Two Local Candidates Make Favorable Progress in Political Campaign

BLISS SPONSORED BY NEWLY FORMED GROUP

Harry Lintz Endorsed by Santa Maria Club; To Be Guest Of Honor at Barbecue

New political clubs are springing into life daily to support various candidates in the coming primary election on August 28. One Club has been organized here to support Geo. R. Bliss, candidate for the Republican nomination for congress from the tenth district. Another club has been organized in the northern part of the county for the support of Harry Lintz and another candidate.

Club Organized Last Week

Meeting at the home of George Bliss last Friday night, a few of his many loyal supporters in the coming election formed a "Bliss for Congress Club." Percy Houts was elected President and M. F. Lewis was appointed to act as Executive Secretary.

The purpose of the club is to sponsor meetings and assist in getting the vote out for the August Primary election. Membership is open to the public and those wishing to join the Club may do so by getting in touch with Secretary Lewis.

Bliss, who is spending his entire time meeting old acquaintances and making new, in the five counties included in the district, is receiving very hearty support in all places and his chances for the nomination are very favorable.

Lintz Sponsored by Club

Harry Lintz, superintendent of elementary schools of the district, and who is a candidate for County Superintendent is making excellent progress in the County, particularly in some of the northern districts. A group of some thirty women in Santa Maria have organized a club to sponsor Lintz and one other candidate in the primary election.

A political rally is being given Sunday by Mrs. Mary Garcia who lives near Santa Maria. Lintz will be the honored guest of the day. The affair will be in the nature of a barbecue and about 200 guests have been invited.

GOLDEN TROUT AT ROCK CREEK

Fishermen are enjoying nice catches of golden trout at Rock Creek and nearby streams and lakes in the high Sierra, reports the Touring Department of the National Automobile Club. Worms, grubs, salmon eggs and helgamites are favored bait. Popular flies are black gnat, royal coachman, mosquito and bee. Water is low and clear. The fish are averaging from 14 to 18 inches.

PROUD FATHER

Les Carter, local service station operator, is in line to start passing out the cigars. Mr. and Mrs. Carter are the proud parents of a six and a half pound boy born this morning at four o'clock at the cottage hospital in Santa Barbara.

Things To Remember:

When the first gas well was brought in at Summerland in 1888 and set on fire and allowed to burn for days.

The Wizard Oil medicine show wagon that made its regular appearance in old town.

When movies were shown in what is now the Masonic Temple and flashes on latest war developments were announced during the show in 1917-1918.

When the old Baptist Church which is now an annex on the Community church stood on the corner where Jones Drug Store is now located.

The old high-wheeled automobile delivery truck owned by Wescott and Toby with its touchy clutch that had to be handled just right to keep it from jumping from under the load when it started up.

Fire Budget Is Cut From First Figure

Latest reports state that the Directors of the Carpinteria Fire District have been asked that the budget submitted to the Board of Supervisors be cut from the original \$9,500 to \$4,000. The tentative budget for the County has already gone to press, however, and the change will have to be made in the permanent budget when it is submitted for final approval on August 28.

The original plans called for about \$3,700 for equipment but it is necessary to ask for \$4,000 in order to get an actual \$3,700 because of the expected delinquencies which it is estimated will run close to ten percent.

No actual cash will be forthcoming until in November after first installment of taxes has been collected. However, as soon as the revised budget is given the final approval of the Supervisors, it will be possible for the district to advertise for bids on equipment and make all necessary arrangements of completion of the deal.

SERA SET-UP HALTS WORK ON SCHOOL

Work on the New Aliso school has been halted until the first of August. This is due to the present SERA set-up. Each man working under the SERA is allotted 24 hours work a week or 96 hours during the month. When the men have worked a total of 96 hours during a month it is necessary for them to lay off until the next month. At present all available skilled laborers that could be used on the school have worked their full quota of hours for July.

The same system will result in the rock-crusher in Toro Canyon being worked but three days a week.

The entire set-up at present is unsatisfactory both to those in charge of SERA projects and to those working under the SERA. It is hoped, however, that some plan may be worked out in the immediate future that will eliminate some of the objectionable features. A system whereby part of the men available could be worked the first three days and another group the last three days would be much more satisfactory and would allow work to progress more rapidly on the projects under way.

Mrs. Carlton Stahlman and Mrs. Howard Rosefield, granddaughters of Mrs. Belle Shepard, stopped to visit Monday on their way south from San Francisco to Saticoy where they expect to visit their parents, Mr. and Mrs. Gwyn Thurmond.

Mrs. Stahlman was accompanied by her son, Harley, and expects to stay in the south until the labor situation in San Francisco becomes more settled. Mr. Stahlman, a member of the R.O.T.C. has been called to duty in the strike area.

BABBLINGS

By A. BROOK

It is with extreme modesty that this column makes its initial bow to the thousands of readers of "THE CHRONICLE." The word modesty is used here in the same sense as a 1934 model bathing beauty would compare with one of 1896. However, no effort will be made to strip the cloak of intrigue from any political or social clique and nothing bared to public gaze that shouldn't be bared.

Within the lines of this column humor will be incorporated to a greater or lesser degree, depending on the point of view.

As time goes on and you get further into the swing and action of the column it may strike you that it is all quite foolish. (May we remark here that you are right on the first guess.) We are going to write as plain as possible using no words of more than two to fifteen letters such as thoughtlessness, San Luis Obispo, dilettantism, hellephant, ect. Our first thought was to write the whole thing in Swedish, but upon thinking it over decided against the idea for lack of an elastic vocabulary as our Swedish consisted of the word "snuff" and its

Ordinance on Fireworks Ban Is Held Over

The ordinance relating to the sale of fire-works which Supervisor Tom Dinsmore proposes to introduce before the board of Supervisors has been tabled for the time being. It will be revised, however and brought before the board in plenty of time to be put in effect before the Fourth next year if it meets with the approval with the rest of the board.

The ordinance in its present form would prohibit the sale outside of incorporated cities and towns prior to the morning of July 3rd and after midnight on the Fourth. It would further prohibit the discharging of fireworks on any public thoroughfare or within five hundred feet of any area covered with an inflammable growth. Any person not regularly conducting an established place of business will be required to obtain a temporary vendor's license, the fee for which would be \$50.

The ordinance would carry with it a punishment of a fine not to exceed \$100 or imprisonment not exceeding ten days, or both, upon arrest and conviction.

CARPINTERIANS TO STRIKE

Zone in San Francisco
Carpinteria is also playing its part in the strike situation in San Francisco. Several local men who were attending the encampment of the National Guard at San Luis Obispo were ordered into San Francisco with the 2,000 guardsmen that were sent from there early this week.

Among Carpinterians who are Robert West, George Senteney, Cecil Talmadge, Bernard Church and James "Pete" Peterson. It has been the policy to call in guardsmen from out of the locality where the trouble exists and it is possible that the boys will remain in San Francisco until the present labor troubles are ended.

OLD TIME RESIDENT

PASSES WEDNESDAY
Mrs. Julia Daily, 79 years old and a native of Denmark, passed away at her home on Wednesday afternoon. Mrs. Daily, who had been a resident of Carpinteria for many years, had been ill for several weeks. She is survived by two children who were with her when death came. They are Wendell Daily of San Francisco and Mrs. Dorothy Sprague of San Jose.

Funeral services will be held Friday afternoon at the Carpinteria cemetery.

CANDIDATES CALL

Several candidates for various county and local offices have called at the Chronicle office during the past few days.

George Giovanola, candidate for county treasurer, accompanied by Jack Bailard, were visitors on Wednesday. Mr. Giovanola's announcement and his campaign platform will appear in this paper next week.

Carpinteria Legion Post Making Arrangements to Run Cerca Del Mar

INCORPORATION ARTICLES SENT IN THIS WEEK

First Year's Profits to Be Spent to Re-Furnish and Equip Dining Room and Kitchen

Articles of Incorporation were filed this week with Secretary of State Jordan by the Howland Shaw Russell Post of the American Legion of Carpinteria. This is one of the final steps necessary to be taken to complete the arrangements for the Legion to take over the Cerca del Mar property.

CLOSE GAME PLAYED BY LOCAL TEAMS

The second meeting of the two local baseball teams last Sunday resulted in a win for the Carpinteria Club team by a score of three to two.

A third meeting of the teams is not possible as the Merchant team has disbanded after a short summer session. The Carpinteria Club team will continue to play throughout the summer assuring the local fans a game each Sunday for their enjoyment.

The game last Sunday was scheduled after the Ventura team informed the manager that they would be unable to play on that date.

A close game was anticipated and the fans were not disappointed as the score clearly shows.

Double plays seemed to be in order as the Club team completed four of them in a clean snappy order showing much improvement over the past games and indicating a successful summer season for the team.

Although Shields only struck out but three of the opposing team he allowed but five hits which were nicely covered by his supporting players, holding the Merchants well in check. With a few more games the Club team will be in first class condition and ready to meet the strongest teams in the county thus assuring fans the best baseball that has been played here in the past few years with plenty of excitement thrown in for good measure.

Last Sunday's game furnished many thrills for the spectators as tense moments were continually arising only to be relieved by excellent fielding and quickly executed plays by the participating players.

The Club team scored twice in the opening inning and lead until the fourth when with the bases full an error allowed the Merchants to rush two runs across the plate tying the score.

In the seventh inning the Club team by means of two two-base hits and a single pushed another tally across and held the Merchants scoreless the rest of the game. The outcome was in doubt however until the last out was made, and the spectators were kept on the edge of their seats the remainder of the scoreless innings.

Next Sunday the Club team is to meet the strong Santa Barbara Athletic Club nine on the local diamond in a game that is sure to be full of thrills for the local fans and which no enthusiast of the game can afford to miss.

DANCE AT CERCA DEL MAR

MAY BE LAST TO BE GIVEN

The dance which is being given at Cerca del Mar on next Wednesday evening may be the last local affair to be given according to R. G. Bassett.

Bassett states that if the people of the community who enjoy dancing, especially the young people, do not respond with a better attendance at the next dance he will be forced to discontinue the dances as they are not making expenses at present and he cannot afford to operate them at a loss.

SINCLAIR MEETING

IS HELD AT SCHOOL

A meeting of the "Sinclair for Governor Club" was held Monday night at the school. The speaker of the evening was Samuel D. Converse, formerly an attorney of Seattle, Wash. Converse spoke about thirty minutes and was followed by Herald Weidman of Santa Barbara. About thirty persons attended the meeting.

The Legion has been working on this proposition for a year or so. Last November they obtained permission from the State Park Board to take steps to operate the property. However, it was found necessary for the Post to incorporate before the arrangements could be completed. As soon as the Articles of Incorporation are approved in Sacramento final terms of the lease will be arranged and the building will be turned over to the Legion at once.

The present agreement calls for a \$10 a year rental on the building with the provision that all net profit during the ensuing year will be used for the purpose of refurbishing the building. Tentative plans call for complete equipping and furnishing of the kitchen and dining room, and provision of incidental furniture and draperies for the rest of the building.

The Legion is planning a carnival celebration at the Cerca del Mar over Labor Day, proceeds from which will be used at once toward refurbishing.

The Cerca del Mar has a large dining room and a ballroom with indirect lighting system and an excellent dance floor. Properly furnished and equipped the building will provide an ideal setting for both public and private parties and dances and should be in constant demand. Even in its present unfurnished state it has been renting for dances several times a month.

Nominations Made Tuesday

At the regular meeting of the Post Tuesday evening at Cerca del Mar nominations were made for the ensuing year. Election of officers will be held at the next regular meeting on August 21 and all members are urged to be present. Nominations were as follows: Commander, F. W. Thomas; First Vice, Jim Tongue; Second Vice, Mark Latham; Treasurer, Irving Mather and Stanley Shepard; Chaplin, Dr. T. M. Shorkey; Sergeant at Arms, Neil Vaughn; Historian, O. Southworth; Executive Committee, R. F. Kistler, D. Mayrhofer; Delegates to State Convention at San Francisco in August, E. S. Solari, A. R. Hebel, F. W. Thomas and Neil Vaughn.

Junior Organization Started

Regular reports were read and a new activity sponsored known as "Sons of the Legion." This is an organization for boys whose fathers are Legionnaires and has been started in order that the memory of the Legion may be perpetuated beyond the present generation of members. The work is in charge of F. W. Thomas and Seth Hargrave and membership is open to boys whose fathers belong to the Legion.

Man About Town Saw:

Wes Tobey with a painful coat of sunburn to show for a fishing trip.

Certain summer romances making their annual appearances.

A nice, fuzzy black cat (stuffed) that has joined the collection in Rebecca Stoddards office.

A strange assortment of vehicles passing through town vacation bound.

Jack Bailard, all dressed up, introducing a candidate for county treasurer to the community on Wednesday.

Your new editor greatly appreciates the assistance given by many of the good citizens of Carpinteria and our regular correspondents in the gathering of news, but we do have one request to make. Please bring in as much news as possible on Monday and Tuesday to save us a last minute scramble on Wednesday. Advertisers are asked to get us their copy by Tuesday night except in cases of emergency.

AWAKENING

All those persons throughout California, and we have plenty of them right here in our own county, who think the good old U. S. A. is a poor place to live in, and who spend their hours haranguing and harassing others who think this is a pretty good country should take warning from what has just happened in San Francisco.

The swiftness with which an organized band struck in San Francisco and the thoroughness of their job of cleaning out the nests of radicals means just one thing. The citizens of California are fully aroused to the Red menace in this state and true Americans will not tolerate longer such a state of affairs. If there is no legislation covering the class of people who are constantly stirring up strife the people of this country will take the law in their own hand.

There is little doubt that the longshoremen's strike would have been settled long ago but for the efforts of certain aliens. The rightful heads of labor were ignored and shouted down by communistic workers and the laborers led astray by the ballyhoo which covered their duplicity.

It is unfortunate that other legitimate unions went to such lengths as to ally themselves with the striking longshoremen. The backbone of the strike has been broken in a few short days and labor no doubt realizes that it has been on a wild goose chase. Few question the right of people to organize unions in an effort to better hours and wages but no such issues were involved in the present situation. Every effort was made to settle the longshoremen's strike by usual methods to no avail.

The strike will in all likelihood prove to be a boomerang to the laborers. Just when the wheels of industry were beginning to start the long pull on the up-grade, labor put soap on the tracks instead of sand. Practically every line of business in the state has been hit. Production has been slowed up, farm products have gone to waste. The net result will be a decrease in the purchasing power of the state as a whole and the resultant laying off of help in many plants.

While the whole thing has been most unfortunate it has had at least one wholesome effect. The general public is inclined to be easy-going until some glaring incident arouses attention. The few days of chaotic conditions in San Francisco, the shortage of food and gasoline have awakened the public to the menace of communist agitators in our state and has given the people a mild sample of what would happen should they gain the upper hand and surely the people of this state will not rest until this movement has been stamped out.

SCHOOL DAYS

By DWIG

Timely Educational Topics

By HARRY A. LINTZ

TRAINING FOR TOMORROW

The opening of the school year will bring relief to some of the young people who find prolonged leisure burdensome and tedious. To others it will mean added joy of the school atmosphere and environment. Financial needs may dictate that some continue their earnings to permit resumption of the schooling later. This training will be profitable, as a year of any work should produce, in addition to the disciplinary value, a more wholesome regard for the advantages of education. The danger to this group is the "cooling process" that takes place during such intervals, with a resultant diminishing interest.

Young people may argue they have sufficient training to meet future requirements, however it is hard to say when a boy or girl has had sufficient training. Such training usually in-

creases opportunities as well as incomes. It would seem a wise policy to be liberal in estimating the amount of educational training required rather than be forced to acquire it at an age when they are less susceptible to it. The fact that young people in increasing numbers are today taking this precaution makes the situation more emphatic and the demand more imperative. Boards of Education and school officials, appreciating this situation, have made adequate provisions for every demand. It rests with the young people and their parents to do the rest.

The county superintendent of schools has a tremendously important opportunity of advising boys and girls with regard to their preparation and, preparatory experiences for their life work.

The Last Word By ANN

her column

I guess they weren't spoofing after all. There really is an inhabitant of the sea called a grunion that performs queer antics in the course of spawning. When the tale first reached my ears I thought someone was trying to work the old snipe hunting game on me. Evidently so did a certain lady who went out to hunt the elusive fish. Clad in a heavy coat and carrying a lantern the lady skeptically approached the beach and remarked, "I think this is just some kind of a fish story." In rolled a wave and deposited several grunion near the lady's feet. The lantern was cast to the four winds and the lady emerged triumphantly gripping a grunion but looking like a first cousin to a mermaid. It's a great sport but too chilly for me. Guess I'll go find a nice gold fish pool and try my luck there. The general effect should be the same.

A Bicycle Built for Two

At first I thought I was seeing double on the way in to Santa Barbara the other evening. Just ahead of me was a bicycle which I thought at first was being propelled by a girl. Then I found she was being assisted by a boy. It was a tandem bicycle just like you see in the movies. Both the boy and the girl were doing their share which reminds me that marriage is a good deal like a tandem bike. You can go a long way if both pull their share of the load, but if one starts shirking on the job the

first good bump in the road is liable to dissolve the partnership.

Competition

Europe just had to beat the record of the quintuplets born on this continent. We read where a woman across the ocean became the mother of six children the other day. We wonder when that record will be broken. This mass production is getting serious. But what I started to say was that I heard that a certain congressional candidate for the tenth district was wishing that he was the Diones Quintuplets so that he could be in all the five counties in the district at once.

BREVITIES

William H. James and daughter, Mrs. Clementine Mead and daughters, Helen and Betty Mae, visited J. E. Haskell, Jr., at Saugus last Sunday. Mr. Haskell is the newly elected Secretary of the California Rural Letter Carriers' Association.

Mr. and Mrs. Chester Harding and daughters Jane and Catherine, of Hollywood called on the Percy Houts Sunday.

Miss Eunice W. Beeson, who has been visiting at the home of Mr. and Mrs. Martin Slaughter for the past month, left yesterday for her home in Colorado Springs.

Mrs. Myrtle Steel and Robert Steel of Saticoy, Mr. and Mrs. William Norlin and Mildred McCormick were Sunday guests of Mrs. Rystrom.

Donald Miller of Santa Maria arrived in Carpinteria Tuesday for a few days visit with friends and relatives.

Archibald Horton accompanied F.

C. Greer to Los Angeles Wednesday to attend the regular meeting of the California Fruit Growers Exchange. Miss Helen Sharpe of Santa Barbara was a guest of Mrs. Marion Cate over the week-end.

Mr. and Mrs. Roy Smith of Fellows are visiting relatives and friends in Carpinteria and Santa Barbara. Mr. Smith is a son of Mrs. Kate Martin and a brother of Nelson Smith and Mrs. Edward Bronk of Carpinteria and Mrs. William Diehl of Santa Barbara. Mr. Smith returned to Fellows Monday but Mrs. Smith expects to remain for several weeks.

Clarence J. Cadwell spent Monday and Tuesday in Los Angeles on business.

Mrs. M. Hurlbut spent the week-end with friends in San Diego and returned to Carpinteria Monday.

Mr. and Mrs. Howe S. Deaderick have returned from an extensive motor trip in the northern part of California and Oregon. Mr. and Mrs. Ben Ballard who were in the party have remained for further sight-seeing and will return about the last of the month.

Miss Wilma Crawford accompanied by their house guest, Mrs. Nettie Felt of Pasadena motored to Los Angeles Saturday afternoon. Miss Crawford returned home Sunday.

Miss Rebecca Stoddard, the local welfare worker for this district, spent Tuesday in Santa Maria on county business.

Mr. and Mrs. Connor Shannon of Santa Barbara were dinner guests Tuesday evening of Mr. and Mrs. Clarence Cadwell and family.

Mr. and Mrs. Ray Barrett of Torrance spent Sunday at the home of Dr. and Mrs. Jerome F. Tubbs.

Miss Katherine Norlin, accompanied by Miss Estelle Fillipponi of San Luis Obispo, is visiting Miss Dorothy Hilton in Laguna Beach.

Mr. and Mrs. W. L. Gann of McKittrick spent the week-end with her parents, Mr. and Mrs. John C. Furby.

YOUR CHILD AND THE SCHOOL

By Dr. ALLEN G. IRELAND
Director, Physical and Health Education
New Jersey State Department of Public Instruction

Summer Diet

In discussing summer diet, there are two points I ask you to accept at the outset. First, forget hearsay and superstitions about this or that food being bad for children in hot weather. Second, remember that children grow as much or more during the summer than at any period of the year, depending upon the child and certain other factors.

Now growth means food, the right kind and plenty of it, just as surely now as at any time. The amount in most instances may be determined by the child's hunger. If he's not hungry, look for a reason, provided he is known to be free from disease. But the kind of food must be left to the mother.

I have no special rule unless it be a little less meat in favor of an abundance of fresh vegetables. Milk by all means must be continued, although good ice cream may now account for some part of the usual quart a day. Bread and butter and the fruits round out the normal diet which is just as appropriate and necessary now as it is in winter.

Vegetable time is here; Dr. Ireland will discuss it next week.

CHURCHES

COMMUNITY CHURCH
Rev. Leon Kirkes, Pastor

The Sunday School will meet at 9:45 a.m. Let all be present for the worship service. Good singing and an excellent devotional period.

The public worship will be at 11 a.m. The topic of the sermon by Rev. L. C. Kirkes will be "Where Lies the Wisdom and Power of the Cross." Special music by both the Tuxis choir and the eMn's chorus.

The Tuxis choir will meet at 5:45 under the direction of Dr. Genevieve Shorckley.

Dr. Kirkes will be heard over the radio KDB Monday morning at 7:30.

CHRISTIAN SCIENCE SOCIETY
814 Walnut Street

Services Sunday, 11 a. m.; Sunday school at 9:45 a. m. Wednesday meeting 8 p. m. Reading room open Tuesdays, Fridays, 2:30 to 4:30 p. m. You are invited.

THE METHODIST CHURCH
Sunday school at 10 a.m., W. H. James Supt.

Morning Worship at 11 a.m. Sermon subject "Bullocks and Bees." - Combined night service at 7:30 p.m. Devotional singing and prayer service followed by discussion of the subject "Due Process of Law." Consideration of "What is Law in a Government Like Ours," "How Laws May Improve Conditions," "What Laws Have Accomplished," "The Futility of Depending on Passing Laws to Produce Abiding Reforms." These services are well attended and growing in interest. Everybody welcome. A cordial invitation extended to all tourists, campers, and visitors to attend all the services.

The Woman's Mission Society will meet this Friday, 20th in its all day meeting. Pot Luck luncheon at 12:30. All members who possibly can do so are requested to be in attendance.

ST. ANDREWS EPISCOPAL
Coast Highway

Members of the Carpinteria congregation are asked to attend the Church of All Saints By the Sea, in Montecito, temporarily.

ART EXHIBIT IN PROGRESS
IN SANTA BARBARA

Thirty seven artists of Santa Barbara city and county are represented in an unusually varied and interesting exhibit now under way at the Chamber of Commerce auditorium in Santa Barbara. Portraits, still life, oils, water colors, etchings and sculpture figure in the showing which is under the auspices of the Artists' Division of Santa Barbara Associates and the first of a series of exhibitions to be presented by this group. The current exhibition ends August 12.

In an effort to stimulate interest in the work of Santa Barbara artists, the Chamber of Commerce has converted its large auditorium into a permanent art gallery. Excellent overhead lighting and adequate wall space makes the auditorium admirably suited for art displays.

Artists whose work are being shown are: Stanley Brenneiser; W. S. Bagdatopoulos; John Wallace Brown; Martha Wheeler Baxter; Ed. Borein; Marian Brackenridge; Ettore Cadorin; Colin Campbell Cooper; Walter Cheever; Augusta Crow; R. Doolittle; Stanley Edwards; Antonia Greene; Louis Hells; Marian Hebert; Elsie Hastings; Doris Howard; Mary Jameson; Conde de Kervily; Joseph Edward Knowles; Marjorie Murphy; Eunice MacLennan; Elizabeth Mason; William Louis Otte; Blossom Owen; Douglas Parshall; Edith Catlin Phelps; Thomas E. Ripley; Helen Seeger; David Swanson; Carolyn Stanwood; Lilian Tuckerman; Samuel Vaughan; Ella Valk; R. W. Vaughan; John S. Williams; Mary Wesselhoeft.

BRIDGE TEA TO
BE GIVEN CLUB

The home of Mrs. Gordon Bailard on Casitas road will be the setting for a bridge tea given by the Carpinteria Woman's club on July 26.

Tables will be set up in the garden, and special arrangements will be made for those who wish to come for the tea which will follow the games.

Mrs. Stuart McMartin is chairman of the reservations committee, assisted by Mrs. Orin Hales, Mrs. Joseph Hendy, Mrs. Arthur Hebel, Mrs. Nelson Smith and Miss Ariana Moore.

GARDEN CLUB MEETS
NEXT THURSDAY

The Garden Club will hold its regular meeting at the State Park on Linden Avenue next Thursday, July 26. There will be a pot luck luncheon at 12:30; and in the afternoon, a tour to the old land marks of Carpinteria Valley. They desire a full attendance of members and friends.

YOUNG PEOPLE IN
CHARGE OF PROGRAM

The young people of the Community church were in charge of the program of the meeting of the Woman's Association yesterday afternoon, the topic, "Youth at Worship" being led by Elizabeth McKenzie. Doris Demaree led the devotionals, the subject being "Things that Help and Hinder Church Etiquette." A chorus sang a number of selections from standard church music, including the Benedictus Magnificat, Glory Patri and the Doxology. Hostesses for the social hour were Mrs. James A. Lewis, Mrs. B. J. McKenzie, Mrs. C. A. Hogle, Mrs. Frank Bauhaus and Mrs. Lucie Treloar.

"DUMB-BELL" PARTY GIVEN
LAST FRIDAY

Mr. and Mrs. William Jacobs entertained last Friday evening at a

Rev. I. N. Demy says:

I have found nothing in the past 20 years that can take the place of Dr. Miles Anti-Pain Pills. They are a sure relief for my headache.

Sufferers from Headache, Neuralgia, Toothache, Backache, Sciatica, Rheumatism, Lumbago, Neuritis, Muscular Pains, Periodic Pains, write that they have used Dr. Miles Anti-Pain Pills with better results than they had even hoped for.

Countless American housewives would no more think of keeping house without Dr. Miles Anti-Pain Pills than without flour or sugar. Keep a package in your medicine cabinet and save yourself needless suffering.

At Drug Stores—25c and \$1.00

DR. MILES' **ANTI-PAIN PILLS**

"dumb-bell" party at their home on Santa Monica road. "Earthquake" bridge, reversed contests and a backwards spelling bee were carried out, and reversed prizes awarded. Those present were Mr. and Mrs. Jack Mason, Miss Ruth Rizer, Miss Elaine Jacobs, Kenneth Wood, Charles Jacobs, Bob Williams and Francis Castro of Santa Barbara; Mr. and Mrs. Merle Shride of Oxnard; Mr. and Mrs. Curtis Linkey, the Misses Vivian Rodriguez, Isabel Rice, Doris Braley, Ethel Hudson, Vivion Chafee, Agnes Braley, and Betty Johnson; Ford Kline, John Rodriguez, Henry Bliss, Al Moore, and Donald Barrick.

BRIDGE CLUB ENTERTAINED
BY MRS. SMITH

Mrs. Nelson F. Smith was hostess to the members of her bridge club Tuesday afternoon when they met for luncheon at her home in Lillingston canyon. Mrs. Roy Pinkham of Santa Barbara, Mrs. A. G. Wood and Mrs. Donald Andrews were guests. Members present were Mrs. D. A. Carton, Mrs. C. R. Bowen, Mrs. H. C. Henderson, Mrs. Jesse M. Hawley, Mrs. Richard Morris, Mrs. Jerome F. Tubbs and Mrs. Harbron Morris.

BENEFIT BRIDGE LUNCHEON
TO BE GIVEN TUESDAY

The home of Mrs. E. D. Solari will be the setting for a benefit bridge luncheon next Tuesday at twelve-thirty. Invitations are being extended this week. Proceeds from the affair will go to the American Legion Auxiliary of Santa Barbara of which Mrs. Solari is a member.

MRS. WINTERS REPRESENTS
CARPINTERIA AT PICNIC

Mrs. W. C. Winter, president of the Carpinteria P.T.A., attended the P.T.A. picnic at Nojoqui Falls on Tuesday. An interesting program was presented and several talks by well known educators were given. About fifty persons attended and a pleasant day was enjoyed by all.

from Carpinteria were: Rev. C. P. Moore, Dr. Horace G. Coshow and Mrs. Coshow, Rev. L. C. Kirkes, Dr. J. B. Lape and wife, Hugh Thurmond and wife, Phil Mills and wife, E. D. Solara, wife and guests, D. E. Baird and wife, Geo. Bliss and wife, J. M. Hawley and wife, I. A. Mather and wife, J. E. Jones, G. E. Franklin and Frank Smith. Between two and three hundred Lions and guests were present at the event.

Carpinterians have read with interest of the marriage of Miss Melba Jean Parker, daughter of Mr. and Mrs. W. T. Parker of Santa Paula to Graeme Bennison Westling which occurred Sunday in the Congregational church in Norwalk. Mrs. Westling is a granddaughter of Mrs. Arvesta Rystrom, and graduated in June from Santa Barbara State College. They will make their home in Washington.

Those present at the wedding were: Mr. and Mrs. Harmon Bennett of Glendale, brother of the groom, acted as best man. Following a buffet supper, Mr. and Mrs. Bennett left for the south on their honeymoon.

They will return this week-end to make their home in Oxnard, where Mr. Bennett has a position as civil engineer. Mr. Bennett has been teaching in Hueneme and expects to continue for the coming year.

Those present at the wedding were: Mr. and Mrs. Harmon Bennett of Glendale, Mrs. S. G. Bennett, John Bennett and Miss Mabel Rose Bennett of South Pasadena; Miss Caroline, Agnes and Doris Braley, Mr. Edward Braley and Rev. and Mrs. James A. Lewis.

**HOT WATER FOR EVERYTHING ALL DAY LONG
COSTS LESS THAN A 5¢ RAZOR BLADE**

"I'd call it a big nickel's worth just to have hot water all ready for my hit-and-run shave in the morning." That's what anybody with an automatic gas water-heater says.

And in Southern California natural gas is so inexpensive that the whole household can have hot water everywhere... always ready, all day and all night... for less than 5c a day.

Remember that bathing, cooking, dishwashing, laundry, shaving, dozens of other daily trips to the hot water faucets, all add up to thousands of individual uses every month. You can't notice the tiny cost each time. Be sure to insist on a natural gas automatic heater... it is three times as economical as other automatic methods.

ORDER OF THE BOARD OF SUPERVISORS DECLARING THE INTENTION OF SAID BOARD OF SUPERVISORS OF SANTA BARBARA COUNTY TO CLOSE UP, VACATE AND ABANDON FOR PUBLIC ROAD PURPOSES CERTAIN PARTS OR PORTIONS OF A PUBLIC HIGHWAY IN THE FIRST ROAD DISTRICT OF SAID COUNTY OF SANTA BARBARA, STATE OF CALIFORNIA, DESCRIBING THE GENERAL ROUTE THEREOF, AND FIXING THE DATE FOR A HEARING THEREON.

WHEREAS a petition has been filed with this Board of Supervisors of Santa Barbara County, signed by certain freeholders two of whom are residents of the first road district in which the property hereinafter described is situated, and who are taxable therein for road purposes, which said petition requests the vacation and abandonment of certain parts or portions of a public highway located in said first road district, in the County of Santa Barbara, State of California, more particularly described as follows, to-wit:

PARCEL I: Beginning at a point on southerly line of road described in "Final Order of Condemnation" dated July 5, 1910, and recorded in Book 17 of Deeds, page 263, Santa Barbara County Records, from which Station 225 plus 07.4 bears N. 11 degrees 3 min. 55 sec. W. 20.22 feet distant; thence along southerly line of said road N. 87 degrees 27 min. 20 sec. E. 77.65 feet to angle point in said southerly line of road; thence N. 67 degrees 27 min. 20 sec. E. 77.24 feet to angle point in said southerly line of road; thence N. 45 degrees 27 min. 20 sec. E. 194.78 feet to angle point in said southerly line of road; thence N. 12 degrees 32 min. 40 sec. W. 31.61 feet to angle point in said southerly line of road, from which point Station 228 plus 68.30 of said road bears N. 68 degrees 11 min. W. 24.23 feet distant; thence leaving said southerly line of road, S. 56 degrees 10 min. 40 sec. W. 7.76 feet to a point from which Station 228 plus 68.30 of said road bears N. 50 degrees 18 min. 55 sec. W. 20.86 feet distant; thence S. 23 degrees 11 min. 30 sec. W. 22.74 feet to a point; thence S. 37 degrees 53 min. 5 sec. W. 121.87 feet to a point; thence S. 53 degrees 53 min. 5 sec. W. 76.14 feet to a point; thence S. 75 degrees 19 min. 5 sec. W. 131.43 feet to a point; thence S. 70 degrees 24 min. 50 sec. W. 2.14 feet to point of beginning; said property having been surveyed by Geo. E. MacCulloch, Licensed Surveyor No. 2063.

PARCEL II: Beginning at point on northerly line of road described in "Final Order of Condemnation" dated July 5, 1910, and recorded in Book 127 of Deeds, Page 263, Santa Barbara County Records, from which Station 228 plus 68.30 of said road bears S. 50 degrees 18 min. 55 sec. E. 20.86 feet distant; thence along said northerly line S. 56 degrees 10 min. 40 sec. W. 7.76 feet to angle point in said northerly line of road from which point Station 228 plus 68.30 of said road bears S. 68 degrees 11 min. E. 24.23 feet distant; thence S. 12 degrees 32 min. 40 sec. E. 7.23 feet to point on said northerly line of road; thence leaving said northerly line of road N. 23 degrees 11 min. 30 sec. E. 12.38 feet to point of beginning; said property having been surveyed by Geo. E. MacCulloch, licensed Surveyor No. 2063.

AND WHEREAS it appears to this Board that the public interest and convenience requires said vacation and abandonment of said parts or portions of public highway in said first road district, and it is therefore the intention of this Board to close up, vacate and abandon for public road purposes said parts and parcels of public highway as other portions of public highway have been granted to the County of Santa Barbara in lieu of the above described portions, and the course of said highway has thereby been altered.

NOW, THEREFORE, IT IS HEREBY ORDERED that a public hearing on said petition be held by the Board of Supervisors at the Santa Barbara County Courthouse in the City of Santa Barbara, State of California, on the 13th day of August, 1934, at 10 a.m., or as soon thereafter as the same may be heard; and

IT IS FURTHER ORDERED that notice of the passage of this Order and Resolution be posted conspicuously along the proposed vacation, in the manner provided by law, and be published in the Carpinteria Chronicle, a newspaper of General circulation printed and published in the County of Santa Barbara, State of California for at least two consecutive weeks prior to the said 13th day of August, 1934, which said newspaper is hereby designated as the newspaper in which said notice shall be published; and

IT IS FURTHER ORDERED that all expenses incurred in said closing up, vacation and abandonment, including the cost of posting and publication of said notices prescribed by law shall be borne by the County of Santa Barbara.

Passed and adopted by the Board of Supervisors of the County of Santa Barbara, State of California, this 16th day of July, 1934, by the following votes:

Ayes: Dinsmore, Stevens, Adam, Preisker and Stanwood.
Noes: None.
Absent: None.

C. L. PREISKER
Chairman of the Board of Supervisors, County of Santa Barbara, State of California.

(SEAL)
Attest: D. F. HUNT,
County Clerk and ex-officio
Clerk of said Board of Supervisors.
By Henry Dawe, Deputy Clerk.

Published in the Carpinteria Chronicle July 19, 26 and Aug. 2, 1934.

BREVITIES

Mr. and Mrs. Fred Eldredge of Hollywood spent Sunday at the home of Mr. and Mrs. Lee Lyman. They were accompanied by their daughter Doris, who had been spending the week with her cousins.

Mr. and Mrs. R. E. Walsh, daughters Reva and Iva and son Ralph, returned Saturday from a camping trip to Owens Lake and other points in the Sierras.

Mrs. Marshall Beard of Hemet arrived to visit her parents, Mr. and Mrs. W. R. Ownes at the Hoosier court.

Mr. and Mrs. Rolland J. Ogan and son Reg have been camping for several weeks in the Sierras near Bishop.

Miss Maude Merrihew and Miss Minnie Merrihew, accompanied by Miss Winifred Merrihew and Miss Cunningham of Long Beach, are motoring to Yellowstone and Glacier parks.

Mr. and Mrs. Bailard Franklin and daughters have been camping near Mono Lake for the past week.

Mr. and Mrs. Arthur Hebel entered

tained at dinner Monday evening, their guests being Mr. and Mrs. Daniel Britton of Santa Barbara.

Miss Eunice W. Beeson, who has been visiting at the home of Mr. and Mrs. Martin Slaughter for the past month, left yesterday for her home in Colorado Springs.

A. N. Dewald and Johnny Bryan and two small sons are expected Friday to spend the week-end with the W. C. Winter family.

Mrs. H. L. Beckstead and Miss Evelyn Beckstead returned Tuesday from Los Angeles where they had visited relatives.

Mr. and Mrs. Bailard Franklin and family have been camping near Mono Lake for the past week.

Mrs. Lott Beckstead and daughter,

Evelyn, returned home Tuesday after a few days visit in Los Angeles.

Mrs. Sally Maddox and two sons,

Your Greatest Need

Statistics show there are more accidents in one week now than during the whole year of 1910. Your chance of having an accident now is 52 times greater than then. It is better to have insurance and not need it than to need insurance and not have it. Notice how many cars bear the emblem of service shown here.
