The 1st Annual

Daily Nexus

A graphic for 'BEST OF UCSB' featuring a globe in a banner that says 'Daily Nexus' and the word 'LIFESTYLE' at the bottom.

Readers' Poll RESULTS

"Best Of" lists can tell you a lot about people. You can learn their pet peeves, how they attract sexual partners, even bits about their emotional, spiritual and intellectual well-being. You can also find out if it's true what they say about American college students and their ability to read and write. It is.

Today's First Annual Daily Nexus "Best Of" issue deals primarily with foods and services, but we've thrown in a few other, non-traditional topics to liven up the mix.

Sorry, but we did not have the space to publish some of the responses, especially those that appeared to have been thought up by cavepeople. You people get up and find a job!

We received more than 200 responses to this poll, and for that we thank you. And we thank those people who took the time to stuff the ballot for their category of choice, those who filled out a ballot full of nonsense simply because there was nothing better to do, and those who listed Borsodi's as their favorite coffeehouse. Thanks.

And hey — to the several dozen people who wrote that condoms at the Student Health Service were free: When was the last time you picked up some condoms?

See ya later,

Enos Cabell

Best Kept Secret on Campus

"Elvis lives with Babs and they get naked and dance to 'Soul Train' together"

While there are certainly many secrets on our campus, the readers' poll found that many in the community have quite a bit of dirt on Chancellor Uehling, and secrets about her dominated this section. Chancellor, what have you been hiding from us? However, this being a family, advertising-related section, X-rated responses were frowned upon. Herewith, then, are some of the campus' best-kept secrets:

- There are cots in the Library's 2nd floor women's bathroom*
- The Loch Ness monster is in the lagoon*
- The UC manages the production of every U.S. nuclear weapon*
- Date rape*

- There's a hunchback in Storke Tower*
- Storke Tower is really an MX missile silo*
- Jerry Pimm wears a toupee*
- The bathroom on the east side of the library*
- KCSB*
- Taking LSD at the lagoon*
- The Storke Tower tours*
- Tide pools*
- The micro computer lab*
- The movies in Sociology 152*
- You can watch old movies in Kerr Hall*
- Devereux Point*
- The cleanliness of Campbell Hall's bathroom*
- The library bus to UCLA*
- The Women's Center Library Engineering II*
- Community Affairs Board*
- UCSB's architecture sucks*
- Chlymidia*
- Sfumato: The Art Club*
- Food prices at the Annex*

This is unbelievable! What can we say? We're in shock! Pass the smelling salts, I mean, never in our wildest dreams could we have anticipated such an honor. It's simply staggering. It really is. What can we say? We're paralyzed. To think that a humble little record shop, named in 1969 after a flower whose seeds have psycho-active properties, would find itself, in 1990, at this very apex of mercantile accomplishment. It's unfathomable, and it's all because of you, the kind and gentle souls of the UCSB community who, in your infinite goodness, saw fit to take our modest little store under your wing. We're all choked up. We're losing it. What can we say? I mean, as if the pleasure of serving you all these years hasn't been reward enough. And now **THIS!** It's really all too much. How can we even begin to thank you. Lower prices? You got it. Starting next week, lower prices on hundreds of titles. We're delirious. What can we say?

Best Excuse for Not Graduating in 4 Years

"I didn't know I
couldn't take my
major classes pass/
no pass"

A third of us don't do it when we're supposed to. Graduate in four years time. The readers' poll found some reasons why:

Whatever is next is worse

Comm major

Undergrads took up class space

Too gnarly

Pregnancy, AIDS, and being a KKG

Been at city college for five years

I suck

My dog ate my transcript

Can't fulfill English requirement

Because five is an even number

Couldn't get the tar off my feet

Refuse to take 8 a.m. classes

To spite parents

Fell in love with a lazy person

Too much vomiting

Changed majors

Too many NPs on report card

Haven't spent all of dad's money yet

Took a quarter off to learn how to juggle

Fear of work

I was finding myself

Well, gee, I kinda like it here

Had a 1.0 GPA and 9 units after freshman year

The registrar fucked up

Working

Haven't selected a major yet

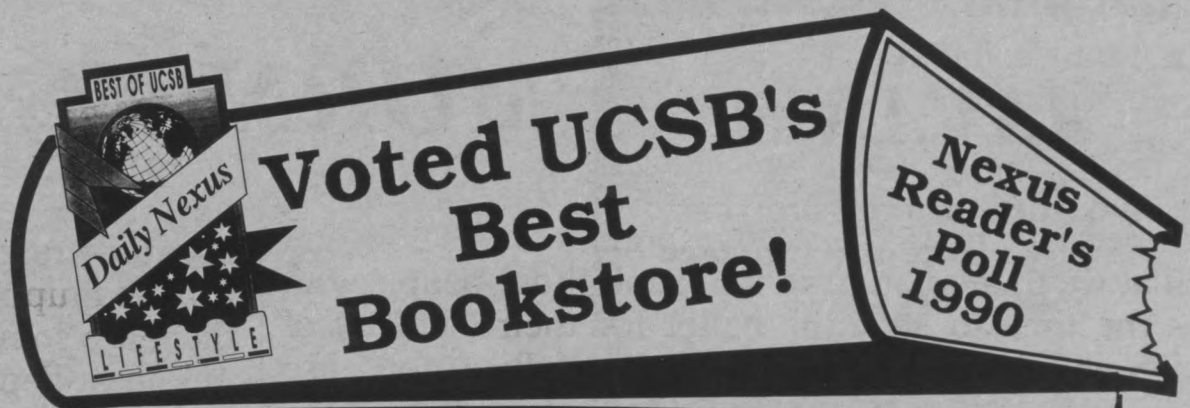

Having a baby

Bong hits

What? We have to graduate in 4 years?

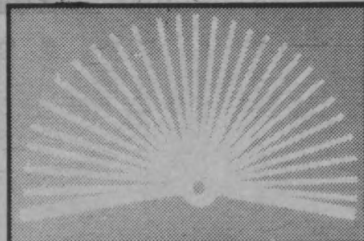

Just couldn't make it, bud

Double-majoring

Best Line to Get a Woman/Man in Your Bedroom

"I haven't had sex in the past 15 years and I'm sterile"

For many it's a tough maneuver — getting a man/woman into your bedroom for the purposes of well, you know. Unbelievably, a majority of respondents relied on the old "Do you want to see my fish tank" line, although there were many, many others:

- There's no place to sit in the living room*
- Want to see my tattoo?*
- Do you want old tests for that class?*
- Did you know I own a pair of handcuffs?*
- Come see my ceiling fan*
- Care for some tube steak?*
- Here's a picture of me when I was in high school*
- Recite Marvell's "To His Coy Mistress" in its entirety, by heart*
- I'm a rock star*
- You gotta see it to believe it*
- Come on, I'll show you Bob (Marley)*
- What's your major*
- I've got FUDGE!*
- You're more electric than a lead guitar*
- You have beautiful breasts*
- I'm a long, tall candle with a burning wick*

- I'm not in a fraternity*
- Could you give me a back rub?*
- I really like your big mind*
- Just lie down on this bed and tell me it isn't comfortable*
- Can you fix my bed frame?*
- I've got some beer in the fridge in my room*
- Come to my place — I have frozen burritos*
- The bong's in my room*
- I torched the bank in '71 — come over and feel my heat*
- Your cake is so fluffy, everything about you is so fluffy*

Best Reason to Miss Class

"Terrorists hijacked my car"

We do it all the time, often for no apparent reason. The readers' poll, however, sought to find out why it is that people miss class. Although a majority said "sleep," here are some selected responses:

- I had a screw taken out of my shoulder
- Sex!
- It isn't a final
- Class is the point of a college experience?

- Watching "Gilligan's Island"
- Political activity
- Good, green buds

- Girl/boyfriend wouldn't let you out of bed
- Weeknight keg
- Get notes later
- Hungover
- Morning sickness
- Organizing "Brady Bunch" card collection
- The Pub
- Need to catch up on studying
- Sex, drugs, and rock 'n' roll
- Went last time
- Playing volleyball

Best Word for Vomiting

"Chopping broccoli"

We've all done it, you know, vomit. But there must be a better term for it. A majority decided the fairly mundane "booting" was the best choice, and here are some selected others:

- Blowing breakfast
- Tossing a psychedelic pizza
- Launching a bolus
- Chunking Mulligan's stew
- Cactopussing
- Resurrecting
- Yelling at your shoes
- Technicolor yawn
- Ronald Reagan
- Tax time
- Chipping
- Hacking up a lung
- Delivering street pizza
- Kissing (or hugging) the porcelain god
- Throwing chunks
- Bogus chunks
- Nexusing
- Shouting Europe
- Yacking
- Talking to the man in the big white telephone
- Spew
- Blow Chow

WOODSTOCK'S PIZZA IS #1

What our loyal customers have known all along is official. Woodstock's is the BEST!! We would like to thank Isla Vista for voting us to this honor. We appreciate your business and loyalty and know that without you, we would be really bored.

When we knew all along that we have the best pizza in town, it's good to hear it from the masses of pizza connoisseurs. But fear not, being voted #1 won't go to our heads. We will continue to prepare all ingredients and dough fresh every day, and to be open for delivery and pick-up or in-house orders from **11:30 am - 1:00 am Sat.-Thurs. and from 11:30 am - 2:00 am Fri. & Sat.**

We at Woodstock's are very proud of our product and will use only the freshest, highest quality ingredients to insure the customer gets the best possible product. Woodstock's will never skimp on toppings like other places do. Instead we will continue to pile on stuff with reckless abandon. Why? It's not our money! Who wins? You do.

So, whenever you're in the mood for the **BEST** round hot food in town, **WOODSTOCK'S** is the place! Call for delivery or pick-up, or stop by our uniquely I.V. atmosphere dining anytime. Don't forget, **We deliver lunch from 11:30 am on!** We also have slices from 11:30 am - 3:00 pm. Happy Hour 7-9 pm Every Night!
