Baseballers Meet With San Diego

Hardermen Start 3 Game Series with Leading Aztec Team

DECIDES CHAMPIONSHIP

Gauchos Suffer Ill-Fortune in Two Close Games with Redlands Nine

Hamlet's famous lines will see service once again this week-end as the local diamond aces take on the title bound San Diego Aztecs in a series of three games which will determine whether or not the Border City horsehiders are "To be or not to be," conference champions in the four major sports.

The Aztecs have already nabbed the track, basketball and football crowns to reign supreme over the remainder of their conference foes. The Harder coached squad has the only possibility of stopping the visitors who will come to Santa Barbara Thursday afternoon for three games.

Heading the visitors will be the Aztecs' mainstay on the mound, big Al Churchman, who has been on the mound in five of the Border City's wins. "Emperor" Higashi, regular second sacker has also done some of the hurling, assisted by H. T. Walker. Glenn Carbanti, all-conference short stop of last year, is leading the team in hitting and has five home runs to his credit.

Pershing Park will be the scene of the series and a full house is expected to witness these titanics. A public address system sponsored by a local merchant will be on hand for the benefit of the spectators.

According to Miss Edith Leonard his method of education has gained a national reputation and is now advocated by leading educational authorities

Sehon's Production Gains Large Crowd; DeMotte Takes Lead

In the colorful May Day pageant, sponsored annually by the Women's Physical Education department, held yesterday afternoon in the College quad, Jean McArthur was crowned Queen of the day. Acting as maids to the queen in the court of honor were Millicent Lincoln, Betty Palmaymesa, Elinor Stewart and Evelyn Warner.

The traditional spring program was attended by a large audience and was said to be one of the finest ever to be presented. A dance pageant, "Once On The Broad Highway" written by Miss Elizabeth Sehon, was presented in the quad. In the cast for the play, the Queen and her court of honor headed the characters which included Olive DeMotte, the adventurer; Veree Church, Jane Goslin, Kay Macleish, Rosalind Rawicz, Miriam Turton, Mary Tucker, Vivian Patterson, Alice Boeseke, Lyndell Brundige, Jean McSkimming and Janice Westwick, of the court; Theda Call, Jessie Lady, Rena Sacconaghi, Violet Barnett, Clare Call, Geraldine Groshong, Jane White, Scherlene Horner, Eleanora Larkin, and Ebie Vincent as peasants; Irene Baptiste, Virginia Hutchinson and Hanna Pelch, water-girls; Ethel Clendenen, Harriett Wilson, Irene Benedict, Ruth Pachett, Alice Graham, Lucille Ormonde, and Gretrude Rolls, composing the merchant group; Lorraine Twogood, Pym Lucas, and Rose Pagliotti as robbers; Gwelda Lloyd, and Frances Jane Miller, the lovers.

Committee heads of the affair included Pym Lucas, Violet Barnett, Jean Gordon, Alice Lamb, Merle Thomas, Jessie Lady, Eleanora Larkin and Dorothy Taylor.

Players Present Comedy Hit Thursday Night

Bill Hoyt, Theda Call Take Leads in "The Late Christopher Bean"; Davis Directs Drama

Presenting that hilarious comedy, "The Late Christopher Bean," written by Sidney Howard, members of Santa Barbara State's Players club will take the stage tomorrow night at 8:15 p.m. in the College auditorium.

Bill Hoyt, senior class president and former editor of El Gauchito, as Dr. Haggett, and Theda Call, freshman student, as Abby, the maid, will hold the lead spots in the performance, directed by Mrs. Marie June Davis.

Clubs Aid on Play-Day

Frats, Sororities Work with Estudiantina Chairmen

With a least 400 high school and junior college guests arriving Friday for the annual Estudiantina, all campus fraternities, sororities, and clubs are planning to aid student body chairmen in the day's festivities.

Sororities Serve

Members of Gamma Delta Chi, Alpha Theta Chi, Tau Gamma Sigma, and Delta Zeta Delta will aid in serving the beach barbecue, with Beta Sigma Chi serving coffee, and the Anacapa Club, Sigma Alpha Kappa and Tau Omega helping in table arrangements and in the building of fire pits. Gamma Sigma Pi actives will guide a student parade from the campus to the beach following the inspection tour of the school.

Other organizations preparing to participate in entertaining the visiting students include Las Es-puelas, Gavel and Key, and Alpha Phi Omega.

Feature Swimming Races

Beach play-day chairman, Nan-cye Clapp, Doug Oldershaw, and Harold Sanderson, announced that events of the afternoon would include 50-yard swimming dashes and relays for both men and women; novelty team races for fraternities and sororities; a water polo game for college and high school women; a freshman-sophomore tug of war and open games of volleyball, baseball, horseshoes and shuffle-board. If present plans are successful, all winners of the swimming and relay events will be presented with prizes at the closing bonfire gathering.

All State students wishing to attend the free beach barbecue may obtain aickets from Estudiantina table, under the umbrella on the gym lawn today and tomorrow.

The program is scheduled to start at 12:30 p.m. with registration in front of the auditorium, to be followed by an assembly featuring Fred Lambourne's Collegians, the Women's glee club, and the Cummings and Powell dance. Bill Hoyt, senior president, will act as master of ceremonies. A short tour of the campus will conclude the campus activities.

Seniors Prepare Vaudeville

Preparations for the senior show to be presented May 18 are being speeded up with the aid of a highly talented group. The program, consisting entirely of senior talent, is an annual spring entertainment.

The personnel includes a thirteen piece orchestra, a pair of star dancers, four dramatists and an artist. The orchestra is of campus selection with no definite organization represented. The dancers are Dot Taylor and Olive DeMotte. The drama will consist of a short skit "The Farmer's Daughter" with Bill Hoyt, Don Follett, Allen Neil and Johnny Twaddell. Allen Neil will furnish the art work for the occasion.

Music for the orchestra includes Benny Goodman's arrangement of "Stardust"

Solly Baiano, of the casting office of Warner Brothers Pictures, at Burbank, will be present at the play, to scout talent.

In the supporting cast, Kay Stock will take the part of Mrs. Haggett, the country doctor's wife. Mabel Forsyth and Lillian Shanahan will appear as her daughters, Susan and Ada. Ferdie Davis, as Warren Kreamer, is slated as the young man in love with Susan.

Other members of the cast include Orville Morrison, as Tallant; Jim Lyons as Rosen; and Bob Scalapino as Mr. Davenport.

The plot is based on a few dirty canvases left by "The Late Chris Bean," a painter, in payment of a bill owed Dr. Haggett, a New England country doctor. The interest revolves about the visits of friends, and even New York art critics, who center their attention on these supposedly worthless pictures.

The true value of the paintings is discovered, and the riotous scramble that ensues brings the drama to a climax, packed with action.

Orville Morrison is the only old-timer on the bill, having several former appearances in college plays here to his credit. Elbert "Fuzzy" Phelps is supervising publicity and details for the club.

Industrialists Hold Second of Noon Dance Series

The second noon dance, of the series sponsored by the industrial education department, will be held today in the Music Hall with a student "swing" orchestra providing the rhythms.

Last week's opening mid-day hop featured the music of Phyllis and Mel English, Dick Waterman, Ronald Cray, and Nathan McCray, with about 75 couples enjoying the affair.

Under arrangements made by Walter Allman and John Ingram of the I.E. department, there is no charge for the dancers, with all members of the student body being invited to attend. Dancing begins immediately after fifth period and continues until 1:00 p.m.

John Ingram, social chairman of the department, will act as master of ceremonies in charge of the noon dance today. Students playing in the orchestra contribute their time each week, with many college musicians planning to aid in future dances.

BILBAO HOLDS OUT

For dramatic and sentimental reasons Fascist Mola, under-stooge to Franco, announced that he and his boys would be in Bilbao last Sunday, the anniversary of something or other dear to the Fascist heart. But the Basques stoutly resisted him and he is still knocking at the gates of the city. It is very difficult to know whether the city will be able to hold out or not. According to early reports Madrid was just on the verge of falling last November. It still stands in the hands of the government.

The Estudiantina Approaches

Friday afternoon of this week, Santa Barbara State college will again be hosts at a high school-junior college play day, the Estudiantina, with the purpose of showing the visiting students our campus, and our city, and in addition, a good time at a beach carnival.

With the aim of attracting new members to our student body in coming years, it is of no little importance that all loyal Staters do their utmost to aid the sponsorship of this annual affair. Actual participation in the committee duties of the day is not the whole answer. This aid can come in varied ways from every student. Without a friendly student body to greet the visitors, and particularly those from the "old home town," the Estudiantina will fail. Lists of the schools invited have been published, and any additional information may be obtained by asking student chairmen of the day.

Service organizations, dedicated to the purpose of serving their institution, have their best opportunity to justify existence. Social organizations including sororities, fraternities, departments, and clubs can ill-afford not to take an active part in entertaining future Gauchos. The success which marked the first Estudiantina last year is proof enough that such a program can be of great benefit.

The entire affair has been in the hands of student body chairmen working under the guidance of faculty and administration heads. On Friday, that event will be yours as a college student body. Let's bring out that old tradition of being the friendliest campus on the coast, and back it with some of Santa Barbara's famous hospitality.

At It Again

An incident which took place several weeks ago comes to the front again, as students continue to record instances of petty thievery and general dishonesty. A gold-framed portrait, the property of a former college student and in the possession of an art instructor at the time, was stolen about the first of April, and has not been returned.

The thought alone, that students of college level would stoop to "lifting" a valuable painting, is repulsive. But the idea that students would take advantage of a three-minute absence of a professor to steal is decidedly alarming. Who can blame faculty members for refusing to trust any student?

This is, of course, not the first occurrence of it type, but, from the standpoint of value, is an outstanding horrible example. Smaller articles have disappeared frequently and have promptly been retrieved. It should not be necessary to call out the vigilantes to trace and punish someone for an act that while possibly intended for a joke, is regarded in an entirely different light by the victim.

If the few offenders at State, with their distorted sense of humor, are not made to realize the seriousness of their actions, the entire student body faces criticism and condemnation and an institution of padlocked possessions.

ment. Meanwhile, the Associated Press reports that 3000 Italians pushed on too fast and were cut off from their base and now are quite dead. Mussolini won't like that, as it belies his hypocritical snivelling that there are no Italians in Spain to his knowledge.

BATTLESHIP MYSTERY

There are only two capital ships in the Spanish navy, the Espana and the Jaime Primo. The Espana belonged to the Fascists and the Jaime Primo stayed with the government. They nimbly kept out of each other's way and would have lived to a ripe old age in the ordinary course of events. But something happened a few days ago. The Espana went to the bottom. The government claimed that they had dropped a 210 pound bomb down its funnel from an altitude of 9000 feet, a most remarkable bit of romance, even if true. Promptly, the Fascists claimed that no such thing had happened and claimed the credit of sinking their own ship by a mine. Nobody seems to know, but it has started the old argument of airplane versus battleship. The one certainly is that the Espana roasts on the floor of the ocean.

Club Acrobats Win Crowd Acclaim

"They flew through the air with the greatest of ease" and put on a hit gymnastic performance. That is to say, the Gym club of Santa Barbara State, in presenting its Gym Jinx to nearly four hundred people last Friday night, April 30, in the college auditorium, scored a huge success.

Carlos Lozano, treasurer of the newly formed group of acrobatic enthusiasts, announced that around 50 dollars was taken in from paid admissions, the profits from which will be applied to the purchase of club uniforms and pins and the giving of a party for all members.

So successful was the Jinx that repeated performances have been requested by the local high school and the Mono camp of the CCC. The show at the high school will be given next week in the school auditorium and the repeat for the CCC boys will take place tomorrow evening. Transportation to and from the camp will be provided for the gymnasts and a dinner will be tendered them there.

Dr. Elmer Noble, sponsor of the Gym club and one of its star performers, states that because of the enthusiastic reception given the Gym Jinx by townspeople, students, and faculty members, every attempt will be made to present the show annually. There is an intimation that next year the club may participate in some collegiate gymnastic competition.

Radio Ranglings

Here are some keyhole notes.... Well, it is finally settled about the date Glen Gray and his Casa Loma band comes to the Palomar. He will come the 26th of the month and Ted Fio Rito will leave and go to Texas by various routes. Peewee Hunt and Kenzie Sargeant will also be with the group. You should remember them from the Caravan program. The group will broadcast nightly over KNX and KEHE....

Hal Kemp says that colleges not only set the vogue in dance trends, but they also furnish personnel to many of the better orchestra leaders. The college bands are usually the ones that become the nationally known bands later in their career. Some examples of this are Rudy Vallee's Connecticut Yankees, Fred Waring's Pennsylvanians, Ozzie Nelson's orchestra, and Kay Kyser besides Mr. Kemp. According to Mr. Kemp more and more colleges and universities are helping their students to prepare for careers like this.

One example of this is the University of Wisconsin which started a student night club, with music and floor shows furnished by student musicians and entertainers. This idea not only gave entertainment to its students but gave inexpensive entertainment to the rest of the students. The university of Iowa has taken up the idea and other universities are rapidly starting in. It might be a good idea for our campus—what with the talent shown in the Roadrunner Revue... Remember to listen to Jessica Dragonette, Gladys Swarthout, Ken Murray, Fred Allen and Hit Parade tonight.

The Chimney Sweep

By WESTAWAY

The Hay Hoe-Down dance at Cerca Del Mar, in the opinion of almost everybody, was the most enjoyable and the most fatiguing dance of the year. Some of the faculty were wishing they had come protected with shin guards.

The new grunt and groan champion, John Twaddell, won his match Monday night at the same time as the intramural basketball championship game was played.

Jack Salyer had a little difficulty Saturday night—he had several flat tires—one was on his automobile. How many pounds did that weight weigh Dorn, how many? David Jones looked very pretty with his corsage at the Delta Zeta tea.

Rosalind Rawicz's reason for going south so often came up last week-end to celebrate her birthday with her. Why was Wilson Pollard so popular at the Hoedag? Alice Freeman didn't like being set down on cactus outside the balcony. A beautiful sight—the girls trucking around the May pole. What kind of a dance was that which Shep Lee was doing at the Hoedag—it looked like a Siamese ritual dance.

The girls seem to have no competition at the Wednesday noon dances; let's have more of the weaker sex there.

Frank Merideth hitch-hiking a ride home from an initiation hell-ride was picked up by a truck carrying stolen goods. Besides being initiated that night he also rested in the hoosegow until he proved that he was an innocent pledge. Dick Saxe had a date with Winnie Snasdel for the Hay Hoe-Down and another one at two o'clock with a blonde; but the latter date never materialized. Gauchos Lose Two Games to Redlands

Putman Pitches Bulldogs to Win As Gauchos' Title Hope Dims

By TED HANLEY

Coach Spud Harder's scrapping horsehiders dropped a pair of heart-breakers to an inspired Redlands team in a doubleheader on the Bulldogs' home field last Saturday. Losing the first seven inning tilt by a 1 to 0 score, the Gauchos went out after base hits in the second game and, up to ing nine runs scored. In the seventh, ing nine i rus scored. I the seventh, however, Coach Cunningham's pit dogs came through to tie the score at 4 to 4, forcing the game into an extra inning.

First Game 1-0

In the first game, Jim Putman of Redlands, who had pitched rather ineffectual ball against the Gauchos in the game played here last March, displayed tops in hurling ability to hold the State players to three hits. Tight infield work on the part of the Bulldogs prevented any of these hits to mature into runs. Lloyd "Shires" Erhard, on the mound for the Gauchos also pitched heads up ball, holding the opponents to six hits. Redlands' sole run came in the fourth inning, when Putman singled and was scored by a double from the bat of Weeks, Bulldog outfielder.

Murray Homes

Erhard, pitching four innings in the second game in addition to his seven in the first, scored first for the Gauchos i the late game. He reached the first sack on a Redlands' error and came in a few minutes later after a hit by Young. "Sleepy" Morris brought in another tally in the fifth after having reached first base on a fielder's choice. Bobby Murray picked one out to his liking in the sixth and hit a home run into right field. "Buzz" Busby added another run to the Gaucho score in the same frame, having been issued a free pass to first by pitcher Nicholson, bringing the total runs to four.

Redlands started scoring in the fifth inning when McKinnek, who had walked, crossed the plate. Weeks scored again for the Bulldogs in the sixth and Pierce and Riley tallied in the seventh.

Stalmack, Yeager, Gray and Gibson Win Points for Staters

By TED JOHAM

Standing the crowd of local fans on their feet for the second successive year in the same event Howard Yeager led the field of entrants to the tape last Saturday in the Santa Barbara Open meet to win the low hurdles in the fast time of 24.2 seconds. The meet was held in Peabody stadium before a large crowd.

Yeager took the lead at the beginning and held it during the entire race while his teammate, Ray Stalmack, was off to a slow start and had to put on a terrific finish to cross the line a close third.

The Gauchos as a team scored 10 points to finish behind the U.S. C. freshmen, who won the team standings from Pasadena J.C., San Jose State, and Whittier. The Trobables brought a strong team north with them and although they won first place in only three events, the 440, high jump and mile, they always had a man good for a second or a third.

Gauchos in Shape

Several of the Green and White athletes performed in such a manner as to serve warning on the rest of the conference teams that they are now in top shape. Wells Gibson ran into a third in the open 440 which was won by Taylor of Troy in 50.1 seconds. Gibson finished in 50.5.

A meet record went into discard in the 120-yard high hurdles when Jack Humphery, running unattached, stopped the clocks in 14.5 in his heat and 14.6 in the finals. Bill Gray, Gaucho timber topper, finished fifth but was given fourth on the disqualification of one of the place winners. Gray, who holds the school record of 15.1 in the highs, was timed in 14.9 seconds to be the first truly local product to break 15 flat in this event.

Records went overboard in the 220, two mile and high hurdles and another was tied in the junior college 100. Norman Bright clipped more than 11 seconds off the two mile grind

Anacapans Win Intramurals

Gamma Sigs Drop Championship Game

Continuing where they left off with the faculty when they were under the guise of Seniors, the Anacapa club Monday night cinched the intramural basketball championship by winning a 41 to 16 game over the Gamma Sigma Pi fraternity. The winners will be presented with medals as a reward for their efforts in helping to make the present interclub hoop season a success.

The Anacapa "monsters" took the lead at the start of the game and held it throughout. At times, however, it was hard to tell whether the contest was a basketball game or a free for all "rasslin" contest.

Fred Monson was high point man of the affair with 16 points, while "Barrel" Twaddell, team manager, accounted for six digits to completely floor the spectators with amazement.

What the fraternity boys lacked in team play they made up in willingness to mix it up with the House athletes. Several times the affair developed into rough and tumble, but neither side showed signs of sore headedness for

throughout the encounter there was the spirit of friendly competition prevailing.

The "monsters" were superior to the Gamma Sigs at all stages of the game especially in the first half and third quarter when the winners scored most of their points and held the losers almost scoreless. The last quarter brought a reverse of form in the game, for the fraternity lads competed on even term and matched the clubbers just about point for point.

The win put the Anacapas beyond reach of any of the other teams entered, although if the Sophs get together and win their remaining games they have a chance of tying the leaders. The defeat put the Gamma Sigs out of the running, but they still have a firm hold on the runner up position.

Showing a marked improvement over their previous performances the Frosh track team yesterday won the third dual meet with the local high school by a 65½ to 47½ score in the Peabody stadium.

Bill McArthur again assumed his "iron man" role by competing in the 100, 220, high hurdles, low hurdles, broad jump and then topped it off by running a fast third lap on the relay team. Again as last week the Gauchitos captured first in all of the running events except the long one.

Jones, Kellogg and Russum Become Pledges of Gamma Sigma Pi

Three students were inducted as pledges into the Gamma Sigma Pi fraternity at the home of Clifford Romer, 906 West Mission street following the intramural championship basketball game at the Community Center. The three pledges who took their oath were Mark Jones, Edward Kellogg and Olin Russum.

Gamma Sigma Pi adopted a pledging system which lasts only four weeks. This system is run by a merit procedure; the merits and demerits will be tallied up at the end of the period. Pledge captain David Jones gave instructions to the neophytes.

At the regular business meeting the members unanimously agreed to assist in building the bonfire for Estudiantina. Plans for organizing the Estudiantina parade were discussed in detail.

Eight men were formally initiated by Beta Sigma Chi, social fraternity, at a meeting held Monday night at the house on Cheltenham Road.

Ferdie Davis, Blanton Clark, Carlos Bee, Dick Hawley, Frank Meredith, Charles Edwards, Nate Johnson, and Gibby Martin were officially made members.

Following the initiation, a short business meeting was held, during which plans for the formal dance were discussed. Leo Butts, social chairman, will be in charge of arrangements.

Julius Langlo, intramural manager, requested the cooperation of the members in presenting Estudiantina this Friday.

Tau Gams Arrange Final Plans for Annual Formal
