Steve,

There has been no STAR TREK here lately and I am feeling weaker already - If I'm forced to get into a fight I'm not sure how well I'll perform. One week after writing you and being inspired by Kirk's one man fighting show what should happen but a Pub brawl. A first drunk bloke ran at me probably expecting a feeble punch. Moving! I leaped up, grabbed a light fixture and swung both legs forward planting a double kick right in the middle of his chest and down he went. It worked! Just like Kirk did in the ANDROMEDA FORCE! Another guy was pummeling a friend and instead of blindly attacking him I grabbed a raincoat, threw it over his head, smothered him and delivered 3 blows to his stomach just like Kirk with the fart flap in FRIDAY'S CHILD. And that was it. The rest of the thugs, scared off by my strange but effective fighting moves ran off. Several of my friends were so enamored of me and asked "where did you learn to fight like that?" I said "I'll show you" and that weekend we had a meeting planned with a VCR and copies of FRIDAY'S CHILD and MIRROR, MIRROR. It looks like STAR TREK is here to stay.

**We Make Faces  
All Day!**

Fotech photo printers make thousands of faces every day. We'd like to make some for you.

Have you ever taken your film to a discount photo finisher and got back blue or yellow tinted faces? Maybe your face is blue, but most people's aren't. Fotech photo printers specialize in making faces the color they were supposed to be. We'll even give you a FREE try (use the FREE Photo Reprint coupon on this page). Do you think your discount photo finisher would risk an offer like that? Makes you wonder if...

**Test:**

**Which Photofinisher to Use?**

1. If the pictures are important and you want them to look good today and next year, use Fotech.
2. If the pictures are not important drop them at your discount photo finisher and pray.

# ARE YOU IN PAIN?

## IT COULD BE A PINCHED NERVE

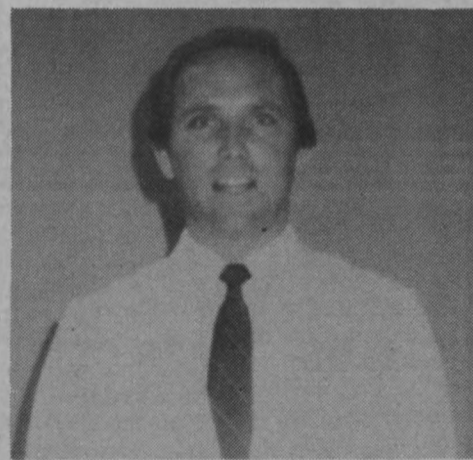

Relieving the pressure on your nerve (at the site of the pinching) causes the pain to go away! That's why a Doctor of Chiropractic adjusts your spine to relieve pain from your head to your feet. The chart below shows where the nerves are located which control the various parts of your body.

If you are taking pain killers, you are covering up the pain, and the pain will usually return. If you have been unable to find long-lasting relief from pain, I urge you to try chiropractic.

This examination will include an orthopedic test, a neurological test, a spinal alignment check, and a private consultation with your doctor. If X-rays or other tests are needed to arrive at a diagnosis, you will be advised of any costs before proceeding.

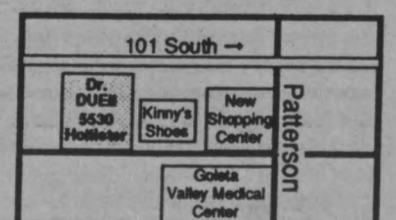

WORKER'S COMPENSATION AND MOST INSURANCE COMPANIES COVER CHIROPRACTIC CARE TO POLICY LIMITS.

Hi, I'm Dr. Mark L. Duell, Sr., Doctor of Chiropractic. Perhaps gentleness in chiropractic is a new concept to you. It was to me before I began the six years of college training necessary for my doctorate degree. During those years I learned the precise locations where light pressure can bring chiropractic relief to pain.

In addition to my doctorate, I have a bachelor's degree in Human Biology. Since college I have completed courses in Activator, Nutrition and X-Ray. Even now I devote three days every month attending a nationwide seminar on chiropractic.
