Locals To Meet Cal Tech In First Game

Plenty Of Good Material For Line-Up Saturday

The Roadrunners will play their first baseball game of the season at Pasadena tomorrow in an encounter with the California Institute of Technology at the Pasadena diamond. The odds are against us, but a good game is promised.

Cal Tech has been indulging in diamond combats for some time now, although it has not a very good reputation in the south. The Loyola Lions downed the engineers 11 to 9 in a recent game which featured heavy lumber toting. Maechtlin pitched the entire game for the engineers and allowed 11 hits. Anderson should stack up a little better in tomorrow's game.

A lack of consistent practice will tell on the local nine. Baseball practice started at Pershing Park last Monday. Rain prevented practice Tuesday and slowed down the field for Wednesday. Lowry of Cal Tech is the home run stand-by of the engineers.

If the Engineers take tomorrow's game, it will be by their stick wielding. The line-ups for tomorrow's game will be announced later. Coach Gilliland intends to take about fifteen men south for the game, but the line-up will not be determined until this afternoon. Anderson and James Peel will probably be slated as the battery. Anderson has been working with Boykin's All Stars for some time, so he is the only member of the team that has been in steady training. Breslin has been working out with St. Marys in the first part of

New Magazines Added To Library Shelves

Four new magazines have been added to the library shelves, according to Miss Winham. Two art magazines, "Color" and "Pencil Sketches," have been secured, as well as two literary magazines, "The Dial" and "The Forum." The latter were subscribed for by the Literary Forum and presented to the library.

More Women Than Men In Greek Letter Societies

Nearly one hundred students are charter members or pledges of sororities or fraternities which received official recognition last week. Of the eight Greek Letter Societies which exist upon the campus the number of women's organizations exceeds that of the men's as there are six sororities and two-fraternities. One sorority, Delta Sigma, has taken active steps for becoming a national organization. Names of officers and members are printed below.

Lenten Play To Be Presented In Court

"Mantle Of The Virgin" Given Monday Night

"The Mantle of the Virgin," the play by Vida Sutton, will be presented in the College court Monday evening, April 6, at 8:30. The play, which is a romance of medieval days, is in keeping with the Lenten season and is being offered to students and townspeople as the annual Lenten program, presented under the auspices of the Literary Forum.

The play centers about Isabel, a peasant girl, who has been unjustly accused of theft. Fleeing from the law she seeks refuge at a convent where she is taken in by one of the nuns without the sanction of the abbess. She is traced to the convent by the jailor and his assistant who demand her return into the hands of the law. A miracle centering about the image of the Virgin occurs and the innocence of the maiden is established.

Hazel Kramer is taking the part of the peasant girl and Anita Dear-dorf as Sister Theresa is the nun who befriends her. Jean Christy has an important part as the abbess of the convent. The part of the image of the Virgin is taken by Helen Mansfield. Ted Marshall as the prison guard and Fred Diehl as his assistant are also among the leads. James Rhinehart is taking the part of the priest who is abbot of the monastery. Monroe Langlow as the angel summoned by the Virgin and Lothelle Miller as the spirit of Sister Hilda with the image of the Virgin provide a very beautiful tableau effect during part of the play.

Nuns of the convent include Catherine Berrey, Madeline Klinke, Lois Pearson, Else LeBlanc, Edwina Kenney, Virginia Colton, Jane Ames and Mabel Sorem.

A chorus consisting of Madeline Connell, Irma Learned, Alta Faulkner, Frances Jones, Fred Seegert, (Continued on Page 2, Col. 2)

Charles C. Hill To Give Travel-Talk

Mr. Charles C. Hill, Principal of the Wasco Union High School, will speak before the students at 11 o'clock Tuesday morning, April 7. He will give a travel talk on Alhambra, illustrated by slides. Mr. Hill has travel-talked several times during the past few months.

An effort is being made to secure Dr. C. C. Potter of the Spencer Lens Co., of San Francisco, to demonstrate the daylight lens in showing pictures relative to the lecture given by Mr. Hill.

Dr. Carson Addresses Social Science Club

Dr. Lewis Carson, pastor of the First Unitarian Church of Santa Barbara, addressed the Social Science Club at its dinner meeting at Cypress Inn Wednesday. His subject was "Modern Tendencies in Psychology." Dr. Carson is a student of Psychology and Philosophy, having studied at Harvard under Professor Josiah Royce, one of the foremost American Philosophers.

Mr. Jacobs, Mrs. Oren Heckleman, Frederick Diehl and Richard Proud were guests of the club.

High School Principals Will Visit Campus

A cordial invitation has been extended by the College to the High School principals of the State who are attending the convention here next week to visit the College. Resident students of the College have invited their High School Principals to inspect the campus and to lunch at the cafeteria. A special invitation has been extended to the Principals to attend the Lenten play, "The Mantle of the Virgin."

"The Gypsy Rover" will be given publicly on Friday, April 17, by the Glee Clubs of the Santa Barbara High School. The operetta will first be presented to the State High School Principals' Convention on April 7.

The Men's Club of the San Mateo Junior College will give a formal dance on Saturday evening, April 4. This dance promises to be the best social affair to the students this semester.

A Grecian festival is being planned at the University of Southern California for May 1. The carnival sponsored by the university will consist of several events following throughout the afternoon and evening. There will be Grecian games, chariot races, etc., followed by Greek dances, Greek plays and other Greek lore. This will be followed by a colorful Greek Ball.

Preparations are under way for the presentation of the Greek play, "Iphigenia in Aulis," to be given during commencement week by the graduating class of Occidental College. Although but three years old, the custom of staging a Greek play is firmly established as a tradition at the college.

The Glee Club of the Long Beach Polytechnic High School is working on the comic opera, "Erminie," which will be given during the latter part of May. Thirteen hundred dollars has been granted for the production of the opera. The action of the opera takes place in France in the seventeenth century.

The three act comedy, "The Goose Hangs High," was given last week by students at the San Jose State College.

Elementary School Notes

The College Elementary School is very desirous of possessing a phonograph. A few days ago the upper grades conducted an ice cream sale which profited them \$4.01, with this money they intend to start a fund for a phonograph.

The last teachers' conference of the upper grades was held at the home of Robert Wormser following which Mr. Wormser entertained the group at an afternoon tea.

So many books have been loaned and given to the School Library lately that the school is fast acquiring a real library. The Community Mechanic men kindly made and donated a new bookcase which is being greatly appreciated by the school.

(Continued from Page 1, Col. 4)
Carroll Dawley, Richard Proud and Rollo Elliott will furnish the music which the play calls for. William Hartshorn will accompany the choir on the organ.

A beautiful rose window has been constructed by Mr. Wolf and a number who have assisted him for the setting of the play. Costumes have been worked out under the direction of Miss Frye and Margaret Cronise. The properties are in the hands of Marget McTavish.

Among those who will probably attend the play are Mr. D. M. Sutton, the father of the author of the play, and the high school principals of the state who are convening here next week.

The play has been directed by Dean William Ashworth and managed by Margaret Burke. Among those who have helped materially in preparing for the play are Mrs. Helen M. Barnett, Mr. Hamilton Wolf, Mr. William Peters, Miss Winifred Frye and Roscoe McGuire. In addition to these there are about twenty students serving on committees.

Hats, Blouses Will Be Exhibited Next Week

Students in the Domestic Art classes have finished their third quarter of work and are planning a very attractive exhibit of wash blouses, silk dresses, children's garments and millinery. A public exhibition will be held at the college Tuesday, April 7, to Thursday, April 9. The Senior Domestic Art room will be resplendent with smart summer frocks and blouses, as well as attractive hats.

Miss Ruth Blanchard, a graduate of the Home Economics Department of last year, is planning to spend next week in Santa Barbara as the guest of Bernice Gange. At present Miss Blanchard is teaching home economics at Rio Vista.

Mrs. Lewis Hertz of San Francisco, who was formerly a member of the Board of Trustees of the State Teachers College, is visiting her sister, Mrs. Louise Markus, of upper Chapala Street.

Miss Sadie Stark, Head of the Home Economics Department of the Chico State Teachers College, and Mrs. Ida Sunderlin, instructor in the Inglewood High School and former president of the Southern Section of the Home Economics Association, will be house guests of Miss Bradley next week. Both were classmates of Miss Bradley at the University of Wisconsin.

How about an office heater for the poor student telephone girl on these cold days?

Another Suggestion: We will have our only decent piano in the "cottage" ruined if someone doesn't fix a leak in the roof. Our C. M.'s made it. See if they can fix it.

The glistening snow upon the heights last Tuesday was a strong enough magnet to draw many of our coes and coeds upon the walks of high adventure.

An invitation to a luncheon here next Thursday has been extended to the President and the Councilors of the State Home Economics Association which will be in session here next week. The luncheon will be served in the cafeteria.

Eight Faculty Members Attend Alumni Meeting

At the San Francisco Bay Section Alumni meeting held in the Italian room of the Hotel Whitecomb in San Francisco on March 28 there were eight faculty members of the college present. Due to heavy rains in the north only thirty-five of the alumni were present. Among those were recent graduates of the college, Marie Girard, Isabel Lyons and Harold Sanford.

Doctor Sisson of the University of California spoke on the subject, "Taking the Sun." Mrs. Barnett sang four numbers which were enthusiastically received. President Phelps and Dean Ashworth gave the plans of the college home coming night to be held on May 16. Dean Pyle and Miss Crumby as newest members of the faculty were given cordial greeting.

The "Round Robin of gossip of your left hand neighbor" was a feature of the dinner and gave interesting bits of information regarding each one present.

Mrs. Miller told of the beginning of a new year in the Alumni Association during this year. Plans will be made to hold meetings in Sacramento, San Joaquin Valley, Los Angeles and at county institutes. In this way the college can keep in touch at least once a year with every graduate as far as possible.

Officers for the month of April were elected at the meeting of the Public Speaking society, Wednesday morning, and are as follows:

President—Maxwell Conklin.
Vice President—Madeline Klinke.

Secretary—Dorothea Loken.
Chairman of the program committee—Arthur Cherry, with Alta Faulkner and Vesta Jackson.

Dean Ashworth and Miss Lollie Anderson will give the last of a series of recitals which Mr. Ashworth has given this winter, at El Encanto, Saturday evening, April 11. Miss Anderson will sing "The Mary Cycle" and will introduce Mr. Ashworth, who will read Florence Conner's Lenten play, "Thy Kingdom Come."

Redlands Glee Club Will Appear In City

The Men's Glee Club of the University of Redlands will give a concert at the local Baptist Church, Saturday evening, April 4. This club, which has made several appearances in Santa Barbara during the past years, will be remembered for the excellent concerts it has given. As special features on its program are included saxophone and organ solos.

The Sophs appeared on the campus dressed in white with red sashes and proudly wore "I'm a Soph" signs. This caused a grand fight between Freshmen and Sophomores during first period but as Sophs grew in number the Freshmen made peace terms and all was serene once more.

The cooperation of the class with the committee, Manager Ester Janssens, Max Conklin, Reid Hollingsworth, Marjorie Granger, accounts for the success of the program.

Krazy Kut-Ups Kover Kampus Korners

All week long the campus has been seething with strange occurrences, queer acting people performing queerer stunts.

It all began last Sunday, when the faculty were returning from the Alumni convention in San Francisco. Dean Ashworth hauled his Studebaker up at a way-side service station to put water in the radiator. Somehow one has not connected Dean Ashworth with absent-minded professor stories before, but now he needs must be placed there forever. Would you believe it, the Dean tried to put water in the radiator with a compressed-air hose?

Then Monday noon, "Moose" Annin was seen wading in the pond, sans shoes and stockings, and when he got through, he wiped his feet with a pair of—a—that is undermentionables. And his derby hat! Then O'Reilly was seen all over the campus, on his knees before a number of girls, and over and over he said this line, "I'm crazy." I guess he was. Then Ellsworth spouted fool poetry in a loud voice to an absent audience, and wore a shoe-string tie, and all the fellows skipped to class.

The girls have been curiously silent, have played "Ring-Around-the-Rosy" in the court, and sung foolish songs. Then such things as wearing coats backwards have attracted attention to the fact of a lacking sanity. Can you imagine Bess Campbell not talking to J—? Or Betty Eddy not being able to talk with You-know? Or Ebba and Lucile not chattering with some of the fellows? And Irma Learned absolutely silent? Don't forget Helen, either. They say that a woman who can't talk soon goes crazy; you never can tell, but we all are watching for the symptoms.

Has the whole campus gone crazy? Or is it the frats?

Roadrunners Cop Track Meet By Large Margin

The Roadrunners took the annual invitational meet held at Pershing Park last Saturday with 99 points, a margin of 71 points over Santa Ana, the nearest competitor.

How they finished:

Santa Barbara	99
Santa Ana	28
California Christian	14
California Polytechnic	3

The meet was replete with surprises throughout. Santa Ana, represented by Webber and Vawter alone, walked off with the 880, mile, two mile, high hurdles, low hurdles, and placed in the century, 220, and broad jump. Anderson, however, lived up to his reputation and became high point man with 23 points and a fast lap in the relay. The Roadrunners made clear hauls of the hammer, javelin, and pole vault, and took first and second in the 100, shot-put, broad jump, and 220-yd. dash. Santa Barbara entered three teams in the relay and captured first and third.

Cal Christian and Cal Poly were well represented, but failed to make an adequate showing. The drift of the meet was seen from the start when the Roadrunners won events by loafing through them. Excellent times were made in the various events considering the condition of the track and the fact that few runners exerted themselves when their places were secure.

Vawter of Santa Ana showed excellent form in the distance runs. Also Junta of Cal Christian broke new earth in the discus throw with a heave of 120 ft. 7 in.

THE SUMMARY

Hammer Throw—Anderson, (S. B.) won; Sawyers, (S. B.) second;

Pomona Glee Clubs Will Present Concerts

The Men's and Women's Glee Clubs of Pomona College will appear in concerts here the evenings of April 5 and 4, respectively. Both concerts will be given at the First Congregational Church.

The two glee clubs have given recitals in Santa Barbara several times before this, and have always been greeted with enthusiasm.

Women Faculty Members Invited To Luncheon

Women members of the faculty who are interested in young women are invited to attend the luncheon being given at El Paseo Tuesday in honor of the deans of high schools and colleges who are to be here during the Principal's Convention. Miss Ethel Andrus, Principal of Lincoln High School of Los Angeles, who will be the chief speaker will speak on "Social Activities of High School Girls." Short talks will be given by various junior college and college deans.

Reservations for the luncheon may be made through Dean Pyle, who is arranging for the affair.

Medals Awarded At Track Dance

Approximately one hundred students and visitors attended the track dance given in the gymnasium Saturday evening in honor of the track teams. Medals were awarded during the evening by the vice-president of the Student Body, Jessie Lemmon. After receiving his sixth medal, Jimmy Anderson modestly remarked: "And I had a bad leg today."

the year, and he is expected to show up well when the season gets under way. Arthur Cherry from Occidental has been practicing on the mound and at the second sack during the past week. Bud Garber and Spud Sawyers have also been on the mound, but Sawyers is better on the initial sack. Coach Gililand has his choice of three infielders and several more outfielders. Frenchy Williams has been showing up well on the primary goal, Cherry, Dice, Brotherton, and Breslin have been testing the second sack. Lewis Peters, Taki Asakura, and Allen Keim are after the third bag. Taki is the best bet at short stop because of his fast fielding and his peg. Breslin has also been showing up well at short.

California Christian College has been tentatively dated with us for April 11.
