Vol. XXVI

SANTA BARBARA, CALIFORNIA, APRIL 25, 1947

No. 23

REVISIONS TO REAPPEAR ON COMING ELECTION BALLOT

Making a reappearance on the coming election ballot April 30th, will be the proposed Revision to the Constitution of the Associated Students. Working in conjunction with the Board of Athletic Control, the Constitution Revisions committee has attempted to clear up the reason for the defeat of the Revisions on the last ballot.

The Legislative Council, recognizing that there was a definite need for changes in our present Constitution to clear up certain points and prevent controversy, asked that a committee prepare the revisions. A committee under the direction of the vice-president of the Associated Students worked on the proposed changes two semesters. The revisions were passed on by the Legislative Council, with the feeling that our constitution was being brought up to date, would give us better student government, and would be in line with the policy of the University.

Under Awards in the Constitution, Section 5b 5, it reads as follows:

5. No more than one award may be given to a man in any one college year.

This has been changed to read:

5. No more than one blanket or sweater shall be awarded to any one man during a year. Block "C" certificates and recognition shall be given for each varsity award earned during the year. Upon graduation, seniors shall receive a certificate listing those sports in which varsity awards have been given, signed by the Provost of the College, the Director of Athletics, and the Graduate Manager.

Del Beisell,

Chairman Election Committee

REMEMBER CAMPAIGN ASSEMBLY
APRIL 29 IN QUAD

Fund Drive For Foreign Students Staged by WSSF

Text books are still difficult to obtain. Students in the colleges and universities throughout America often have to wait several weeks before necessary books and materials arrive. As a result, studies suffer and grades drop. It's pretty on the ex-G. I. who is trying to catch up with the years which slipped by while he was in the service. But at least he has the G. I. Bill to help him through school.

In Europe and Asia, in countries ravaged and desolated by opposing armies during World War II, students are forced to mimeograph their own books, when they are fortunate enough to have the equipment for that purpose. Often they find it necessary to print the books by hand, a long and tedious process. Contrasted with their position, our own problems seem relatively unimportant.

Students in these countries have no G. I. Bill to assist them through college. Instead, they came back from the battlefield to find their homes, their universities, and their libraries destroyed and burned. They came back to find a famine, a lack of clothing, and disease of every type in their respective countries. Realizing that the future of man and, consequently, the future of the world, rests in the minds of the students of the world, the World Student Service Fund was organized to assist these students.

The purpose of the WSSF is to see that the students of these countries receive food, clothing, lodging, and medical care. This organization has erected kitchens, dormitories, health sanitariums, and furnished desperately needed food for these students in the past year through the donations given by the students and instructors of countries more fortunate, who realize the necessity of continuing the education of peoples throughout the world in order to insure a lasting peace through knowledge and enlightenment.

Beginning May 5 and ending May 10, Santa Barbara College students and instructors will be offered the opportunity to prevent future wars. A World Student Service Fund will be staged on this campus so that all may have an active part in shaping the world to come. Enough nickels, dimes, and quarters can change the future from a bleak and dismal prospect to one in which lasting peace and the brotherhood of man will be the keywords of every nation.

CHESS PLAYERS

Here's a chance to display artistry in chess playing by joining the Chess Club, which is opened to beginners as well as experienced players. The club is attempting re-organization, and plans to have a meeting within several weeks. Those who are interested contact Waler Stone, president.

Campus Festival May Queen Festival Set for Wednesday

Amidst an array of her six lovely princesses, the Queen of May will be crowned by student body President Dick Brians at the May Festival to be given by Alpha Phi Omega, honorary campus fraternity, and the Phrateres groups on Friday evening, May 2, from 9 to 12 p.m. at the Recreation Center.

The queen and her attendants will be selected by the student body election on April 30 which will select the top seven girls from the many candidates entered by various campus organizations. These entries were recorded in the graduate manager's office this past week.

Mock Weddings Performed

A new type of between dance entertainment and refreshments will be offered in the adjoining patio at the Rec. Punch and cake will be served by Nani Leilani and Gnomes respectively for a small charge in gaily decorated booths. There will be other booths to attract the attention of the dancers. One will feature a mock marriage bureau with the most Reverend Walter S. Beaver officiating, who will "tie the knot that binds" and present the couple with the mock marriage certificate. Other booths will be Penny Pitching handled by S.F.S., Garter Toss with Las Meninas in charge, and Pu Ko How will feature a Fish Pond for those who wish to try their luck.

FRENCH COMEDY PRESENTED TONITE

"M. Santa Barbara", a French comedy in two acts, will be presented in the auditorium tonight at 8:00 p.m. Admission with student body ticket is 25c.

Although the play is in French, sufficient characters speak English to make the entire story understandable to witnesses not familiar with the French language. The cast is made up of students in the foreign language department.

BUDGETS DUE

George Graves, chairman of the finance committee, requests that all departments submit their budgets by May 1, so that they may be appraised.

Music Department Presents Annual Campus Concert

The annual organizations concert of the music department will be given Wednesday, April 30, at 8:15 p.m. in the Riviera auditorium. Four of the campus groups will perform. The program is as follows:

I
A. Ifca's Castle—Czech Arr.
Folk Song Hadley-
Oschenbiener

B. Prayer of the
Slavic Children Golde
C. Sesta Schmitz
D. The Shepherdess Robertson
Women's Glee Club
E. Clouds Biresak
F. Old Nursery Tune
with Variation Arr. Wilson
G. Think On Me Scott
H. Romance—"The
Desert Song" Romberg
Soprano Solo—Nancy Bramlage
Treble Ensemble
I. Listen to the Lambs
(Religious Characteristic) ..Dett
Soprano Solo—Eise Jensen
Combined Groups
Helen M. Barnett—Director

II
A. Abenlied Schumann
B. Fugue G Minor Bach
C. At An Old Trysting
Place MacDowell
D. Drink to Me Only with

String Ensemble
Edwin Jones—Director

III
A. Glory to God in
Heaven Bortnianski
B. The Turtle Dove— Arr.
English Folk Song Vaughan-
Williams
Baritone Solo—Sam Simons
C. Joy Christiansen
D. The Erie Canal— Arr.
American Folk Song Scott
Bass Solo—David Plimier
E. "Little David, Play on Arr.
Yo' Harp"—Spiritual Wilson
A Cappella Choir
Van A. Christy—Director
Accompanists—
Miss Frances Wishard
and Carolyn Blair
All students are urged to attend
this concert!

INTEREST HIGH IN REBIRTH OF LOCAL CINDER CLASSIC

Approximately 700 athletes from 20 colleges and 30 high schools will gather at La Playa Field this Saturday afternoon and evening to vie for honors in the Santa Barbara Relays. Not only will this be the largest aggregation of trackmen ever presented in this city, but the strong competition afforded by the great number of men will undoubtedly produce some very impressive marks for the record books. A look at some of the men and their records will serve to show the track fans what's in store for them this Saturday.

Bruins Strong

Arriving from UCLA, a collection of 34 track and field stars have loomed up as the team most likely to win the 1947 S. B. Relays. Leading this galaxy is Craig Dixon, the man selected by some sports scribes as the outstanding hurdler on the West Coast and among the nation's top best. Although Dixon may be leading in the publicity race, he may not find it as easy to lead the field in the four events in which he has won fame. Dixon's time of 14.5 seconds in the 120 yard high hurdles has been equaled by Jack Kaiser of San Diego. Dixon may also run into trouble in the 220 yard low hurdles when he meets Billy Rhyne of San Jose.

Dixon has established a record of 23.3 seconds for this event while Rhyne has come close with a time of 23.8 seconds. In the 440 yard run Dixon's time of 49.8 will either have to improve or the UCLA star will find himself staring at the backs of Ray Cochran from LACC and Bill Parker of Occidental. Cochran's best time is a swift 47.8 while Parker's is 48.6 seconds.

Half Strongly Contested

In the half mile UCLA is gifted with two men who are setting up some mighty fast times in this event. Ralph Gold's time of 1:54.2 is being crowded by his fellow Bruin's, Hal White, time of 1:54.9 seconds. Both these men will be pressed by Wally Cole of Santa Barbara who holds the school record for the half mile.

Other men from UCLA who are expected to turn in good marks are: Jerry Shipkey, 51 feet 10½ in. in the shot put; Ray Maggard, 13 feet 6 in. in the pole vault; Taylor Lewis, 140 feet 7 in. in the discus, and Howard Taft, 190 feet 6 in. in the javelin throw.

Full of spirit from their recent possession of the Southern California College Conference championship, Occidental College has also some fast men bidding for honors. Bill Parker, who broke the meet record in the 440 yard run with the time of 48.6 seconds, is also a likely candidate for first place in the 220 yard dash with his time of 21.7 seconds. Parker was unofficially clocked in the 440 at 47.9 last Saturday when in the mile relay he received the baton 10 yards behind the next man and finished 10 yards ahead of everyone.

Willie Steele from San Diego seems to have a clear field in the broad jump with his record breaking jump of 25 feet 2 inches.

Coordinator Prods Vets' Check Delays

Traveling to Los Angeles for the express purpose of straightening out the snarled condition of the veterans program, especially overdue subsistence checks, was C. Douglas Woodhouse, Coordinator of Veterans Affairs on the Santa Barbara Campus.

Mr. Woodhouse stated that although the delay in the arrival of the checks was not due to any negligence on the part of the Santa Barbara office, that agency was going to great lengths to see that immediate action be taken.

"We are aware of the causes for the delay in the receiving of these checks and if no satisfaction is gained by this trip, those reasons will be forthcoming," Mr. Woodhouse concluded.

ATTENTION STUDENT BODY CANDIDATES

Candidates running for student body offices should submit to the graduate manager's office as soon as possible three pictures of themselves. These pictures should be 5 by 7 inches in size to be used by the election committee for publicity purposes.

Red Cross Meet Held at Arizona

The University of Arizona at Tucson was the scene of the annual regional conference of Red Cross College Units held last weekend from April 18 to 20 with Kay Updegraff and Carmela Civitelli, as representatives from Santa Barbara College, participating.

Civitelli Chairman

Six study groups, each dealing with a different area of Red Cross work, were the core around which the workshop-conference revolved. Miss Civitelli was chairman of the group discussing international activities and through her work with that group will be active in instigating a program of College Unit participation in international Red Cross cooperation.

Miss Updegraff worked with the group on Veteran Service and stated that plans are already being put into action to provide a Veterans' Service Bureau, complete with a professional home service worker, to be set up on this campus.

Disaster Relief Study

Disaster Preparedness and Relief was a third area of Red Cross service the students found of interest and practical for the Santa Barbara campus. As soon as adequate personnel is available, the College Unit hopes to conduct a survey of disaster possibilities on this campus and, if possible, with the help of the downtown chapter and the school administration to provide volunteers and relief supplies to take care of our own immediate campus needs in case of disaster either to the geographical area or just on the campus.

CALENDAR

TODAY—

Panhellenic Panic night.
Phi Kappa Gamma at the college cabin.
1 p.m.—Gauchos vs. San Diego State at Pershing park.
7-10 p.m.—Nani Leilani barbecue.

APRIL 26, SATURDAY—

Alpha Phi Omega at the college cabin.

APRIL 27, SUNDAY—

Panhellenic formal initiation.

APRIL 28, MONDAY—

7:30 p.m.—Sorority meetings.

7:30 p.m.—Fraternity meetings.

APRIL 29, TUESDAY—

7 p.m.—ASB Council meeting at Ridge hall 100.

APRIL 30, WEDNESDAY—

Student Body election day.

"May Day Queen" election.

3 p.m.—ASB social committee meeting in the AWS room.

7-8 p.m.—WAA meeting in the women's gym.

8:15 p.m.—Organization concert in the auditorium.

MAY 1, THURSDAY—

Kappa Delta Pi meeting at the Gamma Delta Chi house.

Yacht club meeting in Pine hall.

MAY 2, FRIDAY—

Biology field trip.

4 p.m.—Student recital in the music hall.

8-12 p.m.—May Festival dance for the student body at the Recreation center.

6 a.m.—Delta Zeta Delta at the college cabin.

MAY 3, SATURDAY—

9-12 p.m.—Panhellenic Presentation dance at the Recreation center.

6:30-8 p.m.—Chi Delta Chi birthday dinner.

SPRIT OR VANDALISM?

"Sprit" of one variety or another sparked a display of infantile weakness of character last Friday night after the spring formal. It is beyond valid reasoning to find any logical explanation for the wide-spread pilfering and vandalism that took place during the last dance of the evening.

It was expected that the balloons would provoke a final scramble, and steps had been taken to attempt the protection of the decorated umbrellas which would be considered as distinctive "trophies" of the occasion, but what satisfaction can be gained by gazing raptly at a piece of rose trellis hung on the wall of Joe Gauchos room is a little beyond ordinary comprehension.

Local merchants willingly loaned the trellises and other equipment necessary to make the dance decorations the outstanding success they were, but it can well be expected that these same merchants will be much less willing to replace the stolen display equipment for their own show windows and then be expected to cooperate with the college in any future social events.

It can be easily seen that those responsible for this unseemly conduct have no idea of the considerable time, trouble, and effort necessary in preparation for such an event presented for their general enjoyment. If the dance was entertaining enough that they desired a souvenir of the occasion, their desire for such dances in the future had better be strong enough to return the stolen equipment immediately.

BITS O'COPY By Lyle

In further pursuance of the subject begun last week in El Gauchos editorials and continued in Wednesday's columns, the ambiguous institution of "campus politics," we might turn to the relative importance it plays on this campus. It is granted that the general student body is not aware of

the "ward" tactics now in vogue, and further, that the majority, as colleague Jacques pointed out, are not particularly interested. However, as mentioned before also, this majority is, for the most part, not the students who read El Gauchos either. Those interested enough in activities on the campus to pick up the campus paper are usually the same group that is personally affected by student administration.

Importance of Activities

If such a policy of disinterest were generally widespread, the next move would be to take administration out of the hands of the students and vest it entirely in the offices of the business manager and the deans. This would possibly cause no particularly radical changes, either in the card playing in the "caff," or footsie playing in the library, but there are students who have come to college with a desire to participate

in a broader field of activities than that.

Few can argue that those students who actively participate in arranging and staging social events, who handle the diversified mechanics of the large student body funds, engage in the inter-collegiate athletics, or those who take part in the various aspects of producing and staging college plays, musical presentations, and speech and debate tournaments, do not gain valuable experience every bit as important as understanding Einstein's theory of relativity or the date of the War of 1812, perhaps of much greater importance.

Opposition

The problem on the Gauchos campus, if such exists, seems to be not so much the overimportance of politics in activities as it is the fact that the essence of any parliamentary or legislative setup, "opposition," dies with the last ballot cast in each general student body election.

Effective examples of student government on other campuses have always been built around the party system. Such a system has reacted to provide incentive to the group which gains the upper hand during a particular term, and insures a valid consideration of opposing factors on controversial issues. Instances in which serious troubles have resulted from party systems are proportionately low, and in too many cases overemphasized. The answer to local campus politics is not to abolish it—just improve it.

THE CAMPUS CORNER

Dear Track-fans,

There goes the gun—the Santa Barbara Relays are on. And we have some wee items to relay to you.

F'rinstance . . .

Take the "low hurdles" looking cool and confident in a white gabardine skirt. It is \$10.95 and we practically guarantee it to make you look slimmer. And what could be better with it than a striped, boucle, cap-sleeve sweater? In green, navy, brown and coral, they knock 'em cold for 10 bucks. That's a lot of info for one paragraph but let's not waste words!

Then we have the "high jumps"—and speaking of jumping reminds us of 2:00 o'clock, and that reminds us of Harry James, and that reminds us of records, and that reminds us of the new gold chain bracelets with the dandy little dangling discs! For \$1.00 you can own Les Brown's "Sentimental Journey" on the end of a chain. How sensash can things get? Additional "discuses" may be added at 50c a throw!

Here's a word to the wise—if you're "shot, put" in a few hours a nite sleeping. Now, let's see—how can we get the javelin in here?

Patti: Have a cup of "javelin", Gerry.

Gerry: No, thanks, gotta "dash"—100 yard that is!

We've had it!

PATTI and GERRY

P.S. Joanne Wilson looked ravishing last Friday nite in a peach, satin-bodied gown laced up the back and with long gloves to match. Incidentally 'twas a fine dance. . .

Jack Rose

1117 State St.

GAUCHO MAIL BOX

The Editor, El Gaucho
Dear Sir,

Whenever a newspaper abandons its primary task of objectively reporting the news and takes it upon itself to crusade or to attempt to force upon its readers a policy or attitude, it does so at the risk of witnessing a formerly docile public rising to challenge the soundness of the issue raised.

Your paper of April 16 contains on the editorial page an anonymous article regarding tradition and its place on the campus. The statement, it seems to me, is highly provocative and one with which I take issue. The title of the article is "Revive Tradition." How does one revive tradition? All that can be done is to expose or acquaint a group with that which a similar number or kind identified itself in the past. It is the absolute right of the group to either accept or reject in part, or completely, the custom so presented for its collective consideration. If it so pleases the majority on whom the tradition would fall that a prescription against smoking in

the Quad is an archaic and senseless taboo, then the ban must be lifted and surrendered to the will of the many.

Regarding the wearing by freshman students of "beanies planted emphatically on their heads," this is obviously a question to be put to the freshman class itself. The custom is completely irrational and without purpose, unless it is to identify the group by classing it as new arrivals to be treated with scorn, contempt, indifference, and superiority by other students of a higher class whose only claim (and it is pitifully weak) to superiority is one or two years of age which they had no part in determining. Obviously, the freshman class would reject the practice. This should be its privilege.

Most traditions are unnecessary to an efficient and full school life. The great percentage of them are anachronistic and are maintained only to provide alumnae something on which to dwell sentimentally years after they have left college and find life so banal (it can be quite exciting) that they must turn to things past to keep their atrophied minds turning over.

Though I condemn most traditions of the college kind, I do not suggest that they be denied their natural growth. I disagree vehemently that you are going to create a schol spirit by, as you suggest, forcing traditions on the variegated groups of students inhabiting the campus. Who would dictate? By what authority? Whoever he might be and by whatever authority he might rule, his arbitrary edicts would in all likelihood be opposed unless the student body to which he dictates has never known the precious prerogative to choose as the rational mind dictates.

This is a period of flux and change. Let the old impulses which have channeled our energies into old habits be given their freedom to mold constructive new habits, customs, and traditions some of which in all probability will revolve around and be focused upon Santa Barbara College.

Yours very truly,
Don J. Glotzbach

NIGHTMARE FOR POOR PLEDGES

Friday is "Panic Night" for all hapless sorority pledges and plans are ready for the evening that will climax four weeks of pledging activities.

The Delta Zeta Delta, Chi Delta Chi, Delta Sigma Epsilon, and the Tau Gamma Sigma members are holding "Hell Night" at their respective houses, while Phi Kappa Gamma will be making life miserable for their pledges at the college cabin.

The whereabouts of the Alpha Theta Chi, Sigma Delta Phi, and Gamma Delta Chi are top secrets of their members, but all sorority actives agree that tonight will be a memorable one for their pledges.

Elemed Frat Holds First Spring Meet

Chi Alpha Delta, elementary honorary fraternity, held their first spring semester meeting Wednesday, April 16, in the AWS room at the college.

Miss Betty Duysen, president of Chi Alpha Delta, announced that a committee has been selected to nominate officers for this next year.

Speakers for the evening were Mr. Roy Eichelberger, principal of Santa Barbara junior high school, who gave a most interesting talk on inter-cultural relations, and Mr. Douglas White of Roosevelt elementary school, who gave an amusing and instructional talk on "The Human Side of Teaching."

Following the informal talks refreshments were served and opportunity to talk to and ask questions of Mr. White and Mr. Eichelberger was extended to the members of the fraternity.

Beta Betas Sponsor Channel Voyage

At the regular meeting of Beta Beta Beta, honorary biological fraternity, on April 17, the following new members were initiated to provisional status: Harold R. Bennett, Ruth Burns, Berne Holman, William Jorgensen, Carol Kidd, John Mooring, William Neely, Robert Phillips, Joseph Taylor, Gloria Terrill, Lella Thiele, and Charles Youngson. The following members were initiated to full membership: Donald Dickie, William Hutchinson, Dorothy Kircher, and Pat Wells. There are now fifty-eight members of Epsilon Gamma Chapter, including faculty and provisional members.

Officers elected for the coming year are Donald Dickie, president; Robert Main, vice president; Betty Moore, secretary; and Pat Wells, historian.

The Santa Barbara Chapter of Beta Beta Beta will participate in a tri-chapter field trip to the Monterey Peninsula with the chapters from San Jose State College and College of the Pacific on the weekend of April 25 to 27. The flora and fauna of the peninsula and of the adjacent tidelands will be observed, and specimens collected for demonstration and study at Santa Barbara.

A three day field trip to the Santa Barbara Channel Islands on the weekend of May 16 to 18 will be sponsored by Beta Beta Beta. William Hutchinson is chairman of the committee in charge of arrangements for the trip. In addition to the fraternity members, interested students of biology are invited to participate in the island trip, subject to limitations in space. Contact Dr. Hardin by April 29 for reservations.

Play Spiced By Pleasant Studies, Frustrated Love

Following closely upon this week's production in French, "Monsieur Santa Barbara," the department of Foreign Language will offer two Spanish one act plays to the college and public in general on Monday evening, May 5, at 8:00 p.m., in the auditorium. "Repaso de Examen" deals with a cadet in Toledo, who is roused by the night watchman at 3:00 a.m., for the purpose of studying for an examination. An attractive young senorita adds intrigue to the plot.

The cast of "Repaso de Examen" consists of the following: Braulio Richard A. Atkins
Suarez Robert E. Hennings
Aurea Inez Foxen
Mozo Leroy A. Hooge

Production Two

"Sabado sin Sol" represents the predicament of a young girl in love with love, who is intent on enlivening one Saturday morning. Several good looking young men pass her door, but all are oblivious to her charm and hurry on their errands. The girl finally gives the morning up as a Saturday without luck.

Members of the cast of "Sabado sin Sol" are the following:

Florita Doris Saverud
Morales Gavin Hyde
Patino Guido Dal Bello
Estanislao Robert R. Rice
Jose Campo George Hopping

The plays were arranged from the original and are directed by Dr. Samuel A. Wofsy.

Gaucha Professors Attend CSTA Meet

Ivan Evans, president of the campus junior high department, and Dr. Glenn Durlinger attended an annual meeting of the California State Teachers' association in San Francisco last week-end.

According to Evans, the group met with superintendents of all the county schools in California, and a highlight of the meeting was an address given by Roy Simpson, state superintendent of education, on the question of textbooks. The teachers' recruitment program was discussed and plans were made.

At the next meeting of the junior high department, to be held April 29 at the Recreation center, a business meeting will be held, according to Evans. All junior high majors are invited to attend.

PE And Rec Majors Needed In LA County

Physical education and recreation majors who have completed at least two years of college, or students with playground experience, are wanted by the Los Angeles County Civil Service Commission for summer employment from July 1 to September 1 as play leaders and playground directors.

Pool guards, life guards, and locker room attendants are also needed.

The positions are in school playgrounds and county parks in all parts of Los Angeles county. Students are urged to apply as soon as possible as employment lists are being set up now. Information may be obtained from the office of the Los Angeles County Civil Service Commission, Room 102, Hall of Records, Los Angeles 12, California, or by telephoning MU-tual 9211, Station 2912.

Pleasingly Pink

It is unfortunate that the administration building is being painted pink. Now the Tenny committee on un-American activities will at last have something on old UCSBC.

• SPRING IS HERE! And it's Spring at McGill's—with swim suits, and play suits—two-piece and three-piece sets, direct from Hawaii, land of romance and glamour. Colorful, beautifully styled—exclusively at McGill's.

25 East Canon Perdido Near Lobero

The Rubdown

By Nick Lafkas

UCLA TRACKMEN BIGGEST THREAT IN RELAYS TOMORROW—Sportsfans will see the most thrilling track events of the season at La Playa field tomorrow afternoon when 700 track entries from twenty colleges and thirty high schools vie for an assortment of trophies and medals in the newly rejuvenated Santa Barbara Relays. UCLA promises to be the most potential threat having entered a 34 man track and field team of cindermen stars. They will feature such greats as Craig Dixon, one of the nation's top hurdlers and all around athlete, and also Dave Minor and Don Barksdale, who, besides their basketball fame, excel in the high and broad jumps. Gaucha track mentor Nick Carter will be pinning his hopes on Santa Barbara's Wally Cole whose 880 time may well prove serious competition for UCLA's ace 880 men, Ralph Gold and Hal White.

Credit to P. E.

Much credit should be given to students in the P. E. department who have assisted in preparing for tomorrow's relays, and specific mention is warranted "Doc" Kelleher, ex-grad, who has done everything from constructing award platforms to the scheduling of events. Bill Russell tells me that "Doc" is his nickname primarily because his first name is Mayville. Some will remember "Doc" as a star in all four major sports events at S. B. during the years 1933-1937.

To "Doc," then, and to all who have assisted to make the S. B. Relays a success we extend a grateful "thanks." TO BOB "KING" WRIGHT—It's little wonder that your tennis colleagues refer to you as "King" Wright. Your winning records all through S. B. High as tennis ace and now your number one position on the college freshman squad lend weight to that title. And while we're handing out compliments, let me congratulate Terry Dearborn's Gaucha "racqueteers" who have won five out of their six matches played to date, having succumbed only to big brother Bruin.

Also, here's wishing "King" Wright and Captain Alan Cobbes the best of luck in the Southern California Tennis Tourney which they entered at Ojai yesterday. May you both smash your way up and through the finals.

THE BASEBALL PICTURE—is somewhat more dismal than it appeared last week. At last week's writing the Gauchos were second in the league, having tied with San Jose for dual honors. But having split games with both Cal

Poly and COP last week has dropped us into third place. Can we possibly climb to first? It would be possible but tough to do. In the first place, we must trounce San Diego in all four assignments including the two today and the doubleheader on May 3rd. Then we must also take Fresno State later in May plus two more victories with San Jose. Even if we were to win all these games it would still not insure us a first position for the final outcome would rest with San Diego. If they were to lose one of their games then we would come out first, if not, the result would be a tie. That's the way my statistics show it. I'm not saying whether or not we can do it, but I'd sure be happy if we did.

MANAGERS NEEDED—we've had a hurry-up call from Coach Williamson for all men interested in being a football manager. Get in touch with the coach or Bill Morgan immediately.

Netmen Face Heavy Schedule

The Dearborn racketmen, with only one loss (UCLA) in eight starts so far this season, really got down to work this week when they were scheduled to meet San Jose State on the local courts on Wednesday afternoon, play in the annual Ojai tournament Thursday to Saturday, then entertain Loyola University on the Santa Barbara courts on Saturday afternoon (tomorrow).

The San Jose squad, as runner-up in last year's conference championships, was expected to have a fairly strong team and the Gauchos may have found some tough opposition on Wednesday. The Gauchos also drew a doubles team and singles player from San Jose State in their opening rounds in the Ojai tournament the following day, so that rivalry between the two squads was strong.

The Gauchos were to enter a four-man team in the traditional Ojai tournament, one of the largest on the Pacific coast. Bob Wright, top-ranking singles player, entered the singles and also played doubles with Alan Cobbe, varsity captain. The second singles player, to be have been determined last Monday, was either George Manset, freshman powerhouse, Cobbe, Bob Slover, or Morton Dewhurst.

At 1:30 Saturday afternoon, the Gauchos meet Loyola University here in a return match, having defeated the Lions in Los Angeles last month. The public is welcome to witness all local matches on the municipal tennis stadium courts.

Water Ballet Tryouts Tuesday

Forty girls have signed up for tryouts for the proposed water ballet to be presented late in May as part of a benefit tea and show to raise funds for the Student Union building on the new campus. Tryouts will be held at the municipal pool next Tuesday afternoon, according to Coach Terry Dearborn, with girls in the first half of the alphabet coming at 4 p.m. and the others at 4:30. Girls should bring their own suits and towels, and report to Katy Russell or Jean Sanford at the side door of the pool.

Additional expert swimmers, particularly those who may have had ballet experience, are welcome to tryout for the company, which will probably number about twenty-four plus alternates.

FAST SERVICE on PEN REPAIRS

• Your pen may only require some small adjustment to put it in A-1 shape.
• We are equipped with genuine parts and factory-trained servicing for Parker and all other makes.

2C2A LEADERS CLASH AT PERSHING TODAY

Riding on the crest of a long winning streak, the highly touted Aztecs of San Diego take on the Santa Barbara Gauchos this afternoon at 12:30 in a doubleheader at Pershing park. With a sparkling season's record of 14 wins against only one defeat, the Border Boys will be playing for keeps today in an effort to sew the baseball pen-

nant up for the second year in a row. Their league record is 9 wins and 1 loss. Among their victories this season was a 13-2 rout of the California Bears.

Reason for the 1946 2C2A champs' success this year is based on a strong pitching staff composed of 6 hurlers, plus the fact that 5 Aztecs are clubbing the ball for a better than .300 average. Earle Brucker, long-hitting freshman catcher, tops the list with a solid .377.

Coach Spud Harder's proteges have had their ups and downs in league play this season as shown by their record of 7 wins and 5 defeats. However, the Gauchos do have the ability to play top ball when they want to as a look at the overall record for the season tells us that the Hilltoppers have won 14 games in 20 starts, with two of the victories coming over CIBA teams.

By winning both games today, the Gauchos could stay in the running for first place honors, as they have two more games with

Fresno Cards Sign Ex-Gaucha

Former Gaucha, Bill Blackburn, was purchased by the Fresno Cardinals as announced by John Euleless president of the club. Although Blackburn was ineligible for baseball while attending Santa Barbara College, he displayed his fine talent for baseball when he pitched for the Alumni in the Spring.

The purchase was made from the Lynchburg Cardinals of the Piedmont League for an undisclosed sum. Blackburn's chances of breaking into a double-A club dissolved when illness forced him to remain in California.

A lanky right-hander, Blackburn is credited by the local scribes as being a good hurler. He hurled three scoreless and hitless innings against Riverside during Spring practice at Fullerton.

ECE Majors Begin Semester Projects

Members in the early childhood education department met last Thursday evening at the Tau Gamma Sigma house to work on their first projects of the new semester. The group is making stuffed toys and picture scrapbooks for the children at the County Hospital.

Francis Kerr and Annabelle Gibson first presented the idea, and it was not long before all members of the department, including advisors, were busy with needles and scissors. Peggy Pomatto and Marjorie Rogers were hostesses to the group.

According to Evelyn Schallis, publicity chairman, it is hoped that the work on the project will be completed at the next meeting.
