College Night Celebrated In College Court Tomorrow Nite

By KATHRYN DIRHAM

Tomorrow night at 8:30 in the court will be held the outstanding function of the college calendar. Every year the college students and many townspeople look forward to College Night with special interest.

The first part of the evening will be taken up with the roll call of the various colleges of the country to which appropriate yells will be given.

The feature of the evening will be a play entitled "The Junior," under the direction of Miss Severy and Roscoe McGuire, a capable cast has been rehearsing. It is a typical college comedy, centering around a group of boys who are working against co-education.

The cast of the play includes the following:

Mary Wilkinson, Anita Dear-dorff, Lua Thurmond, Esther Hawley, Roscoe McGuire, Keith Gunn, Floyd Kenney, Jack Vince, Clifford Leedy, Norman Ault, Lyman Curtis, Henry Batchelder, Francis O'Reilly, Eugene Powell and Sidney Doner.

Music between acts will be furnished by a group of students.

Following the play dancing will be held in the corridors to which everyone is invited. A good orchestra has been obtained for this.

The proceeds of the evening will go to the college student loan fund. In order to arouse more interest in this fund, Frank E. Abbott of Mission Canyon has donated a loving cup to go to the class selling the most tickets in the contest that has been held for College Night. This cup is a permanent trophy and the finance committee will award it each year to the winning class.

The Pep Committee is also working off the tie of three classes in the Interclass Stunt ticket contest. A bench will be given to the winning class. The contests close at noon today and the prizes will be awarded tomorrow night.

Townspeople and any college students who may have not yet purchased their tickets may get them at the entrance tomorrow night for fifty cents.

Tonight a rally and serpentine will be held at the Granada Theatre by all the college students for the purpose of advertising College Night and the college Glee Club will sing a group of songs.

Only Two Students Fail to Pay Dues; Three Excused

There are in the Student Body only two students who have yet to pay their dues, May Malone and Kathleen Goddard. Three others have been excused from the obligation through reasons satisfactory to the treasurer of the Student Body.

Margaret Cronise, '25, is spending the summer vacation visiting at her home here. Miss Cronise is a Senior at Mills College.

LA CUMBRES TO BE ISSUED NEXT WEEK

If present hopes held by the editor and her assistants materialize, *La Cumbre*, S.B.S.C. annual, will be on the campus for distribution next Wednesday.

The delay in finishing the individual cuts may hold up the completion of the book, but the staff is quite confident that it will be released next week.

Helena Culp, assisted by Eleanor Warren and Elizabeth Campbell, has spent much time and effort, particularly during the last days of publication, on the year book. The Schauer Printing Studio has charge of the publication this year.

To get a copy of the annual, a student must have both of this year's semester Student Body cards or one of the tickets and two dollars. Those desiring to get a copy through the last named method, or wishing more than one copy, must have signed on the bulletin board by this time, because a limited number of the books is being printed.

"Frosh Bible" to Appear On Campus Monday, June 7

The annual student handbook, the "Frosh Bible," will be out on the 7th of June if present arrangements are carried out, according to Warren Atwood.

The book will cost 25c. It will contain all topics pertaining to the college campus which includes advice to Freshman and general information on college life, of value to new students. The Seniors are having most to do with the publishing of the handbook since it is from their sage heads that a large part of the information is derived. Pictures in the manual, hoped for since the beginning of the year, will not be included because of the expense entailed.

Health Benefit Constitution To be Changed by Comm.

A committee composed of Harold Morehead, Kathryn Kueffer, and Oran Booth was recently appointed to study the constitution of the Health Benefit Association and make necessary changes or amendments to eliminate problems which have presented themselves at the beginning of previous semesters, especially the spring terms.

The report of the committee will be ready next week for consideration by the members of the association for the spring semester. The time and place of meeting will be announced later.

Only members of this semester will be allowed to vote at the meeting.

Niels Martin and Isabel Lyons, both of the class of '23, have announced their engagement. Miss Lyons is the president of the Pi Sigma Gamma sorority at the University of California. Mr. Martin, who is a brother of Rosamond Martin of the freshman class, also attends the Berkeley institution.

Elementary to Give Circus In Gymnasium Wednesday

Dear Editor:

The lower grades of the College Elementary School are giving a circus, Wednesday, June 2, from 1:30 to 2:30 p.m. in the college gymnasium.

We are going to be soldiers and march to our school band. We are going to have elephants, frogs, clowns and stunts.

We are going to sell ice-cream, pink lemonade, and balloons. We wish that everybody will come.

Bobby Jackson, 1A, C.E.S.

This means that the next project to be staged by the College Elementary School will be a circus to be given by the primary grades in the gymnasium next Wednesday afternoon. Dressed as clowns and wild animals, the children will endeavor to reconstruct a circus on the college campus.

Tickets and costumes for the affair are being prepared at the present time. Proceeds will go to defray expenses and to purchase pictures for the Elementary School building.

Edwina Kenney is in charge of the affair and a large college turnout is expected, now that the students are familiar with the type of entertainment the Elementary School is capable of producing.

STUDENTS MEET FOR SINGING NEXT WEEK

Starting a tradition, the first step singing event of Santa Barbara State will be held next Wednesday night from 7:30 to 8:30 on the terrace in front of the court. Everyone is invited.

In charge of the Pep Committee and Phyllis Randall, the social will consist of singing of popular and college songs. Pamphlets with the words of the songs are being prepared, but those printed in the student body songbook are not being reproduced on the pamphlet.

In making the event an annual tradition, the Pep Committee modeled the event after similar traditions in other institutions where step singing is popular, such socials being held frequently. It is expected that the singing next Wednesday will materially increase the spirit of the college.

Former Student Breaks Co-Ed Record at Stanford

Barbara Dewlaney, editor of *The Eagle* last year and one of the leading women athletes of the campus, broke the university women's track record for the 75 yard dash at Stanford recently when she ran the distance in 9.9 seconds, clipping one-tenth of a second off the previous time. Miss Dewlaney accomplished the feat at the junior-frosh track meet. She is a junior.

SCOUT LEADER COURSE MAY BE HELD HERE DURING SUMMER

Only School of Kind West of Rockies Planned For Campus

That a school for the training of scout executives to be held here during the summer is quite probable, was announced yesterday by President Phelps. This department of the college, if it is carried through, will be the only one of its kind west of Utah and will be one of only three in the United States.

The course in scouting conducted this year at the college by Calvin McCrae, local scout executive, was so successful that Charles N. Miller, Regional Executive, is of the opinion that the department will be installed here soon.

Summer was chosen as the probable time for the course, because more men would be free at that time to take the work. The area covered by this course will be every state west of Utah and it is believed that at least 75 men will attend the first session.

Santa Barbara was preferred to any other location in the west for the establishment of the course because of the adaptability of the surroundings for laboratory scout work, and President Phelps is confident that the course would be a success here.

Mr. Miller attended the celebration of the completion of the course in scouting at the college this week and was quite impressed with the effectiveness of the training.

Marian Hauan Appointed to Social Chairmanship

Marion Hauan was chosen Social Chairman of next year by the Council at a special meeting of that body held last Friday noon. Contrary to the usual custom of appointing social chairmen at the beginning of the college year, this appointment instituted a new precedent.

The purpose of the change was to get the social chairman position definite for publication in the handbook next year by the Pep Committee. In the past this important Council position has been left open with the information in the handbook that the office is to be filled.

The social chairman has charge of Student Body Social activities for which ten percent of the Student Body dues are expended. Philip Brotherton is the retiring chairman.

ADVISORY BOARD

Miss Winifred M. Frye

THE BASEBALL SEASON

The baseball season is over. Due to a lack of finances in the Men's Athletic fund brought about by the deficit of the first semester, a minimum schedule of four games was arranged; but only three of these were played because Cal Poly had to forfeit to comply with a quarantine ruling.

Counting the forfeit as a game won, the Roadrunners emerged from the season with as many games won as lost. The season, however, was too short to obtain batting averages and data from which any safe deductions of the merit of the team might be drawn. It takes practice in games to make a baseball team, and three games are not enough to furnish adequate material for judgment of the team.

Nevertheless, the team batting average is quite high when the type of competition and the length of the schedule is taken into consideration.

THE FASHION SHOW

The Fashion Show was an acknowledged success last Tuesday, but it never would have been unless the townspeople had responded so well to attend the show. The display was arranged after a great deal of labor, primarily for the benefit of the students, but student attendance was comparatively small. At any rate, many of the townspeople left the show with a more favorable opinion of the work being done at the institution.

A NEW TRADITION

Don't forget to attend the step-singing next week. Location for such a ceremony couldn't be better than the college steps, especially during these spring evenings.

Since the college has awakened from a sleep that it didn't know it had, the time is ripe for the establishment of such a tradition. It should certainly meet the approval of all of the students.

That there are only two more weeks in the college year is surely not news to many students, but the time is now opportune for the annual reminder not to let things slip. Paddock won few races by dropping into a trot at the eighty-yard line and only the exceptional student, the one who would never think of trotting at this time of the year, could succeed in the end if he quit striving now. Hence this sermon applies to the majority.

THE EAGLE SQUAWKS

JUST ANOTHER SUGGESTION

Group singing as entered into by the college recently in assemblies and noon rallies is a great thing for stimulating college spirit and demonstrating to the students that they have some pep after all, but why sing the *College Grand* to death?

No, this editorial is not going to denounce use of the college hymn or anything that radical; but we would like to reserve it for occasions when it is truly appropriate. The college has a hymn to be proud of in the *College Grand*, a hymn with snap as well as the fundamental requirement of a college song; but in our opinion, its dignity, which it must possess, is lowered by continually singing it. Singing the College hymn arouses

an air of serenity and formality in the students, which is very good when such an air is demanded at serene or formal occasions, but pep rallies should not conserve that atmosphere if the students are to enter into them whole-heartedly. The Pep Committee furnished the Student Body with some very good song books containing a number of snappy songs we haven't sung yet. Let's try them out.

It has been stated that Stanford always opens and closes assemblies singing *Hail Stanford*, the university hymn. Personally, we are tired of hearing this college compared with Stanford. That this system has succeeded there, where the Stanford spirit is so different from college spirit elsewhere, is no indication that it would be appropriate here. Wait until we can compare with Stanford, then go ahead.

So Says Wisconsin

"I greatly enjoyed looking through the copy of your paper," writes E. M. Johnson, Associate Professor of Journalism at the University of Wisconsin to *The Eagle*. "It is full of interesting, lively news material and should be much appreciated by the students of your school." Wisconsin is recognized as the foremost college for journalism, and Professor Johnson compiled a score book, outlining the basis for judgment of the Central Interscholastic Press Association in its national school paper competition.

Soph: "I wish I could revise the alphabet."

Co-ed: "Why, what would you do?"

Soph: "I'd put U and I closer together."

Mr.: "The prettiest women always marry the biggest fools."

Mrs.: "Save your flattery for someone else."

"A moth leads an awful life."

"How come?"

"He has to spend the summer in a fur coat and the winter in a bathing suit."

Star Athlete Proves His Heroism; Saves Little Girl

The men in the forgery class feel indebted to James Anderson now. Each one of them partook of a box of candy which that member of the class won by a display of heroism at the Elementary School Monday.

A little girl was falling from the steps of the Elementary School building and "Andy" rescued her. Her parents believed that he had averted a tragedy, hence the box of candy.

Scout Class Goes to Camp Drake on San Marcos Pass

The class in scouting went over the San Marcos Pass to Drake's Camp, an official scout camp in the Santa Ynez River valley last weekend. The members of the class were given opportunities to practice scouting tactics and general laboratory work was done.

Games and swimming were also enjoyed by members of the class at the camp.

Beach Party Called Off

Owing to unsettled weather conditions, the annual Student Body beach party to have been held last Friday evening was called off. It is doubtful that an opportunity will be secured yet this year to hold the beach party. The students voiced their disapproval of going ahead with the party by refusing to sign up for it last week.

The old idea that feminism hadn't a leg to stand on has been completely exploded.

"Say, that cucumber has sure got itself into a fine pickle."

Student (being arrested): "But officer, I'm a student."

Officer: "Ignorance is no excuse."

James Anderson Is Honored by Student Body Athletic Plaque

With the presentation to the college of the bronze plaque on which will be inscribed the names of the athletic honor men, those who have won twelve letters in athletics at the college, recognition of the services to the institution rendered by James Anderson, the only Roadrunner to have his name engraved upon the plaque, becomes at once realized.

Jimmie Anderson

The bronze plaque, conceived by the Pep Committee as a fitting recognition for the men who represent the college in athletics so fully during their career and made in the sheet metal shop by Mr. Wirths under the authorization of the Council, was placed in the office this week so that posterity may know the men who have made for themselves a record in athletics of which the college is proud.

To date, James Anderson, '26, is the only one whose name is engraved upon the plaque. Mr. Anderson has made enviable records in every major sport in the college since he entered as a Freshman

four years ago. He has won for himself fifteen letters, one in each of the major sports during his four years, except in basketball this year when he was forced to withdraw early in the season with a bruised foot.

In each of the sports, Anderson has been the backbone of the Roadrunner team. As a half-back on the eleven, he has always come through with more than his quota of yardage and has been responsible for much of the scoring and the high morale of the teams. In basketball, his indefatigable perseverance and accurate eye for baskets have proved a combination responsible for much of the miraculous success of Roadrunner basketball teams during his career. His mastery of the sprints and weights in track have reaped for the Roadrunners more points in track than the efforts of any other individual since the college was founded. And in baseball his success as a pitcher has brought him many offers from professional leagues of the vicinity and he has proved the mainstay of the team in many crises.

As an all-around athlete, the college has never seen his equal and will probably not see it for a number of years to come.

Annual Fashion Show is Declared Great Success

With the college court offering a radiant and artistic setting, the seventh annual Fashion Show took place Tuesday afternoon before a large crowd of spectators. The show was proclaimed a success from beginning to end, and it was made unusually interesting to the several hundred townspeople who attended by the splendid musical program which was contributed by the music classes of the college.

The exhibition of dresses, coats, and hats was made by the creators of the garments themselves. The models emerged in couples from behind the draperies of the stage formed at the head of the steps, walked slowly down under the awning and then separated to encircle the pool.

Every one of the garments exhibited was very well made and artistic in every detail. Many compliments were received by the students and teachers on the fineness of the exhibition.

The Show was followed by a reception and tea. Punch and cakes were also served in the court. Clever place cards decked with a silhouette and a Cecil Brunner were given as favors.

The exhibition was under the management of student committees. Each student was required to take an active part as her share of a class project for which she received college credit. The points stressed in the carrying out of this project were poise, self-confidence, social obligations, unselfishness, cooperation, tact, and artistic ability; and the actual making of the

British Labor Agitator Addresses Student Body

Mrs. Cobden Saunderson, daughter of the famous British politician, Richard Cobden, and prominent suffragette and labor agitator in England, gave an address upon the subject of the labor party in England and the recent coal strike.

Mrs. Saunderson mentioned that the labor party in England is no longer a party of laborers, but a party which is considered fashionable among the more privileged classes. Premier Baldwin's son is a labor agitator in Parliament, opposing his father's views.

That labor in England did not want subsidies, but rather preferred nationalization of the larger industries, especially the mines, was brought out by Mrs. Saunderson.

New members of the Alpha Theta Chi sorority entertained the old members at a peppy informal party with taffy and pop corn at the home of Rebecca Singleton Sunday evening. The old members were distinguished by aprons of blue and silver.

Alpha Theta Chi held its formal dinner dance at Samarkand Saturday evening.

Honoring each member of the sorority, the Phi Chi Alphas held a birthday dinner last Saturday evening. Each member was given a birthday gift.

garments was considered of little importance in comparison with the character building qualifications which were accentuated. The experience that the students received here will, in the opinions of Miss Frye and Miss Clarke, aid them greatly in putting on public exhibits in their own communities.

The interest of the alumni of the Domestic Art Department was shown by the fact that a good number of them attended the show. Among the spectators there were many public school instructors as well as sisters from the parochial schools.

Eighteen Couples Attend Tau Gamma Sigma Formal

Eighteen couples attended the Tau Gamma Sigma formal held at the School of the Arts last Saturday evening. Programs, refreshments, and favors were carried out in the sorority colors. Mr. and Mrs. Peters and Miss Winifred Weage, sponsor of the sorority, were patron and patronesses of the affair.

The Tau Gammas are now planning a house party to be held the week-end school closes at Cuyucas Beach just north of San Luis Obispo.

Alpha Thets Hold Election

Alpha Theta Chi elected the following officers to serve the sorority next year: President, Bernice Haberlitz; vice-president and historian, Charlotte Little; secretary-treasurer, Lua Thurmond; Rush Captain, Margaraet Patrick, and Pan-Hellenic representative, Eleanor Hicks.

Delta Zets Elect

The Delta Zeta Delta sorority held election of officers for the coming year. The following were elected: President, Ester Janssens; Vice-President, Marian Hauan; Secretary, Francis Cattaneo; Treasurer, Dorothy Merritt; Rush Captain, Helen Dane; Social Chairman, Isabel Vaughn.

New Phi Kappa Gamma sorority members entertained the sorority by giving a banquet in honor of the members at La Fonda Sunday night.

The EAGLE'S EYE
By I. C. U.

This week's hemp collar went to the 1/4 wit. His latest suggestion was that all students who own cars should be given permanent posters to announce to others when they may bum rides down town.

"Why is a college Sophomore in a hick town like his windshield about this time of year?"
"Because it's too stuck up to be good for anything."

Sprinkle, sprinkle, little cloud;
How I wonder why you vowed
To do your stuff when we're so far
Away from home in an open car.

Today's word: FAST. Term applied to the ball when it leaves Anderson; also the ambition of sofa snakes who think impetuous comes from the Greek word meaning pet.

Indispensible Advice
"No school Monday."
"Don't study too hard."
"Sign up if you are going."
"Only two more weeks of school."

Jack and Jill came up the hill
And stayed to see the sight;
Jack dug down and broke a crown
For you see, it was College Night.

We can't be perfect. The fellow that knows who holds all of the world's track records often says "it don't."

We'll award next week's hemp collar to the person who sees thru that last one.

This week's quinine: Once an issue of *The Eagle* came out and nobody complained about something in it that everyone else liked.

Bill Bulltin who tacked up a bulletin

On the bulletin board didn't pull it in

Until its page was yellow with age,
For the bulletin board bulletin bored Bulltin.

"Watsh at guysh name?"
"Otto Larsen."
"I did, but he didn't shay nutin'."

"Whee! I get a kick out of this," said the punter when he recovered the opponent's fumble on his own ten-yard line.

W.A.A. Banquet Held Last Night; Officers Installed

The W.A.A. banquet was held at the Sign of the Cypress last night. The officers of the association were formally installed, these officers being Eleanor Warren, president, Helen Dane, vice-president, Dorothy Kimes, athletic manager, and Elizabeth Cash, secretary-treasurer.

Letters were awarded Edith Anderson and Dorothy Kimes.

The sport managers were also installed. This is an experiment, since sport managers were formerly selected at the opening of the sport season. The new sport managers are Grace Miksch, baseball; Helen Dane, tennis; Ruth Hunt, volleyball; Elma Altringer, basketball, and Ester Janssens, archery.

Frat Men Challenge Phi Kappas to Indoor Contest

Playing left handed and running backwards, an indoor baseball team chosen from the fraternities will play the undefeated Phi Kappa Gamma sorority nine next Wednesday.

The masculine team is the challenger. They are Sawyers, Weide, Anderson, Linder, Clemore, Conklin, Powell and Heggie.

Coast Conference Refuses To Enter Pasadena Games

Refusing future responsibility for entering a member team in the Tournament of Roses football game at Pasadena, the Pacific Coast Conference has decided that all teams playing on New Year's Day will do so at their own initiative. The withdrawal of the P.C.C. was occasioned by difficulty experienced last fall in choosing a representative team.

Cal Christian Defeated in Shutout; Locals Tally Five

The Roadrunners shut out the Cal Christian baseball squad Saturday in their first home game by a score of 5 to 0. Anderson was the outstanding figure of the game, striking out fourteen of his opponents to four by Barth, the Cal Christian pitcher.

The Roadrunners hit their stride and showed some real hitting and fielding. The total hits collected by the Olive and White squad were ten, four of these belonging to Anderson. Furman came through with a homer in the fifth frame, scoring Jimmy Anderson ahead of him.

Because of Jimmy Anderson's strong arm the Cal Christian bunch ran up against the same snag they encountered last year. Although the southern squad failed to hit the ball, it came through in most instances with some whirlwind fielding, catching eleven men at first.

There was one double pulled during the game. Anderson took a hot grounder just off the bat and threw it to "Christy" who pegged the pill down first to Hartley.

Summary
Bases on balls: off Barth, Clemore, Sawyers; off Anderson, Barth. Strike outs: by Anderson, 14; by Barth, 4. Two-baggers: Anderson. Singles: off Anderson, 1; off Barth, 9.

Short Baseball Season is Cause of Equipment Repair

Baseball season ending so abruptly with such a short schedule, leaving a number of baseball men without full period requirements for credit has provided a source of labor which should repair damaged equipment and finish up the sport year in a very efficient manner. A number of college hurdles that were damaged at the high school are now receiving the attention of the baseball men.

Spring football practice has not appealed to the men and it is believed that swimming will also be resorted to for supplying credit to the baseball make-ups.

Upper, Lower Divisions Play Baseball Series

Disappointed at having the baseball season close so abruptly, the teams divided themselves into upper and lower divisions according to their class standings and opened a series of games Tuesday.

The upper division won Tuesday's game 4-3 with "Flip" Brotherton and "Spud" Sawyers twirling for the grown-ups with Weide behind the plate and "Christy" and "Taki" took turns on the mound for the beginners and Gene Powell played back-stop.

The lower division turned the tables Wednesday afternoon in another five-inning game at the West side field by defeating the big boys 3-2 in a game which climaxed to cinch the game for the lower classmen when "Taki" banged out a single in the last inning and scored Atwood. Clemore and Furman composed the battery for the lower classmen and Brotherton and Weide played catch for the older boys.

The series was played off last night, but the results came in too late for publication.

No Interclass Baseball for Women; Small Turnout

Due to the fact that there are not enough women coming out for baseball, there will be no interclass games.

Miss Weage stated that those women who are coming out are practicing faithfully and earning the points which go towards their letters.

Apartment Manager: "You say you have no children, phonograph or radio and you don't keep a dog. You seem just the quiet tenant the owner insists on."

Client: "I don't want to hide anything about my behavior so you might tell the owner that my fountain pen squeaks a bit."

Two farmers met on the road and pulled up.

"Si, I've got a mule with distemper. What'd ye give that one o' yours when he had it?"

"Turpentine. Giddap!"

A week later they met again.

"Si, I gave my mule turpentine and it killed him."

"Killed mine, too. Giddap!"

"Is her father secure in his position?"

"You bet. They've put him in a straight-jacket."
