Elementary School Notes

Due to the enthusiastic efforts of the pupils the new victrola is practically paid for. Seven dollars and fifty cents is the remaining sum to be paid at the present time. The children are very grateful to Mrs. I. Vance who has donated nine phonograph records to the school. Another ice cream sale was held Thursday and the money was again turned over to the victrola fund.

The sixth grade has been given complete charge of the graduation program which will be held next Wednesday at 2 o'clock.

In the woodwork classes the boys have been constructing small boats and these have been sailed successfully on the College pond.

Miss Weage and student teachers are conducting a physical education examination for students of the College Elementary School. Height, weight, vision and hearing tests are being given. Members of the health class are being examined by Dr. Lamb.

The Cafeteria Project culminated in a real cafeteria day last Thursday. All the food was donated by the parents. Servers were elected from each grade. Arazio Fenzi and Blanch Hillman, of the third grade, were elected cashiers. These coveted positions were gained through the efficiency in third grade arithmetic. Much credit is due to the student teachers of the third and fifth hour classes who supervised the project. With the proceeds Miss Gaylord, of the College Cafeteria was paid for the absence of 15 pupils who regularly attend the College cafeteria. Twenty-five dollars and twenty-five cents was the net profit which was turned over to the victrola fund.

Annual To Be Out Monday or Tuesday

Who are the four most beautiful women in the College? The deep mystery shrouding the answer to that perplexing question will be answered to the satisfaction of all, we hope, on Monday or Tuesday, when the annual appears on the campus. La Cumbre will be presented to all students who have the two semester Student Body cards of the year or one card and two dollars. Don't forget to bring them Monday.

Many new attractions are promised in this year's annual. As well as the large pictorial section, Ted has in store for us several brand new features such as the fraternity and sorority section and the results of the beauty contest.

While the books are being handed out, a public auction of all the pictures that have been used in the annual will be held in the main office. Individual and group pictures will go as well as straight campus pictures in this general clean-up sale. Arrangements for pictures may be made by securing reservations from the editor before the annual is issued.

Library Receives Volume Of Classic Manuscripts

A large volume of classic manuscripts has been presented to the College library by Dean Ashworth who has had the book for some time. The book contains about eighty facsimiles from original manuscripts written by historically famous people. The manuscripts were compiled by George F. Warner, Assistant Keeper of Manuscripts in the British Museum of Historical Documents and Autographs of kings. Each manuscript has an explanation and a translation with it.

Faculty Entertains Local Group

Official groups who have shown interest and activity in securing support for the institution, especially in securing the appropriation for the administration building and land were entertained by the faculty at a dinner in the cafeteria last evening. Those in attendance included members of the education committee of the Chamber of Commerce, officers of the Board of Directors of the Chamber of Commerce; the advisory board of the College; Senator J. J. Hollister and Assemblyman E. O. Campbell and C. A. Stork, member of the State Board of Education and faculty members.

During the dinner several speeches were made by various members of the group.

Letters of Appreciation Sent to Mr. Cornwall

Two letters of appreciation have been sent to Mr. Alfred T. Cornwall, shoe repairer, who voluntarily instructed the shoe repair class during this semester. The following letters, one written by the Head of the Community Mechanics Department and the other by the members of the shoe repair class, were sent to Mr. Cornwall this week:

My dear Mr. Cornwall:

We greatly appreciate your kindness in assisting us by allowing our students to receive their experience in shoe-repair at your shop.

Very truly yours,

Charles L. Jacobs.

Dear Sir:

Through your willingness to cooperate with the State College, we, the members of the shoe repair class have been enabled to finish our required course this semester.

We appreciate that you have given of your time and labor unstintingly in our behalf and for the valuable training in leather work we have received from you.

Yours truly,

Rene Le Fevre, Allen Keim, N. Ray, J. Garber, D. Weir.

A student committee consisting of Frances Drew, Dorothea Loken, Barbara Dewlaney and Carlisle Gorman has been appointed to make seating arrangements for the graduates luncheon Thursday.

Land Appropriation Bill Signed By Richardson

Governor Richardson has signed the land bill allowing the college \$12,500 for two and half acres of land west of the college, according to a telegram received by President Phelps last Thursday evening. The land was secured for future expansion of the college.

Just what the land will be used for has not yet been definitely decided, but it will probably be used for a Home Economics building and several dormitories to be built a few years hence. There is enough room on this stretch of land for dormitories to accommodate three or four hundred students.

The College is not in immediate need of this land, but it was secured to prevent it from being used for other purposes than for College expansion.

Vocational Conference Here Tomorrow

The sixth annual Vocational Research Conference will be held at the College tomorrow through the efforts of Mr. Jacobs who has arranged all details of tomorrow's assembly. A large number of people in positions of leadership in the educational field are expected from Los Angeles and its vicinity.

A luncheon planned for tomorrow noon will be followed by a session in the afternoon. Students as well as faculty members are cordially invited to attend both the luncheon and the afternoon session. Several speakers have been secured for the afternoon meeting among them Dr. Stockton who will speak on "The Hierarchy of Intelligence".

Elementary Students Present Play In Assembly

Members of the College Elementary School presented an original health play before the assembly held Tuesday. Parts of the play were worked out by the students who are members of Miss Bradley's Health Class. Miss Bradley, Miss Pond and student teachers assisted in directing the play.

The skit was given at the Elementary School previous to its presentation to the College.

- "Farewell ye Hills"—Aria from Joan of Arc—Tschairowsky—Madeline Connell.
- Trio—"Barcarolle from the Tales of Hoffman"—Offenbach—Irma Learned, Madeline Connell, Alta Faulkner.

DOINGS OF THE GREEK LETTER SOCIETIES

**Pan-Hellenic Society
Organized Tuesday**

A Pan Hellenic society was officially organized by representatives of the various Greek letter societies who met Tuesday morning to elect officers. Ester Janssens was elected as president of the organization with Kathryn Dirham as secretary.

Members of the Pan Hellenic will include presidents as well as a representative from each sorority and fraternity. Present members include as representatives Ester Janssens, Delta Zeta Delta, Frances Jones, Phi Chi Alpha; Ruth Garner, Alpha Theta Chi; Kathryn Dirham, Tau Gamma Sigma; Mildred Sample, Phi Kappa Gamma; Laura Tade, Delta Sigma Epsilon; Phil Brotherton, Sigma Alpha Kappa; Jack Vince, Beta Sigma Chi.

**Delta Sigma Epsilon
To Entertain Faculty**

Delta Sigma Epsilon is entertaining members of the faculty in the gymnasium tomorrow evening at eight o'clock. A program consisting of musical, dramatic, and dancing numbers has been arranged for the evening's entertainment.

The Phi Kappa Gammas were the winners in an exciting baseball game, played with the Delta Zeta Delta's, last Friday afternoon. The score was 13 to 12.

Tau Gamma Sigma entertained with a picnic supper and dance at Tucker's Grove, last Friday evening.

**Student Officers To Be
Installed Thursday**

Installation of next year's student officials will be held Thursday in the court when the Student Body holds its last meeting of the year. All final Student Body business transactions will take place previous to installation ceremonies.

Monroe Langlow sang at the Rotary Club luncheon given in honor of the Shriners last Friday. "Kashmiri Song" by Woodforde-Finden was his selection which was followed by "Her Dream" as an encore.

President Phelps has been sporting a brand new Hudson Coach lately.

**Men's Glee Club
Holds Rube's Dance**

The Men's Glee Club gave its final blow-out of the season last Wednesday evening in the form of a Rube's Dance at the Farm Bureau Hall in Goleta. Victor Janssen's Orchestra furnished the music of the evening.

The party proved to be the "hickiest" affair of the year, rube costumes being displayed on all sides. Dorothea Loken and Lewis Peters grabbed all the prizes in sight for hick costumes. Dot got a box of candy and Pete received an actual tractor that could leave tracks on any carpet.

Mr. Barnett received a horn and Clara Zeigler a doll for defeating Betty Eddy and Clifford Leedy in a peanut race. Although these were the only prizes of the evening, many more entertainments were enjoyed by the rubes before the evening was over.

**College Students Nurse
Sprains, Broken Noses**

Viola Schoen is recovering from a broken nose received Friday morning when she was accidentally struck by a baseball, with which a group of girls were playing catch in the gymnasium. She was able to have the bandage removed Wednesday.

Barbara Dewlaney, not to be outdone, fell and sprained her ankle while over at Santa Cruz Island Sunday.

Dorsey Pratt became too vicious with a broken vase and is now paying with a badly cut hand, while Harold Morehead still carries his hand in a sling.

Colethea Nicholson is also a victim of a sprained ankle and Grace Miksch is nursing a sprained finger.

Good start for a hospital, don't you agree?

Seasickness Fails To Mar Island Trip

"Sailing, sailing, over the bounding main" and many a weary heart wished itself home again. Nevertheless we must confess there was nothing the matter with some of the members of the parties who went to the island on Saturday and Sunday.

The Sea Wolf saw a jolly crowd safely to and from Santa Cruz Island both Saturday and Sunday. Following a trip into the painted cave which was made in a small rowboat, the trip was continued to Valdez. Picnic lunches were ravenously devoured, and hiking and swimming were events of the afternoon which was spent at Valdez Harbor. The evening meal was enjoyed at Captain Eaton's resort at Pelican Bay. The trip home by moonlight finished a pleasurable party.

Eight individuals stayed overnight on the island, camping at Valdez. The group who spent Saturday and Sunday on the island include the Misses Pearson, Loken, Keiph, and the Messrs. Van Winkle, Carpenter, Sheesley, Conklin, Vandam, Brown.

Those making the trip Saturday were the Misses Wegner, Burke, Glidden, Senob, Sawyer, Mansfield, Pearson, Loken, Chapman, M. Campbell, Hord, Caves, Davis and the Messrs. Van Winkle, Vandam, Sheesley, Conklin, Carpenter, four nurses from the Cottage Hospital and three students from the Santa Barbara Girls' School.

Those in the island party on Sunday include the Misses Garner Dewlaney, Campbell, Warren Bath, Dane, Drew, Poullion, Shepard, Neely, Travis, Stewart, Lane, Runkle, R. Kueffer, K. Kueffer, and the Messrs. Williams, Atwood, Ellsworth, Hollingsworth, Heggie, Dice, Keim, Smith, Bowman Brooks, Jacobs, Laughlin, Lingham.

The Student Body social committee and the two A. W. S. executive boards will be entertained by Dean Pyle Tuesday evening.

The Glee Club quartet will appear before the Rotary Club luncheon today singing Songs from Italy.

Sophs and Juniors Battle For Baseball Title

Girl baseball fans are well pleased with the splendid headway the class teams are making. Due to lack of girls the Freshmen and Junior teams are combined into one team against the Sophomore team. Captain Kimes and Captain Warren of the Fresh and Junior teams, both feel they have a hardy bunch to go up against in the final game.

The date of the final game has not been fully decided on at this time but it will probably be this afternoon at 3:15.

The first inter-class game was played a week ago last Wednesday with the Sophs defeating the Juniors and Frosh to the score of 19-13.

The Frosh staged a big comeback when they played all around the Soph team at the second game last Wednesday. The final score being 26-14.

Ted Ginno, manager of the sport predicts a fast game for the final which will complete the series.

Winshield Stickers On Sale at Co-op Store

The windshield stickers arrived from the Moneta Printing Co. of Los Angeles recently and were put on sale at the Co-op store Thursday. The stickers, which are selling at two for a nickel, are elongated octagons inside which the letters "S. B. C." fill up the space.

If current rumors materialize Robert Vawter and his side kick Webber, of Santa Ana, who nearly copped the Invitational Track Meet this year, will be with us next year. Vawter, it will be remembered, took the distance runs from Weidman, without running and nearly took the high jump. Webber starred in the sprints, and especially shined in the hurdles.

Keith Gunn, Bakersfield guard on the football squad may also be with us next year, according to a letter received from him recently.

Gates Foss may return in the fall, also.

Men's Tournament Nears Conclusion

Due to conflicting work occasioned by the closing semester, the men's tennis finals have not been played off as this paper goes to press.

In the course of the tournament begun a week ago last Tuesday, eighteen men were eliminated to the following eight men: Ted Ellsworth, Ted Marshall, Fred Greenough, Taki Asakura, Warren Atwood, Will Brooks, Flip Brotherton, and Bob Wormser. In the runner-up play off Ellsworth defeated Marshall 6-0, 6-0; Greenough defeated Asakura 6-3, 10-8; Atwood defeated Brooks 6-2, 6-1; and Brotherton defeated Wormser 6-1, 6-4.

In this week's play off Ellsworth defeated Greenough 6-8, 6-4 and the returns of the Brotherton Atwood match have not yet been received. The winners of the tournament will be announced next week.

Women's Tournament Closes Next Week

Finals are now being played off in the girls' tennis tournament which will close next Wednesday. Those participating in the doubles are Anderson, Colton; Burnett, Thompson; Cross, Ginno; Drew, Warren; Luck, Ames; Dillinger, Pitney; Hill, Wilson. The final match has not yet been held in doubles but the winners so far are Anderson and Colton, who will play Burnett and Thompson; Pitney and Wilson will play Luck and Ames.

Singles will probably finish this week but as yet only two couples have played, Ames defeating Luck and Thompson defeating Dillinger.

NOTICE

Although this is the final regular issue of The Eagle, a two-page issue may be published next week.

Nine Men To Receive Baseball Letters

The following men, having played at least two-thirds of the total number of innings, will receive letters in baseball soon, according to a petition recently approved by the Athletic Council:

Football Target Now Under Construction

Casey Gilliland has been putting his P. E. classes to work this last week constructing a football target for practice next year in throwing forward passes. Plans have been drawn up also for building a charging dummy which should help to systematize practice next year. The target will be finished this year, but the dummy will be built in the fall.

Dr. Ellison Speaks Before Exchange Club

Dr. Ellison spoke before the Exchange Club last Thursday at its weekly luncheon held at the Carrillo Hotel. His topic was "The Coming of the Pacific Era". Dr. Ellison who is deeply interested in this subject has made intensive research into the field.
