

# ASSEMBLY, BIG SHOW TODAY!

## SCHEDULE AMS ELECTION FOR MID-MAY--NOMINATIONS SET

Associated Men Students election are scheduled to take place May 21, according to Danny Alcalá, in charge of the voting and campaigning.

Men desiring to run for one of the offices must file their names in the Dean of Men's office 10 days prior to the election, and each eligible candidate shall obtain from the office of the Graduate Manager a petition which 10 percent of the AMS members must sign. These petitions are to be returned to the vice-president one day before the campaign meeting, the AMS constitution declares.

### CONSTITUTION TEST

Testing of candidates on the constitution will be May 9, Alcalá said,

and all men running for offices will meet in front of the men's gym that afternoon at 1 p.m.

To be elected for a term of one year are president, vice-president, treasurer, secretary, historian, and sergeant-at-arms. Requirements for these offices state that candidates shall have maintained a "C" average or above in all work carried at Santa Barbara College, and they must have been in regular attendance for at least one semester prior to their nominations. The president must be an upper classman.

Any questions or comments on election procedure may be referred to Alcalá, vice president of the AMS this year.

EATING, SLEEPING, and Studying all in the same room is a necessity for these students in the Istituto Fisica of Bologna, Italy.

## Variety Show Presented in Aud Honoring World Student Fund

By BILL KRESICH

All 10 a.m. classes are dismissed today so that the entire student body can be free to see the entertainment array of talent which will frolic on the stage of the auditorium during the WSSF assembly this morning. There will be singing, dancing, swing music, and comedy skits, all furnished by campus personalities.

The singing will be done by the Quad club, with Hobb Watts and John Keating doing the caroling, the dancing by Mary Lou Lewis and Pat Sparrow in a positively non-aesthetic dance; the music will be played by the college "combo," while the comedy relief will be supplied by a pair of local student characters, Patti Parslow and Walter Kennedy. The Danny Oliver Trio will also appear. Presiding over this diversified group of entertainers will be Dr. Theodore Hatlen in the role of master of ceremonies.

### WSSF SPONSORED

The World Student Service Fund, which is sponsoring the assembly, is attempting, through the students of nations unravaged by war, to assist students who, through lack of food, lack of clothing, textbooks, medical aid, and lack of buildings in which to

study, are unable to resume educations interrupted while they fought in the last war.

The WSSF feels that if students of separate continents can be brought together on a student level, through the assistance of one group of students by another, that in the future when these same students are the leaders of their respective governments, this mutual understanding and cooperation which they once exchanged can again be utilized to an even greater extent in settling problems which may arise between the nations of the world.

### OPEN FORUM

The latter part of the assembly will consist of an open forum discussion, with four students from the University of Southern California answering the questions uppermost in the minds of Santa Barbara College students concerning the World Student Service Fund. The USC students are Avel Abrahamson, whose birthplace is Norway; James Macaree, from England; George Lorenzee, of Chicago; and Garford Huber, a Negro, who is a graduate student in religion in USC.

Dick Thomas, regional secretary of the WSSF, will act as moderator during the short discussion.

## WHISKERS FLOURISH MEN SPURN SOCIETY

Beards are here again! Yes, the annual AMS Whiskereno is on in full swing, and all fellows on campus are urged to get in the spirit of the affair and let their whiskers grow.

Lasting from May 5 until May 23, the Whiskereno will be climaxed by a big "Hobo Brawl" steak fry, to be held Friday, May 23, at the beach. Prizes will be awarded there to the men having the longest and most unique beards.

For all men who student teach or work downtown, tags saying "I Am A Mouse" may be obtained in the office of the Dean of Men, it was announced.

Owen Van Buskirk, president of AMS, asks all fellows to join in the fun and stop using their razors for the next two weeks. "You'll save razor blades and be able to sleep later in the morning," he adds.

### All Veterans!

All veteran students attending Santa Barbara College must report to the college office of veterans affairs between May 5 and May 26 to declare their academic status after the Spring semester terminates, emphasizes veterans coordinator D. C. Woodhouse.

Veterans who intend to attend summer school at Santa Barbara or elsewhere must fill out a form of intention to insure a steady flow of subsistence checks.

Veterans who intend to return to school for the Fall semester must file that information so subsistence checks will be resumed next Fall without delay.

Subsistence checks for all vets will be discontinued on June 19 unless other arrangements are made with the veterans office.

## Hoff Hobos Host Hairy Hotcha Hop Held Heights Hall

In the spirit of the annual Whiskereno which is now in progress, the Quad Club (formerly the University Club) is throwing a big "Hobo Hop" next Saturday night, May 10, in Adams Hall at University Village.

According to Hob Watts, the dance will feature the Quad Club band, and the motif will follow that of a western, hardtimes theme. The bar—serving the best in soft drinks, says Watts—will be in a candlelit room where checkered cloths cover the tables.

### SLOPPY SPORT

All students are invited to attend the dance, and tickets, which are \$1.00 per couple, may be bought on campus or at the door. Levis, gingham or peasant skirts and blouses are the order of the evening, and Watts added that whiskers will be right in style.

Ken Cooke, Bob Arkeley, and Tom Gressert are handling decorations, and in charge of publicity are Joe Kiggins and Ray Botts. Chas. McCarthy is taking care of tickets.

## AWS Fashions Show Views Summer Togs

A summer fashion show and garden party is being sponsored by the Associated Women Students on the campus, according to President Sharon Smith. The affair will be held May 12 in the lovely gardens of Mrs. W. B. Trueman; clothes are being furnished by Jack Rose.

### OPEN TRYOUTS

Today, May 4, is the first day of tryouts for the style show. At 3:30 in the AWS room, Mr. Lou Rose will meet with any and all interested girls to choose those he wants to model the clothes. Mr. Rose will be on campus tomorrow at the same time to interview any other interested women.

Miss Smith stressed that experience in modeling is not necessary, and any Gaucho women who are interested are asked to meet Mr. Rose at that time in the AWS room.

### ENTIRE CAMPUS

Miss Smith added that the fashion show and garden party are being sponsored by the entire AWS, and all campus women are urged to take an interest in helping to put through the event.

Tickets will be sold the week of May 12 in either the quad or the cafeteria, for \$1.20, including tax.

## Poverty Prance At Village Friday

Beat-up levis, the worst kind of plaid shirt and other tramp-like items are the costumes in order for the coming "Poverty Prance," student body record dance sponsored by Gamma Sigma Pi fraternity. The dance will be Friday, May 9, from 9 to 12 p.m., at the University Village recreation hall. Admission will be thirty cents per person.

A prize, as yet undisclosed, will be awarded to "the biggest bum."

By sponsoring the "Poverty Prance," the Gamma Sigs are reviving a pre-war tradition of theirs. Cal Reynolds is general chairman of the affair.

## STAN BECKER AND CHAMP QUO NAMED TO PRODUCE SPRING ROADRUNNER REVUE MAY 15 THROUGH 17 IN AUDITORIUM

Stan Becker and Champ Quo have been placed in charge of the annual Roadrunner Revue for 1947, it was announced after a meeting of the student body council last week. The annual production is scheduled for May 15, 16, and 17, in the campus auditorium.

To blend with the theme of satire on education in the college, Quo urges anyone with any ideas for acts or skits to contact him immediately. The first rehearsals will begin Monday, May 12.

### BECKER EXPERIENCED

Becker is writing and co-directing the Revue. A newcomer to the campus, he attended Loyola University in Louisiana, where he gained much experience with the production of plays

and musicals. He has assisted with planning the famous Mardi Gras. Student council appointed him to take

### ROADRUNNER REVUE TICKETS

Tickets for the Roadrunner Revue will be handled by the Social Committee, under the chairmanship of Willie Wigger. An album of records will be awarded to the individual and to the organization selling the most tickets, it was recently announced. The person and club may have their choice of the album they prefer.

MAY QUEEN CAROLYN GRANT beams happily following her crowning as reigning Majesty at the May Festival dance held in the Recreation center May 2.

## College Warblers Recite for Gauchos

The band and men's glee club of the music department will present a concert tomorrow night, May 8, for the only campus appearance of the glee club this season, although they have toured recently and their concerts were well received.

Numbers by the band promise to be interesting, and townspeople as well as students are invited to the concert, which will be in the auditorium at 8:15 p.m. Maurice Faulkner will direct the band.

The glee club will appear in its newly-purchased ensemble of white coats and blue trousers, according to Dr. Walter Buchanan, who directs the organization. Latinee Gullattee, tenor, will sing two solos.

over the job formerly filled by Stan Schwartz, when the latter resigned.

Quo, known on campus for his column in El Gaucho and for his various photographic activities, will produce and help co-direct the show.

### CAST TO DATE

To date the cast includes Walter Arndt, Mary Frances Lee, the San Pascual quartet, Jean Ausman, Bob Schottland, Jody Trueblood, and Fred Wade, in novelty acts. Herb Fredlund will conduct the band numbers, and Cal Estes will write original music and songs.

Tickets will be 50c for students, general public—80c, and reserved seats are \$1.00.

### TOP SECRET

Now that the war is over, Americans can revert to their favorite pastime of revealing countless secrets—in confidence—to their friends.

Already advocates of the sport are operating in full force on the Santa Barbara College campus.

The last of the ballots with choices for the May Queen upon them went into the "secret" chambers of the election committee last Wednesday night. By 8 a.m. the next morning a campus whisper campaign was in progress. "Really, my dear, did you hear that Carolyn will be May Queen?" "Strictest confidence, old man, but Grants won the crown!"

Australians had the right idea when they invented their "secret ballot," but still they seem to have missed the boat.

### Joe Gauch Speaks!

#### LETTER TO THE EDITOR:

"This letter is written in an attempt to determine how many people on this campus see eye to eye with Galen Holsinger who wrote in the May 2nd issue of El Gaucho that intelligence (among other things) has little place on a modern college campus. Truth, justice, and reason, says Holsinger, are will-o'-the-wisps.

"In exploring the validity of the above statements, I must say at the outset that I am prejudiced. I have yet to see a Gaucho wear a hip flask with aplomb, or with anything else for that matter. As for "drool over the good old days, and simper and nod and bootlick authority," I feel that these strange activities are virtually non-existent. Certainly the majority of students are innocent of such Heepian pastimes.

"But here's the rub. Mr. H says that these very accomplishments are the ones to be developed in college. Yet the vast majority of students are otherwise occupied. Either we owe Mr. H. a vote of thanks for setting us on the right track, or he has the wrong idea. It looks as though everybody is out of step but him.

We must be practical, he says. I agree heartily. The place to learn business thievery, hysterical knee-slapping, et al., is not the college campus. We have at this college a competent, if not distinguished, faculty. None of its members offer courses in the above, nor in social snobbery, racial discrimination, or raucous advertising. Therefore, Mr. H. has made an unhappy choice in selecting college as the means to these ends.

"Psychologists through exhaustive surveys have found that the people who made the best grades in college, are in the highest income groups. A financial return in keeping with the demands of the American standard of living enables one to be one of the Joneses, and not engaged in a mad race with them, which, what with being burdened with hip flasks, beanies, Joe Miller joke-books, and frenzied periods of knee-slapping, one is almost certain to lose.

"College education, in my opinion, is learning at an adult level that is designed to equip students with social and vocational skills which will enable them to be good citizens. Men and women attending college to attain these skills will find what they are seeking.

### Vet Checks Assured

Breathe easier, veterans! Recent information appearing in newspapers over the nation stating that 2,700,000 vets would be shorted on their subsistence checks for the month of May due to the failure of Congress to pass an appropriations bill, is now null and void. The bill has been passed and officials assure veterans that payments will continue uninterrupted.

"Yes men, bootlickers, and snobs, who are engaged in 'a practice scrimmage for the Big Game of Life,' are wasting their time on the campus. To them I say, 'Join the biggest team in the world—there is a career for you in the Regular Army.'"

Walter Arndt

#### LETTER TO THE EDITOR:

While we're on the subject of traditions, here's a new one for this school, but an old one for some others. The first five minutes of each class in the morning on Wednesday is given over to community singing at UCLA. The songs range all the way from "Put on your old grey bonnet" to "They sober up on wood alcohol." Why not start it here? Ask any ex-UCLA student. He'll tell you that's one of the things he misses most.

Freshmen holding class membership cards may attend their class picnic Friday, May 9, at Oak park, starting at 5:30 p.m. Those who expect to attend are asked to sign the list posted in the quad by the mail boxes, so that some idea of the number coming may be formulated.

Richard Norton is in charge of food for the picnic, which will consist of hot dogs, potato salad, coffee, and milk. Jerry Terres will handle sports activity, to include baseball, volleyball, and sack races. Evelyn Benning is heading publicity, with Carolyn Blair acting as all-over chairman.

Freshmen who bring guests not holding membership cards must pay fifty cents for each guest.

### Girvetz Addresses In French Meet

Members of the Gauchito French club and their friends were honored by an address from Dr. Harry Girvetz regarding "French politics and the role of France in the future" during a special meeting held in the Recreation center last Wednesday night, April 30.

Student Jeannot Roudy opened the affair, followed by Sam-Pierce Pinkerton who introduced Dr. Girvetz as the principal speaker. The event was terminated by refreshments for all.

### Kappa Omicron Sees New Members at Chow

Last Tuesday night Kappa Omicron Phi formally initiated June Freer and Mary Vetter as new members at a dinner held at El Encanto, according to President Delores Bonander.

Program arrangements were handled by Dale Rossi, and Mary Lenz and Marchita Bissett had charge of favors. Helen Kipf took care of table arrangements. Dorothy Walton is rush captain for the honorary sorority, and Mrs. Harlan Meredith sponsors the group.

### Elementary Frat Pledges Entertain Actives at Party

Pledges of Chi Alpha Delta, elementary department honorary fraternity, gave a party for their actives last Wednesday night, thus contributing their last requirement before receiving status as "actives."

Beth Matthews, chairman of the pledges, arranged the entertainment for the evening, which consisted of a skit on "Modern Educational Procedure;" refreshments followed.

#### NEW OFFICERS

Following the entertainment, an election of new officers for the fall semester was held. Frank Hodgson was elected president and will head the board of officers, who were elected as follows: vice-president, Helen Giles; secretary, Wanda Preston; treasurer, Mary Alice Abbott; publicity, Betty Perkins; sergeant-at-arms, Al Sellen; and historian, Alice Chard.

The following pledges have been granted "active" status: Betty Root, Al Sellen, Henry Behrens, Lois Rohe, Donna Thomas, Wanda Preston, Beth Matthews, Pat Twitty, and Helen Giles.

### Women PE Majors Host to Play Day

The forty-four women majoring in PE will be the hostesses of high school seniors and junior college women from 15 different schools at a Tri-county Play Day to be held here on May 10, from 9 a.m. to approximately 2 p.m.

The program will include games of softball, volleyball, basketball, tennis, and archery, in which the visiting students will participate. Following this they will be served lunch and taken on a tour of the Mesa campus, where they will be entertained by a program put on by the UCSBC dancing class.

This event is a revived tradition canceled during the war because of transportation difficulties. The theme of this year's Play Day is to be "Spring." About 125 guests are expected.

Miss Jean Hodgkins, faculty chairman, and Elizabeth James and Bonnie Jo Sly, general chairmen, will be assisted by the entire department, acting as hostesses, guides, and game officials.

### Red Cross Offering First Aid, Water Safety Instruction

Any further qualified Santa Barbara College men and women over age nineteen who wish to be admitted to the American Red Cross instructor's courses, either in first aid or life and water safety, offered in Santa Barbara between May 19th and 30th, should register by Thursday noon with Coach Terry Dearborn (office West Hall 110).

#### LIMITED ENROLLMENT

Enrollment in these special classes, to be conducted two hours daily by a Red Cross field representative, is limited to persons holding current preliminary certificates and who expect to teach the subjects in the near future.

In first aid, the applicant must already hold the advanced certificate; in water safety, the senior certificate is required. Persons already holding instructor's certificates in either field may obtain renewals by attending the coming classes. All Red Cross instructors are expected to take a refresher course every two years to remain in good standing.

#### CITY POOL SITE

The water safety instructor's course is expected to meet from 3:45 to 5:45 p.m. on weekdays at the city pool. The first aid instructor's course will meet from 7:30 to 9:30 p.m. on weekdays, probably at the local chapter house, 1408 Chapala.

### Pekinese Dancing Scheduled by Pu's Held in Opium Den

Chinese atmosphere will set the theme for an "Evening in Peking" on Friday night when Pu Ko How presents its closed spring dance. Completing the atmosphere will be Chinese lanterns and soft music, an intermission of oriental gaiety, and refreshments served from the Opium Den.

Joyce Laversee, chairman of the dance, expects a capacity crowd to attend, and lots of fun is promised. Not only are the members inviting their own guests, but invitations have been extended to many outside couples.

#### CLIMAXES PICNIC

For many freshmen, the dance will top off their class picnic which is planned for Friday afternoon. The dance will be held at Junipero Serra Hall, and will last from 9 p.m. until midnight.

**BIG CONTEST!!!** Free cigarettes for those lucky people that guess the score of the Gauchos-U. of Cal. baseball game to be held here May 18. So far the Santa Barbara nine has beaten UCLA and USC this year in diamond tilts and beating the big brother school, Cal, will be big news. Plan ahead—be sure to keep the date open for the big game so that we can show the northern division of Santa Barbara College that the "big" branch of the University of Cali-

fornia is here at beautiful Santa Barbara. **AT THE PRESENT** time, the Bear nine is undefeated and leading the CIBA conference; however, they meet the mighty Trojans from USC in two tilts this week which will probably decide the school flying the championship pennant this year. If the Gauchos can beat the "Battlin' Bears" it will prove that the Hardermen really do have a good squad.

## Fifty Men Working Out With Williamson In Spring Practice

In Spring a young man's fancy may turn to love and other things, but at the well-worn campus of Santa Barbara College, it's mostly other things. Heading the list of "other things" is the return of football fever and the beginning of spring practice.

With fifty men already working the kinks out of their legs and shedding some of that extra poundage, it is beginning to look as though Coach Stan Williamson will again be faced with the headache of trying to pick out what men to keep and what men to let go.

### USE MODEL T

This season the old system of using the box formation will be discarded for the more popular and universally-used T-formation. Stress is being placed on basic T plays in order to get the men accustomed to the change of style.

Many of the members of the 1946 football squad—backed by about 35 new members—are back in their togs. Included in the returnees are Vic Paulson, Joe Rossi, George Crellery, John Daniels, Jack Vogt, Elston Golson, Tom Burt, Gordon Sheldon, Bob Woolridge, Roy Steele, Sam Dimas, Max Pickarts, Frank Kirkland, and Tom White.

### FUTURE QUARTERBACKS

Competing for the quarterback position are Bill Steele, Sherman Worth, Don Murray, Harold Nelson, and Tommy White.

Many of the former Gauchos who have not shown up yet because of being engaged in other sports are Harold Swift, Gerald Swift, Cy Williams, Buck Billinger, Al Katich, Royal Cathcart, Earl Engman, Mel Patton, Fred Lloyd, Harold Dudridge, John Cooper, Sam Cathcart, Mal Eaton, and Jack Carlson.

## Benefit Concert to Feature Headley

Climaxing a brilliant concert season of Hubert Klyne Headley is a benefit concert for the Touffreville Committee of Santa Barbara given by the successful composer-pianist. This concert will consist of his original compositions only. It is to be presented at the Lobero Theater, Friday, May 9, at 8:30 p.m. Special student tickets are available at the music department office.

Mr. Headley has recently returned from an extensive tour of 20,000 miles, which not only included the United States, but also Europe.

### WORLD FAMOUS

Best known through his symphonic compositions, "California Suite" and "Arcontango," Headley has added new laurels to his creative career because of the world premiere of his latest "Symphony for Radio" in Paris during the summer of 1946.

Mr. Headley was awarded the coveted Edward MacDowell Fellowship in Musical Composition, thus meriting the distinction of being one of America's foremost composers.

**THE GAUCHO NINE** has been alternately hot and cold this year. They have shown streaks of brilliant ball playing, then at other times they have fallen apart at the seams and become easy prey for opponents. The two Troy games are good examples of this. They dropped the USC squad, then came back two weeks later to get walloped. **THIS YEAR'S SQUAD** is, however, almost entirely composed of freshmen who have never played together before. Most of these fellows will be back playing for SBC next year. They should then prove to be unstoppable. The players are good, the hitting is wonderful, and when the team gets the special coordination that only comes by playing together for a long time, then UCSBC will be the top horsehide team in Pacific coast college baseball.

**TENNIS THIS YEAR** on top of the hill has been progressing rapidly. The Gauchos netmen have dropped but one tilt this year and that was lost to the mighty powerhouse from UCLA. The squad has not been given much publicity, but they deserve support for the fine way that they have been representing SBC.

**REMEMBER MAY 18—Gauchos-Bear baseball game!**

## Delta Zetas Hold Mom's Breakfast

Delta Zetas have invited their mothers to their annual Mothers' Day breakfast, to be held this year at the home of Mrs. W. B. Trueman, patroness. The DZD alumnae organization, under the presidency of Mrs. Al Rasmussen, is sponsoring the event and handling all arrangements.

Setting June 7 as the date for their spring formal, DZD's have begun plans for this annual event. Kay Kimber has been working on favors, and Ellie Little and Ynez Foxen are in charge of music.

### SEVEN NEW ACTIVES

Presented at the Panhellenic formal last Saturday night were the seven new DZ actives. The members of the spring pledge class wore a halo of yellow and purple flowers in their hair. Ardis Adler, pledge captain, introduced the group in the absence of President Elsie Tatum, who was sick with poison oak. Those pledged in the fall were also introduced.

Preceding the formal, members of the sorority and their escorts gathered for an informal party at the California Hotel.

## Trackmen Close Season

The Gauchos cinder squad copped their last home meet for the 1947 season by taking all but six of the fifteen events in both the triangular and dual meets held last Saturday at La Playa Stadium against Coach Payton Jordan's Occidental spike-men and Coach Voltmer's Cal Poly thinclads. The final tally for the triangular meet for 84 1/4 for Santa Barbara, 66 for Occidental, and 11 3/4 for Cal Poly. In the dual meet against Oxy the Gauchos amassed 73 5/6 digists to the Tigers 57 1/6.

## Students Urged to Order La Cumbres

Beginning last Monday, a two-week drive advertising La Cumbre, annual yearbook, hit Santa Barbara College campus. According to Margaret Monahan, sales manager for La Cumbre, the annual "has a lot more pages this year than ever before, and an especially big sports section."

Selling for only \$3.00, Miss Monahan stressed that it will be a good buy this year because of the increased number of pictures and other items. The annuals are scheduled to arrive for distribution just before the end of school in June. Receipts will be needed at that time to obtain copies, it was announced.

## Barbecued Steaks For Greek Campus

"Bring your own knife and fork and prepare to sink your teeth into the most de-lishus cow that ever became a steak," said Jim Micko in extending an invitation to all campus Greeks and their guests to the Sigma Alpha Kappa-sponsored barbeque at Manning Park, May 18, 1 p.m.

The price for the dinner, which includes steak (a pound to a person), chili and beans, tossed salad, coffee, and beer, is \$1.00 per person.

### GREEK GAMES

Following the barbeque there will be inter-sorority and fraternity games providing entertainment for all who wish to participate.

"You can make your reservations with any Sig Alph," continued Jim, "but you'd better hurry since reservations are being limited to 250 persons."

## Near 2-Million Vets Attending Schools

Slightly more than 1,777,000 World War II veterans were attending school under the Servicemen's Readjustment Act (G. I. Bill) and the Vocational Rehabilitation Act (For the disabled) on Feb. 28, Veterans Administration reported.

The report disclosed that the number of veterans in institutions of learning had increased 64,095 over the Jan. 31 total. This increase of about 4 per cent included World War II veterans going to school in foreign countries as well as those attending school in the United States.

### College Majority

VA reported that about 64 per cent, or approximately 1,100,000, of all veterans in schools, were enrolled in institutions of higher learning, and 663,000 were enrolled in other schools such as business colleges vocational and trade schools and secondary schools.

## Science Majors Observe Grunion

Last week observers lined principal beaches from San Quentin, Lower California, to Monterey, to tabulate the habits of the mysterious Leuresthes Tenuis (Grunion).

Science students who were assigned the project as a field trip included Bill Neeley, Ernest Lynch, Bob Bailey, Ed Coristen, Bob Hutchins, Jack Neighbors, and Cliff Smith. Other students, not included in the assignment, saw the "scientists" wandering around the beaches. It is reported that some "rather good" picnics took place.
