SANTA BARBARA COLLEGE

Vol. XXX

SANTA BARBARA, CALIFORNIA, APRIL 13, 1951

No. 44

ELECTION ASSEMBLY WILL BE HELD MONDAY AT 12

An all-college assembly will get student elections under way Monday, April 16, at 12 am. It will be held in the auditorium and all 12 o'clock classes will be dismissed.

The purpose of the assembly is to acquaint the student body with the candidates and their platforms. Each major office candidate will be introduced and will give talks defining their qualifications and the duties they will perform in their respective offices. The minor office candidates will be introduced to the audience.

The qualifications of the Yell Leader candidates will be demonstrated as they lead the group in a number of yells.

Campus publicity has been actively stimulating the election spirit which will be culminated in the elections to be held on April 17 and 18. The run-offs will be held April 20th.

All student body offices, including Associated Students president, vice-president, secretary, three men

and three women representatives-at-large are being voted upon. Head yell leader, Mesa representative and class officers will also be elected.

The program is under the direction of the Election Committee, of which Elaine Strobel is chairman.

ROUNDUP FEATURES PLEDGE CLASSES IN JOINT SKITS

With the theme Mother Goose Nursery Rhymes, the last Gaucho Roundup of the year will be presented by this semester's fraternity and sorority pledge classes. It will take place April 13 at 7:30 pm in the Riviera Auditorium.

Skits to be put on by the various pledge classes will include participants from Alpha Delta Pi, Sigma Alpha Epsilon, Lambda Chi Alpha and Alpha Delta Pi jointly, Delta Gamma and Delta Tau Delta jointly, Kappa Alpha Theta and Sigma Phi Epsilon jointly, Delta Sigma Epsilon and Delta Sigma Phi jointly, Pi Beta Phi and Kappa Sigma jointly, and Chi Omega.

The remaining program will be composed of introductions of newly-elected Student Body officers and announcements of the run-off candidates. Also, yells by the chosen yell leaders and performances by the song leaders. All candidates should be present.

Rehearsals will be held in the Riviera Auditorium Monday, April 16, from 9 to 11 pm, and Tuesday April 17, from 7 to 10:30 pm. This is the last Gaucho Roundup of the year and it is hoped that there will be a large turn-out. Class meetings will follow, presided over by Pete Burgher, Frosh class president; Ted Troy, Sophomore class president; Jim Stanley, Junior class president; and Bill Norton, Senior class president.

"This Roundup will be slightly different in that for the first time in quite a while fraternities and sororities will be giving skits together. It promises to be one of the best yet," stated Pat Welsh, chairman of the Assembly Committee. Other members of this committee are Elaine Strobel, John Cook, Suzi Smith and Nita Mitchell.

SENIORS REMINDED OF QUESTIONNAIRE

All seniors are reminded to return the questionnaire which was mailed to them recently to Bill Norton in the Student Body Office, Building D.

This is necessary so that the various planning committees can work on the information over this weekend.

If any senior did not receive a copy of the questionnaire, he should go to the student body office and get one, returning it before 5 pm today.

Also, seniors are reminded that cap and gown orders must be placed at the Bookstore before April 20. Seniors receiving commissions through the ROTC program will not need to order theirs as they will graduate in uniform.

FOLEY WINS TOURNAMENT

Marie Foley, representing Pi Beta Phi sorority, walked off with top honors in the Panhellenic Bridge Tournament, sponsored by Alpha Delta Pi, at the latter's chapter house, Saturday. As high scorer Marie received a set of playing cards in Pi Phi colors, bearing their Greek letters.

Loyalty Oath Ruled Void by State Court

SACRAMENTO, Calif. (AP)—The State Appellate Court has ruled the University of California loyalty oath invalid and ordered their jobs restored to 18 professors who had refused to sign it.

In a unanimous opinion, the Third District Court of Appeals ruled that the only legal oath of public office in California is a pledge to support the Federal and State Constitutions.

The only member of the Santa Barbara College faculty who will be affected by the Court's ruling is Dr. John O'Gorman, a chemistry professor who was dropped for his refusal to sign the oath.

The ruling supported the stand of Gov. Earl Warren, who last year led a minority fight on the Board of Regents against the oath.

The Court called the oath requirement, instituted 14 months ago, "an abuse of discretion by the Regents." It warned of threats to academic freedom:

"Equal to the danger of subversion from within by gradual whittling away and the resulting disintegration of the very pillars of our freedom."

TROPHIES SET FOR STEAK FRY

Presentation of two trophy cups will climax the AMS Steak Fry on April 15, according to Frank Dominguez, Associated Men Students president.

A trophy will be presented to the horseshoe contest winner. Frank stressed that this contest would be a singles event and open to any interested individuals. The winning volleyball team will be awarded a cup, also.

Last year's Steak Fry horseshoe pitching champion was Nel Markham. Delta Tau Delta fraternity placed first in the volleyball tournament.

"I urge all men to buy their AMS cards right away," declared Dominguez.

Besides the contests of skill the AMS Steak Fry will also feature a biting contest — into big juicy steaks.

TO AWARD CUP
A cup will be awarded to the fraternity having the largest turnout at the Bear-Gaucho baseball game at Laguna Field at 8 pm Monday, April 16, according to "Spud" Harder, director of athletics.

AGGIE PICNIC 'EXTRAVAGANZA' HELD AT DAVIS EXPECTS 20,000 ATTENDANCE

Cal-Aggie Picnic Day will be presented by the University of California for the 38th time, on April 14.

Countless thousands look forward each year when April starts rolling around to spending a day on the campus at Davis for the most unique of all college affairs. The theme this year is a "Harvest of Science."

Because the campus is primarily an agricultural campus, Picnic Day is an agricultural celebration based on the traditional country fair notion.

20,000 Folks
Last year 20,000 people visited the campus on Picnic Day and it is expected that the attendance this year will equal or better that. The Aggies feature on that day a horse show, the world's largest high school track meet, the Invitational Swim Relays, sheep dog trials, picnic lunch on the quad at the center of the campus, band concerts, a

SUPERSTITIONS don't bother these three Dance Club members. The ladder is a prop for an opening number from their 13th Annual Dance Concert tonight and tomorrow night at Riviera Auditorium. Superstition Theme Of Dance Concert Friday the Thirteenth

An unsuperstitious group of dance students have seized upon this Friday, the 13th of April, to stage their 13th Annual Dance Concert in Riviera Auditorium. They have capitalized on the coincidence in their programming.

Superstitious beliefs of peoples throughout the world comprise about half of the varied program. It opens with a dance about ladders, black cats, three on a match and other symbols of evil luck handed down from generation to generation.

Hypnotism

It is followed by an impression of hypnotism, and then an imaginative dance of the devil and his subjects led by Nancy Houser, Norma Riner and Barbara Hunter. Rhoda Wentsch, Phyllis Alden and Linnea Soske do an eerie business in this number as three gay skeletons.

Nancy Chmilowski, a senior member of the Dance Club, has chosen primitive Aztec beliefs to weave a story in dance of a sacrifice of a youth. Irene Johnson dances the part of the priest and Nancy that of the youth. The costumes for the number were designed by Roger deCloutier.

Change of Pace

There's a change of pace in the second half of the evening. Peggy Moses has directed a suite of dances based on Guion's "Three Scenes from the South." It includes a group prayer meeting, a solo dance and a gay trio. Two dance poems will be read by Eleanor Denholm with Barbara Davis and Barbara McEwan featured on the stage.

Two numbers from the Fall Demonstration program will be repeated. They are the dance poem "Patriotic Leading" and "Sugar and Spice." A waltz number, "Sugar and Spice" features Peggy Moses.

Group Dance

A group dance using music from Ferde Grofe's Grand Canyon Suite is under the direction of Eleanor Conte. Joyce MacQueen does a dramatic solo in this. Other concert dancers are Marlene Shapiro, Jo Nelson, Pat O'Keefe, Jackie Albini, Diane deLory, Shirley Gaiser, Marian Combs, Barbara Houlihan, Melva Heinsohn, Jean Williams, Bonnie Allison, Wanda Hill and Cecilia Gargon.

The annual concert is a group project in which all the creative work and production are done by the students. Miss Jean Bellinger is faculty director and Mrs. Emma Lou O'Brien is accompanist.

AS VOTES FUNDS FOR NEWS BUREAU

Deciding to hire a photographer from Associated Students funds, the Legislative Council passed a resolution to that effect at a meeting held April 3.

Jim Mulick, representative-at-large, gave a report on the Public Relations Committee and passed out information and brochures that were written in the office of the News Bureau. He proposed the following recommendations in the form of a motion which was seconded and passed:

1. That a photographer be hired from AS funds to provide prints and negatives and other photographic services for the Office of Public Information and the UCSBC News Bureau; and will also be available as a consultant and/or advisor for El Gaucho and La Cumbre.

2. That measures be taken immediately to increase the staff of the UCSBC News Bureau by providing writers with the ability to write feature articles on outstanding athletes and students, and to help the present director, Chuck Francis, in other undertakings.

3. That all departments of the college be informed of the desirability of submitting all news items through the department office to the Office of Public Information.

Week Draws to Successful Close; Pledges Work Tomorrow

Greek Week will draw to a climactic close with the activities scheduled for this weekend, according to Duke Smith and Ted Knudson, co-chairmen.

Work Day starts off Saturday's

MAY DANCE WILL BE HELD MAY 4

The annual May Dance will be held May 4, at the Mar Monte Hotel. These plans were revealed recently by the publicity chairman for the group, Marnie Clifford.

The dance will spot-light the choosing of a queen, candidates for the position having been put up by different sororities and fraternities.

The decorations will carry out the spring theme and will include booths which will sell refreshments and offer light games. Each booth will be sponsored by Alpha Phi Omega, national Boy Scout honorary, and Phrateres, girls service organization who are sponsoring the whole dance.

Co-chairmen of the event are Nancy Barker and Stan Jordan, who are working with members of both groups to insure the success of the dance.

Advisors for the group are Dean of Women Ellen Bowers, Mrs. Jane Wentz, Fletcher Haight and Dr. William Holtrop.

events. Each fraternity will send 15 representatives to participate in the clean-up program from 8 am until 1 pm. Last year 130 men turned out armed to the teeth with rakes, shovels, hoes and weed cutters. They cleaned up the city parks, spruced up the city's scenic roadways, and groomed the grass on the winter-neglected picnic spots.

Manicuring

While the men are out manicuring the parks, five girls from each sorority will pitch in to clean and mend the used clothing collected in the porchlight drive Wednesday night.

Oak Park will be the scene of a barbecue starting at 2 pm Saturday afternoon. The townspeople are sponsoring this dinner for the fraternity members who participate in the Work Day. Local grocers will furnish the food.

Saturday afternoon there will be a track meet at La Playa field between the Gauchos and the San Diego State Aztecs. The public is invited to this and all later events.

The last night of the Thirteenth Annual Dance Concert will draw many people. Presented by the Dance Club, it will start at 8:30 pm. The IFC and the Panhellenic Council are sponsoring a benefit dance at the Recreation Center following the dance concert. Admission is 50 cents per person, and the proceeds will go to the Servicemen's Hospitality Fund.

Open Houses

Sunday afternoon the fraternities will hold open house from 12 until 2 pm. This is for the benefit of the townspeople, in order to give them a chance to get acquainted with the fraternities. There will be an AMS Steak Fry at Tucker's Grove from 2 until 5 pm that evening.

Ted is enthusiastic about what Greek Week can do for college-civic relations. "It cements friendly feelings between us and the folks downtown," he said. "It helps to drive another nail in the coffin of the old time traditional ill feelings that used to develop between 'town and gown' in all college communities."

Headley Joins Bohemians

Hubert Klyne Headley, associate professor of music at UCSBC, has been elected a member of The Bohemians of Los Angeles, composed of performing artists and composers. The group presents works of composers for the first time, and often revives famous works which have been lost or forgotten.

GRADUATING SENIORS

The Graduate Record Examination, required for admission to many graduate schools, will be administered at Santa Barbara College on Friday and Saturday, May 4 and 5, 1951. Students who wish to take the examination are urged to obtain application blanks from Mr. Lawrence Willson, 102 Oak Hall. Applications must reach the main office in Los Angeles not later than 20 April. Bulletins of information are also available in Mr. Willson's office.

Since the examination is a general examination on the whole course of the student's college work, no preparation is possible. The payment of a fee is required.

TENTATIVE CASTING FINISHED FOR NEXT SPEECH DEPT. PLAY

Tentative casting has been completed for the Speech Department's next play, "Doctor in Spite of Himself," by Moliere, which will be presented as a front stage production on Friday and Saturday, May 11 and 12.

Leads will be played by Fred Goerner, well known campus thespian, as Sganarelle, and Tom Keen, another old timer, as Geronte.

Betty Groebli will appear as Jacqueline, Annette Dunster as Lucinde, Marie Willett as Martine, Ken Kellogg as Lucas, Lee Jackson as Leandre, Roger de Cloutier as Robert, Bill Vasse as Valere, and Richard Sickles as Thibault.

Snidecor and Hand In Panel Discussion

Deans George Hand and John C. Snidecor of the Liberal Arts and Applied Arts Departments respectively, will take part in a discussion at the Student Legislative Council meeting Tuesday night.

According to Frank Goodall, Associated Students president, the deans will discuss the general aims and purposes of the Santa Barbara College.

Following the talks, the audience will have an opportunity to ask questions. Everyone is invited to come to the meeting at 7:30 pm Tuesday evening.

GREEK WEEK GETS GIGANTIC!

Greek Week—a project which has more behind it than its name reveals. Initiated on this campus last year, it is one of the finest traditions yet to be instituted at Santa Barbara College. Through the many activities of the Week the Greeks are able to demonstrate to the townspeople that they can also contribute to the community in which they are citizens.

Greek Week—Something which started out simple and turned into gigantic proportions. The activities are many and varied to include both fraternities and sororities, both Gauchos and townspeople. The Monday night speakers, the Tuesday night assembly, the porchlight clothing drive, the All-College Rally and Sing, the Dance Concert, the Work Day, the track meet and the benefit dance all mean work for the Greeks, but are rewarded by appreciation and gratitude.

Greek Week—the idea born here is being widely publicized over the country, bringing honor to UCSBC. Perhaps one day all the colleges in the nation will have undertaken the project. Greeks and citizens everywhere will then benefit from the workable plan which was born in the minds of the students and citizens here.

Slip-Ups in Election Publicity . . .

A look at the election publicity for the coming election and for the AWS election reveals that slip-ups have occurred somewhere along the line at various times. And with a thing so important as election publicity, such slip-ups should not be allowed to happen.

1. Posters for all the candidates are not displayed at the same time. They should all be up at once or not up at all. This could be accomplished by having more holders made.

2. Illegal publicity is not caught before it is too late. This includes display of posters by candidates not allowed such publicity. This is not fair to the other candidates who have abided by the rules.

3. Stunt Day is not being held this year. Part of the spirit that makes for successful elections and encourages students to vote comes from the crazy stunts. Elections were almost too sane in the past as it was, without cutting out Stunt Day altogether.

Election publicity is truly important. It sometimes determines whether a candidate will lose or win. Therefore, it should be handled with a maximum of efficiency.

DRAFT EXEMPTION TESTS 'ADVISORY'

Examinations to exempt college students from military service will still be given as previously scheduled, but the results will be merely "advisory" to local draft boards, according to an "informal" decision made by the House Armed Services Committee early this week. Local draft boards will have the last word on deferments for students.

It was previously announced that all students who were in the upper part of their class or could pass with 70 per cent or above an examination prepared by a testing service would be draft deferred. Graduate students would have been deferred without examination under the former measure.

DEMONSTRATION OF GYMNASTICS GIVEN BY SWEDISH GIRLS

The "Sofiaflickorna," girls from the Sofia Folk School in Stockholm, Sweden, presented a marvelous demonstration of gymnastics and folk dancing at the Santa Barbara High School gymnasium Tuesday, April 3.

The troupe arrived in Santa Barbara on Monday afternoon, April 2, and were taken to houses arranged for them among the college women by Joyce Kaufmann, hospitality chairman. Both the visitors and the college girls profited by the exchange of ideas and the fun they had together.

The Santa Barbara unit of the California Association of Health, Physical Education and Recreation sponsored the appearance of the "Sofia Girls." Miss Van Fossen, Chairman of the Women's Physical Education Department, and her committee made all arrangements, which included a dinner with the Vasa Organization of Santa Barbara, a visit to the college campus, a shopping tour, and a dinner with the CAHPER members. A short reception was held at the high school after the performance. A few brave souls even went swimming in Santa Barbara's Pacific Ocean.

This was a wonderful chance for Santa Barbara students to meet and know girls of their own age from another country. Everyone who had a part in their entertainment enthusiastically endorses this method of fostering better world relations and understanding. The girls of the troupe expressed the same sentiments and wanted to stay longer in Santa Barbara.

Pledge Spree Disrupts Sweetheart Serenade

You never can tell exactly what consequences pledge pranks will have, according to Ed Williamson, Sigma Pi pledge, who was almost slugged by irate Kappa Sig active John Cook Monday night.

Ed and several of his pledge brothers, out on a kidnapping spree, were forcibly removing Jean Foresman from the kitchen when John and his fraternity brothers arrived on the scene to sing the traditional sweetheart serenade for the newly engaged couple, John and Jean.

John got there just in time to rescue Jean from her abductors so she would be around for the serenade. The frustrated plagues went their way with the remaining Alpha Phi victims.

Dr. Avila Uncovers Three Short Stories By Great Spaniard

Dr. Pablo Avila, acting chairman of the Department of Foreign Languages at Santa Barbara College, has unearthed several works by Jose Maria Heredia, often placed at the top of the list of the Spanish-American literary greats.

When Dr. Avila was searching for facts about some other authors of the period, he discovered three stories by Heredia in obscure publications. Since Heredia was noted as a poet, a lawyer, a soldier, and a traveler, Dr. Avila was rather surprised to find these short stories. He tried to learn more about the story phase of Heredia's life, but failed to discover any references.

Later, Dr. Avila had an opportunity to go to Havana, and to Matanzas, where Heredia lived. He took his problem to Dr. Raimundo Lazo, professor of Cuban and Spanish-American Literature at the University of Havana. Dr. Lazo realized the importance of these stories and arranged for their publication.

Because of this conversation between Avila and Lazo, the Heredia stories appeared in "Repertorio de Literatura Y Variedades" in Mexico and "Revista Cubana" in Havana, as the "valiosa contribucion of Pablo Avila."

STUDENTS ATTEND ASILOMAR CONFAB

Several women PE students attended the recent conference of the Pacific Camping Federation at Asilomar from March 29 to April 1. Accompanying the group was Miss Van Fossen, chairman of the Women's Physical Education Department.

Students attending were Norma Riner, Barbara Hunter, Barbara Houlihan, Nancy Cooper, Mary Whitney, Jean Williams, Mary Ellen Hodge and Pat Giese.

The conference was for camp directors and others interested in camp counseling. Training in different phases of camping was given and the program also included addresses by Elmer Ott, president of the American Camping Association, concerning camping in the present emergency, and George Sheviakov, psychologist and guidance consultant in San Francisco County Schools, entitled "Counseling Campers in a War-Threatened World."

There will be a Southern California Counselor training weekend at Camp Seeley in the San Bernardino mountains May 4, 5 and 6. Anyone interested may make reservations with Miss Van Fossen.

St. Peter: "How did you get here?"
 New arrival: "Flu."

By Gingle

Spring is here, lil' gals, and where are your thoughts? I'll bet I know—they're floating way off to lovely dreams of low lights, soft music, a handsome young man, and spring formals. Right after vacation you will probably find yourselves suddenly in the Coral Casino, the Montecito Country Club, or the Samarkand — and all your dreams transferred to reality.

The Lou Rose College Annex has found that wonderful Fairy Godmother so that you may have the most beautiful dresses ever designed for "dreams-come-true."

Her hand touches the stars—a sky blue net for blonde Elinor Denholm — then she talks to the moon — a pale yellow organdy for brunette Betty Groebli — and remembering Cinderella — a lovely white satin and net for red-head Verna Namnestad.

All you have to do is wish for your enchanting spring formal dress and the Fairy Godmother who dwells in the Little Store Behind the Big Tree shall leave it for you for only \$25.00 or \$29.95.

For your ride home in the pumpkin you'll need a stole—black velvet for \$10.95 goes well with any color — or a white shortie coat at \$25.00 with big turned up cuffs is very pretty for a princess.

Come in to the Annex soon and leave your wish with me. I'll keep it a secret and tell our Fairy Godmother exactly what you want.

DELTA 'A's' INTRAMURAL VOLLEYBALL TOURNAMENT CHAMPION TEAM

The Delta Tau Delta "A's" are this year's intramural volleyball champions. By playing and defeating the fraternity division and club division winners, the Deltas insured themselves the undisputable honor of being the volleyball champions of the school and carried home the intramural volleyball trophy.

In the first game of the play-offs last Tuesday night, the Deltas met and soundly defeated an over-matched Sig Tau Gamma team. This was the fraternity division 'B' champion's first defeat. The win, a 15-3, 15-5 thrashing, gave the Deltas the title of Fraternity Champions.

The second play-off game resulted in one of the most contested games of the tournament. The Foul Six, winner of the club division, proved to be a better match for the Deltas. The first game was a nip-and-tuck battle with the Deltas finally winning with a 15-12 count. The second game was a "carbon copy" of the first, but this time

the Foul Six emerged victorious in one of the best games of the year, winning 15-13. The "pay-off" game was another thriller. The "spiking" of Jack Aldrich and Steere was the margin of difference, as the Deltas finally broke up the game in the closing minutes to win with a score of 15-10.

The all-around team play of the entire Delta Tau Delta team seemed to be the dominant factor of all the Deltas' victories. The outstanding play of Jack Aldrich and Ron Steere was a great asset to the Deltas.

Thus, the annual volleyball tournament ended a very successful season. Joe Phillips, senior intramural manager, wishes to thank all the managers who made this year's tournament such a success.

EVANS IS DIRECTOR OF DELTA PHI DELTA

Dr. Elliot A. P. Evans, Art Department chairman, has been named regional director for Delta Phi Delta, national honorary art fraternity. In this position he will visit chapters of the organization which recognizes special achievements in the art field.

GOLETA PASSION PIT HAS OPENING TUESDAY

Tuesday, April 17, marks the opening of the Airport Drive-in theatre in Goleta. Next Saturday and Sunday the amusement center is holding an open house. Open for inspection are the lounges, snack bar, projection room, and towers of the screen.

There will be a parade in Goleta Tuesday to celebrate the opening, headed by Sheriff Jack Ross and Constable Steve Austin, and including several other civic dignitaries.

STARTING LINEUP FOR DOUBLEHEADER AGAINST CAL POLY

A badly battered Santa Barbara College baseball team went thru a long workout yesterday in preparation for an important CCAA doubleheader this Saturday against Cal Poly. Game time is 1 pm at Mesa Field.

With pitcher Bob Johnston, second baseman John Hackett and third baseman Ron Robinson hospitalized from injuries received in last Sunday's automobile accident, Coach Spud Harder will field a revised lineup against the Mustangs.

Ray Rubenstein (1-3) will open against Cal Poly with Jerry Lovarou (1-1) taking over in the seven inning nightcap. Wynn Smallwood will be saved for the California Bears Monday night at Laguna Park.

The Gauchos' double loss at Fresno gave them two wins and three losses in Conference competition. A double victory will put them firmly in the No. 2 spot behind the undefeated Fresno Bulldogs.

With Hackett and Robinson out for the season, Harder indicated Dick Gorrie will take over at the hot corner, and George Mattias at Hackett's second base spot. Though a light hitter, Mattias has committed only one error this season and shows promise of becoming a first rate starter.

Back in the lineup will be Dave Gorrie, his broken hand healed and ready to go. He'll be hanging out in left field. There was also a possibility that outfielder Eddie Miller will get moved into third base, leaving room for the fly-chasing services of Corkey Johnson. Johnson is entered in the shot put event in the dual meet between San Diego State and the Gauchos, but will attempt to compete in the second game of the doubleheader.

UCSBC, San Diego State Clash In Dual Meet Here Saturday

The two leading contenders for the CCAA cinder crown—Santa Barbara College and San Diego State—clash in a dual meet here Saturday, April 14, and both teams look as well matched as the furs in a mink coat.

Varsity Netmen Lose Two Matches During Weekend 5-4, 8-1

Playing far below their usual game the tennis squad dropped a pair of matches last weekend to Loyola and Cal Poly. Loyola squeezed by the Gauchos 5 to 4 while Cal Poly trimmed our sails 8 matches to 1.

On Friday, against Loyola, Hilbert Lee lost the feature match to Ron Molieri 6-1, 6-2. Last year Molieri barely managed to defeat Lee in a match that could have gone either way. Robert Chapman was literally taken apart by Joe Diehl 6-0, 6-1. Cal Cory fared little better as Dick Bush defeated him 6-1, 6-3. Joe Zoller and Wendel Niles won the only two singles matches for Santa Barbara, defeating Al Garcia 8-6, 4-6, 6-2 and Tom McNulty 6-4, 6-4, respectively. Jim Weswick lost the sixth singles spot to Adolph Molina 6-4, 6-4.

In the doubles Lee and Cory were defeated by the very superior team of Molieri and Diehl 6-4, 6-4. Chapman and Zoller continued their winning ways by easily defeating Bush and McNulty 6-4, 6-0. Niles and Vaughn rounded out the day by defeating Garcia and Molina 7-5, 6-4.

The combination of staleness and away-from-home jinx proved too great a handicap for the Gauchos to overcome against a very good Cal Poly team. Lee and Cory won the only match of the day, defeating Jim Corbett and Mickey Maddox 4-6, 6-2, 6-2. Zoller and Chapman lost their first doubles match to a very good team of Dave Ziemer and Kel Walts, 4-6, 6-4, 9-7.

The two teams play a return engagement this afternoon on the local Municipal Courts and the Reynolds men will be out for an upset. An upset is most likely if the team plays their usual brand of tennis.

Other scores were: Lee was defeated by Jim Corbett 6-2, 6-3; Chapman was defeated by Dave Ziemer 6-1, 6-1; Cory was defeated by Ken Walts 6-0, 6-2; Zoller was defeated by Irv Swain 6-1, 6-2; Niles was defeated by Jensen Won 6-3, 6-4. Westwick was defeated by Ray Naranjo 7-5, 6-3.

In the doubles, Niles-Vaughn were defeated by Won-Naranjo 6-2, 7-5.

NAIR SPEAKS IN N.Y.

Dr. Ralph K. Nair, assistant professor of industrial arts, has been scheduled for two speeches in New York.

He will address the American Council on Industrial Arts Teacher Education May 2, on "Why Young Men Choose Industrial Arts Teaching as a Career." On May 4 he will speak to the American Industrial Arts Association convention on "Teaching Techniques."

This will be the final home meet for the Gauchos and will be part of the finishing touches of the activities of Greek Week.

Polished Off

Santa Barbara has polished off Los Angeles State and Pepperdine, both conference members, but San Diego still hasn't been fully tested. The Aztecs bowed to LA State last week, but a good share of Coach Cho Sportsman's point winners were in Mexico competing in another track meet. This week they'll be out in force.

Several events immediately loom up as crowd pleasers. Gaucho ace Willie Dancer will renew his old high jump feud with the Aztecs' Jack Razzeto. Razzeto, 1950 AAU co-champ, has done 6' 5 1/2" this year, compared to Dancer's 6' 3 3/4".

Previous

During their previous meet here at the Santa Barbara Easter Relays, they leaped to a tie. They'll be out to settle the tie and shatter the meet record of 6' 6 1/8" set by Dancer in 1949.

Then there's the broad jump. The Gauchos have a greatly improved and consistent jumper in Jim Beacom and a first place threat in any meet in the personage of Leo Jennings.

Look Tops

Santa Barbarans who look like the tops in their specialties are hurdler Alberto Triulzi, 440 man Otey Scruggs, and javelin tosser Delf Pickarts. San Diego's big men are pole vaulter Bobby Smith, distance man Roland Attebery, dash man Connie Broome, and half-miler Bill Wilson.

If the meet comes down to the mile relay, San Diego has a definite edge. The Aztec quartet has a season's best of 3:23.6 compared to 3:26.1 turned in last week by the Gauchos.

Rivals Since '40

Since the Gaucho-Aztec track rivalry started in 1940, Sportsman's thinclads have won seven, the Gauchos one. That lone victory was in 1946. San Diego nosed out Santa Barbara for second place honors in last year's CCAA meet by 1 8/15 points.

Kappa Delta Pi Has Regional Conference

Delegates from seven colleges in California and Arizona met here recently for the regional conference of Kappa Delta Pi, national honor society in education.

Welcome was extended by Dr. J. Harold Williams, Provost, and Mrs. Pauline Freedman, president of the Santa Barbara chapter. Dr. Raymond R. Ryder of Purdue University, national executive counselor, was the main speaker at the morning sessions, which were held on the Mesa Campus.

Four discussion groups were formed, each being given one of the following topics: Program Planning, Membership Selection, Keeping in Touch with Chapter Alumni, Problems of Honor Societies on College Campuses. Leaders and recorders of each of the following groups were from visiting chapters.

After a luncheon in the Mesa Quadrangle, delegates met on the Riviera Campus with Dr. I. A. Mather, Chairman of the Department of Education at Santa Barbara College, presiding. Speakers were Dr. Truman L. Kelley, one of the founders of the society and now a resident of Santa Barbara, and Dr. Charlotte Elmott, Coordinator of Secondary Education in Santa Barbara.

Assisting Mrs. Freedman in planning arrangements for the convention were Lowell Winter, Elsa Jensen, LaRoyce Simpson, Imogene Fulham and Lambert Gillis, officers of the Santa Barbara Chapter. Dr. Glenn Durflinger, Associate Professor of Education is counselor.

Spurs to Hold Joint Meeting with UCLA

UCLA Spurs will be the guests of Santa Barbara Spurs at an all-day beach picnic Sunday, April 15, according to Joyce MacQueen, chairman of the affair.

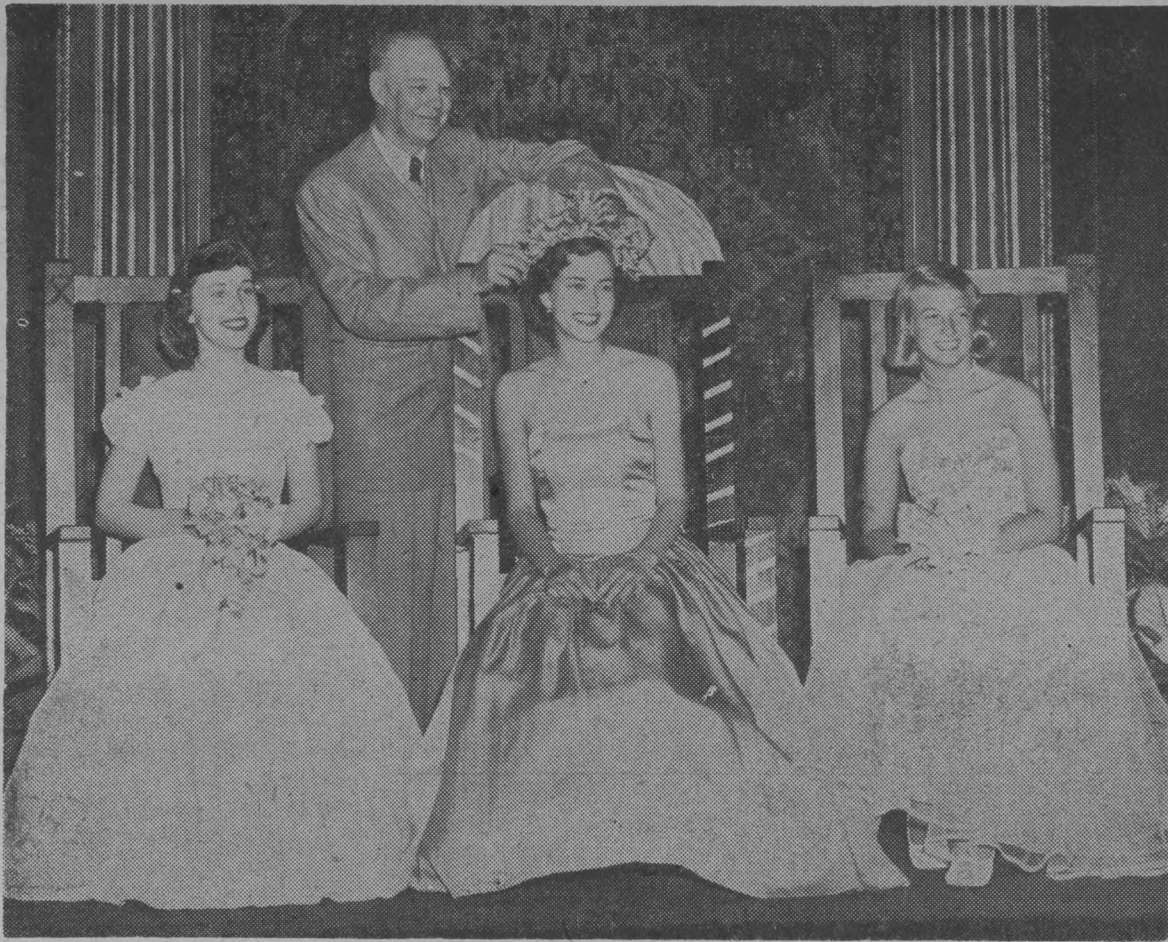

Members of the sophomore women's honoraries at San Diego State, San Jose State, and UC at Berkeley have also been invited to attend.

Joyce, expansion chairman of the local group, together with the UCLA expansion chairman, is interested in forming national Spurs chapters at those schools.

Tapping of freshmen women for next year's Spurs will occur in the near future, according to Patty Benko, president. Requirements for membership are that a student must have a 1.5 grade average and must have been attending here her entire freshman year. Invitations to join Spurs are also based on the amount and quality of activities the girl has engaged in.

At present Spurs is making plans for co-sponsorship of a Barbary Coast booth with Squires. Through the year it handles indoctrination of freshmen women, cleanup of bulletin boards and mailboxes, and distribution of the Deans' mail.

"I hear you've been to a school for stutterers. Did it cure you?"
 "Peter Piper picked a peck of pickled peppers."
 "Why, that's wonderful."
 "Yes, but it's d-d-darned hard to work into an o-o-ordinary c-c-conversation."

CHEM CLUB VISITS SHELL OIL REFINERY NEAR WILMINGTON

The Dominguez Refinery of the Shell Oil Company, located north of Wilmington, was visited by 18 members and guests of the Chemistry Club recently.

Faculty members taking part in the field trip were Dr. John Sutton, Dr. Allen Seneor, and Dr. Glenn Miller.

A film in the library of the research lab opened the two and one-half hour tour which included an inspection of the research and testing laboratories and many other parts of the refinery. A trip to the tenth floor of the 189-foot catalytic cracking tower highlighted the visit.

Formed last semester, the Chemistry Club meets bi-monthly, usually on Thursday evening, and is open to all interested students. Information may be had by leaving a note in the student mail box for either Bob Yamada or Doris Gurish.

SMITH THETA PREXY

Suzi Smith is the recently elected president of Kappa Alpha Theta, succeeding Latty Whitehead.

The other new officers of the Gamma Rho chapter of the sorority are Pat Johnson, vice-president; Doris Claire, recording secretary; Jean Benjamin, corresponding secretary; Nancy Ashley, treasurer; and Connie Harder, editor.
