Fotech One Hour Color Labs, and Fotech Studios are divisions of Fotech Color Labs.

We Make Faces All Day!

Fotech Studios • Self Portrait

Fotech employees make faces all day long. Sometimes they make funny faces, hairy faces, loving faces, multiple faces, or even angry faces. But most of the time they make happy faces.

Can they make some faces for you?

"With Fotech coupons I can't afford to take my film any place else."

Normally Fotech film processing is more expensive than the UGen or supermarket discount outlets. There's a good reason for that. The discount places send their film to L.A. for "batch" processing with thousands of other rolls of film. At these discount prices they can't afford to give your film the kind of care you routinely get at Fotech. Low priced labor, budget materials and overnight pressures affect their quality.

With the coupons on this page you get Fotech individual quality and have them in one hour too.

Fotech Studios Video Controlled Portraits

The photos in this ad were taken in Fotech's video controlled self portrait studio. For only \$14.95 you get 12 different poses. You keep the 12 proofs, and you get the 12 negatives too. It's easy and fun. No appointment necessary. (Only at Goleta store).

ARE YOU IN PAIN?

IT COULD BE A PINCHED NERVE.

Relieving the pressure on your nerve (at the site of the pinching) causes the pain to go away. That's why a Doctor of Chiropractic adjusts your spine to relieve pain from your head to your feet. The chart below shows where the nerves are located which control the various parts of your body.

If you are taking pain killers, you are covering up the pain, and the pain will usually return. If you have been unable to find long-lasting relief from pain, I urge you to try chiropractic.

This examination will include an orthopedic test, a neurological test, a spinal alignment check, and a private consultation with your doctor. If X-rays or other tests are needed to arrive at a diagnosis, you will be advised of any costs before proceeding.

WORKERS' COMPENSATION AND MOST INSURANCE COMPANIES COVER CHIROPRACTIC CARE TO POLICY LIMITS.

Hi, I'm Dr. Mark L. Duell, Sr., Doctor of Chiropractic. Perhaps gentleness in chiropractic is a new concept to you. It was to me before I began the six years of college training necessary for my doctorate degree. During those years I learned the precise locations where high pressure can bring chiropractic relief to pain.

In addition to my doctorate, I have a bachelor's degree in Human Biology. Since college I have completed courses in Activator Nutrition and X-Ray. Even now I devote three days every month attending a nationwide seminar on chiropractic.
