

# FULL SLATE OF CANDIDATES ENTERED IN AS ELECTIONS

Deadline to turn in petitions for students running for AS offices is today, Friday, April 6, announced Elaine Strobel, Elections Chairman. The petitions must be turned into the Graduate Manager's Office by 4 pm, stressed Elaine.

The election machinery got underway last Tuesday when the constitution test was held at 5 pm. All candidates were required to take the test which covered points relating to the University legislative and governing code.

The campus-wide elections will

be held April 17 and 18, with the run-offs on April 20.

### Campaign Publicity

Publicity for the campaigns must be turned in to the Student Body Office by 4 pm today, also. It will be the responsibility of the candidates to follow the rules set down by the Publicity Committee.

Major office candidates may have two posters, one banner and two pictures for the display case. Minor office candidates will be allowed two posters and two pictures only.

Competing for the office of AS president will be Bob Christofferson and Ed McCann. Marie Allen and Eleanor Conte are vying for the position of AS vice-president.

### AS Secretary

In the running for AS secretary will be Pat McCarty, Betty Mahler, Marian March and Marion Sabiron.

Three candidates will be chosen for the positions of men's representative-at-large. Those aspiring to these offices are Ken Brittingham, Pete Burgher, John Cook, Jo

Ferguson, Desmond Kincaid and Ted Troy. Voting on three women representatives-at-large will also take place, with Sally Carter, Benny Droste, Joyce Kaufmann, Veronica Lechleiter, Claire Maher, Anita Mitchell, Pat Welsh and Margaret Wright seeking the offices.

### Lung-Yellers

Hoping to yell their lungs out as head yell leader are Jack Carroll, Bill Grannis, Spud Morrow and Jiggs Pierson.

In the competition for Senior

Class offices are Adran Adams, and Bill Kindell for president; Bill Cunningham, Jean Benjamin, Lionnell Purcell for the vice-president; and Beverly Looper and Kay Ryan for the pencil-pushing job of secretary.

### Keen Competition

Competition is keen for the Junior Class offices. Jockeying for presidential place are Dave Gorrie, Pat Hughlin and Marc Wallace. Battling for the vice-president's chair are Marilu Anderson and Paul Robinson. Barbara Davis and

June Murphy are running for secretary.

Sophomore Class contenders are Don Noble and Bert Prince for president; Bob Holland, George Nelson and Don Sherwin for vice-president; and Mary Nizetich and Melisse Strasser for secretary.

The Mesa Representative candidate is Frank Armstrong.

"An assembly is being planned for April 16, which we hope will inspire the student body to turn out *en masse* for the elections," stated Elaine.

## Early Graduate Wills \$62,000 To College for Scholarships

### Retired Schoolteacher Bequeaths Fortune

A modest, but successful schoolteacher, who built her earnings through wise investment into a fortune, remembered the days she spent in her youth at Santa Barbara College.

In her will, Miss M. Juanita Noble, a retired teacher in Los Angeles, made a \$62,000 bequest to the College, by far the largest gift ever given to this institution.

Miss Noble's bequest was accepted last week by the Regents of the University.

### For Scholarships

College officials were surprised to learn of the gift, \$25,631.23 in cash, and \$37,000 in real estate, all for the purpose of scholarships.

Miss Noble attended here in 1913 and 1914 and had apparently made few contacts subsequently. She was recalled by Mrs. Byron Abraham, retired Registrar, as a "pleasant and gentle student, who was an exceptionally good scholar."

The bequest was part of the \$218,000 estate left by Miss Noble.

### Taught Many Years

She taught both day and night school for many years, retiring in 1946, her last position having been at McKinley Junior High School in Los Angeles. She then traveled extensively and died March 19, 1949, a month after having returned from a trip to Africa.

Miss Noble's will, written in her own handwriting, with six codicils, specified "Santa Barbara Teachers College" and later a "branch of the University of California."

Dr. Henry Adams, chairman of the honors and scholarship committee at Santa Barbara College, said that the policy for dispersing of the scholarships could not be made until full details are received from the Regents.

## SEC Swinging Barbary Coast Into High Gear

With little more than four weeks of classes left before the two-night stand of the Santa Barbary Coast Carnival is slated to begin, Special Events Committee has swung into high gear with a meeting yesterday of all booth chairmen.

SEC assigned plots to all competing organizations, and received all special requests for power, lights and supplies. A list of all competing organizations will be published in next Tuesday's *El Gaucho*.

Locations for the 1951 edition of the traditional fun-frolic are centered on four main avenues of traffic, including the Quad, the Men's Gym lawn, and both sides of the drive connecting these two areas.

### More Publicity

The carnival will be heavily advertised downtown as well as at the Tri-Counties high schools and other colleges in the immediate vicinity. Service camps will receive the word, too, in an effort to increase the financial contribution of the Coast to the two charities, the World Student Service Fund, and our own Goleta Memorial Student Union Fund.

Besides adding to the crowds for the Coast, such off-campus publicity will aid in the informing of high schools of the potentialities of Santa Barbara College and its integration in the University of California system.

## 'ALL MY SONS' IN FINAL RUN THIS WEEKEND

Final performances of "All My Sons" are being given tonight and tomorrow night in the Riviera Auditorium.

A novel feature of the play is the use of the central staging technique. The actors are so close that the audience can literally touch them. Entrances are through the aisles, and the change of acts is effected by dimming the house lights. The audience sits on three sides of the stage.

These final performances, April 6 and 7, give this production the honor of enjoying the longest run in college history.

Outstanding performances are given by all the players. Fred Goerner does a professional portrayal of a son ashamed and indignant at his father's weakness. The mother is played with convincing naturalness by Beverly Benedict. Ken Kellogg carries the audience in his realistic characterization of a kind-hearted but morally weak father.

Claire Maher as Ann Deever, Mary Jane Mistretta as Lydia Lubey, and John Robey as Frank Lubey demonstrate a remarkable degree of absorption in their roles, as do Gordon Stafford playing George Deever, Dick Weston as Jim Bayliss, and Nancy Chmilowski as Sue Bayliss.

The play is as important a production as has appeared on the campus in years. It is being staged in conjunction with UNESCO's International Theater Month. Tickets can be reserved by calling 3116. Curtain time is 8:30 pm.

## AMS PREXY NAMES APRIL 15 FOR 'FRY'

"April 15 is the date set for the spring AMS Steak Fry," says Frank Dominguez, Associated Men Students president.

"I strongly urge all men to buy their AMS cards—price \$1—right away," he continued.

Again the place for the fry will be Tucker's Grove, and, as in the past, athletics will be featured along with red meat. Trophies will be awarded to the champion horseshoe pitcher and volleyball teams.

## Investigate Faculty Spending of AS Fund

A special investigating committee has been appointed to investigate reasons why lines of communication and financial arrangements are falling down in the Speech Control Board and the Music Control Board, announced Frank Goodall, ASB president.

"The purpose of forming this committee is to discover how to improve this situation and not to establish blame," continued Frank.

Members of the committee are Jim Stanley, Frank Dumoulin, Pete Burgher, Bill Norton and Eleanor Conte.

UNIVERSITY OF CALIFORNIA

SANTA BARBARA COLLEGE

Vol. XXX SANTA BARBARA, CALIFORNIA, APRIL 6, 1951 No. 42

CAROL MOYER

WYNNE SMALLWOOD

## SMALLWOOD REIGNS AS DIAMOND KING; CAROL MOYER IS CYMBIDIUM QUEEN

Wynne Smallwood and Carol Moyer were added to UCSBC royalty when Wynne was elected "Diamond King" and Carol crowned Queen of the International Cymbidium Orchid Show.

Wynne, sponsored by Alpha Phi, reigned as king at the annual Alpha Delta Pi King of Diamonds Dance. Other elected royalty were princes "Chappie" Bortz, sponsored by Sigma Phi Epsilon, and Minor Rootes, jointly sponsored by Sigma Tau Gamma and Chi Omega.

### Coronation

The coronation ceremony began with the crowning of the princes, who each received small gold trophies, and was climaxed when Mary Stow, Alpha Delta Pi president, crowned Wynne. Immediately following the crowning, Joanne Harris sang, "You're My King of Diamonds," which was written by Mary Stow for the occasion.

The gold trophy, donated by the Santa Barbara White House, will remain at the Alpha Phi House until the next year's King of Diamonds is selected.

### First Orchid Queen

Carol, of Hemet, is the first Queen ever chosen to reign over the Orchid Show. Her attendants are Janis Wilson and Eloise Butler.

The show started yesterday at

the Recreation Center and will run until Sunday, April 8. In its sixth annual year, it is a benefit for the Santa Barbara branch of the American Cancer Society and will have many exhibitions by famed orchid growers from Europe, Hawaii, and California. Price of admission is 50 cents and tickets are on sale in the Graduate Manager's Office.

### Crowned by Mayor

Mayor Norris Montgomery crowned Carol Thursday night with a crown of jewels and cymbidiums, and colorful corsages were carried by the Queen and attendants.

Carol and the princesses appeared on an all night radio show over KIST for the Cancer Society. Frank Goodall and LeRoy Criss were present also.

## THREE HOME EC COEDS ATTEND LA MEETING

Students Helen Weis, Ann Warner and Pauline Freeman last week attended the annual convention of the California Home Economics Association held at the Hollywood Roosevelt Hotel.

The girls acted as pages for the many meetings held as part of the conference.

A Santa Barbara College graduate, Mrs. Esther T. Long, is president of the organization.

## KNUDSON AND SMITH RELEASE PLAN FOR GREEK WEEK STARTING MONDAY

Final preparations for Greek Week April 9-15, are being made this week, it was announced today by Ted Knudson and Duke Smith, co-chairmen for the annual event. Activities begin this Monday with dinners at the individual fraternity houses with a minister, priest, or rabbi as the guest speaker.

An assembly will be held Tuesday on the Mesa Campus with Provost Williams and several prominent men as guest speakers, while a downtown clothing drive will be held on Wednesday.

The Spring Sing and Rally will be held Thursday night in the Quad with lighted fires at each end of the pool to lend atmosphere to the event. Tentative speakers for the evening are Miss Ellen Bowers, Dean of Women; Mr. Lyle Rey-

## SPROUL REVEALS UNIVERSITY-WIDE ENROLLMENT DROP

Enrollment at Santa Barbara College during the last year has decreased by a greater percentage than that of any other campus of the University of California, according to statistics released by President Robert Gordon Sproul.

In the year between spring 1950 and spring 1951, an 18 percent drop from 2,130 students to 1,742 occurred on this campus. The statistics show an over-all drop of 13 percent throughout the University.

### More Non-Vets

This spring shows a net increase over 1950 in non-veteran students, but this is offset by a decrease of 5,648 veterans. The overall decline is from 41,898 in 1950 to 36,380 this spring.

While undergraduate enrollments decreased on all campuses, Davis and Los Angeles showed increases in graduate registrations, with the Davis increase at a substantial 43 percent.

### Medics Increase

The San Francisco Medical Center increased from 916 to 958 in the last year.

Enrollments by campus, including veterans, are as follows: Berkeley, 18,260, down 17 percent; Los Angeles, 13,447, down 9 percent; Davis, 1,375, down 13 percent; Santa Barbara, 1,742, down 18 percent; and San Francisco, including the Medical Center and Hastings College of Law, 1605, down 8 percent.

## 'Selling' UCSBC to Be Discussed by Deans

"The best salesman is the student himself," is the theory of the faculty, downtown merchants, and student groups who want to "sell" Santa Barbara College to potential students.

On April 18, Dr. George Hand, Dean of Liberal Arts, and Dr. John Snidecor, Dean of Applied Arts, will discuss before the Associated Student Legislative Council the aims of their respective departments and how they coordinate with the aims of the college.

The discussion is directed toward alleviating the present lack of information about the college, and getting the students better acquainted with the general policy of the different departments.

A question and answer period will follow the discussion. The entire meeting is to be as informal as possible in order to facilitate a free flow of ideas, according to Frank Goodall, Associated Students president, who supervised arrangements.

## FOLADARE CRITICAL

Dr. Joseph Foladare, who suffered from a cerebral hemorrhage last week, is still in critical condition in the hospital, though doctors are satisfied with his progress.

## Deadline Set For La Cumbre Photos, Proofs

Friday the thirteenth of April is an unlucky day for all groups and individuals who haven't yet had their pictures taken for *La Cumbre*, according to Frank Goodall, AS president, for that day is the absolute deadline for all picture-taking for this year's book.

Prints are being made of all unreturned proofs now. Anyone desiring to make a selection should go to MacAllister's Studio, 32 E. Micheltorena, immediately. Otherwise the studio will make the choice.

Seniors and individuals who have not had their individual pictures taken yet may go to MacAllister's for sittings from 10 to 12:30 am on Tuesday, April 10, and Wednesday, April 11. After that time no individual pictures will be taken, except the ones scheduled.

Individual pictures of the basketball team will be taken at MacAllister's Tuesday, April 10, from 3 to 4:30 pm only.

All on-campus candid shots must be completed by Friday, April 13. Anyone desiring information about this should contact Frank Goodall in the Associated Students Office, Building "D."

## DANCE CONCERT TO BE GIVEN ON APRIL 13 AND 14

The thirteenth Annual Dance Concert will be presented Friday, April 13 and Saturday, April 14, at 8:30 pm in the Riviera Auditorium by women physical education majors and members of the dance club.

This annual concert is a group project in which all the creative work, production and business is done by the students. Miss Jean Bellinger is faculty director and Mrs. Emma Lou O'Brien is accompanist.

### Friday the 13th

Because this year's concert is the thirteenth, as well as being presented on Friday the 13th, the students decided to compose a group of dances based on superstitious beliefs. The program will open with a dance about ladders, black cats, and three on a match. It will be followed by an impression of hypnotism and then an imaginative dance of the devil and his subjects, led by Nancy Houser, Norma Riner, and Barbara Hunter. Rhoda Wentsch, Phyllis Alden and Linnea Soske will be three gay skeletons.

### Primitive Beliefs

Primitive Aztec beliefs have been the source for choreography done by Nancy Chmilowski, a senior member of Dance Club. This group dance is based on the sacrifice of a youth. Irene Johnson dances the part of the priest, and Nancy the youth. The costumes for this dance are designed by Roger deCloutier, art major.

The second part of the program will consist of diversified numbers composed by various students. Peggy Moses is directing a suite of dances based on Guion's "Three Scenes from the South." It includes a group prayer meeting, a solo dance, and a gay trio.

### Two Dance Poems

Eleanor Denholm will read for two dance poems done by Barbara  
(Continued on page four)

## A Tangible Lesson in School Spirit . . .

School spirit is an intangible thing, but we should all have an idea what it is when we consider the case of the "little old lady" who died recently, leaving behind a gift of \$62,000 to UCSBC to be used as scholarships. This thoughtful present will benefit some of us directly and others of us indirectly.

From such an act, a kind lady's monetary remembrance to her alma mater, we should all learn a lesson in the application of school spirit, loyalty, and appreciation.

## More Girls Needed For AWVS Dances Saturday and Sunday

While more and more servicemen are attending the tea dances given by the AWVS chapter on Sunday afternoons, the attendance of women from the college has dropped considerably, according to Mrs. Kennard, spokesman for the organization.

"The importance of this function to the morale of the servicemen cannot be too strongly emphasized," said Mrs. Kennard. "Unless we extend to these young men, most of whom are away from home for the first time, our friendship and hospitality, they will feel themselves foreigners among their own people."

**Friendliness**

"Many of the boys have spoken of the friendliness of Santa Barbarans in contrast to the other places they have visited, where the mere wearing of a uniform is enough to provoke prejudice."

"It is essential that this feeling of welcome be maintained. As anyone who has been in the service knows, it is hard to meet people and to be accepted in a strange town, and a feeling of bitterness often arises as a result of indifference on the part of the residents."

**New Type of Life**

"May of the boys are barely out of school, accustomed to being among their families and friends, and are now finding themselves with the difficult task of adjusting to a new type of life. The AWVS tries to make them feel that the people of this town care about their well-being, and that we are behind them 100 percent."

Mrs. Kennard told of one girl's attitude after attending several of the dances. "When I first started coming, I was mainly concerned with having a good time. Now I feel that that's not as important as making the fellows feel that somebody is interested in them."

1230 State Street

## GOODALL SUPPORTS INSTITUTION OF GENERAL SECONDARY CREDENTIAL

by Frank Goodall

One of the hotter discussions now being held in the academic ranks of our college is the question of the General Secondary Credential, and the advisability of having it at Santa Barbara College.

It is a question, I feel, that every student should be familiar with since it constitutes a very basic part of our academic scheme. In general, those who are not familiar with some of the educational terms, the General Secondary Credential is the certificate which enables a graduate of a four year institution to go for one additional year and then be able to teach on a high school level.

**Only Special**

At present, those people at Santa Barbara College can get only a special secondary credential which enables students in a few subject fields to teach specific subjects in high school.

The situation now is that many of our graduates who are in the educational field have to transfer to another institution to complete their education. In doing this, we lose much of the so-called loyalty to our college. In reality, it is not fair to the student himself for reasons I will explain later.

**Increase Enrollment**

The first advantage of the additions is that it would increase the enrollment, which everyone will admit is very low, of Santa Barbara College. It will do this through the added attraction of this credential because in many cases students who would attend this institution decide to attend one of the state colleges instead because they do not have to transfer again. This is an important point today as more and more junior colleges are developing and therefore decreasing the lower division enrollment.

As to the facilities and staff at Santa Barbara College, both are adequate enough to handle such a program. As I mentioned above, it is really not fair to the student to take his undergraduate work here and his graduate work in an institution that does not compare with either our faculty or facilities. Our faculty is among the best in the educational field and we rate about fifth in the number of teachers produced in California.

**Startling Fact**

The most startling fact in this entire argument is that we are one of three colleges in California that

do not have such a credential, the other two colleges being Chapman College and the College of Sacred Hearts and Letters. Other colleges such as the newly-created Los Angeles State, Humboldt State, University of California at Davis, Berkeley, and Los Angeles, Fresno State, and many others offer this General Secondary Credential.

The next most startling fact is the ease in which this could be brought about. The actual requirements for a student are:

1. A four year college course with a bachelor's degree.
2. One year of thirty semester hours of postgraduate work of upper division or graduate level or a year of postgraduate preparations which an accredited institution certifies as fulfilling institutional requirements for a post-graduate year of work. This work shall include:
  - a. Six semester hours in professional education courses.
  - b. Six semester hours in subject fields commonly taught in junior and senior high schools.
  - c. The other 18 semester hours can be applied on a master's degree.

**Only Three Classes**

While perhaps this above looks like a lot, it would require the addition of three courses on the 200 of graduate level. Just three courses added and the education student could spend another year at Santa Barbara College.

Space will not permit me to go into all of the ramifications of this, so ask your faculty members about it. As I mentioned, however, it is a pretty hot issue right now, so be sure to ask a faculty member from each division since the Liberal Arts and the Applied Arts are not noted for their friend-

## Poetry Prize Contest Deadline Today

Students are eligible to compete for the Ina Coolbrith memorial poetry prize of \$35 for the best unpublished poem written by an undergraduate at any one of nine California colleges, according to Dr. Henry M. Adams, chairman of the committee on honors and scholarships.

The prize was established by friends of the late Miss Coolbrith, former poet laureate of California.

Colleges in the annual contest are UC at Berkeley, UCLA, College of the Pacific, Mills College, St. Mary's College, Stanford University, University of San Francisco, University of Santa Clara and UCSBC.

Manuscripts should be submitted to the English Department, where a special committee will forward best examples to a committee in Berkeley. The manuscripts are due today, and should bear some distinguishing mark other than the author's name.

Each manuscript should have attached to it an envelope bearing on the outside the author's distinguishing mark and containing within his name, address and class.

## CAMP COOKE DANCES TONITE, TOMORROW

A special dance for servicemen will be held tomorrow night at the Carrillo Auditorium from 9 to 12 pm. All college women are invited to attend. Transportation will be furnished by the Assistance League, and refreshments will be served.

A regular Camp Cooke dance will be held tonight. All women interested in attending either dance are requested to sign up in the Dean of Women's Office.

 Published every Tuesday and Friday during the school year except during vacations and examination periods by the Associated Students of the University of California, Santa Barbara College, Santa Barbara, Calif. Opinions expressed herein are those of the staff unless otherwise indicated.  
 Entered as second-class matter May 23, 1947, at the post office at Santa Barbara, Calif., under the Act of March 3, 1879. Mailing charge is \$2.00 per year, payable in advance.

By Gingie  
 April, May, June — only three more months and Hallelujah! Summer begins for all you college students. Sun, sand, surf, and those good ol' ever lovin' beach parties — huge wonderful bonfires, wieners and mustard, Cardinal Puff, Herman the German — Of course, there are only two things which you can wear to be really comfortable, and your Little Store Behind the Big Tree has a brand new supply of both slacks and pedal pushers.

Dee Richardson chooses either our gray flannel slacks at \$17.95 or navy blue or brown gabardine at \$8.95 for toasting her marshmallows, and we have the good old standby light blue denim at \$5.50 with the so popular White Stag label.

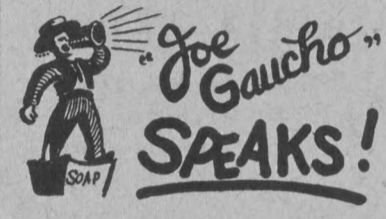

If it's warm enough and you're in the mood, try a moonlight swim. Even at night color on the beach seems to be prevalent. Betty Lark, our Annex buyer, has chosen Rose Marie Reid bathing suits at \$17.95 especially to decorate Santa Barbara's shore — cool, lovely violet, fresh crisp white — Marie Hobson is lovely in the bright persimmon suit and Barbara Leddy asked for her Rose Marie Reid in pale yellow, called Buttercup.

Whatever the color, whatever the style, the Annex has beachwear just for you. Be sure to come in and see me some Saturday soon and I'll be glad to show you all our wonderful things.

low Rose College Annex  
 1309 state street

The University of California Bureau of Occupation here in Berkeley helped me greatly in my final choice of work, giving me a choice of dozens upon dozens of opportunities.  
 You know, I have often wondered why Santa Barbara has never made its students aware of the fact that they are eligible for help from the bureau here and also at UCLA.

Without fail, every time I mentioned that I was working through such bureaus to some one on the Santa Barbara campus, that person did not realize that Santa Barbara graduates will be given the same aid as a graduate from Berkeley.

As a matter of fact, I think students from the smaller branches are extended more liberal courtesy. Perhaps *El Gaucho* should publish the information for the benefit of future graduates.

# THINCLADS ARE SHOWING IMPROVEMENT FOR MEET

## Odds 'n Ins . . .

by Ferguson

Speaking of sports, and specifically baseball, the casual Gaucho sports follower should perk up to the way the school horsehiders are making diamond talk, and Diamond King Wynne Smallwood. With a split doubleheader at LA State and a win over the Waves of Pepperdine, the Gauchos again established themselves as pennant contenders.

This year's nine is demonstrating a balance which has been clouded by some over-emphasization of Gaucho pitching talent to the detriment of the reputation of a not-so-despicable infield combo. Walking batters cuts down the number of hits usually gathered in the game but is not indicative of good pitching.

This also puts men on base and forces infielders to play in closer than good fielding positions to cover them. As it was, the Gauchos were out-errored by both the Staters and the Waves, which leads one to say give the credit where it is due, for the hot-box men have labored under misapprehension for too long.

Box scores also show that Pitcher Bobby Johnston worked two

days' runing over the weekend. This doesn't give the arm too much rest nor the other flingers pitching chores.

Trackwise, the boys in the pretty sweat-suits will be meeting Arizona in an interesting meet this Saturday, with Scruggs rounding into condition. Otey in his 440 down South pushed a 49.9 Bruin and was coming on fast after being lost in the pack. Interest in the "Brick" just has been heightened by the lengths to which the flying discus is being regularly propelled by one Leslie Reed, field-eventer and bass soloist.

V-ball is closing out a successful season with playoffs between the Fraternity "A," Fraternity "B," and Club Divisions coming off next week. All leagues have shown talent and spirited play and some recognition should go to the winners of those leagues besides the play-off champions. Possibly some tangible token can be mustered yet to accentuate the positive effect of a successful season. Spectators get their kicks, too, so plan to attend the playoffs.

Patronize Gaucho advertisers. No advertisers — no Gaucho.

### Gauchos Go North For Horsehide Game

The Gaucho baseball team, healthy for the first time since the season began, trundles north this weekend for games with Bakersfield's California League entry and high riding Fresno State.

The Bakersfield game takes place Friday afternoon in Wasco, Calif., with either Ron Robinson (1-0) or Jerry Lovarou (1-1) to get the pitching assignment. On Saturday, the Gauchos tackle the CCAA Champion Bulldogs in an afternoon doubleheader.

On the hill for Santa Barbara in the opener will be tiny Bob Johnston, who has won two and lost one this season. The tricky left hander throttled Fresno 4-3 in the opening games of the Conference playoffs last year. This year the CCAA will be round-robin play with the Gauchos and Bulldogs meeting three times during regular season play.

In the second game either Ray Rubenstein (1-2) or Wynne Smallwood (0-3) will handle the pitching. Rubenstein will probably get the assignment if a side injury heals in time.

Freest and most accurate swinger on Coach Spud Harder's nine is shortstop Danny Kutch. He is currently banging the ball at a .471 clip and is getting more than his share of extra base blows.

Kutch came off the hospital list last week but is still favoring a bad knee. Another slugger rejoining the squad is outfielder Dave Gorrie, who has been out since season's start with a broken hand.

### JV Tennis Squad Is Victor Over Ventura JC Pirates Varsity

Playing a return engagement, the Junior Varsity tennis team got ample revenge for a previous loss by whipping the Ventura Junior College Pirates, seven matches to two on the loser's courts.

The strengthened J.V. proved much too strong for the Pirate men, sinking their ships in five of the singles and two of the doubles matches.

John Tice played like a varsity netter in defeating Bob Tudor 6-0, 6-2 in the feature match of the day. Tice would in all probability be playing for the varsity if he did not have an AB degree from USC.

Ralph Larson took the measure of Jim Mackay 6-4, 6-3 to win the second singles spot for Santa Barbara. Joe Karat did not find the Ventura courts to his liking as he was far off his usual game. He lost the only singles match to Terrill Cox 6-3, 6-3.

John Chatfield, Milan Thompson and Gene Constantino won the remaining three singles matches for Santa Barbara. Their scores: Chatfield defeated Dick Tudor 7-5, 6-2; Thompson defeated Dave Dunning 6-3, 7-5; and Constantino defeated Phil Ventura 6-1, 6-3.

Tice and Constantino teamed up to win the first doubles from Mackay and Cox 6-2, 6-3. Chatfield and Vaughn finally got used to the slow Ventura courts and won the second doubles 2-6, 6-3, 6-4. Two time loser Karat and Thompson didn't find the going so easy as the Pirates combination of Melton and Ventura won the third doubles 6-3, 7-5.

### Golfers Meet El Toro; Kelso, Former Gaucho, To Play for Marines

Coach Bill Irvine's golf team will be seeking its first win of the season today when the Gauchos tackle a four-man El Toro Marines team at the Montecito Country Club. The match begins at 1 pm.

Top performers for the local club are Don Fredricksen and Laird Stabler. Both men shot 83s last Saturday when a visiting Pepperdine team edged Santa Barbara 30-24. It was the first match of the year for the Gauchos.

Besides Fredricksen and Stabler, Irvine will shoot Bob Lasken and Al Allega at the Leathernecks. They turned in 85s last week.

Irvine said there was a possibility that Bill Kelso, a star member from last year's UCSBC team, may play for the Marines.

## Tracksters to Host Arizona 'U' in Intersectional Meet

Tomorrow, Saturday afternoon, Santa Barbara plays host to the University of Arizona in an intersectional track meet at La Playa Stadium. A feeling of apprehension exists around the track due to the "do or die" spirit developing in anticipation of the last two remaining home meets of this '51 season.

### Four Coaches Have Noted Achievements In World of Sports

by Jo Ferguson

In the spring, like the flowers and cotton dresses, a different group of Santa Barbara College mentors comes to the foreground in the season of their respective sports. These sports figures guide our athletic fortunes from the background for the most part, but are sensational in their purpose and interesting in their past.

Head Track Coach Nick Carter has been connected with track and field either as an athlete or coach for some 25 years, attending Lompoc High and Occidental College during his scholastic days. Nick specialized in the longer distances, establishing a 4:19.4 record mile and a two-mile mark of 9:47.2 the first time he ever ran the event while at Oxy.

#### Many Events

He competed in many outstanding track events, including the 1928 Olympics; a bout of measles kept him out of the 1924 Olympics, and he retired from competition in '29 after participating in the LAAC.

Coming to Santa Barbara in '34, he has left the campus only twice since—for service in World War II and a three-year coaching stint in Peru, which accounts for his ability with the Spanish language, his talents and contacts. Prospects for his track team this year appear optimistic.

#### Bill Irvine

Another quarter-century sportsman, Bill Irvine, is on the staff as golf coach with a reputation as a great teacher and developer who has tutored some 25 thousand golfers in his career. Going to school in Wisconsin, Irvine lettered in umpteen sports and specialized in golf, becoming an outstanding pro for several links throughout the country.

He came to Santa Barbara in 1929 and was appointed head golf coach in '45. Since then, his teams have averaged less than one loss per season and are the winningest of all Gaucho athletic teams. The diminutive coach recognizes a lack of experience in this year's team.

#### Dean of Men

Acting Dean of Men Lyle Reynolds is also a four-year tennis coach here at UCSBC. Always interested in tennis, Reynolds, in his school days at Cal was an outstanding middle distance runner and captain of the Bear squad in his senior year.

He and his attractive wife Eleanor Ann are currently busy raising a "tennis team of our own." They have two boys and four girls in the family ladder, while his racket squad, already in its season, is doing fairly well in its own right.

#### Big Wheel

Big wheel athletically on cam-

The boys have the stuff, they just seem to have been hampered by injuries and bad breaks. Men like Pickarts and Triulzi have certainly not as yet been able to come out with the best marks they are capable of.

Scruggs, after pacing himself on our own old-fashioned oval, proved to be unfamiliar with the straight-away beginning of the 440, which UCLA had last week, and placed second in a race which he could have won but for this handicap.

Improvements are extensive: Les Reed threw the discus 149 feet in practice the other day, and Daly looks better every time he steps on the track. The seniors, Scruggs, Pickarts, Dancer, Vick, Cook and Reed realize these will be their last home appearances.

All this adds up to the fact that things seem ready to bust wide open and this may well be the weekend for records to fall.

There will be a special half mile race between Hugo Nutini, ineligible Gaucho athlete, Wally Wilson of LAAC, winner of last week's Easter Relay open 380, and Pruitt, former USC great.

Great interest is evident when one recalls that Wilson actually ran 17 yards less than Nutini due to inaccurately staggered starts. This race will give a better indication of who is the faster of the two.

Here is the entry list with best times and marks of this season listed where possible.

- 100—Cook, Vick, Ternquist.
- 220—Vick
- 440—Scruggs.
- 880—Daly (2:00), Marks.
- 1 Mile—Crie, Evans.
- Two Mile—Crie (10:30).
- High Hurdles—Cook, Marhenke, Triulzi (14.7).
- Low Hurdles—Cook, Triulzi.
- Pole Vault—Sinclair (12' 1 7/8"), Straten (11'), Mathew (11').
- Broad Jump—Beacom (22' 2 1/2"), Jennings (22' 8 3/4").
- Shot Put—Scruggs (41' 11 1/2"), Reed, Jennings.
- Discus—Reed (136'), Scruggs, Jennings.
- Javelin—Hatcher, Pickarts (204') Reed (178' 6").
- High Jump—Dancer (6' 3 3/4"), Estes (6'), Beacom.
- Mile Relay—Daly, Vick, Scruggs; alternate, Evans or Marks.

Woman to husband as she arrives in auto with smashed front: "And the policeman was so nice about it. He asked if I'd like for the city to remove all the telephone poles."

pus, Dr. Theodore Harder got his nickname "Spud" by supplying his neighborhood with the tasty tubers from his victory garden during the first war. A matriculator of Bakersfield and a Stanford man, he came to Santa Barbara in '34 after a full athletic career and took over as head football coach.

He has since taken over the job of head basketball coach and Director of Athletics. Under Harder Gaucho baseball has flourished. This year's club should be one of his and Santa Barbara College's best, although off to a slow start.

## INTEREST-ED?

We have heard it said that INTEREST is "to engage the attention." We like another definition: "a right, title, or share in a thing, participation in advantage, profit and responsibility."

Since 1915, student acceptance of the College Bookstore has been the sole factor in determining our growth and prosperity. In our efforts to build the "service" department that you have a right to expect, we need your help. YOU determine what we will stock on our shelves. YOU determine what you will pay for these stocks. YOU have a definite share in the College Bookstore.

You might ask what your "share," "advantage," "profit" and "responsibility" are in this college business enterprise. Let's look at what YOU have done to bring a profit to YOURSELF.

In 1915, a single filler of notebook paper cost just 5c over almost any store counter. The College Bookstore (then operating out of a laundry basket) probably bought that filler for 4 1/2c. It wasn't much of a mark-up. It wasn't much of an opportunity to pass a lower price on to the student. The filler cost the student 5c.

As the store grew, purchases of larger quantities could be made. Quantity purchases mean longer discounts. When the discount became great enough, the price to the student was reduced. YOU brought prices down by showing an "interest" in the College Bookstore. Naturally, fillers are no longer 5c. Very few 1915 items are selling at their "pre-war" prices. We guarantee, however, that your best paper bargain in Southern California is right here.

We ask you to look around. If you find something that can be purchased for less elsewhere, we will (barring actual "price wars") meet or beat that competition. This is your "responsibility." If you keep us posted, YOU will definitely "profit" and you'll know we're right when we advise you to . . .

It's to YOUR Advantage"

## PLEDGES DITCH TO VARIOUS 'PARTY TIME' SPOTS, THEN HARRASS ACTIVES

"The Revolution has come!" So sayeth the down-trodden masses of Greek pledges. A full scale revolt occurred Monday with five pledge classes ditching meetings, preferring the wide open spaces to the company of actives.

Delta Tau Delta joined with Alpha Phi for an El Capitan beach party. In the process of ditching, Pat Clark was captured by Alpha Phi actives and held captive in Lowry Hall. To the rescue came the Delt pledges and released her. According to one of the Delt's the affair was very successful in spite of the fact that five actives showed up.

### Warning

The Delt pledges returned home to find bed clothes and sheets knotted into a chain and draped around the house. One of the pledges has issued a warning to his beloved actives. Said he, "Beware, actives. Retaliation is in order."

The other rebellion on Monday night occurred with the combined forces of Delta Sigma Epsilon, Delta Sigma Phi, and Sigma Tau Gamma. The group went South to Wheeler's Hot Springs and vicinity. They made the sneak out of Santa Barbara without mishap, accompanied by captives Pat Fowler of Delta Sigma Epsilon, and John Farquhar, Ted Parker and Frank Thornburgh of Delta Sigma Phi.

### Party Time

The Delta Sigma Epsilons sported five ukeleleists. They, accompanied by Sig Tau Paul Sund and Ted Parker, had a small jam session around the fire. After getting back to Santa Barbara the party dropped in on the Delta Sigma Phi house, roused actives and gave them liquid nourishment.

Sigma Alpha Epsilon pledges went on a stag ditch a few weeks back. They dashed off to Ventura with actives in hot pursuit, but outran them along the way. On the outskirts of Ventura they got involved in helping put out a house fire.

In Ventura they were spotted by two cars of actives, but gave them the slip after a 20-minute chase through town. Then they settled down for the evening in a few of the Ventura pubs.

### Miramar Cottage

The Kappa Sigma-Delta Gamma ditch turned out to be more of a pledge-active joint, with both houses of actives showing up for the affair held at a cottage at Miramar. The pledges took off on their ditch with Dee Gee actives Myra Jaccard and Melida Horn in tow. Kappa Sig actives sleuced the place of the ditch and picked up Dee Gee actives and crashed the party. Part of the evening consisted of song teaching by Tom Purcell.

Kappa Alpha Theta, Pi Beta Phi, and Sigma Phi Epsilon ditched together to a Carpinteria Beach. Refreshments for the ditch were furnished unwillingly by Sig Ep actives. Sig Ep pledges made a raid on their house in the afternoon, hid the silverware and made off with a keg scheduled for a future party.

Kidnapped for the ditch were Pi Phi Mary Rendorff and Theta Janice Macabee.

Some outstanding tricks have

### SDA Holds Beach Party Tomorrow, Invites All

Students for Democratic Action will hold a beach party tomorrow night at 7:30 pm at East Beach, according to Dennis McElrath, SDA chairman.

All interested students are invited to attend and bring their own food. The club was reactivated last semester and has as its faculty sponsors Dr. Harold Plous and Dr. James Walters.

### Summer Courses

#### University of Madrid

##### STUDY AND TRAVEL

A rare opportunity to enjoy memorable experiences in learning and living! For students, teachers, others yet to discover fascinating, historical Spain. Courses include Spanish language, art and culture. Interesting recreational program included.

been pulled by the Pi Phis. They locked tooth brushes of all the actives in a jewelry box belonging to one of the girls in the Infirmary, put moth crystals in the beds and stole the silverware.

## DANCE CONCERT APRIL 13 AND 14

Continued from page one

Davis and Barbara McEwan and there will be a repeat of the dance poem "Patriotic Leading" from the fall demonstration program. "Sugar and Spice," a waltz, is also a repeat dance.

Eleanor Conte is directing a group dance using music from Ferde Grofe's "Grand Canyon Suite," and Joyce MacQueen is doing a dramatic solo. Other concert dancers are Marlene Shapro, Joe Nelson, Pat O'Keefe, Jackie Albini, Diane deLory, Shirley Gaiser, Marian Combs, Barbara Houlihan, Melva Hiensohn, Jean Williams, Bonnie Allison, Wanda Hill and Ceal Gargon.

### Workshops

Workshops have been held in which the students have made sets, costumes and posters. The primary objective of the annual concert is to give the physical Education majors the experience in all angles of dance production. As the final rehearsals are taken to the stage, a student stage crew will take over their responsibilities. The concert will come as one of the final events in Greek Week.

Graduates of the Women's Physical Education Department are extended a special invitation to attend the concert Saturday evening, and after the performance to go to the open house which is held for the performers and their friends.

## PROVOST ATTENDS EDUCATION CONFAB

Provost J. Harold Williams represented the College at the sixth annual National Conference on Higher Education held this week in Chicago.

The conference is considered the most broadly representative of higher education of any session held in the nation.

Trends of higher education are discussed at the conference and this year will place special emphasis on problems which relate to the national emergency and the world crisis.

The conference will be organized in 39 work study groups, each concerned with a major issue of critical importance as higher education prepares for a "long-range period of semi-mobilization," according to officers arranging the conference.

## BILL CUNNINGHAM WINS SCHOLARSHIP

Bill Cunningham has been awarded a \$200 scholarship by the Kappa Sigma Fraternity, according to Dr. C. C. Pugh, scholarship award commissioner at the national office of the fraternity.

The scholarship is one of 30 awarded annually under competitive rules. Bill is a junior, and social science major.

## PANHELLENIC BRIDGE TOURNEY TOMORROW

Alpha Delta Pi will hold its first Panhellenic Bridge Tournament at the chapter house, 1814 Prospect, tomorrow at 1 pm.

Each sorority has been invited to send four of their best bridge players to compete in the tournament. Competition will be on an individual basis rather than by partners. Sorority house mothers have also been invited to attend the tournament.

High scorer among the participants will receive a prize. Refreshments will be served following the bridge tournament.

## DELTA SIGS ELECT OFFICERS FOR SPRING

Carolyn Neilson was recently elected president of Delta Sigma Epsilon, succeeding Vivian Schmitz.

Other officers elected were Margaret Wright, vice-president; Marjion March, corresponding secretary; Bonita Mitchell, recording secretary; Lani Kennedy, treasurer; Pat Fowler, alumnae chairman; Lura Bousman, Panhellenic representative; Margaret Marsh, editor; Tilda Siemon, sergeant; Chick Wright, housemanager; Pat Shaw, historian; and Barbara Hunter, chaplain.

## Blademen Here Fence With UCLA Saturday

Fencing season opens this Saturday, April 7, at Nick Carter's blademen take on UCLA here in the Riviera Gym. Nick doubles in track, but has had successful fencing teams since before the war here at UCSBC.

Team members for the three divisions include Phil Stamford, Andy Rivera and Don Clark on the basic weapon, the foil.

On the heavier blade, the epee, pronounced eh-pay, are Allan Collins, Ken Jenner and Dick Sickles.

On the man-sized weapon, the sabre, will be Jenner, Earl Owens and Sickles, who will be matched against the blades of the Bruins.

## Two Competitive Loans Available for Senior Men, Adams Announces

Two \$1000 loans are competitively available to senior men to assist them in graduate work, it was announced today by Dr. Henry M. Adams, chairman of the honors and scholarship committee of the College.

These loans are made without interest and may be paid back over a ten-year period. Money for the loans is provided by the Jake Gimbel scholarship loan fund, according to announcements sent here from Berkeley.

Applications and explanations of details concerning the loans may be obtained from Dr. Adams.
