CARPINTERIA, CALIFORNIA, FRIDAY, SEPTEMBER 23, 1938

NUMBER 30

Firemen's Auxiliary To Fete Convention Delegates

An elaborate program has been planned by the Carpinteria and Summerland Auxiliary to the Fire Department for next Tuesday afternoon at which time they will be hostesses to delegates to the Auxiliary state convention in Santa Barbara which is to be held in conjunction with the California State Firemen's Association convention.

Some 150 delegates to the convention will leave Santa Barbara at 1:00 p. m. traveling through Montecito and via Foothill Road to Carpinteria to the Veteran's Memorial building where luncheon will be served and a program presented by the local auxiliary. Luncheon arrangements are in charge of Mrs. Steve Granaroli of Summerland and the following program has been arranged by Mrs. Howard Irwin of Summerland:

Piano solos, Fred Greenough; Miniature Fiesta program of Spanish songs and dances to accompaniment of violin and guitar, presented by Mrs. Faye Porter's Fiesta Troubadors of Santa Barbara. A brief talk by Mrs. Isobel Fields of Montecito; Dancing numbers presented by Miss Doris Smith and pupils of Santa Barbara; Japanese dance by Nancy Heltman and Lila Linkey of Carpinteria; Reading by Mrs. Corjola of Montecito; Vocal selections, "Down Here," "To a Hilltop," and "Break o' Day," by Neil Cooper, contralto of the Los Angeles Opera Company and vice-president of the Civic Opera Company of Seattle, Washington; vocal selections, "Pe Quiero Dijiste," and "Spirit Flower" by Larry De Ruiz who was formerly heard over Santa Barbara and Los Angeles radio stations and is now concert singer on the Federated Women's Club program; Marionette Show, "Martina and Perez," Porto Rican folk tale, presented by Miss Ann Sohn of Santa Barbara.

FIREMEN TO ASSIST AT CONVENTION

Members of the Carpinteria and Summerland divisions of the Fire Department are looking forward to the Convention of the California State Firemen's association which will be held in Santa Barbara next week. Registration will open on Sunday at the Barbara hotel and the \$1.00 registration will entitle members of the association in good standing to attend the Gay Nineties Ball on Monday night, the Firemen's Ball on Tuesday night and the Barbecue Wednesday afternoon.

On Wednesday evening a demonstration of fire fighting methods will be given to the public at Laguna field and the comedy touch will be injected by members of the

(Continued on page 8)

REGISTRATION DEADLINE NEAR

All persons who did not vote at either the primary or general election in 1936 or who have been in the State of California one year, the county sixty days, and the precinct 40 days and have not yet registered are urged to do so before the 29th of the month so that they will be able to vote at the November election.

There are many amendments appearing on the November ballot which deserve the attention of every person eligible to vote as well as the executive officers of the state to be elected. As soon as registration has been completed and checked booklets giving the text of amendments will be mailed to every registered voter and should be carefully studied as there are several measures such as the Garrison Revenue Bond Act, Pension Plan, Single Tax, etc., that should be carefully considered before ballots are cast.

BOY SCOUTS TO ENJOY OVER-NIGHT OUTING

Carpinteria Boy Scouts will enjoy an over-night outing at Matillja Springs, this evening, accompanied by Frank Wyckoff and James Kent. The group will return tomorrow morning in time for the corner-stone laying at the new grammar school building.

Delegates from the Carpinteria Auxiliary to the State convention which opens Monday and continues through Thursday in Santa Barbara are Mrs. Howard Taylor, Summerland; alternate, Mrs. Howard Irwin; Mrs. L. R. Carter, Carpinteria; alternate, Mrs. Emory Peterson.

Mr. and Mrs. Howe Deaderick and Mr. and Mrs. C. E. Bailard are enjoying a fishing and camping trip along the Rogue river in Oregon.

BOY SCOUT COMMITTEEMAN TO MEET TODAY

Arrangements have been completed for a Boy Scout committee luncheon to be held at noon today at Huber's cafe. Those planning to attend are Percy Houts, Jr., Dave Safwenberg, James Kent, Ray Denno, Merle Staub, Barney Kathman, Dr. J. B. Lape, S. C. Maddox, Dr. C. P. Moore, Frank Wyckoff and Dr. G. H. Coshaw.

JONES, MORRIS RE-ELECTED BY DISTRICT

One of the heaviest votes in years for directors for the Sanitary District was polled Monday when 115 voters turned out to return R. W. Morris and John E. Jones to the positions of directors and F. A. Hebel as assessor for the district.

The heavy votes was believed due to the fact that for the first time in a number of years there were three candidates for the two directorships. Morris received 115 votes, Jones 98 and W. H. James, the third candidate, received 24 votes. Hebel, who was unopposed, received 111 votes.

BROTHER OF LOCAL MAN HURT IN CAR CRASH

Charles Bobo of Santa Barbara, brother of Howard Bobo of Carpinteria, received painful head injuries Tuesday morning in an automobile accident which occurred on the Rincon. He was enroute to Los Angeles with his brother, George Bobo, when a tire blow-out caused the car to upset pinning him beneath it. He was brought to the office of Dr. T. M. Shorkley for emergency treatment by a Ventura ambulance and then taken to a Santa Barbara hospital for observation but was released later in the day. George Bobo escaped injury although the car was completely wrecked.

Corner Stone of New School To Be Placed Tomorrow

P. T. A. CONSIDERS CHANGING OF ORGANIZATION

The Carpinteria Grammar school P. T. A. met yesterday afternoon in the Veterans' Memorial building to discuss the advisability of continuing the P. T. A. organization or the changing of the organization into a Mother's club.

Mrs. Thyra Brown presided at the informal discussion and it was decided to appoint grammar school teachers as a committee to contact parents of children in each grade and secure their opinion on the matter. The teachers are to report at the next meeting of the P. T. A. which will be held on October 13th at which time definite action will be taken. Should the P. T. A. organization be abandoned it will mean that the local organization will have no State or National organization with which to coordinate its program and for this reason it is believed that many parents will be in favor of retaining the P. T. A.

At the conclusion of the meeting tea was served by Mrs. Frank Wyckoff, hospitality chairman.

CUB PACK OPENS YEAR WITH HIKE

The first activity of the Scouting year for the boys of the Cub Pack Two is to be an overnite trip this evening to the Wheeler Hot Springs, with Rev. Deane F. Babbitt, Cubmaster, in charge. Those already registered for the trip are Teddy Taylor, Billie Mays, Kazuo Mizukami, Billie Boren, Paul Armstrong, Bobbie Lane, Eberle Honeyman, Marshall Maddux, Felix Lee Moon, and Tommy Bowdon. The boys will return in time to be present at the new Grammar school corner-stone laying on Saturday afternoon.

Mrs. Merle Staub and little daughter are visiting at the home of her mother, Mrs. Ann Tygeson in Lancaster.

All residents of the Carpinteria Valley are invited to attend the dedication and laying of the corner stone of the new Carpinteria Elementary school which will take place tomorrow afternoon at 2:30 p. m. under the auspices of the Grand Lodge of Masons of California.

A special communication of the Grand Lodge has been called for 1:30 at the local Masonic Temple and Masonic officials and members of the Carpinteria Lodge No. 444 will form a procession and march to the new building at 2:15.

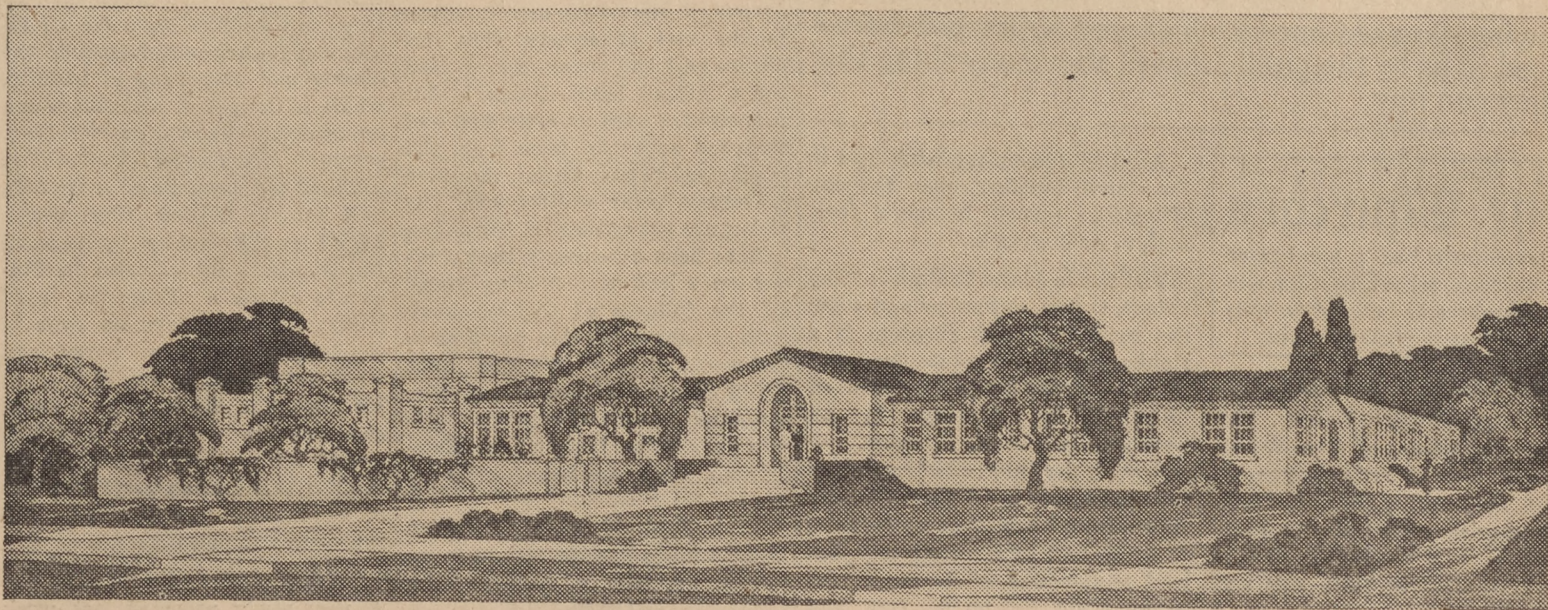

The dedication program will include two vocal solos by Mrs. Dorothea Kent who will be accompanied by Mrs. Jack Wullbrandt. Mrs. Dorothy Smith will play two violin solos. Past Grand Master, Rollie W. Miller, of Los Angeles, will then take charge of the ceremony and the address of the afternoon will be delivered by Grand Orator Warren G. Libby of Los Angeles.

Placed in the corner stone will be a history of the Carpinteria Valley, information concerning the faculty and student body of the school, copies of local newspapers and other papers and documents which will prove interesting to a future generation at some distant date when the growth of the community will make it necessary to enlarge and improve school facilities.

The laying of the corner stone will be another step in the growth of Carpinteria which has seen the completion of many civic and business improvements during the past few years which include the construction of the Veterans' Memorial building, the Aliso school, Woman's Club house and will shortly see erection of a new Community church near the Woman's Club house.

Attending the Legion convention this week as delegates from the Howland Shaw Russell post and auxiliary will be E. D. Solari, who will also represent the district; A. W. Horton, C. R. Vaughan, Mrs. A. W. Horton, Mrs. F. W. Thomas and Mrs. Marc Latham.

CORNER STONE TO BE LAID

Architects drawing of the new Carpinteria elementary school which depicts building as it will look when complete. Corner stone laying ceremonies will be held tomorrow afternoon at 2:30 under the auspices of the Grand Lodge of Masons of California.

TO A FUTURE GENERATION

A copy of this issue of the Chronicle is to be placed in the corner stone of the new Carpinteria grammar school building tomorrow. At some future date the documents so placed will be brought to light. Just when this time will come it is impossible to predict, but there is no question but what it will be so far in the future that many major changes in every-day life will have taken place.

No doubt when that day comes television will be as commonplace as today's telephones, airplanes will be a common medium of transportation, trains will speed across the country at 100 miles per hour, highways will be vastly improved but barring a major revolution and suppression of freedom of the press there will still be newspapers, both weeklies and dailies. Their forms may be greatly changed; in all probability they will appear in colors and carry a great deal of pictorial matter but their purposes will not have changed greatly from what they are today.

In other words, we believe that, whether it be twenty-five, fifty or 100 years from now, there will still be editors who feel as we do that the publication of a newspaper is a public trust and that as administrator of that trust it is our duty, particularly in the weekly field, to further the best interests of the community; to promote harmony; to publish only matter that is fit for even the youngest member of the family to read and discuss; to refrain from injecting personal animosity into the news or editorial columns of the paper and to avoid, at all costs, the use of these columns for personal gain through attacking the characters of others or attempted discredit to established institutions such as churches, schools, civic organizations or government.

These are the ideals for which we have striven in the publication of this paper and towards which we shall continue to work. We are not so foolish as to believe that great riches will accrue as the result of these policies but there is a personal satisfaction in knowing that we have endeavored to keep the trust placed in us by the public that is above any thing that money can buy.

The Churches

Carpinteria has a number of Churches, whose pastors and members will be glad to welcome you to their services.

CHRISTIAN SCIENCE SOCIETY

Christian Science Society, Carpinteria, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds service every Sunday at 11 o'clock a. m., Sunday School at 9:45 o'clock. Mid-week meetings every Wednesday evening at 8 o'clock.

A reading room is maintained in the church building, open Tuesday afternoons (except holidays) from 2:30 to 4:30 o'clock.

The words of the Psalmist: "Thy throne, O God, is forever and ever: the sceptre of thy kingdom is a right sceptre," constitute the Golden Text in the Lesson Sermon on "Reality" on Sunday in all Churches of Christ, Scientist.

Among the Bible citations in the Lesson-Sermon are these verses from Luke: "And it came to pass, when he was in a certain city, behold a man full of leprosy; who seeing Jesus fell on his face, and besought him, saying, Lord, if

Notice

Dr. J. P. Lape, who has accepted the chairmanship for the semi-annual Chamber of Commerce dinner on Wednesday, October 26th, has requested that Carpinteria residents mark this date on the calendars and keep this evening reserved for the dinner. Tickets will be placed on sale in the near future.

thou wilt, thou canst make me clean. And he put forth his hand, and touched him, saying, I will: be thou clean. And immediately the leprosy departed from him. And he charged him to tell no man: but go and shew thyself to the priest, and offer for thy cleansing, according as Moses commanded, for a testimony unto them. But so much the more went there a fame abroad of him: and great multitudes came together to hear, and to be healed by him of infirmities."

A passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, includes the statement: "Let discord of every name and nature be heard no more, and let the harmonious and true sense of Life and being take possession of human consciousness."

THE CARPINTERIA COMMUNITY CHURCH

Rev. Deane F. Babbitt, Pastor.
 Sunday, September 25, 1938.

Quarterly Communion of the Lord's Supper will be observed at eleven o'clock Sunday morning. An invitation is extended to all those who put their trust in Jesus Christ to participate. Christ is here with power to instruct the mind and to strengthen the heart. Those desiring to enter into the Fellowship of Christ will meet with the Board of Governors. Believing that the Church is so allied with her Lord that she is positively one with Him, Rev. Mr. Babbitt will present as the Devotional: "Complete in Christ." Colossians 2:10.

With newly elected officers in charge, the Youth Fellowship of Christian Endeavor will begin its new Fall Program in the McLean Youth Chapel at 6:30 o'clock. The theme, "Building a Christian Economic Order," will be directed by Miss Edith Van Meter. Youth of the Carpinteria Valley—you are at home here!

METHODIST CHURCH

Melvin J. Addington, Pastor
 Sunday, September 25, 1938.
 Morning worship: "A Full Dinner Pail."
 Epworth League: "David."
 Evening Worship: "Riches Without Limitation."

A false philosophy has been spread abroad that if you give a man a full dinner pail you have a contented individual, and harmless to the rest of society. The full dinner pail has never been a cure for a wicked heart. There is but one cure for such an individual and that has been the same from the beginning: "Jesus Christ, the same yesterday, today and forever." His riches are not exhausted. There has neither been a heavenly bank failure nor a lack of abounding grace. Of the fullness of God we shall neither exhaust in this world or in the world to come. We shall have a full dinner pail indeed mentally, physically, and spiritually. His powers are yet higher than those of man. His grace is sufficient indeed.

Wed., Sept. 28, 1938. "Christian Foundation": We invite you to an interesting view of the churches spoken of in the book of Revelation.

* * * * * Behind The Scenes In * * * * * American Business * * * * *

By John Craddock

BUSINESS—The war crisis overshadowed all else in the world of business last week. Stock markets here and in Europe gyrated widely as recurring waves of optimistic and pessimistic news emanated from Germany, Czechoslovakia, France and England. Prices of wheat, corn, copper and other commodities that would be vital in war rose briskly early in the week. Europeans scrambled to ship gold to America for safe-keeping. Meanwhile, in this country there was little evidence that scare headlines were hindering the forward progress of business. Operations in the steel industry continued to expand and retail trade reflected increased spending. Reports from machine tool manufacturers that their orders increased 35 per cent in August from July were most encouraging. For it is an indication that sufficient faith in the future is developing among American business men for them to start investing money in new industrial equipment.

WASHINGTON — Long range planners here are studying the possible effects on established industries and agriculture of hydroponics, a revolutionary method of growing food plants. This method utilizes troughs or vats filled with water and chemicals to take the place of the "good earth" in growing crops. It is said that a few square feet of such troughs is sufficient to supply the average family with a few vegetables. A number of scientifically minded individuals around the country are actually growing their own tomatoes, cucumbers, beans and peas now by this chemical process. Though it is still too expensive and too scientific for the average person to undertake, the day may not be far distant when hydroponics will be such a popular backyard or basement avocation as to make a serious dent in some markets now being supplied by farmers. And should hydroponics ever become adaptable to raising grain crops on a commercial basis, the farm implement industry might be faced with slackening of demand for plowing, planting, cultivating and harvesting machinery. In such an event, however, new avenues for business and employment undoubtedly would be opened in the chemical and metal industries.

SAY IT WITH FLOWERS—To promote its new fashion floor, a New York department store sent a red rose in a long white box by special messenger to 15,000 women last week. . . **WAR SCARE**: The Navy has just ordered 150,000 white hats. . . **RECOVERY NOTE**: Unemployment in Amsterdam, Holland, diamond industry reduced by 176 men to total of 1,840. . . **SUNNY SIDE UP**: More than 25 steps are required to make an aluminum frying pan, including the mining and processing of bauxite, which is the ore of aluminum, and operations known as rolling, stamping, trimming, smoothing, welding and brushing. . . **BEATS 'EM TO IT**: 133,000 tiny wasps have been released by Agricultural Department's laboratories in Toledo to attack a European corn borer; the wasp lays its eggs in the eggs of the corn borer and when both hatch, the wasp devours his host, the borer, before latter can damage crops. . . **GOING HIGH HAT**: Henry Ford will introduce this fall an 8-cylinder car of advanced design to sell in the \$800 - \$1,000 price class.

TAXED FOR CLEANLINESS—A new study reported last week by one of the numerous Emergen-

CANDID Camera Shots

CANDID CAMERAMAN A.W.-O.L. We hear he has sleeping sickness.

"PETE" PETERSON scaring patrons of the P. & B. Garage with the siren affixed to the little red car which is to serve as the "Foo Fire Department" at the firemen's convention next week.

WEARY LEGIONAIRES trekking home from the national convention in Los Angeles.

MERLE STAUB burning the midnight oil in an effort to finish the painting of the interior of the house before his wife and daughter return from a visit to her mothers.

MODEL WINS HONORS

Claire James, one of the 47 gorgeous girls featured by Paramount in "Artists and Models Abroad," was selected "Miss California" and represented the state in the Miss America beauty contest at Atlantic City.

cy Consumers Tax Councils of New Jersey formed in the last year to protest hidden taxes and the rising cost of living shows not only how taxes exist on a cake of facial soap but how the calculation is reached. When a housewife pays for ten cakes of facial soap, the report says, she actually receives only nine for the tenth is consumed by hidden taxes. Fourteen of these unseen levies are placed on the tallow producer, 14 on the perfume maker, 15 on the chemicals manufacturer, 17 on the wrapper factor, 14 on the soap company, 10 on transportation companies, 10 on the soap wholesaler and 10 on the retail stores making an almost unbelievable total of 104 taxes, of which the average consumer is completely unaware even though they take a toll of 10.3 per cent of the purchase price of a ten-cent cake of soap.

THINGS TO WATCH FOR—Synthetic fur made out of skim milk. . . A new lighting fixture said to produce double the usual quantity of light from equal current, designed for store owners who want to throw a strong downward light on their merchandise to improve its display value. . . A stamp pad said to be unaffected by humidity, not to collect lint or to over-ink. . . An automatic device which makes it easy for motorists to stop and start on hills; applicable only to hydraulic braking systems, it keeps the brakes on until the moment the clutch is released. . . A new window design which has the advantage of standard double-hung window openings at top and bottom, and also swings out as a casement window for free passage of air and for safer cleaning.

HEADLINES IN NEW YORK—Value of inventories in hands of Manufacturers, wholesalers, and retailers reduced by \$1,250,000,000 in first six months of 1938. . . Agricultural Economics Bureau declares business is sure to go ahead. . . Whole corporate structure due to receive attention of Congress at next session. . . Railroads' August business shows gains over July. . . National Small Business Men's Association meets in Pittsburgh, outlines program it hopes will make it a political force in nation. . . Federal Deposit Insurance Corporation studies possibilities of insuring deposits above \$5,000 limit. . . U. S. paper output nearing 1937 volume; prices more stable.

Warriors to Play First Game of Season Today

The Carpinteria Warriors will open the football season this afternoon at 2:00 o'clock when they meet Arroyo Grande on the local field and Coach Merle Staub promises fans plenty of thrills since the team will seek victory by the aerial route using a generous amount of forward and lateral passes. The Warriors will put every effort into the game since Arroyo Grande was one of the few teams to defeat the local squad last year and the boys are anxious for revenge.

Two more boys joined the squad this week, John Calhoun and Warren Jones, bringing the total out for football to forty-five. From this unusually large amount of talent the following starting lineup for this afternoon's game has been selected as follows: L. E. Carl McIntyre; L.T., Tony Rodriguez; L. G., Geo. Miller; C. Montie Ramey; R. G., Arthur Milne; R. T., Webster Beckstead; R. E., Capt. Gordy Milne; Q., Jack Kendrick; L. H., Clyde Smith; R. H., Jimmie Reid; F., Phillip Olds. With the exception of Beckstead, Smith and Reid, the boys who will start in the game played on the Warrior squad last year.

Officials for the game will be Earl Homan, Referee, and Phil Mills, Umpire.

Students are to hold a pre-game pep rally this morning and will hear "Spud" Harder, Gaucho coach at that time. Season tickets have been placed on sale and may be secured from students or from Tennyson's Drug store. They are priced at \$1.00 and cover the five games to be played on the home field.

CINCINNATI REDS SEEKING NEW BASEBALL MATERIAL

If there are any Carpinteria boys between the ages of 17 and 21 who believe that they have any special ability and who have been harboring a desire to enter the field of professional baseball they should take advantage of the try-out camps sponsored again this year by the Cincinnati Reds Farm clubs. Two camps will be held within easy traveling distance of Carpinteria; one at San Bernardino, Oct. 4th to 8th; and the other at Santa Monica, Oct. 10th to 15th.

The try-outs will be open to all boys between the above-mentioned ages who have ability along this line and it is hoped especially that there will be a good attendance of boys from the less populous communities, where professional scouts rarely visit. Application

blanks may be secured from Bud Riley at the Chronicle office, 115 E. Coast Highway, Carpinteria.

Since inaugurating these camps in 1934, the Cincinnati organization has given jobs in baseball to 93 boys among those who attended them. One of them, Paul Gehrman, went in the same year from a camp (at Medford) to a major league trial. He is now with the class A Albany team, and is certain to be recalled by Cincinnati this fall. Numerous other camp boys have also advanced to A and AA leagues since 1934, and several will soon be in the majors. But for the opportunity provided by these camps, many of them might never have had a chance to embark on a professional career.

The camps will be in charge of Mickey Shader, well known former minor-league manager, now a scout of the Cincinnati minor-league clubs. Others will assist him. At each camp several games of four or five innings each will be played daily. There will be no tuition charge, but boys will be expected to furnish their own uniforms, gloves, and shoes, without which they will not be allowed to take part in the games. They must also pay their own transportation and living expenses. Experience shows that \$1.50 to \$2.00 a day should be enough to cover the latter. Those who appear ready to make a start in professional ball

GAUCHOS PLAY OXY IN GRID OPENER TONIGHT

SANTA BARBARA — Coach "Spud" Harder will ease up today giving his Santa Barbara State Gauchos a few final licks in preparation for the Friday evening date with the Occidental College Tigers at 8:00 p. m. in Peabody stadium here.

Some forty gridders have been slaving for the past two weeks in a fight for starting positions left open by the graduation of ten first-stringers at the end of last season. Coach Harder announces that the boys will be ready to give Oxy a tough battle, but he is hardly confident about the outcome.

Only three of the regulars on the squad have had two years of play for the Green Wave, namely: Jack Smith, half, Pete Weld, tackle and Fred Monson, quarter. As possible starters Friday night they will bear the brunt of the attack on the southerners.

Added to the inexperience of the State squad will be a lack of weight among line and backfield (Continued from page 3)

will be offered contracts with a Cincinnati farm club. It is hoped however that all players will profit to some extent from their attendance at the camps.

SOCIAL & PERSONAL

BRIDGE CLUB ENTERTAINED AT LUNCHEON

Mrs. Phil Mills entertained her bridge club with a luncheon at her home on the Coast highway near Sandylan on Tuesday afternoon. Guests included Mrs. Bailey Winter, Mrs. Ken Tower, Mrs. C. C. Christensen, Mrs. Maunsell Van Rensselaer, Mrs. W. W. Patterson, Mrs. Roscoe Schauer, all of Santa Barbara and Mrs. Frank Wyckoff of Carpinteria.

COUNTY FEDERATION TO MEET TUESDAY

The County Federation of Women's clubs will meet next Tuesday in Orcutt. Mrs. Joseph Hendy and Mrs. W. Guy Stockton and several other members of the local club are planning to attend.

Mrs. John Stearns Thayer, district president from Los Angeles, and several district chairmen are expected to be present at the meeting.

LIFE GUARD TO REMAIN ON DUTY

Although the peak of the beach season has passed the Carpinteria beach continues to draw a good attendance over the week-end and Gates Foss, life guard, will remain on duty until November 1st.

The raft which was torn loose from the life-line by the heavy surf Tuesday night will be brought in for the winter as soon as the heavy seas abate sufficiently to enable beaching the raft.

MR. AND MRS. PHIL MILLS GIVE SERIES OF PARTIES

Mr. and Mrs. Phil Mills are entertaining with a series of bridge dinners, the first of which was given last Sunday evening. Guests included Mr. and Mrs. Donald Brown, of Carpinteria, Mr. and Mrs. Gene Harris, Mr. and Mrs. Bailey Winter, Mr. and Mrs. Ken Tower, Mr. and Mrs. John Riedell, Mr. and Mrs. C. C. Christensen, Mr. and Mrs. Garvin Hunter, Mr. and Mrs. St. Clair Morton, Mr. and Mrs. Glen Wallace, Mr. and Mrs. Maunsell Van Rensselaer and Dr. and Mrs. William Walker all of Santa Barbara.

Mr. and Mrs. Mills will entertain with the second party of the series next Sunday evening.

PRIMARY TEACHERS ASSOCIATION FORMED

Several members of the grammar school faculty attending the meeting of primary teachers which was held at Buellton on Wednesday evening. Dr. Paul Hanna of Stanford University was the speaker and the group voted to form County Primary Teachers Association and elected officers. Miss Mary Evans of the Montecito Union School was named president and Miss Leona Smith of Carpinteria, first vice-president.

Those attending from Carpinteria were Mrs. Lucie Treloar, Miss Leona Smith, Miss Leila Robbins and Miss Catherine Jones.

CHURCH GROUP ENTERTAINS AT F. A. HEBEL HOME

Mrs. Randall Curtis, Mrs. Arthur Hebel and Mrs. Carey Demaree were hostesses to the members of their church group at the home of Mrs. F. A. Hebel Thursday evening. Attending were Mrs. Frank Bauhaus, Mrs. David Cummins, Mrs. A. G. Wood, Mrs. Kate McLean, Mrs. John Townsend, Mrs. Wade Hamilton, Mrs. P. H. Gordon, Mrs. F. A. Hebel, Mrs. G. A. Senteney, Mrs. R. E. Walsh and Mrs. Lucie Treloar.

CHOIR LEADER GIVEN SURPRISE PARTY

Members of the choir of the Community church arranged a surprise party for the leader, Dr. Genevieve Shorkley following practice Thursday evening, bringing refreshments and a gift which was presented by Rev. Deane F. Babbitt. Attending were Mr. and Mrs. Babbitt, Mr. and Mrs. Charles Curtis, Mr. and Mrs. J. C. Furby, Mr. and Mrs. W. W. Humphrey, Mr. and Mrs. C. C. Heltman, Mr. and Mrs. Albert Jarvis, Mrs. W. F. Roulston of Burbank; the Misses Barbara Lyman, Madelon Southworth, Margaret Senteney, Patty Demaree, Edith Van Meter, Margaret Russell, Nadine Cook, Margaret Lewis, H. C. Hugo, J. A. Lewis and S. C. Snow.

Mr. and Mrs. Lee Jeffery of Los Angeles visited relatives in the valley during the past week.

HOME AND GARDEN GROUP OF CLUB MEET

The home department of the Carpinteria Woman's club met yesterday morning in the clubhouse. Mrs. W. H. James is chairman of the group and Mrs. Joseph Fraga was program chairman for the day. The luncheon committee included, Mrs. Frank Smith, chairman; Mrs. H. C. Motley, Mrs. E. V. Stubbs, Mrs. H. B. Fish and Mrs. Henry C. Smith.

The Gardens Department met at the clubhouse in the afternoon to discuss plans for the year with Mrs. E. V. Stubbs acting as chairman.

WOMAN'S ASSOCIATION HEARS MISSIONARY

The Woman's Association of the Community Church held its regular monthly meeting in the social rooms of the church on Wednesday afternoon. Miss Ruth Hitchcock of Santa Barbara who recently returned from the Canton area in China, where she was engaged in missionary work told of her experience in that country. Hostesses were: chairman, Mrs. W. Guy Stockton, Mrs. Frank Bauhaus, Mrs. J. J. Rodriguez, Mrs. G. H. Coshaw and Mrs. A. G. Wood.

MR. AND MRS. DON MAXFIELD ENTERTAIN CLUB

Mr. and Mrs. Don Maxfield entertained the members of their bridge club at dinner Friday evening at their ranch home. Attending were Mr. and Mrs. David Saffenberg, Mr. and Mrs. Myron Robertson, Mr. and Mrs. Joseph H. Hendy, Mr. and Mrs. Hugh Thurmond, Mrs. H. C. Henderson and Henry Sturmer.

MRS. J. W. DORRANCE ENTERTAINS AT BRIDGE

Mrs. John W. Dorrance entertained with two bridge luncheons on Wednesday and Thursday of this week at the tea room of Mrs. P. H. Gordon near Rincon del Mar. Six tables of bridge were in play each day after a delicious luncheon had been served to the guests.

ATTEND TEACHERS MEETING

Miss Eileen Mallory and Miss Marilyn Cravens of the grammar school and Miss Jones and Mrs. Lucie Treloar of the Aliso School attended the meeting of primary grade teachers held Monday afternoon in the Montecito school at which time Dr. Bell of Stanford University addressed the group on primary grade methods of teaching.

PUPILS TO MAKE TRIP TO BEACH

Mrs. Lucie Treloar took her Aliso School pupils to the beach Tuesday morning for a study of shore-life.

POLICE OFFICER ADDRESSES LION'S CLUB

Thomas Keating of the Santa Barbara police department was the guest speaker at the Lion's Club meeting held in the Veterans' Memorial building last night. He discussed various phases of police department work.

On Thursday evening a week ago, the program for the club included several piano solos by Will Headly.

PERSONALS

Mr. and Mrs. Edward Landwehr of Chicago, Illinois, spent the week-end at the home of Mr. and Mrs. W. H. James. Mr. Landwehr is a retired rural mail carrier, and for five years was an associate member of the National Board of the Rural Letter Carriers Assn., with Mr. James, from 1916 to 1922.

S. W. Christie, Will Christie and Miss Jennie Christia of Glendora and Mr. and Mrs. W. G. Hall of Exeter have been guests of Mr. and Mrs. C. C. Whitcomb during the past week.

Majoria Cadwell, who is attending Pomona College, spent the week-end with her aunt and uncle, Mr. and Mrs. Fay Newcomb in Hollywood.

E. A. Southworth and Merle Staub attended the minor League coaches' meeting in Ventura on Tuesday evening.

Merle Staub and Richard Kistler were dinner guests of Mr. and Mrs. Percy Houts, Jr. on Monday evening.

Mr. and Mrs. George Strobe who have resided in China for a number of years where he has been engaged as a civil engineer and who are visiting in California were guests of Mr. and Mrs. B. E. Clark on Wednesday evening.

Mrs. J. P. Lape and Mrs. Howard Bobo will be hostesses at a shower given in honor of Mrs. Louis Gann at Mrs. Bobo's home this afternoon.

Mrs. Roy Barrett of Torrance spent the week-end with her mother, Mrs. Jerome F. Tubbs.

GRAMMAR SCHOOL ELECTS STUDENT BODY OFFICERS

Believing that the training of future citizens in the methods of voting and the importance of exercising this right should begin at an early age, Frank Wyckoff, superintendent of Carpinteria elementary schools, carried out the election of Student Body officers on Tuesday of this week along the lines of a regular election. Students in the fourth, fifth, sixth, seventh and eighth grades were required to register and were then taken in groups to the office where they were given ballots and instructed in the proper method of voting.

Results of the election were as follows: president, Phyllis Southworth; vice president, Joyce Miller; Secretary, Marquette Doran; Treasurer, Carla Bradbury. On Monday student representatives from the five upper grades were elected as follows: Fourth grade, Warren Sturmer; fifth grade, Willie Martella; 6th grade, Teddy Taylor; 7th grade, Priscilla Rodriguez; 8th grade, Jean Wullbrandt.

Student body officers and council members will meet each Monday morning to plan various school programs and assemblies and to discuss problems arising in the different grades.

Mrs. Donald Hees, who has been visiting her parents, Mr. and Mrs. John Osterman, has returned to her home in Salt Lake City.

Jane Withers in "Keep Smiling" which starts at the Del Mar Theatre on Sunday. Also on the same program, "Wings Over Honolulu."

WALTER WOOD WINS RIFLE HANDICAP SHOOT

Finishing a series of 10 shoots last Sunday for an aggregate score with handicap, Walter Wood, of Santa Barbara, finished ahead of the county's best riflemen.

Wood, who has been shooting about a year, has shown very rapid progress as a master marksman.

Shooters and scores in a possible 5,000 were: Walter Wood, 4887; Chas. Higbee, 4880; H. Griffiths, 4874; Geo. Worden, 4843; Bill Plank, 4832; R. G. Bassett, 4816; Roy Gradle, 4805; H. Smith, 4804; A. Morganfield, 4804; G. Higbee, 4803; L. Potter, 4801.

\$100.00 worth of shooters supplies were awarded by the Carpinteria Gun club to the shooters. All competitors won a prize.

PROTECT THEIR EYES FROM

Study-Strain

To Save Eyes... Do This... Provide a modern study and reading lamp for your children. See them at your electrical dealer's today. Ask for the lamp with the special diffusing bowl under shade.

Repeated eye-strain caused by studying or reading with inadequate light can seriously harm a child's eyes. If your child holds his book closer to his eyes than 14 inches, the chances are that better lighting is needed. Once young eyes have been weakened, it is hard to repair the damage. Protect your children's eyes with adequate lighting.

SOUTHERN CALIFORNIA EDISON COMPANY LTD.

Startiing backfield line-up of the Gauchos who will go into action in first game of season tomorrow night against strong Oxy eleven are from left to right, Fred Monson, Quarterback; Chas. "Buck" Bailey, Fullback; Pierino Merlo, Halfback; and Clyde Frisholz, Halfback.

WOMEN IN THE NEWS

By LEONE BAXTER

While old-timers reminisce about the "gal nineties" and the "elegant eighties," it has been questioned whether historians of the future may refer to the third decade of this century as the "decade of despair." Already it is considered by some as an era of shaken faith in the old traditions—in the individual's inherent ability and desire to stand on his own feet, in the American way of doing business, conducting government, shouldering responsibility.

If millions of today's adults, remembering better times, have a tincture of despair in their philosophy of life, what will be the calibre of the future citizen who is spending his childhood in current atmosphere? Is it logical to conclude, as some pessimistic prognosticators have, that ahead lies an age of hopelessness, agnosticism and general decay of already weakened moral fibre?

Logical or not, such a conclusion has been given authoritative refutation by the voice of Youth itself—a ringing challenge to difficulties and doubts which Youth has no part in creating. The bloodlines of the stern old Puritan, with his uncompromising moral code, and of the pioneer, whose blood and brawn built a new world, runs like scarlet threads through the 231,000 letters entered in the American Magazine's American Youth Forum for high school students centered around the common theme, "Myself and America."

It is Youth's belief that a widespread return to religion is necessary to national progress. It calls for rehabilitation of the church through a united interdenominational creed.

While democracy here and there in the world goes down before the "isms" of the Fascist, Nazi and Communist, America's Youth proclaims that Democracy is the only safeguard to liberty and justice and opportunity. Youth scores its elders for failing Democracy—failing to vote and to participate in government, for tolerating the "spoils system," corruption and dishonesty.

Youth goes so far as to commend companionate marriage, and at the same time almost fanatically condemns divorce and the breaking up of homes through the separation of parents.

Perhaps much of the worry

STATE FAIR ATTENDANCE RECORD BROKEN

SACRAMENTO — The 10-day California State Fair and Exposition at Sacramento smashed all attendance records when 637,682 persons visited the exposition and sent it to a challenging position for national honors.

Climaxed on Labor Day when 109,140 persons crowded through the gates, the State Fair set new attendance marks daily and was hailed by virtually all of the county exhibitors as the most outstanding exposition presented during the 84 years of its history.

Although complete attendance totals from state fairs throughout the nation will not be completed for approximately 30 days, California's greatest rival—the Minnesota State Fair—was eclipsed this year when it reported an attendance of 582,000.

Want Ads In The Chronicle Bring Results.

about the Children of the Depression who learned their lessons the hard way, has been erroneously based. Youth today is bold to adventure, liberal and daring—but the thoughts of youth are "long, long thoughts," and Youth is unafraid.

The American Magazine has performed a most worthy service in uncovering to the world this highly significant cross-section of American youth. For here at least is cheerful indication that the historian, whatever he calls this decade, will dip his pen into brighter ink when he reviews the 1940's and 50's.

VENTURA COUNTY COWS FREE FROM TUBERCULOSIS

Ventura County is the forty-fourth county in California to be designated as a Modified Accredited bovine tuberculosis-free area, it was announced today by the Division of Animal Industry, State Department of Agriculture.

Through a program of testing in Ventura county, conducted by federal and state veterinarians, the number of animals reacting to the tuberculin test has been reduced to less than one-half of one per cent, the Division said, and it was upon that showing that the Bureau of Animal Industry, U. S. Department of Agriculture extended the coveted rating.

With the addition of Ventura county to the steadily growing list of counties accredited in California, only fourteen counties remain unaccredited and the work is being pushed in these areas.

The last complete test of cattle in Ventura included 14,751 cattle of which only 53 animals were found to be reactors. Dairy cattle in Ventura county have been tested for a number of years but it was not possible to finish the testing of the beef cattle until recently.

Testing of all dairy cattle has been completed in the following counties: Alameda, San Benito, Monterey, and San Luis Obispo. Beef herds in those counties are now being tested.

Testing is also underway in the following counties: Colusa, Contra Costa, Fresno, Los Angeles, Marin, Napa, San Joaquin, Santa Clara, Shasta, Solano, Sonoma, Stanislaus, Sutter, Tehama, Tulare and Yuba.

Constitution Day was observed at the high school with a public assembly Friday morning when Assemblyman A. W. Robertson addressed the pupils of the high school and the upper grades of the grammar school.

MISSSES KEYES ADVANCES

Evelyn Keyes, the beautiful Atlanta blonde Cecil B. DeMille "discovered" and cast in a minor role in "The Buccaneer," will have a larger role in DeMille's next "Union Pacific." Meanwhile, she is playing the lead in Paramount's "Sons of the Legion."

LINCOLN KIN CAST

Ann Todd, 6-year-old fourth cousin of Mary Todd, wife of Abraham Lincoln, has the role of Herbert Marshall's daughter in Paramount's "Zaza," starring Claudette Colbert. It is little Miss Todd's first role.

GANDY-DANCER

Know what a "gandy-dancer" is? Cecil B DeMille's research experts, digging into the files for "Union Pacific," have found that the term was applied to laborers who tamped the ballast under the ties and "danced" on their shovels to pack it.

THE CARPINTERIA CHRONICLE

FRIDAY SEPTEMBER 23, 1938

Robert Taylor in "The Crowd Roars" now playing at the Del Mar Theatre (Movie Quiz Picture.) Also on the same program, "The Man Without a Country" in technicolor.

Your Hollywood Correspondent Reports . . .

J. Carrol Naish returned from his New York vacation to start work in "King of Chinatown" with Anna May Wong, Gail Patrick, who played with him in "King of Alcatraz," succumbed to his enthusiastic talk about the big city and now plans a trip there after she completes "Disbarred."

Claudette Colbert's birthday was the high point of the week for connoisseurs of cake and ice cream as Director George Cukor brought in a frozen combination to celebrate the event which was big enough for 100 members of the staff and crew.

Louise Campbell is planning a farewell party for William A. Wellman and his wife before they sail for Bermuda following the preview of "Men With Wings." Fred MacMurray, who plays with Louise in the same picture, is taking up photography and is entering some of his first landscapes in the Studio Club.

Jeanette MacDonald and Gene Raymond took a second-story fire escape in order to get around autograph seekers at the preview, "If I Were King" at Westwood Village. Jeanette ruined pair of \$25 slippers in making a 6-foot drop to the ground.

Bob Hope and Shirley Ross planed out to Fort Worth, Texas, during a lull in their "Thanks for the Memory" picture, and participated in the Mutual-Elliott Roosevelt radio chain welding ceremonies.

A VERY DANGEROUS TRIANGLE—Edward G. Robinson, Claire Trevor and Humphrey Bogart are the dynamic threesome who head the cast of "The Amazing Dr. Clitterhouse," Warner Bros.' unique comedy drama with Robinson in the title role. It comes to the California Theatre Saturday for a 3 day engagement on the same program with "Professor, Beware," starring Harold Lloyd.

CROSBY GIVES ORGAN

A \$1600 organ was installed in St. Charles Church, North Hollywood, as the gift of Bing Crosby, who sang at a sacred concert given in connection with its inaugural. A coincidence is that he was a choir singer in "Sing You Sinners."

Fanny Brice was a guest of Claudette Colbert on the set of "Zaza," and gave her instruction in the singing of a similar to her "My Man" hit of a few years back.

Ray Milland presented Olympe Bradna with an album of Cesare Frank phonograph recordings on the set of "Say It In French." C. B. DeMille reported that George Raft did one of the best emotional scenes yet broadcast on his Radio Theater when "Spawn of the North" was air-viewed.

Dorothy Lamour seen at all the Hollywood show places with Herbie Kay during the evenings, and on the street between scenes of St. Louis Blues. He is in the film city for a rest from a busy summer of furnishing waltz time to Southerners.

Frances Dee and Joel McCrea are seen together at the Paramount studio dressing room row. She is closing her dressing quarters after completing work in "If I Were King," while he is just getting ready to appear before the cameras in "Union Pacific."

"CANDIDA" AT LOBERO FRIDAY AND SATURDAY

Santa Barbara residents will gather at Lobero Theater to enjoy one of the most important theatrical treats of the season. Miss Ann Harding, lovely blonde stage and motion picture actress, will bring to the footlights George Bernard Shaw's most charming heroine "Candida."

It will be an event looked forward to for a long time by many, and remembered by all who see it, for many months. Homer Curran and Luther Green, are presenting the classic comedy and a celebrated supporting cast will include Paul Cavanagh as the Rev. James Mavor Morrell and Clay Mercer as Eugene Marchbanks.

Phyllis Loughton, youthful directress from New York, who numbers among her successes such Broadway hits as "The Warrior's Husband," "Girls in Uniform" and "Chrysalis" is in charge of stag-

June Travis and Joe E. Brown in "Gladiator" now playing at the Fox Arlington Theatre. Also on the same program, "The Lady Objects."

ing the production for Mr. Curran and Mr. Greene.

Scenic effects, fashioned after the original idea of Mr. Shaw's, have been executed by Norman Rock, who will be remembered for having done "Tovarich," "Children's Hour," "The Merry Widow," "Reflected Glory" and many other Homer Curran successes on the coast.

"Candida" will be staged for two performances only, tonight and Saturday night, after which it will move to the Curran theater in San Francisco for a limited engagement and then to the Biltmore Theatre in Los Angeles.

Miss Harding portrayed the character of Candida for several months in London last season with remarkable success, and many London critics said it was the best performance of the part they had seen.

SET FOR JAUNT

Under agreement with the five major airlines, Paramount today planned to release the ancient De Havilland-Liberty air mail biplane used in the Technicolor cavalcade of the air, "Men With Wings," for a "race" from Los Angeles to New York City with a standard Douglas transport plane between October 1 and 8 in celebration of National Air Transport Week.

MONTE VISTA DAIRY WINS GOLD AWARDS

The Monte Vista Dairy is the proud possessor of two gold medal awards received from the California State Fair on pasteurized milk and Grade A raw milk. Although other gold medal awards were won by 15 dairies in the county Monte Vista Dairy received the highest award for pasteurized milk with a score of 99 out of a possible hundred. The score for Grade A raw milk which also brought a gold medal award was 98.1.

The winning of these coveted awards by the local dairy was not due to luck but to the care with which all milk is handled and the winning sample was taken from the day's delivery served patrons of the dairy and is ample proof that money could not buy better milk anywhere.

Not only does the dairy use the most modern methods of sanitation, sterilization, etc., but those patrons who prefer raw milk to pasteurized milk are assured that this product comes from healthy cows and that there is no danger of any disease being carried by the milk. A recent tuberculin test made of the Dairy's 115 head of cows showed that all stock was free from tuberculosis.

HE MADE MUSCLES

William Duncan portraying a character role in Harry Sherman's "Frontiersman," a Hopalong Cassidy production for Paramount, was formerly a leading man on Broadway and at one time was in charge of Bernarr MacFadden's Health Home at Ronkonkoma, N. Y.

Gauchos Play Oxy

(Continued on page 7)

reserves. Backs Monson, Peirino Merlo, Charles "Buck" Bailey and Gardenhire, all lettermen, constitute most of the poundage in the 1938 ball packing department. Clyde Frisholz and Bill McArthur, both of whom are trackmen and grid letter winners last season, will furnish speed rather than beef at halfback. Jack Smith, Stan Wilson, Roy Harper (Ray Regalado), Jack MacArthur and Paul Oppy are also contending for the ball weight of 160 pounds for the carrying jobs, with an average group.

A possible starting line scaling an average 200 pounds would include Al Sprague or Blynn Wilson at center, DeWitt Trehwitt and Cliff Romer at guard, Marvin Palmer and Art Swenson at tackle, with Bill Jessup and Larry Pickens holding down the ends. Wilson and Pickens are jaysee transfers who come to the coast town with impressive records. The rest are veterans with the exception of Swenson and Jessup who are recruits from the 1937 frosh squad. Jessup has shown well enough in practice to be hailed as a probable contender for coast honors among the smaller colleges before he is through.

Bob Hall and Oliver Sholders, two more transfers, are crowding Trehwitt and Romer for guard posts, with veterans Clarence Lair and George Valos competing. Additional tackle strength will be found in Jim Woody, Pete Weld, Gerald Brown, Mel Dennis, and Ed Larsen. The three lettermen are new to Harder's varsity, with Dennis, 205 lb. Negro from Los Angeles junior college, turning in an excellent offensive game during recent scrimmages.

Alex Silvest, Howard Joham, Lynn Graham, and Tex Magness will bolster the wing jobs, although all of these boys are newcomers, the first two freshman products and the other transfers.

TOM REID ON S. C. FROSH SQUAD, TO PLAY SATURDAY

Tom Reid, member of last year's Warrior Varsity, is expected to see action on the U. S. C. Frosh team tomorrow in the preliminary game to the Alabama-U. S. C. fracas. The game will be played against the S. C. Spartan squad composed of players not on the varsity team and others who are ineligible to play conference football. Kick-off time has been set for 12:30.

SCHOOL MA'AM

Emily Fitzroy is portraying her 25th school teacher role in Harry Sherman's Paramount production, "Frontiersman," starring William Boyd as Hopalong Cassidy.

In general the situation on the Gaucho field indicates potentially great strength for possible later in the year or next year with an obvious doubt present for roping the Oxy Tiger Friday. Coach Bill Anderson of Occidental will field a powerful eleven according to reports, featuring enough two-year lettermen and a comfortable number in reserve strength to make the Bengals leading contenders for the Southern California Conference title.

Headman Harder will scrimmage his Pamperos Monday and Tuesday, tapering off Wednesday with signal drills under lights in preparation for the tilt.

Firemen To Assist

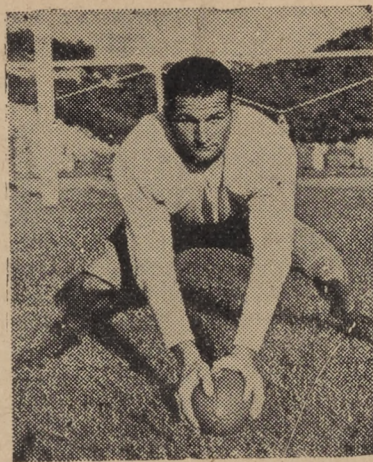

(Continued from page 1)
local department who have been busy outfitting a small red car as "The Foo Fire Department" which will be manned by a crew that will endeavor to emulate some of the antics portrayed in that popular comic strip.

The seriousness of the convention will be handled at daily sessions which will cumulate with the election of officers on Thursday morning. Delegates from the local department are Shell Martin; alternate, Stanley Isle, Carpinteria; and Ted Reed with Steve Granaroli as alternate of Summerland.

C. S. BROADCAST SUNDAY

Local radio listeners will be interested to hear that the Columbia Church of the Air of the Columbia Broadcasting System will be conducted on Sunday, September 25, at 10 a. m. (P.S.T.) from New York City, by B. Palmer Lewis, Christian Science Committee on Publication for the State of New York. The radiocast may be heard locally over KNX (1050-kc), Hollywood.

Miss Grace L. Young of Augusta, Ill., spent Monday night at the home of Mr. and Mrs. W. Guy Stockton.

Al Sprague, Gaucho Center, who will be in the starting lineup Friday night when the Gaucho eleven tangles with Oxy in the first game of the season.

THRIFTY HOUSEWIVES CONSULT THE LEDGER MARKET ADS

BRIDGE COMPLETED

Opening of the Big Creek bridge 19 miles south of Big Sur has eliminated the last detour on the Carmel-San Simeon section of State Route One, reports the touring bureau of the Automobile Club of Southern California. The highway is entirely hard-surfaced, with pavement from San Luis Ob-

ispo to San Simeon and oiled gravel to Big Sur. Oiled surface rather winding, is encountered from Big Sur to Bixby Creek. Motorists should be careful of drifting sand. Excellent oiled road extends from Bixby Creek to San Remo Divide, with pavement on to Monterey.

"Climate" as you want it
...with automatic gas heat

Prepare now for Winter!

Cost is small - Basement not necessary

NEVER too hot, never too cold, but just right all winter long—that's the kind of "weather" you can have in your home with adequate gas equipment.

For the best gas appliances bring you *two* forms of weather control: they can reduce humidity and they automatically maintain any degree of warmth you want. In addition, they circulate fresh air.

Now is the time to act! See a dealer or the gas company.

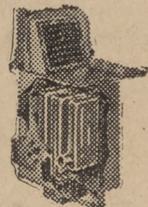

BEFORE COLD WEATHER ACTUALLY ARRIVES—avoid the rush that accompanies the first "cool spell." Have your present heating equipment inspected to make certain that it is in proper working order.
