

Voting for Class Officers Today; Run-offs on Friday

Elections will be held today to fill vacancies in important class offices. A special runoff election will take place on Friday of this week to decide any ties. Election booths will be placed in the Quad on the Riviera Campus. There will also be a booth in the main hall of the Administration Building on the Mesa Campus.

Pauline Byard, Election Committee chairman, urges all the students to get out and vote as these officers will be representing them and their ideas.

This year campaigning will be allowed on the Men's Gym lawn, during the voting. However, no campaigning will be allowed in the Quad area where the actual voting will be taking place.

Candidates for freshman president are Richard Lorden, Michael Lally, Jack Christofferson, Lynn Shanton, Sandi Lockhart and Thad Roberts.

Freshman vice-presidential candidates are Sylvia Hamm, Donna Pat Wolf, John MacLellan, Pat Dominis and Nancy Holcomb.

Running for freshman secretary-treasurer are Judith Mills, Judy Garcia, Nancy Terrell, Virginia Eyre, Janice Lyon and Barbara Sue Pickens.

Sophomore presidential candidate is Dave Daniels.

Senior president will be chosen from Gordon Hardey and Bill Stoner.

Senior vice-president hopefuls are Dale Humphries, Pat Gaard and Dorothy Keirn.

A special straw vote will be cast on the candidates for president in the national election to see which candidate is favored by a majority of UCSBC student body.

Social Committee to Hold Gaucho Dances

The Social Committee, under the direction of newly appointed Chairman John Winger, met for the first time last Thursday and have planned an exciting schedule of dances for the Gauchos.

On Saturday, Oct. 25, there will be a big Homecoming dance at the Montecito Country Club. For all alumni a dance will be held at the University Club. Tickets will be on sale starting today at the ticket booth in front of the Men's Gym, for \$1 per couple. "Last year's dance was a big success and it is hoped this year's will be an even better one," said Winger.

The Social Committee also plans to sponsor several special dances throughout the year. Tentative plans show dances after football and basketball games and a sock hop. They again plan to sponsor the annual Christmas Formal, tentatively planned for the Coral Casino sometime in December.

Applications Due For Colonel's Coeds

Applications for Colonel's Coeds will be mailed to all boarding and sorority houses tomorrow and completed application forms must be turned in to the Office of the Dean of Women by noon Wednesday, Oct. 22.

In addition to the information required on the application blank, each application must be accompanied by a picture. These pictures will be placed on the ROTC bulletin board prior to the election of new members by the ROTC unit.

The Colonel's Coeds were organized to promote interest in the ROTC program and to increase the understanding of that program among the rest of the students. The girls assist in planning and conducting the annual Military Ball and other activities connected with ROTC. They are also honorary guests at various military ceremonies held throughout the year.

'All For U' Offers Full Schedule

The fifth annual All-University Weekend will begin in Berkeley with a boom: President Robert Gordon Sproul's voice, as he presides over the All-U meeting at 11:00 a.m. Friday, October 31. Sharing the spotlight with President Sproul in the Weekend opener will be the student body presidents, yell leaders, and bands and glee clubs of each of the University's campuses.

Edward's field will be the scene of the Bruin and Bear frosh football game at 2:30 in the afternoon.

Through the entire day free coffee and doughnuts will be served in the Student's Union, where all activities will be holding open house. Conducted tours of the Berkeley campus will radiate from Eshleman Court all day. Information booths and campus identifying name cards will also be provided in Eshleman Court.

Warmth and humor will be added to the occasion by the All-U banquet to be held at 5:30 p.m. Friday. In attendance will be President Sproul, all the Chancellors and Provosts of the University, all student body officers, key alumni and administrative figures, and all others who wish to attend. Tickets will go on sale next week.

Rally

Spirit will be sparked for the main event Saturday when the combined bands, yell leaders, and the Berkeley rally committee provide a real treat in the traditional Greek Theatre at Friday evening's rally.

Saturday morning the engineering minded will be interested in the engineering open house to be staged by Berkeley's prominent Department of Engineering.

As the campanelle strikes eleven, the Aggies and Gauchos will begin their struggle for supremacy on the gridiron of the Memorial Stadium.

Brother Bruin and Brother Bear will match claws at 2:00 p.m. At approximately 4:45 p.m. one of the warriors will be groggy with the intoxicating perfume of fresh rose buds.

Dance

Topping off the events of this year's "family reunion" will be the relaxing music of Charley Stern's orchestra as he plays for the fifth annual All-University dance. With its door prizes and intermission entertainment, this event promises to be a strong finish for a perfect weekend.

Attendance of visiting campuses is expected to neighbor 5,000 students for the All-U Weekend. One of the largest gatherings in the nation of football rooters is traditionally in the stands during the day's athletic classic.

Students may get their game tickets at the Graduate Manager's Office.

CHANGE OF ADDRESS

It is requested that all students who have changed their local residence address since the beginning of the semester report to the Housing Office and fill out a change-of-address card. It is important that the Housing Office maintain a complete and correct file of local addresses and telephone numbers of all students enrolled in college.

SCHOLARSHIP CUPS are being presented to Rena Frabony, center, Claire Podger, and Carol Funk by Provost J. Harold Williams as Awards Committee Chairman Priscilla Simms looks on.

Four Students Receive Scholarship Cups For Highest Scholastic Standings

Four students receiving the highest scholastic averages in their classes were awarded scholarship cups by Dr. J. Harold Williams, provost, in his office last Friday. The awards consisted of trophy cups and were presented for the school year of September, 1951, to June, 1952, according to Priscilla Simms, Awards Committee chairman.

The freshman award went to Carol Funk, a music major from Berkeley, with an overall average of 2.704. She is a member of Kappa Alpha Theta sorority, Spurs, sophomore women's honorary, and of Phi Beta, national music and speech honorary.

The sophomore award was won by Claire Podger with a 2.921 average.

Rhodes Scholarship Applications Open

Applications for Rhodes Scholarships are now being taken, it was announced by Dr. George Hand, chairman of the Rhodes Scholarship Committee. Interested students should consult immediately with Mr. Douwe Stuurman, institutional representative for the scholarship, at his office in Oak Hill 102. Local applications must be processed by Oct. 20.

To receive a Rhodes Scholarship a candidate must be an unmarried male citizen of the United States, between the ages of 19 and 25 at the time of admission to Oxford in October, 1953. He must have completed at least his sophomore year to be eligible for application.

Recipients of Rhodes Scholarships are entitled to two to three years of study at Oxford University with an annual stipend of 500 pounds or roughly about \$2000 in purchasing power. Candidates are selected on a basis of scholarship, leadership and physical vigor. No restriction is placed upon a Rhodes Scholar's choice of studies. Thirty-two scholarships are assigned annually to the United States.

Registration Figures Not Yet Broken Down

The office of the Registrar has not completed the final breakdown of the registration figures into the various divisions as yet but they will soon be available and will be printed in the next issue of El Gaucho. These figures will include the number of men and women and the breakdown into the various departments and majors.

She is a junior high education major, member of Phrateres, women's service club, and has been on the Dean's List for the last four semesters.

The recipient of the junior class award was Rena Frabony with an average of 2.957. Rena is a physical education major and last year was an active participant in the annual dance concert.

Charles Willis was the senior with the highest scholarship average, 2.766. He graduated in August with a credential in industrial arts and is now teaching in Los Angeles. While at SBC he was a member of appa Delta Pi, education honorary, Sigma Pi Tau, honorary industrial arts fraternity, and was on the Dean's List for the majority of his college career.

Eleven Chosen for Queen Candidates

Eleven girls have been chosen to vie for the honor of Homecoming Queen. The Queen will be chosen Thursday, Oct. 23 during an assembly.

The girls and their sponsors are Joan Arnold, Sigma Kappa; Jodi Buckle, Delta Sigma Epsilon; Betty Dorman, Delta Gamma; Marjorie Gibson, Romans; Dottie Kee, Alpha Delta Pi; Karen Melby, Phrateres; Terry Osterhaus, Pi Beta Phi; Leontine Smith, Alpha Phi; Lorrie Stillings, Chi Omega; Betty Woodhead, Kappa Alpha Theta; Ina Zimmerman, Sigma Tau Gamma.

The candidates will be interviewed next Thursday at 11:00 by Joe Costantino. The judges will make their choices immediately after that.

'Burning Darkness' Tryouts Tomorrow

Tryouts for the second Associated Students play, "In the Burning Darkness," were held yesterday and will be held again tomorrow night at 7:30 in Room 7 at Oak Hall. This play, which is under the direction of Dr. Theodore Hatlen, will give its three performances Dec. 4, 5 and 6 in the Riviera Auditorium.

The first play to be presented this season, "Squaring the Circle," under the direction of Dr. Edwin Schoell, is rehearsing daily for the performances to be given No. 5, 6, 7, 13 and 14. The play, a Russian comedy, will feature in its cast George Monk, Robert Vogel-sang, Dave Dave Hodgkin, Rolf Linn, Sidney Vilen and Clair Arnold.

MUD BRAWL AND DINNER FEATURE 'ALL FROSH DAY'

"All Frosh Day" will be held tomorrow at the Goleta Campus from 4:30 until 11 p.m. Freshmen are required to attend, and Margot Abbott urges all students to turn out for the fun. The day's events include a mud brawl, a dinner, the tribunal, and dancing. Tickets for the dinner and dance are 75c per person and may be obtained at the Graduate Manager's Office or from any Spur or Squire on campus.

A bus has been obtained for students who do not have a way of getting to Goleta. It will leave

the Riviera Campus at 4:30, go directly to Goleta, and then return students to the Riviera campus at 9 p.m. Hours for girls who live in boarding houses have been extended to midnight. Students may ride the bus both ways free of charge.

Mr. W. F. Madden, superintendent of buildings and grounds, gives these directions for finding the campus. "Go north on State Highway 101 to Fairview Avenue, in Goleta. Turn left and follow Fairview to Hollister. Turn right onto Hollister. Follow Hollister to the airport. Turn into the airport at the main gate, turn right and follow the road out to the west gate of the Goleta campus. Turn left on the first road and follow it to the men's gymnasium."

The mud brawl will start at 4:30 with a tug-of-war between the sophomore and freshman boys. Any girls interested may take part. Dave Daniels, sophomore class president, will judge the brawl. Showers will be made available to anyone who wishes to use them.

Dinner

AWS, under the direction of Myra Jaccard, will sponsor the dinner from 5:30 until 7:30. The tribunal for freshmen will start at 7:30 with the student body, junior and senior presidents officiating. Those freshmen whose names have been found most frequently in the black box will be taken care of at this time.

The junior class, under President Harvey Robbins, will sponsor a dance to be held in the Auditorium until 11 p.m. Skip Wilson's orchestra will play.

"This is an all-school affair," says Margot, "and we hope to see everyone there. Remember, too, this is your chance to see the Goleta campus."

Contemporary Britain Today's Lecture Topic

Dr. H. Edward Nettles, professor of history, will speak on "Contemporary Britain" today at 4 p.m. in Pine Hall 100. This is another in the All-College Lecture series to which all students are cordially invited.

Dr. William Frost, assistant professor of English asserted that "art and morals are two separate spheres," and that we should "keep esthetic judgements about an artist's work distinct from ethical ones about his life" at the first of the fall All-College Lecture series last Wednesday.

Dr. Frost spoke on the subject, "Boswell, F. Scott Fitzgerald and the Relation Between Art and Morality," in which he discussed the private life of each author and its bearing on each author's professional career.

A brief summary of some of the incidents in the lives of the two authors was given during the lecture in which quotations were selected from Lytton Strachey's essay on Boswell, the recently published "London Journal," edited by Frederick Pottle, and Arthur Mizener's life of Fitzgerald, "The Far Side Of Paradise."

Bass Voices Needed For Modern Chorale

According to Dr. Van A. Christy, director of the Modern Chorale, there is an urgent need for men who can sing bass, as two of the three bass section were called into the service.

The Modern Chorale is one of the most popular music organizations on the Santa Barbara College campus and is open to all students who can qualify. It is not too late to take the course for one unit credit. If you have a bass or baritone voice, and like to sing, contact Dr. Christy, Pine Hall 108, for further information.

Delta Gamma Wins Scholarship Trophy

Delta Gamma was awarded the scholarship cup for the sorority having the highest grade average for the past year. The cup was given at Presents Saturday night.

Delta Gamma had an average of 1.706 for the year 1951-1952. Other sororities in order of scholarship averages are: Alpha Delta Pi, 1.637; Alpha Phi, 1.626; Chi Omega, 1.616; Delta Sigma Epsilon, 1.529; Kappa Alpha Theta, 1.482; Pi Beta Phi, 1.395, and Sigma Kappa, 1.349.

Comparative averages for the spring semester show that Delta Gamma was also first in that with 1.760. Spring semester averages for other sororities were: Alpha Delta Pi, 1.677; Chi Omega, 1.637; Alpha Phi, 1.615; Delta Sigma Epsilon, 1.589; Sigma Kappa, 1.538; Kappa Alpha Theta, 1.491, and Pi Beta Phi, 1.361.

The overall sorority average for 1951-52 was 1.551. The overall college women average was 1.522.

YOU Can Vote . . .

On the national political front looms the coming November Presidential election. Newspapers, movies, radio programs, TV shows, magazines and conversations all point to the number one topic of the hour—politics.

Right now the students of Santa Barbara College are faced with a similar problem, that of selecting the right candidate in the class elections that are taking place right now. Voting is a privilege. We are not forced to vote, but we, as conscientious students, should take it upon ourselves to take advantage of the right to vote for whomever we please.

Every year the perennial gripe of "How did he ever win that?" is heard. And yet many of these same complainers, if asked whether or not they voted, will reply "No."

Have you voted yet? This is the last day for casting your ballot. The only requirement is that you have your student body card. But the rest is left up to you. You have to do the voting, and no one else can do it for you. Look over the field of candidates. Select the one that seems best qualified for the office in question. And then cast your vote.

Editor:
 As president of Inter Fraternity Council I should like to clear up several mis-conceptions regarding the late lamented television incident.

First, IFC did not in any way offer to absorb the cost for the rental of the television set contrary to what was presented to student council . . . furthermore we did not know that money from our treasury had been volunteered, without our knowledge, until the day that the television set was to have been installed. At that time we were approached for the funds, which I, as president, had to refuse since it is impossible for the funds to be appropriated without permission of ALL the members of IFC.

I hope this will clear up the mis-conception that IFC had volunteered the money for the TV set, and then backed out. A check of the records will indicate this was not the case, and that there was a week's delay in notifying IFC that their treasury had been volunteered for the project by persons not authorized to do same.

This is meant as no personal retaliation, but rather as a "clearing up" of the facts.

Sincerely,
 JOE COSTANTINO
 President IFC

Chet Ward Elected Sailing Club Head

Sailing Club elected new officers for the coming year. Those elected were: Chet Ward, commodore; Chappy Bortz, vice-commodore; Cliff Horn, secretary-treasurer, and Ed Brown, rear-commodore.

Punch and cookies were served while Dr. Terry Dearborn showed some movies on sailing. Plans for a sail were discussed.

Literary Contest Open to UC Students

A literary competition open to all students in the University of California, with special cash prizes for students at Santa Barbara College, is being sponsored this Fall by the Inter-Campus Arts Exchange committee, set up by President Robert Gordon Sproul.

Prizes will be awarded winning entries in the fields of short story, essay and poetry. On the Santa Barbara College campus \$50 will go to the best entry in each of these categories, \$25 to the second and \$15 to the third.

Manuscripts should be typed,

double spaced, with the author's name on the title page only. Short stories have a 7000-word limit, while essays are limited to 3000 words. There is no restriction on poetry entries. Manuscripts may be taken or sent to 100 Oak Hall

any time before the deadline, 5 p.m., Nov. 15.

The literary contest is being held on all campuses of the University, although each campus has its own judges and its own set of

prizes. Judges on all campuses are drawn from the regular faculty.

First-prize-winning entries from all campuses will be published in an all-University literary supplement in the spring of 1953.

Council to Present UN Club Program

At the meeting of the United Nations Club tomorrow in Pine Hall 100 at 7:30 the Collegiate Council for the United Nations will present a program designed to answer the questions: "Is UNESCO Subversive?" and "Is the Declaration of Human Rights a Threat to Our Constitution?"

Dr. Lester Sands will provide a film strip and additional information on these topics. Discussion will follow.

At this meeting Paul Brennan will take office as president and Lee Powers as secretary-treasurer. Applications for membership will be accepted.

All interested in the CCUN or in the evening's topics are invited to attend by the club. Plans for Homecoming also will be completed.

The story goes that the newly-rich Alaskan miner came back to the States for a splurge. He walked into a cafe and ordered—\$25 WORTH OF HAM AND EGGS AND 3 CUPS OF COFFEE. The waiter looked down his nose and replied—

"WE DON'T SERVE HALF PORTIONS"

If you'll try our hamburgers and malts, you'll find that we don't serve half portions either. And they're still only 24c.

Come in and get acquainted. If you'll bring this adv. with you we'll serve a cup of our famous coffee . . . on the house.

GAUCHOS TRAVEL SOUTH FRIDAY

LOS ANGELES STATE IS SECOND 2C2A GAUCHO FOE

Outmanned by a powerful Cal Poly eleven, the Santa Barbara Gauchos were defeated 19-0 in their first 2C2A conference game of the 1952 season.

Los Angeles State, another 2C2A foe, plays host to the Gauchos this Friday night in the Southland. Downed 20-6 by Redlands last week, the Diablos, under the direction of Coach Bud Adams, should provide the Gauchos with their first conference victory.

Poly Scores

Cal Poly lost no time in breaking the no win jinx of La Playa Stadium. In the opening minutes the alert Mustangs intercepted a Gaucho pass to set them up with a 6-0 lead.

The second period saw Cal Poly put the game on ice as the Gauchos just couldn't get rolling. After taking over on the Gaucho 26, the Mustangs, led by quarterback Bob Neal, quickly pushed over six more points.

Padilla, Gorrie Out

Hampered by the loss of Sal Padilla and with Dave Gorrie slowed down by an ankle injury, the Gauchos couldn't get a drive going and never got inside the Mustang's 29 yard line.

A punting duel developed in the second half as both teams battled back and forth with neither getting very far until, in the last seconds, the Mustangs broke lose again and on a 38 yard pass from Neal to Newt Wakeman scored for their 19-0 margin.

The Scoring

The Mustangs got their first score when Thad Murrin intercepted a Gaucho pass and got to the Gaucho six before being stopped. Cal Poly fumbled, lost a yard, and then Alex Bravo boomed over for the score.

Toward the end of the first period the Mustangs once again started moving to pay dirt. After holding the Mustangs on the Santa Barbara three yard line, the Gauchos took over, but were soon forced to punt. The Mustangs got the ball on the Gaucho 26. Jim Miller and Neal combined to move the ball to the 22. At this point Neal stepped back and pitched to end Bob Smith for 22 yards and the touchdown.

Cal Poly intercepted five Gaucho passes, and this combined with superior reserve strength and better balance in their attack turned the tide in favor of the Mustangs.

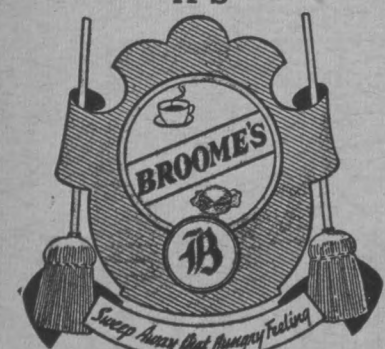

Recreation Group to Convene Tomorrow

"Students of SBC who like to go to the beach, to sail, to fish or to ski will be interested in the California Citizens Conference on Forests, Parks, Beaches and Recreation Use," said Dr. Mary M. Erickson, College chairman for the conference. The conference will be held at the Recreation Center tomorrow, Friday and Saturday.

The purpose of the conference is to bring together the individuals in the state, federal and private agencies responsible for the conservation and wise use of the forests, parks and beaches and to give the people of this community an opportunity to know at first hand and to participate in the development of this program. It is sponsored by the California Conservation Council and is held in Santa Barbara on the invitation of the university and various city and county organizations.

Intramural Sports Council Organized

The 1952 Intramural Sports Council was formed last Wednesday night at the Riviera Campus in a meeting attended by all those organizations interested in taking part this year.

The plans for the entire year were roughly sketched, but the sports which should start right away were scheduled more thoroughly. Those sports planned for the fall semester were flag (touch) football, bowling, badminton, table tennis, swimming, basketball and possibly tennis.

A six-week football season was approved and planned to start October 21. There will be six games a week, played on Tuesdays and Thursdays. The three fields on the Mesa Campus will be occupied for all the games. For the first four weeks each team will play only once, but during the last two weeks the teams will play twice a week. The schedule of the games will be announced later and each team will receive one. The Industrial Arts boys are asked by the council to organize a team and join since there is still room for one or two more teams. They are to contact Dr. Michaels at his office in West Hall 110.

The bowling league started bowling last week to establish the handicap. They will bowl again tomorrow night—the Coeds at 6:30 and the men at 8:30.

The first swim meet was held yesterday in the municipal pool, Los Banos del Mar, at which four trophies were awarded to the two highest teams in the men and women, and the two highest independents in men and women. The next swim meet will be announced later.

The other sport events will be planned at the next council meeting Oct. 29 at 7 p.m. in West Hall 110.

Members of the Intramural Sports Council are: Gene McCarthy, Independents; Wynn Smallwood, Delta Tau Delta; Bill Campbell, Sigma Phi Epsilon; Don McInyre, Sigma Pi; Bill Farris, Sigma Tau Gamma; Ron Ward, Lambda Chi Alpha; Bob Caldwell, Sigma Alpha Epsilon, and Glenn Heathman, Kappa Sigma.

of the council, has asked the college to support the conference by attending the sessions and luncheon and dinner meetings and helping with registration. The Saturday morning program should be of special interest to all who are planning to go into teaching, said Dr. Erickson.

Dr. Scherer Has High Game as College Bowling League Opens; Games Tomorrow

The college keglers got under way last Thursday evening in their first meeting of the semester. The men's league saw some fine bowling for the first night. Dr. Paul Scherer of the faculty team had the highest score of the game with 207. Dick Waterman of Lambda Chi Alpha had the highest series with 543, including two 205 games.

The results of last week's games put the Down Town Drunks in first place after winning four games from the Gutter Snipes. Lambda Chi, Delta Tau Delta, and

Cross Country Team Begins Practices

Practice sessions have begun for the 1952-53 Gaucho cross-country team. At present six men, including two lettermen from last year, have been working out daily at La Playa Stadium. The team is again coached by Nick Carer, who guided the Gaucho tracksters to second place in the CCAA conference meet and also to a second place in the Southern Pacific AAU meet last year.

Returning lettermen from last year's team are Wayne Piercy and Duane Mittan. Also out to bolster the team are four PC transfers: Galan Pearce, Morton Ward, Jerry Downing and Enneth Triguero.

As the season is just getting under way, Coach Carter urges all men who are interested in cross country to come out for the team. Practice begins each afternoon at 3:30 at La Playa.

At present the cross country team will probably have four or five meets, including the Cal Poly and AAU meets, which are scheduled for La Playa Stadium.

Prizes Offered for Travel Poster Designs

Prizes of \$50, \$30 and \$20 are offered by Travel and Study, Inc., of New York City, to students who submit winning designs in a poster competition for student tours to Europe.

Competition, which closes on Oct. 25, is open to both undergraduate and graduate students. Designs should illustrate or suggest student travel to Europe and should be centered around a slogan of no more than six words. Posters may be no larger than 13½ by 10 inches. Further information may be obtained by sending for a brochure from Travel and Study.

Students who would like to earn part or all of the cost of a trip to Europe next summer may obtain information on becoming a Travel and Study campus representative. Students interested in this work may obtain details from Travel and Study, Inc., 110 East 57th St., New York 22, N.Y.

the Faculty each won three games.

In the Coed League the high honors went to Glen Heathman with a 201. Lloyd Heavin had the high series with 522.

Hereafter the Coed League will begin at 6:30 sharp, said Bill Faris, chairman of the league. Players arriving late will be able to play only if the first game has not gone to the fourth frame.

Team standings are as follows:

NOSE, THROAT,

and Accessory Organs not Adversely Affected by Smoking Chesterfields

FIRST SUCH REPORT EVER PUBLISHED ABOUT ANY CIGARETTE

A responsible consulting organization has reported the results of a continuing study by a competent medical specialist and his staff on the effects of smoking Chesterfield cigarettes.

A group of people from various walks of life was organized to smoke only Chesterfields. For six months this group of men and women smoked their normal amount of Chesterfields—10 to 40 a day. 45% of the group have smoked Chesterfields continually from one to thirty years for an average of 10 years each.

At the beginning and at the end of the six-months period each smoker was given a thorough

examination, including X-ray pictures, by the medical specialist and his assistants. The examination covered the sinuses as well as the nose, ears and throat.

The medical specialist, after a thorough examination of every member of the group, stated: "It is my opinion that the ears, nose, throat and accessory organs of all participating subjects examined by me were not adversely affected in the six-months period by smoking the cigarettes provided."
