

President Sproul to Greet New Students Tomorrow Nite; Dance Follows Reception

President Robert Gordon Sproul in last years receiving line

The annual President's reception for new students will be held Wednesday evening, October 10, at 8 p.m. Dr. Robert Gordon Sproul, University of California president, and Mrs. Sproul, together with Provost J. Harold Williams and Mrs. Williams, will personally greet the 519 new students.

The formal reception will take place in the Associated Women Students room, followed by a dance in the cafeteria and refreshments served in Ebbets Hall.

Department chairmen and their wives will usher in the students and present them to the president and officials in the reception line.

Dr. Ted Hatlen, chairman of the Committee on Public Ceremonies and the Cal Club, supervised the sending of formal invitations to the students, and the entire arrangement plans for the affair.

Tradition

It is a tradition of the University

of California to hold this annual reception. Not only does each student, sometime in his college career, have the opportunity to meet the University president, but it gives Dr. Sproul the occasion to make an official visit to the various University campuses.

At present there are approximately 40,000 students attending these campuses. These include UCLA, Berkeley, Santa Barbara, Davis, San Francisco, Riverside, La Jolla and Mount Hamilton. The latter three are colleges of research but Riverside will be opened shortly as another liberal arts school.

Floats, Cars, House Decorations, Skits Will Highlight Homecoming Celebration

Eighteen floats have been entered in the Homecoming parade, stated Pat Welsh and Ted Troy, co-chairmen of the Special Events committee.

In addition, there are five cars entered in competition. Thirteen groups have entered the house decorations competition, and the same number of applications have been turned in for skits in the Galloping Gaucho revue.

Organizations entering floats are Delta Sigma Phi, Sigma Alpha Epsilon, Delta Gamma, Delta Tau

Delta, Pi Beta Phi, Alpha Phi, Delta Sigma Epsilon, Industrial Arts club, Sigma Pi, Alpha Delta Pi, Sigma Tau Gamma, Chi Omega, Sigma Kappa, Hauan House, Lambda Chi Alpha, Sigma Phi Epsilon, Kappa Alpha Theta, Kappa Sigma. Cars will be entered by Spurs, Chimes, Squires, Blue Key and Associated Women Students.

House decoration entries are Sigma Alpha Epsilon, Delta Sigma Phi, Delta Gamma, Delta Tau Delta, Pi Beta Phi, Delta Phi, Alpha Phi, Alpha Delta Pi, Sigma Tau Gamma, Chi Omega, Sigma Phi Epsilon, Kappa Alpha Theta and Kappa Sigma.

Skits have been entered in the Galloping Gaucho revue by Sigma Alpha Epsilon, Delta Gamma, Delta Tau Delta, Pi Beta Phi, Alpha Phi, Alpha Delta Pi, Sigma Tau Gamma, Chi Omega, Lambda Chi Alpha, Sigma Phi Epsilon, Kappa Alpha Theta, Theta Kappa Alpha and Theta Alpha Phi.

Deadline for all entries was 4 p.m. last Friday afternoon.

GAUCHO ROUNDUP

Tryouts and rehearsals for entries in the Galloping Gaucho revue will begin tonight at 7 p.m. in the auditorium, announced Ed Monreal, chairman of the revue. Rehearsals are scheduled for tonight, Thursday and next Tuesday, October 9, 11 and 16, from 7 to 10:30 p.m. in the auditorium. All groups entered must be sure to attend.

LECTURE SERIES TOPICS ANNOUNCED

The All-College Lecture series will get under way at 4 p.m. tomorrow on the Riviera campus, it was announced last night.

Dr. Robert E. Robinson, chairman of the Committee on Drama, Lectures and Music, said that the series this year will continue the tradition of the past three years which has been popular with students and townspeople alike. In this series Santa Barbara college faculty members and distinguished visiting educators give one-hour lectures on a variety of subjects.

The lecture schedule is as follows:

Oct. 10 — Dr. William F. Aggeler, chairman of the Department of Foreign Languages, will speak on "France, 1951."

Oct. 24 — Dr. Demorest Davenport, assistant professor of Zoology, illustrated lecture on a cruise of the Orca, scientific vessel, in the Channel islands.

Oct. 31 — Dr. Gwynne Nettler,
Continued on page four

AGGELER TO OPEN LECTURE SERIES

Dr. William F. Aggeler, chairman of the Foreign Languages department, will open the All-College Lecture series Wednesday, October 10, speaking on "France, 1951." The lecture will be held in Pine Hall 100, at 4 p.m.

Drawing on experiences of the past year when he lived with a French family during a sabbatical leave, Dr. Aggeler plans to sketch some of the turbulent events of the year in French political, economic and social life, including the part being played in that country by a strong Communist party, the latter being particularly pertinent in these troubled times.

The All-College lectures, which are free to the public, will continue weekly at 4 p.m. Wednesday, featuring Santa Barbara college faculty members and distinguished visiting educators. The service is sponsored by the Committee on Drama, Lectures and Music, of which Dr. Robert E. Robinson is chairman.

City Council Proposes Variance For Greeks in Wrong Zones; Suggests Moving Postponement

Action was taken by the City Council to initiate proceedings to grant zoning variances to fraternity and sorority houses which are now in violation of the zoning ordinance at its meeting at 2 p.m. last Thursday.

BAND NEEDS NEW MEMBERS

The Gaucho band, which has made such a name for itself in past All-Cal week-ends, needs the support of the student body now to complete its instrumentation, Norm Kettenring, manager, announced.

Those interested should contact Kettenring. For the information of potential new band members, practice hours are Tuesday and Thursday from 3 to 4:30 p.m. in Music Hall 100. There are at the present time several men in band not taking it for credit, but just helping out during the football season. Any further assistance of this type will be greatly appreciated, according to Mr. Clayton Wilson, band director. Mr. Wilson also urged that all students learn the words to both the local and University songs, and really back up the band when the songs are played.

Members of the band committee, working in cooperation with the rally committee planning the half-time activities for the games, are Ben Clark, Chuck Bidgood and Dorothy Carrell.

ALL-CAL TICKETS

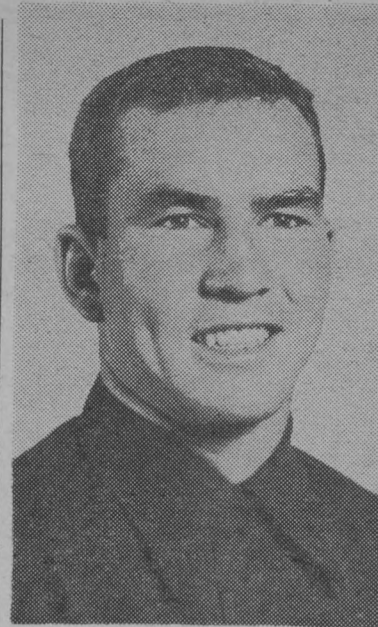

Tickets for the All-Cal football games will go on sale tomorrow, October 10, in the Graduate Manager's office, revealed Bob Lorden, assistant manager. The tickets will sell for \$1.50 per person.

Approximately 1500 student tickets will be available and will admit students to both the UCSBC-Davis and UCLA-Cal games.

La Cumbre Meeting

All prospective members of the 1952 La Cumbre staff will meet at 12 noon today in Oak Hall 101, according to Louise Heitfeld and Judy Cook, co-editors.

Students interested in working on the yearbook are invited to attend the meeting and learn of plans for the coming year. The staff especially needs photographers, copy writers, secretaries and advertising salesmen.

ADRAN ADAMS

BILL CUNNINGHAM

SPECIAL ASB ELECTIONS TODAY AND TOMORROW; ADAMS, CUNNINGHAM VIE

Special ASB student body elections are being held today and tomorrow from 9 a.m. to 4 p.m. on the Men's Gym lawn, in the Quad, and on the Mesa campus. Student body cards must be shown at the polls.

CAST FOR PLAY REVEALED TODAY

Tentative castings for "Winter-set," Maxwell Anderson's modern poetic drama in three acts, was announced this week by Dr. Theodore Hatlen, who is directing the play.

Performances are scheduled for November 8, 9 and 10 at the Lobero theater. Although rehearsals are well under way, the present cast is still subject to change:

Shadow	Bob Vogelsang
Lucia	Fritz Hjermsstad
Piny	Laura Abeloe
Miriamne	Marlene Shapiro
Garth	Warren Sherlock
Esdras	Bill Vasse
First Girl	Gerry Cox
Second Girl	Diane Quintrall
Herman	Dave Watson
Hobo	Pat Fleming
Gaunt	Gordon Stafford
Carr	Crandall Epps
Mio	Fred Goerner
Sailor	Al Collins
Radical	Arlan Welch
Paliceman	Dick Armbrust
Sergeant	Dick Sickle
Two Young Men	Dick Weston, Gerald Reed
Trock	John Robey
Pedestrians, Urchine	Jesse Ruiz, Mary Jane Mistretta, Marlene Doll, Sarah Ann Davis, Dale Humphries, Judith Couch

Music Department Officers Elected

The first Music department meeting of the 1951-52 season was held on Wednesday, September 26, featuring the introduction of two new faculty members and the election of officers for the music major group. Introduced were Mr. Carl Zytowski, lecturer and tenor soloist, and Dr. John Gillespie, new assistant professor of music history and literature. Dr. Gillespie played several piano solos which were greeted enthusiastically by the audience.

Officers elected were Desmond Kincaid, president; Ann Havekors, vice president and social chairman, and Joyce Sader, secretary-treasurer.

The music major group sponsors the All-California High School symphony orchestra which meets in Santa Barbara on March 1, 2 and 3, and the group has numerous other activities in addition to this concert.

VETERANS' CHECKS TO BE DELAYED

Information has been received in the Dean of Men's office from the U.S. Veteran's Administration that fall semester checks for veterans in training under P.L. 346 and P.L. 16 will be delayed for at least two months.

This means that it will be necessary for veterans under these two benefits to make financial arrangements to carry them over that period. When the checks are received they will be retroactive to the beginning of the fall semester.

The senior class presidential race is being hotly contested between Adran Adams and Bill Cunningham.

Platforms Stated

When Adran Adams was asked for a statement concerning his platform, he replied that he would like to see more integrated graduation activities, a senior barbecue, and "whatever else the whole class wants."

Bill Cunningham stated, "I'd like to see the senior class integrate for bigger and better class activities, for instance a horrendous senior class picnic."

"Also to make the Junior-Senior Prom one of the biggest events of the year. Mucho party-time for all of us as a group of voting age."

Ann Havekors and Wynne Smallwood are vying for sophomore class president, while Diana Beamish has a clear field for the office of junior class vice-president.

Freshman Candidates

Freshman class candidates announced platforms and made the usual grandiose promises to fulfill their offices to the best of their abilities at the recent freshman class meeting.

Freshman class presidential candidates are Al Glickman, Gordon Murchie and Bob Taylor; vice-presidential candidates are Duane Mittan, Ray Muklethaler and Doyle White; Diana Campbell and Julie Coburn are contending for secretary-treasurer of the freshman class and Joan Reynolds is unopposed for the freshman class women's representative to the AWS board.

Completing the roster of candidates for the special ASB elections are AWS secretarial candidates Marge Adams, Marcia Chandler, Jean George, Eileen Thies and Pat Williams, and the AMS historian candidate, Jack Mertz.

Students' Mail Sent Through College

The offices of the Dean of Men and Women urge all students to communicate as rapidly as possible with persons who are addressing letters to them at the University.

The Deans' offices are now receiving mail which has to be forwarded to local addresses. This requires several days' time through the mail after it has arrived in Santa Barbara and the offices are not responsible for administering this service. It is a courtesy extended during the first weeks of the college year.

Students are requested to have all mail addressed to their local college residence, the deans urged.

ELEMEDS' PARTY

Elmed's Annual Hobo party will be held at Tucker's grove, 5 to 9, on Thursday, Oct. 11, Dick Honrath, president, announced.

Free food, entertainment and games will be provided, and those who want to attend are to sign up in Oak Hall

What About the Cafeteria?

It is time that something is done about the Cafeteria food. We have recently eaten lunches in the Cafeteria for the purpose of seeing what the students get for their money. The results have been pretty sad.

One example was a cold bun with razor-thin sliced meat, a salad with not over nine small pieces of fruit, milk, and pie, which came to 78 cents. In several restaurants in Santa Barbara they serve an entire hot meal for that price, or not more than a few cents more.

The situation up here on the Hill is different from that at many colleges. Here we don't have several food establishments from which to make a choice. All our food comes from one source unless we waste a large amount of time and transportation money to go down town. For that reason special efforts should be made to see that the food is good and inexpensive.

College students are subjected to a great deal of physical and mental pressure, through studies and extra-curricular activities. They are constantly prodded into putting in more time and effort. Yet in spite of this constant demand on students' physical resources, they must try to replenish these resources with sandwiches or "snacks." Things just don't add up!

Since food is such an important item for the health and scholastic success of a student, it seems that any amount of effort required would be made to provide cheap, well-balanced food.

Joe Gaucho Speaks!

Dear Editor:

With weak hands we both duck the pen to scrawl this dying testimony to the ghostliness of the Cafeteria food. We turn to El Gaucho as a mouthpiece with which to reach others who may profit by our fatal mistake.

The final blow was struck in a series of somewhat disgusting meals this noon. We chose for our lunch one small, limp salad, one semi-hot dog, one bottle of milk and THE piece of pie. We might add, all for the small sum of fifty-three cents. However, we are not here to haggle over the price of tea in China or of the cafeteria food. It was THE piece of pie that was our doom and our downfall. The taste of the yellow substance contained in THE pie tasted even worse than it looked, if that were possible. The hope of any continued life was abandoned.

In order to combat the situation we are accepting members in our newly formed society, The Sack-Lunch Carriers Association, and we heartily welcome new members. We might add that we are willing all our loose change to the association.

Farewell cruel world,
 Shirley Crusey and
 Mary Lou Roeder

Dear Sir:

I should like to inquire if there isn't some way of ridding harried

students of the bother of shuffling through such large stacks of paper in the student mail boxes. It is possible that the situation might be improved by installing more boxes, so that, for instance, all the mail for students whose names begin with Z would not be in one box.

Another solution of the situation might be to take out all mail which is left in the boxes for more than one week. This could be done if all pieces of mail were marked with a red chalk on Monday, and anything with the chalk mark which was still in the box by Friday were removed. I hope that these suggestions might be of some help.

Yours very truly,
 George Vandeveret

CALENDAR

Tuesday, October 9
 ASB elections, 9 a.m. to 4 p.m.
 Poetry Reading, AWS Room 4 to 5 p.m.
 Spurs, North Hall 101, 4:00
 ASC Meeting, Conference room, 7:30 to 10:30 p.m.

 President's Reception, AWS room, 8 p.m.

First of Seminars Will be Held Today

The Department of Physical Sciences invites interested students and faculty members to attend a series of seminars to be held on the second and fourth Tuesdays of each month.

At the first seminar Dr. Glenn Miller will speak on "Catalytic Cracking of Petroleum" in Ridge Hall 101 at 4:30 p.m. October 9. Dr. Miller will discuss the development of the petroleum industry and the theory of the use of catalysts in cracking petroleum.

Dr. Robert Jopson, from the Pacific Mercury Research center, will speak on "Cosmic Rays" on October 23. On November 13 films from Inyokern will be shown.

Lecture Series Topics Announced

Continued from page one
 associate professor of Sociology, "Crime and Punishment," dealing with contemporary theories of criminal behavior and punishment.

Nov. 7—Dr. Paul Wienpahl, assistant professor of philosophy, on "Philosophers in the Modern World."

Nov. 14—H. Klyne Headley, associate professor of Music, "How Music is Made," with demonstrations on the piano.

Lectures by visiting professors will be announced at a later date.

Film Shown to CSTA Last Thursday Night

Members of the California Student Teachers association held an open house Thursday, October 4, in the AWS lounge. Purpose of the affair was to acquaint students with members of the Education faculty. Also on the agenda was the serving of refreshments and the showing of a film, "Where Will You Hide?"

COUNCIL NOTES . . .

Many student complaints were taken up at last Tuesday evening's Council meeting. The problem of the lack of evening hours in the Reserve Book room was investigated by Rep. Claire Maher. She explained the fact that the Reserve Book room was keeping an extra supply of the most demanded books. Also the staff was, of necessity, cut. Patti Friedman, Pat McCarty and other elementary majors, etc., affected by the shorter hours asked for a recommendation to Mr. Davidson to have the Reserve Book room remain open until 8 p.m. on Mondays through Thursdays. The motion was made by Marie Allen and seconded, so some action should come soon on this question.

Barbara Curtis, in response to numerous student complaints about the high prices and poor selections of food in the cafeteria, came before Council to plead the case for the students. Barbara, a committee of one, will take the complaints to the cafeteria manager.

Applicants for the chairmanships of several boards and committees were interviewed and the following people were accepted:

Everyone remembers Hal Aarset in last year's Road Runner Review. He's the man who has been selected for an even greater Revue this year.

With the vacancy left by Marc Wallace as chairman of the Publicity committee, Bill Stoner, the man of many activities at Vallejo Junior college, has been accepted as the new chairman. Bill is a junior now, and with his wide background of student activities he will

Some people say they always feel uneasy when they meet a "total stranger." How would they feel if they met half a stranger?

surely be able to do the job. Shirley Stockton, who has temporarily filled the job as Rally chairman and who has done a terrific job already, has been selected as permanent Rally committee chairman. She also is a junior and has worked on rally committees before. The freshmen know her as the one who dragged them out in the middle of the football field for half-time activities.

The new Awards chairman, Barbara Pearce, was also accepted. She is a senior and has been in student activities for a long time.

As the new chairman of Artist Series board, Marie Willett has an impressive record of dramatic, musical and dance activities through the past years. She knows many music, drama, speech and dance people in other schools and theaters which will help tremendously in the selection of guest performers for our own productions.

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

SHEEDY was a big walrus-flower. "All I ever get is the cold shoulder," he blubbered. So his roommate said: "Tusk, tusk, you old soak—try a new wrinkle on that messy hair: Wildroot Cream-Oil! Non-Alcoholic. Contains soothing Lanolin. Freeze your hair from annoying dryness and loose, ugly dandruff. Helps you pass the Finger-nail Test!" Now Sheedy's really in the swim! Just sealed his engagement to a pretty young flapper—and he's about to wisker off to an ivory-covered cottage. So water you waiting fur? Get a tube or bottle of Wildroot Cream-Oil Hair Tonic at any drug or toilet goods counter! And ask your barber for professional applications. "Now," you'll say, "Ice sea why there's snow other hair tonic like Wildroot Cream-Oil!"

CAMPUS CLUES

THE CASE OF THE BEST IN CAMPUS WEAR !!

by Detective Dill

This week the spotlight is on the homefront — it's a winning combination for studying or slumbering in style.

It's the brilliant new fashion, it's the three piece set that gives you a whole new wardrobe, it's the full falling Tommirobe in beautiful woven plain gingham topping broadcloth pajamas in matching color!

Combine them for lounging, wear the robe as a toss-on jacket, studycoat, or short sleeper, but wear the Tommirobe for smartness in leisure clothes.

Girls, before you decide on your winter jacket, come in and see our new double-breasted jackets. You will find them in wool-gabardine and gabardine and in colors to please all. In case you go in for checks, we have them too. The six buttons add a new interest.

Stop in to "MISS JUNIOR" and look over our new stock, or better still stop in and have a chat with me. I'll be glad to show you around the store and help you with your fall wardrobe. Meet me next Tuesday at this same place.

LOCAL HOOPSTERS WILL TRAVEL

The Gaucho basketball team will be traveling this season. The Board of Athletic Control has approved a Midwest tour for the team that will send Coach Hap Findlay and 10 players to Chicago and back this February, playing San Diego, Beloit, Lake Forest, Concordia, Kansas State Teachers and probably New Mexico en route.

After a game with San Diego State at San Diego, the team will take off on a United DC-6 for Chicago, arriving February 2. From there they will journey to Beloit to play that night. A day later they meet Lake Forest college, moving from there to St. Louis, Mo., where they will play Concordia college. This will be followed by a jump to Emporia, Kas., for a game with Kansas State Teachers on February 6.

Efforts are being made to schedule a game on February 8 with either New Mexico university or New Mexico A. & M., following which the Gauchos return to Santa Barbara, arriving around February 10.

A modern child is one who says: "Let's play house. You be the mama, and I'll be the papa — and we'll flip a coin to see who gets the divorce."

Touch Football Season Opens Today; Games on Mesa

Today opens the first week of group play on the green gridiron of the Mesa field as intramural sports opens up another glorious touch football season when all nine fraternities through the week will get the round-robin league under way.

As soon as the independents organize, Dick Kaywood, Intramural sports coordinator, will schedule them with the three fraternity "B" teams to make a two-division affair of the league.

Managers in Charge

Head student managers Malcolm Neal, Danny Escalera and Gordon Hardy are in charge of the tournament and expect team rosters to be turned in by the second game. They desire a 12-man roster for the six-man playing squad; the usual brand of touch football requires frequent manpower repairs and replacements.

Schedules at Gym

Schedules will be placed on the gym bulletin board weekly. The games are all played from 4 to 5 p.m. at the Mesa field, Monday through Thursday.

Today's games will feature last year's champion Delta Tau Delta squad meeting Beta Sigma Tau. Other games throw Sigma Phi Epsilon at the Kappa Sigmas and Delta Sigma Phi vs. Sigma Alpha Epsilon "A."

Bulldog Stars Also Shine in Other Sports

Next UCSB grid opponent, Fresno State, will be able to field a team scaled all the way from 6'6 1/2" and 228-pound end Don Vaughn to 5'4" and 140-pound scatback Fibber Hirayama.

While both the Bulldogs are fine football players, both have found time to perform outstandingly in other sports.

Vaughn, from Newport Harbor High and Santa Ana JC, is quite a trackman. Started running back in his frosh high school days and climaxed his efforts by taking a third in the National JC high hurdles last year.

Hirayama is another two-sport star, being twice named to the All-CCAA baseball squad.

Finally—Engle's Gauchos Sputter, Stutter To Take 27-25 Triumph (?) From Terrible Tigers

The old football maxim, "A team that won't be beat-can't be beat," came back to haunt the Occidental Tigers last Friday night at La Playa Stadium as Roy Engle's Golden Gaucho gridders, led by Bill Davis and Ron Ternquist, upset the hated Eagle Rock Alley Cats, 27-25. The excellence of Bob Lasken's booting and the sturdy Gaucho line, which blocked three Oxy placement attempts, provided the margin of victory.

RON TERNQUIST, Santa Barbara halfback, was knocked out of bounds by Oxy's Bill Kurlich (No. 41) and Vince McCullough (No. 25) after a short gain Friday night when the Gauchos scored a 27-25 triumph.

GAUCHOS SIXTH AT SAN DIEGO IN FIRST CROSS-COUNTRY MEET

Nick Carter's Cross Country squad journeyed to San Diego last Saturday to take sixth of the nine entrants in the first AAU meet of the season. Host San Diego State won team honors, although Art Garcia of USC took first individually. He negotiated the three-and-a-half-mile course in 18:45.0.

Gauche entrants were Wayne Percy, Don Crie, Walter Houtz, Robert Cossarek and Robert Taylor. Next Saturday the Blue and Gold distance men travel to East Los Angeles JC for a four-mile stint. Carter is counting on two late-comers to assist his cause, Wayne Milton and half-miler Bob Daly.

TRI BETA TO MEET THIS THURSDAY NITE

The first regular business meeting of Beta Beta Beta, national biological fraternity, will be held on Thursday, October 11, at 7:30 p.m., according to Henry Mendoza, president. Plans will be discussed for the Tri Beta picnic the following Sunday, October 14, at Tucker's grove.

Members, their guests, and persons interested in joining Tri Beta are invited to attend the picnic, at no cost, according to Dr. Donald Wootton, advisor of the group. Members will be notified of the place of the business meeting. Watch the bulletin board to the right of Quad 107 for further announcements.

DIVE CLUB ASKS MEN MEMBERS

Santa Barbara college "mermen" are eligible for membership in the Santa Barbara Skin Divers club. This is a local organization devoted to underwater spearfishing, lobster chasing, abalone farming, undersea exploration and photography.

In competition this summer for the North American Underwater Spear Fishing championship a team from the Santa Barbara club placed seventh in a field of 15 teams. The club also provides a crew for undersea search and rescue for boat and plane accidents, skin diving, if necessary, to depths of 75 feet.

Gauchos interested are invited to see Dr. Terry H. Dearborn, associate professor of Physical Education, West Hall 110. Dr. Dearborn is president of the organization.

Russell Swim Meet To be Held Oct. 16

The Dave Russell memorial swim meet, sponsored by the men's and women's intramural program, will be held October 16 from 3 to 5:30 at Los Banos del Mar.

The perpetual swim trophies for the men's and women's winning teams and the Dave Russell memorial plaque for the outstanding man and woman student of the meet will be on display in the quad this week.

All men and women students are welcome to participate whether a member of a team or an individual. Women contestants should contact Rhoda Wentsch at 57494. Men contestants should call Bob Chapman at 20675.

For Ternquist, who scored two tallies, an 81-yard pass play from Davis on the first scrimmage play of the game and a 90-yard kickoff return in the fourth period, it was sweet revenge. The black-shirted Bengals "got" him last year, and he did not play during the rest of the 1950 season. But for Davis the victory was costly, as the Blue and Gold quarter, who pitched two touchdown serials, sat out the entire second half with a badly bruised foot.

Nor was Davis the only casualty. Defensive End Jim Jengo suffered a twisted knee and Quarterback Don Rice had a tooth smacked out by an errant elbow.

The victory points were marked on the scoreboard by Game Captain Adran Adams on a pass from Freshman Halfback Gary Morris who threw a perfect strike to the long wingman good in all for 35 yards. That was with 13 minutes left to go in the game, and the Blue and Gold were firmly pushing the Puddy-Tats back to their goal as the gun sounded.

The other Gaucho marker, the second, was a Davis-to-Bill Peaker toss in the second stanza, covering 19 yards. Peaker, the former Muir ace, played a whale of a game on offense, putting in several crisp blocks as well as taking care of his share of passes.

Strong defensive line play by both squads forced the action to the spectacular vein as the Gauchos gained but 60 yards on the ground to Oxy's 69. The passing attack of Davis, George Law and Rice, through, accounted for 201 yards to the Cats' 66. Hard tackling caused ten fumbles, four by UCSB, and leaky pass protection caused the Hilltoppers to throw three pitches into Oxy arms.

The opening kickoff of the battle was taken by the Gauchos, but they failed to work their famed return and took over, first and ten, on the UCSB 19. Davis faded to pass on the first play, found himself trapped by three Tiger defenders and sped toward his right end, then, as Peaker smacked out a crucial block, stopped and pitched a 35-yard toss to Ternquist on the Oxy 45 who promptly (amen!) lit out for paydirt. Adams, following on the play, took out the Tiger safety man and Field Judge Ed Kerrigan on a sharp cross-body block, just for good measure.

A fumbled punt by the Gauchos put Oxy in close and Wayne Inman scooted through from the one. UCSB, 7-6. Bob Hunter recovered an Oxy lateral on the Black and Orange seven soon thereafter, but the Gauchos couldn't penetrate then. Starting from the Tiger 30 on the next series of downs, they crossed the line in three plays, the last two being Davis strikes in the arms of Peaker.

Two pass interceptions, one run back by Matt Farlan for 28 yards and the other converted into an Oxy offensive with Neil Bradley throwing to Keith Noonan, put the Gauchos under at halftime, 14-19.

The third period was even as the clubs pulled each other back and forth until on the last play of the quarter Bob Narike ran back a Gaucho punt 40 yards for six. Oxy, Chapman at 20675.

Hilltop Talk . . .

Thursday night was the beach party, held by Phrateres, Alpha Phi Omega and the I.A. club. Of course Stan Jordan was there with bells on and entertaining a bevy of lovely girls. Virginia Vierra and Phrateres prexy Margaret McIlraith were having a grand time meeting everyone, male and female, attached and unattached. I.A. club gavel-rapper Bruce Monroe was his usual self with three heaping platefuls of chili beans, etc., etc. . . . Busy as bees were servers Barbara Barnett, Shirley Kent, Kathy Small, Ann Hiatt and others. Deep in discussion of plans for the Phrateres - A Phi O college cabin trip in November were Cathy Stuart and Dick DeKoning. Buck Highberger, Art Clark and Herb Christian were their usual popular selves, while Harriet Polt and A Phi O prexy Chuck Maynard were having fun and eating lots. Hats off to these three organizations for an extremely successful party . . . everyone seemed to be having a marvelous time!

Seen around campus this week was Dorothy Lee, looking very snappy in her neat WAVE uniform. "Rabbit" has completed her training and is on her way to Norfolk, Va.

Mr. Rohrbach's Art 10 classes seem to be quite interesting and provide many quotable quips. One worth mentioning came about when he was talking about mobiles, some sort of things that move around. He said, "Yes, and in certain bars, too, you can often see things floating around."

Comment heard on campus: "Oh for a life like Donna Berg's . . . a different date every night . . . (sigh)."

Everyone in the Delta Sigma Epsilon house is talking about the enormous diamond Al Barlow gave Leilani Kennedy . . . seems it's really a huge ring.

Also, congratulations to Bob Sheppard who is engaged to Pat Nelson, a girl down south.

Several girls in a big discussion were heard to speculate dismally, "There are just too many cute freshman girls around this school." Don't blame them when we look around and see such wearers of the green ribbon as Diane Campbell, Jackie Husband, Nancy Whitman, Susie Reily, etc., etc. . . . Got a good view of a lot of them as

they marched out on the field at the game Friday night . . . but what happened to all the boys? Squires, get to work . . . we could practically count them on the fingers of one hand.

Congratulations to Shirley Stockton, the Rally committee, the song leaders and the yell leaders for getting everything off to a good start . . . the spirit was great, but we could still stand to see a lot more of it. With a team like ours, we should be screaming our heads off.

Seen doing almost that were Barbara Mueller and Bert Pierce. Don Humphries and various others obliged by blowing trumpets and other such horns in our ears . . . it's all part of the spirit.

There were a number of preparties before the game, among them the Delta Sigs who always manage to find something to celebrate. Having fun at Jim Davee's before tramping over to the game were Bill Powell, Al Schoon, Milard Davidson, Dick Davidson and wife among the rest.

Many, many people were at the game, among them Diana Glickman-Mike Carrillo, Marilyn Wren-Dwight Taylor, Betta Born - Bill Grannis, Shirley Quinn - Al Cox Roxanne Marble-Dalton Hatch and Glenna Pierson - George Everett, who all got together afterwards to celebrate.

Also wandering around at the game, dance, parties, etc., were Margie Alexander - Don Brown, Ronnie Leichter - Gene Cheval, Joy Ritter - Bill Laverty, Barbara Mulaney - Don Sherwin, Yvonne Myers - Bob King, Pat Williams - Ted Knudson, Barbara Rasmussen - John Popovich, Jim McNamara - Muriel . . . and having lots of fun were Marlene Hansen - Dale Humphries and Carol Bauer - Jo Ferguson.

Poor Joan Ortman . . . all summer long she's been looking forward to the football games this fall, and what happens when the first home game comes along . . . she's stuck in the infirmary with a cold . . . and Mark Maclin went stag.

Elmer's Red Room really had a party-time atmosphere Sunday night when Cal Club had a big get-together. Big wheels having fun were Louis Heitfeld, Adran Adams, Bill Cunningham, Des Kin-kaid, Pat Welsh, Eleanor Conte and the rest.

UP ON THE HILL . . .

UP ON THE HILL . . . one sometimes wonders if we are not somewhat of the unwanted orphans in Santa Barbara. Many times students at UCSB are confronted with the attitude, "Oh yes, Santa Barbara college—you're up on the hill, eh?" And that one phrase seems to put their minds in order. It seems as though by mentally placing us here atop the Riviera that they have analyzed and catalogued us, and then we are forgotten—especially among some of the facets of local government.

Take for instance this case: Members of the Rally committee approached the local powers-that-be for permission to have a parade down State street before our first home game. They were met with the statement, "Well, we don't know—the noise might disturb some of the merchants and they would complain." This attitude, even though one of these same merchants had already agreed to donate a truck for the band.

I wonder if some of the merchants (obviously not Gaucho advertisers) have sons in high school here. Maybe they haven't been near State street after a high school game. (Perhaps that is why they are still alive.) Some night, for your own edification, you might find a nice safe place in the 5th floor of the Granada building and watch one of these after-game celebrations. Even the officers of the law in their many squad cars find it hard to control. After viewing all this, remember that all this takes place around 10:30 at night—when most respectable John Q.s are home trying to forget their worries and are trying to sleep.

Next, consider the recent zoning debacle. After searching diligently for a fraternity or a sorority

house that passes all the rules, regulations and ordinances, you begin to wonder if the Santa Barbarans wouldn't rather have us all live in the Los Padres forest and commute to classes daily. In this manner we would be allowed to bring our belongings to the hill, be allowed to spend our parents' hard-earned cash for clothing, food, supplies, entertainment and refreshments, but not allowed to remain overnight. If you have an idea that I may be stretching facts—try sometime to find a house for an organization—a dwelling that passes all zoning ordinances and still is within walking distance of the campus, and also within the economic reach of an organization.

Next, consider the home town attendance at our football games. It is no secret that many times the center section of our grandstand is hardly filled, and this is mostly students. Yet, at high school games you almost have to know an alderman to get a seat at a game. (Even though the Dons are 40-point favorites and the game will probably be a runaway.)

Do the townspeople stay away from our games because the Gauchos are such poor football players? I doubt that. Is it because we don't have color and spirit? This I also doubt.

Perhaps it is because we have halitosis. At least it seems that way.

(To be continued)

If misery really loves company, why doesn't everybody today throw a party?

It is better to be a butterfly on a grave than the stern name beneath.

Gauchos Beat Oxy . . .

Continued from page three

Tigers should use their own play against them to such devastating success, the Gauchos took the ensuing kickoff on their own ten, where Morris handed off to Ternquist, who found his blocking faulty as he had to elude two would-be tacklers before making his journey down the near sidelines to glory.

With the score 20-25, the Gauchos kicked off and Oxy promptly fumbled on their own 30, with Defensive Halfback Glenn Vanderlinde diving on the ball. Quarterback Rice then fed the pigskin to Morris who tossed the winning strike into the waiting arms of Adams.

It was then just a case of holding on and pushing back as the Gaucho line, led by Ends George Mattias and Andy Spaan and Tackle Corkey Johnson kissed short every Oxy attempt to move.

Linescore:

Occidental 6 13 6 0 — 25
UCSB 7 7 0 13 — 27

UCSB scoring: TD's, Ternquist (2), Peaker, Adams; PAT's, Laska (3).

Oxy scoring: TD's, Inman, Noonan, Farlan, Narike; PAT, Kurlich.

A LITTLE HISTORY . . .

A night ago I dreamt I saw a document written in an esoteric and undecipherable language. But by that magic contained in dreams I read it, and found it to be a future history concerning my own day. It had in it many interesting passages. Remarkably enough it seemed to evaluate things differently than we do today.

But let me quote: "The comic book culture in the United States during the mid-century of the Twentieth reveals that social acceptability was measured on how much beer the distended belly could hold. These were small amounts compared to what our fat stomachs are able to contain. Com-

The trouble with life isn't that you can't enjoy it twice. It's so hard to enjoy it once.

One way to keep from hating anybody is never to love anybody. Dare you to try!

ic book reading contests may yet become a national sport.

"We may grant," it went on to say, "that the finer aspects of art were consumed by a peculiar race of Americans who lived in such areas as Greenwich Village. There, weird forms of modern art, modern music, and an un-understandable jargon known as modern prose were consumed as heartily as hamburgers and beer.

"It was a crazy system at best. Numerous young men and women flocked to the universities, in the main 'to find themselves,' to absorb something called learning and to merely have something to do during a phase in their life when there seemed to be nothing to do.

"Everyone talked in great streams about everything and did little about anything. It is on the whole an interesting and entertaining phase of history, and great things may have happened then . . ."

LUCKY LAGER
age-dated beer

You know it's aged

DISTRIBUTED BY JORDANOS', INC.
LISTEN TO "DANCE TIME" EVERY NIGHT

One of the world's really fine beers

Be Happy - Go Lucky!

At crossword puzzles I'm adept.
Five letters, you'll agree,
For "perfect taste in cigarettes"
Are L.S./M.F.T.

William Wymard
Duquesne University

LUCKIES TASTE BETTER
THAN ANY OTHER CIGARETTE!

It takes fine tobacco to give you a better-tasting cigarette. And Lucky Strike means fine tobacco. But it takes something else, too—superior workmanship. Luckies are the world's best-made cigarette. That's why Luckies taste better than any other cigarette. So, Be Happy—Go Lucky! Get a carton today!

If writing themes is cause for screams,
Then do yourself a favor—
Get Lucky Strike, the brand you'll like;
It rates an "A" for flavor.

Miles Klein
New York University

If you've ever smoked a Lucky Strike,
I'm sure you will agree
That fine tobacco tastes just right,
And L.S./M.F.T.

Gene Dwyer
Northeastern University
