THE PICTURESQUE CAMPUS WITH A VIEW

ANNOUNCE HONOR ROLL OF SCHOLARSHIP STUDENTS

Approximately 30 students are now attending Santa Barbara College on scholarship awards, according to Dr. Snidecor, chairman of the Honors and Scholarship Awards committee who this week released an honor roll of scholarship students.

The honor roll is as follows:

Santa Barbara Faculty Scholarships:

Coleman Morrison — C. D. Woodhouse Fund, \$80; Doris Lee Calhoun—Faculty Scholarship, \$80; Elaine Strobel—Elizabeth Jones Scholarship, \$100; Stanley Comer—Associated Students of S.B.C. Music Scholarship, \$60; Mary L. Irby—Santa Barbara Womens Club Art Scholarship—2 installments, \$36 each.

California Congress of Parent-Teachers Scholarships:

Doris Kent, Frank N. Quinonez, Jr., Margaret Ward, Roberta Doe, Louise Lear. (Also holds \$500 Johnson Foundation Scholarship).

Monrovia Panhellenic Scholarships:

Marian Wilkinson, \$100; Mary Mott, \$100.

Francis Noble Gault Award (Porterville, Calif.):

Patricia Louise Toole, \$100 per year.

Bartlett Award (Porterville, Calif.):

Mary Lou Wilson, \$100 per year.

\$500 Grant-In-Aid:

For speech correction work with cerebral palsied children. (From the Womens Auxiliary to the Santa Barbara County Medical Society): Geraldine Gray.

\$500 Grant-In-Aid:

For speech correction work with cerebral palsied children. (Faith Johnson Sears Fund, donated by Thomas D. Sears in memory of the late Faith Johnston Sears): Winifred Woods.

University of California Alumni Association of Los Angeles:

Kenneth Bonilla, \$78.

University of California Alumni Association of Santa Barbara (\$250 each):

Upperclassmen: Junemarie Davidson, June Elizabeth Lord, Pat-

ty Peryle Meairs, Evelyn Shallis, Geraldine Wheldon.

Freshmen: Imogene Fulgham, Myrna Mae Bartlett, Elizabeth F. Erro, Irma Goggia, Ray Kawano, Mary Ann Zane.

The California Alumni Freshman scholarships are awarded to outstanding high school seniors attending any campus of the University of California. The special award, and the upperclass awards were made for students on the Santa Barbara Campus only. The money which provides for these scholarships is raised by the local Santa Barbara County chapter of the Alumni Association.

Any scholarship student not included on this list is urged to contact Dr. Snidecor in the Speech Department so that his name may be added to the honor roll.

CLUB MANAGER SINGS PRAISES OF GAUCHOS AT DANCE

Someone has at last said something nice about us.

In a letter to Dean Helen E. Sweet, read at Tuesday's Council meeting, the "excellent manners and behavior" of Gauchos at the Christmas Formal last month were complimented by Sheldon E. Bayer, manager of the Montecito Country Club.

Thanking Heaven and the student body that there were no "unpleasant situations" at the dance, Mr. Bayer polished off his letter with a courtly bow to SBC's "well-attired men and beautifully dressed women."

Thank you, Mr. Bayer.

Wrestling Team Meets Uclans

A good crowd is expected this afternoon in the Men's Gym, when the Santa Barbara wrestling team takes on UCLA. This will be the first intercollegiate meet of the season for the local men.

The match is rated as a toss-up, as both squads have been defeated by the El Toro Marine team.

There will be no charge for this meet, which will begin at three.

Gaucha Cagemen Embark To Meet Spartans, Tigers

This weekend the Gaucha "hoopsters" travel north to engage in two crucial CCAA basketball games. Friday night Santa Barbara meets a determined San Jose quintet, and then travels to Stockton to again battle the COP Tigers.

Last year San Jose placed second in the CCAA and this year they are said to be out to win top honors. They have not as yet played a league game, but have shown themselves to be a team of considerable merit losing to Stanford by only five points and later splitting with University of Nevada. Other scores are not available at present. Some of San Jose's outstanding players and a probable starting line-up include Ron Staley and Bob Hagen at forward, Stu Inman at center, and Bob Wuerthoff and Ralph Romeo at the guard position. Another valuable addition to the team will be Chuck Hughes, last year's all-CCAA center. He has recently returned from Hawaii with the football team and will certainly be an asset. The team is ably coached by Walt McPherson.

Tigers Again

Still recovering from last week's

closely contested game at the Armory, the COP Tigers seem to be asking for more, and the Gauchos willing to comply will battle it out at Stockton Saturday night. Although the Tiger's record is none too glorious, they have made good showings against strong teams. They started the season by defeating the Sacramento Senators and the Pacific Alumni, and then lost to California, 57-43, but they bounced right back and took the San Francisco State team 52-45. COP then hit a four game losing streak, being defeated by Santa Clara, Pepperdine, UCLA, and the Oakland Bittners, all very strong teams.

The College of Pacific then met a team they could better, and downed Cal Poly 57-55. Their last game was with San Diego and they were again defeated.

In their game against the Bittners, they were unable to penetrate the powerful defense, but they succeeded in bringing the crowd to its feet several times by sinking many long shots. Nevertheless, the height of ex-UCLAN center Don Barksdale proved too much

(Continued on page 3, col. 5)

1948 Band Show, 'Maestro's Vacation Coming

"Maestro's Vacation," sequel to last year's "Maestro's Nightmare," will be the theme of the 1948 Band Show to be held Tuesday and Wednesday nights, January 20 and 21, in the Riviera auditorium at 8:30 p.m. according to Bob Greenwell, publicity chairman of the band show.

The musical review, with Bob Martin as maestro, will consist of songs, dances, and skits including a special musical arrangement by Bill Perkins, Hal Hidey, and Bill McClintic of the college dance band. Pat Sparrow, Santa Barbara College's ace terpsichorean, will be featured in Kachaturian's "Armenian Dance," the "Police-men's Dance" and other modern interpretations.

Mystery Gal

Other numbers on the program include a special arrangement by the concert band of "Kom Suser Todd" by Bach and a piano solo by Carolyn Blair. Greenwell added that the program has a mysterious touch with a specialty number by a Miss "X."

Bill Hobbs wrote the script and planned the staging for the show. Grace Scott is in charge of ticket sales. Admission will be fifty cents, tax included, and tickets may be bought from band members or at the door.

College Cabin Offers Outdoor Weekends To All SBC Students

The college cabin, located in Paradise Camp, belongs to UC-SBC's Associated Student Body. This means that any or all campus groups can enjoy its use by making a reservation in the Dean of Women's office and paying the small fee of fifty cents per night (to cover the cost of electricity, water, etc.)

The cabin offers various outdoor activities such as swimming in the Santa Ynez river, hiking, fishing and some horseback riding (a few horses are available at a nearby ranch).

Fireplace, Barbecue

The house itself is located on a high bluff overlooking the river. The main room has a large fireplace at one end, lounges, tables, and benches. Cots and mattresses are stored in the closets. A small kitchen contains enough utensils for twenty people, and the barbecue pit outside lends flavor to student cooking.

The cabin is yours. It is paid for by Associated Student funds and is kept in repair by student labor. So use it often and enjoy it, but be sure to leave it in good shape so that those who follow you can use it, too.

AWARDS ASSEMBLY NEXT WEEK

The annual Awards Assembly will be held in the Riviera auditorium on Thursday, January 22, at 7:30 p.m.

Among the awards to be made are Who's Who in American Colleges and Universities, scholarships, football, intramural, band and Pan-Hellenic cup.

'Gondoliers' Continues 3-Day Stand in Auditorium Tonight

Knights, Junior Service Unit, Reactivated

Reactivation of the Junior Knights after a lapse of several years because of the war was announced today by John Caldwell, president of the newly formed service and honorary organization for students in the Junior Class.

According to Caldwell, president of the Squires before the war, the ideals of the Knights include service to the student body, particularly aid to lower division students toward the added responsibility of upper division scholastic activities.

Limit To Thirty

Don Dickey of the Nominating Committee stated the membership will be limited to thirty active. "Qualifications for membership," he added, "are based primarily on service to the student body." Students will be able to recognize the Knights by their royal blue slip-over sweaters and gold knights' emblems. The new group begins its program of student service immediately. Its biggest scheduled work will be aid in the registration line.

Officers of the Knights are, besides Caldwell, Wendell Kirk, vice-president, Jack Laswell, secretary-treasurer, Don Dickey, Bob Lorden and Wendell Kirk, nominating committee. Membership includes Dick Ohannesson, Chris Stone, Dick Struck, Jim Newman, Francis Guess, Ed Morris, George Crilley, Tiger Mathew and John King.

Rx For Virus X

The Student Health Service offers the following prescription for avoiding dat ole debbil Virus X:

Get rest—enough but not too much. Eat properly—not too little, but then again, not too much. Relax, but get plenty of exercise. Above all, forget your worries—such as finals, finances, where-to-live-next-semester, the girl/boy friend. Doctor's orders.

H. E. COOK TO SELL HAND-HEWN GOODIE

Cakes, cookies, and pastry, "just like Mom's," to tease your appetite, are to be sold at easy-on-your-purse prices during Coffee Hour on Tuesday and Thursday mornings, January 20 and 22, from 10:00 to 12:00 a.m. in Ebbett's Hall, home economics food lab.

This food project is sponsored by the Home Economics Club, and products are prepared by home economics majors.

Dr. Goodspeed Airs Weekly World Events Commentary

An up-to-the-minute commentary on the trend of world events and matters of national interest, "The Professor and the Businessman," regularly heard on Station KDB every Wednesday at 9:45 p.m., features Dr. Stephen S. Goodspeed, world traveler and instructor in political science at Santa Barbara college.

An impromptu broadcast, the program "judging by the number of letters of protest received" is a success, according to Dr. Goodspeed.

GILBERT & SULLIVAN OPERETTA OFFERS CREAM OF SBC VOCAL, MUSICAL CROP

"The Gondoliers," Gilbert and Sullivan's rollicking comic operetta, has its second performance tonight in the Riviera Auditorium at 8:30 p.m. and will complete its three-night showing tomorrow night. The production is a presentation of the college Music Department.

A stage chorus and a pit chorus of eighty voices join with the cast of seventeen in presenting this gay musical. "The Gondoliers," not as easy to stage and produce as other Gilbert and Sullivan operettas, is considered by many critics to be the Englishmen's best. This is the highlight of the year's musical productions, and Dr. Van A. Christy, the musical's director, urges all students to attend one of the three performances.

Prior Experience

Three of the longest and most difficult roles in the operetta are played by students who have previously appeared in Gilbert and Sullivan musicals. Morris McNaughton, in the role of Guiseppe, and Shirley Newlin, as Gianetta, had prominent parts in the "Mikado," another Gilbert and Sullivan show recently presented by the Santa Barbara Opera Guild at the Lobero Theatre. Elsie Jensen, who sings the role of Tessa, had a part in "Pinafore."

The hero and heroine roles are portrayed by Marion Moreno as Luiz, and Ruth Bannerman as Casilda. Mr. Moreno had lead parts in the "Desert Song" and "Carmelita" while a student at San Diego State College. He shared in the original production of "Carmelita" under the direction of the composer, Nino Marcelli. Miss Bannerman has appeared in several operettas and has studied voice for several years.

Navy School Graduate

James Boatner, who sings the

Megaphones Loans, Not Keepsakes

Last Saturday night at the basketball game, rooster megaphones were distributed by the Squires. Donated by the All American Sporting Goods, Broomes, and Coca Cola, these megaphones will be given out at each home basketball game, and MUST be returned. Bob Lorden, Head Yell Leader, asks your cooperation in this, as we wish to obtain more megaphones for the football season next year.

Lorden also pointed out that the megaphones should be used to increase the volume of cheering, not booing. Continued signs of unsportsmanlike conduct may result in technical fouls being called on the Gaucha team.

part of Don Alhambra, is a graduate of the Navy School of Music, Washington, D. C., and was a member of several choral and instrumental groups while in the service. Helen Hatch, in the role of Inez, has appeared in plays, radio workshops, musical reviews and has done considerable solo work.

Joel Andrews and Peggie Brooks have the roles of the Duke and Duchess of Plaza-Toro. Mr. Andrews has had dramatic experience in several plays and is a naturally

(Continued on page 4, col. 4)

Game Box-Office To Remain Open For Student Chits

From now on, the box-office at home basketball games will remain open and will sell student tickets until the Armory is filled to capacity.

This was the gist of a motion adopted Tuesday night by the Student Council, following complaints that at the COP-Gaucha game last week students were refused 25-cent chits while general admission tickets at \$1 continued to be sold. Discussion of the motion centered around a \$1400 deficit already showing in game receipts, and the possible loss of much needed revenue which might result from selling student tickets at the expense of general admission.

Student Body President George Grave pointed out that Gauchos may avoid standing in line at the box-office and be certain of getting good seats if they buy their chits at the Graduate Manager's office and arrive at the Armory by 7:45 p.m.

HEALTH SERVICE ENDS ISSUE OF ILLNESS EXCUSES

Student "excuses" for absence due to illness will not be issued in the future, the Student Health Service announced today.

In the event that a student is ill and is under the care of the SHS, the dean of the department in which the student is enrolled will be notified. The dean will then circulate a leave-of-absence notice to the student's instructors.

When under the care of a private physician, the student should see to it that the dean concerned is immediately notified by the physician. The dean will then notify all concerned.

Vets With Check Gripes

Any veteran student attending college under the G. I. Bill who has not as yet received subsistence allowance for December or who has any other complaints on overdue subsistence allowances contact the registration officer from the Los Angeles Veterans' Administration who will be in the office of the Coordinator of Veterans' Affairs today.

DR. SPROUL'S NEW YEAR'S MESSAGE

Over the desk of the commanding officer of an important air station during World War II, there hung the following ironical motto: "If things go wrong or you're in doubt; just run in circles and scream and shout." In wishing all students of the University a Happy New Year, I call attention to this bit of reverse advice because it looks now as if the coming year would be another in which many things will go wrong, and all of us will have our doubts.

If, in such circumstances, the University does not run in circles on request, and neither joins in nor facilitates screaming and shouting, it will not be through lack of awareness of the world around it, or of the many improvements which each member of the University family, as a qualified Monday morning quarterback on national and international affairs, is prepared to suggest. It will be solely because the University administration believes its job is to run a school in which you are students, and tries its level best to give you a good education. This may be difficult to remember in an election year, but we shall try not to forget.

At no time has the quality of the student body of the University been higher, or its scholastic achievement more satisfactory. On this front, at least, I look forward to the coming year with great confidence. The faculty and administration pledge you that they will endeavor to meet you on your own high level, doing their level best to start you on the long, hard road to becoming educated men and women.

Happy New Year to all of you!

Robert Gordon Sproul
President, University of California

AES AND NPC IN MERGER

The Association of Education Sororities (AES) was merged with the National Panhellenic Conference (NPC) on November 13. The AES groups were admitted to the conference as associate members, providing that certain constitutional requirements are met by June 1, 1948.

The merger is in line with Panhellenic procedure in regard to institutions extending their curricula and fields of activity beyond the line of distinction that governed the withholding of conference recognition from organizations operating in schools on the "teacher college" level.

For the remainder of this college year, local Panhellenes will function under their existing constitutions.

other nations, "Do what we say, not what we practice."

B. Con: What we do within our borders is our own business. We will correct and improve conditions in the United States as we see fit, without outside interference. This country enjoys the highest standard of living and the greatest amount of personal freedom in the world. Other peoples realize that. To them America is the "promised land." No nation is perfect but we certainly are less open to criticism on our domestic affairs than is totalitarian Russia.

Letters to the Editor presenting other facts and/or opinions on any of these issues will be welcomed.

A dumb girl is a dope. A dope is a drug. Doctors give drugs to relieve pain. Therefore, a dumb girl is just what the doctor ordered.

Veterans' Corner

Veteran students whose government subsistence terminates at the end of this semester and who plan to attend college under the state G. I. Bill next semester can obtain forms to fill out at the college Veterans' Office.

Leave will automatically be granted to veterans at the end of the semester unless the Veterans' Administration receives written notice thirty days in advance that such leave is not desired, the local VA office reported this week.

The new policy, inaugurated last fall, insures veteran students of receiving uninterrupted subsistence checks between semesters. Veterans are allowed fifteen days leave each semester. This does not include subsistence for holidays which is granted automatically. Any student veteran not wanting such leave is urged to write to the Los Angeles VA immediately.

Veterans planning to continue

their studying under the G. I. Bill next semester at Santa Barbara College will not have to fill out additional forms other than the registration blanks at the Registrar's Office, according to Dr. C. D. Woodhouse, Coordinator of Veterans' Affairs at Santa Barbara College.

Small Boy—"Mr. Jones, Dad wants to borrow your corkscrew." "All right, sonny," said Jones, "You run along home, I'll bring it over."

THE STANFORD RESOLUTIONS PROS AND CONS

Ed. Note: The forthcoming poll of Santa Barbara College student opinion on the resolutions adopted at the Western College Congress has been delayed by the failure of the ballots to arrive, according to Kay Updegraff, SBC delegate to the Congress. The shipment was apparently lost during the Christmas mail rush. The election date will be announced as soon as the ballots are located.

Presented below are very brief arguments for and against a few of the important resolutions resulting from the Western College Congress held at Stanford University, November 24, 25 and 26.

These arguments are not meant to be comprehensive and cannot begin to include all of the important points for and against the resolutions. They have been written solely as starting points for thinking on the part of the student body.

Economic Aid

I. Resolved: That all U. S. economic aid to other nations in the future be carried out within the framework of the United Nations.

A. Pro: The United States is the strongest nation in the world. Unless we take the lead in using the UN and making it work, the UN cannot be successful. It becomes more evident each day that the only hope for world peace lies in the success of the UN. Such a step by the United States would increase its prestige enormously with the people of all nations and greatly increase their confidence in us. We must take the lead in considering the welfare of the world ahead of our national interests. We could, by this important decision, convince every nation that we mean to make the UN work.

B. Con: We cannot wait for UN clearance on emergency aid to starving people. Russia would find innumerable ways of delaying and blocking economic aid from the United States to other countries. If necessary she would use the veto. Russia is not sincere in her

support of the UN. She uses it only as a battle ground with non-Communist nations. To confine ourselves to UN channels when Russia does not, would be traitorous to our national interests and constitute desertion of democratic countries fighting to stave off Communism.

Bi-Partisan Foreign Policy
II. Resolved: The Secretary of State should maintain a bi-partisan foreign policy.

A. Pro: The United States cannot afford to do an about face in its foreign policy every few years. Our commitments abroad have to be made on a long-term basis. If our foreign policy is subject to change with every national election, other nations will be jittery and insecure in their dealings with us. Our basic national interests remain the same irrespective of which party is in power. One example of this is our participation in the United Nations. We need to allow our State Department to formulate and execute a long-range policy based on our national interests.

B. Con: There is a sharp divergence of opinion on foreign affairs between two major groups in the United States. These two groups are the "isolationists" and the "internationalists." The people should have a choice between these two lines of thinking. A bi-partisan foreign policy means compromise and a watered down, weak policy satisfactory to no one. The "isolationists" and the "internationalists" cannot both be right. Let the people choose between them.

Clean Hands

III. Resolved: That the United

States concentrate on correcting fantastic injustices for which Russia criticizes us, such as race prejudices, so that we may have our own hands clean when we interest ourselves in the domestic affairs of others.

A. Pro: Our prestige in international circles is weakened tremendously by certain sore spots within our country, injustices which are inconsistent with our professed democracy. Russia has consistently exaggerated and distorted these internal weaknesses of the United States in the minds of other peoples. We are at present in the position of demanding of

Why I'm an Air Force Pilot

"I guess it began when I was just a kid, making non-stop flights around the dining-room table. Later on, the town got an airport. I got to know every plane, right down to the smallest bolts and screws.

"During the war I took off with the Aviation Cadets. The folks were all for it. They figured—correctly—that it was the best way to get me into the air where I belonged.

"I made it all right. Trained in the best planes the Air Force has, and now I'm heading for transition work in jets. The pay? Now that I'm a pilot, \$336 a month, plus \$500 for each year of active duty. And there's plenty of room for promotions.

"But that's not the real point. Some men belong in the air. They were born wanting wings—with the action, the pride, the freedom that go with them. There's no better way to have all that, along with the world's finest flying training, than to join the Aviation Cadets. And the future—in civilian aviation or in the Air Force—is as wide open as the horizon. If you want the fast-moving life, why not drop around to the Recruiting Station in your community or the nearest Air Force installation."

EDUCATION MAJORS
 All Early Childhood Education, Elementary, Junior High, Psychology and Group Majors should see their respective advisers, by appointment, for scheduling for the spring semester during the final examination period, according to an announcement from the Education Department.

SO SORRY
 In the story on the Gauchos-COP game last week, there was a typographical error for which we apologize. It was stated that "important officials" were used. That should have read, "imported officials."

TENNIS SQUAD PREPS FOR BIG SEASON

Members of the Santa Barbara College varsity tennis squad are working out several days weekly in preparation for a big season next spring. Last year the squad won second place in the 2C2A championships, being defeated only by COP and UCLA.

Prospects are good for a repeat performance this year, with four of last year's top six men back in harness with improved games, and lower ranking players pushing for a spot on the team.

Prospects Good
 Bobby Wright, stellar freshman player last season, will be a strong candidate for the number one position on the squad. Varsity Captain Alan Cobbe has developed an improved game, as has also George Manset, hard-hitting player from last year's Frosh team. Morton Dewhirst is always a steady, experienced contender for the varsity.

Other candidates for varsity will include Bob Blake, letterman from last season, Juan Rolis from the year before, Keith Simpson, "Art" Henry, and newcomer Walter Field from Modesto JC.

Experienced tennis men who are interested in trying out for the varsity squad are invited to report to Coach Terry Dearborn on the Municipal Stadium Tennis courts next Wednesday afternoon, 2 to 5 p.m. During the spring semester the squad will be directed by Coach Lyle Reynolds while Dearborn is on leave to complete his doctorate at Stanford University.

C. R. A. NEWS

Ski Club

Everybody is talking about and making ski trip plans. If you are a ski enthusiast, the Ski Club has the answer. February seventh is the date set for a trip to Donner Summit. Watch for further notices; there probably will be room for non-members, also.

Eighteen members spent four days at Big Bear last week. A highlight in the trip was an evening of entertainment put on by the Big Bear Ski Club.

Women's Athletic Association

As the volleyball tournament draws to a close, four teams are in line for the championship. They are Chi-Delta Chi, Lynhaven, Happy Valley, and Gnomes. Playoffs will be held next week.

Important on the list of W.A.A. events during the year is the conference of the California Athletic Federation of College Women which will be held in Santa Barbara this year. Delegates from 30 different schools are expected to attend the discussions covering Youth Hosteling, Interscholastic Activities, Co-Rec Activities and other subjects. In charge is Bonnie Sly, and helping are B. J. Winslow, Margaret Rowbottom, Dory MacDonald, Libby James, and Miss Whitaker.

Dance Club

Tryouts for the Honorary Dance Club will be held next Tuesday and Thursday afternoons. A new Dance Workshop is also being organized.

All College Recreation Association clubs and activities are open to new members.

The Santa Barbara Yacht Club is now beginning regular meetings preparatory to holding several intercollegiate meets.

BOXERS PREP FOR CAL POLY

Following a rigorous training program here this week, the Santa Barbara boxing team will begin a schedule away from home February 9, when they meet Cal Poly. The other two meets away from home are against San Jose, February 11, and UCLA, February 21.

The team has arranged a practice meet with Westmont College here Tuesday at 7:30 in the Men's Gym, so that the squad members will be able to get into a little sharper condition.

The other meets scheduled for the season are against San Francisco State on March 13, and San Jose on March 20. If the team gets into the Pacific Coast finals, they will start in this about the first week in April.

Mr. Harder, director of athletics, is sending out a call for some good heavyweights, lightweights, and bantamweights. Men in the 112 and 118 class are also needed to box in the AAU meet in April.

GAUCHO CAGEMEN

(Continued from page 1)
 for the Tigers. However, this proves them to be a versatile team capable of changing their strategy and still scoring plenty of buckets.

CCAA Champs

Last year Coach Chris Kjeiden's boys took first place in the CCAA, and just like this year they had a slow start. So this is no time for over-confidence. High scorers on the COP team include Hank Pfister, forward, who has scored 32 field goals, 23 free-throws for a total of 87 points. Next in line comes Stan McWilliams, Bud Proulx, and Al Levy, scoring 86, 82, and 42 points respectively.

These two games are going to be both important and tough, so GOOD LUCK, GAUCHOS.

SO FAR

- Dec. 5—20th Century-Fox 48, Gauchos 43.
- Dec. 11—Gauchos 44, U. of Ecuador 32.

- Dec. 30—Gauchos 49, New Mexico State 29
- Jan. 2—Gauchos 58, U. of New Mexico 39.
- Jan. 3—Gauchos 48, Whittier 42.
- Jan. 10—Gauchos 52, COP* 48.
- Jan. 14—Gauchos vs. U. of Mexico, Army.
- Conference opponent.
- Thus far: Won 10, lost 3. College games: Won 10, Lost 1. Conference games: Won 1, lost 0.

The football season may be over, but the Naval Academy made gridiron news by the announcement that they were in the market for a "civilian" head coach. Tom Hamilton, a ranking naval officer and present grid coach, will be appointed Director of Athletics. All of this means that Navy is becoming a bit tired of being shoved around on the gridiron, and is going to do something about it. There haven't been any names mentioned yet, but look for the Middies to come up with a "big-name" mentor.

Swede Flops

Ole Tandberg, Swedish hope for the heavyweight boxing crown, made his U. S. debut at Madison Square Garden last week, and now the Swedes are looking for a new hope. Joey Maxim, who couldn't punch his way through a weak cobweb, boxed Tandberg silly to take a ten round nod. Tandberg's bout with Maxim was the first of several "conditioning" matches before the Swede went in quest of the heavyweight title. This reporter's observation is that Tandberg should sell his boxing equipment, and then say in a loud and emphatic voice, "Ay tank I go home."

Olympic Coach

Dean Bartlett Cromwell, 68 year old track and field coach of USC, was appointed by a unanimous vote to lead the United States track team in the Olympic games in London this year. The honor could certainly not go to a better man, for Cromwell's SC teams have won 12 NCAA championships in the forty years that the Deans has been at the Los Angeles school. Cromwell has also developed such Olympic winners as Charley Paddock, Earl Meadows, Lou Zamperini, Ken Carpenter, and Frank Wykoff.

Cage News

The Santa Barbara Gauchos face two tough games over the weekend, when they bump up against a strong San Jose five, and do an encore with COP. A twin win would keep the Gauchos on top of the 2C2A Conference. . . Frank Schimandle and Gene Snyder turned in outstanding efforts in the recent COP game, and seem to be set to roll. . . Scrapy Hudson Scott still bothered by a pulled leg muscle, but should be back in action soon. . . The Idaho Vandals took over first place in the Northern division of the PCC when they upset the 1947 champions, Oregon State, Monday night. . . The California Bears appear to be the class of the Southern half by virtue of their romps over UCLA and USC last weekend. . . Jim Schleuter and Rudy Limon continue to pace the excellent JV team. . . Intramural basketball will commence immediately after the next semester begins. . . Hope the officiating for the rest of the season is as good as it was for the COP game. It was nice to see two refs keep a rough, but clean game from getting out of hand.

CASING THE CAMPUS

Raising our weary and blood-shot eyes from all the term papers, book reports, etc., which we were supposed to have handed in this past week, we now devote ourselves to a scintillating session of "Casing" to relieve our devastated mind.

That busy little gremlin, Dan Cupid, certainly outdid himself over Christmas vacation. *Leland Keniston* and *Gamma Delta Norine Fidler*, *Kenny Olds* and *Joyce Gust*, *Bob Woolridge* and *Alpha Thete Patti Parslow*, *George Hopping* and *Gloria Morgan*, and *George Reeves* and *Joannie Cralgo* are among those who have recently announced engagements. Two ex-Stephens gals, *Beth Drake* and *Bonnie Hawn*, are now wearing rings given them by *Dave Ferguson* and *Ed Lamb*, respectively. *Chi Dels* have had chocolates from *Jen Senay*, who'll become Mrs. *Emmet Skirvin*, from *Jane Erickson*, who'll marry *Francis Pezzatti*, and from *Nora Skells*, who has said "yes" to *Carden Young*. *Delta Zete Betty Lou Landes* is wearing a ring designed for her by her USC man, *Merle Rousellot*, *Jean McFarland* is newly engaged to her fellow from down south, and *Norma Dimmitt* told *Keith Lockhard* "yes" New Year's Eve. Whew, you say romance is thick in the air!

New Arrivals

Dr. McRary and *Prexy George Graves* both passed out cigars over the vacation to announce new arrivals in their respective families. "Cheri" is the name chosen by *Barb* and *George* for their new daughter.

Marriages were also in the spotlight over the holidays. *Bobbie Galleher* became Mrs. *Bill Houck* on New Year's Day, and *Joan Dickson* eloped with *Richard Reichard* prior to Christmas. *Connie Copleman* took *Carolyn Chauncey* as his bride, and *Bill Blackburn* and *Nancy Umber* have joined the married ranks. *DZD Betty Maher* married *Sig Alph Ed Morris*, and they've moved into their new little house, while *Arlene Peterson* became Mrs. *Bob Blakemore* in a Sunday wedding. Many congratulations to all you Gauchos.

Chit Chat

Someone told us *Cal Estes* is handing out free dancing lessons—we hear he's quite the authority on sambas and rumbas now. . . . Also the grapevine notifies us that the *Delta Sigma Phi* boys are quite proud of their new Montecito house which has billiard tables, and a private beach, to mention a few features. Great!

It was good to see so many Gauchos at the Los Angeles basketball games. *Chris Stone* and *Shirley Lerner* were among the gang. *Dick Struck* is quite the hit of the games at ye local armory with his lovely loud cow bell. Seen rooting for our team have been *Iris Burns-Royal Cathcart*, *Anastasia Douts-Alec Callow*, *Evelyn Hill-Harris Seed*, *Betty* and *Meredith McGee*, *Mary Alice Abbott-Don Griffin*, *Eleanor Spurrier-Hank Behrens*, *Jean Tahajian* and *Don Boettner*, and *Bev Miller* with *Will Turney*.

Bye for now. . . . be sure to let us know if anything exciting happens to you between semesters.

Correction No. 6281

In Tuesday's issue of *El Gaucho* it was stated that scripts for the Roadrunner Revue should be submitted to Dean Sweet. Wrong. The scripts should go to Dean Jones.

Civilization - - '48 Version

You're in a bar, dimly lighted and filled with smoke. It's quiet; the voices are subdued. Outside cars whine by fast, and fast walking and talking couples pass the door—their blurred voices registering slightly or not at all on your mind. . . . For you are sitting quietly, all by yourself, just relaxing. The tired machinery of your body is idling in neutral and the adrenal glands, the hot carburetors of your body, are quiet.

Then somebody plunked a nickel in the juke box whose juggernaut mechanism inexorably moves a record into place. A piercing voice pounds into your head what you're trying to forget. "Eva'thing is movin' too fass" she yodels. You leap from your chair with a scream of anguish and blindly push your way to the door, to mingle with the milling mob whose eyes smart from the incense offered to the great god Industry and whose feet make crackling sounds stepping on the broken bottles marked Old Oblivion and Frustration's Special Reserve.

Civilization. Bongo, Bongo, Bongo!

Gill Johnston.

ASTONISHED OSTRICH

Dear Editor and Students: Shades of the Kremlin! Why don't the student representatives for World Government send a delegation over to the U. N. to bow down and kiss Molotov's feet. You don't have to grant communist Russia any concessions. They'll take everything they've got coming to them and a hell of a lot more. With the untenable stand the Soviet is taking right now, any attempt to initiate half the proposal laid down by World Government would be as practical as starting a thatched hut settlement at the South Pole.

What else do they want us to do? Move out of China and cut off aid so the "Commies" there can operate at freewill? Europe needs a hand-cuffed manufacturing Germany, I admit, but how can Britain and U. S. start to coordinate the zones, when Russia has drawn the iron curtain across the eastern half?

Now they want us to give away the A-bomb to the World Government, which wouldn't be too bad except that under this plan Russia would be part of it. Don't worry about giving the A-bomb to Russia, she'll get it soon enough as it is. Our supreme achievement we would give away to those who we have reason to suspect would use it to destroy us. Logic? Don't be saps! The only time the Russians are going to play ball with us is if they can throw a curve past us. War is nothing more than the ultimate in foreign political endeavor. We are at war with Russia now insofar as we are trying to achieve the same political gains without arms.

Wise up, students. Don't let America play the part of the Astonished Ostrich.

Philip Rouse

Brain-Child

To the Editor: We three are complaining about a condition on campus which has gotten steadily worse as the semester progressed. If you have the unfortunate pleasure of an eight o'clock, when you try to squeeze into the library at 9:15 after a reviving cup of coffee, you are met by full capacity and the baleful stares of those you are disturbing.

Now don't think that we are just griping. We feel that we have a constructive idea to remedy this inconvenience. Why can't a list be made of empty rooms on campus at the different class hours and be posted on the bulletin boards? In this way more people would be served and it would help the men students especially who don't even

have the alternative of the AWS room to study in.

The library stairs are cold and uncomfortable and not conducive to study for even the most intellectual student. So please think over our brain-child, students, and see if you don't think it would help you.

If you do like the idea, well, we can get some action.

From Roz, Katie, and Eileen

REBUTAL

Mr. Charlie Noble, c/o Editor, *El Gaucho*:

In last Tuesday's issue of *El Gaucho*, Chuck, you beefed about the IE department. It is still turning out glorified carpenters, huh? I am an IE major, and I resent that remark. Our IE department, besides having the largest enrollment of any department on this campus, is also one of the finest on the coast. The only comparable schools are Oregon State and Carnegie Tech in Pittsburgh.

I sincerely invite you to drop in to the Print Shop and watch some "glorified carpenters" turn out some damn fine printing.

Sincerely yours,
Geo. F. Outland

CRIES OF PAIN

Dear Editor and car drivers:

Ouch! A magnificent and noble old tradition on this campus is (ouch!) going to the dogs. Since the time of the Roman chariot, Gauchos "with" have been giving Gauchos "without" a lift up the hill, and down. (Ouch!)

But, alas, no more. Now the Cadillacs and Chevies go meandering on their merry way, without heed to the poor souls (ouch!) stranded at the bus stop, or dragging their weary and aching bodies up the hill. Something (ouch!) must be done. What's say, drivers, how's about a lift?

Sincerely yours,
Bill Edwards

THE CAMPUS CORNER

Dear Bobbie Marvel,

Welcome as my new partner in the crime of turning out these weekly bits of garb-gossip. You will be adding to the complexity of your college career with such burdensome responsibilities as meeting our Gaucho deadline (a goal which the Campus Corner has yet to reach!), wearing campus creations on Fridays from J.R.'s, and our greatest challenge — "working" in the store on Saturdays. I trust that you will fulfill these obligations just as I have not — oops!

Check this — I have just the thing for you to do with all that Christmas money you received from all those rich relatives! Peachy keen Cash-and sweaters — \$13.95 for the cardigans and \$11.95 for the slippers. Colors—Maize, Pink, White and Aqua. As soft as cashmere, as pretty as angora.

Two bags in one! It's a pouch style in suede — two separate bags hinged together by a gold thing-a-ma-jig and handle. Your choice of kelly, grey or balenciaga (cocoa to you) for \$7.95.

I'll be expecting an inspired epistle from you next Friday in Campus Corner. Don't lose too much sleep—
