ONE COUPON

Fotech One Hour Color Labs, and Fotech Studios are divisions of Fotech Color Labs.

We Make Faces All Day!

Fotech Studios • Self Portrait

Fotech employees make faces all day long. Sometimes they make funny faces, hairy faces, loving faces, multiple faces, or even angry faces. But most of the time they make happy faces.

Can they make some faces for you?

"With Fotech coupons I can't afford to take my film any place else."

Normally Fotech film processing is more expensive than the UCen or supermarket discount outlets. There's a good reason for that. The discount places send their film to L.A. for "batch" processing with thousands of other rolls of film. At these discount prices they can't afford to give your film the kind of care you routinely get at Fotech. Low priced labor, budget materials and overnight pressures affect their quality.

With the coupons on this page you get Fotech individual quality and have them in one hour too.

Use A Camera...

Go To **FOTECH!**

*That's The Law**

*The Law of Good Sense

Fotech Studios Video Controlled Portraits

The photos in this ad were taken in Fotech's video controlled self portrait studio. For only \$14.95 you get 12 different poses. You keep the 12 proofs, and you get the 12 negatives too. It's easy and fun. No appointment necessary. (Only at Goleta store).

Have YOU been in an ACCIDENT?

Are you experiencing:
 ■ Neck Pain ■ Headaches ■ Blurred Vision
 ■ Nausea ■ Numbness ■ Dizziness

Insurance companies pressuring you to settle?
 Medical Doctors say you're not injured?
 Think you haven't been injured because you're not in pain?

SEE DR. MARK DUELL BEFORE YOU SETTLE!

You could have suffered whiplash, an injury which insurance covers, but may go undetected.

A CHIROPRACTOR CAN DIAGNOSE AND TREAT WHIPLASH EFFECTIVELY AND, CHIROPRACTORS ARE RECOGNIZED AS "EXPERT WITNESSES" IN A COURT OF LAW. FACTS:

1. A whiplash injury can take weeks or even months to cause pain.
2. A chiropractor has been trained to detect a whiplash before it causes pain and discomfort.
3. It is not necessary to be in a major accident to sustain a whiplash injury.
4. A whiplash injury is not something to be dismissed lightly, often agonizing pain develops, severe headaches and decreased mobility of the neck.

WHIPLASH IS A SERIOUS, PAINFUL INJURY. BEFORE YOU SETTLE, RULE IT OUT THE ONLY LOGICAL WAY — SEE A CHIROPRACTOR.

If you are taking pain killers, you are covering up the pain, and the pain will usually return. If you have been unable to find long-lasting relief from pain, I urge you to try chiropractic.

This examination will include an orthopedic test, a neurological test, a spinal alignment check, and a private consultation with your doctor. If X-rays or other tests are needed to arrive at a diagnosis, you will be advised of any costs before proceeding.

WORKERS' COMPENSATION AND MOST INSURANCE COMPANIES COVER CHIROPRACTIC CARE TO POLICY LIMITS.

Hi, I'm Dr. Mark L. Duell, Sr., Doctor of Chiropractic. Perhaps gentleness in chiropractic is a new concept to you. It was to me before I began the six years of college training necessary for my doctorate degree. During those years I learned the precise locations where high pressure can bring chiropractic relief to pain.

In addition to my doctorate, I have a bachelor's degree in Human Biology. Since college I have completed courses in Activator Nutrition and X-Ray. Even now I devote three days every month attending a nationwide seminar on chiropractic.

DR. MARK L. DUELL, SR., CHIROPRACTOR
