OUTING CLUB ON MOUNTAIN HIKE

TWO STUDENTS LOST NEAR TUNNEL

The Outing club held its first long hike of the season last Saturday, January the 12th. Seventeen students and faculty made the start, and a roll call at the top, La Cumbre, revealed the fact that fifteen had arrived. The hikers left the Old Mission at seven-thirty twelve strong. By the time that the tunnel was reached the party had increased to seventeen, five having ridden to the south portal.

The party soon began to spread out, and the trail became steep. From a vantage point just above Widow's Tears, hikers might have been seen in all directions, in groups of twos and threes. Four of the hikers reached the top about eleven o'clock, and from then on until almost one the others began straggling in in varied states of dilapidation. Bill Everitt and Ruth Garner raced Jack Vince and Helen Culp for the International Hikers' Stopping Championship, and after a bitter contest, the latter team won out, with a mean (literal) average of 268 1-4 stops to a mile.

The lookout station on the summit was visited, where lunch was eaten and enjoyed by all. Eight of the party came back by way of Flores Flat, where they visited the spring, which was fortunately running. Everybody was home before ten o'clock.

Those who enjoyed the hike were: Mr. and Mrs. C. L. Jacobs, Mr. and Mrs. Lee J. Verret, "Addie" Abbott, "Betsy" Dunbar, "Grany" Youngs, "Jasper" Vince, "Babs" Higgins, "Katy" Hutchinson, Beth Teall, J. Helen Culp, "Robin Hood" Garner, "Sleepin' Bill" Everitt, and "Feet" Ellsworth. LOST ON THE WAY: Mary V. Platt and Lois Pearson. Any information about these two young ladies will be greatly appreciated by the Outing club. When last seen, they were about a quarter mile above the Tunnel.

LECTURE GIVEN ON LIFE OF INDIANS

Mr. John P. Harrington gave an illustrated lecture in the cafeteria last Friday evening. Mr. Harrington spoke on American Indian life. Many students as well as the general public attended the lecture. Owing to the recent discoveries made by Mr. Harrington on Burton Mound, where he has found many interesting Indian relics, this lecture was of especial interest to local people.

Mr. Harrington is a representative of the Smithsonian Institute, which is interested in the discoveries made here.

An interesting party will be held at the residence of Mr. Jacobs by the Community Mechanics department. All details are secret, and a surprise is due to the members of the class who are graduating in February, in whose honor the party will be given.

A.W.S. SUPPER NEXT FRIDAY, REC. CENTER

A supper for the women will be held next Friday, January 25, in the sun room at Recreation Center at 5:30 o'clock, under the auspices of the A.W.S. The supper was postponed from Friday, January 18, on account of the death of Miss Baylor of Recreation Center.

Marian Ogden, chairman of the social committee, and her committee are planning a most enjoyable social affair for the women. Besides the supper, which is the feature of the evening, a short program and various forms of amusement are being planned. The committees in charge of the supper promise a wholesome yet palatable meal.

COLLEGE PLAYS BEAN THRESHERS

Coach Gilliland took both basketball teams up to Lompoc to meet the Bean Threshers. While waiting for time to be called the teams elected as captains, Sonny Schoen for the lights, and Henry Minetti for the heavies.

In a one-sided game the college lightweights defeated the Lompoc lightweights to the tune of 40 to 9. Sonny Schoen earned his title of captain by making 22 points.

The college heavies did better and defeated their opponents by a score of 52 to 12. The heavies showed very good team work and played a fast and aggressive game.

Henry Minetti, the newly elected captain, made 25 points out of the 52.

Howard Sperber, a former student of the college, acted as referee for both games.

YOUNG PEOPLE'S RALLY TO BE HELD TONIGHT

The students of the college have been invited to a special meeting of the young people of the city at the First Presbyterian church tonight. Ralph DeBolt of this school is going to speak on Christian Citizenship. A quartet from the Men's Glee club will sing. After the program, which will not exceed forty-five minutes, refreshments will be served. The rally includes all the church young people of the city, college students, and business young people.

The woodworking class is building a large number of cupboards for the art department.

GUENTHER'S POSITION STEADILY IMPROVES

The many students and faculty members who have visited Mr. Guenther recently have been encouraged to find his condition continually better and a good portion of his enthusiasm and interest returned. It is hoped that Mr. Guenther will be able to take over his classes the beginning of next semester.

The success of some of his latest papers probably has contributed in a measure to Mr. Guenther's continued improvement. A paper on the status of teachers, which is an analysis of the factors that condition the status of teachers in the United States, with a suggestion of methods of improvement, was published in the December Bulletin of the National League of Teachers' Associations. Mr. Guenther is now preparing a sequel to that discussion in which the problem is treated more fully.

GIRLS ATHLETIC NEWS

The freshmen girls were the winners in the final basketball games held just before vacation. Three contests were held between the upper and lower classmen in order to determine the winner. The freshmen were victorious after a hard fight which resulted in a two to one decision. The losing team will reward the winners with a supper which, according to Miss Anna Roenigk, captain of the upper classmen, promises to be good. Those on the winning team are, Captain Elsie LeBlanc, Eleanor Warren, forwards; Bertha Fuller, jumping center; Christine Hamilton and Barbara Dewlaney, side centers; Hilda Gordon, Esther Janssens, guards. The upper class team was composed of Peggy Smith and Barbara Higgins, forwards; Isabel Lyans, jumping center; Frances Drew, side center; Captain Roenigk and Catharine Hutchinson, guards.

Volley-ball is the next sport on the program. Madeline Connel, girls' athletic manager, who has charge of volley-ball, plans to start the season in a short while.

Swimming, under the management of Miss Phil Jones, has gained many enthusiasts. At the end of the month a swimming meet will be held for the advanced class. Special races are being planned for the beginners. Awards will be given the winners. The preliminaries or try-outs for the final meet will be held next week when Mr. Austin will time the swimmers.

1924 LA CUMBRE STAFF IS NAMED

NEW FEATURES FOR ANNUAL PLANNED

The staff of "La Cumbre," the college yearbook, is announced for the first time by Miss Eleanor Zerby, editor of this year's book, and plans for the magazine, to come out in the latter part of May, are now under way. A staff meeting is scheduled for the near future.

It is planned to make a considerable increase in the size of the magazine this year, by including many new departments, and also by adding other new features destined to give the magazine a distinctly "collegiate atmosphere." A special feature of the magazine will be the photographic work done by Ted Ellsworth, manager. This will include soft-tone pictures of the college campus, the Mission, etc. and also more pictures of the college activities.

A snap-shot contest has already been announced, in which five dollars will be given for the best snap-shot turned in.

Even as last year's annual was better than the one of the year before, it is expected that the magazine this year will be even better.

The staff for the "La Cumbre" follows:

Eleanor Zerby	Editor
Terence Ellsworth	Manager
Frances Lincoln	Asst. Editor
Dorothy Edmondson	Asst. Editor
Robert Howe	Asst. Manager
Margaret Burke	Literary
Francis Noel	Men's Athletics
Barbara Dewlaney	Women's Athletics; 'The Eagle'
Frances Dearborn	Classes
Grant Youngs	Student-Body
Ruth Blanchard	Teacher's College; Alumni
Helen Culp	Junior College; 'The Forum'
Marguerite Rinnisland	Home Economics
Eda Proper	General Professional; A.W.S.
Ralph DeBolt	Community Mechanics
Margaret Kincher	Art; Calendar
Marjorie Low	Music
Harold Schoen	Men's Club
William Ashworth	Faculty Critic

SECOND INTELLIGENCE TEST LAST THURSDAY

The second intelligence test to be given in the Santa Barbara College was held last Thursday noon in the gymnasium. It was similar to the former one, though not quite as long. This test was given, it was said, in order to check the averages on the first one.

The results will be compiled and general percentages given out to the "public." Students may get their own individual scores by special personal request at the office.

The Community Mechanics department hopes to have a class in concrete construction next semester so that all foundation work, etc., can be ready for the summer class to begin their construction work on the proposed building for the following summer.

VALUE OF TIME

If we stop to consider it will become obvious to us that many people lose two or three hours every day by not taking care of the minutes. Never think any portion of time, whatsoever, to short to be employed; something may always be done with it.

Nothing is more expensive than time and few things are valued less.

Steadily, unremittingly, mercilessly, life's currents sweep away the hours we squander. One day Winter suddenly asks us: "What have you done all Summer?" And only then does it dawn upon us that time flies and with it flies opportunity. Every week wasted, every day and every minute dissipated is gone—irrevocably gone—gone forever.

Time's wings never turn back; yesterday we cannot summon; the past is irreclaimable; but the future—the future is ours—in tomorrow lies our salvation.

Tomorrow is "now" multiplied.

Start and finish it now!

LET'S SHOW MORE SCHOOL SPIRIT

The term is almost over and we are about to begin a new one. It is time to make 'New Term Resolutions.' Look back over your work of the past five months. Are you satisfied that you have done the best that you could? Do you feel that you have got all that you might have out of your studies and student activities? Do you look forward to this next term with zest and anticipation of better things? If you do not, it is your own fault, for you have overlooked one of the most fundamental truths in life. You cannot take out more than you put in. What have you done for the school? Have you exerted yourself to aid the school in any way? Have you entered into the activities that the school has to offer, or have you held back and bemoaned the fact that the school has so very little to interest you?

The College is what you choose to make it. If there is something lacking here that you feel the need of, don't sit back and grieve over it. Yours is the opportunity to create. If you want Fraternities and Sororities established at S.B.C., start the ball a rolling. If we seem to lack certain clubs and organizations, get busy and see to it that they are started; there is no one to gainsay you. If the College seems to lack in School Spirit, what's the matter with rolling up your sleeves and making a little?

Think it over, people. Shall we leave the old school at the end of the year no better off for our having been here? Shall we depart these arched corridors feeling that we have wasted a whole precious year of our lives? Or shall we all pitch in and do our utmost to make the College a finer place for the coming classes? Think it over.

MISS BAYLOR

It was with the most sincere sorrow and regret that the college heard of the death on last Wednesday, of Miss Margaret Baylor, founder and superintendent of Recreation Center, and prominent social service worker of the city.

Many of the students of the college knew Miss Baylor personally, and knew her as one always interested in young men and women and their problems, always ready to do all in her power to help them. Miss Baylor was a great friend and well-wisher of the Santa Barbara State College, and helped in many ways to further its aims.

The college sympathizes with the community in the loss of so valued a worker and so sincere and true a friend as Miss Baylor.

ALUMNI NOTES

Faculty members who attended the Alumni breakfast at the Biltmore Hotel on December 20, are enthusiastic in their report of the event. Those present included representatives from the Southern California branch of the alumni of the college. Will C. Wood, State Superintendent of Education, was speaker and guest of honor. Other speakers included President Phelps, Miss Severy, Mr. Ashworth and Mrs. Miller from the S. B. faculty; Miss Nell Miller, formerly head of the Home Economics department, and Miss Malcolm Huff, formerly head of the Art department of the Santa Barbara State College.

Miss Essie Elliott, the president of the Southern Branch of the alumni, presided. George Lockwood of Inglewood, vice-president, and John A. Bangerter, secretary-treasurer, were also present.

Over ninety members of the association were present at the breakfast.

* * *
Wilna Veazey, '21, now Mrs. W. V. Peterson, is living at Kingsburg.

* * *
Mrs. Frances Noel (Helen Covey) has accepted a position in the Home Economics department of the Santa Barbara city schools.

* * *
Mrs. G. H. Blunt (Grace Holton, '12) is living in Berkeley.

Ralph De Bolt is sporting a new Overland; quite a jump from a Hup of the vintage of 1910. Ralph is a go-getter.

* * *
The engineering class is struggling with the complicated job of figuring name writing cams. The drawings look like a combination of the constellation and Paris fireworks.

* * *
The house built by last summer's class in carpentry recently sold for a profit of \$1500. All credit for the organization is due Mr. Alltucker of Exeter, California, who so ably conducted this class. He will be with us again this summer, and if plans go through, the summer class will build a training school on our own grounds.

* * *
In auto mechanics, two students are building complete cars from the ground up. This is really remarkable work, considering the fact that practically all the material is being gathered out of the junk yards. Mr. Hull and Mr. Keeler are the men who are putting this over.

She—A penny for your thots.
He, Mr. Staylate—I was thinking of going.
Her Father (at head of sairs)
—Give him a dollar, Viola, it's worth it.

HOME ECONOMIC NOTES

Thursday, the fourth hour, the Home Economics department had a very interesting meeting. At the close of the business meeting a report was given by the H. E. delegate, Bernice Gange, to the meeting of the Southern California Home Economics Association convention held in Los Angeles prior to the Christmas holidays. Miss Ebbetts presented the matter of raising money for the New Hotel for Women, which is being planned in connection with Recreation Center.

* * *
Monday afternoon the department gave a lovely reception at the home of Misses Ebbetts and Clark, in honor of Dr. Blood of Simmons College and Dr. Blunt of the University of Chicago. Dr. Blood and Dr. Blunt are president and vice-president of the National Home Economics Association. The department feels highly honored in having them with us for a short while.

* * *
The older students of the college will be interested to know that Miss Pearl Clark has been recently married to Melville Black at Woodland, Wyo. Mrs. Black is a sister of Miss Clark, one of our H. E. instructors, and a graduate of this college.

* * *
The Demonstration and Serving class is planning an elaborate dinner for its members for Thursday, the 17th. The following Thursday the class will be hostess at a tea given in honor of the H. E. February graduates, to which the faculty and H. E. students are invited.

* * *
Miss Ebbetts spent the holidays in San Francisco.

Miss Clark spent the holidays in Pomona.

CROWD OF 200 ATTENDS JUNIOR COLLEGE PROM

A crowd of nearly two hundred people graced the floor of Recreation Center on the night of December 29 for the Junior College Prom. Original programs in red and green were given out after the grand march, and the dance began to the strains of Greenough's six-piece orchestra.

The decorations were of holiday greens, with college pennants lending the correct collegiate air. Two features provided entertainment: they were a dance by Margaret and Betty Barr and an Egyptian dance by Rolla Elliot.

The crowd consisted mainly of returned college students, who all renewed old acquaintances and had a general good time.

Paying \$1.00 for a handkerchief is too much to blow in.

"What are you looking for?"
 "I lost a five-dollar bill at Broadway and Thirty-seventh street."

"Then why seek it up here at Times square?"
 "Shmore light up here."—New York Sun and Globe.

* * *
 "Say, Bo, where can ya get a raincoat like you'r wearing?"
 "Youse can't see? I got dis in a rest'rant and it was the last one left."—Life.

* * *
 Howe—How many will your car hold?

DeBolt—All the neighbors—and once in a while my wire and myself.

COLLEGE WINS IN BASKETBALL GAMES

On Wednesday, January 9th, the College played a practice basketball game with the local High School and beat them to the score of 68 to 13.

On Saturday evening, January 13th, the College played two games with Oxnard, the light and heavyweight teams playing. The lightweights played to the score of 26 to 17, and the heavies fought to a 59 to 10 score, both in our favor. Sonny Schoen was the star on the lights, with Minnetti starring for the heavies. The heavies or varsity played a fast, snappy game, but didn't show as much team work as they generally do in their daily practice.

Manager Seegert has lined up games with Fillmore, and Lompoc, and is trying to get games with Santa Maria, Santa Paula and San Luis.

* * *
 As there are about twenty-five men turning out every Friday for boxing and they all seem to have the punch, Coach Gilliland is in a quandry as to who will get the high grades at the end of the term. It has been suggested, and the idea is being entertained by him, to put on a battle royal and let the men eliminate themselves. Further details of the battle will be announced in a later issue.

GLEE CLUBS SING FOR BUSINESS W'MN'S CLUB

The Men's and Women's Glee clubs, under the direction of Mrs. Helen M. Barnett, gave three numbers each before a meeting of the Business and Professional Women's club on Monday, January 7.

Between these groups of songs Bertha Fuller presented two of her whistling numbers, and Mrs. Barnett sang three Japanese songs. The evening's entertainment was closed by a piano solo played by Mrs. Shermeyer.
