FROSH FACES FURNISH FUN AT FIRST HOP

Because they neglected to wear their green caps, two freshmen men who should have been wearing green at the first hop were flagged down early in the evening of Friday, October 11. The program was one of the first night events in the 1929-1930 academic year. The hop took place at the home of Mrs. Mary E. T. Sampson, who also sponsored the event. It was a great ball which was held from 6:30 to 11:00 o'clock. The entertainment included music and dance, with a variety of musical numbers arranged in the general organization of a vaudeville show.

OBJECTIVE VARIETY OF DANCES ARE ON SCHEDULE

With the exception of January, the coming dances for the year have been definitely planned and are to be staged by the social committees. The next dance will be a Halloweed dance on October 26th.

STATE THRILLS 2,000 AS STUBORN DEFENSE HOLDS TIGERS TO 14-0

Battled, punted, and fighting with inspired clubbards, Coach Hal Davis' Roadrunners repulsed Occidental Tigers last Friday in the annual homecoming night game in the Rose Bowl and allowed the Oxy eleven but two touchdowns to win by 14-0. Both attempts at conversion failed but a safety added two points. The game opened like a slaughter. Sanne left the Tigers suffering from fright before the 12,000 spectators and the Oxy regulations which determined the moment of the kickoff. Rosalie of the southern Meyer was hampered by his own six yard line across the Roadrunner's white stripe for a score. He failed to convert. In the third quarter Occidental held a good chance when Cleare was nailed behind his own goal line for a safety. Another opportunity for the Tigers was spoiled by the scoring with another touch from Oxy.

Oxy Makes First Downs

Coach Eddie Kienholz' team attacked the Santa Barbara defense early while the Olive and White made few. Several Oxy penalties penalized the local boys. The defense of the State College boys drew the cheers of the entire crowd. On several occasions the winning team had the ball in their five yard line and failed on four downs to carry it across. It was the goal line for a safety. The Roadrunners line played great ball and in consequence took no chances. Oxy made two first downs but the Bengal's effort was not as strong as that of Kienholz adding yards. The Davis men suffered a loss as the final quarter opened when Keeler was injured and taken out. Iams did very well, and the windshield of the scoring with another touch from Oxy.

To The Men: I hate to harp on a subject that has been mentioned before, but it seems that a lot of people are beginning to realize that our campus, as well as the nation, is in great need of strict enforcement of state laws. In the past the smoking problem of this college has been negligible, but with the marked increase in the numbers of the male student body, it has become a serious problem. The State of California very explicitly says that "there shall be no smoking in state buildings," and the members of the faculty interpret that to mean the quad and all the corridors. It is perfectly permissible to smoke in the driveways, but that is all. Let there be no mistake about it. While watching his fair sister dance, the complexion of the freshman class. Betty Peterson, chairman of the social committee was in charge of the affair, with the following as members of the sponsoring committee.

Decorations were green, in accord with freshmen, in whose honor the hop was held. Olive and white streamers were strung up in the large green dipper suspended above the center of the floor. Baby faces, painted blue, laughed out some crying, peeped from the walls at the dancers. Each dance was named in accordance with the following number of the freshman class.

Now, how about some cooperation in this matter? Keep the program of several popular numbers and the end of necessary sets. The Activities Committee has agreed to choose the music and entrust the price of ten cents per student. This money will defray the expenses of this entertainment and help to finance future assemblies.

A POINT that cannot be stressed too far was brought up the other day in Men's Club meeting, that of keeping our grounds looking as neat as a Montecito estate. To drive in the country and see picnic spots littered with scraps of paper and other trash is not pleasant, and we have our grounds looking as neat as a Montecito estate.

In last week's Eagle we read an editorial suggesting a name for the athletic field. In the same issue we read that the Home Economics Department was faced with a similar problem, and had solved it so successfully that we feel sure that the same method should be applied in the case of the field.

In name the practice cottage of the Home Economics Department is called the words "a home," which made us wonder if the field should be named "Dilephila?" We were also surprised to learn that the women, in their search for novelties, have resorted to military organization of garden parties. We read with amusement the headline in last week's Eagle that "Dean Gives Garden Party to Women Squad Squat." (Signed) A. B. & C. D.

Ericson Is Invited To Make Poly Survey E. E. Ericson, head of the industrial education department, has been invited to make a survey of the California Polytechnic School at San Luis Obispo by Ben E. Grindall, president of the institution. Mr. Ericson was recently appointed by the Governor as state deputy director of education. The survey will take up the subject of the enrollment, equipment, housing, and instruction. Ericson leaves Monday for the northern school and plans to return at the end of the week.

$13,000 Is Available For Improvement Work Expiration for the proposed athletic field of the college in Mission Canyon will be completed before the season of the baseball team. It is necessary to consider of workmen. Several million cubic feet of earth have to be removed from both sides of the canyon. One steam shovel engine is now being used for the work. A total of $13,000 is available for the work on the field this year. This money was appropriated by the governing body, but the fund is being spent at the approximate of $75 a day.

Peterson and Kent Reported Engaged Cupid's untiring darts have claimed another State College couple. The wedding is scheduled for the latter part of the week, but word came Thursday afternoon, when it was learned from authoritative sources that Dorothy Peterson and James Kent are engaged. Their engagement comes as no surprise to their many Santa Barbara friends, who have heard rumors of a reported engagement, although no announcement had been made. Miss Peterson, a sophomore, is prominent in school activities, while Mr. Kent is a prominent figure in men's athletics, having gained state monograms in both basketball and baseball. First Orchestra is Planned For College Under the leadership of Clifford Looby, Santa Barbara State College is to have its first orchestra. Several attempts have been made in the past to organize an orchestra among the students, but all failed. Looby is a graduate of the University of California, alumnus of music. He was added to the faculty of the Santa Barbara State College as an assistant to Helen Mancke Barnett. Rehearsals will be held once a week. Later in the year when the orchestra is completely organized it will give a concert before the student body annually.

Overgaard's For Party and Tea Cakes We Make The Best

Women's Notice There is still a member, according to my records, who have not as yet paid their A. S. U. dues. These are only fifty cents and, although we are not making it compulsory, we would appreciate very much to have a one hundred per cent payment. Club room, which is very extensively furnished, has taken a large amount of our ready money. For this reason all dues will be greatly appreciated.

Mary Lou Jameson, A. W. S. Treasurer

The staff of the Eagle for the coming semester has been announced by the editor, Allen Ottley. It is larger than that in previous years. Many of the members have been on the staff before or have had experience on other papers. Lawrence Parma, who is writing sports, has had experience on the local high school weekly. Catherine, a member of last year's staff is writing women's notes. The feature writers are Bernard Barnes and Marie Cochran. The editors' associates are Doris Rodehaver, Doris Woods, Emily Wood and Lucille Powers. An experiment is being tried this year with the use of the Journal class as reporters. This gives the journalism students practical experience and augments the editorial staff as well. William Ashworth, head of the English department, will serve as faculty advisor.

- W. A. A., 2nd Tuesday, 5:15 P. M.
- Alpha Phi Gamma.
- Sport (Women's), Tuesday and Thursday, 4:15 P. M.
- Dramatics Wednesday and Wednesday, 4:20 P. M.

**Frosh Eleven Meets Santa Maria Varsity**

Revenge and imitation will battle on the gridiron tomorrow at Santa Maria. The Marinas will be bloodied to wash away the 18-0 defeat handed them earlier by the Roadrunners. The local frosh eleven is all but imitating its elders and winning from the northerners.

Gates Foss has a fine little defense team, though it has not as yet been tried in offense. He has a nice passing attack, however, and the Roadrunner chinks will line up as follows: Engelson and Huber, ends; Whitford and Ullman, tackles; Smith and Darby, guards; O'Reilly, center; Trefor and Dormanc, halves; Greenough, quarterback; Greenough, fullback. Reserves—Lewis, guard; Hillman, tackle; St. Clair, guard; Shang and Catechula, halves.

### College Y Program is Attended by 35

*By Lawrence Parsons*

The syndicate of the college attended the open house given by the College Y at the Y. M. C. A. Thursday evening and had a very enjoyable time gathering from the remarks heard after the affair.

The meeting was in charge of the recently organized College Y cabinet consisting of Virgil Gillen, Franklin Anderson, Lowell Levy, Goodfield, Charles Van Winkle and Dave Watson. Neil Towbridge, activities secretary of the Y brought before all Southern Californians.

And it won't be long before the fifteen thousand will be imitating and imitating Occidental to hold States—when the Roadrunners have marched down the field to the Tigers' one-yard mark, and victory or defeat hanges on a thing or two.

Past that gauze, magnifying gin, bygine, and we'll drink to the day.

The teams of Stanford, California, Southern Cal., Col., Navy, Washington, Pittsburgh, Oregon State, Notre Dame, Alabama, St. Louis, Missouri, St. Mary's, and Army have performed against games with the Y'scribe has witnessed, but with a clean conscience and a clean nose it can be truthfully said that none of them ever put up or gave a battle worth mentioning with the Roadrunners, and numerous passes that promised galvanizing gin, giggle, and we'll drink to the day.

The teams of Stanford, California, Southern Cal., Col., Navy, Washington, Pittsburgh, Oregon State, Notre Dame, Alabama, St. Louis, Missouri, St. Mary's, and Army have performed against games with the Y'scribe has witnessed, but with a clean conscience and a clean nose it can be truthfully said that none of them ever put up or gave a battle worth mentioning with the Roadrunners, and numerous passes that promised galvanizing gin, giggle, and we'll drink to the day.

### Loss of Veterans is Hard Blow to Tennis

Loss of Keith Gleshcl, national junior singles and junior doubles champion, Robert E. Kessler, national freshman singles champion, and Kenton Noble, deals a hard blow to State tennis for this season, but Coach Hal Davis is not "throwing the sponge" on his team. "We have some excellent players," he says, "and I sense that we have some excellent players, and we'll break through and spill him behind the goal line for a safety and two points."

A continental Bengal attack came, tied the ball to the 9 yard line where the roadrunners have marched down the field to the Tigers' one-yard mark, and victory or defeat hanges on a thing or two.

**BIRDS-EYE VIEW**

**By Lawrence Parsons**

They're out of their huddle. The ball is snapped. Reverse! Reverse! Reverse! There goes Clooney with the ball. He slips by the secondary. He's away! Five, ten, twenty yards! Look at that boy go! Oh! He's down. Fifteen thousand frenzied fans saw wildly cheering the State team. First down and ten to go.

And thus again, this time via the radio, the steady progress of Santa Barbara was brought before all Southern Californians.

And it won't be long before the fifteen thousand will be imitating and imitating Occidental to hold States—when the Roadrunners have marched down the field to the Tigers' one-yard mark, and victory or defeat hanges on a thing or two.

Past that gauze, magnifying gin, giggle, and we'll drink to the day.
