GRADUATION GUIDE

FEATURING 28 PAGES OF AWARDS AND GIFT SUGGESTIONS
(SPEED BOAT NOT INCLUDED)
An Ivy League Graduation Gift Guide for the Financially Secure

By finding that oh-so-unique gift now, you save him a trip to space.

In elementary school, Space Camp seemed like the coolest thing. But Cape Canaveral can eat it compared to a two-week training in Khrplotstian, Russia. A high-speed personal aircraft tells a graduate he/she is expected to be a globe-trotting playboy/girl, not some clerical drone destined to the suburbs.

A High-speed personal aircraft tells a graduate he/she is expected to be a globetrotting playboy/girl, not some clerical drone destined to the suburbs.

Transport: Nothing says ‘I love you’ to a new grad like a personal Gulf Stream G7 transcontinental jet. A High-speed personal aircraft tells a graduate he/she is expected to be a globe-trotting playboy/girl, not some clerical drone destined to the suburbs.

Clothing/Accessories: All Ivy League graduates get their measurements early in life, so don’t try to impress your grad with a tailored suit - they already have four. Instead save your male grad valuable time by finding him a docile trophy wife with which to parade in front of guests.

Total round trip: $36 million plus $1 million in life insurance for Junior.

$4 million. Poor state college kids go to the Bahamas when buying alcohol for a recent graduate. What kind of low-brow message would you be sending if you handed Junior a cruise ticket guaranteeing a couple weeks of alcohol-fueled revelry and casual sex.

Any old Rolls Royce or Armani suit won’t do for your big boy or girl on his graduation day. After dropping $120,000 on your child’s education you need to show him you care about his or her future plans. With this heartfelt goal in mind, the Weekend Connection presents the Ivy League graduation gift guide.

Semi-Prestigious College Graduation Gift Guide

No doubt your Semi-Prestigious State College Graduate is a little worried about current opportunities and direction after blowing four years doing beer bongs and sleeping through section. A good graduation gift buyer knows they need to assure the Semi-Prestigious State College Graduate that life in the real world will be fine.

**Travel:** Nothing says 'welcome to the real world!' like Mazatlan, Mexico. Your graduate probably knows all the bars and clubs after repeated spring break visits. Send him/her back there for one last hurrah in the foam parties. With any luck they'll meet a nice Semi-Prestigious State College Graduate from a different--

Prestigious State College and forge a relationship that could blossom into a 2-4 year marriage.

**Price for Mazatlan:** $2000, good divorce lawyer: $45,000.

**Spirits:** Splurge on your recent Semi-Prestigious State College Graduate. He or she's been drinking Red Dog and Natty Light for four years and you should give them a taste of what middle-class beer tastes like. Depending on the money, a keg of Sierra Nevada will wet your Semi-Prestigious State College Graduate's lip with the taste of semi-expensive beer and he/she will find gainful employment as a way to satiate the beer toobs you've cultivated.

**Keg of Sierra Nevada:** $100 on sale.

**Clothing/Accessories:** Gift certificates rule the day. Fine retail outlets like Banana Republic and Lucky's will be able to clothe your new grad in the quintessential garb for office data entry. Gift certificate: $100.

YOUR DAILY HOROSCOPE

By Linda C. Black

Today's Birthday (June 7): If you don't learn from this month, you're in trouble. There might even be some history lessons will be about money — the money that you don't have. Your goals are not that far away. Look to the past to prepare for the future. Before it is over, you'll need better budgeting tools.

To get the advantage, check the day's rating: 10 is the highest.

Aries (March 21-April 19) - Today is a 6. Don't be too hard at work. If you are, you're going to lose your job — or at least your way. You can do better. Your goals are not that far away.

Taurus (April 20-May 20) - Today is a 5. If you are feeling a little anxious, you have reason. You are about to do something that will change the way you live. You are about to make a big move. You will wonder if you can do it.

Gemini (May 21-June 20) - Today is a 4. Don't mention everything that's bothering you, you're not ready.

Cancer (June 21-July 22) - Today is a 3. You know what you are doing. You are about to make a big move. You will wonder if you can do it.

Leo (July 23-Aug. 22) - Today is a 3. You've had it pretty easy for the past few days. Now, you have to go to work. You are about to do something that will change the way you live. You are about to make a big move. You will wonder if you can do it.

Virgo (Aug. 23-Sept 22) - Today is a 2. Somebody will help you. You are about to make a big move. You will wonder if you can do it.

Libra (Sept 23-Oct. 22) - Today is a 1. You will wonder if you can do it. You are about to make a big move. You will wonder if you can do it.

Scorpio (Oct. 23-Nov. 21) - Today is a 1. You've been through a lot of changes. You have a reason to believe that you can do it. You are about to make a big move. You will wonder if you can do it.

Sagittarius (Nov. 22-Dec. 21) - Today is a 0. Don't be too hard at work. If you are, you're going to lose your job — or at least your way. You can do better. Your goals are not that far away.

Pisces (Feb. 19-March 20) - Today is a 7. As things start to settle down, you and your friends can pursue the things that you want. You are about to do something that will change the way you live. You are about to make a big move. You will wonder if you can do it.

A Community College Gift Guide
For Thrifty Grads and Dads

Although some people earn associate’s degrees from their community college and move on to finer institutions of higher learning like a nice Semi-Prestigious State College, most graduates just graduate and die. Buying gifts for the Community College Graduate can be a tricky task of balancing something heartfelt and caring, with something that has no more than 3 simple steps.

Do not buy your recent Community College Graduate a Erector set or a model G7, they will only light it on fire.

Travel: Community College Graduates do not tend to be intrepid travelers of the world, so be wary of sending them to Disneyland or any other place too far away with things that don’t look familiar. After surveying the results of numerous studies done by the Graduation Gift Guide Research Association, we recommend an eighth of psilocybin mushrooms, a copy of Pink Floyd’s The Wall and a VHS of “Alice in Wonderland.”

Price: Mushrooms, $30; Floyd CD, $16; “Alice in Wonderland,” free when borrowed.

Transport: Nothing comes more in handy for getting around locally than a big set of bolt cutters. With the proper tools and cover, every bike rack is a bounty of traveling options ranging from speedy and smooth to sturdy and rugged. An additional bus pass will compensate the Community College Graduate for the loss of his registration perk and Santa Barbara buses come equipped with bike racks so they can be taken across town. Ingenious!

Price: Bolt cutters, $68; bus pass, $15.

Spirits: Although celebration is on your mind while getting the proper alcohol for your recent Community College Graduate, think about the logistics of buying him/her alcohol. Buying them a nice import is sort of a slap in the face, but there is no way they should be forced to drink Old English 40-ounceers until retirement. Show your Community College Graduate you really care, buy them a 40-ouncer of Steel Reserve instead.

Price: $1.50.

Clothing/Accessories: Three-pack of A-shirt always are on sale at K-Mart for $6.83 and we at the Graduation Gift Guide recommend at least three sets for all your Community College Graduate’s needs. Also GPC cigarette cartons are a steal at Costco’s wholesale price of $22.59. Make your Community College Graduate the envy of the neighborhood with these fine gifts.

USCB - Journal of Undergraduate Research

Undergraduates doing original research and writing projects are invited to submit papers for possible publication. Interested students should come to the Mathematics Department office in South Hall 6607 to obtain the basic information and guidelines concerning publication. Papers should be analyzed, involving critical reasoning. Examples of publishable work are research papers in the natural and social sciences and critical essays in the arts and the humanities.

Vice Chancellor's Award for Scholarship, Leadership, and Citizenship

This award is presented annually to one or more graduating seniors and graduate students who embrace the principles of scholarship, leadership, and citizenship—through activities that enhance UCSB's academic environment, contributions to a consequential project, or extraordinary service to the campus community.

This year's awardee is:

**Sydia Monique Lopez**

The following seniors have also been selected by their campus organizations to receive awards for scholarship or special achievement.

- Alpha Lambda Delta Award
  - The Alpha Lambda Delta Award recognizes the graduating senior having the highest cumulative grade point average of all graduating Alpha Lambda Delta members.
  - This year's winner is:
    - Michelle Valentina Wagner
- Mortar Board Award
  - The Mortar Board Award is given each year in recognition of the graduating senior having the highest cumulative grade point average in the graduating class, combined with the fewest number of transfer units.
  - This year's recipient is:
    - Avery H. Lee

Award winners, their families and invited faculty and staff are invited to join Chancellor Yang and Mrs. Yang for the University Awards Ceremony and Reception at the University Center Corwin Pavilion on Friday, June 15, 2001 from 3:30 to 5:00 p.m.
