MIDNIGHT DREARY

You're a Business Major cramming for an English Lit exam. It's late and you're cranky. You keep thinking, "How the heck is the damn 'Raven' gonna help me land a job on Wall Street?" You get angry. So you call Dad to vent. He helps you understand the importance of it all. Then he yells at you for dialing zero to call collect. Quoth the father, "Nevermore."

 PRESENTS
YOUR DAILY HOROSCOPE
 BY LINDA C. BLACK

- ★ **Aries (March 21-April 19).** This is an excellent day for you. Love, travel and romance are all favored. Unfortunately, it's a weekday, and you may not be able to devote as much time as you'd like to those pleasures. Luckily, the same conditions are in effect all night!
- ★ **Taurus (April 20-May 20).** This morning, it might feel as though invisible forces are blocking your every move. So take it easy. Don't let your mate do the grocery shopping today, unless you're made of money. You might end up with the brie instead of the Monterey Jack.
- ★ **Gemini (May 21-June 21).** You will probably wake up in a cheerful mood today. Concentrate on finishing the worst job on your list. At least one friend is also going to be in a marvelous mood this evening. Get a group together and go do something slightly outrageous.
- ★ **Cancer (June 22-July 22).** Don't let a co-worker talk you out of your money today. A gamble may be better for the other guy than it is for you! Settle into a comfortable routine tonight and you'll save even more. Live shows and sporting events should be particularly entertaining.
- ★ **Leo (July 23-Aug. 22).** This morning's the time for meetings and phone calls. Get all that stuff out of the way and you may be able to take off early. Your thoughts are going to be with your sweetie, and on the fun and games you've planned. Don't forget a job that must get done!
- ★ **Virgo (Aug. 23-Sept. 22).** To master this phase, you need to believe in yourself. Today, imitate the most self-confident and creative person you know. The exercise will help develop your own talents! Don't let a bureaucrat find anything to complain about. Do the job right the first time.
- ★ **Libra (Sept. 23-Oct. 23).** Call your friends this morning. You could get some really interesting gossip. Don't spread it around, though. It's a fine evening to try something you've never done before. You could begin with a new restaurant and see what develops from there!
- ★ **Scorpio (Oct. 24-Nov. 21).** Your boss could get a little overbearing today. Try to be a good sport, even if you have no intention of complying with a ridiculous request. Your sweetie may also want more than you're willing to give. Don't spend money; do allow more freedom.
- ★ **Sagittarius (Nov. 22-Dec. 21).** Most likely, you can hardly wait to get on the road. Don't play hooky, though. If you can't make an appointment, at least call and cancel. All decisions after noon should work out well for you. Include your sweetie or best friend in your plans.
- ★ **Capricorn (Dec. 22-Jan. 19).** A friend may have financial problems this morning. If so, you may be able to help, by buying something you need anyway. Don't gamble on a sporting event tonight, at least not against your sweetie. That one's hunch is more likely to be right!
- ★ **Aquarius (Jan. 20-Feb. 18).** If you work with a partner, you'll probably get what you want. Speaking to a large group will be effective, too. People will be in the mood to play, so hold off on the complicated explanations. Instead, let yourself get swept up in the fun!
- ★ **Pisces (Feb. 19-March 20).** You may be irritated at your imagined lack of verbal skills. Don't worry, you're excellent at a job that requires patience and understanding. If you have to defend a friend at work, you may even surprise yourself. Don't let a bully push either of you around.
- ★ **Today's Birthday (Dec. 11).** Take on a big project this year, you'll be up for it. Set goals by the end of December. Get involved in a program to improve your job skills in January. Do it, even if you're worried it'll be too hard. March could be difficult too, but it's a good time to make domestic plans. Utilize a roommate's experience. Travel as far as you can next August. That's a good time for a wedding and honeymoon, too.

Are you ready
for a great
adventure?

- You don't need to leave Santa Barbara for what might be the best college experience you've had so far...
- Orientation Programs is offering dynamic and rewarding spring and summer employment (April - August).
- An opportunity to be paid while developing important professional skills in a job that makes a difference.

The Job:

Orientation Programs is looking for a diverse group of highly motivated individuals who want to work hard and have a good time. Twenty-four positions are available for UCSB students who want to reach out to new students and their parents during Summer Orientation to make them feel comfortable at UCSB. Because we believe that the composition of the student staff should reflect the diversity of our campus, we are actively seeking applicants from a wide range of backgrounds, ethnicities, experiences, interests, and majors.

The Benefits:

Develop professional skills in leadership, public speaking, organization, academic advising, public relations, teamwork and issues awareness. Orientation Staff members work April - August and are paid \$6.25/hour during spring quarter (15-20 hours per week) and \$6.75/hour during summer sessions (full-time). Staff members are also provided with all meals during summer working hours.

The Details:

Applications available now at the Orientation Office (Bldg. 427), Campus Activities Center (3151 UCen), and both EOP offices (Bldgs. 406 and 434). Applications are due January 19. All applicants are **required** to attend **one** of the following Information Meetings:

Friday, Jan. 5	5:00-6:00pm	Isla Vista Theater #1
Tuesday, Jan. 9	5:00-6:00pm	Isla Vista Theater #1
Wednesday, Jan. 10	5:00-6:00pm	Isla Vista Theater #1
Thursday, Jan. 11	5:00-6:00pm	Isla Vista Theater #1

For more information, call Orientation Programs at 893-3443.

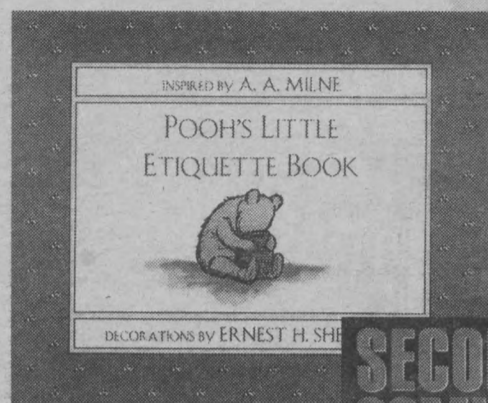

Special arrangements to accommodate a disability may be made upon request for Orientation programs, activities, and printed materials.
