SUMMER SESSION 1960

GOLETA, CALIFORNIA

## WELCOME TO SUMMER SESSION

### STUDENT-FACULTY "GET-ACQUAINTED HOUR," FISHING TRIP AND RECREATION NIGHT TO OPEN RECREATIONAL EVENTS

A carefully planned schedule of summer session recreational activities gets under way Wednesday, June 22, with the annual Student-Faculty "Get-Acquainted Hour" set from 3-5 p.m. in the Classroom Patio. Refreshments will be served so come and meet your fellow students and the summer faculty.

On the 25th a fishing trip and scenic tour is planned aboard a charter boat leaving Norm's Landing at the end of Stearn's Wharf in Santa Barbara at 7:30 a.m. These are among the finest fishing waters in California so be sure and take advantage of either the full day trip which returns at 4 p.m. (\$8) or the half day trip which returns at noon (\$5). Fishing equipment may be rented at the pier and bait will be furnished on the boat.

Folk and square dancing will be featured every Wednesday from 7:00 p.m. to 9:30 p.m. in Robertson Gymnasium. Also included in the many activities available are badminton, volleyball, trampoline and table tennis. Please wear tennis shoes for all events in the gym. Sightseeing tours of Santa Barbara and vicinity may be scheduled through Tanner Gray Lines (5-5111).

Among the future summer events to plan for is the summer beach party and barbeque on Thursday, July 7, at 4:30 p.m. No fee will be charged for campus residents, and the non-resident charge will be only \$1.

Anyone who hasn't received the complete recreational schedule may obtain one from the Summer Session Office, the Graduate Manager's Office, or the Library. For further information contact Madge Phillips, Women's Physical Education, Ext. 2252-53.

### WELCOME FROM THE DIRECTOR OF SUMMER SESSION

On behalf of the faculty and administration, I welcome students and visiting faculty members to the 1960 Summer Session. We sincerely hope that the six weeks you spend on the Santa Barbara campus this summer will contribute significantly to your educational progress. It is our aspiration to challenge you to your best efforts through stimulating courses, ably taught. Your frank comments, and any suggestions you may have for improvement, are earnestly invited.

For the second successive year we welcome to the summer session a group of high school students who are enrolling in regular University courses in order to obtain a pre-view of college. Last year's group kept their instructors on the qui vive. I am sure the much larger group this year will display an equal avidity for knowledge.

Your attention is directed to the fine series of University lectures which have been arranged by the Committee on Arts and Lectures. We also recommend to you the Recreation Program for students, faculty, their friends and families, under the direction of Miss Phillips. Details are available elsewhere in this issue.

Please feel free to call or visit the Summer Session Office, Bldg. 404, Rm. 115, for information or assistance with regard to Summer Session.

L. F. WALTON  
Director of  
Summer Session
