Dear Students:

A big THANK YOU to UCSB this year for all your supports and cooperations in making LA CUMBRE 84 a great success!

The number of books sold doubled any of the past dozen years' and the page-count stands as the all time high of 728 pages.

Of course, all were not smooth sailing. The staff had to overcome many barriers to deliver a book of such caliber. At times, the only thing we had going for us was the thought of "the BIGGEST and the BEST, EVER."

Red tapes and criticisms seemed to be all the things we received for our efforts.

All that has ended. 1983-84 came and on the step of leaving. This is the time when the yearbook gets its glory. As a once-a-year publication, the next ten days or so will be the payoff for a year of efforts by a small group of very dedicated people. It is now that everybody (well, almost everybody) wants to be in the yearbook (which is much too late) and wants a copy of the yearbook (which could be too late).

To those of you who helped or contributed to the yearbook in any way, many thanks, LA CUMBRE 84 was possible only with your input.

Those of you who criticized or hindered the progress of LA CUMBRE, #%%*?%\$@!/. Thank you for your feedback, but no thanks. We could have done without you.

Thank you CLASS OF '87, '86, '85. CLASS OF '84, thank you and good luck.

Tom Truong
La Cumbre 84 Editor
