A.S.B. Assembly Passes Budget for 1937-38

Staters Unanimous in Accepting Finance Committee's Allotment of School Funds for Coming Year

Without a dissenting vote, the Associated Student body passed the organization budget for 1937-38 yesterday morning in a second hour assembly.

Athletic amendments to the by-laws, which have been drawn up for the purpose of clarifying the rules and making necessary changes, were passed, with the exception of the cross-country amendment.

Ted Joham, sports editor of El Gaucho, introduced an amendment to the amendments, providing that 1. The Block "S" will be awarded to any man placing among the first ten in the All-Conference, Pomona Invitational or any A.A.U. sanctioned meet. 2. If a Santa Barbara team wins the All-Conference, Pomona Invitational or A.A.U. meet, the first five men finishing will be awarded the Block "S". The third section was left the same as the fifth of the original amendment.

Subjected to two votes, verbal and a standing vote, called for by John Twaddell, the motion from the floor passed.

Announcements were given, and the meeting adjourned. Denny McArthur, who recently returned from Fresno, presided over the assembly.

Many View Play by Kindergarten Primaries

"Toy Shop" was the most successful play ever produced by the Kindergarten-Primary play activities class," today declared Miss Edith Leonard, head of the Kindergarten-Primary department. This play, which climaxed a semester of preparation, was presented in the college auditorium last Saturday afternoon, May 22.

Attendance at the entertainment totalled 169 of which 100 were children from elementary schools throughout Santa Barbara and from the two junior high schools. Sale of tickets amounted to \$50, and this sum was augmented by \$8.00 received from a candy sale in the lobby.

"All factors, composition, direction, music, dancing, and scenery, combined to make "Toy Shop" a rounded, finished production," said Miss Leonard. The cast, too, expressed their gratitude for the committee work and the faculty assistance to the play.

Children viewing the show were particularly enthusiastic over the two live dogs, Boots and Monte, that took part in the show. Realistic make-up of student actors who represented dolls and animals also delighted spectators.

Printers Take Trip to Los Angeles

Campus printers and interested students are making final preparations for their field trip to Los Angeles and its many large printing plants. The excursionists will leave in the College bus at eight o'clock Friday morning, May 28.

Jimmie Stanley, printing student and chairman of the trip, announces that there is still space in the bus for students desiring to visit the American Type Founders Corporation, the Mergenthaler Linotype company and the Los Angeles Times. The round trip costs \$1.25 and reservations must be made immediately with Stanley or John Porter printing instructor.

This is the first field trip to be sponsored by the Print Shop of the Industrial Education department.

Gaucha Staff Dinner Set for 29th

McKinney to Announce
Successor in Editorship;
Fraternity Gives Cup

El Gaucho staff members, the students belonging to Alpha Phi Gamma, honorary journalistic fraternity, several faculty representatives, the feature writing class, and the print shop staff of the paper will all meet together at El Cortijo on Saturday evening, May 29 at 6:30 for the annual staff sponsored dinner.

This, the final and most important event of the journalists' year, will have for its principal purpose the naming of the editor of El Gaucho for 1937-38. Final selection of the person to succeed Petie McKinney in the editorship will be made by the publications board in a special meeting today. To this selection must be given the approval of the student council.

Bill Hoyt, last year's editor and president of Alpha Phi Gamma, will make that fraternity's annual presentation of the silver cup honoring the all-star reporter of El Gaucho and also six star reporter certificates. Miss McKinney, retiring editor, will preside as Master of Ceremonies.

Irene Minikin and Nat Hales, managing editors of Wednesday's and Friday's papers and candidates who have been trying out for the editorship in the fall, are in charge of the arrangements for the dinner. This week they will extend invitations to President Clarence Phelps, Dean William Ashworth, Miss Margaret Bennett, Mr. William Maxwell and Mr. John Porter to attend the dinner as faculty guests. All those to whom invitations will be given may bring escorts or guests.

Frosh, Sophs Play at Beach Picnic

East Beach will be the scene of the Frosh-Soph beach picnic this afternoon, as the two classes mass the last social event of the college year.

Good food, recreation, including volleyball, football, baseball, and swimming, and entertainment by "Bunny" Rego will feature the outing. Rego, the Hawaiian banjo thumper, will play several of his native songs.

Danny D'Alfonso, sophomore class president, and David Jones, Freshman head, are in charge of arrangements. Committees include Pat Forsyth, Alice Boeseke and Lyndell Brundige, food; Marlin Wilbur and Arnold Rose, recreation; and Ray Stalmack and "Bunny" Rego, entertainment.

Gnome Club Dances in Music Hall

Last Saturday night, twenty-five couples attended the Gnome Club dance held in the Music Hall, from 8:30 to 12 p.m.

The informal was under the direction of Betty Busby and Leona Grow. Novelty dances, such as the "Virginia Reel" were enjoyed by the group. After the dance coffee and doughnuts were served.

Don Follett

Don Follett, senior, who was chosen to act as assistant controller and publicity director for the Associated Student body next year, at a special meeting of the student council Monday night. Follett has been outstanding for his work on the constitutional revision committee and in founding of the Gavel and Key, honorary men's service club.

News Flash

The annual Island Trip, planned for the coming week-end, has been definitely cancelled, according to a statement made yesterday by Wilma Kiesner, chairman of the outing committee.

Due to the fact that an insufficient number of students signed to go on the trip, the "Noreonian", owned by Captain Bill Clark and scheduled to make the jaunt, was given up. Thirty persons had signed yesterday afternoon, with a quota of 50 necessary to insure the journey.

Over the Fence By JACK SALTER

ROOSEVELT VICTORY

In upholding the Social Security Act the Supreme Court gave Roosevelt another important victory. It is curious, but we shall refrain from winking, that the Court has begun to see eye to eye with the administration since the naughty talk about increasing its membership last March. Van Devanter, who resigns shortly, voted against the Act, and McReynolds fooled nobody when he voted against it, too.

The whole issue was whether the general welfare is involved. The Federal government rebates 90 percent of the tax to the state if they set up unemployment laws. This, howled the respondent, is coercion. The majority opinion said the line between inducement and coercion was too dim right now, and that unemployment affected the "general welfare," and so the law was valid Three straight victories for the New Deal in a row.

GERMAN ORACLE

Baldur von Schirach, leader of the "Hitler Youth," came out with a good one yesterday, according to the Associated Press. He sees with a super natural and super-super-normal vision. This is what he saw yesterday: "I see in the Nazi flags not only a symbol of the Nazi movement, but also the earthly form in which the eternal God has revealed himself." No further comment is necessary, except to say that Baldur is not in an asylum.

Staters Attend Pi Sig Convention

Pi Sigma Chi, national industrial education fraternity, held its nation-wide convention last Friday and Saturday, May 21, 22, in Los Angeles. Bob Paden, president of the campus organization, and Virgil Wilkinson, Edgar Smith and Dale McNeice represented Santa Barbara State.

Mr. S. O. Werner and Mr. E. E. Ericson, faculty advisers, accompanied the students. A trip through the Columbia Steel Mills at Torrance Friday evening, the regular business meeting Saturday afternoon, and the dinner-dance Saturday evening at the Hotel Adway were the highlights of the week-end.

Sophomores named for class responsibilities were Fred Monson, vice-president; Harry Sloan, social chairman; Betty Westcott, secretary; Jack Erbes, treasurer; Harry Nethery and Christina MacKellar, council representatives.

Freshmen to hold office under David Jones will include Al Merrill, vice-president; Carlos Bee, social chairman; Lyndell Brundige, secretary; David Wright, treasurer; Barbara Phillips and Arnold Rose, council representatives; and Pat Forsyth and Paul Davis, rally committeemen.

The class meetings were the last of the school year on the regular campus calendar, with the new officers assuming their duties at the first of next year. Lindquist and Jones were renominated for their respective offices.

Paul Jones, assistant dean All men wishing work for the remainder of the semester and throughout the summer are asked to submit applications in the new outer dean's office.

Other business of the dinner meet, held at the Barbara hotel, included completion of plans to award a four-year scholarship honor, in the form of a permanent plaque to a man and woman of the graduating class; adopting of a silver key for all members; discussion of preparation of a freshman overnight trip during registration next semester; and discussion of committee appointments by division heads.

At the conclusion of the meeting, Fred Lambourne was formally presented with the gavel of the organization by Don Follett, organizer and honorary president. Members present included Don Follett, Jack Kitchen, Ed Cole, Fred Lambourne, Capt. Paul Jones, Carlos Bee, Bill Hoyt, Harry Nethery, John Twaddell, Barry Simmons, Yale Lorden, Danny D'Alfonso, David Jones, Ted Rohlfen, George Smith, Carl Sundquist, Leo Butts, Bill Poole, John Rygh, Ronald Cray, Lawrence Leslie, Sid Root, Bob Dunham, Bill Murphy, and Nat Hales.

Last Noon Hop Set for Today

The last of a series of noon dances will be held today in the Music hall, from 12:00 until 1:00 under the direction of Walter Allman.

English's "swing band," composed of Mr. and Mrs. Mel English, Dick Waterman, Nathan McCray and Ron Cray, will again provide the music.

Plans are being discussed for an afternoon dance to be held before the end of the semester.

War in the Curriculum

Was has put in its appearance on the extra-curricular study program of Dartmouth college. Interest in warfare has been so manifest that certain members of the Dartmouth faculty, not the college itself, have organized a course that deals with the various phases of conflict.

Professor Bruce W. Knight, sponsor of the new course, has announced that the series of 18 evening meetings is open, without fee, to anyone who wishes to enroll. Many of the 16 speakers who have agreed to lecture saw service in the World War.

"No college, so far as I know," said Professor Knight, "offers a general course on war. This apparently strange gap in the curriculum may be due to sharp departmental cleavages of the social sciences."

"This is a study of war, not a chance for confirmed pacifists to blow off steam. We have taken precautions to keep thrill-hunters out of the course."

This seems to be a sane and sensible idea, one worthy of mention and investigation. Particularly it appears to be in definite contrast to the noisy bellowings of that organization known as the Veterans of Future Wars, whose Princeton leaders signed its death-warrant recently. Characterized by propaganda and extreme pacifist qualities, it died a natural death for want of sincere support.

With the legislature preparing to make R.O.T.C. training compulsory in California colleges, the problem of war and its build-up is brought closer to our vision.

The thorough study of the why and wherefore of war, in a sensible light, could not help but be beneficial in the abolishing of it and insuring world peace.

Sterling Silver

With the final meeting of the newly formed Gavel and Key last night, authorizing the formation of a dependable and efficient employment bureau and the awarding of a permanent scholarship plaque to the man and woman of the senior class each year, among its many plans, this college is moving forward in its student organization to heights never attained in the history of this institution.

With the purpose of developing from within, and letting that development reflect itself through a public relations division, to contact local citizens interested in the students and the college, a gap, long needing filling, is moving toward a proper fulfillment.

Preparation for the welcoming of incoming men to the campus next year at an over-night trip to the college cabin, with the aim of acquainting them with the traditions and student and faculty leaders of the school, has the possibilities of rebuilding a feeling of unity and spirit long since disappeared.

To those townspeople, mothers and fathers, faculty and students who question the good of student activities, oft termed "extra-curricular," the existence and success of such a group stands as an example of accomplishment. To the organizers, who include several outstanding graduates of last year, Don Follett and Bill Hoyt, high credit must be given. As the honorary president, the former as especially made perhaps the finest contribution which any student is able to make during a collegiate career. Recognition of that fact will grow with the organization and its completion of aims well chosen.

Four Gauchos Placed on Star Team

Coast Meets Valley in Battle

Annual Grudge Game to be Played Friday Afternoon At Laguna Field

GAME STARTS AT FOUR

Yeager and McArthur Star for Coast; Morelli and Oldershaw for Valley

The Valley versus the Coast will be the dish "Spud" Harder's staff will present to the gridiron fans who witness the first annual spring pigskin fracas, to be held Friday afternoon at Laguna Field, with the fire-works scheduled to go off at four bells.

Heading the host of Coast stars will be Howard Yeager, stellar flashing halfback, and his running mate will be Bill McArthur, frosh speedster of last year. Al Young and Ollie Seeley will flank the ends, with Bill Poole and Perfie Riparetti, holding up the tackle spots, Marvin Palmer and Clary Lair will spot Jim Woody to stop the middle of the line bucks.

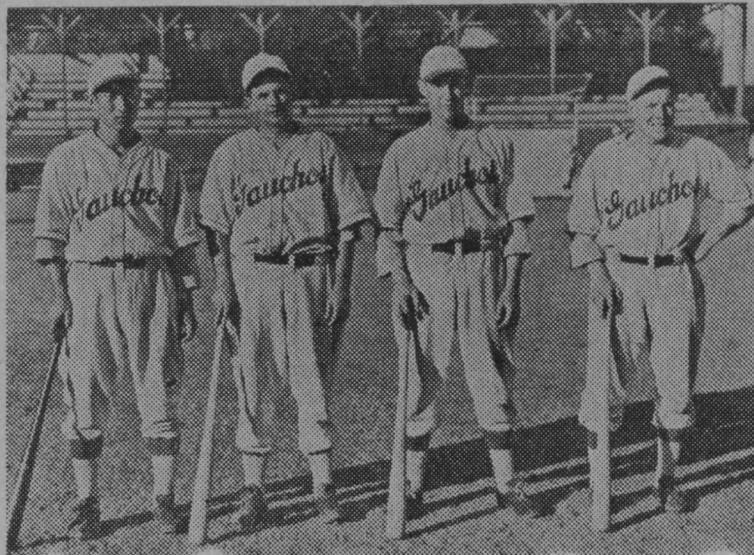

Doug Oldershaw and Bobbie Morelli will head the luminaries of the Valley. Dave Pollock will engineer the forces of the Valley-men from the quarterback spot with Freddie Monson holding down the fullback position.

The contest, which will be an annual event in the years to come, is expected to draw a record crowd to the beach gridiron and from present indications the game should be a hotly contested battle.

Words and fists have flown thick and fast in the daily workouts at Phelps field and Harder and Kelliher have succeeded in drilling new and fancy plays which will open the game and should have the fans on edge throughout the afternoon.

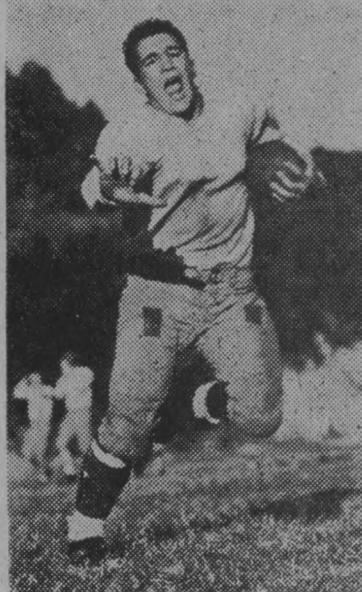

Linemen of the Valley, (which incidentally are justly called the Lillies of the Valley) are headed by last year's all-conference tackle and center, Clair Busby and Donald Hart. Dewitt Truit and Allan Sprague, transfers from Bakersfield J. C., have been showing up well in the tackle and guard spots. Earl Fredburg, Joe Stocktill and George Valos have been working out in the guard positions, Bill Jessup of last year's frosh outfit and Danny Mulock have been booming the boys a bit from their end posts.

Little Men on Big Team

Left to right: Powell Lee, second base; Bob Murray, center field; Elmo Evans third base and Jimmie Van Meter, short stop, three small men who led the Gauchos to many wins over conference foes. Lee, Evans and Van Meter were picked on the All-Conference team for the past season, while Murray was honored last year at second base. Although they are among the smallest players in the conference these boys have established themselves as some of the hardest hitters for the pitchers to chuck to.

Jack Smith

Above Jack Smith, light half-back, will be seen in action Friday afternoon in the Coast versus Valley game representing the coasters. Jack will be remembered last fall by his remarkable feat of injuring both ankles on the same tackle in the Redlands game.

AZTECS PLACE FIVE

Gauchos and Aztecs Dispute Time of Grid Game

Placing four men on the All-Conference baseball team the Santa Barbara State college Gauchos kept up the high average for places on all star teams started last fall in football.

The local batsmen who were chosen for the honor were Powell Lee, second base; Elmo Evans, third base; Jimmie Van Meter, short stop and Clair Busby, left field. The infield strength of the Gauchos was clearly demonstrated by the choosing of three Staters for the four positions.

San Diego Leads

San Diego led the schools in number of men placed by putting five men on the first string and another on the utility list. Following the Gauchos were Whittier and Redlands with two apiece, and bringing up the rear were Occidental and La Verne with one each.

Gauchos, Aztecs in Fued

On Saturday's meeting the San Diego host and Gaucho representatives brought the two schools close to a breaking point over a disagreement in the football game to be played in Santa Barbara November 19. The Border City team insists on having the game during the afternoon while the Gauchos have been accustomed to playing their home games at night in order to increase the size of the gate receipts.

Against Policy

Several years ago the Aztecs adopted the policy of playing all day games.

"Santa Barbara and San Diego play on a flat guarantee so that it is improbable that the visiting team will make much money, but now that they made a profit last fall they are unwilling to give us the same chance," stated Harder

Woman Scribe Marvels at Spring Practice

Gay and Varied Modes of Dress Distress Writer's Version

By FOOLISH FEMME THE FASHION FLASH

I was sent out to cover spring practice yesterday, (and may I state, before I begin, that I'll never do it again; I'll probably never be sent to cover any other sports either) and being a woman, the first thing I noticed was the various and sundry attires of the players.

You really should have seen Howie in a greenish-gray tunic of waist length which, by the way, soon became a bolero. To accompany this top piece, Yeager wore tan plus-fours, a trifle tight in the hips and knees, and white "bobby" socks. Al Bine was fetching (I don't know what, the ball maybe) in a burnt orange tunic, a trifle longer than waist length, with navy-blue set-in sleeves. He also had on cute little golf trousers.

A highlight of the afternoon was the fact that no one could tell who was winning the scrimmage game because of the fact that Coaches Harder and Kelliher were running all over the field in the strangest manner waving their arms and yelling loudly. Bye the bye, Coach Harder was dressed in black street clothes, minus the

Clair Busby

coat, with a white shirt and navy-blue tie, while Kelliher wore darling little olive-green basketball shorts, but goodness me, there was no top in sight, merely a slightly dusty, white sweat shirt, thrown carelessly over his shoulders. And he, ke many of the payers was stockingess.

Among the spectators was former Frosh Coach Bud Cummings,

who wore a dark street suit, blue shirt that was divine to say the least, and a tie matching his suit. Another dn-looker was Sleepy Morris in tannish white ducks, and a "beautiferous" sun-tan.

One of the most stunning outfits on the field was that of Clair Busby. Especially noticeable were his mustard yellow and black and white knee-length hose. His shirt was of white jersey and he, too, wore the traditional knickers.

Earl Fredburg was lovely in a dusty orange shirt, and green and white knee-length stockings. Al Young's outfit consisted of a green shirt with white epaulets and a white numeral. His socks and helmet matched his shirt beautifully. Donk Hart wore a creamy white shirt, tan pants, gorgeous maroon and white stockings that came up to the knee, and the cutest black low-heeled cleated oxfords.

Delta Sigmas Celebrate

Founder's Day Ceremony Features Regular Sorority Meet

Pi chapter of Delta Sigma Epsilon held its 12th annual Founder's Day celebration at the regular meeting Monday night at the sorority house, 1725 Grand Avenue.

Alumni members were the special guests and the evening was spent in games and reminiscing over the early days of the sorority.

Fashion Review

Attired elegantly in the season's best and latest, the Delta Zeta Deltas modeled riding habits, bathing suits, spectator sports, afternoon and evening wear in a summer style show at El Paseo Saturday afternoon.

Outstanding in the riding group was Nancy Darrow in a Frontier suit of brown fringed leather, a plaid shirt and high Western boots... one of the biggest hands of the day... Elinor Stewart, one of the sorority's most popular members and models, appeared in jodpurs of the new "bark" shade... warm brown sport coat and matching crushable felt hat... Irene Minikin in white whipcord breeches, English boots, apple-green over-acket and white blouse.

New-and-different in bathing suits... Myrtle in a pastel printed satin... Winnie Nichols in dubonet crinkle-satin... and both seaworth... then came Judy Drennen in a printed seersucker play suit... matching short coat... and trimmed with white pique...

Elinor leading off again in the street wear with a white shark-skin suit... full length coat... luggage print bolero jacquet... white hat with long, matching luggage "streamers"... Winnie in navy ribbed wool skirt... red-and-white plaid jacket... blue and white low shoes... Jean McSkimming in three-quarter length white Congo-cloth cape... reversible, and lined with navy... poke bonnet to match... Colleen Murphy in flowered linen... bright green wool coat...

linen hat... Judy in brown and white print silk... topped with cream wool coat... and wide-brimmed Panama... Myrtle in navy and pink printed silk... pink linen short bolero... matching felt hat... navy patent leather shoes... Rosalind Rawicz in printed silk chiffon... navy wool cape... corded shoulders.

Frenchy indeed was Myrtle Holt in navy net... pink lace ruffling at neck... petite chapeau with lounge veil... Jean McSkimming in beige crepe... fur trimmed jacket... luggage tan broad-brim straw...

Betty Palmaymesa stunning in peppermint-candy stripe pique summer formal... white jacket... Judy Drennen sophistication plus, in pale pink chiffon formal... raspberry chiffon redingote... she also in one of the newest "Waltztime," short-length formals... Fiesta stripe... gayer than gay.

Convincingly present for ensembles collectively were the short bolero jackets... very much the thing this year... low cut shoes for many dresses... a surprising lack of the braided or corded halo bandeaus or even halo hats which are very much in vogue around Santa Barbara.

Mrs. Ester Porter, alumnae president, was charming as announcer for the style revue... dressed in black crepe cocktail gown... tunic over-top... printed silk lapels... wide picture hat... The D.Z.D. show a worthily-spent and interesting afternoon.
