## Carpinteria Gun Club Wins National Championship

The Carpinteria Gun Club has brought national honors to Carpinteria in capturing the National small bore rifle championship for 1938 in a mail match that has been conducted throughout the United States during the past few weeks. Notification has been received from Washington D. C., stating that four sterling medals for the team members and the national trophy have been forwarded to Carpinteria.

The Carpinteria team, composed of R. G. Bassett, E. F. Knowles, H. W. T. Ross and Roy Gradle, scored 6388 points out of a possible 6400 to capture the trophy.

Last Sunday R. G. Bassett annexed both shoots held over the State Park range. He scored 428 in 440 in the first event for the Bill and Jerry trophy, shooting at 50 and 100 yards with telescope sights. Others in this event and their scores were:

H. B. D. Smith with 423; E. F. Knowles, 422; Roy Gradle, 421; W. Hummel, 415; C. Higbee, 414; H. Griffiths, 412; G. Worden, 411; A. Morganfield, 395; C. Higbee, 385.

In the afternoon shoot for the Smith Memorial Trophy over the 100 yard route with telescope sights, Bassett placed first with a score of 530. Others shooting and their scores were:

E. F. Knowles, 529; H. B. Smith, 521; Roy Gradle, 519; C. Higbee, 519; H. Griffiths, 517; G. Worden, 514; A. Morganfield, 508; G. Hig-

## M. E. Church To Celebrate Union Of M. E. Churches

Members of the Methodist church and their friends will celebrate the accomplishment of the union of the three major bodies of Methodists in this county into one body which will be known as the Methodist Church, on Sunday, July 31st.

Special services will be held at 11:00 a. m. with Bishop W. C. Martin, one of the recently elected Bishops who is now in charge of the western Conference, in the pulpit. Bishop Martin is one of the preachers called to the office of General Superintendent from the pastorate of the 1st Methodist Episcopal Church South at Dallas, Texas, and is a very fine speaker and a man of pleasing and commanding personality.

Following the services the ladies of the church will have charge of a basket lunch which will be followed by a social hour of good fellowship. All members and friends of the united Methodist Church are cordially invited to be present.

bee, 507.

Next Sunday the team will go to Glendale to compete in the Southern California championship meet.

## H. L. SCHRYER WINS

### SPORTSMEN'S AWARD

While playing a round of golf on the popular course of the Montecito Golf Course of Santa Barbara, H. L. Schryer of 1020 Valley Rd., Santa Barbara, scored a birdie and an eagle.

His feat has been rewarded with the Spring Sportsmen's Award of a pair of Duke of Dundee Air Conditioned Briar Pipes packed in an attractive case. A trophy-case honor card accompanied the award.

## Over Three Hundred Horses To Vie In Show

Over three hundred horses, largest number entered in the 13-year history of horse shows here, will compete for \$12,500 in cash and plate in eight performances in Pershing Park arena, July 27 to 31, as southland horse lovers trek to Santa Barbara to attend what promises to be the outstanding equine event on the Pacific Coast this year.

Spotlighted in the five day exhibition of champions and near-champions will be hunters and jumpers. A host of horses threaten to make class competition in these divisions the hit of the show. As many as forty horses will compete against each other in the spectacular jumping events. A \$500 stake has been posted for winners in this class.

In an effort to give spectators the most in entertainment value, horse show officials have scheduled many features for this year's show. Returning to Santa Barbara will be E. G. Stinson's 36,000 pound 16-horse hitch of Belgian Draft horses. Stinson drives horses at a gallop in the ring and for showmanship has no peer as a driver of large teams in America.

The W. K. Kellogg ranch will also enter a team of draft horses, to be shown in conjunction with the Stinson entry. Eight trained Percherons from the world famous breeding farm owned by the University of California will go through their paces at every performance.

Luke Pasco and his champion sheep dogs will arrive via air in his own plane to thrill spectators with sheep dog trials that won the applause of tens of thousands in New York's Madison Square Garden. A different flock of sheep, furnished by nearby ranches, will be used at each showing.

So heavy are entries this year that Sam E. Kramer, veteran manager of the horse show, was compelled to cut classes from the time program and also to schedule an additional matinee performance for Friday afternoon.

Two other shows will take place on Saturday and Sunday. Judging of breeding classes in the fair will be open free to the public in morning sessions.

Frank Wykoff and Dave Cummins were proudly displaying several large trout on Tuesday. The fish had been taken in one of the streams in the northern part of the county.

## Assessed Valuation of District Shows Increase

### CITRUS WORKERS REINSTATED AT NLRB HEARING

Of interest to Carpinteria is the decision of the National Labor Relations board ordering reinstatement of 27 lemon house workers dismissed, it is alleged, in connection with labor union activities by the Whittier Heights Citrus association.

A temporary stay of the order was given recently when it was proved that the industry had not been given the opportunity to make all protests provided for by the act. However, the National Labor Relations Board has overruled these protests and has again ordered the reinstatement of the employees.

The citrus industry throughout Southern California maintains that lemon workers who sort, wrap and pack lemons are agricultural workers and not subject to the provisions of the National Relations Board act and have appealed the decision to the United States Supreme Court.

### DRIVER ESCAPES INJURY IN CRASH

Although his car was severely damaged, Milton A. Barnes, 27, West Mission Street, Santa Barbara, escaped with a few bruises, when his car ran off the road by the Harb Morris Ranch on the Highway at 2:30 a. m. Tuesday morning. The car sheared off a power line guy pole and took out several feet of fence before coming to rest in a field. Barnes told investigating highway patrol officers that he had been crowded off the highway by a speeding car that did not stop.

Figures released from the office of the County Assessor Charles Tomlinson show that the increase in the assessed valuation of tangible property within the county for 1938-39 is \$1,110,430 over the valuation for 1937-38 and that \$398,347 of this increase was recorded in the first supervisorial district which includes Carpinteria, Summerland and Montecito.

In breaking down these figures it is interesting to note that the first district and the fifth district, which includes Santa Maria and vicinity, were the only two districts where increases in valuation occurred. The other three districts which include Goleta and the upper Santa Inez Valley, Santa Barbara and vicinity and Lompoc and vicinity showed a decrease in valuation of \$1,133,890.

In addition to the more than a million-dollar increase in tangible property bearing the county's base and district tax rates, the assessor reported nearly \$15,000,000 increase in intangible property, including securities which are taxed at rates of \$1 and \$2 per \$1,000.

### Exempt Property

Property exempt from taxation including churches and public property is assessed at \$2,239,188 but not taxed. Of this amount \$893,150 is the property of war veterans who have exemptions on \$1,000 assessment if their total holdings are not assessed for more than \$5,000.

By supervisorial districts the assessed valuation of property for this year and last is:

1st—Carpinteria, Summerland and Montecito, \$17,948,751 for 1938-39; \$17,550,404 for 1937-38.

2nd—Santa Barbara and vicinity, \$41,507,175 for 1938-39; \$41,815,206 for 1937-38.

## Fire Department Answers Three Calls During Week

Had it not been for the timely discovery by two boys, a serious fire might have resulted Wednesday evening in the brush-covered hills adjacent to the Lillingston Canyon Road. The origin of the blaze is unknown but it is believed that it started either from a carelessly tossed cigarette or from a campfire which had not been extinguished.

The Carpinteria Fire Truck reached the scene and extinguished the blaze just as it started to eat its way up the hillside in the direction of buildings of the Santa Barbara Boys School. The alarm was turned in by Lloyd Hales when the two boys stopped at his house and reported the fire.

Two fire alarms but no fires was the record of the Carpinteria Fire Department over the weekend. On Friday night the truck was called to the Moore ranch where power wires running

through a hedge had shorted and were sending forth sparks which threatened to set the hedge ablaze. The fire truck stood by until the Edison Company emergency truck reached the scene and eliminated the trouble.

The truck and crew covered considerable territory Saturday in the vicinity of the Solari-Schweizer Ranch seeking a fire reported by the lookout on Rincon mountain. Unable to locate a blaze the truck returned to its quarters. It is believed that the lookout mistook dust from tractor operations for smoke in turning in the call.

Attracting much less attention than the fire siren, the burglar alarm at the Security Bank started ringing shortly before 6:00 p. m. Friday evening. Dave Safwenberg, manager of the bank was summoned to shut off the alarm which is connected with a time device which had apparently been set for the wrong hour.

## Summer Festival Series Opens Tomorrow Night

Saturday night's concert will feature Mme. Maria Jeritza in an aria, "Adieu, Forests" from "Jeanne D'Arc," Tschaikowsky and a group of songs with orchestral accompaniment; the Adolph Bolm Ballet from Hollywood with Henry Eichheim, famed composer, directing one of his own ballets and a symphony orchestra of first men from the Los Angeles Philharmonic. Isaac Van Grove, musical director for Max Reinhardt, will handle the musical direction for this opening festival and for the two which follow on the Saturday evenings of August 20 and September 3.

Scenic background for the Ballet part of the program will consist of enormous 250 foot screens, the largest ever built in California and formerly used at the Hollywood Bowl, with special lighting in charge of Adrian Awan, technical director. Among the dancers will be a special divertissement by Maria Masslova, the wonder ballerina, protege of Adolph Bolm, and aged nine and a half years. Of Russian birth, she came from China to perfect her dancing with Mr. Bolm.

There are parking facilities at the entrance of the Bowl and free transportation has been arranged

from this parking area to the amphitheatre itself. Manager Grace Denton stresses the importance of the entire audience being seated at by 8:30. Reservations may still be made for desirable seats at 12 La Arcada.

The program for the first Festival Concert will be as follows: Prelude to "Die Meistersingers", Wagner.

Aria "Adieu, Forests" from "Jeanne D'Arc" Tschaikowsky. Mme. Jeritza.

Les Preludes, Liszt.

A Night on the Bare Mountain, Moussorgsky.

Widmung, Schumann.

Ah, Love, But a Day, Beach.

Answer, Terry.

Cecile, R. Strauss. (With Symphony Orchestra) Mme. Jeritza.

Intermission.

The Rivals—a Chinese Legend, Heiry Eichheim. Mr. Eichheim, Conductor.

Lament, Bach.

Reverie, Chopin.

Gopak, Moussorgsky.

Polka Pizzicato, Johann Strauss.

Reminiscences of Vienna, Johann Strauss.

Adolph Bolm Ballet; Symphony from Los Angeles Philharmonic Orchestra, Isaac Van Grove, Conductor.—Adrian Awan, Technical Director.

## A NEW "BORDER BLOCKADE"

The drab "covered wagons" of depression—wheezing relics from the second-hand car lots of the nation—still roll into California in endless procession. Refugees still pour across our borders, jobless, destitute and desperate.

And California's liberal pensions play no small part in beckoning them westward. The problem is acute, and we hear the prediction of authorities that it will grow steadily worse under the stimulus of Exposition year. California already is bearing a grossly disproportionate share of the nation's pension and relief load, playing the good provider to over a half million persons, mainly from other states, and carrying a burden augmented monthly by from ten to fifteen thousand new supplicants.

Direct action at the California border is not the answer. The celebrated "bum blockade" of a year or so ago lasted about a fortnight. Other comparable plans have been equally impractical. Driven on by necessity, the relief applicants and the potential pensioners swarm in.

The obvious answer to California's unfortunate impasse was suggested by a pension expert, Dr. Walter Scott Franklin, in a talk at San Francisco this week in behalf of his candidacy for the lieutenant governorship. "California," declared Franklin, "is in the position of paying the most liberal pensions in America. Colorado, whose minimum is set at \$40, but where no "other income" item is allowed, is runner-up. Pension seekers, however, are not stopping in Colorado; they're coming straight to California—and can't be blamed much for their choice.

"The only feasible solution, and the only effective 'border blockade' will be a uniform relief standard among states, and some type of national old age pensions!"

Pension and relief problems are among the most critical before us today. It is apparent that California is carrying more than a just share of the load.

And while in this editorial we are not judging the relative merits of the host of relief and pension plans, it may easily depend on adoption of uniform national pension and relief standards—whether or not California is to be saddled with the already threatened designation, "The Poorhouse of the Nation."

## GIVE THE WEST A PLACE

.....This vast country of our is united as one under the Federal Government.

But each great geographical division has its own history, its own destiny, as well as its own peculiar problems. Who would deny that in formulating wise national policy that these differences should be appreciated and understood, and be permitted to play a part in shaping such policy?

Because of these significant considerations we urge that a Westerner be appointed to the United States

## The Churches

Carpinteria has a number of Churches, whose pastors and members will be glad to welcome you to their services.

### CHRISTIAN SCIENCE SOCIETY

Christian Science Society, Carpinteria, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds service every Sunday at 11 o'clock a. m., Sunday School at 9:45 o'clock. Mid-week meetings every Wednesday evening at 8 o'clock.

A reading room is maintained in the church building, open Tuesday afternoons (except holidays) from 2:30 to 4:30 o'clock.

"Truth" is the subject of the Lesson-Sermon on Sunday in all Churches of Christ, Scientist. The Golden Text is from the Psalms: "Teach me thy way, O Lord; I will walk in thy truth: unite my heart to fear thy name."

One of the Bible selections in the Lesson-Sermon presents these verses from Proverbs: "By mercy and truth iniquity is purged: and by fear of the Lord men depart from evil. When a man's ways please the LORD, he maketh even his enemies to be at peace with him. . . . A man's heart deviseth his way: but the LORD directeth his steps."

The Lesson-Sermon includes also this statement from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The divine demand, 'Be ye therefore perfect,' is scientific, and the human footsteps leading to perfection are indispensable. Individuals are consistent who, watching and praying, can 'run, and not be weary; walk, and not faint,' who gain good rapidly and hold their position, or attain slowly and yield not to discouragement. . . . When we wait patiently on God and seek Truth righteously, He directs our path."

Our life is never at a standstill. We are constantly going upward or downward. There is never an act in which we may say that this time doesn't count. Every act does count and goes into the building material of our character.

A thorough going study of the book of Revelation has been chosen for our Wednesday evening prayer and Bible hour.

## POLITICS -- Day by Day

### Monday

Political releases accumulated over the week-end indicate that the real battle for the primary election, Aug. 30th is getting under way.

Release from A. J. Elliott, congressman from this district, contains resolution passed by Democratic Central Committee of Kern County, rescinding and apologizing for a previous resolution some weeks ago which condemned Elliott and urged his defeat in the primaries.

Merriam forces are standing on the Governor's record for the past four years according to chairman of campaign for San Diego County, Commander Frank Luckel, U. S. Navy, retired, who states "In those four years all of functions demanded of state government have been performed efficiently and thoroughly, the unfortunate have been cared for, schools have been improved, all with the current revenues, with a balanced budget and without increasing the state debt. This is a record that few, if any, other states can proclaim. That record has been made because of sound policies, which the voters are now called on to endorse or repudiate.

In the same mail release from Hatfield headquarters states that Hatfield endorses ten commandments for good government which include rigorous maintenance of state civil service, no trading in state appointments, 'no log-rolling,' 'pork barrel' appropriations or vote bartering, state expenditures held within income and tax burdens be reduced, prison wardens selected for merit, not political perpetuation of the appointing power; strict enforcement of all laws regulating gambling, liquor and vice; forbidding of solicitation of campaign funds from state employees and from contractors for state business; forbidding of use of state employees the state cars in political campaigns at public expense; tightening of parole regula-

at 9:45 a. m., leads a progressive and continuous development of Christlike character. Del F. Kent is Supt. of the School. Classes are provided for all ages.

The guest-preacher at the Eleven o'clock Morning Worship Service will be the Reverend W. Theo. Allison of Corning, California. His topic will be "The Security of Sonship" and the scripture reading will be Gallatians, 3.23-4, 7.

Members of the Youth Fellowship of Christian Endeavor will meet at the home of Rev. and Mrs. Deane F. Babbitt on Vallecito Road at 6:00 o'clock in the evening. A Caravan will travel to Santa Barbara to hear the Agricultural Missionary Dr. Sam Higginbotham of India. The work of the Spirit and of the soil are curiously combined at Allahabad Christian College.

tions; elimination of rackets and gangsterism; reduction of "on sale" liquor license and approval of community involved before new licenses issued. Hatfield also promises sportsmen a 'square deal,' in game conservation and propagation.

Release from Legg-for-Governor is extremely optimistic and contains statement by Mrs. Nellie B. Ansley, treasurer of the Women's Democratic League of Southern California, predicting that Legg will carry Los Angeles county by more than 50,000 votes over Olson. She states that Los Angeles County holds 45 per cent of the registered Democratic vote of the state, which should be sufficient to put Mr. Legg's nomination for governor on ice. However, if we recollect correctly the whole forty-five per cent must have voted for Olson when he ran for state senate judging from the total number of votes polled, and only the counting of the ballots will tell whether they have swung over to the Legg campaign.

Automobile Club of Southern California has apparently fired its opening gun in its campaign to divorce the state highway patrol from the motor vehicles department and place it, along with the highway department, in a separate department of its own. According to release from the club a hidden surplus which seems to have been a secret has been thrown in for expenditure in addition to budget allowed. As a result, the club claims that the department is overspending its budget by almost \$2,000,000 for various items which are of no benefit to the taxpayers or motoring public.

Apparently there is no question but what the "\$30.00 a Week for Life" for those over fifty in California will appear on the November Ballot, since release from headquarters of proponents of this measure states that supplementary sections of petitions filed this week carried 789,104 names and that 173,000 names were on petitions filed June 20th. This is one amendment that should be studied carefully by all voters. If it should receive the sanction of the electorate, it will, among other things, abolish "Blue Monday" and establish "Mad Wednesday," for everyone will be trying to get rid of the warrants the plan calls for before Thursday of each week so that they will not be stuck for the 2-cent stamp that must be affixed by possessors of the warrants on each Thursday.

### Tuesday

Apparently in answer to criticism from some quarters claiming that Governor Merriam is too old to be returned to office, Greely Kolts, editor of Los Angeles Republican, sends out statement pointing out that Merriam, who is 72, is about the same age of Vice-President John N. Garner and is several years younger than Hiram Johnson, William G. McAdoo, William E. Borah, and Carter Glass.

McAdoo headquarters sends out release quoting from President Roosevelt's speech in Los Angeles, "In March there was some question of a certain gentleman running again for the Senate—an old colleague of mine from the Wilson Administration days. I WROTE HIM A LETTER TELLING HIM I HOPED HE WOULD RUN, AND I MIGHT ADD THAT MEANT I HOPED HE'D GET ELECTED, TOO." That statement did not come as a surprise to anyone.

Although the President refrained from mentioning or endorsing any candidate for governor, J.F.T. O'-

Supreme Court to fill the vacancy left by the late Justice Cardozo.

Since Justices Sutherland and Van Devanter retired, none of America west of the Mississippi, save Minnesota, has been represented by any member of the highest court!

Few there are who would declare the particular economic and social problems of California and the West are identical with those of the South and its plantation kingdoms, or with the East and its industrial empires. Or who would deny that a competent jurist familiar with the history, development, and nature of the West would not be a wise and intelligent addition to the high court?

We have no lack of such ably qualified men here in this section of America. Give the West a place on the Supreme Court!

## SOCIAL & PERSONAL

### CUB BARBECUE HONORS MR. AND MRS. WM. BUCKLEY.

Mr. and Mrs. Wm. Buckley of Colville, Washington were the guests of honor at a barbecue on the Main Beach Tuesday evening when "Cubs and their Pals" celebrated a double festive occasion. It was Helen Boren's birthday also! Arrangements were made by Mr. and Mrs. Dye Boren, Mrs. Walter Connell, and Rev. Deane F. Babbitt, Cubmaster. Those present were Paul Armstrong, Richard Bush, Charles Curtis, Richard Lyman, Tommie Bowdon, Ramey Johnson, Frank Alvarado, John Rosebro, Peter and John Hales, Howard and Billie Mays, Richard White, Eberle Honeyman, Albert Southworth, Benny Alvarado, Hershel Lowe, Minaru Ota, Denny Taylor, Kazuo Mizukami, Billie Boren, Tommie Chronister, Walter and Patsy Connell, Bobbie Lowe, Donnie and Bobbie Lane, Charles Buckley, Sadie Mayrhofer, and Phyllis Armstrong, Billie Boren and Helen Boren.

### AMERICAN LEGION AUXILIARY MEETS MONDAY EVENING

The American Legion Auxiliary will hold its regular monthly meeting in the Veteran's Memorial Building at 7:30 Monday evening. All members are requested to come equipped with thimbles and large needles since a portion of the evening will be spent in sewing articles provided by the County Health Nurse, Miss Woodworth, for use in the Child Health Conferences which are held here once a month.

### FIRE DEPARTMENT AUXILIARY TO MEET FRIDAY

The Woman's Auxiliary of the Fire Department will meet at the home of Mrs. L. R. Carter next Friday evening with Mrs. Stanley Isle and Miss Betty Isle acting as hostesses.

The organization will discuss the advisability of holding a public dinner to raise funds to be used in entertaining delegates to the Auxiliary convention which will be held in Santa Barbara in September at the same time as the

### Firemen's convention.

The local unit is planning to give a luncheon in Carpinteria for the delegates during the convention and it is expected that some three to four hundred persons will attend. The Chamber of Commerce has been asked to assist in providing funds for favors to be distributed at the luncheon which will take the form of miniature crates containing lemonettes and bearing the legend, "Lemonettes from the Carpinteria Valley."

### WOMAN'S CLUB TO HOLD GARDEN PARTY AUGUST 4TH

The executive committee of the Woman's Club met yesterday at the home of Mrs. Hendy to complete plans for a garden party to be held at the home of Mrs. A. G. Woods on August 4th. The party will be a bridge tea and the hour has been set for 2:00 p. m.

Members of the club and friends are invited to attend and an admission of 50 cents per person will be charged. For those not wishing to play cards admission will be 25 cents. Reservations should be made with Percy Houts, Jr., prior to noon, Wednesday, Aug. 3rd.

Mrs. Percy Houts, Jr., is chairman of the affair and will be assisted by Mrs. Donald Bailard, Mrs. C. C. Heltman and several others to be appointed as well as members of the executive committee.

Rev. J. Harry Cotton, Ph. D., pastor of the Broadstreet Presbyterian Church in Columbus, Ohio, his wife and two children are spending several weeks in Carpinteria at the Pine Haven Motor Court. Rev. Cotton is the inspirational speaker at the Presbyterian Synod for California and western Nevada which is now in session in Santa Barbara and is well known to radio listeners throughout the country.

### STATE COLLEGE TO HOLD BARBECUE HERE TONIGHT

The Santa Barbara State College Summer class will hold its annual barbecue and dance at the Cerca del Mar Club house in the State Park this evening. Following the dinner, which will be served on the porch of the clubhouse, the evening will be spent in dancing to the music of the Collegians.

### HARRIET CAPPS BECOMES BRIDE OF ROBIN PARHAN

The patio at the Veteran's Memorial building was the setting for the wedding of Harriet Capps of Summerland and Robin Parhan of Pasadena last Sunday afternoon at 2:30 p. m. The ceremony was performed before a flower-decked altar by Dr. C. P. Moore and the young couple was attended by the brother and sister-in-law of the bride, Mr. and Mrs. William Capps of San Pedro. The bride is the daughter of Mr. and Mrs. Glen Capps. Following a short honeymoon in La Crescenta, the young couple will make their home in the south where the groom is employed by the Forest Lawn Memorial Park.

Guests who witnessed the ceremony included Mr. and Mrs. Frank Hyland of Los Angeles, Robert Kinsman of Pasadena, Mr. and Mrs. Grafton Carque and sons, Charles and Dana, of Hollywood, Margaret Capps of San Diego, Mr. and Mrs. Robert Tobiason of Palms, Mrs. Mary Proctor, Jack Hook, Gladys Pausa, Mrs. Doris Hume, all of Pasadena, and Mr. and Mrs. Walter Taylor and children, Walter, Helen and Neil, of Summerland.

### NEPHEW OF G. G. McLAIN MARRIED AT RIVERSIDE

Many Carpinterians will be interested to learn that Dr. Robert T. McLean, nephew of G. G. McLain, was united in marriage to Julia Saulman of San Bernardino, last Sunday at the Mission Inn in Riverside, California.

The bride is a graduate of the 1937 class at Pomona College and the groom is a graduate veterinarian and is employed in a pet hospital in Los Angeles. Following a honeymoon at Catalina Island the young couple will make their home in Los Angeles.

Mr. and Mrs. Irving Cadwell of Fullerton visited relatives in Carpinteria over the week-end.

Mrs. Daphna Light has returned from Arizona and has again taken up her residence in Carpinteria.

Mr. and Mrs. G. E. Hatton and son, Bobby, left Sunday for a several weeks camping trip on Figueroa Mountain.

Mr. and Mrs. L. R. Carter entertained with a dinner for relatives Wednesday evening in honor of their son Leroy's fourth birthday.

Mr. and Mrs. Bill Reuss of Los Angeles visited Mr. and Mrs. Clarence Cadwell, during their trip to Carpinteria and Santa Barbara last week.

Dr. and Mrs. J. B. Lape are in Oakland, California, where Dr. Lape is attending the convention of the Lion's International as a delegate from the Carpinteria Club. They will return home this week-end.

## LOBERO BOOKS FIESTA PLAY

Presentation of "Siesta Time," gay romantic comedy of early Santa Barbara, at Lobero theater as a contribution to Old Spanish Days Fiesta was announced today by Arthur J. Beckhard, Lobero leasee. The play which was given at the Little Theater of the School of the Arts in 1936 will be produced by Alfred Douglas Harmer.

"Siesta Time" was written especially for Santa Barbara's Fiesta and is being staged by Harmer, a Santa Barbara descendant of an early California family and the son of the late Alexander F. Harmer, noted California artist who so beautifully portrayed on canvas an authentic record of the early history of the Bear state.

Since most of the actors who have been cast in this new production of the play are native Santa Barbarans, the offering can well be termed a "play of Santa Barbara, by a Santa Barbaran, for Santa Barbarans, with Santa Barbara actors." Added to this is the fact that the play is being presented for four nights at the Lobero theater which stands on the

## FESTIVAL EVENTS SCHEDULED FOR BALANCE OF JULY

Ranging from symphonies to horse shows and yachting regattas, Southern California communities afford an unusual variety of entertainment to visitors over the coming week-end, July 22-24, according to the Travel Stimulation Committee of the California State Chamber of Commerce.

One of the outstanding events will be the Santa Barbara County Fair at Santa Maria July 20-24. The program will include motorcycle and midget car races, sanctioned meets, on the new banked quarter-mile track, with California's ranking drivers participating; daily vaudeville shows; agricultural and livestock exhibits, and a horse show each evening.

At Coronado the 11th annual Coronado National Horse Show, sponsored by the Coronado Riding Club, will be held July 19-24. This year the program will include 16 stake events and 109 classes in the eight performances to be given.

Another outstanding event will be the annual Balboa Regatta and White Pirate Day, at Newport Harbor, July 19-24. Pasadena is celebrating the midsummer Drama Festival with a series of plays by George Bernard Shaw, at the community playhouse; and at Padua Hills Theater, Claremont, an unusual play, Tres Puertas, is being offered. The play will continue until August 27.

Thursday and Friday, July 21-22, Jose Iturbi will conduct the Symphonies Under the Stars at Hollywood Bowl, and on Tuesday, July 26, the opera Cavalleria Rusticana will be presented, with the Oukrainian Ballet.

Further afield, the community of Ripon, halfway between San Francisco and Sacramento on Highway 99, will hold its famous

site of the historic old Lobero center of social life in this community

Dances and songs, typical of the period, which have not been seen nor heard here for many years, are now being rehearsed. Parts of the play have been carefully rewritten, since the original production, and with more time given to preparation this year's presentation promises to be one of the outstanding contributions to the Old Spanish Days Fiesta.

## PRO ARTE QUARTET TO APPEAR AT MONTECITO CLUB

The Pro Arte Quartet of Brussels, which is celebrating its 25th anniversary as a string ensemble, will present two concerts at the Montecito Country Club, in Santa Barbara, on Friday evening, August 5th at 8:30 o'clock and Sunday afternoon, August 7th, at 3:30 o'clock, under the auspices of the Mills College Club and the Music Committee of the Community Arts Association.

One of the world's greatest quartets, it has for its members Alphonse Onnou and Laurent Halleux, violins, Germain Prevost, vi-

ola, and Robert Maas, violincello. These musicians are all natives of Belgium and have received their early musical training at the Conservatoire in Brussels, studying with Cesar Thompson and other famous masters of that school's incomparable faculty.

All of them have had previous training in symphony and opera before they began quartet playing. To quote Mr. Onnou: "It takes at least ten years rehearsing as a group before a quartet is ready to command the attention of a discriminating audience." The quartet practices every day and "the more experienced the players become, the more they realize the necessity for constant practice."

It has been possible to perfect their ensemble only by meticulous attention to details. Careful, painstaking hours of practice, thought, and discussion have placed this quartet foremost among the string quartets before the concert-going public today.

Tickets for the two concerts may be obtained at the Santa Barbara Music Company or reservations made to telephone Santa Barbara 27766.

#### POLITICS DAY BY DAY

Continued from page 2

Connor headquarters are trying to get across the idea, through a lengthy release, that actions speak louder than words, and point out that O'Connor was the only candidate to have his picture taken with the president and was also the only candidate seated at the President's table for personal friends when stop was made for lunch at San Clemente.

Reports from Franklin-for-Lieutenant Governor, indicate that many newspapers in the state are giving favorable editorial comment to the Doctor. Among them are the Byron Times, Imperial Valley Weekly and the San Rafael Independent.

John M. Burnett, Democratic candidate for Lieutenant Governor, is including a plank in his platform, cut from the same piece of lumber as planks in several other platforms, in declaring himself as strenuously opposed to conflict between capital and labor.

Philip Bancroft, anti-New Deal candidate for the Republican nomination for the United States Senate, now campaigning in Southern California, goes a step further and lays the blame for the present depression at the door of labor disturbances and the NLRB.

Although there are several candidates in the race for Attorney General about the only heard from so far is Earl Warren, district attorney of Alameda County. According to releases from his headquarters he is receiving strong support from Los Angeles and San Francisco attorneys.

#### Thursday

Philip Bancroft, Republican candidate for U. S. Senator, is continuing his campaign on the issue of labor and new deal policies according to latest copy of radio broadcast received.

Dockweiler for Governor Headquarters goes the O'Connor camp one better and sends out a mat showing Dockweiler conversing with the President while on his

trip in California.

Release from headquarters of Ray L. Riley, republican, who is a candidate for the United States Senate on all major tickets quotes Riley as favoring "A Federal economy program cutting costs one third, tax revision to let business expand and make work; a stable national policy encouraging business as a venture in which labor and capital each is a full partner." That is saying a lot in a very few words.

Louise Ward Watkins, candidate for the Republican nomination as U. S. Senator, mother of 7 children is campaigning against excessive taxes and believes that the present generation should devote its energies to arranging America's affairs to leave the country in as healthy a political and economic situation as possible for the generations that are to come.

Rodney Webster, Los Angeles merchant, is named manager of the Southern campaign for Charles G. Johnson for re-election as State Treasurer. This office is more or less non-partisan and since Johnson has been Treasurer for the past 16 years he would seem to have the edge over the other candidates for this position.

William G. Bonelli, member of the State Board of Equalization from this district, who seeks to be returned to this post at the coming elections pledges himself to the following policies: First, keep liquor away from minors; second, keep favoritism out of tax administration; third, keep down the

number of liquor licenses, and fourth, keep liquor away from churches, schools, playgrounds and residential areas. Such a stand should meet with the approval of both 'wets' and 'drys' since the best the 'dry' can hope for at the present time is strict enforcement of liquor regulations and the 'wets' realize that if the privilege of dispensing liquor and consuming alcoholic beverages is permitted to be abused it will re-act in favor of prohibition forces.

#### VENTURA SCHOOL SEEKS MUSIC TEACHER

Sacramento—Seeking a woman qualified to take a part-time position as Music Teacher at the Ventura School for Girls, the State Personnel Board will hold a state civil service examination at the School on Saturday, July 30, according to an announcement made today by Louis J. Kroeger, Executive Officer of the Personnel Board.

To be eligible to take the examination, applicants must be residents of Ventura or Santa Barbara counties, have completed the twelfth grade, and have had two years of experience in giving lessons in the playing of at least one musical instrument (preferably piano) or inteching group singing. Employment in this class is only at the School for Girls in Ventura and is part time in nature. The salary is \$25 a month for five hours work each week.

#### MARRIED MINORS STILL LIABLE TO LAW

Marriage does not change the status of minors as far as application of the Alcoholic Beverage Control Act to them is concerned, according to the State Board of Equalization.

Married minors of either sex, who purchase or consume alcoholic beverages are guilty of a misdemeanor.

The belief held by some married minors that the law does not apply to them is a dangerous one, William G. Bonelli, board member from this district points out. Files of the board show numerous instances where such cases have resulted in fines for those found guilty of violating the law.

Decisions of high courts uphold the contention that one remains a minor until the age of 21 years is reached.

Mr. and Mrs. Peter Shibe of Long Beach have rented one of the cottages at Wardholme. They had as their guest over the weekend, Dr. Howard Shibe of San Francisco.

#### DOCKWEILER FORCES OPEN S. B. OFFICE

Headquarters for Dockweiler for Governor Inc., have been opened at 539 State St., Santa Barbara on the ground floor of the Barbara Hotel.

R. J. Campbell, manager for John F. Dockweiler in Santa Barbara, and member of the Democratic Central Committee of Santa Barbara County, cordially welcomes all voters and workers interested in supporting and furthering the candidacy of this outstanding Democrat to the nomination at the primary election, August 30th. The headquarters are well supplied with literature, window stickers and pamphlets regarding Mr. Dockweiler's campaign. The office will be open daily and any information desired in regards to Mr. Dockweiler and his campaign will be gladly furnished.

Mr. Dockweiler will be in Santa Barbara several times before the primary election, and he desires to meet, and greet the voters of Santa Barbara and will on these visits tell you of the platform on which he seeks the nomination of the Democratic party to the highest office this state can give a citizen.

Your printing orders will be well done and appreciated at The Chronicle office.

#### FEDERAL LAW INCREASES LIQUOR STAMP SALES

Due to the new federal tax on liquor, effective on July 1, sale of liquor excise tax stamps in Los Angeles headquarters of the State Board of Equalization broke all previous daily records on June 28 with a total of \$35,580.24, statistics released by the board show.

The four final days of the month brought a heavy demand from dealers who were allowed exemption from the new tax on limited amount of merchandise and took advantage of the opportunity to stock up. Receipts for the four days totaled \$110,084.45 and for the month \$360,856.38.

Belief that the new tax would result in a slump in stamp sales during July is not being borne out in the first half of the month, the board states, sales comparing favorably with those of previous Julys.

3rd—Goleta and upper Santa Ynez valley, \$18,385,825 for 1938-39; \$18,755,866 for 1937-38.  
4th—Lompoc and vicinity, \$9,461,066 for 1938-39; \$9,916,884 for 1937-38.  
5th—Santa Maria and vicinity, \$23,809,091 for 1938-39; \$21,963,398 for 1937-38.

The new lake will be entirely open to the public, although all of the usual recreational facilities have not as yet been provided. It will center a major recreational region in an area which already attracts more visitors than any other national forest in the State. It lies 4520 feet above sea level. The lake was named for Arthur Gregory, founder of the project.

#### INSURANCE CO'S. SHOW INCREASED BUSINESS

Sacramento—One of the largest tax assessment rolls for insurance companies ever compiled by the State Board of Equalization has been turned over to the State Controller for collection, it was announced today by William G. Bonelli, Los Angeles, member of the fourth district.

The total tax roll, including general insurance, ocean marine and retaliatory, amounted to \$7,459,521.30, based on the business reported by the insurance companies for the calendar year 1937.

This total represented a gain of \$691,048.63, or 10.21 per cent, over the 1937 assessment roll, and \$698,009.72, or 10.32 per cent, more than the amount of the assessed in 1936.

"If the insurance roll may be taken as a fairly constant barometer of business conditions in California, it would appear that economically the state is pulling steadily toward more firm ground," Bonelli said.

Board members pointed out that last year's tax roll was not completely indicative, however, of the business of the previous year, inasmuch as court decisions and new laws granted certain companies additional deduction which previously had been included in

#### VAN'S OFFERING SPECIAL PRICES ON FRESH APRICOTS

In an effort to give every housewife the opportunity of securing apricots for canning at ridiculously low prices, the produce department at Van's market has purchased

300 lugs of apricots which will be sold at unbelievably low prices. The sale opened Wednesday and orders have already been taken for sixty-five lugs.

The apricots have been ripened on the trees so that they are full-flavored and at the peak of perfection.

Housewives are urged to place their orders early as only three-hundred lugs will be available. For prices of the apricots and other fruits and vegetables see advertisement to be found elsewhere in this paper.
