

WEEKEND

CONNECTION- TIP

THE WINING + DINING GUIDE OF THE Daily Nexus

margie's dinner / beef, fries + rock n roll. **club h2o** / drinks, dates + dancing.
campus comment / that's right, it's in here this week. **restaurant listings** / because you're too lazy to look elsewhere.
artsweek kills off more local business with its cruel lack of professionalism / again. **stuff to do, all 5 days a week** / but will you want to?

it's friday.
you're in class.
and you're really
bored

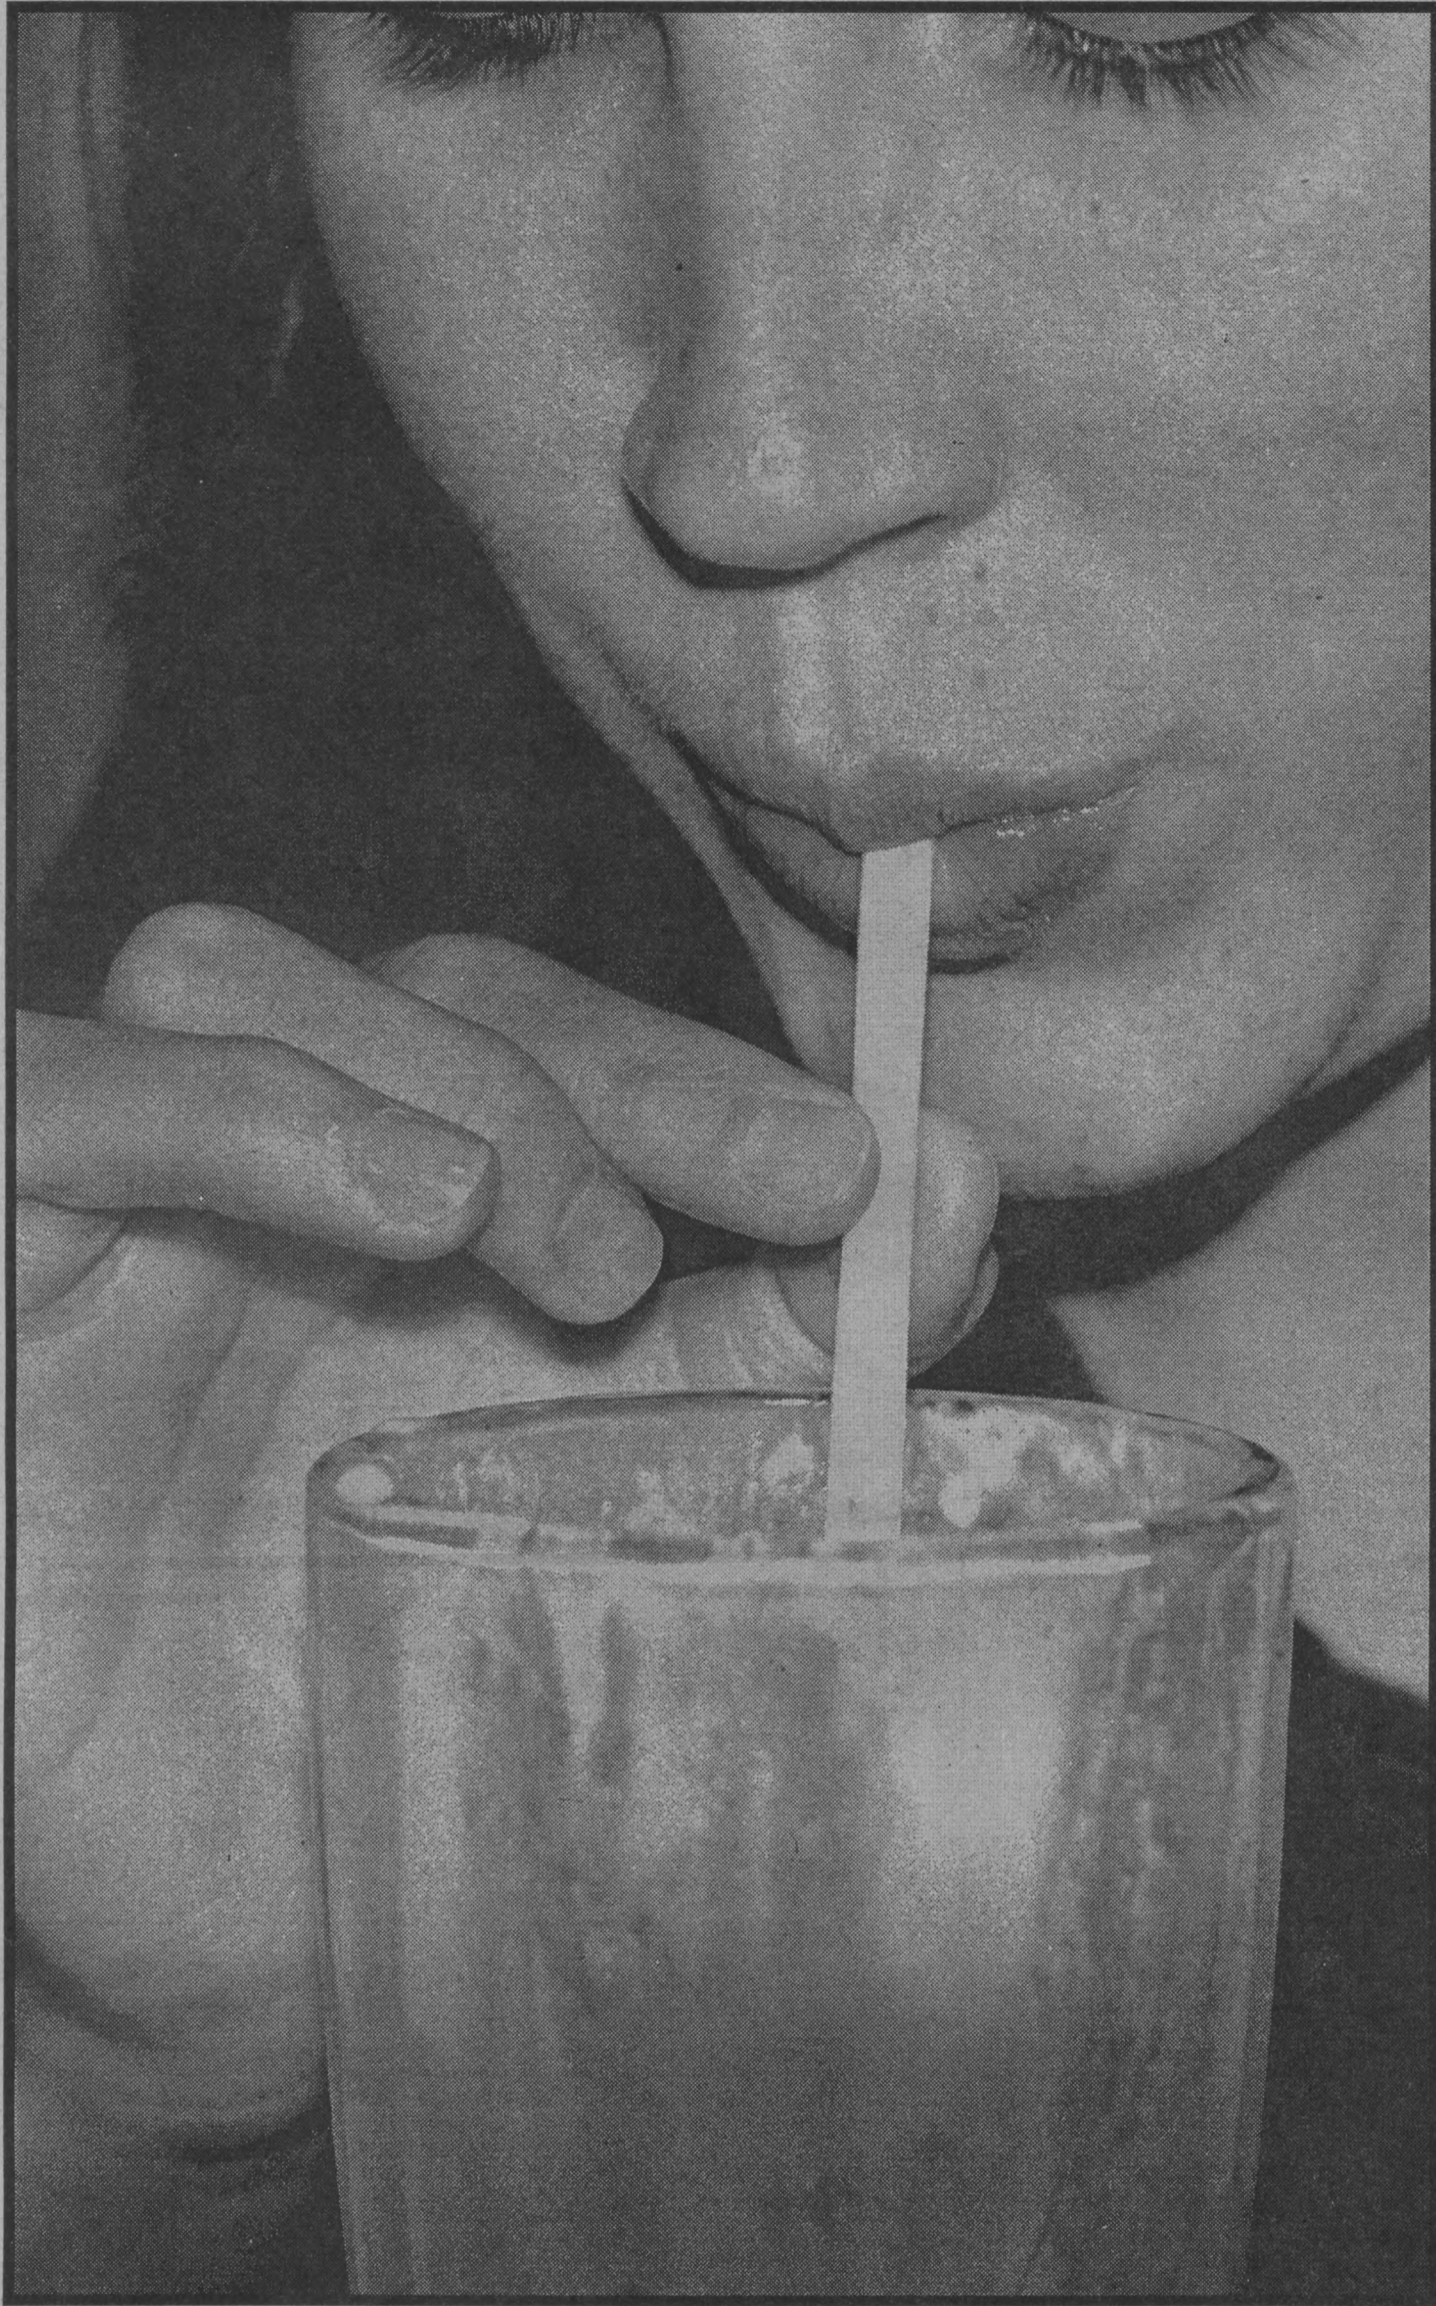

who says there's nothing to do in isla vista? it's the last real weekend of the quarter, so the kegs are flowing, the ocean is growing and your mind is slowing. what could be a better time (class time!) to consult the handy weekend connection for places to go and people to see. if you schedule your weekend right, you can live like a champion, and indulge yourself in all sorts of cultures. here are some ideas, whether you're 21 or 18.

indulge in a culture. pick a culture, japanese for example, and indulge in it! eat sushi, go to borders and buy expensive japanese magazines, rent japanese films at emerald or !@\$ video, throw a geisha party, check out the local asian food markets and drink sake! of course, you could also pick "drinking," but you might as well spice up your life and avoid the monotony of normal life.

get back to nature. get a map, get a car and go hike around the mountains. it'll be refreshing, and will clear your mind just in time for finals. if you don't have a car, hike out to sands beach and spend all day reading the books you've neglected all quarter to the sounds of the pacific. or plant a tree. arbor day is coming, you know.

don't be dead for dead week. have a weekend of beauty. get on the bus, go downtown and explore the local beauty shops and boutiques. get a facial, get your nails down and kick back. you'll still have time for that ragin' frat party.

be creative. make popsicles from apple juice! finger paint! make hemp jewelry! adopt a cat!

This place is different!

It's like a step back in time. You can tell the difference when you walk in the door. Cheerful banter, wondrous portions, savoury smell of roasts and baking pies, in other words we are talking good OLD FASHIONED HOME COOKING.

In today's age of fast food and impersonal service this is an island of deliciously prepared meals and friendly servers. We laugh and joke, but are serious about our food. The rest takes care of itself.

Open seven days a week.
