SANTA BARBARA, CALIFORNIA, TUESDAY, OCTOBER 21, 1930.

No. 6

ROADRUNNERS DOWN TOUGH LA VERNE TEAM 25 TO 6

Twenty-five to six. That's what the rambling Roadrunners of State did to La Verne's Leopard on Pershing field Friday night, and they would have done a lot more, if the overconfidence bug hadn't kept the home team under cover for the first half of the game.

The comparatively weak Leopard clawed the Roadrunners for two quarters, breaking through the line, going around ends for first downs, and pushing the State men around almost at will. In the first period, Greeson fumbled a La Verne punt on his own two-yard line, and the southerners recovered and scored on a center buck with Weywright carrying the ball. The attempted conversion failed, as did all of Santa Barbara's except the last one in the game.

Near the end of the half, the Roadrunners slowly awoke to the fact that the game wasn't on ice after all, and never would be if they didn't get into action sometime in the near future.

Tuffy Treloar was the first of the Olive and Whites to grasp the situation and Leopard's tail at the same time. Tuffy intercepted a La Verne pass in State territory, and he and Ace Hickman in four well-executed plays carried the pigskin to the southern seven-yard line, Army Kessler taking the ball through tackle to tie the score.

In the second half, the Roadrunners began to get into their true form. Tuffy brought a southern punt back to the enemy 28-yard line, and a 25-yard pass from Greeson to Hickman scored, breaking State's 6-6 tie with the weakest team in the Southern Conference.

In the final quarter the Roadrunners got into stride, and ripped through the visitors for consistent first downs. Another 25-yard pass, Greeson to Hickman, made the third touchdown, and a drive for the entire length of the field, with line bucks and a Pierucci to Greeson pass eating up the distance, carried State to the southern nine-yard line. Tuffy went around right end to score, and the extra point was earned when Pierucci passed forward to Colton, who lateraled to Hickman for the score, leaving the count 25 to 6 as the game ended with the Roadrunners again within scoring distance.

After they got off of their high horses, the Statemen played good football. Fake backfield plays, reverses, and end runs went better than ever before. Passing was the best this year, and the entire backfield functioned smoothly, running off plays with precision.

The forward wall supplied fine cooperation in the second half, the ends breaking through to throw the Leopards behind their own line, and the rest of the line shutting out the southerners on end plays and ripping them open on line bucks.

While Santa Barbara was taking down the La Verne team, Whittier, who will meet the Roadrunners at Whittier next Saturday, swamped Cal Christian by a 39 to 7 score Friday night. State defeated the Christians 7 to 0 two weeks ago. And Occidental swamped Whittier last week, which is not so hot for State.

The lineups were:
La Verne (6) Jones.....LER..... Goodfield
Ferree.....LTR..... Barth
Kunk.....LGR..... Imes
Montz.....C..... Johnson (C)
Nicolas.....RGL..... Davis
Leonard.....RTL..... Allerdyce
R. Adams.....REL..... Colton
Hubbell (C).....Q..... Pierucci
Forney.....LHR..... Haberick
Smith.....RHL..... Treloar
Webb.....F..... Greeson

Pomona Sagehen Lauds Roadrunner Gridsters

What do conference opponents think of S. B. State? The following opinion is taken from The Student Life, weekly publication of Pomona College.

SANTA BARBARA IS HURDLE FOR TEAMS

Santa Barbara, up and coming northern school, which hopes to become a member of the Southern California conference next year, is proving to be a real testing ground for the teams of that league this season. Early in the season Caltech journeyed north, and returned with no better than a 6-6 tie, the Roadrunners succeeding in stopping Dickey, the plunging fullback; Watson, triple threat man, and Fox Stanton's much publicized reverses and lateral passes.

Last week Redlands also went north strongly favored to win, and came home on the short end of a 7-6 score. In justice to the Bulldogs it must be said that the field was muddy, which greatly hampered the Beiden passing attack, which is Redland's main threat this season. However, we should hand it to the Roadrunners for putting out a team of high caliber and they will be a welcome addition to the list of Conference opponents.

FALL FROLIC PROVES SUCCESS

Gayly disporting themselves in the annual "Fall Frolic," over 200 State students participated in the school dance in Rockwood last Saturday night.

Floral decorations in abundance perfumed the air as the students took part in slow waltzes and the livelier steps of this "dance-crazed" age. Soft music echoed through nooks and corners and rolled across the wide expanse of floor, as couples drifted out into the night or moved to its syncopated rhythm among leafy bowers and between curtains of blossoms which festooned the hall.

Each of the ten dances was named for a flower, and the evening's program blended in with the dreamy atmosphere. Walter Robinson's orchestra supplied the dance music.

The dance program committee was headed by William McDavid, who also was floor manager. Catherine Rogers was in charge of decorations, and Stuart Thompson handled advertising. Virginia Weber was in charge of refreshments and invitations.

Patrons and patronesses of the dance were Dr. and Mrs. C. L. Jacobs, Mr. and Mrs. W. W. Peters, Miss Agnes Platte, and Leon Trimble.

W. A. A. MEET HELD

A meeting of the W. A. A. was held in the gym after hockey practice last Tuesday night. Helen Furby presided. It was decided by vote to award W. A. A. points for natural dancing under Miss Dozier.

Anne Furtado was elected volleyball manager.

The first initiation of new members will be held November 21 at an overnight party being planned by a committee. You win membership by earning at least 50 points in sports. So, new people, here's your chance!

MAIDEN STILL WEEPS

Yes, "I'm Dancing With Tears in My Eyes," and so is everyone else. How about a benefit dance and charging a penny a dance for buying some new phonograph records?

'ON TO WHITTIER! IS STATE WAR CRY

ON TO WHITTIER!

With the old Roadrunner spirit rapidly mounting farther up the thermometer of collegiate enthusiasm with each succeeding day, all indications point to a gigantic caravan wending its way to Whittier Friday evening for State's fourth contest of the season against the Poets. Wesley Dickenson, Student Activity committee chairman, is in charge of general arrangements for the trip.

On to Whittier!

Cliff Leedy and his twenty-piece Roadrunner band will write a new chapter into Santa Barbara State away-from-home rooting activities when they accompany the team south Friday. The musicians, resplendent in their new uniforms, will sparkle with tuneful harmonies during the game and will be featured in marching formations between halves.

On to Whittier!

Coach Hal Davis aided by Luke Trimble has been bringing the eleven along at a pace where the team is showing a steady improvement with each game. Students and other fans are looking for horses, bicycles, and cars for transportation to watch the up and coming Roadrunners battle it out with Whittier.

On to Whittier!

A pep assembly, headed by the Student Activity committee, will be held Thursday morning at 11 in the auditorium with a special song and yell practice. General plans and instructions concerning rooting activities at the game will be announced. All students are urged to make a special effort to turn out in order to reach a 100 per cent student body attendance.

Be with the crowd and go to Whittier.

ON TO WHITTIER!

'THE GHOST STORY' WELL UNDER WAY

According to all reports, the only way to get any news out of the dramatics organization, The College Players, is to have them issue a daily bulletin. Developments are appearing rapidly, and every member of the club is so busy that a reporter can't get an interview with any of them.

Catching one of the unsuspecting members in a corner of the auditorium, I managed to squeeze out of him that Martin Bredsteen and Martha Bell have the leads in the forthcoming production, "The Ghost Story." He told me that Marty had pages and pages of lines, and that they were rehearsing daily in order to have the play ready by the first of November.

Hearing from members of the association that "The Killer" had been lost, I began to be alarmed, fearing that perhaps they had borrowed a trained ape and misplaced it about the building somewhere. I was about to turn in a fire alarm, when I discovered that "The Killer" is a play. It is not just an ordinary play, but the one that is being produced by The College Players for the Christmas program about December 20. "The Killer" has since been discovered, however, and the parts are being typed. Tryouts for this evil-sounding drama will be held soon, and somebody said that there were a lot of good parts for hard-boiled looking guys. So here's our chance, boys!

S. B. CLASHES WITH POETS AT WHITTIER FRIDAY

Pre-Rushing Tabu, Tietz Warns Sororities

Freshmen and new women students, attention! Sorority rules forbid rushing during the first semester. There seems to be a misunderstanding among many of you in regard to sorority rushing. In fairness to you and to the five Greek letter organizations on our campus you should know that any rushing before the second semester is illegal. Perhaps you have felt neglected because no sorority paid any attention to you. They are not overlooking you, they are merely upholding the Pan-Hellenic ruling that they agreed to support. Rushing is defined in the Pan-Hellenic constitution as "an effort on the part of a person to increase a rushee's interest in a particular sorority. By the word 'rushee' is meant any girl who may become eligible at any time."

Elsie Tietz,

Pres. of Pan-Hellenic.

Seniors' Notice

All students who expect to graduate in February, June or August have not yet seen the registrar. It is of the utmost importance that they do so at once. Also students receiving notes in their boxes from the registrar's office should answer promptly. Jane C. Miller, Registrar.

CLINIC FINDS NO BAD DISORDERS

Twenty-two percent of the students of the Santa Barbara State college examined by the staff of the bureau of tuberculosis of the state board of health are underweight or overweight, but there are no serious physical disorders, according to a report made to college officials.

The staff conducted a nine-day examination of students. A motor clinic is used by the staff in traveling from place to place in the state.

In addition to physical examinations, the staff made x-ray photographs of the chests of 379 students, 11 children from the college elementary school and eight faculty members. Tonsilectomy was recommended for thirty students. Hospital insurance carried by the students will take care of the charges for the operation with the exception of the surgeon's fee.

HOCKEY EX. TONIGHT —COME EARLY

According to Miss Dozier, the hockey examination will be given this evening. It will consist of a hundred true or false questions. In order to answer the questions correctly, one must know "Spaulding's 1930 Hockey Rules." Miss Dozier hopes that the girls will come out this evening as early as possible so that there will be sufficient time in which to take the ex. and get in some practice. Remember this is the last night to practice before the big games.

CUDNEY PROVES

SALES ABILITY

Larry Cudney certainly deserves special mention. Out of kindness of heart he sold over twenty memberships to the Outing Club.

With a clean record of three wins, one tie, and no defeats thus far in the 1930 season, Santa Barbara State runs up against a tough obstacle this Friday night at Whittier in the shape of a fighting Quaker eleven, who has cast aside its cloak of peace and is out for blood.

The game will be played at Hadley field in Whittier, on Friday night, instead of Saturday, as scheduled. State will be the under dog in this game, and it will be uphill going all of the time, for last Friday the Poets took the Cal. Christian Panthers into camp, 39 to 7, and since the hilltoppers only score a 7 to 0 win over the Panthers, they have just a fighting chance to come out unscathed against Whittier.

Whittier's weakness is reverses and end runs, which proved to be their undoing in the game with Occidental two weeks ago. Galloping Dick Glover, former State man and now backfield star for the Tigers, ran the Poets' ends for three touchdowns and was instrumental in putting the ball over the fourth, and unless the Whittierites have improved considerably, "Ace" Hickman and "Tuffy" Treloar are liable to pull a similar performance.

The Poet's line outweighs the Roadrunners by several pounds to the man, and they are powerful enough to hold the Tigers at bay for the entire first half before weakening. Judging from this, Fred Pierucci and Army Kessler will have to do plenty of pounding at the line before garnering any touchdowns by that method.

A large crowd of rooters is expected to take the trip to Whittier, and Cliff Leedy's pep band will put in its appearance also, in its hotsy-totsy Collegiate Sam outfits to dazzle the eyes and deafen the ears of the southern populace.

The lineups will probably be as follows:

Roadrunners	Poets
Colton.....LER.....	Duncan
Wade.....LTR.....	Detrick
Davis.....LGR.....	Jones
Johnson.....C.....	Groome
Imes.....RGL.....	Daugherty
Barth.....RTL.....	Gibbs
Goodfield.....REL.....	Grunsky
Kessler.....Q.....	Dell
Pierucci.....RHL.....	Krueger
Treloar.....LHR.....	Martin
Hickman.....F.....	Ograin

ROADRUNNER CHICKS TACKLE OIL MEN

Saturday night the frosh footballers will clash with the Bakersfield Junior college at the valley city, in what will be the toughest, as well as the first night game, for the Chicks.

Bakersfield has been the football headquarters of the valley for many years, and they are still carrying on the old traditions. With four all-State men from last year's Bakersfield High team as a nucleus, the Drillers have developed a powerful offense that has run roughshod over all opposition. In their last start the Kern county boys trounced Visalia Junior College 45 to 0, and they are promising the same warm welcome to Fred Allred's charges.

The frosh took some rough handling from Ventura in the last game but most of the boys are fully recovered and will be "raring to go" when they reach the valley. "Brick" Schooler is the only regular who may not start. "Brick" spent a couple of days in the hospital with an injured knee, and Coach Allred may hold him out of the game. Three of the boys have a special interest in this game. Killian, Bell and McCollough hail from the valley city and want to show their stuff before the admiring home-folks.

THE EDITOR SPEAKS

NO SMOKING

In the first edition of the Eagle this semester there appeared an official notice concerning smoking in the quad and corridors. State law prohibits smoking within any public school building. Tradition includes the quad in this ruling. A few unintelligent morons still continue to smoke while in the quad. The enforcement of the no-smoking tradition should rest with the men of the college and not with the administration. We recommend the matter to the Men's Club officials for action.

We are advised that at Stanford the man "with a big cigar in his mouth" may expect to have that same cigar yanked out by almost any stranger—such is the strength of student-enforced tradition. Similar treatment should soon cure the few individuals who persist on smoking in the quad. They are simply too dumb to know that there is a proper place and time for everything, and need the help of more intelligent students to inform them.

MIDNIGHT OIL

Again we are in the midst of exams and again many students are "burning the midnight oil" in order to "get through" their examinations. For some this is the first real study they have done since the first of the semester. A regular study time, intelligently used every day will go much farther toward gaining a mastery of subject matter than hasty cramming the week before the ex. And after all the development of scholarly habits is far more important, now and later on, than leaving a job till the last thing and then "getting through" as best one may.

CONGRATULATIONS!

Congratulations are in order for the football team, the band, the yell leaders and the rooters after the way things ran off last Friday night.

OUTING CLUB PROGRAM O. K'd BY DEAN PYLE

Dates for the Outing Club's winter program were officially announced by Thomas Keating, president, yesterday, after conference with Dean Mildred Pyle. The first event is the week-end cabin trip and horseback ride to Little Pine mountain on November 8 and 9. A work trip for men will be held at the cabin on the 28th and 29th of November. A caravan to the Los Angeles Winter playground is planned for December 6th. Final preparations for the housewarming at the cabin will be made during January and February.

GLEE MEN BUY TUXES

At the meeting of the Men's Glee Club last night several representatives of local clothing firms presented their offerings in tuxedos for the new members of the club. Due to the large number who purchase tuxedos annually a club rate is made by the merchant securing the bid. All men outside of the club who wish to take advantage of the opportunity to obtain a tuxedo at the club rates are asked to see Thomas Keating today or tomorrow.

We the inmates petition for:
 1. A little doll and an all-day sucker for profs who play the "Dead March" on the piano while giving an ex.
 2. A ballet dress for the same prof who frolics about on top of the laboratory tables while passing out papers.
 3. Dresses for the male students in this same class so that they might get the same attention as the females.

Because if there is anything more annoying than an examination it is a funny professor who insists on playing the "Dead March" while giving a test.

But that's nothing—the other day I was telling Mr. Nettles about "Sparky" Pollard being so dumb he thought the football coach was on four wheels. He laughed, thought that was a good one. You know—he's from Missouri — so after awhile he sed, "Say, by the way — how many wheels does it really have?"

When Coach Davis puts in his order for football sweaters, he'll have to order one size. The way Elaine Porter, the girl of a thousand sweaters, is working the fellows, it looks as though she'll get a good share of them anyway.

And as the little bull frog sed as he jumped back in the pond, "The gold digger isn't so much concerned about keeping her wits about her as her nit-wits."

Books

These books have been recently acquired by the library:

Science—

DEPARTMENT NEWS

BEN. JOHNSON WILL
SPEAK TO I. E.'s.

Mr. Benjamin Johnson will speak at the Santa Barbara Ventura Vocational Association meeting in the College cafeteria Saturday, October 25. The meeting will start at 10 o'clock, with lunch at 12:00, and is expected to adjourn at 2:00 so that those interested in the Santa Maria-Santa Barbara football game may attend.

Mr. Johnson is in charge of the vocational teacher training program at the University of Southern California.

INDUSTRIAL EDUCATION

According to Mr. E. E. Ericson, in a recent meeting with the upper classmen of the Industrial Education department, the prestige of the department is increasing rapidly, not only in California, but in surrounding states as well. There is a greater demand each year for men from our college. It is gratifying to him, he says, to know that so many of the teachers trained in the department are making such a success in their profession.

HOME EC. PARTY
MAY BE POSTPONED

Plans are being made to postpone the Halloween party and change it to a Thanksgiving party in order to let the Home Ec. girls attend the Whittier game. However, 'Frosh Home Ecs' you'll get a thorough initiation into the department even though plans have to be changed.

Mrs. Croswell, head of the Art department, is recovering from a short illness and will soon be back on the campus again.

Art Profs Attend Lecture

Mrs. Isabella Morton Fish, Miss Ruth Doolittle, and Mr. Ferdinand Kebely attended a lecture, "Art and the Citizen," given by Mr. Eugene Nauhaus, Professor of Art at the University of California, at the Women's Club last Wednesday. After the lecture Professor Nauhaus visited the art department as a guest of the faculty.

HOME EC DEPT.
PLANS XMAS SALE

It's just about time to buy your Christmas presents, isn't it? The members of the Home Economics Department are planning to give their annual Xmas Sale in the College Quad shortly before Xmas vacation. This means that you will be able to buy many of your gifts and novelties here at a moderate price before you go home for vacation. Oh, yes, remember the good pumpkin and mince meat pies, fruit cakes, cookies, and candies that the Home Ec. girls can make, well the girls are planning to make these in larger quantities to meet the demands of all the students.

ELEMENTARY EDUCATION
DEPARTMENT

The 5A class under the direction of Laurence Pollard has started work on an outdoor map of the United States. The map will include airports; also sand tables are being built up into model airports. The map will be laid out in back of the Industrial Education building. The students will use this project in their study of geography of the United States which will then lead on to the study of United States history.

EAGLET ISSUED
OCTOBER 31ST

The Eaglet, formerly published by the College Jr. High School, is now being published by the Elementary school under charge of Miss Rose Cicero's 6B class, with all the classes in the department contributing. The form of the publication has been changed from that of a newspaper to a magazine containing stories, jokes, poems and other articles written by the students. The magazine will be published once a month, the first issue coming out on October 31.

The 5B class is composing the Thanksgiving play to be presented by the Elementary Department under the direction of Miss Rachel Burns. The principle characters will be taken by the members of this class, while all other classes will participate in the play. Mrs. Barnett is in charge of the music; Mrs. Lyons in charge of the costumes and scenery; and Mrs. Hodgins in charge of the dancing.

SOCIETY

KAPPA DELTA PI

Dr. Charles Jacobs has been unanimously chosen as faculty counselor of Alpha Rho chapter of Kappa Delta Pi, national honorary educational fraternity, for the years of 1930-31.

Dr. Jacobs is succeeding President Clarence Phelps, who due to the additional duties accompanying the increase in the size of the institution, has been forced to resign. The position of sponsor is not a new one to Dr. Jacobs as he held it in 1927 and 1928.

PHI KAPPA GAMMA

The Phi Kaps are planning a trip to Ventura for their next meeting. It is to be held at the home of Stella Rathbun, an alumnus. A pot luck supper will be the big event of the evening.

DELTA SIGMA EPSILON

A regular meeting of the Delta Sigma Epsilon sorority was held Monday night October 13 at the home of Bettie Jones. As the main business of the evening the group elected their Pan-Hellenic representatives: Irene O'Leary and Bettie Jones.

DELTA ZETA DELTA

The Delta Zeta Deltas met at the home of Mrs. Abraham, sponsor, a week ago Monday night. They made some interesting plans for the future.

So keep an eye on the D. Z. D's.

Members of D. Z. D's are warned not to eat any dessert on Sunday evening, October 26th! Has the sorority taken to reducing too? Oh, no! The sponsor, Mrs. Jane Miller Abraham and Mrs. Charlotte Faris, two brides of the last year, are going to attempt to prove their other attractions as wives! And how the sorority will devour apple pie! Incidentally, they're going to use their new pie knives, presented to them at the recent Delta Zeta Delta meeting.

TAU GAMMA HOLD
PAJAMA BRIDGE

Alumni of Tau Gamma Sigma sorority organized recently. Anne Hegeman was chosen president and Fay Munger, '30, secretary-treasurer.

The first social event of their season was a pajama bridge breakfast, held October 18, 1930, at the home of Mrs. Edmond Kelly on upper State street, in honor of the active members of the sorority.

The hostesses of the morning were: Mary Jane Lawrence, Anne Hegeman, Thelma Morgan, Louise Lowry, Marlyn Jameson, Margaret Furman, Fay Munger, Margaret Webster, Estelle Batty, Margaret West, Laura France, Madeline Wilhoit, Kathryn Dirham, Cecilia Hauser, Dorothy Curtis, and Margaret McTavish.

Invitations were sent to the following: Patronesses, Mrs. Helen A. Barnett and Mrs. Elmer Aul; Misses Betty Aul, Betty Proctor, Dorothea Peterson, Anita Cochran, Margaret Jigergian, Dorothy Robinson, Phyllis Cole, Margaret Barnett, Thelma Fent, Doris McAllister; and Mrs. Mildred Randolph Johnson.

Thelma Fent won as first prize a pair of lounging pajamas. (More power to Thelma!)

FEATURES

ROOM OF DISILLUSIONMENT

From out the fatal door there came
Another broken spirit.
"What ails you?" asked the waiting group,
"Quick, for we must hear it."
"Ah, woe is me," the victim said,
"I have a million ills,
They found them all from barber's itch,
To T. B. and the chills."

With drooping head he walked away,
Perhaps a pill to take,
But much more likely he did go
To jump into a lake.

More patients stepped into the room
Quite sure that they were well,
But when again they stepped without—
Ah, 'tis too sad to tell.

For pleasure gay the Doc did have
In searching for T. B.,
And all else which the victims had
He pointed out with glee.

Doctors should improve one's health,
But that is much in doubt;
For all seemed well when they went in,
Yet ill when they came out.
By Mario Casaroli.

ALUMNI

The following students who attended State last year are trying to get a college education at Stanford: Larry Parma and Eddie Davens who were both members of Beta Sigma Chi fraternity; Whitelaw Birss, a Sigma Alpha Kappa; and Sam Williams, the former business manager for the Eagle.

Rebecca Singleton, a former student here, who is attending U. S. C. this semester, had open house for her friends last weekend.

MEMORIAM—OLGA LARSEN

The death of Olga Larsen, who graduated from Santa Barbara State College in 1927, comes as a shock to her many friends, both in college and in town. Miss Larsen was from Lompoc and after graduating from this institution in 1927, taught for a year in Arlight.

Two years ago Miss Larsen was injured in an automobile accident, since then she has never been well, and it was this which brought about her death on October 12. The funeral was held on October 15 and was attended by many of her local friends.

PAY LAB DUES TODAY

Today is the last day to pay lab dues without incurring the one dollar delinquent fine. Dues are payable to Controller Fred Allred in the financial office. An incidental fee of one dollar and a two dollar library fee are being made. Lab dues are computed at one dollar per unit for all lab courses.

Some co-eds seemed worried after last Saturday night's dance. Nobody came with the fellow they were expected too. What's it to 'em!

EXCHANGES

EXCHANGES

Debaters of Fresno State college are looking forward to meeting the orators from Oxford University November 21 of this year. It will be the high light of the first semester forensic activity.

A \$2,000,000 memorial library will be presented to the University of Southern California by the Dohenys in memory of Edward L. Doheny, Jr., who graduated from U. S. C. in 1916.

"Behind a great football team there must be an intellectual and moral background and while a first rate college can function successfully without good football, a good football team always goes with a good college." — Dr. Charles O'Connell, president of Notre Dame University.

SOCIETY

DELTA SIGMA EPSILON

Just as you entered the gate down at Pershing Park, you saw a table with lots of candy upon it. It was the Delta Sigma Epsilon sorority's benefit candy sale. They are very enthusiastic over the idea.

Before attending the game Friday night the Delta Sigma Epsilon had dinner in the dining hall in honor of Founders day, which is September 23.

FRATERNITIES

Fraternity activities for the past week have been largely limited to the limbering up of paddle arms in anticipation of the coming pledge season. Rumors circulating from the several men already pledged would lead one to believe that the fraternal men of State don't need much in the way of warming up exercises.

An interesting announcement comes from the Tau Omegas. A plain gold block "S" will be worn as a guard to the regular fraternity pin by all men who have been awarded their varsity letter or class numerals. It has been some time since a campus fraternity has attempted the use of a guard pin and the other Greek letter men are watching the revival with great interest.

CHICKS DROP SANTA MONICA GAME, 7-0

After keeping the ball in the territory of their heavier opponents throughout most of the second half, the Roadrunner chicks dropped their opening game to Santa Monica J. C. in the closing minutes of play by a 7-0 score. With less than three minutes to play, the southerners blocked a frosh punt on the babes' twenty-yard line, and in a series of plays culminating in a criss-cross from the five-yard line, carried the ball over for the only score.

The babes twice penetrated to within ten yards of the Juniors' goal, but both times they were stopped without a score. Their first chance went glimmering in the second quarter when Killian's attempted field goal missed the uprights by inches. In the third frame they blocked a southern kick and were knocking at the door most of the period.

At the opening whistle, the babes lined up as follows: Ends, Kerrigan and Scholtz; tackles, Schooler and Reed; guards, King and Winters; center, Main; quarter, Mahoney; halves, Carlston and Killian; fullback, McCullough.

The frosh supply of flashy backs was handicapped by the slow dirt field, and there were no individual stars, but the boys all played nice football. The experience gained in this game helped the boys a lot, and with a little work on the rough spots, Coach Fred Allred expects them to be right in the pink for the Bakersfield game on the twenty-fourth.

MEAD SCHEDULING CROSS-COUNTRY TRACK MEETS

Bob Mead, cross-country track manager, has so far been unable to secure meets with other schools. Challenges to California Polytechnic, California Christian, Loyola, and Ventura J. C. have not been answered as yet. Mead's pet idea is the arrangement of a triangle contest of the hill-and-dale men of Santa Barbara State, Ventura J. C., and Santa Maria J. C.

BRIEF CASE LOST

Will the finder of a tan brief case containing zoology textbooks and notebook please inform Chas. Van Winkle in "V" box. Reward.

(Continued from Page 1, Col. 5)

The frosh will line up as follows: L.E., Fong; L.T., Coultas; L.G., Winters; C., Main; R.G., Schooler or Waterman; R.T., King; R.E., Schultz; Q., Mahoney; L.H., Killian; R.H., Carlston; F.B., McCullough.

Theatres

MARINE BAND COMING

An opportunity to hear one of the best bands in the country is offered to college students next Thursday afternoon and evening when the U. S. Marine Band will appear at the Granada Theatre under the auspices of the local post 49, American Legion. Matinee tickets for students may be obtained from Mrs. Clow in the president's office for thirty-five cents. Evening prices range from \$1.00 up.

LOBERO'S WINTER SEASON PROGRAM ANNOUNCED

"The Butter and Egg Man," which opened the season of drama at the Lobero Theatre, has been hailed by critics as a great success. This is the first of a series of six plays which are to be presented this fall under the direction of Irving Pichel.

The college has always been interested in the affairs of the Lobero theatre, chiefly through Dean Ashworth, who not only is a member of the local Players' Club, but also takes part in many of the productions. During the past years, many of the students have taken parts in these plays also. Ben Romer took a part in the recent production of "The Butter and Egg Man," and there are opportunities for other students who are interested.

The second play of the series is to be "The Perfect Alibi," by A. A. Milne, to be followed in succession by "No More Frontiers," by Talbot Jennings; Maeterlinck's "Blue Birds"; John Van Druten's "The Return of the Soldier," and finally, Shakespeare's "Hamlet."

Reservations for the remainder of the season will now be accepted.

AT THE THEATRES

Women! Just imagine being loved by the whole "All American football team!" What a break. Yet that is what happens to Joan Bennet when she plays the role of Nan Sheffield in "Maybe It's Love," the big show which is playing at the California all of this week. But, wait! The best is yet to come! Little "Joie" Brown is featured as the campus cut-up.

Men! Here's your chance to see an All-American football team in action. You will actually see Harpster, Scull, Saunders, Barker, Jommerening, Schoonover, Moynihan, Sleight, Gibson, Montgomery and Haycraft in a series of brilliant plays.

The story centers around a novel way of recruiting men for the football team. Joan Bennet, as the fair co-ed, flirts with all the big football stars and gets them to come to her college, but just on the eve of her success, jealousy arises among them due to the discovery of her trick, and she arrives in the locker room to find them all drunk. Things look pretty hopeless, but something happens which brings the team through with flying colors.

GRANADA

Taking the plot of "The Crimson Hour," which Pauline Frederick brought to the Lobero not long ago, the living screen has succeeded in producing an even more vivid interpretation of the story. Helen Ferguson inspires admiration and pity in the stirring role of Mary Bancroft. Using all the emotion-arousing devices known to the theatre, the story is able to hold its audience rigid throughout the performance. Marian Nixon plays the youthful murderess, and Grant Withers, the lover.

HOCKEY CAPTAINS CHOSEN

This season there are three hockey teams, frosh, sophomores, and upperclassmen. Florence Longawa is captain of the freshman team; Ruth Arnold, the sophomore team, and Maurine Moore, the upperclass team.

CLOGGING CLASS

—A BIG HIT

And do the girls like feet slapping—well, just ask them! Under the direction of Miss Dozier they have learned the Waltz Clog, Topsy, and other popular Clogs. The class, which is composed chiefly of P. E. majors is now working on the Pirate Dance. But of all the dances they have had so far Topsy remains the popular number.

The class is composed of Pearl Reiger, Mildred Chamberlain, Ann Furtado, Helen Furby, Ethel Hudson, Elizabeth Peacock, and Ida Reeder.

Have you noticed that E. E. E. hasn't been wearing a hat for some time and apparently he has long since discarded the vest?

COED SPORTS

Regular class games in hockey will start next Thursday and one game will be played each night. The schedule as announced by Manager Louise Dunham, is as follows:

Oct. 23—Freshmen vs. Sophomores.

Oct. 28—Freshmen vs. Upperclassmen.

Oct. 30—Sophomores vs. Upperclassmen.

Nov. 4—Freshmen vs. Sophomores.

Nov. 6—Freshmen vs. Upperclassmen.

Nov. 13—Sophomores vs. Upperclassmen.

The sports editor would like to see a little male interest in co-ed sports. We come out to support the varsity, so why not reciprocate? It's easier to play your best to a grandstand. Support your class!

HOCKEY BANQUET ANNOUNCED

On Thursday, November 13, after the last hockey game, the annual hockey banquet will take place in the gymnasium. It will be a pot-luck supper and the entertainment, they say, will be a wow.
