

## DRAMA CLUB OPENS SEASON WITH 'THE GHOST STORY'

### COLLEGE PLAYERS BID FOR SUPPORT

The "Ghost Story," presented by the College Players this morning opened this year's dramatic season at Santa Barbara State College. This play was the first of a series of three which are to be given this semester.

Before the play, Doris Rodehaver, manager of the organization, gave a short talk in which she told the students that the College Players had voted to present the play free of charge because they believed that the confidence and support of the student body were more valuable than money.

The plot of "The Ghost Story" deals with a college boy who, in order to frighten away the house guests so that he may be alone with the lady of his affections, tells a ghost story. Martin Bredsteen played the leading part with conviction, and Martha Bell, as the girl, lent charm and life to the performance. The rest of the members of the cast also did well, Clifton Russell and Evelyn Sims being particularly outstanding.

The cast included:

|        |                   |
|--------|-------------------|
| George | Marty Bredsteen   |
| Ann    | Martha Bell       |
| Mary   | Ethel Cartland    |
| Lennie | Constance Briscoe |
| Grace  | Evelyn Sims       |
| Floyd  | Ben Romer         |
| Fred   | Wilbur Day        |
| Tom    | Paul Hylton       |
| Lynn   | Clifton Russell   |
| Maid   | Ida Mae Reeder    |

The production staff includes:

|                    |                 |
|--------------------|-----------------|
| Director           | Doris Rodehaver |
| Co-Director        | Henry Fairbanks |
| Assistant Director | Mario Casaroli  |
| Props              | Inez Lewis      |
| Make Up            | Alice Badger    |
| Head Carpenter     | Gerald Smith    |
| Costumes           | Evelyn Sims     |
| Stage Manager      | May Smith       |

### ANDERSON CHOSEN PREXY OF OREGON ED. GROUP

When the students of the School of Education, at the University of Education, met on October 22 to organize a group to cultivate the professional side of teachers' training and to bring a closer contact between students and workers in the field, Franklin Anderson, a 1930 graduate of Santa Barbara State, was elected president. Anderson, former editor of the Eagle and prominent on the campus here, is doing graduate work at the University of Oregon, and working for a Masters Degree. At the same time he holds a position of Research Assistant to Dean Arthur Sheldon of the School of Education. He is a member of Alpha Phi Gamma, National Journalism fraternity, Kappa Delta Pi, National Educational fraternity, and Tau Omega.

### FROSH WOMEN INITIATED AT BACKWARDS PARTY

Freshman girls received their long dreaded initiation at the backwards party held in the college cafeteria, Friday, October 31. The party took the form of a dinner begun with chicken pie, a la mode, and ending with a special dessert — poached egg on toast.

All freshman or new girls were compelled to wear their dresses backwards and to paint their faces artistically with poster paint.

The so-called "inquisition" was conducted by Mary Camp who put the frosh women to their wits ends in singing, dancing, or merely confessing the truth to personal and foolish questions.

The party adjourned in time to allow the frosh women to clean up before the Santa Maria game.

### LA CUMBRE NEWS

Plans for the 1931 La Cumbre are shaping up splendidly, according to Katherine Bishop, editor of the annual. The book will have an entirely new cover design this year. Tommy Woods, whose excellent work in the last annual is well remembered by old students, will have charge of the art work again this year.

Advertisements have been secured already. According to Marty Bredsteen, advertising manager, many of the merchants whose ads appear in the Eagle are also supporting the annual. The photography contract has been given to Bartel's, and both Schauer's Print Shop and the Daily News are bidding for the printing contract.

### Phelps Calls Severy To State Capitol

President Clarence Phelps left for Sacramento last Wednesday where he is in conference with the other presidents of state colleges in California.

Friday Miss Hazel Severy, head of the science department, received a long distance call from President Phelps requesting her to come to the state capitol for an interview with Andrew P. Hill, Jr., chief of the Division of School House Planning. Three tentative plans of the new science building were ready for the approval of Miss Severy when she arrived in Sacramento yesterday.

When completed the new science building will add a new unit to the present inadequate classroom facilities of the college. The building will be erected on the site of the old cafeteria, just east and north of Ebbett's Hall.

Miss Severy left for Sacramento Sunday and will visit the science building at Fresno State College on her return trip from the north.

### Outing Club Trip Set For Nov. 8 and 9

The second monthly event of the Outing Club, the week-end work trip and horseback ride, is scheduled for this week-end, November 8 and 9. Horses are being obtained from a packer near the cabin for \$3.00 a day, \$2.00 a half day.

Those who do not take the horseback trip expect to hike or to work upon the completion of the cabin.

Meals are being provided for Saturday night and Sunday at a cost of \$1.00 a member. All planning to go are asked to sign on the list in the quad so that plenty of food may be had.

### COLLEGE C. E. HOLDS PARTY AT CHRISTIAN CHURCH

A Hallowe'en "get together" party was given by the Young Peoples' Society of the First Christian church, Saturday, November 1.

Miss Phyllis Lanter was in charge, assisted by Bob Hathaway, Harry Blewett, and Anita Cochran. State College students connected with the society are: Ruth Rizer, Anita Cochran, Audrey Moore, Bob Hathaway, Hal Polley, Elbert Cochran, Glenden Lawson, John Hughes, and Bert Bidgood. Cottage Hospital nurses and other young people of Santa Barbara comprise the rest of the membership. College students interested are cordially invited to attend the society meetings held at 6:30 Sunday evenings.

## CAMPUS GOSSIP

### HAVE YOU NOTICED?

That some of the boys make wonderful wall decorations at the Wednesday noon dances?

That Helen Smith and "Mooney" Goodfield have forsaken the role of dignity, cut their hair, and become very attractive young girls again?

That Howard McKibben has been paying the college a visit, incidentally giving the women a big treat?

That Doctor Ellison spent the greater part of last week wearily tramping the campus in search of a brave woman he could take to the dance?

That everyone and his cousin attended Ned Porter's party last Wednesday evening?

That Stewart Thompson's thoughts just can't keep away from Missouri? Jo will be back soon, Stew!

That Ted Neidermuller is enrolled in one of Dr. Bishop's classes? When asked if he had his "Growth and Development," Ted replied that he had his growth, but not his development yet! Give him time!

That Archie Way is again joining us socially—and before long he'll be hopping around with the rest?

That Virginia Horsey is so absorbed in her girl scouting that she may be found busily tying square knots, slip knots — and what not?

That the Beta Sigs are mysteriously satisfied and happy over the possession of their new mansion on upper State street?

That every girl in college, minus the stronger sex too, had a grand time at the backwards party?

Jack Smith, a former student of S. B. S. C., was heard yelling for us during the first half of the game. His girl, a Whittier coed, called him over to the Whittier side during the second half. He went, but first renewed his subscription to the Eagle!

And did you see those two clowns, Hanning and Hill, among the gang?

Sally Smith, a member of the Outing Club last year, was also there.

Fred Lauritzen, a freshman, is in the Cottage Hospital recovering from an appendicitis operation performed last Tuesday night.

Francis Manis, who formerly attended Santa Barbara State college, paid us a visit last Thursday. He has returned from a two month trip to the Orient. He traveled aboard the S. S. President Taft, of the Dollar Line and says it was a great experience.

Francis said he was glad to see his fraternity brothers, the Beta Sigs, and all his other friends again.

Miss Ruth "Tunney" Williams, who entered from Monrovia this semester, has been ill in the Santa Fe Hospital in Los Angeles for the past two weeks.

"Tunney" expects to get out of the hospital early this week, and after a short convalescence will resume her work here at State.

Eleanor Holiday left school last week, and we have heard that the wedding bells will soon be ringing. We hope so. It will be something to go to.

Also, Dorothy Hodgins is well versed on the meaning of the word "engagement." We wonder if she could be keeping anything from us?

Mary Hicks went to go south to a birthday party on the eighth. I'll bet the little boy is getting along in years.

Teddy Neidermuller, in front of a vast audience, sayeth to Peacock, "Allah, allah, fair maid, never again will I make dirty cracks about you." And Peacock replieth, "Rise up, my man and go thy way in pieces."

## ROADRUNNERS TO PLAY WITH VENTURA J. C. ON NEXT FRIDAY

### THE FOLLOWING PEOPLE HAVE MADE APPLICATION FOR GRADUATION FOR JANUARY, JUNE AND AUGUST, 1931:

Stewart, Walter Arthur; Shackelford, Alma Marie; Shoosmith, Carl Otis; Smyth, Mildred Laura; Smyth, Miriam Clara; Smith, Bernice Elizabeth; Sawyers, Hubert; Thacker, Florence Nelda; Telford, Rose Lillian; Watson, Jay David; Webb, Beatrice Olive B.; Wilson, Margaret Elizabeth; Woods, Tomys Emily; Webster, Helen Lillian; Webb, Mabel F.; Young, Shirley Rosamond.

SHOULD YOUR NAME BE AMONG THESE? IF SO, PLEASE SEE MRS. MILLER, REGISTRAR, IMMEDIATELY.

### REGISTRAR LEAVES FOR THE NORTH

Mrs. Jane Miller Abraham, registrar, is leaving today to attend a registrar's meeting at the University of California, Stanford University, and at San Jose Teachers College. She will return the following Sunday.

An excellent program is being arranged for the delegates, climaxed on Saturday afternoon when they will be guests at the Washington-Stanford game.

### HARD TIMES DANCE PROVES POPULAR

Hard times with hilarious gaiety predominated at the Hallowe'en barn dance at Goleta Saturday night. Typically "hard up" college boys and girls, in cords, torn shirts, or sweaters, and gingham dresses; country bumpkins who looked as though they had finished their chores with satisfaction; and city poor folks in their out-of-date good clothes were there and making the most of their evening's outing.

Faculty, students, and guests, joined together in this most informal and happy get-together.

The barn furnished an ideal setting, with bales of hay thrown in the corners, posters painted on brown wrapping paper pinned to the walls, and the rafters decorated with orange and black streamers.

Doughnuts and cider were served at one end of the hall to the appreciative dancers.

Eleven o'clock brought horns and serpentine which added to the fun and noise of the evening.

Dick Tomlinson's six-piece band furnished the music and so enlivened the dancers that the large hall was almost too small.

Mrs. Ruth Doolittle, Dr. William H. Ellison, Mr. and Mrs. Benjamin Fish, and Mr. and Mrs. Walter Barnett acted as sponsors.

## OCCIDENTAL IS SCOUTING GAME

While the Oxy Tiger sharpens its claws against the Cal. Technicians before going on a hunting expedition for gamebird next week (said gamebird will be a plenty tough mouthful), the Green and White gridmen of State undergo another workout this Friday night against the Oily Oilers from Ventura Junior College.

The Ventura boys, under Coach McAllister, former Nebraska U. star, have rounded into a well-balanced, smooth-working combination which ran over State's first year men to an 18-0 win. In weight they are a good match for the Roadrunner varsity, and Martin, their shifty fullback, is one of those men who do 10 flat in football togs. Martin ran back a punt 60 or 70 yards through the entire frosh outfit to a touchdown, and got away to another off a wide end run. The Venturans rely on straight football for most of their plays, although they worked several deceptive passes off fake reverses against the Roadrunner Babes.

Ocidental scouts were on hand busily taking down State plays at the Santa Maria game, and a few probably will be in the stands this Friday, but Coach Hal Davis is holding nothing back in the way of trick plays for next week's grid classic, and will depend on the team to dig their cleats in and fight it out with the Tigers. The entire Ventura squad attended the Santa Maria game, so they will go into the game knowing what and who to watch.

### KEBELY COMPLETES SKETCH OF PRESIDENT PHELPS

A sketch of President Phelps has just been completed by Mr. Ferdinand T. Kebely, a member of the faculty of the art department. The sketch, done in red crayon, will be hung in the President's office.

### Interesting History of the Artist

Mr. Kebely is an artist of note, and has a most interesting life history. He was born in Vienna, Austria. After the usual school training, he was graduated from the Vienna Fine Arts Academy. He traveled extensively. Then, with the World war, he joined the Austrian army. Kebely was wounded, captured by the Russians, and exiled to Siberia. In this cruel climate, with many hardships, he spent six years.

Two years after the World war Kebely ran away from captivity. After one hundred and three days of wandering, he landed in Europe. But he found Europe strangely desolated, and, as the artist says, "I came to the United States to become one of those important Americans."

### Plans Other Sketches

Mr. Kebely has already completed a sketch of Miss Charlotte Ebbets, and plans to do those of the other department heads. Besides this work, Kebely also has college classes in sketching and landscape gardening.

### Pyle Surveying Women's Employment

Dean Pyle is now at work on a survey of employment of the women of the college. This will be tabulated and used in one of the daily papers. In order that the tabulation be complete, Dean Pyle would like all college women employed with or without remuneration who have not yet reported, to see her at once.

## THE EDITOR SPEAKS

### A SERIOUS MATTER

The attention of the editor has been called to a deplorable situation which continues unremedied upon the campus. After the evening play rehearsals in the auditorium, cigarette butts have littered up the floor in the rear of the room where onlookers were seated, giving it the appearance of a cheap pool hall. Understand, we do not wish to cast any reflections upon the players or any other group of students. Perhaps outsiders are to blame, but the facts exist, nevertheless.

The prohibition upon smoking within the school building is not a "blue-law" enactment of our faculty but a state law. The fact that the law is habitually disregarded does not change the law.

Failure of the few to observe this rule may justifiably cause the curtailment of the privilege of the use of the auditorium by student groups. Unless the matter is remedied immediately we may expect to see un-wished for action on the part of the administration.

The Eagle asks that you bring your part of public opinion to bear against the violators of this state law. The matter lies in the hands of those students who allow smoking within the buildings to go on in their presence.

Do we want our privileges taken away because of a few selfish individuals or uninformed outsiders?

"It's better for a man to keep his mouth shut and be thought a fool than to open it and remove all doubt."

### HISTORY BOOKS

That the supply of history books in the library is inadequate for the present classes there is no doubt. However, there is a justifiable reason for this condition.

Let us remember that the history department is relatively new and that the Home Economics and Industrial Education departments have been parts of the college since its founding. If there seems to be a discrepancy between departments in the matter of library books, this explains the matter. The stocking of a library is a gradual process and the librarian is powerless to purchase more books for any one department than the budget for that department will allow.

"Weak men wait for opportunities, strong men make them."

### WHAT DO YOU THINK?

It doesn't seem quite fair to the editor that only three college men are allowed to bring outside women to any one college dance while more than that number of outside men are allowed to bring outside women. Why the discrepancy in favor of outsiders when the dance is for college students? What do you think about it?

"A swelled head, like an inflated balloon, is of no use on earth."

We, the inmates, petition for:  
 1. History books for the library.

2. More History books for the library.

3. Doc. Ellison's History book.

4. A History book on Prexy's bullfrogs.

5. A History book on the hamless ham sandwiches at the Caf.

6. Prof. Nettles' history books — of Missouri or anything.

Well, anyway, what we want is history books. Of what good is a country without a history? Well, neither is a library good without history books or funny-papers. Last week a senior made a plea to the administration for the history books for the library. Just think, all this time we've been reading Spanish and French books and though that we were reading history.

And then Doc. Ellison wondered why he had to give so many fives. But then you have to hand it to the senior who discovered this serious problem after taking history for four years.

And for you people who still have four years to go — maybe when you get to be a senior — you'll discover that all these four years — the Spanish books you thought were history books have only been Frosh Bibles.

And for the benefit of those who couldn't get down to the game at Whittier—I want to tell you that it was some game. Why it was so wonderful that Santa Barbara's rooters were held spell-bound—the band had to cheer and play for them.

Yes sir—Cliff Leedy surely organized a good rooting and tooting section. Every time a player came off the field — the rooters would sit down and weep. But the band—the hard-hearted brutes — would yell and give them a big cheer!

Oh, well—you know, a lot of the poor boys and girls had never been away from home. The only yelling a lot of them ever had was for more sandwiches for the A. W. S. teas. You know, you can't get much practice yelling with a mouthful of tea and sandwiches.

And, as we would say in Chinese, "fui, fui, children."

### Dramatics Gossip

Do you know that there is a national dramatics fraternity known as Alpha Psi Omega? Its object is to promote college dramatics. A college must fulfill certain requirements before it may organize a chapter of this fraternity.

Several California state colleges, smaller than our own, have been recognized by this fraternity. Why couldn't we develop dramatics in this institution to such a degree that some day Santa Barbara State will gain recognition by an organization of this caliber?

Some of the more distinguished colleges which have chapters of Alpha Psi Omega are the universities of Georgia, Texas, Maryland, and Colgate.

DEPARTMENT NEWS

**HARD TIMES PARTY GIVEN BY HOME EC'RS.**

Members of the Home Economics department held a Hard-Times party October 25, from 8 to 11 p. m. in the college dining hall. Entertainment was in the form of a frosh initiation. Stunts were given by the various classes and faculty throughout the evening. The frosh, full of pep, showed the typical frosh spirit so prominent on the campus this year by carrying off the prize for the best stunt. The pool in the quad served as a good ducking-pond for initiating those frosh who failed to wear hard-times clothes. The party came to a close with the serving at 10:30 p. m. of delicious refreshments carried out in the Hallowe'en motif.

Those in charge of the affair were: Francis Leech, general chairman; Mildred Robinson, program; Ellen Wilson, refreshments; Ruth Ezaki, initiation and clean up.

(Continued from Page 2, Col. 5)

asking Santa Barbara to join them in sponsoring a quarterly literary magazine. The seven California State teachers' colleges are to take part in the publication.

The requirements are that each college have an Associate Business Manager, an Associate Circulation Manager, and furnish contributions in the forms of poems, stories, short essays, and sketches. Oh, yes, we mustn't forget—\$50.00 to help cover expenses of the initial copy is another requirement.

Of course, it is impossible for us to participate in such interesting work, as we have no advanced composition courses or a literary club. Such institutions would greatly add to the college's activities and to its prestige among the smaller schools of the state.

"The Playbill" of Alpha Psi Omega, a bulletin of dramatics, classes "The Youngest," by Philip Barry, recently produced by the Santa Maria Junior College, as being one of the important college successes.

The Santa Barbara Student Body allows dramatics but two per cent of the Student Body fees. This year it amounts to approximately \$59.99. Unless better financial support is given and a course in dramatics is instituted, there can be little hope of progress in this field.

**P. E. HALLOWE'EN PARTY BIG SUCCESS**

Last Wednesday evening the P. E. majors gave a Hallowe'en party at the home of Pearl Reiger, and the bunch are still talking about the fun they had. No wonder the old timers initiated the ten or eleven new P. E. majors, and, oh, how those greenies had to perform! For further entertainment Meryl Adams and a quartet composed of Virginia Slicton, Naidene Stout, Betty Lindsay, and Marjorie Juleff, sang.

EXCHANGES

Marquette University: Bright yellow and black pajamas will be the apparel of the students of the Marquette University when they assemble in a body to cheer their gridiron warriors from the stands.

Come West, young man, come West!

Brothers of the House of David, Whiskerino club of La Verne college, were sheared last Saturday. Free shaves were awarded to all winning members.

Geography students at the Sacramento Junior College are taking a caravan of automobiles, carrying approximately twenty-five persons, for a tour of the Mt. Lassen and Lake Almanor country.

Pomona College's paper, The Student Life, is conducting a miniature-golf tournament, and a great deal of enthusiasm has been displayed so far. Valuable prizes are being offered by merchants in the Claremont district, and the competition has been keen.

L. A. J. C., with its present enrollment of 2675, ranks fourth in attendance in California. U. S. C., U. C. L. A., and U. C., are the only institutions surpassing it in size.

SOCIETY

ALPHA THETA CHI

The Alpha Thets have plenty of news but it is all being kept secret. However, they announce a new member of their sorority, Miss Shirley Patricia Gabbert, daughter of Mrs. Walker Gabbert, who was Miss Leila Thompson.

DELTA ZETA DELTA

The D. Z. D's. had a big dinner at the home of Chuck Faris on Cliff Drive. Mrs. Abraham and Chuck were co-hostesses. Two alumnae were there—Jean Powell and Laura Middleton. The members are planning a big homecoming week and will let us know about it later.

PHI KAPPA GAMMA

Stella Rathbun entertained the Phi Kaps at her home in Ventura last Monday night. They all seem to have had a keen time so we are expecting to hear more about Ventura trips.

TAU GAMMA SIGMA

The Tau Gams had their last meeting at Betty Hall's home in Montecito. Dorothy McAlister was elected Pan-Hellenic representative. They discussed plans for a float for the Oxy game.

DELTA SIGMA EPSILON

Plans for the social events to take place this semester have been made by the Delta Delta Sigs. However, they are going to keep 'em a secret for a while.

TAU OMEGA

Last Sunday the Tau Omegas held a picnic at Wheeler's Hot Springs. After a filling lunch, the guests amused themselves with games and dancing. This was the third picnic of the year for the "Prospect Street gang."

SIGA ALPHA KAPPA

The court house sheiks held an informal party at the home of Ned Porter last Wednesday evening. The orders for the evening demanded "cords and gingham." After a treasure hunt, won by Nils Thiebeau, the participants indulged in a little parlor struggling (dancing). After "lights out," refreshments attracted the majority of the guests to El Cortijo.

Miss Dot Pugh, a former student at State, was married to Mr. John Kropp at the home of her parents, on Saturday afternoon, October 25. Only intimate friends and relatives attended the wedding. Mr. and Mrs. Kropp will make their home at 1515 Chapala street.

C. D. A. TO HOLD RECEPTION FOR WOMEN

The Catholic women students of the State College are invited to a reception and tea given by the Catholic Daughters of America in the assembly room of Recreation Center, Saturday afternoon, November 8th, from 3 to 6 o'clock. A musical program is being arranged for the entertainment of the guests.

Clayton Sheesley, '29, and Mrs. Sheesley (Mary Silsby, '28) were visitors in town last week end. Mr. Sheesley, an ex-president of the Outing Club and a Tau Omega man is now teaching wood-working and auto mechanics at Tulare Union High School.

Genevieve Schmitt, a graduate of last year, writes that she has the best position in the state. Genevieve has the supervision of the girls' dormitory at Lancaster High school. She says that we will have to enlarge our buildings because she has talked half of the seniors into coming to S. B. S. C.!

Elizabeth Neblett is teaching in San Diego this semester. She has classes in foods and clothing, and teaches over 150 children of every nationality.

A son, Robert Leroy, was born on October 25 to Mr. and Mrs. Otto F. Goetner (Reita Martin).

Tommy Wood and Laura Breska have been made members of the Santa Barbara Players Club. Tommy and Laura have charge of the costumes for the Community Arts Association.

Emily Knight is teaching the third grade at San Bernardino. Two other graduates of last year, Effie Moorman, and Ruby Smith-eram, are also teaching in the San Bernardino schools.

Noel Misemer has a very good position teaching in Greenville, Plumas county. He has the Industrial Department of the high school, and reports that he likes it very much.

Books

Mr. E. E. Ericson, head of the Industrial department, recently gave to the library some books from his own private library. The list consists of the following books:

Rouillion, Economics of Manual Training; Knowlson, Business; Bostwick, American Public Library; Vaughn, Printing and Bookbinding; Fleming, Railroad and Street Transportation; Shaw, Printing Trades; Bryner, Garment Trades; Bryner, Dressmaking and Millinery; O'Leary, Department Store Occupations; Stevens, Boys and Girls in Commercial Work; Hale, Practical Mechanics; Ilgen, Forge Work.

Hill, Young Farmer; Dawson, Business of Life Insurance; Foltz, Federal Civil Service; Fiske, Modern Bank; Warren, Farm Management; Allen, Shoe Industry; Dept. of Interior Biennial Survey of Ed., 1918-1920; Hadgson, Practical Bungalows; Bailey, State and the Farmer; Hungerford, Modern Railroad; Meeker, Work of the Stock Exchange; Anderson, Farmers of Tomorrow; Googerty, Hand-Forging; Newell, Engineering as a Career; Calkins, Modern Advertising; Hancock, Life at West Point; Pearce, Practical Bookbinding.

These books, with a few exceptions, all deal with Industrial Education.

## State Wallops Maria Jaysees by 33-6 Score

After getting off to a somewhat erratic start, Coach Hal Davis' Rambling Roadrunners ripped and tore through the Santa Maria Junior College eleven to add another scalp to their long string of victories. The final count was 33 to 6 in favor of the hillmen.

State took the ball on the kick-off and Hickman, Treloar, Barnett and Pierucci alternated to carry it over the Saint's goal. Barnett's conversion kick fell low of the mark.

Then, when all things pointed to a nice goose egg for Santa Maria, Imes kicked off, the bean-growers took the pelota and aided by seven or eight 5-yard penalties, pounded their way through the line to Santa Barbara's 20-yard mark. Mitchell then dropped back and shot the ball straight into the arms of Chism, left end, who trotted along the sidelines, and over into touchdown territory. A line buck failed to gain the extra point.

With dreams of a set-up gone a glimmering, State settled down during the remainder of the game to make Santa Maria's six points look as small as possible. The line overcame its offside mania and in the second quarter States kept the linesmen running chalking up first downs. Tuffy Treloar finally zipped through right end to break the tie. "Army" Kessler, who went in for Barnett, boosted the score to 13-6 by a perfect boot.

A few plays later the ball reverted to State and "Army," after fumbling it, picked it up and galloped 30 yards wide around end. Pierucci plunged over the line for the third score.

The last half saw a new State backfield in action, "Pinky" Greeson, Stan Winters, Tom Dornan, and "Whitey" Haberek. Greeson tried a number of passes against the blueshirts, most of which were incomplete, while the Saints' aerial attack, promising in the first few minutes of the game, was smothered by the wearers of the green and white.

Army and Tuffy Treloar were the shining lights for State, while for the Jaysees, chunky little Richmondson played a whale of a defensive game at center. It looked as if he made more tackles than all the rest of his team put together, and when he left the field in the last few minutes, the stands gave him a big hand.

The lineups:

## SOPHOMORES HUMBLLED BY FROSH, 3-0

The first class game of the hockey season played last Thursday, resulted in a 3-0 victory for the infants. Right from the start the frosh had the ball in Soph territory. Several times the Sophs nearly scored, but the fast playing of F. Longawa, goal; B. Wood and E. Thomas, fullbacks, kept the sophomores from going over for a score. Both teams made numerous fouls.

### Allred Changes Line-up

Coach Fred Allred is very busy these afternoons juggling his Chicklets in an effort to fill the gaps caused by the mastication at Bakersfield. Many of his best charges were forced out for the season, and Fred is gathering a crop of those little lines around his eyes, trying to figure out a new combination.

Captain Killian heads the list of new members of the Bruise Club. He is out with a torn tendon in the arm and will be out for the remainder of the season. "Moose" McCullough had a full evening while he was in the oiler contest, but he came out before it was over with a wrenched knee which will keep him on the sidelines the rest of the year. Schultz, the class of the frosh ends, was taken care of by the drillers, and he will nurse a wrenched shoulder for some time. Van Zandt is out with an infected arm, but he may be ready for the Santa Maria game, which is scheduled for a week after the varsity contest with the Saints.

Of the boys who are still hearty, Allred has shifted Bob Main from his old past at center to half. Cress, who has been cavorting at guard is taking over Bob's old job. King, the other regular guard, will probably be moved to full. "Red" Mahoney turned in a bang-up game at quarter in the valley, and is counted on to supply most of the punch in the new combination.

## THESE AND THOSE

Notice: This column will appear whenever there is something to write about. That is, whenever the sports writers come out of their siestas long enough to peck off a few dirty digs on the two disreputables posing for typewriters in the Eagle's nest.

This week's poser: STATE STANDS AT THE TOP OF THE SOUTHERN CONFERENCE. Believe it or not, and strange as it seems, it's the gospel truth. Here it is: State beat Whittier, 13 to 6. Whittier turned around and beat San Diego State, 14 to 6, last Friday, and the Aztecs had previously downed Oxy, 14 to 7. Simply counting on your fingers, State is three touchdowns better than Oxy. But while we're on the subject of comparative scores: Whittier made hay out of Cal. Christian, 39 to 7, and State barely won over the Panthers, 7 to 0. But State beat Whittier, so what do you do in a case like that? We give up, and so did the other donkey.

## WHITTIER COACH CONGRATULATES S. B.

The following letter was received by Manager Ted Neidermuller yesterday:  
Ted Neidermuller,  
Football Manager,  
Santa Barbara State College,  
Dear sir:

In answer to your request about the number of Santa Barbara State College students that attended the game last Friday night, we are glad to report that there were 159 student body tickets taken at the gate. A full financial report will follow in about two weeks.

Allow me to take this opportunity to express the appreciation of the faculty and the student body of Whittier College for the very fine spirit which was displayed both by the team and by the student body while on the campus.

Very sincerely yours,  
VERNE S. LANDRETH,  
Director Physical Education for Men.

## Theatres

### GRANADA

"Holiday" is one of the high spots of the year in the motion picture world. The cast is excellent, but of course anything with Ann Harding in it would be good. I do not, however, look lightly upon the work of Mary Astor, Edward Everett Horton, Robert Ames, and Hedda Hopper, who are all stars in their own right.

"Song O' My Heart," with the world famous tenor, John McCormack, opens at the Granada Thursday. "A stirring romance glorified by the golden voice of the world's greatest tenor."

### CALIFORNIA

If you've been waiting to see a picture of action, here you are—"Last of the Duanees," based on Zane Grey's great outdoor romance. There are horses, cowboys with big hats and spurs, and ladies with flaxen hair who get carried off on galloping steeds. Lucille Browne plays opposite George O'Brien; she is a recruit from the New York stage, famous for her beautiful blonde hair.

"Raffles," the mystery fiction playing at the California the latter part of this week, star Ronald Colman and Kay Francis. It is a story of a gentleman crook, but with Colman and Kay Francis, it's not just another story.

### ROSE

If you feel the need of educational drama coming on, go down to the Rose tonight or tomorrow night and see "Africa Speaks." It records the roar of wild beasts, and the chants of native tribal music. One is impressed by the scene showing millions of locusts flying through the air and literally darkening the sky. There are herds of gazelles, close-ups of pygmies, of duck-billed women, and other strange sights.

On Thursday, the bill changes to Milton Sills and Dorothy Mackaill in "Man Trouble."

### MISSION

Tonight, at the Mission, you may see "Women Everywhere."

## UPPER CLASS HOCKEY TEAM FULFILLS EXPECTATIONS, 3-0

October 30, the upper classmen defeated the sophs 3-0 in a hard-fought game. The sophs were handicapped by an indifferent number of players, so the upper classmen gave them some of their players. The sophs were forced to play a defensive game. They held the yellow jackets down the first half to one goal, but in the second half the uppers went over for two more goals. The sophs had but two fouls, while the uppers made nineteen. Ethel Hudson played goal for the frosh.

Watch your grades! So warns our ever thoughtful registrar. Mid-semester notices will be out the ninth week, and this is the seventh! Furthermore, Mrs. Abraham reminds us that it is too late to drop a subject without a failure.

## UPPERCLASSMEN DEFEAT FROSH, 6-1

All that smoke rising from the girls' hockey field last Tuesday was the result of a good burning-up of the frosh team by the upperclassmen. This was the second game of the series and marks the first clash between the greens and the yellow-jackets. The frosh made seven fouls in all, including five for sticks and two for under cuts, while the uppers made a total of six fouls, with one for sticks, two for kicking, two for obstructions, and one for hitting between legs. If something doesn't happen pronto the uppers will walk away with all the honors!
