bulwark in the backfield with his 204 pounds of line-plunging ability. Quarterbacking the Mustangs will be Bill Diaz.

Coach Ted Forbes has whipped together a forward wall averaging 192 pounds per man. Right End Jerry Witt carries the Mustangs' hopes in the pass-receiving department. One hundred eighty-five-pound Don Cox, a California transfer who saw action in this year's Rose Bowl game, is a standout on pass defense. John West and Wilis Ryder carry the load at tackles, and Burt Ray and Bob Leavitt flank 220-pound Center Archie Dessert, at the guard posts.

Pre-game prognostications have the two elevens at an even draw. The Gauchos' hope for a victory are high since their squad is practically at full strength once again. The only grizzer definitely out for tomorrow's gamem is End Don Casida. Casida suffered a wrenched knee in San Jose's 55-14 rout of Santa Barbara. Fred Lloyd, off the injured list, will spell Casida at his usual right end position.

Dick Johnson, who for two consecutive games has ripped off the longest runs for the Gauchos, should be the fellow to watch against the Mustangs. Johnson is tied with Tom Kelley for top individual scoring, with two touch-down apiece.

Starting lineups:

sues which it considers inimical to the interests of the publisher. Proponents of freedom of the press asserted that El Gaucho is in an Associated Student publication, thus placing the control in that body's hand. Council's decision upheld this belief.

When the dust cleared, council and PCB had worked out a joint committee to investigate El Gaucho policy. Everyone was happy.
