SANTA BARBARA, CALIFORNIA, FRIDAY, NOVEMBER 28, 1924

HIGH SCHOOL STADIUM WILL BE DEDICATED TOMORROW

The program for the presentation of the new High School stadium to the school was announced recently by Mr. J. W. Peyton, head of the High School R. O. T. C. unit. The ceremonies will take place in the new bowl at 2:30 P. M. on Thanksgiving Day. The program will be short enough to allow the dedicatory football game between the High School and Huntington Park High School to begin promptly at 2:00 P. M. The High School student body is invited everyone in the county or elsewhere who come and see the opening of the best high school athletic field in the West.

Major Peyton promises a very impressive program, most apropos to the occasion. At 2:50 the student body will form on the field in a prearranged formation and open the proceedings with appropriate ceremonies followed by a military salute by the High School Band, Mr. R. C. T. to Mr. Frederick Forest, president of the student body, will read a proclamation from Mr. Peabody with a speech to the students of the school at which his honor Prof. Montfort, president of the student body, will read a proclamation from the school the address of appreciation and appreciation. To conclude the program will officially dedicate the field and present it to "Peabody Field," the students and guests will join in singing "Anthem." Then the program will be continued.

The High School has promised some real drama in the way of organized rooting at the game. It is rumored that a uniformly costumed root section will occupy a section of the bleachers and the letters "H. S. R. K." will appear at a given signal from the pol leader as one of the features of organized rooting.

STUDENT BODY WILL HOLD DANCE DEC. 5

A Student Body social affair will be held on the evening of Wednesday, Dec. 5, according to an announcement made by Mr. J. W. Peyton. Although definite arrangements have not been completed, the announcement of the event is such that students may plan to attend the social affair. This will probably be the last social event before the Christmas vacation.

HOME ECONOMICS CLUB RECEIVES COMMISSIONMENT

The Home Economics Club, which includes all women in this department, recently received congratulations and the presentation of a check by the "Grassroots" from Los Angeles, representing a group of student Home Economics from the American Home Economics Association, whose purpose is to improve conditions of living in the home, in the institutional household and in the community.

Miss Hunt was a guest of the College about a year ago and was entertained by the Home Economics women.

ENGRAVER VISITS SCHOOL IN INTERESTS OF ANNUAL

Mr. E. C. Warburton of the Commercial Art and Engraving Company of Los Angeles, visited the College Friday morning to see Ted Ellsworth, the student who starred for the Frosh girls in the final game that decided the championship of the girls' basketball team. Mr. Warburton brought down some samples of special borders and reliefs that have been designed for the 1925 Los Angeles County Fair and has contended to do the half-tones again this year.

Mr. Warburton brought down some samples of special borders and reliefs that have been designed for the 1925 Los Angeles County Fair and has contended to do the half-tones again this year. Mr. Warburton expressed great interest in the plans that have already been completed for the Annual and promised the aid of his company in producing a "best-ever" book this year.

UPPER CLASS WOMEN WIN BASKETBALL CHAMPIONSHIP

The upper class girls' basketball team last Monday afternoon defeated the Frosh girls in the final game that decided the championship of the girls' basketball team. The previous two games had resulted in a victory and loss for each team, so the championship was in doubt until this last game was played.

The Frosh opened the contest with a throw and a field goal, and kept the ball continuously in their own territory. After a few minutes of play the upper class women began to drop the ball thru the ring with unusual accuracy, while the Frosh were unable to accomplish anything easy shots. The half ended with the score 21-3 in favor of the upper class women.

The upper class was nearly a repetition of the first, although the Frosh won a brief rally in the last few minutes of the game. The final score was 45-15, leaving the upper class team undisputed school champions.

The goal-shooting of the victorious Frosh was headed by Miss Peters, better known as "Ted," who scored the first free throw, and Miss Granger scoring the second free throw, and Miss Granger scoring the second free throw. The great difference between the scores of the two teams is attributable to the excellent teamwork of the victories, and the guarding of the Frosh forwards by "Sopher's." The upper class was never outplayed.

The line-up for the two teams was as follows:

**Frosh**
- John Franklin............Forward
- Eleanor Warren............Center
- Edith Anderson............Guard
- Pearl Linder............Guard
- Mayme Linder............Guard
- Catherine Berry............Guard
- Inez Stewart............Guard
- Catherine Bowery............Guard
- Myra Boyd............Guard
- Mildred Mix............Guard

**Upper Class**
- Barbara Warburton............Forward
- Marcella Smith............Forward
- Dorothy Schilt............Forward
- Margaret Morris............Forward
- Ethel Anderson............Forward
- Barbara Downey............Forward
- Kitty Winters............Forward
- Helen Lewis............Forward
- Pearl Linder............Forward
- Myra Boyd............Forward
- Mildred Mix............Forward

**Basketball**
- Edith Anderson............Forward
- Pearl Linder............Forward
- Mayme Linder............Forward
- Catherine Berry............Forward
- Inez Stewart............Forward
- Catherine Bowery............Forward
- Myra Boyd............Forward
- Mildred Mix............Forward

**Scoring**
- Upper Class: 45 points
- Frosh: 15 points

**Total Points**
- Upper Class: 15
- Frosh: 45

**Tots**
- Upper Class: 12
- Frosh: 10

**TRYOUTS FOR PLAY HELD MONDAY**

The tryouts for the Christmas play, "A Christmas Carol," which is to be given under the auspices of the Literary Forum, will be held next Monday night at the regular meeting of the Forum. The casts of the play consist of four persons. Joseph and Gladys Terrill and Elizabeth C. Nelson, the husband being a genius, kindly and affectionately surrounded by his beloved wife, the wife, a moreover, and their children. Miss Nelson, a charming, graceful woman, with an impish, quick and captivating manner.

Dolly Wakelee is an impulsive but never unkindly person, a person who is capable of doing anything.

Her former fiancé is Ted Edson. Ted is a large, clever man whose wit and charm are combined with a somewhat heavy heart during the first part of the play. The cast of the play will be limited to the members of the Forum. Any one wishing to try out should see Miss Nelson, who is in charge of the Forum, before Monday night.

The tryouts will begin at 7:30 in the Trinidad Building on Monday night. The Literary Forum will meet at 7:30 in the Pueblo Library. Mrs. A. H. C. Coonrod, manager of the dramatics, will select the cast.

THANKSGIVING HYMN
FOR CALIFORNIA

Our forefathers gave thanks to God
In the land by the stormy sea
For bread hard wrung from the iron sod
In cold and misery
Though every day meant toil and strife
In the land by the stormy sea
They thanked their God for the gift of life
How much the more should we!

Stern flood had they, full many a day
In battle with an alien race
But they were alive and free
And they thanked their God for His
How much the more should we!

For we have a land all sun with gold,
Adored by a summer sea:
Gold in the earth for our hands to
Gold in blossom and tree
Cuided and plenty and beauty and peace

From the mountains down to the sea 
They thanked their God for a year of
How much the more should we!

—Mrs. Stetson

W. HARDIN HUGHES MAKES EDUCATIONAL STUDY

A personnel and achievement study of a high school graduating class and its college entrants was set forth in the November-October Educational Research Bulletin by W. Hardin Hughes, who has been director of our student session. Mr. Hughes has made an in­triguing and illuminating comparison of the individual's scholarship attain­ment and the personal traits, namely, regularity and persistency, trustworth­iness, sense of accuracy, respect for authority, co-operativeness, quickness of thought, strength and control of at­tention, retentiveness of memory. Although honor students rank high in nearly each of these traits, they may be relatively weaker in leadership, force of personality and co-operation. A rating in the best quarter of the traits scale has a great predictive value in college success. A rating in the lowest quarter of the high school class in such intellectual traits as con­trol of attention, sense of accuracy, and quickness of thought is pretty certain to foretell failure. Through use of a chart and explana­tion Mr. Hughes has shown the extent to which each of these traits has value in predicting college success. According to him, at the top of the list stand control of attention, retentiveness of memory, initiative and aggressiveness and quickness of thought.

We must have made quite an im­pression on the Bakersfield team and
The "Renegade," the weekly publication of the Kern County Junior College is fairly bristling with the two words, "Santa Barbara."

MR. JACOBS SPEAKS AT JUNIOR HIGH SCHOOL

Mr. Jacobs spoke on the "Why and wherefore" of the motion picture at a "Father's Night" program held by the Junior High School Parent-Teacher Association Thursday evening in the school auditorium. He pointed out the aims and functions of the Junior High School.

GIRLS WILL ADOPT NEW UNIFORM

A plan was submitted to the Girls' Club by Daphne Latham and Anna Lido for the uniforms to be made for the club. The club made their choice from the samples of green flannel. Uniform blouses have been made to worn with white skirts. Miss Frye and her classes are to help. This will minimize the cost.

Shades of Robinson Crusoe

Imagine the scene. A sandy desolate shore, the wreck of an old coastwise schooner piled up against the cliff. Floating, tossing, rolling fanning breakers, giving forth an ominous forbidding note. A little rowboat, driven with three men, approaches the shore. From the appear­ance of the boat three weighty things strike the observer. Here are young men, on the way over. An instant of awful silence, then they come and to the stranded cry of a man in distress.

First voice (agitated): "Biff! Where are our shoes?"
Second voice (amused): "Keep your clothes on!"

"Where are my shoes?"
"Where are my clothes?"
"Keep them on!"
"I'm after our tackle!"

First voice: "Hey! Grab my hat before it goes out to sea."
And so on, and so on. The action in the surf continues for a few minutes, and then the three young men come to shore and play put and take. They take their clothes off, and put the long sleeves up in the sun to dry. In the mean­while another skiff approaches the shore, and also makes for the beach. In attempting to land, the small bark turns over and starts slowly toward the shore. Then as the wave turns, there is a big crash and the boat and turns it over. An instant of awful silence, then they come and to the stranded cry of a man in distress.

Third voice: "Oh, O. S. Where are the three men?"
Fourth voice: "Three heads appear above the water."
Fifth voice: "What did you lose?"
Sixth voice: "I'm after my shoes."
Another voice in unison: "My shoes! My shoes!"

Mr. Jacobs spoke on the "Why and wherefore" of the motion picture at a "Father's Night" program held by the Junior High School Parent-Teacher Association Thursday evening in the school auditorium. He pointed out the aims and functions of the Junior High School.
OUTING CLUB TO JOURNEY TO CABIN

The Outing Club will make its first machine trip of the year when it travels to the cabin on the Santa Ynez River next Saturday morning. It was originally planned to leave on Friday morning, but the date was changed to accommodate the club members who almost unanimously desired to leave Saturday. About fifteen students and faculty are expected to make the trip to the camp above Paradise Camp, and all are anticipating a pleasant two days.

A part of the group will leave the College at 7 o'clock Saturday morning, while the remainder plans to leave sometime Saturday evening. According to the Coach, no practical science credit will be given for this trip, so there will be no competent instructor along to lecture on the subject of practical science. The members of the club plan to spend the two days at the camp exploring the canyon and country around the camp. The more sturdy hikers will attempt to hike to Gibraltar Dam, that lies at some distance up the river.

Return will be made Sunday afternoon over the historic San Marcos Pass.

ART DIRECTOR IS MAKER OF PLATES FOR BIG LIBRARIES

Mr. Berns, acting head of the art department, is becoming widely known as a result of his book-plates. Berns with his colleagues, Mr. MacClean, has designed many interesting book-plates for a large number of private libraries the country over.

Mr. Berns has expressed his opinion on the art of book-making in the following manner:

"The designing of book-plates is an interest which Mr. MacClean and I have had for a long time, but we are interested in this particular, informal phase of art. We believe that a book-plate should express thoroughly the personality of the owner. It should tell just enough and not too much; usually, book-plates tell too much. One interest expressed on the plate is better than a half dozen hobbies. The designing of book-plates affords a wonderful chance for the artist to express himself in design, composition and lettering, as well as an agreeable spotting of black and white. It is not a temporary vogue or fad. Book-plates have been used for years and express better ownership, and in these days they are growing constantly in favor. No one with artistic tastes feels that it is complete without this little artistic expression of ownership—the ex-libris.

ALUMNI GROUP HOLDS MEETING IN FILMMORE

The Alumni Association held a lunch at the Orangery Room in Fillmore for the Santa Barbara graduates who are teaching in Fillmore. Mrs. Miller and Dr. Stockton also spoke at the Venture County Institute which is being held in this week.

The guests of honor at the luncheon were Mrs. Blanche T. Reynolds, County Superintendent of Schools, and Miss Alice Powley, County Supervisor, who are former faculty member of the State College. Nearly twenty Santa Barbara graduates attended the luncheon.

EXCHANGES

The stage craft classes of the Santa Barbara High School are designing the sets for the Scopus play which is to be presented in January.

The students of the public speaking class of the San Pedro High School had their first opportunity to appear before the public. They visited the elementary schools of the city and took part in the Community Chest campaign.

The girls of the Fullerton Junior College are planning to start a Junior club. The boys seem to feel that college life may become a little too exciting.

The average age of the Sacramental Junior College students is nineteen years. The youngest of the regular students are sixteen, and the oldest are forty-five.

The San Mateo Junior College displayed a cider and ice cream booth at the Armistice Day carnival which was held at the auspices of the American Legion and the High Schools.

The Art Club of the Central State Normal School of Lock Hartzell, Sylvania, is planning an exhibition. Each member of the club is now working on a project which may be included in the exhibition.

A group of students of the Kern County Junior College are planning a Booth's Carnival's mistake."}

PERSONALS

Bob Werkner expects to complete the cabinet he is making in woodwork for his father's birthday next March.

Ray Hahn expects to go home to Porterfield Thanksgiving.

Santa Barbara was not entirely unrepresented by roosters at Saturday's game. Mr. Bradley, Mrs. Long, Henry Miller '24, Henry Scudder, Michael Abbott, Blas, Spud Sawyer, Ester Janssen and Barbara Dwelliany attended the game.

Mr. Ashworth and his family will spend the holidays in Los Angeles.

In the last minutes of play in the Poly game Saturday, Edmund O'Reilly strained the ligaments in his right leg while making an end run. Although Ed is hobbling around school at the present time, a speedy recovery is expected.

President Phelps reports that the meeting of the Student Council of the Teacher Training was most successful. President Phelps returned from Oakland the first of the week.

A number of the faculty are attending the series of lectures on International Relations given by Mr. William MacLennan at the Public Library this Monday evenings. Mr. MacLennan was formerly Dean of the Junior College.

Miss Clarke attended the Pomona-Occidental football game last Saturday. Miss Clarke expressed enthusiasm over the victory won by her alma mater, Pomona.

The Newman Club held its second social meeting Friday night at the home of Miss Edwina Kenny. Except for the football fans, all of the members were present, besides a few new ones. A business meeting followed by dancing and games completed the evening.

Miss Severly is going to spend Thanksgiving at home in Pasadena.

Dean Fyfe recently received appointment on the Santa Barbara Girl Scout's Council.

Miss Bradley, of the faculty, was a guest at a luncheon Sunday at the La Cumbre Golf Club.

Helen Lingspach attended the Oxy-Pomona game last Saturday.

Mrs. Scalzi goes to San Diego for Thanksgiving.

Olga Larsen and Annie Seward plan to go home to Lompoc for Thanksgiving.

Kathryn Kueffer, Ruth Kueffer and Althea Davis are to have a Thanksgiving dinner Thursday. As the girls are having a giving a Thanksgiving dinner to avoid home-sickness, any girl who would like to join in the fun is asked to see any one of them.

Marjorie Holland and Alice Whitney went up to see the California-Stanford game.

Anne Hartwell made a few days' visit at Stanford last week-end, and this week also, taking in the U. C.-Stanford game.

Mrs. Ashworth entertained at tea for Dean Pyle at her home last Saturday afternoon from four to five.

Cards are out announcing the engagement of Miss Mildred Schauer and Mr. Toris Paul Mattia of San Francisco.

STUDENT BODY WILL CONSIDER AMENDMENT

The following amendment which will be voted upon at the next Student Body meeting is being printed so that students may know what they are voting for:

Amendment to the Constitution, Article VII, Section 3.

Section 3. The Social Committee Chairman shall be appointed by the Student Body Council. The committee shall be composed of seven members acting with the Dean of Women.

Article VII, Section 6, now reads: The Social Committee Chairman shall be appointed by the Student Body Council. The committee shall be composed of five members acting with the Dean of Women.

The present social committee feels the need of more assistance in arranging for social affairs. Although members of the Council expressed the opinion that so large a committee is likely to be useless, the social chairman, Helen Culp, feels that such an amendment is a necessity.

FROSH WOMEN WIN
SECOND BASKETBALL
GAME IN SERIES

The Frosh women defeated the upper class women in a fast basketball game Thursday by a margin of one point with a score of 30-29. The game was close and the Frosh, who were overwhelmingly drowned in the first game of the series to the tune of 42-10, showed remarkable improvement in the second contest. The tie was played off Monday afternoon.

Those who are unoblivious to the honor of the upper class women are Eleanor Warren and Murree Miller, forwards; Irma Steward and Mary Slife, guards; Elta Burnett (captain), jumping center; Barbara Dewlaney, side center, and Gladys O'Shea, substitute for guard and jumping center. The Freshman team which won Thursday's game is composed of Ethel Franklin (captain) and Iris Bulten, forwards; Alice King and Catherine Berry, guards; Alice King and Catherine Berry, guards; Etta Burnett (captain), jumping center; Barbara Dewlaney, side center, and Gladys O'Shea, substitute for guard and jumping center.

Rene P. Le Fevre has been appointed chairman of the local American Legion committee which is to prepare for a float in the Tournament of Roses which is held in Pasadena each New Year's Day.

DE MOLAY ORDER WILL GIVE DANCE FRIDAY

On Friday evening, November the twenty-eighth, the Santa Barbara Chapter, Order of De Molay, of which a number of our students are members, will give a dance in the Arlington hallroom at 9 o'clock. Greenough's famous orchestra will furnish the music. The ballroom will be decorated in De Molay colors and a real live evening is planned. Jimmie Williams of the local High School has charge of the affair. The dance is open to the public and a good crowd is expected to attend.

MR. RUST SPEAKS TO UNIVERSAL CLUB

Mr. William Rust, instructor of auto mechanics, gave a talk on France before the Universal Club and Mr. Peet's Geography class last Friday. During his boyhood, Mr. Rust lived in Flanders, on the northern coast of France, for eight years. Mr. Rust lived in the highly fortified town of Dunkirk. This town was in reality little more than a huge fort, having about 50,000 inhabitants. The wall, which surrounds the city on all but the ocean side, was forty feet high and a block through. On the outer side of the wall, a most twenty-five feet deep and about four hundred feet across serves a further fortification to the city. In addition to this apparent form of fortification there is a number of hidden batteries and guns.

"Been able to get any coal?"
"No, but I've subscribed to another Sunday newspaper." —Ex.

Mr. Rust's Geography class last Friday.
