Teacher Awaits Plans

Classes in Nursery School Training May Start

Dr. Lamb Instructs Students Must Take Family Relations for Credential

Approval from George C. Mann, state director of adult education, is being awaited by Miss Edith Leonard and President Phelps of their plans for the new nursery courses to be installed in the curriculum of the Kindergarten-Primary department. President Phelps expects a reply to his letter submitting the plans today.

If Mr. Mann approves the general set-up of this new unit in the department, classes will begin immediately after vacation. Under the new plan, it will be possible for seniors to take one semester of the courses offered with some classes at summer school to get a full certificate in nursery education.

Dr. Lamb Conducts Class
Dr. Emily Lamb, noted psychologist, will instruct a class in behavior psychology. Subjects in nursery training will be taught by Mrs. Florence Lyans and Miss Edith Leonard.

Courses will include sociology; family relations (required); story telling for very young children, a one unit course supplementing the regular children's literature course; rhythms, a one unit course supplementing the regular physical course; and play activities of nursery school children, an extension of the regular kindergarten-primary play activities.

Each candidate for nursery certification must have three units of fundamentals of speech and must complete most of the requirements for the kindergarten-primary department.

Chapters Meet at Redlands U. for Convention

Lambda chapter of Alpha Phi Gamma of Redlands university and Beta chapter of Beta Phi Gamma of San Bernardino junior college will unite forces to conduct the 1934 Western Section conference of honorary journalists this weekend. Alpha Phi Gamma, of Santa Barbara will send Ralph Porter as a delegate.

A varied program is being planned by the two fraternities. Registration and housing assignments will be given Thursday afternoon. A big Thanksgiving dinner will be served Thursday night at the Casa Loma hotel. Friday morning the delegates will have breakfast at Martha's Grill, after which there will be a business session in the Hall of Letters, University of Redlands. Luncheon will be served at La Posada hotel, and then the business meeting will continue until 4 o'clock. At that time there will be a model initiation service.

ECON. STUDENTS HEAR DEBATE ON ARMAMENTS

Resolved: That the nations of the world should agree to prevent international shipment of arms and munitions, was the proposition for a debate held before Dr. Scanlan's class in World's Economic Problems on Monday, November 26.

Garlyn Basham and Don Livingston upheld the affirmative, while Julio Bortolazzo and Bill Ogle argued for the negative. A vote of the class gave the decision of victory to the negative team by the close margin of 7 to 6.

The debate was by way of practice for the dual meet with Redlands on December 7 and 14.

EXTEND SYMPATHY
Students and faculty members of State wish to extend their deepest sympathy to Genevieve Jones, whose father passed away suddenly last Thursday morning. Mr. Jones died of a heart attack.

C. L. Phelps Comments on Past Season

President Phelps, in commenting upon the outcome of the football season, says that on the whole, he is optimistic. He thinks that the splendid performance of the college in the closing game with Cal-Tech reflects the result of a season of hard work on the part of both players and coach. "Spud" Harder. "There was much good and some ragged playing this year," he said, "but the final game should satisfy everyone that we have really developed a good team." "Spud" Harder, the president characterized as a fine coach, a modest, industrious worker and a gentleman under all circumstances. In discussing plans for the remainder of the year, President Phelps suggested that plans be made for a more centralized rooting section with perhaps some addition of color in the form of banners or novelty hats.

"Prospects for next year look more promising than they have for many years, but school spirit must not be allowed to lag now that the football season is over," he concluded.

Lambourne Sees Gain in Optimism

"Social and economic conditions in the Santa Clara and upper San Joaquin valleys are definitely better than they have been for the past few years," stated Allan "Bud" Lambourne, student body president, after returning from a booking tour for the annual band trip when he visited numerous schools in the valleys.

"I have taken this booking tour for the past three years," Lambourne said, "and I can well contrast the former pessimistic outlook with the present cheerful one."

Contacts Officials, Principals
By contacting the principals, officials and students of the schools, Mr. Lambourne was able to get a good insight into a cross section of the people of the country and the general economic conditions.

"The optimistic attitudes and general confidences of the people are reflected each place we visited," states Lambourne.

"A general increase in educational interest can also be seen," the student prexy said. "Santa Clara, San Jose, and Fresno now boast the largest enrollment of their school records. This is true too of our own State college in Santa Barbara."

"People are beginning to realize that depression months are over," he said, "and they have a cheerful confidence in the future. This is the attitude we need."

INTERNATIONAL RELATIONS CLUB HEARS SPEAKER

Miss Dorothy Alden, who works under Senator Gerald P. Nye of the munitions committee in Washington, D. C., spoke to guests and members of the International Relations club in the A.W.S. clubroom last Wednesday night on problems controlling arms traffic.

Miss Alden questioned members of the club on facts about munition control. Shurer Moe discussed the problem with unusual enthusiasm and accuracy.

Miss Mary Smiley presided over a short business meeting. Club members voted to give a benefit tea or card party to liquidate the deficit incurred when the club entertained delegates at the recent conference at a luncheon in the college cafeteria.

Mrs. Abraham Heads Players' Association

Mrs. Jane Miller Abraham was elected president of the Player's club at their meeting on November 20 in the gold room at El Paseo. Miss Mary Steele was elected vice-president and Miss Doris Andrews, secretary treasurer. Mr. Jay Ryan will continue as head of the organization committee.

The board of directors consists of Mr. Fred Hoelscher, Mrs. William Ashworth, Mr. Harrison Ryan and Miss Ruth Johnston.

S. B. S. C. Gains in Numbers

Same Trends Evident in Other Colleges and Universities

Women Show Gain Slight Decrease in Faculty Is Also Seen

Santa Barbara State college shows a total increase of 13.7 percent over last year as compared to a 10.2 percent average gain in registrations of 142 colleges and universities in the United States included in an Associated Collegiate Press poll for the 1934-35 school year.

Figures submitted by the Associated Collegiate Press and Collegiate Digest staffs show a 4 percent greater gain in women's colleges than in men's institutions, the total increase being 2.7 percent. Local enrollment shows a 13.7 percent greater gain of men than women.

General Enrollment Increase
Although registrations tend to increase 10.2 percent the survey shows a decrease of .56 percent in the faculty. Local enrollment has shown a decided increase but there has been a 2 percent loss in the faculty, due to the release of part time teachers. Women's colleges have increased their faculties 1.6 percent while the men colleges have decreased their teaching staff by 1.06 percent.

Men led the women in the tabulation of increased registrations throughout the United States by 1.97 per cent—the men increasing by 6.24 per cent. Women registered in the local college show a 9.3 per cent gain as compared to a 2.1 per cent gain of men.

Actual figures show a total registration of 818 students as compared to 719 last year; 484 women are registered this year, contrasted with a 443 enrollment last year, showing an increase of 41 women; 1934-35 figures give 334 men as enrolled here, showing a 58 increase over 1933-34 figures.

Camp Official Shows Films to EEP Workers

Moving pictures were recently taken by Captain Leon A. Whittier of the educational classes in session being conducted at the Los Prietos CCC Camp in the upper Santa Ynez valley by eight graduates of the Santa Barbara State college. Howard Bush, art; Leo A. Pauley, commercial; Sanford C. Rudolph, drafting; Dave Larsen, journalism; Curtis Davis, basketball; Lloyd Drennan, art metal; Arthur Neiswanger, radio; and Peter Quin, music, are the States teaching in the camp. The educational classes are supervised by Jerry L. Bennett, educational adviser.

Captain Whittier, camp commandeer, made a special showing of the Los Prietos camp films last Saturday before officials in charge of the EEP work over Southern California. Chaplain Bunyan, a recent visitor at the camp, declared that Los Prietos had the finest educational organization of all the camps he had visited, numbering over one hundred.

Alphigams Publish Fraternity Bulletin

"Black and White," the official publication of the national Alpha Phi Gamma and Beta Phi Gamma, national journalistic fraternities, was released on the campus last Friday, November 23 by the Santa Barbara State college print shop. "Black and White" is published in the interest of the two honorary co-educational fraternities by Central Office, Berkeley, California. Its managing editor is Lucille Powers Grening, former student of State.

In the fraternity news it was stated that "six persons, prominent in journalistic activities" were pledged by Pi chapter at Santa Barbara. The western convention article had a picture of Redlands.

San Diego Men Prefer Women Not to Smoke

Attention girls! The average college man has made his decision. He prefers the modern college girl not to smoke, or at least that was the consensus according to answers given recently by the men's hygiene class of San Diego, State.

Of the 186 men who answered the questions only 56 approved or didn't care. The majority seemed to feel either that the practice was wrong, that as long as women want to smoke there is nothing they can do about it or that it is none of their business.

As far as smoking on the campus was concerned, 118 were in favor of granting this privilege, while 57 voted no. The etiquette of the college man is fairly good as indicated by the answers to some of Emily Post's questions indicate. Although the majority of questions were answered correctly, showing that the men know what is the right thing to do, most of them admit that at some time or other they have broken the rules of correct etiquette.

Frosh Meet for Dinner Dance in Ebbets Hall

One hundred freshmen gathered in Ebbets hall on Saturday evening for a dinner-dance to celebrate the end of successful Frosh football season. Miss Helen Sweet, class adviser, Coaches Theodore Harder and Bud Cummings, and Dean William Ashworth congratulated the members of the team and the officers of the class for the real cooperation and friendship each has shown.

During the dinner five members of the class entertained. Mildred Pearson and Elmer Coy gave tap dances; Renata Maccanti, an Oriental interpretive dance; Marjorie Hoffman, an acrobatic dance; and Dorothy Horner, a reading by Robert Benchley entitled "Water Football."

Coach Harder introduced the Frosh lettermen and gave a history of each. He praised the team's excellent performance, and expressed the wish that they continue to support the school next year. The freshmen class officers were also introduced.

Cheer Leaders Plan Contest for Yells

Football season is over! That, however, does not mean that our yell leaders will cease to be yell leaders. Basketball season starts in December, and with it the rooting section will renew its activities under the leadership of Goldy Goldsmith and Jack Knight.

A contest for new yells has been started, and anyone wishing to contribute may do so. A prize will be awarded during the first week after Christmas vacation.

"We have some new yells, and hope to get the students together into an organized rooting section," said Goldy Goldsmith.

Students Receive Hospital Attention

Miss Helen Hearn has been confined to the Cottage hospital for a tonsil operation. Miss Katherine Goode was moved to the St. Francis hospital Monday with a case of grippe.

Another casualty was added to the list of injured football men during the game Friday night. Joe Stockill broke his nose. Since he failed to report the injury to the doctor at once, it will be difficult to restore the feature to its normal position.

Approximately 25 students visit the health cottage daily.

President C. Phelps Speaks to Kiwanis

President Clarence L. Phelps talked Tuesday evening to the Lompoc Kiwanis Club at dinner, and the District Parent Teacher's association in the evening, upon the general topic "Keeping up Moral Standards During the Depression Period." The club met at the Lompoc hotel, and the evening talk was given at the Lompoc High school.

Students Give Pageant About Thanksgiving

"Thanksgiving Through the Ages" was presented by the Kindergarten-Primary department at an assembly yesterday under the direction of Mary Lee Townsend and Miss Edith Leonard.

Little Donald Knapp, a pupil of Mrs. Roscoe Lyons, sang four numbers and accompanied himself on a small Irish harp. Eight girls from Santa Barbara high school under the direction of Miss Ardis Carter sang "Butterfly" and "At Twilight."

Varied Program Offered
Thanksgiving festivities of the Jews, Greeks, English, Puritans and Americans were portrayed by members of the Kindergarten-Primary department. The Jewish Thanksgiving festivity was the first and probably the most impressive ceremony. Seven women in resplendent costume offered the Jewish song of Thanksgiving. Those representing Greeks were dressed in white robes and performed a graceful Grecian dance. The English Thanksgiving festivity was gay and hearty. Six women dressed in bright skirts and white aprons heaped the Thanksgiving table with holly and danced an English folk dance. The Puritans entered slowly, singing "Faith of Our Fathers."

The culmination of "Thanksgiving Through the Ages" was the American Thanksgiving represented by four women who entered singing "America, the Beautiful." The ceremony ended with a portrayal of the horn of plenty by Margaret Dunbar.

Ethel Green and Pearl Smead playing their violins with Betty McClain at the piano furnished music during the Thanksgiving festivities. Committees for the presentation of "Thanksgiving Through the Ages" were: stage committee, Muriel Brown; property committee, Marjorie Mansfield; program committee, Patricia McCullough; costume committee, Elizabeth Rouiston; publicity committee, Ardis Hendry; music committee, Mary Tomlinson; dances, Helen Grady, Janet Hilton and Muriel Brown; stage lighting, Larry Bowlus and Gene Campbell.

Dean Ashworth announced that there will be a picnic for all college students and the faculty next Sunday two miles from Paradise camp. Those who plan to attend the picnic should bring a box lunch and a cup and spoon. Names of people who are furnishing transportation will be posted on the bulletin board.

Dean Reports on Standings of Graduates

"In general California Scholarship Federation students tend to improve their scholarship in college," stated Dean Lois Bennink, after compiling statistics from information received from honor students of Santa Barbara State Teachers college.

This year 29 members of the student body are seal bearers. Of this total 25 are women and 4 are men. The distribution in classes varies, freshmen, 7; sophomores, 13; juniors, 7; seniors, 9; special graduates, 3.

In the year 1933-34 the sum of C. S. F. students in the college was 38, of which all were women but one. The frosh class topped the list with 12 members, the sophomores dropped to 8, while the juniors and seniors tied at 9 representatives.

Mrs. Sheppard Wins Thanksgiving Turkey

A 16-pound turkey for 50 cents? Impossible!
That's what you say but ask the woman who got one. Mrs. Elizabeth Sheppard, school nurse, paid 50 cents for a chance on Mr. Gobbler at the local soccer club and carried the bird home.

Here's just another bird that will get it in the neck and we hope he's good.

Kappa Delta Pi Holds Pledging

The prospective members will be pledged to Kappa Delta Pi, national honorary education fraternity at a meeting which will be held Tuesday evening, December 4 in the A.W.S. clubroom.

Manager Books Engagements for 4th Annual Tour

Leslie and Lambourne Arrange for 26 Appearances; Band Will Play for Many Schools

Twenty-six engagements for the fourth annual band and glee club tour, scheduled for February 8 to 15, were booked by Allan "Bud" Lambourne, assistant band director, and Lawrence Leslie, manager.

Lambourne and Leslie left Santa Barbara November 19 and returned last Friday evening, "just in time for the last state touchdown," Leslie stated. They visited various towns along the coast as far north as San Jose. Fifty-five men, 25 of the glee club and 35 of the band, under the direction of Clifford Leedy, will make the tour this year, according to Manager Leslie.

Enroute the college musicians will play for high school assemblies, and will appear in performance at the Santa Clara university. The college dance band has booked a number of hotel dances to defray the cost of lodging.

New Route Planned
A new route will be followed this year, according to Leslie. The group will follow the coast as far north as San Jose and will go east to Merced and follow the inland route home.

The high schools to be visited include Santa Maria, Arroyo Grande, San Luis Obispo, San Jose, Hollister, Merced, Madera, Hanford, Lemoore, Lindsay, Visalia, Porterville, Wasco, Bakersfield and Taft. Assemblies have also been scheduled for Santa Clara university, San Jose State college, and Fresno State college.

Last year the combined band and glee clubs took various short day trips instead of the regular week tour.

'Royal Family' Will Be Given December 13

In the spring a young man's fancy turns to love. Likewise after the football has been kicked out of sight 'till spring practice and the sweaty uniforms have been put up in moth balls the collegiates seeking to be entertained turn to the dramatists to "do their stuff."

"The Royal Family" an uproarious three act comedy by George Kaufman and Edna Ferber will be presented on the 12th and 13th of December by the Dramatics club for public approval on this campus.

The cast is composed of Don Hart, Joan Drennen, Alfredo Chavez, Garlyn Basham, Marie Persons, Blanche Steward, Theodore Hanley and Grange Louis.

Under the spirited directorship of Dean William Ashworth, the cast is rapidly getting into shape for production.

A survey of other college papers show the dramatists are "ready to strut their stuff." Veteran players of high school and junior college productions, compose the cast of "The Admirable Crichton" to be given by Modesto Junior college on the 14th and 15th of December. This four act comedy by J. M. Barrie will undoubtedly keep the pleasure seeking audience in constant giggles of mirth.

College theater season after football on the campus of Fresno State opens with "Three-Cornered Moon," a comedy crossed between "Hay Fever" and "Eva the Fifth." The first showing will be free as an aid to gain big publicity.

Loyola dramatists are staging "Late Christopher Bean" as a benefit production to be given on December 2 and 3.

With the exception of San Jose State, presenting the classical tragedy of Hamlet, all productions are distinctly comedy and indicate a trend to be in keeping with the festive spirits which predominate between Thanksgiving and New Years.

Class Hears Talks on Child Protection

Mr. Arthur Evans, Santa Barbara county probation officer, and Mr. William Scalapino, principal of Jefferson school, spoke to the Parent Education class, yesterday during the seventh hour on juvenile protection.

Cinch Notices

Determined not to be outdone in everything, the present Gaucho students gathered in more cinch notices than any of their predecessors.

Out of the 816 students now attending school, 304 were honored with these little missiles of joy. Of this total 142 were boys and the other 162 were girls. Who said women couldn't win anything?

Of the 309 people on the flunk list, one person received four flunk notices; 14, three flunk notices; 64, two flunk notices and 225 people received one flunk notice. The fact that 225 of the flunk notices were for only one subject is one redeeming feature of the flunk list.

In a more serious mood, one realizes that this is a very poor showing scholastically. While these notices do not show an absolute failure, they show that one third of our students are very near failure in one or more of their subjects. Of course there is an excuse for some of these because of late entrance and the usual frosh troubles, but on the whole it is just lack of study. A little study in the second quarter will not hurt any of us, and perhaps is necessary for remaining in school. So our advice is crack those books if you want to be an alumni someday. O.R.

School Spirit

With the end of football season comes a distinct feeling that the bubble of spirit, which has been gayly dancing before our eyes for the past weeks, has burst. We feel that something is missing, something familiar and accustomed, like a top-coat or a geography book that we have lived with for a long time. We feel a little lost, a little bewildered, a little sad.

But need we? After all, more is yet to come. In sports there is basketball practically upon us and track well under way. Intra-murals give active enjoyment to many students. Other extra-curricular activities are planned, dances, plays and vacations. Our studies might get a little attention. There is lots to do, lots to be done in our academic careers.

How much more pleasant it would be if we could go at other school activities with the same spirit and attitude that the boys on the teams play football and that the students in general support the teams.

Let's try to keep the "new deal" spirit alive on the campus.

Collegiate News

By SCHURER MOE

Pomona college is urging more student-teacher contacts on the campus. "At Home Evenings" are urged on the part of the professors at which current topics of particular interest will be discussed in a very informal manner.

For some time they have had a Sunday Evening Club which served this purpose and has proved successful and enjoyable to both the teachers and students.

Shakespeare's famous tragedy "Hamlet, Prince of Denmark" was recently presented by the Dramatics club at San Jose State to the student body and public. All reports said that the presentation was very well done.

"My European trip cost me \$400. The cost for a student willing to 'rough it' would be much more reasonable," so states Dr. Elmer H. Staffelbach of San Jose State who made a tour of the old world this summer. He urges all students interested in making a tour, and aren't we all, to stay at the "Pensions" which are much cheaper than the hotels.

Dr. Harry Steinmetz, associate professor of psychology at San Diego State "pulled a fast one" to determine the amount of "chiseling" going on in one of his classes. He gave a true-false examination on three pages and by "error" only two pages of each set were graded.

On discovering the "error" after the papers were returned, Dr. Steinmetz innocently asked the students to grade their own papers. Fourteen of the 41 papers came back greatly changed for the better. Thirteen were "doubtful," and 24 graded their own papers honestly.

Which all goes to prove the antediluvian theory that it doesn't pay

Personalities

By DORIS COKER

We Have Discovered That:

Miss Elsie Pond was born in California of native born Californian parents. That all of her education has been received in California colleges. That the farthest east she has been in is Colorado, but that she has been in the Hawaiian Islands and in the Orient.

That she has two degrees from Stanford. That it was while attending the San Jose State Teachers college that she had classes under President Phelps whose enthusiasm inspired her to go on into the education field. That she has taught at the University of Oregon, at West Texas Teachers college, at San Diego State college, and here at Santa Barbara State besides her years at the Hawaiian Normal school. That while she was in the Hawaiian Islands she was director of extension education and travelled over eight islands.

That her hobby is firearms and that recently she has been doing much target shooting.

to cheat. One never knows when some such incident might happen.

Movies and talks given by delegates to the student conference held in Japan were enjoyed by members of the Cosmopolitan club of Occidental college at a recent meeting. The strivings of Japanese students toward world peace and their customs and manners were discussed by the delegates, Antoinette Maroder and Charles Hall.

One thing the schools still need is a course in saying NO to a slick talker.

PATRONIZE EL GAUCHO ADVERTISERS

WHOOZIT?

This individual is five feet nine inches tall and has reddish blonde hair and warm brown eyes—really an interesting combination. Incidentally, he prefers blonde girls. He was born some 20 years ago in Salem, Oregon. He is a June, 1932 graduate of Santa Barbara high school. He is a third year student of Santa Barbara State college, majoring in coaching.

Here's a tip about his personality—he's even tempered, friendly and laughs easily. If you are still wondering who this interesting person is, I'll disclose all. This person is social chairman of the Men's club, plays center on our football squad and is called the "little iron man." Mert Miller

Guess who? He's very tall and blonde. When his blue eyes begin to twinkle don't take him too seriously. He's both a senior class and student body officer. You more than likely have heard of him so too many facts will be only confusing. He drives a sedan and never fails to offer the foot-worn college student a ride. His job sometimes demands that he work at night so don't get the wrong idea if he goes past your house at 3:30 some morning. Martin Verhoeven

For that fellow who must get acquainted with this attractive freshman and for members of the football squad who would like to ascertain her identity, El Gaucho is presenting these facts. She lives in Southgate and was graduated from Southgate high school in June, 1934. She is a home economic major. Reddish brown hair that is arranged with bangs and greenish eyes probably account for the fact that she is often seen wearing green. She nearly always wears tweeds, which should give you a clue to her name.

Arline Tweedy

HE HEARD THE BIRDIES SING!

Pattie's Prattles

Football player, football star
How I wonder what you are,
With your nose up in the air
'Round our campus everywhere.
In the campus life it's found
Everything evolves around,
"Skeeter", "Sandy", "Tiny" Roe,
"Rezzy", "Doc", "Hi", and Joe.
Someone blond? Will Sandy do?
Curly hair, and six foot two,
Dark'n handsome—Robinson.
If you prefer it—he's the one.
Brains are out, and we'll take
brawn
That's what the whole school
lives upon.
"They're all conceived!" people
say.
But not to blame in any way.
Who wouldn't be? There's not a
doubt—
It's football we can't do without.

Oddzenenz

By BARBARA SEWARD

As the blustering fall wind rips
the leaves from the sombre trees,
we tighten our red and blue plaid
scarf about our neck, throw back
our shoulders and start on a walk-
ing tour of the campus looking for
something—not just anything—but
SOMETHING.

Ah, a select (?) group of intellec-
tuals—BOTH men and women—
playing mumblepeg. We halt to ob-
serve. Note that if a person misses,
he may try a second time, but if he
misses the second time, he must
start over. Upon mathematical com-
putation, we conclude that if one
misses one's first chance and let's
the second go, he will come out far-
ther ahead at the end. Moral: be
not gluttonous.

Now that football season is over,
we wonder if all the red noses are
due to the cold weather.

"In Christianity men are allowed
only one wife. This is known as
monotony." Now that's a pretty lit-
tle note for the oldest institution in
the world.

Freshmen Problems

By DIZZY and DOLLY

We hear that Barbara Butler re-
cently received a letter from some-
one in the Anacapa House. (Incidi-
dently, she has promised to let
us print it whenever we want to.)

Art Cruwell has been seen quite
a bit lately with a high school girl.
What's the matter, Art, aren't col-
lege girls good enough—or are they
too old for ya'?

Eleanor Mellinger is all "a-dither"
because a certain somebody is com-
ing home from Occidental for
Thanksgiving vacation.

Well, here's hopin' all you gals 'n
fellas have a perfectly rollicking
time over the Thanksgiving holi-
days. Keep your noses clean and
be sure and be good, clean kids!

Ed. Principles Ferment With Frequent Usage

After being enrolled in 12 units of education courses, and being told in each one at least five times that there are seven cardinal principles of education (does this make 420?) we believe that the following list about hits the nail, so-called, on the head.

1. Fundamental Abilities — Students shall be able to misspell at least six words to a line and be able to gyp their friends out of 50 cents whenever possible.
2. Citizenship — Students shall learn how to get the best of everybody with the least possible effort.
3. Ethical Character — Students shall be able to tell when the other fellow is wrong but never himself.
4. Worthy Home Membership — Students shall learn how to get in at night without waking the landlady.
5. Health Education — Students shall learn how many hours they can go without sleep, how many hamburgers they can eat and how many glasses of beer they can drink and still negotiate the library stairs.
6. Use of Leisure—Students shall learn how to have as much of it as possible.
7. Choice of Vocation — Students shall learn to choose that which gives them the most money for the least effort.

P.S.: The above is wrong. All seven are student reports.

GAUCHO GAB
By BILL HOYT

In answer to Ardie Pierce's comment in his column on last Monday's Morning Press sport page concerning the sportsman-like attitude of a few loyal State frosh, let me say that it is not the first happening of its kind. The cheering (bronx, raspberry, and otherwise) was instituted by a group of equally loyal Dons when the Gaucho babes met the Los Prietos C. C. C. camp and won 18-0. The action and conduct of the high school rooters that night caused considerable comment among the townspeople during the game. It was distinctly "Prep Stuff." Where was Mr. Pierce that night?

Interviews with the high school players result in only a loud and demonstrable favoritism as to their chances for a victorious comeback against our Frosh. And the attitude of the yearlings should be explicit enough, after they have done everything but issue a formal challenge.

Furthermore along the same line, I read in the papers that if the Dons lost to Cathedral, they would play the Frosh on Thanksgiving Day and if they won, a game with the Santa Barbara Athletic Club could be arranged. I heard the same audibly from several reliable sources but now all is off as the vaqueros meet Whittier high school for a turkey day fracas. Must we have a written contract with those

SANTA BARBARA STATE COLLEGE

Sports Editor, Bill Hoyt

Basketball Prospects Look Good

King Football is on his way out for another year, and his annual successor, basketball, is quietly but effectively preparing to take its place in the limelight.

Down on the "Flying A" pavilion Coach Hal Davis is busy moulding another Olive and White varsity. Although many of his prospects have been doing their stuff for "Spud" Harder these past few months, Coach Davis expects them, because they are already in condition, to pick up his new system quickly, so that in a few weeks, Santa Barbara State will be prepared to begin one of the toughest schedules the school has ever undertaken. Among the opponents listed are some of the outstanding teams of the nation, such as the House of David, the Olson Swedes and the New York Harlemites.

Competition for the forward berths should be red hot. Three lettermen, Hoffer, Lebeck and Stockel, are on hand, while "Skeeter" Voorhees and "Hi" Stanley, from Bakersfield J. C., are expected to be in the thick of the race.

If the old center tipoff after every basket rule is followed by State this year, Bob Johnson, elongated sophomore, has an excellent chance of winning the jumping job. But if the new ruling of the Pacific Coast conference, whereby the ball is taken out of bounds after every basket by the team that is scored on, is followed, "Rezzie" Rezzonico, who is valuable at any position, and who saw action at center on last year's varsity, may hold sway at this position.

Three lettermen return, also, to compete for the guard positions, Miller, Lee and Keith, being the monogrammed veterans. But Nolan, "Rip" Van Winkle, Leister and Dorn are other boys who would like to play, and any of them may break into the lineup.

Chosen Gaucho's Most Valuable Man
Frank "Skeeter" Voorhees was chosen as the most valuable man on the Gaucho varsity by his team mates. "Skeeter's" stellar and consistent offensive and defensive ability throughout the season makes him a likely all conference candidate for the left-end position.

Honorary Captain

Ralph "Stocks" Stockel was elected honorary captain after the final game of his gridiron career at a meeting of the varsity squad immediately following the Caltech game. "Stocks" has been a regular on the state team for three years.

Freshman Team Wins 1st Half of Round Robin

Frosh intramural basketballers were victorious in the first installment of the "Round Robin Tournament" in intramural basketball. They had 1000 per cent standing in the league, having won four games and lost none.

Monday afternoon at 3:30 in the gym, the Frosh got off to a flying start in the second round of the tournament, defeating the Anacapa Club to the tune of 19 to 5. These freshmen have a smooth passing aggregation; their attack usually ends up directly underneath the basket for cinch dump shots. Also, a large portion of their total points are made by way of the free throw route; most of them are dead-eyes. Ian Crow, an ex-local high school star, is the outstanding Freshman.

Ralph Stockel and Voorhees Given Awards

Ralph Stockel, diminutive left halfback for Los Gauchos, was elected honorary captain for the past football season in a meeting in the dressing rooms right after the game with Caltech last Friday night.

The vote was practically unanimous for the plucky senior who played the last game of his four years for Santa Barbara State. Stockel rated second string all conference for two years running. Immediately after the election for honorary captain, ballots were cast for the most valuable player on the team. By more than a two thirds majority, Frank "Skeeter" Voorhees, first string left end, was selected for this honor. He was an outstanding player in every game this season for Los Gauchos. He will receive a cup, donated by the Fox Arlington theater, for this honorary position.

Gaucho Sports Staff Chooses All-Conference

As it seems the honorable duty for all sports staffs at the end of football season is to pick an All-American, all-conference, all-opponent or all-something team the Gaucho sports writers have, after much serious thought presented the following as their selections for all-conference honors.

First team—Tebbs, Whittier, left end; Dahlitz, Whittier, left tackle; Butler, San Diego, left guard; Nunn, Occidental, center; Laform, Whittier, right guard; Derrick, San Diego, right tackle; Voorhees, Santa Barbara, right end; Bandy, Redlands, quarterback; McMillan, Occidental, right half; Arrambide, Whittier, left half; Sanderson, Santa Barbara, fullback.

Second team—Kitch, Redlands, left end; Spriggs, Redlands, left tackle; Lee, Santa Barbara, left guard; Hannon, Whittier, center; Howe, Occidental, right guard; Sowers, Whittier, right tackle; Rand, San Diego, right end; Siegmond, Whittier, quarterback; Stockel, Santa Barbara, right half; Nichols, Occidental, left half; Peterson, Redlands, fullback.

ANNUAL GRUDGE FRACAS PLAYED

As the first round of the intramural basketball season continued its whirlwind rapidity, the Frosh remained the leaders although the Anacapa Club is a close second.

In the most thrilling game of the season last Monday the Beta Sigma Chi, social fraternity, eked out a victory over the Tau Omega, social fraternity, with a score of 27 to 26. The fracas was nip and tuck throughout the playing time and into the three overtime periods that it took to break the tie.

At the first quarter the score stood at 10-10; the half-time score balanced at 15-15; at the three quarter marker the Beta Sigs held a few points lead which was matched up by the T. O.'s as the final whistle of the game was sounded to 25 to 25. During the three three minute over time periods only one free throw and a field goal was made by which the Beta Sigma Chi won their second league game of the season.

New Intramural Board Organized

In an effort to get better efficiency in the intramural athletic department an executive group known as the intramural board has been organized. Officers of the board are "Bun" O'Reilly, chairman; Charles Hoffer, secretary and publicity manager; and Ian Crow as manager.

Representatives on the board are Hoffer, Beta Sigma Chi; Crow, Frosh; Robinson, Anacapa club; Coltus, Tau Omega; and O'Reilly, Sigma Alpha Kappa.

Captain R. Stockel Stars as Gauchos Defeat Cal-Tech

Rising to great heights in the final game of their 1934 season, the Santa Barbara Gauchos pushed over two touchdowns and a conversion to decisively beat the Caltech Engineers 13-0 in a non-conference tilt last Friday night at Pershing Park. It was the Gaucho's ball game all the way.

Powerless against the Green and White machine, the Engineers were badly outgained, and scored only three first downs against 17 for the Hilltoppers.

Ralph Stockel, shifty State halfback, who has been the spark in the Gaucho's attack for three years, gave the spectators a thrill when he galloped 35 yards on the first play and nearly broke away for a score.

Three attempts at the Caltech line failed to gain the necessary yards, and Robinson, who started the game at fullback, was forced to punt, and both teams battled on even terms for the rest of the period.

At the beginning of the second quarter, Stockel made a first down on the 28 yard line, and on the next play ripped off 13 more to place the pork-hide on the 15. "Red" Mahoney added two on a sneak, Clements, off tackle, made four more and then Sanderson, through the center of the line vent over for a touchdown. The attempt at conversion failed.

Twice in the third quarter the Gauchos threatened to score, but both times the plays were nullified by penalties. Blodgett, Caltech fullback, opened the final period with a pass from down in his own territory. Sanderson, backing up the Gaucho line, intercepted it at mid-field and carried it to the 15 yard marker, where Stockel punched it over.

The entire Gaucho line looked good with Lee, Gumpertz, Dupes, Voorhees, Keith, Bartholomew, McCullough and Miller holding the line positions. Santa Barbara amassed a total of 362 yards as compared to 97 for the Scientists.

Officials—Fred Couzens, referee; Orin Landreth, umpire; Sterling Winans, head-linesman; C. C. Christiansen, field judge.

Frosh Stars Win Cross Country
Frosh tracksters again swept the field in the second inter-class cross country run. Hooper, who won the three mile cross country run against the Oxy team copped the first place for the frosh. He was closely followed by McDonald which added the second place to the frosh score board. In order the leaders were followed: third, Jackson, senior; fourth, Shean, frosh; fifth, Henry, frosh; sixth, Commons, frosh; seventh, Shaug, junior; eighth, Synder, junior; ninth, O'Reilly, junior.

We're glad to see that our two frosh football men, Dan Mullock and Norman Coy, are almost completely recovered from their recent football injuries.

Important Announcements

Dorothy Weber, social committee chairman, wishes to announce that the next school dance will be the Christmas formal, to be held Saturday, December 8.

Tuxedos for men will not be compulsory but dark suits will be accepted.

The dance is to be held at Rockwood. Students please go to mail boxes the last thing before leaving college on Wednesday.

All men interested in basketball and who expect to come out for it are asked to sign up in the office at once, according to Hal Davis, athletic director.

Out-of-towners may start for the ancestral hearth half a day sooner, for President Phelps has lengthened the Thanksgiving holidays by this afternoon.

All F.E.R.A. Time Cards must be in the offices of the respective deans today if students are to receive checks on time.

PHI KAPPA ENTERTAIN Phi Kappa Gamma held a theater party at Club Chico last Monday night, when the group saw the showing of the picture, "The White Parade."

D.Z.D.'s Give Benefit Party

Delta Zeta Delta sorority gave their annual Benefit Bridge party Saturday night, November 24, at the home of Julia Lynch at 1703 Chapala street.

Those attending were Mr. and Mrs. Byron Abraham, Mr. and Mrs. James Anderson, Mr. and Mrs. Nick Carter, Mr. and Mrs. Frank Kerrigan, Mrs. Edwin Gourley, Mrs. William T. Albon, Jean Courley, Rose Greenwell, Esther Clevenger, Esther Ludcke, Katherine Goode, Antoinette Covelli, Noeline Fernandez, Louise Fernandez, Dora Korngiebal, Lillian Talbot, Florence Stuart, Nancy Davens, Julia Lynch, Philip Nordli, George Harper, and Lloyd Drennan.

Gaucha Gab

(Continued From Page Three) concerned to keep the arrangements for a game with the high school?

Something really should be said about the splendid showing the Gaucha varsity made in their final appearance of the season and trouncing the Cal-Tech engineers, 13 to 0. "Stocks" Stockel, who was elected honorary captain immediately following the game, was the most outstanding player on the field.

No reason for it: In a sequel to the big-game between California Giants and Stanford Braves last Sunday, Ted Beckett, last year's grid mentor, kicked a 40 yard place kick to win 10-7 for the Ex-Bears; we finished the pigskin season off in a blaze of glory and Ralph "Stocks" Stockel lit the match that started the blaze; the three year Roadrunner jinx is broken.

Pledges Give One-Act Play for Members

Discussing plans for "Hell Week," members of the Tau Omega fraternity met last Monday night in their club rooms on Santa Barbara street.

Official certificates were also given out to the last year's pledges as final recognition of their initiation into the Tau Omega fraternity.

As entertainment for the evening Bob Moore, pledge, formally presented a program which consisted of a short one act play called "Caught Short."

A.W.S. Plans Kid Party

On Thursday afternoon, December 13, all A.W.S. women are turning little kids at the Christmas party to be held in Ebbets Hall at 5:30 o'clock.

Embryonic plans include a gay list of activities. The girls managing the party plan to disguise Ebbets Hall as a living room in festive season decorations.

"At present the A.W.S. board and committees are working to make the party a good one. We do hope all of the girls will get a lot of fun out of dressing up in kid sister's clothes," states Julia Lynch.

Gnomes Plan Skiakii Party

Plans for a Skiakii supper to be given at Club Chico Monday, December 3, were made by the Gnome Club at a meeting held last Monday night at the home of Georgia Scott.

Mae Linderman and Dorothy Riche were elected to fill the offices of social chairman and treasurer.

Those present were Marvina Jones, Jean McNally, Alberta Green, Kay Case, Dorothy Powell, Mae Linderman, Gladys Pomeroy, Gladys Strickland, Shirley Warner, Ethel Cornelius, Dorothy Riche, Sue Knox, Myrna Kelliher and Georgia Scott, hostess.

Mrs. Bailard Gives Tea

Mrs. Robert Sawyer and Mrs. Francis Castro were honored at a bridge tea given by Mrs. Gordon Bailard Saturday afternoon, November 24, at her home in Carpinteria.

Others who were present include Mesdames Andrew Bredsteen, Cedric Boeseke, Curtis Linkey, Jack Gotchall, Nelson Treloar, Frank Wycoff, and the Misses Virginia Bailard, Alyce Corbin, Mary Ericson, Lucille Hall, Mary Hicks, Nell Kenyon, Eva Miratti, Barbara Seward, Lua Thurmond, Ellen Voss, and Betty Weeks.

Phi Delta Pi Pledges Five

Five women were pledged to Phi Delta Pi, national physical education fraternity for women, at a ceremony last Monday.

Women accepting the pledge were Kay Boyton, Jerry Slayton, Birdena Walert, Dorothy Taylor and Lorraine Koehly.

I OBSERVED:

Dudley Shean roaming about the physiology lab. with an open razor.

Dee Peck discoursing lengthily on the proper manner of dissecting a cat.

Mary Tomlinson being most efficient about the literary supplement.

Cal-Tech engineers being very popular with campus women at the dance Friday night.

Jean Mercer, all dressed up on State street last night.

That Tommy Orr went to the hospital on Friday night.

Fred Hendrixson displaying a letter from Merle McGowen who is now at California.

Mrs. Mary Crosswell Entertains

The Xi chapter of Delta Phi Delta, national honorary art fraternity, met at the home of Mrs. Mary E. T. Crosswell, Monday evening, November 26.
