NUMBER 35

Chamber of Commerce Dinner Draws Good Crowd

A crowd which filled the auditorium of the Memorial building to capacity enjoyed the semi-annual banquet provided by the Carpinteria chamber of commerce Wednesday when many out of town visitors were introduced by the president, David Safwenberg. George MacLellan of Santa Barbara spoke on world affairs in the program which followed the dinner, introduced by the chairman, Dr. J. B. Lape. Other numbers were a group of songs by Homer Gayne of Los Angeles, accompanied by Mrs. Jack Wullbrandt; an act by the Three Ritz Brothers and readings by Cecile Katz of Santa Barbara, and a skit, "Goodnight, Please," by the Pueblo players directed by Douglas Harmer. The cast included Gene Holland, George Streeter, Marion Breslin, Marie Dobson, Russell Spicer, Helen Briggs and Leonard de Barnardi.

Dr. J. B. Lape, chairman of the dinner, was assisted by Jack Wullbrandt, Dr. G. H. Coshaw, D. I. Jamerson, W. W. Humphrey and Wm. H. Jones.

The dinner was served by the ladies of the Methodist church, the committee including Mrs. W. H. James, Mrs. J. W. McIntyre, Mrs. Edward Mathews, Mrs. A. W. Horton, Mrs. Jesse Husted, Mrs. B. B. White, Mrs. Jennie Wood, Mrs. J. H. Bridges and Miss Julia Fish. Serving the tables were Mrs. Blanche Koehler, Marjorie and Cordia Wainscott, Jean Wood, Loretta Mayrhoften, Marquetta Doran, Gloria Ford, Katherine Koehler, Lola Mathews, Zelma Wiser, Neta Goddard, Olive Hawley and Lillian Stonecypher.

Those attending the dinner were Rev. and Mrs. N. F. Johnson of Mt. Hermon, Calif., Mr. and Mrs. A. T. Mead, Ventura; Ray Bingham, Glendale; Glenn Peterson and Tom Elliott, Los Angeles. From Santa Barbara were Mr. and Mrs. James French Dorrance, Mr. and Mrs. H. J. Crotty, Mr. and Mrs. W. C. Keefe, Dr. F. Newland and

P.T.A. TO CONTINUE; MEMBERSHIP DRIVE COMMENCED

The discussion of disbanding the local P.T.A.'s in favor of a mother's club has been dropped for the time being and a P.T.A. membership drive was launched this week, children in both the grammar school and high school having been given membership blanks to take home to their parents.

Membership is not limited to those persons having children but is open to all women in the community who are interested in program of the local, state and national organization which is constantly striving to improve conditions relating to child welfare, training and education and P.T.A. officers hope that the drive will bring in many new members, making it possible for the organizations to again become an active factor in community work as they have been in the past.

Dr. Nellie Newland, Mr. and Mrs. Presley Lancaster, Mr. and Mrs. A. J. Watkins, Mr. and Mrs. William E. Mallory, Mr. and Mrs. Charles L. Shedd, Mr. and Mrs. Wayne Fitkin, Mr. and Mrs. Sidney A. McFarland, Mr. and Mrs. Roland D. Carter, Mrs. Elizabeth Morse, J. V. Wood, Paul J. Langlie, E. B. Cummings, Neal Wells, W. Rogers, Grover C. Drake, Elbert S. Conner, James Henderson, Francis O. Hyre.

Carpinterians present were Mr. and Mrs. David Safwenberg, Mr. and Mrs. William H. James, Mr. and Mrs. W. W. Humphreys, Mr. and Mrs. Marc Latham, Dr. and Mrs. J. B. Lape, Mr. and Mrs. Thomas Savage, Mr. and Mrs. Charles D. Burris, Mr. and Mrs. Leslie Carter, Mr. and Mrs. E. D. Solari, Mr. and Mrs. Clarence Sawyer, Mr. and Mrs. Robert M. Or-

CHURCH CAMPAIGN FOR BUILDING FUND PROGRESSES

Although the Community church participation campaign to raise funds for a new church home has been in progress but several weeks and it is too early to predict the final outcome, indications are that the drive is meeting with success and the response of the community indicates that there is a realization of the need of a modern church home comparable to other public buildings in Carpinteria.

AMENDMENTS TO BE DISCUSSED TUESDAY NIGHT

Discussion of the amendments to appear on the November ballot will be heard at the Woman's club next Tuesday evening at 7:30 with Assemblyman Alfred W. Robertson leading the discussion, and speakers supplied by the Automobile Club of Southern California and the Highway Patrol office speaking on proposition No. 4. The meeting is sponsored by the Woman's club and is open to the public and all residents of the valley are urged to attend so that they may gain a better knowledge of the amendment appearing on the Nov. 8 ballot.

PRECINCT WORKERS FOR CARPINTERIA NAMED BY G. O. P.

Precinct organization of Republican workers for the Carpinteria district has been completed according to announcement of John B. Hudson and John F. Rock, members of the Republican County Central Committee, and their efforts will be devoted to distributing literature and getting out all the votes in the district on November 8th and in seeing that persons who are confined to their homes or who will be out of the community at that time received absentee ballots.

The precinct committees for Carpinteria are as follows:

PRECINCT 1. Stanley L. Shepard, Lawrence N. Bailard, Donald Butler, Dorothy I. Hales, Harry S. Russell.

PRECINCT 2. G. Horace Coshaw, Clifford W. Bradbury, Mrs. Liva H. Houts, John F. Rock, Robert E. Bailard, John J. Rodriguez.

PRECINCT 3. Hugh G. Thurmond, Mrs. Clara R. Lewis, Mrs. Edith O. Sturmer, Frank C. Wymond.

PRECINCT 4. W. C. Hohmann, R. W. Morris, Raymond A. Doell, Alfred F. Thurmond, W. R. Owens.

PRECINCT 5. William H. James, Frank A. Hebel, Leslie R. Carter, John E. Jones.

Mr. and Mrs. M. Reno Hohmann and three children from St. Louis spent the week-end with their cousins, Mr. and Mrs. William C. Hohmann and family.

Supervisors Warn Against Passage of Pension Plan

PAINFUL INJURIES SUSTAINED IN AUTO ACCIDENT

Cleo Kathman and Tony Rodriguez, who resides on Santa Monica Road, received painful though not serious injuries Saturday evening about 7:00 p. m. when their cars were involved in a collision on Linden Avenue near 9th Street.

The accident occurred when Kathman crashed into the Rodriguez car which was being backed from a parking place on Linden Avenue. Kathman was thrown through the windshield of his car and was almost scalped, 18 stitches being necessary to close the wound. After treatment at a doctor's office he was removed to his home. Rodriguez was knocked unconscious by the impact and was taken to a Santa Barbara hospital for x-rays, but was returned to his home here after it was ascertained that there was no fractures or dislocations.

Mr. and Mrs. John Catron were hosts at dinner last Thursday evening to Miss Marilyn Cravens and Miss Catherine Jones, celebrating the seventh birthday of their son, John David.

* Fearing the \$30-Every-Thursdays pension plan would virtually bankrupt the county, the board of supervisors adopted a resolution Monday opposing passage of the retirement life payments act in the Nov. 8 general election.

The resolution, adopted by an unanimous vote of the board, holds that should the proposed pension plan be adopted, persons now receiving old age support might find themselves cut off from any county, state or federal aid. Similar aid to the blind, orphans and physically handicapped children might also be impossible, the supervisors believe.

Teachers Cited

School teachers, now paid in registered warrants, might likewise find the county unable to cash their warrants, the supervisors said. The supervisors believe that if the \$30-Every-Thursdays plan is adopted, and taxes are paid in these so-called warrants, the county will not have funds with which to cash the warrants.

The supervisors, individually, voiced their opposition to the proposed pension plan. Technically, the resolution which they adopted reads that "the county board of supervisors believes that the seri-

(Continued on page 8)

Plans Made for Observation Of Girl Scout Week

Carpinteria Brownies held their Halloween party Tuesday afternoon at the grammar school with their leader, Miss Rosemary Carton, who planned games and Halloween contests. The Brownies wore costumes and had table decorations which they had made. Refreshments closed the afternoon. Members of the Brownie pack are Betty Ruth Beckstead, Helen Boren, Grace Ennis, Joan Hall, Florine Light, Thelma Marple, Sadie June Mayrhoften, Martha Miller, Irene Solari, Dolly Stuart, Bonnie Wainscott, Carol Waynflete, Gilda Zanini and Eleanor Fogliadini.

A second cub pack is under the leadership of Mrs. Irvin Treloar, brown owl, and Mrs. George Holsten, tawny owl. Brownies are Nan Henderson, Gloria Beccra, Kay Shepard, Dorla Dean McKinney, Phyllis Armstrong and Joyce Humphrey.

Girl Scouts will take part in the activities of Girl Scout week which begins with attendance at church Sunday morning when the local girls will attend the Community church with their leaders, and closes with the Girl Scout rally in Santa Barbara on Nov. 5 when the local Scouts will join those of Santa Barbara in presenting a pageant of nations. The observances of Scout week have been outlined by the national council as follows: Sunday, church day; Monday, homemaking; Tuesday, arts and crafts; Wednesday, thrift day; Thursday, hostess day; Friday, citizenship; Saturday, health and safety.

Other events planned among the Scouts for this week include a dinner and over-night party at the Rock beach cottage by the high school troop, and a Halloween party on Wednesday evening at the home of Jean Marie Fraga, who, with Lila Ann Hebel and Juliette Bates entertained their troop and leader, Miss Elyne Mallery, and Mrs. Mary Rystrom as their project toward their hostess badge.

The roll of Girl Scouts in Carpinteria includes the following: high school troop, Mrs. Merle Staub, captain; Miss Elizabeth Platt, lieutenant; Kow Dyo, Margaret Senteney, Gladie Bridges, Daphne Dewar, Hanaye Ota, Barbara Bates, Loretta Mayrhoften, Virginia Vaughan, Jean O'Banion, Jane Franklin, Joan Rock, Marie Schweizer, Bonnie Shepard. Troop 24, Miss Vivian Rodriguez, captain, Mrs. Emory Peterson, lieutenant; Carol Beckstead, Joyce Richardson, Carla Bradbury, Joyce Miller, Phyllis Southworth, Virginia Carpenter, Gloria Curtis, Eleanor Vaughan, Dorothy Rosebro, Evelyn Russell, Erlyn Seglie. Troop 25, Miss Elyne Mallery, captain; Eleanor and Josephine Bailard, Juliette Bates, Barbara Bauhaus, Shirley Davis, Jean Marie Fraga, Lila Ann Hebel, Rona Jamerson, Patsy Latham, Tommy Lou Miller, Tressa Lee Vaughan.

Troop 22, Miss Alice Langdon, captain; Patricia Mayfield, Irene Stewart, Jean Pederson, Marta Safwenberg, Polly Catlin, Patsy Curtis, Dorothy Emerick, Darlyne Betts, Polly Ann Ennis.

Fire District Acquires Hydrants in Serena Area

Arrangements have been completed whereby the Carpinteria Fire district will take over some 43 fire hydrants which were installed several years ago by the Montecito Water company in Serena and along Toro Canyon and Foothills roads within the boundaries of the district.

The fire hydrants have not been used since they were installed and the district has made arrangements for their inspection and testing and will make such repairs as may be found necessary to put them in servicable condition. Plans also call for a coat of red paint on all hydrants. Under an agreement with the water company the district will have the use of water without a standby charge until July 1, 1939, after which time a charge of \$1.50 per month per hydrant will be made.

The addition of these hydrants is another step towards increased fire protection for property located within the fire district and will no doubt favorably affect the insurance rates.

An increase in pay for time spent in fire drills or in fire-fighting operations of one hour or longer has been granted to Captains and Lieutenants in the Carpinteria and Summerland divisions of the Fire department. The Captains will receive 75c per hour and the lieutenants will receive 62½c per hour instead of the 50c per hour which has been paid in the past.

The regular monthly dinner meeting of the Carpinteria and Summerland divisions of the fire department will be held in Summerland at the school on Tuesday evening at 7:30 p. m.

AMENDMENTS

California voters will be confronted by 25 amendments on their November ballots as well as the usual number of state officers as voters have already discovered from their sample ballots which were distributed within the past week. With the sample ballot was enclosed a booklet setting forth the full text of all amendments together with arguments for and against the various propositions. Although it will probably take some little time to read this booklet thoroughly and while some of the reading may seem extremely dry we urge every voter to set aside the necessary time for this "chore" for it is much easier to study these amendments and vote "No" on the ones which would pyramid taxes than it will be to read the tax bills that come flooding in if some of these propositions are permitted to carry because many persons believed it too much trouble to inform themselves on these matters and skipped the amendments on their ballots altogether.

We will present a resume of these amendments in this issue and next week's issue and an outline of arguments for and against these propositions.

LABOR. *Initiative.* Defines what constitutes lawful and unlawful picketing, boycotting and display of banners. Prohibits seizure of private property, coercion, intimidation, obstruction or interference with use of public highways, streets, wharves, docks, and other public places, use of abusive or misleading statements or threats of violence, and certain other acts in connection with labor disputes and other industrial controversies. Recognizes the right of employees to strike and bargain collectively. Provides for civil damages and prescribes criminal punishments and penalties for and judicial procedure to prevent and enjoin violations thereof. Repeals all laws conflicting therewith.

This initiative measure has been placed on the ballot by the signatures of men and women who are weary of the labor conflict with its resultant loss in payrolls, production of goods and destruction of property which has beset California during the past several years. Proponents of the bill believe that the logical solution of labor problems is through arbitration and not through the disorderly means of sit-down strikes, mass picketing, etc. and that employers of labor who furnish equipment and capitol to create jobs are entitled to the same consideration demanded for labor by its organizations. Labor organizations claim that this measure would destroy the Unions by prohibiting the rights to peaceful picketing and freedom of speech. Thorough study of the measure fails to bear out this claim.

Those who believe that labor should be allowed to continue the tactics of the past few years involving sit-down strikes, intimidation, etc. will vote No on this proposition. Those who believe that the primary purpose of a labor union is the securing of reasonable wages, hours and working conditions through strikes and peaceful picketing rather than useless brawls and tie-ups over so-called hot-cargo or jurisdiction of labor organizations and that labor should be held equally responsible for its acts along with the employer will unquestionably vote Yes on No. 1

REGULATION OF POUNDS. *Initiative Measure.* Defines "pounds" and regulates conduct thereof; prescribes duties of poundmasters; prohibits sale, surrender or use of unwanted or unclaimed animals in pounds for scientific, medical, experimental, demonstration or commercial purposes; exempting kennels, buildings or enclosures maintained on own premises by any accredited college, university or any medical research laboratory licensed under State Medical Practice Act, provided cats and dogs therein were bred on the premises or lawfully acquired under provisions of measure; directs that unclaimed and stray animals for which no bona fide home is available be put to death by an approved humane method.

This amendment is apparently a revival of the old anti-vivisection law under a new guise. Proponents claim that it is a humane measure to insure uniform pound methods and to prevent stray pets from finding their way into the experimental departments of colleges and scientific research departments. They state that this measure would not interfere with research work since it permits the breeding of animals for such purposes on the premises of laboratories, etc. Those

who are against this measure, including well known scientists and educators state that their work would be seriously handicapped and that it would be impossible to raise sufficient animals to answer their needs. The question is ably handled in the last issue of "Life" and we suggest that voters make it a point to study the section in the magazine devoted to this subject. Unquestionably those persons in the state who spend more money and time on their pets than many persons are permitted to spend on their children will vote Yes on this measure but those persons who believe that the life of one child, saved through preventative medicine made possible through the use of animals for research work, many times outweighs the value of cat or dog used for experimental purposes will place their cross after the No on their ballot. If you had a child and a dog and were required to sacrifice one or the other for scientific purposes, which would it be?

MOTOR VEHICLE TAXATION AND REVENUE. *Senate Constitutional Amendment 28.* Adds Article XXVI to Constitution. Requires motor vehicle fuel tax moneys be used exclusively for public street and highway purposes. Permits not exceeding 20 per cent of 1c per gallon fuel tax to be expended for payment, redemption, etc. of certain street or highway assessments, bonds or coupons. Requires all vehicle license fee and tax moneys be used to enforce laws concerning use, operation or registration of vehicles, for California Highway Patrol functions, for street and highway and other designated purposes. Declares Amendment shall not affect certain existing laws.

This measure is a Senate Constitution amendment and does not change existing laws governing the use of funds derived from Motor taxation, gas tax, etc. Its purpose is to prevent permanently the diversion of these funds for other purposes than those now provided by law. On the surface the arguments of the proponents of this bill appear sound since it is a known fact that diversion of such funds in other states has proven a severe handicap to highway improvement, but it is also well to take into consideration the arguments against this measure which point out that the "Freezing" of any tax fund for special purposes by constitutional amendment is unsound in that while existing provisions regarding the use of these funds may be satisfactory in terms of the present highway system, future conditions may make changes desirable which would involve a lengthy process of law should present regulations be adopted into a constitutional amendment.

HIGHWAY AND TRAFFIC SAFETY COMMISSION. *Initiative Constitutional Amendment.* Creates, and provides for organization of a Highway and Traffic Safety Commission of five members appointed by Governor with consent of Senate. Prescribes terms of office and salaries of members. Provides Commission shall succeed to powers and duties of certain existing State agencies relating to highways and enforcement of vehicle laws except registration and tax collections. Abolishes present State Highway Commission and transfers California Highway Patrol to new Commission. Preserves existing civil service rights. Authorizes Legislature to change existing laws and enlarge powers and duties of Commission concerning highways and vehicular traffic.

This initiative constitutional amendment would abolish the present highway commission and transfer its duties and the California Highway Patrol to a Highway and Traffic Safety Commission of five men appointed by the Governor with consent of the Senate for terms of ten years at a salary of \$6,000 per year. This measure is sponsored by the Automobile clubs of the state who claim that it would increase efficiency in highway improvements and the enforcement of motor vehicle regulations. While these are things to be desired the voter should also consider that this measure is being opposed by such organizations as the California Traffic Safety Council and the Association of Highway Patrolmen on the basis that it is not a safety measure but that it would put highway safety and improvement into politics and that its adoption into the Constitution would make it impossible to quickly revise traffic regulations to meet new problems which are constantly arising. Persons who do not study both sides of this question will probably vote "Yes" on this measure but those who believe that the present Highway Patrol System has proven effective and that the State Highway Commission has endeavored to spend funds for the improvements of roads where the needs were greatest will vote "No" on this bill.

FISHING CONTROL. *Initiative measure* presented to, and not acted on by, Legislature. Adds new section to Fish and Game Code. Prohibits operation in State waters of fishing boats which deliver fish, mollusks or crustaceans, wherever caught, to points beyond State waters, unless such delivery is permitted by State Fish and Game Commission. Authorizes Commission to issue revocable permits for such delivery; declaring it shall issue no permits which will tend to deplete the species or result in waste thereof or obstruct the operation of any law. Provides for penalties, seizures and forfeitures for violation.

This initiative measure would enable California to protect its marine fishery resources by preventing the ruthless taking of fish, such as sardines, etc. for delivery to reduction plants outside the state or to floating reduction plants outside of the three-mile limit and is similar in all respects to a bill introduced at the last session of the Legislature by Senator J. J. Hollister of this county which passed the Senate but was defeated in the House through efforts of commercial fishing interests. This measure is endorsed by sportsmen's organization and residents of Santa Barbara county who have witnessed the destruction of one of the most valuable recreation facilities, deep sea and surf fishing, by purse seining and similar practices will unquestionably vote "Yes" on this measure.

TAXATION OF INSURANCE COMPANIES. *Senate Constitutional Amendment 1.* Adds section 14 3/4 to Article XIII of Constitution. Declares insurance companies and associations shall be taxed 2.6% upon amount of gross premiums, less return premiums, received upon business done in this state subsequent to December 31, 1937, other than premiums for reinsurance and ocean marine insurance. Eliminates existing constitutional provision for deduction of reinsurance premiums paid to other admitted insurers; otherwise section 14 of Article XIII remains unchanged. Declares effective dates of amendment with respect to business transacted in this state by such companies

(Continued on page 7)

The Churches

Carpinteria has a number of Churches, whose pastors and members will be glad to welcome you to their services.

CHRISTIAN SCIENCE SOCIETY

Christian Science Society, Carpinteria, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds service every Sunday at 11 o'clock a. m., Sunday School at 9:45 o'clock. Mid-week meetings every Wednesday evening at 8 o'clock.

A reading room is maintained in the church building, open Tuesday afternoons (except holidays) from 2:30 to 4:30 o'clock.

"Everlasting Punishment" is the subject of the Lesson-Sermon on Sunday in all Churches of Christ, Scientist. The Golden Text is from Micah: "Rejoice not against me, O mine enemy: when I fall, I shall arise; when I sit in darkness, the Lord shall be a light unto me."

The Lesson-Sermon includes this parable of Jesus from the Gospel of Luke: "Two men went up into the temple to pray; the one a Pharisee, and the other a publican. The Pharisee stood and prayed thus with himself, God, I thank thee, that I am not as other men are, extortioners, unjust, adulterers, or even as this publican. . . And the publican, standing afar off, would not lift up so much as his eyes unto heaven, but smote upon his breast, saying, God be merciful to me a sinner. I tell you this man went down to his house justified rather than the other: for everyone that exalteth himself shall be abased; and he that humbleth himself shall be exalted."

Among the statements from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, is the passage: "Blindness and self-righteousness cling fast to iniquity. When the Publican's wail went out to the great heart of Love, it won his humble desire."

THE CARPINTERIA COMMUNITY CHURCH

Rev. Deane F. Babbitt, Pastor.

Church School meeting at 9:45 a. m. on Sunday enables the pupil to learn how he may best please God. When we are helpful to our fellow-man, we find that we are also pleasing to God.

Concluding Christian Education week, which has been featured by the Interdenominational Institute of Religious Education, the Rev. Deane F. Babbitt will preach upon "The Responsibility of Hearing." Jesus dealt with his hearers through parables. The First Parable, the "Parable of the Different Kinds of Soil" is familiar to Christian people everywhere. Mrs. Wilbur W. Humphrey will preside at the piano, and the Tuxis and Men's Choruses will contribute to the spirit of worship and praise. Let us worship God in spirit and in truth!

Do you know what it means to follow Jesus? Members of the Youth Fellowship will discuss this subject, led by Glen Capes, at the 6:30 Fellowship Hour.

COULDN'T BE WRONG

Genevieve Tobin, who plays Claudette Colbert's rival for Herbert Marshalls affections in Paramount's "Zaza" was first signed for pictures after her triumphs as the star of "Fifty Million Frenchmen" on Broadway.

COSTLY NEGLIGENCE

Joan Bennett wears a negligee in Artists and Models Abroad" that is one of the most costly garments of its kind ever made. It is woven of spun gold.

Brownies Love Parties

Hallowe'en provides Brownie Girl Scouts with two good reasons for parties because it always falls on October 31, which by a happy chance is the birthday of the late Juliette Low, founder of Girl Scouting in this country. Brownies learn at their pack meetings how to help with all of the trimmings for their little social events. They decide upon the refreshments, plan the games, make the decorations, write the invitations, and receive their guests when they arrive.

CANDIDATE FOR LIEUTENANT GOVERNOR

DR. WALTER SCOTT FRANKLIN

Carpinteria Methodist Church for the past two years, to the Methodist Church in Chico, California.

Rev. J. J. Woodson, who has filled the pulpit at the Chico church for the past two years, will replace Rev. Addington, and is expected to arrive in Carpinteria next week. Rev. Addington and his wife and daughter left yesterday for Chico following a farewell party, given by the ladies of the church. Dr. C. P. Moore will be in charge of the services on Sunday.

Your printing orders will be well done and appreciated at The Chronicle office.

SEPTEMBER GAS SALE SHOWS DROP

SACRAMENTO—Gasoline sales throughout California, as indicated by motor vehicle fuel tax revenue, dropped 5.43 per cent during Sep-

tember as compared with the same month of the previous year, the State Board of Equalization reported today.

Last month's tax amounted to \$4,277,422.50 as compared with \$4,523,409.84 reported for September, 1937. The month's income also

was well below the tax of \$4,742,539.08 reported for August of the current year.

The September gasoline tax was based on the distribution of 142,580,750 gallons of gasoline, or 8,199,577 gallons less than for September, 1937.

YOUNG PEOPLES GROUP ACTIVE DURING WEEK

The young people of the Community church saw pictures of Yellowstone and Glacier National Parks shown by Mr. and Mrs. James K. Catlin following their meeting Sunday evening, a number of older people coming in for pictures. Refreshments were served at the close of the evening.

The past week was a busy one for the members of the Youth Fellowship group. On Friday evening a large group went to Wheeler Springs for a picnic dinner and swim, accompanied by Rev. Deane F. Babbitt. Those who attended were Martha Thurmond, Marilyn Shepard, Mary Davis, Katherine Ingerson, Nadine Cook, Margaret Senteney, Margaret Russell, Edith VanMeter, Patty Orrill, Barbara Bates, Mary Lou Royer, Lois Erwin, Edwin MacDonald, Myron Sturmer, Jack Hoffman, Donald Royer, Bernard Snow, Bob Jones, Robert Whitcomb, Jack Kendrick, Bill Jorgenson, William Osterman, Rodney Starkey and Donovan Capes.

Saturday Jeane O'Banion, Barbara Bates, Robert Whitcomb and Rev. Babbitt attended the reunion of the Dos Pueblos summer camp members at the camp grounds west of Goleta. On Sunday afternoon the group was represented at the meeting of the district Christian Endeavor board in Ventura by Margaret Senteney, and Glen Capes, accompanied by Mr. Babbitt and Frank Roberts.

ENGAGEMENT OF MIRIAM HENDY ANNOUNCED

Mr. and Mrs. Joseph Hendy have announced the engagement of their daughter, Miriam, and James Reid Henderson, son of Mr. and Mrs. James R. Henderson of Santa Barbara and Denver. The wedding date has been set for Dec. 31.

Miss Hendy is a student at Santa Barbara State college and expects to continue her studies graduating in January. She is a member of Delta Zeta Delta sorority. Mr. Henderson has attended U.C.L.A. where he was affiliated with Theta Xi fraternity.

Mrs. C. B. Franklin entertained the members of her dessert-bridge Tuesday, including Mrs. Felecie Hubbard, Mrs. J. F. Tubbs, Mrs. E. F. Pendergast, Mrs. Martin Slaughter, Mrs. J. W. Dorrance, Miss Catherine and Miss Myrtle Bailard.

Mrs. Ray Barret of Huntington Beach has been spending the week with her mother, Mrs. J. F. Tubbs.

Mrs. Frank Wykoff is a patient in an El Centro hospital where she is recovering from an operation.

Miss Evanelle Hanna of Colton has been spending the week as the guest of Miss Rosemary Carton.

We represent a number of the oldest and strongest companies in the world.

Mrs. John F. Rock accompanied members of the Santa Barbara Girl Scout council and Forestry Superintendent and Mrs. S. A. Nash Boulden on an inspection trip Tuesday in areas on Frazier mountain, Mt. Pinos and Lockwood valley which are being considered for a permanent campsite for Girl Scouts in the Santa Barbara council, which includes Santa Barbara, Montecito, Summerland and Carpinteria. Several sites, containing from five to seven acres were inspected and referred to the department of Forestry as the choice for Scout camps.

LIONS CLUB HEARS TALK ON PENSION PLAN

The Carpinteria Lions Club had as their guest speaker at the regular dinner meeting in the Veterans' Memorial building last night Capt. W. H. Rutherford of the California Highway Patrol discussed traffic safety and Louis Lancaster of the County National Bank of Santa Barbara who spoke on the \$30 every Thursday "Ham and Egg" amendment. Hugh M. Lindsey, Santa Barbara attorney, will be the speaker next Thursday evening.

On Thursday of last week the Club had as guests Monte Ramie of the Carpinteria High school football team and two boy scouts, Leslie Jackson and John Woods.

Mrs. James A. Lewis left yesterday for LaVerne where she will join her brother, Arthur Durward, in a trip to the home of their sister in Farmington, New Mexico.

The touch football team from Summerland grammar school met the team from the grammar school on the local grounds in a game yesterday afternoon.

HI-Y INITIATES NEW MEMBERS

Nineteen members were inducted into the high school Hi-Y Tuesday evening in ceremonies conducted by the officers assisted by their advisor, Merle Staub, and Rev. Deane F. Babbitt. Refreshments were served at the close of the evening. Officers of the organization are: President, Gordon Milne; vice president, Laurence Bailard; secretary, Dwight Babcock; treasurer, Bill Catlin; service chairman, Neil Clark; councilman, Rolland Wullbrandt; brotherhood chairman, Donald Royer.

New members are Dean Waters, Steven Granaroli, Stephen Romero, Alden Fogliadini, Richard Kistler, Lynn Cadwell, Richard Houts, Eugene Baxter, Ben Tada, George Miller, Roland McIntyre, Glen Capes, Bob Koehler, George Schmitz, John Calhoun, Mike Lopez, Arthur Milne and Billy Rowe. Other members are Rodney Starkley, Melvin Hoffman, Jack Kendrick, Philip Olds, William Osterman, Carl McIntyre, Charles Babcock, Bill Jorgenson, Warren Jones, and Webster Beckstead.

LEGION AUXILIARY SPONSORS CLUB PROGRAM

Dr. Bryant Wilson of Santa Barbara will speak before the Woman's club next Thursday afternoon in a program arranged in cooperation with the American Legion Auxiliary. Hostesses will be Mrs. Joseph W. Schweizer, Mrs. Frank A. Hebel, Mrs. John J. Rodriguez, Mrs. David Safwenberg, Mrs. Robert Sawyer and Miss Charlotte Shepard.

Mr. and Mrs. George Flachenacker of South Pasadena spent Sunday with their daughter, Mrs. Eugene Nelson.

Mr. and Mrs. James A. Lewis and daughters, Margaret and Claribel, spent Sunday at the home of Mr. and Mrs. Arthur Durward in LaVerne.

Declaration of Independence

Signed by Many Women

One hundred fifty-two years ago the venerable members of the Congress, all of whom were men, signed our Declaration of Independence.

"Today women . . . not men . . . are declaring a new kind of independence . . . the independence that guards against becoming dependent on others in later years. To do this, these women are studying for the most distinguished and profitable profession . . . Trained Practical Nursing.

"Most professions open to women require rigid educational backgrounds. However, many women are becoming Trained Practical Nurses without a college education. They receive training and supervision by registered California nurses at the Pierce School of Practical Nursing in Los Angeles . . . the only recognized school of its kind.

"The Pierce School offers three types of instruction for this desirable profession. First,

the Home Study Plan whereby the student receives carefully prepared instruction, examinations, and personal help through correspondence. Second, the Classroom Plan by which students have personal contact with registered-nurse instructors. Third, the Hospital Plan where the student lives and is trained in the hospital, with daily clinical experience in medical, surgical, and obstetrical cases."

The above statement made by Iola Barnebee Pierce, Vice-President of the Pierce School of Practical Nursing, should be of interest to every woman. Your enrollment as a student of this profession is your declaration of Independence.

The school offers an attractive booklet, "The Profession With the Greatest Advantages for Women," which will be sent free to all interested women. Write the Pierce School of Practical Nursing, 702 West 17th St., Dept. 120, Los Angeles, California.

Mr. and Mrs. Robert Orrill had as their guests Sunday Mr. and Mrs. J. G. Akervold and children Orrill and Margie of North Hollywood. They were joined at a picnic dinner at Cerca del Mar by Mr. and Mrs. Henry Sturmer and family.

Mr. and Mrs. James L. Kent have moved into the Thompson house on Vellicito road recently vacated by the Howard Mays family.

Mr. and Mrs. W. H. Pierce and Mr. and Mrs. J. R. Lloyd of Arlington were guests of Mr. and Mrs. Albert Jarvis Sunday.

Dr. Wayland and Miss Edna Colgren of the county school health group conducted a baby clinic at Aliso school last Thursday.

Grammar School Superintendent Frank Wykoff attended a conference of district superintendent in

Santa Maria last Thursday.

C. A. Dougherty, district manager of the Modern Woodmen of Fresno, Calif., was a business visitor in Carpinteria yesterday.

Mr. and Mrs. John F. Rock and daughters Joan and Ruth will spend the week-end with friends in Palm Springs.

Pupils of the grammar school are presenting an "amateur" program at assembly held in the High school auditorium this morning.

LAYING CINEMA STEEL

Two hundred railroad men who never worked for the movies before now have a movie assignment. One crew is laying six miles of track at Iron Springs, Utah, for Cecil B. De Mille's "Union Pacific." The other is laying five spur tracks of about a mile each in Hollywood for the same picture.

National 
WASHER AND IRONER WEEK
October 23 to 29

Every Home Should Have These Two Work-Savers

Modern Electric Washers Save Their Own Cost

1. With a modern home laundry the average family can save from \$75 to \$125 a year.
2. Modern electric washers clean clothes faster, better, and with less wear.
3. Modern electric washers launder everything from the sheerest fabrics to the heaviest blankets with the minimum of labor.
4. The money saved with a modern electric washer can be spent for other things that the family cannot afford now.
5. Low prices, low down-payments and low terms make it possible for every family to own a modern 1938 electric washer—and pay for it with the money it saves.

"Sit Down" Ironing Is Faster and Easier

1. With a modern home laundry the week's washing and ironing can be done quickly and easily in from 3 to 5 hours.
2. Modern ironers are easy to operate and do beautiful work.
3. The average time required to iron various articles with a modern ironer is estimated at two minutes for a sheet—four minutes for a table cloth—less than a minute for a towel.
4. A modern ironer saves time, saves trouble, and saves energy.
5. A modern electric ironer and washer can be purchased today for less than the washer alone cost a few years ago. See them today.

Bing Crosby back from a vacation in Bermuda in time to take over his radio program which Bob Burns left the end of this week to take time out for a European vacation. Bob returns the first of the year to start working in "I'm From Missouri." Bob Hope and Shirley Ross have had recordings made for their personal record collection of the song, "Two Sleepy People," which they will introduce on the screen in their current picture, "Thanks for the Memory." Claudette Colbert off to the desert for a few days' vacation with time off from "Zaza." Following that picture she is scheduled to appear in "Midnight." Isa Miranda, who will make her American screen debut with Ray Milland in Paramount's "Hotel Imperial," has already placed a long-distance call to talk to her mother in Milan on Thanksgiving Day. Gracie Allen back from a New York vacation to start consultations on her next Paramount picture, "Gracie Allen Murder Case," bought 23 hats, three suits and four dresses, while she was on her trip. Gail Patrick, Bob Cobb, Roger Pryor and Ann Sothern a foursome at the Roosevelt in New York for dinner. Shirley Ross and her new husband, Ken Dolan, plan a belated honeymoon in Bermuda after "Paris Honeymoon," one of Shirley's current pictures, is released. Joel McCrea is sick of driving for awhile. During his recent vacation in the East he and Frances Dee motored over two thousand miles in less than two weeks. He's back in Hollywood to start working with Barbara Stanwyck in Cecil B. DeMille's "Union Pacific."

George Raft returned to Hollywood Thursday, following a vacation in New York, where he attended the World Series. He's scheduled to start soon in Paramount's "The Lady's From Kentucky."

Ann May Wong all excited about her newly purchased home. She's conferring with architects and decorators between scenes of her current picture, "King of Chinatown." Horace MacMahon, Louis Campbell's fiance, flew to San Francisco over the week-end to be there for the preview of her latest picture, "Men With Wings." Louise, who is vacationing in Chicago, will see the preview there. Gladys Swarthout entertaining small groups of friends at home dinner parties while she's in Hollywood working in "Ambush." Guests at her last one were Mr. and Mrs. Edward Arnold and Mr. and Mrs. Walter Connolly.

Tyrone Power, Annabelle and Loretta Young in "Suez" which is now playing at the Fox Arlington Theatre on the same program with "Fugitives for a Night."

"PETER PAN" TO BE PRESENTED AT LOBERO THEATRE

The Clare Tree Major Children's Theatre, which will present a series of three children's plays during this fall and winter, beginning with the ever popular "Peter Pan" on Monday, November 7th, at the Lobero Theatre, is a national organization of fifteen years' standing, whose work extends from coast to coast.

A Clare Tree Major Children's Theatre Company comes in to a city, gives a performance and drives off again in its own bus, with a brightly decorated Children's Theatre truck full of scenery and costumes following along the road. To many, the troupe suggests the strolling players of olden times.

Actually, it is part of a vast and highly organized enterprise which covers hundreds of miles, and affects over a million and a half children each season.

With heavily laden scenery, they set off from their New York quarters each fall, some to Canada, some to California, some to the far west, some to the southwest, and some to the middle states. Then for thirty-two weeks, they travel through sun and storm, through snow and fog, over icy roads of the north, to the sunny plains of the Southwest, playing on an average of six times a week, bearing to millions of children throughout the United States, their first knowledge of the world's most famous childhood classics.

"THE TORCHBEARERS" SCHEDULED FOR LOBERO THEATRE

Good news to the theatre lovers of Santa Barbara will be the announcement that Homer Curran and Luther Green are now preparing one of the most delightful comedies ever given to American audiences for an early staging at the Lobero Theatre.

This fun fests, the international laugh riot "The Torchbearers," from the pen of the celebrated playwright George Kelly, will be given at the Lobero Theatre for two performances only on Friday and Saturday evenings, November 11 and 12, it is announced.

An internationally famous cast of New York favorites will enact the screamingly funny situations in the famous comedy, which satires the "little theatre movement" in the United States.

Steel housing will make its official bow to the public at the California World's Fair on Treas-

Warriors Meet Ventura Eleven This Afternoon

The Carpinteria Warriors will meet the powerful Ventura eleven on their home field this afternoon, and after a week's intensive training, will endeavor to stem the losing streak which has beset them in their last two games. The Warriors will be strengthened by the return of two players who have been out because of injuries. Philip Olds, who did not see action in the game against Oxnard last week because of injuries received in the Fillmore game, will be in the starting line-up at Fullback as will Art Milne who has been out of the game for several weeks as the result of injuries received in the Santa Paula game. However, George Schmitz, who has done stellar work for the Warriors is definitely out of the game for the rest of the season as the result of injuries received during practice just prior to the Oxnard game.

The Ventura team averages 161 pounds against 151 for Carpinteria and the Warriors will have to depend on speed and passing ability for today's scores.

Starting line-ups for this afternoon are as follows:

Ventura			
Name	No.	Wt.	Pos.
Gragg	32	165	L.E.
Watt	39	175	L.T.
Callahan	17	175	L.G.
Locey	35	163	C.

Clark	31	152	L.E.
J. Capes	27	159	L.T.
Miller	16	136	L.G.
Ramey	26	149	C.
A. Milne	30	165	R.C.
Beckstead	34	172	R.T.
Milne, Capt.	35	158	R.E.
Kendrick	23	142	Q.
Babcock	12	143	L.H.
Reid	29	142	R.H.
Olds	33	158	F.

Oxnard Game

Although Carpinteria was on the losing end of the score 25 to 7 in

the Oxnard game last Saturday the game was not such a one-sided affair as the score might indicate. Both teams resorted to aerial attacks and a series of running plays which kept the ball traveling from one end of the field to the other and Carpinteria reached a good scoring position on long runs on two occasions only to have the ball called back. All four of Oxnard's touchdowns were chalked up from within the 30 yard marker, by Manaken, fullback for the Yellowjackets.

OXY. REDLANDS IN CONFERENCE TILT THIS SATURDAY

Defeated in its last three starts, Occidental's battered football team attempts to get back into the victory column Saturday afternoon at

GAUCHOS TRAVEL TO TEMPE FOR GAME SATURDAY

SANTA BARBARA—Half way through the 1938 football season Santa Barbara State College Gauchos prepare to go travelling again to meet the Tempe State Bulldogs, Saturday afternoon, October 29, in Tempe, Arizona.

Coach "Spud" Harder's Gaucho eleven rested early this week after a 3-0 defeat Saturday at the hands of Whittier Poets. Handicapped by injuries the Big Green entered the game against the Poets doped to lose by a large score but displayed a fine brand of defensive ball and seriously threatened the invaders several times.

The Tempe game slated for this weekend will be played instead of the previously scheduled Texas Mines game, cancelled when the Texans refused to play against Santa Barbara's negro stars.

Coach Harder fears his eleven may be in the weakened condition it was prior to the Whittier contest. Peirno Merlo, as fullback, is still limping from an old leg injury, and the Saturday clash resulted in the loss of one linesman, Blyn Wilson, center, as a result of a hand injury.

Still seeking for a potent backfield combination, Harder will this week use Jack MacArthur at quarterback with Bill McArthur, speed star, and "Buck" Bailey, former powerhouse fullback, as halves. If Merlo is ready for action, he will go in at the fullback spot. If not, Gardenhire will start.

The Gauchos will leave Friday afternoon from the Channel City arriving in Tempe Saturday morning. The game is scheduled for that afternoon.

the expense of the Redlands Bulldogs on the latter's field. It will be a Southern California conference tilt.

The Bengals dropped an 18 to 6 decision to the tough San Diego Marines last week in a non-circuit battle. Despite the two-touchdown loss, the Tigers turned in a fine game, and Bill Anderson has high hopes for an Oxy victory Saturday.

Your printing orders will be well done and appreciated at The Chronicle office.

CIVIL SERVICE EXAMINATIONS ANNOUNCED

The United States Civil Service Commission has announced open competitive examinations for the positions named below.

Junior Engineer, \$2,000 a year. Certain optional subjects are given. Applicants must have completed a full 4-year recognized college course leading to a bachelor's degree in engineering. They must not have passed their thirty-fifth birthday. The closing dates for this examination are November 14, if applications are received from States east of Colorado, and November 17, if received from Color-

ado and States westward.

Full information may be obtained from G. E. Holton, Secretary of the U. S. Civil Service Board of Examiners, at the post-office in this city.

ACQUIRES SKILL

Akim Tamiroff, famous Hollywood character, learned to ride horseback and handle a Russian sword for his role in Paramount's "Escape from Leavenworth," story of a Cossack who settles in Kansas.

FOR THE GRANDEST COOKING YOU'VE EVER DONE

Certified Performance Gas Ranges!

ACT NOW AND GET AS MUCH AS **\$35.00** FOR YOUR PRESENT STOVE!

HERE is just about the best news of the year for home-makers! The new Certified Performance Gas Ranges mean less work, better foods, and lower fuel costs.

They represent every advancement that the gas industry, including foremost range manufacturers, can put into fine cookery.

The many day-to-day cooking problems that face home managers were considered. Even ranges using

other fuels were studied. To the everyday features expected of a range were added all the desirable "extras." Each CP range must meet 22 rigid specifications to make cooking easier, cooler, more economical.

See for yourself how beautiful the new ranges are; how marvelously they cook! Visit a gas range dealer or your gas company right away—during this sale.

For a limited time—
Trade-in allowance up to **\$35**

THIS REPRESENTS the most liberal trade-in ever made in the history of these gas companies. It may be years before such an offer can be repeated. Take advantage of your opportunity to get tomorrow's cooking appliance today—at a really big saving. Easy terms are available.

Continued from page 2

and associations.

This is Senate Constitutional Amendment which is intended to correct certain practices in regard to taxation of insurance companies on reinsurance policies with other companies outside of the state which the Supreme Court has ruled must be discontinued, and which would result in loss of considerable revenue to the state if this amendment is not adopted by the voters. This measure has been approved by the National Association of Insurance Commissioners and the Insurance Commission of the State as well as the State Board of Equalization and there is apparently no reason why the voters should not vote "Yes" on this bill.

7 RELIEF ADMINISTRATION. Senate Constitutional Amendment 2. Adds section 11 to Article XVI of Constitution. Declares Legislature has plenary power to provide administration relief and may modify, transfer or enlarge powers vested in Relief Administrator, Relief Commission or similar State agency or officer. Provides that Legislature or people by initiative may amend, alter or repeal laws relating to relief of hardship and destitution, whether resulting from unemployment or otherwise, and may provide for administration of relief of hardship and destitution either directly by the State or through the counties thereof, and grant aid to or reimburse the counties therefore.

This is another Senate Constitutional Amendment for the purpose of permitting the legislature to take action in correcting existing confusion in handling relief problems which has resulted from inadvertent wording in the measure creating a special relief commission and administration which set up this group as a permanent body rather than a temporary body as was intended. Since this measure would empower the legislature to enact measures eliminating confusion and permitting the establishment of standards for administration of relief under the Department of Social Welfare it would appear advisable to adopt this measure.

8 APPORTIONMENT OF FUNDS TO POLITICAL SUBDIVISIONS. Assembly Constitutional Amendment 21. Amends section 31 of Article IV of Constitution. Adds to present section dealing with public credit and moneys, the proviso that Legislature shall have the power by general and uniform laws to provide for the apportionment of funds out of State treasury for county, city and county, city or other municipal purposes. Eliminates prohibition of legislative gift or authorization of gift of public money or thing of value to municipal corporations.

This is an essembly constitutional amendment which must be passed on by the voters at the general election. Proponents of the measure state that its purpose is to amend section 31 of Article IV of the constitution which prohibits cities and counties from using for "local purposes" revenues allocated to them by the State such as gas tax and liquor tax revenues which must now be used for "State" rather than "local" purposes. Those in favor of this amendment apparently have a good argument since there is a trend towards State assessment and collection of certain types of taxes which normally are assessed and collected by local political divisions for local use. Opponents of this measure, which includes the California Farm Bureau, point out that blanket authorization for the apportionment of State funds to cities and counties may lead to needless raids on the State treasury and state their belief that local services should be financed from local revenues. Your vote on this measure will depend on whether you believe that funds collected by the State and apportioned to cities or counties should be used for purposes permissible under the present law, i. e., liquor tax money for enforcement of liquor regulations, etc. in which case you will vote "No" or whether you believe that local political units should be given a free hand in the use of this money for any purpose that they may see fit, in which case you will vote "Yes."

9 VETERANS TAX EXEMPTION. Senate Constitutional Amendment 9. Amends Constitution, Article XIII, Section 1 1/4. Eliminates from section, which exempts from taxation property amounting to \$1,000 of residents of State who served in United States army, navy, marine corps or revenue marine service, in time of war, those provisions extending such exemption to those released from active duty because of disability resulting from service in time of peace. Permits all or part of exemption to be applied to actual value of motor vehicle in fixing license fee thereon. Denies exemption unless person claiming same complies with prescribed statutory procedure.

This Senate Constitutional Amendment is for the purpose of permitting the Veteran's tax exemption law to apply to the "in lieu Tax" on cars. The present exemption law was adopted in 1911 and provided for \$1,000 exemption of property owned by veterans who saw active service in time of war and up to 1935 applied to cars which were included as personal property on county tax rolls. The In Lieu Tax adopted in 1935 provided for the collection of the automobile tax through the State Board of Equalization and deprived the ex-service man of exemption on his car. There is apparently no good reason why this law should not be adopted since it simply restores the right given to the ex-service man to include in his tax exemption his automobile which was given him by the Constitution prior to enactment of the In Lieu tax in 1935.

10 OIL LEASES ON STATE OWNED TIDELANDS AT HUNTINGTON BEACH. Referendum of act of Legislature (Chapter 304, Statutes 1937). Act provides for competitive bidding for leases on eleven parcels of State-owned tide and submerged lands at Huntington Beach for oil drilling from piers, islands or groins; provided that no bid shall be accepted unless it provides for royalty to State of more than 30% of production when average daily production for thirty consecutive days exceeds 200 barrels, and for drilling minimum of ten wells per lease.

This is the "Culbert L. Olson Oil Bill" adopted by the legislature and which is now returned to the people for a vote on a referendum. This measure would permit the leasing of a specified area known as the Huntington Beach tidelands to private concerns for exploitation upon payment of certain royalties to the State and specifically provides for drilling from piers, etc., extending into the ocean such as we have a few miles from here on the Rincon. This bill should be defeated for it would open the gates to legislation permitting such drilling in other areas and California already has too few unspoiled beaches to risk losing one of its most valuable recreational assets.

It is a well known fact that tourists attracted to our beaches spend thousands of dollars while the income from royalties from such drilling as this bill would permit is problematical. Vote No on this measure.

11 STATE AND COUNTY BOARDS OF EQUALIZATION. Assembly Constitutional Amendment 4. Amends section 9, Article XIII of Constitution. Divides State into five equalization districts; declares State Board of Equalization, consisting of member from each district, be elected by qualified electors of respective districts. Eliminates Controller. Prescribes powers and duties of State and county boards of equalization. Provides members of present board continue in office until end of terms; that Governor appoint fifth member to serve until next election. Provides Legislature may re-define districts, change and stagger terms of office of board members. Eliminates prohibition against assessing certain property above face value.

This amendment would make possible the creation of a 5th district of the State Board of Equalization comprising Los Angeles County and proponents of this bill state that this is necessary in order to give Los Angeles fair representation on this Board since that county has 43% of the registered voters of the State, pays 42 percent of the Sales Tax, 46 per cent of the excise tax and has 35 percent of assessed tangible property. The opponents of this bill object to the elimination of the State Controller as ex-officio member of the board and his replacement by a fifth member of the Board and also claim that this amendment might lead to impairment of representation of rural and other areas of the state. Would seem that this measure concerns Los Angeles more than the rest of the State and if all the registered voters in that county turn out they should be able to carry this measure without outside help.

12 SAN FRANCISCO BAY EXPOSITION. Assembly Constitutional Amendment 8. Adds section 1.6 to Article XIII of Constitution. Prohibits levy or assessment tax, license fee or other charge against any property of San Francisco Bay Exposition, a non-profit corporation sponsoring the Golden Gate International Exposition of 1939, or against any property while being used or exhibited in connection therewith.

This amendment is similar to one adopted in 1910 extending like exemptions to the Pacific Internation Exposition of 1915 and since this is a non-profit enterprise undertaken for the benefit of California there is apparently no reason why this amendment should not be adopted.

SMASH the.... "SINGLE TAX"

If a man steals your purse, at the point of a gun,

IT'S ROBBERY!

But if tax cranks and social revolutionists rob you of your home, your farm, your savings,

IT'S YOUR OWN RESPONSIBILITY

Your DEFENSE is in your own hands — in your intelligent use of the ballot.

The discredited, six-times-defeated "Single Tax" will appear as Proposition No. 20 on your November ballot.

This ruinous proposal would...

Confiscate Homes and Farms by piling Extortionate Taxes on Land—Higher than Taxpayers could pay.

IT WOULD WRECK TRADES AND INDUSTRIES, SKYROCKET RENTS, DRAIN THE STATE TREASURY OF THE FUNDS PUBLIC SCHOOLS AND OTHER NECESSARY TO PAY OLD AGE PENSIONS, TO MAINTAIN THE ESSENTIAL FUNCTIONS OF GOVERNMENT.

It would bring chaos, distress and disaster to California.

And Remember: You Can't Vote Sales Tax Out, Without Voting "Single Tax" in. The bait of "sales tax repeal" is a deliberate attempt to snare the unwary voter.

VOTE "NO!" ON No. 20

SAVE CALIFORNIA FROM DISASTER CALIFORNIA ASSOCIATION AGAINST "SINGLE TAX"

"UNREAL REALITIES"

SHORTEST, DEEPEST RIVER

Lost River near Bowling Green, Kentucky, is the shortest, deepest river in America. If you launched the "Queen Mary" on it, nearly one-third of the ship would be on dry land. This strange river, only 700 feet in length, is more than half as deep as it is long!

HOUSE IN A TREE

Near Garberville, California, reached by Greyhound, there's the tallest one-room house in the world—and it's inside a redwood tree! This room is 50 feet high, with floor space 21 by 27 feet, and its walls were built 4000 years ago. Could it be called a one-log cabin?

TRIP TO THE MOON

The craters on the moon may or may not be made of green cheese but there's no doubt about the Craters of the Moon in Idaho! This weird formation, looking so much like the pock-marked surface of the moon, is solid lava, full of deep, jagged pits — sixty three extinct volcanic craters.

P.T.A. LEADERS AID DRIVE AGAINST SINGLE TAX

A well deserved compliment has just been paid to Mrs. W. C. Catlin and Mrs. Donald Brown, presidents respectively of the Carpinteria Union High school and Carpinteria Elementary P.T.A., for their active leadership in directing opposition to proposition No. 20, the Single Tax Measure, on the November ballot.

Mrs. Catlin and Mrs. Brown have been invited as special guests to represent their organizations at an important meeting in Santa Barbara, on the evening of November 2nd, called by the Santa Barbara City Teachers' Club and the Southern Section of California State Teachers' Association. The meeting, which is attracting wide attention, will be addressed by Mr. Arthur F. Corey, Public Relations Counsel of the Southern Section, and will be devoted to a factual discussion of the numerous controversial measures that appear on the November ballot.

These ladies, though still extremely busy in efforts against the Single Tax Measure, have expressed their desire to attend this important meeting as representatives of our community, and hope to be able to do so.

TRAFFIC DEATH REDUCTIONS CONTINUES GAIN

SACRAMENTO—A graphic picture of traffic death reductions in California was presented today by Ray Ingels, director of motor vehicles, with the announcement that the total deaths for eight months this year is approximately the same as the total for seven corresponding months last year.

The figures show 1,687 deaths during the first eight months of this year as compared with 1,953 for the same period in 1937. In the first seven months of 1937 there were 1,685 deaths as compared with 1,687 during eight months this year.

Accidents on rural highways under control of the California Highway Patrol have declined sharply with 852 deaths for the first eight months of this year. In 1937 there were 1,002 deaths during the corresponding period.

HAS UNIQUE COMPANY

Evelyn Keyes, beautiful Atlanta blonde who will appear in Cecil B. De Mille's "Union Pacific" has a unique contract with the producer-director. By its terms, he must approve what she wears off the screen, how she does her hair and whom she goes out with.

LEGION AUXILIARY NAMES COMMITTEES FOR COMING YEAR

The American Legion Auxiliary held its first regular monthly meeting since installation of new officers on Monday evening in the Veterans' Memorial Building. Standing committees for the year were announced as follows: rehabilitation, Mrs. A. W. Horton, chairman; Mrs. Donald Bailard, Mrs. Marc Latham; child welfare, Mrs. A. R. Hebel, chairman; Mrs. Dave Cummins, Mrs. H. B. Franklin; community service, Mrs. Wm. F. Norlin, chairman; Mrs. Jack Wullbrandt, Mrs. Augusta Lyman; Americanism, Mrs. A. E. Southworth, chairman; Mrs. J.H. Shepard, Miss Arianna Moore; membership, Dr. Genevieve Shorkley, chairman; Mrs. L. K. Hebel, Mrs. E. D. Solari; social, Mrs. Joseph Fraga, chairman; Mrs. Stanley Shepard, Mrs. Henry Sturmer; education, Mrs. C. J. Miller, chairman, Mrs. R. D. Curtis, Mrs. David Safwenberg; FIDAC, Miss Arianna Moore, chairman; legislation, Mrs. Henry Sturmer, chairman; publicity, Mrs. G. W. Riley, chairman.

The date for the annual Christmas card party was set for Saturday, December 3rd, and arrangements will be in charge of the social committee assisted by other members of the organization.

It was also announced that arrangements had been completed for the Auxiliary program at the Woman's Club next Thursday afternoon and that Dr. Bryant Wilson of Santa Barbara, former chaplain with A.E.F., will be the speaker. All auxiliary members are invited to attend this meeting.

Those who attended the meeting were: Mrs. F. W. Thomas, Mrs. E. D. Solari, Mrs. A. E. Southworth, Mrs. R. D. Curtis, Mrs. Augusta Lyman, Mrs. C. B. Franklin, Mrs. A. W. Horton, Mrs. L. K. Hebel, Mrs. Richard Kistler, Mrs. David Safwenberg, Mrs. A. R. Vaughan, Miss Arianna Moore, Mrs. A. R. Hebel, Mrs. Henry Sturmer, Mrs. L. K. Hebel, Mrs. Marc Latham and Mrs. A. W. Riley.

SHE WAS FIRST

Maxine Sullivan, dusky songstress now making her debut in Paramount's "St. Louis Blues," featuring Dorothy Lamour and Lloyd Nolan, was the first singer to swing traditional music. Her syncopated rendition of "Loch Lomond" started the current vogue.

Supervisors Warn

(Continued from page 1)
ousness of this situation should be called to the attention of the voters at the Nov. 8 general election." Other parts of the resolution, however, discuss the danger to county finances which the supervisors believe would result with passage of the proposed amendment.

RESOLUTION

Whereas, the passage of the constitutional amendment known as the retirement life payments act would require the state, county, and city to accept warrants at face value for all tax payments; and

Whereas, such payment of taxes would ultimately result in this substitute medium of exchange as the only method of payment of state and county debts; and

Whereas, the county would no longer have money to match federal aid for welfare purposes; and

Whereas, the passage of the act would undoubtedly result in the withdrawal of federal aid to old age security persons, children, blind and physically handicapped, which would require all welfare payments be made entirely in the

HALT THIS PLUNGE INTO SQUANDERMANIA

Proposition No. 13 on your November ballot is a brazen attempt to let the bars down to wholesale public borrowing which would mean...

Staggering Debt And New Tax Burdens

This dangerous proposal would abolish the basic safeguard requiring a two-thirds vote for bond issues!

It makes is easier to get into debt, but harder to get out

It would permit the issuance of revenue bonds, IN ANY AMOUNT, by a bare majority of those actually going to the polls. In reality, it would mean that any district, city or county could be plunged into debt by A SMALL MINORITY, as only a fraction of the registered vote usually turns out for a bond election.

You can't afford it. Your neighbors can't afford it. No city or district in California can afford it!

Vote 'NO!' On No. 13
