Student Reservations Mount as State Plans Special Train to Reno

Southern Pacific Sets Quota at 150 in New Train Rates; Allred Asks Five Dollar Deposit

"All students planning to make the trip to Reno, Nevada, for the Santa Barbara State football game on October 31, by special train, should sign immediately in the office of Fred Allred, student controller, as reservations are going fast," was the latest report today by Wilma Kiesner, rally committee chairman.

150 names must be secured before a special train is scheduled. A price of \$11.60 plus \$5.00 for lower berth or \$4.00 for upper berth has been set for round trip fare on this train. If less than 100 persons sign, \$28.00, including lower berth from Oakland to Reno by regular train, will be charged.

The special train will leave Santa Barbara at one-thirty Friday afternoon, October 30, and arrive in Reno at eight a. m. Saturday. It will leave Reno Sunday morning at 10 a. m. and arrive back in Santa Barbara in time for morning classes.

Included in the 150 persons desired is the 1936 Gaucho football squad and college band members making the trip. A deposit of five dollars is required on each reservation.

"The Southern Pacific is anxious to aid the college in allowing low rates on the journey and students should take immediate advantage of the offer," stated Fred Allred. Townspeople are included in the special train quota.

The Bystander Observes

By KENTON CAMP

"Gossip is the plaything of fools and the weapon of the Envious."

RUSSIA PROTESTS

The Soviet government is angered at the alleged Fascist aid to the Spanish insurgents. Russia has declared, that unless the aid is ceased at once, she is ready to send airplanes and other war materials to the Leftists, the Loyalists, Spanish government. This is the second protest of the Soviet government. Such an action on Russia's part would be a direct challenge to Germany and Italy; thus, precipitating an already tense situation. Russia has openly charged Germany, Italy and Portugal with aiding the Spanish insurgents.

SPAIN MOVES CLOSER

The Spanish insurgents are nine miles closer and are beginning their final drive on Madrid. 150,000 rebel troops have been maneuvered into a tightly mobilized line preparatory to a mass attack on Madrid. Trenches have been dug across the city's streets and pill-boxes constructed at street intersections.

WANDERING JEWS

The Arab rebels have a new leader; he is Fawzi Bey Kawkazi. He led the Syrians in their revolt against France; this revolt lasted two years and, although it failed

(Continued on Page 6, Column 3)

Phi Deltas Convene for Monthly Meet

Eta chapter of Phi Delta Kappa, national educational fraternity for men, will hold its monthly meeting tomorrow, October 10 at six o'clock in the State college cafeteria.

President Clarence L. Phelps will be the principal speaker at the dinner. Mrs. Helen M. Barnett, head of the college music department, will provide music for the occasion.

Norris Speaks on 'Pacifism' for Assembly

Author Points Out Power of Student Attitude on World Peace

A packed auditorium listened to Kathleen Norris, world famed lecturer and author, address the student body on "Problems of Maintaining World Peace," at a special fourth hour assembly Wednesday, October 7.

Mrs. Norris pointed out the potential power a small group of people held with which to attain their ends, if it was only used in the right direction. As an illustration, she showed how 20 people, by writing to the editor of a newspaper could greatly alter the policy of the paper. This would be vastly advantageous in the time of impending war scares.

With her many published novels, Mrs. Norris has endeared herself to many thousands of Americans, and in "What Price Peace," published in 1928, she gives the outlying principles of her talk given Wednesday.

"The subject of 'Peace' is one which is of fundamental interest to all college students," stated Mrs. Norris, "because they are the ones who will have to participate in the next conflagration."

The speaker quoted a poem which aptly sums up the results of war:

"Green and gold are the fields in peace
Red in times of war,
Black are the fields when her cannons cease
And white forever more."

Faculty Plan Meet with Valley Alumni

The San Joaquin section of Santa Barbara State college alumni will meet at Mooney's Grove, near Visalia, next Sunday, October 11.

Members of the faculty who have planned to attend are President and Mrs. Clarence L. Phelps, Mr. and Mrs. Jane Miller Abraham and Dean Lois M. Bennink.

President Phelps will spend two days visiting the high school and Junior colleges of Kern and Ventura counties.

Bill Hoyt

By his excellent work as last year's editor of El Gaucho Bill Hoyt became well-known to members of the student body and faculty. This year he is devoting himself to the presidency of the senior class, prexy of Alpha Phi Gamma, honorary journalistic fraternity, and manager of the football programs.

Relations Body Holds Meeting

Yell-King Heads Inter-School Group; Committeemen Discuss Tickets

Organized for the purpose of establishing friendly relations between the high school and the college, the Inter-school Relations Council met yesterday morning for the first time this semester in Dr. Charles Jacob's office.

Electing Harry Sloan chairman, the committee discussed the possibility of the exchange of complimentary tickets at football games, and the exchange of assembly programs.

Representatives from the high school were John Armitage, student body president; Frank Llane, student representative; Bob Jackson, who substituted for Tom Warton, student editor; and Leonard L. Bowman, advisor from the high school. College students attending the meeting were Denning McArthur, student body president; Petie McKinney, El Gaucho editor; Dave Jones, freshman class president; and John Twaddell, Block "S" representative.

Nurse Makes Plea for Health Exams

"Approximately 180 students still have not had health examinations," according to Miss Elizabeth Shepard, health cottage nurse, "and much time will be saved if they will report as soon as possible to the cottage for appointments."

About 340 women and 400 men have been examined. Special students are exempt.

Senior Vice-Prexy Is Oldest Alphigam Member

Lorden Becomes Frat Member in 1932 as a Sports Writer

Joining Alpha Phi Gamma, honorary journalistic fraternity, in the Spring of 1932 under the presidency of Allan Otley, Yale Lorden, vice president of the senior class is the oldest active member of the organization on the campus.

Mr. Lorden was a sports writer on the Roadrunner, fore-runner to El Gaucho, and was also a member of the sports staff of the Morning

Press. He was absent from the campus in 1933, spending his time in the Northern part of the state. He attended the night school extension course of the University of California and tutored English and Spanish in the high school at Monterey.

During his sophomore year at State he was a member of the 10 original Squires. Yale is connected with the Beta Sigma Chi fraternity,

Alpha Phi Gamma Holds Press Luncheon Today to Honor Newspapermen

Jacobs, Lynn, Lane and Honan Represent News-Press; Bill Hoyt Acts as Toastmaster for Event

Celebrating "Newspaper Week" in the State of California, Alpha Phi Gamma, national journalistic fraternity, will honor representatives of the News-Press at luncheon at one o'clock in the faculty dining room.

Guests of the group will include Harold Jacobs, Bert Lane, C. A. Storke, II, George W. Lynn, Al Honan, Miss

Reports Name Definite Date for Symphony

Barnett Heads Executive Committee; Cole and Lambourne Aid

Official publication today of first reports on the seventh Southern California All-College Symphony orchestra announces the date set as March 2 at the Lobero theater, with Henry Eichheim, noted director and composer, conducting.

Founded seven years ago by Wesley Dickinson and Clifford E. Leedy, the symphony presented annually, has increased in scope and attainment until it has become one of Southern California's leading musical productions. In 1935, Leopold Stokowski, renowned conductor of the Philadelphia Symphony orchestra, directed one selection at the Lobero.

Mrs. Helen M. Barnett, head of the music department, will act as faculty director. The executive committee will be composed of Katherine Krebs, chairman; Ed Cole, business manager; and Fred Lambourne, librarian. Other student aids will be appointed at an early date.

"We are fortunate in securing the services of Mr. Eichheim, famous musician and conductor, whose inspired leadership and inexhaustible leadership has endeared him to us all. To have the experience of playing under his magic baton is worth untold riches, and to him must go the greatest amount of credit in the continual success of these concerts," stated Mrs. Barnett.

Sophomore Squires Plan Cheer Section

The seating arrangement of the student's section of reserved seats and the Redlands rooting section were discussed at a meeting of the Sophomore Squires, Wednesday evening at 7:00 o'clock in Pine Hall.

"Any sophomore with a 'C' average or better who is willing to work at a few football games is invited to become a member of the Squires," stated Don Roland, head of the organization.

Elinor Hayes, President C. L. Phelps, Dr. William Maxwell, Dean William Ashworth, Dean Lois Bennink, Jane Miller Abraham, Ken Noble, Denning McArthur, Jean Kandjounzeff, Gretalie Fitzgerald and Rea McPeak.

Bill Hoyt, president of Alpha Phi Gamma and last year's editor of El Gaucho, will preside as toastmaster and welcome off-campus guests. Petie McKinney, editor of El Gaucho, and Bob Moore, business manager of La Cumbre, will speak on "College Journalism as the First Step to a Profession." To complete the program, Louis Triguero will sing two numbers, accompanied by Frances Jane Miller, pianist.

Committee heads for the affair are Lawrence Leslie, program; Allen Niel, placecard; Irene Minikin, menu; and Dorothy Hornor, invitation.

El Gaucho staff members and students of the newswriting class will be present at the luncheon.

The event, first of its kind on the campus, has been arranged for the purpose of promoting goodwill between the college and downtown news offices, in keeping with "Newspaper Week," October 5-12, as proclaimed by Governor Frank Merriam.

Extension Courses Offered by College to Answer Demand

In response to requests which have been made by teachers of Santa Barbara and vicinity, extension courses in various fields will be offered.

The total fees for extension courses are \$13.50 for 2-unit courses, and \$19.50 for 3-unit courses. The credits may be applied toward requirements for the B.A. degree at Santa Barbara State and toward credentials granted by the State Department of Education. These credits do not count on graduate study work.

Each group will meet for two hours and 14 minutes each week for 12 weeks. Instructors will arrange a schedule with students at time of first meeting.

Courses to be given starting October 12 are History of Pacific Ocean Area by Dr. William Ellison; Bible as Literature by Dr. William Maxwell; Manipulative Work for Integrated Activities by Mrs. Florence Lyons; Creative Music in the Integrated Program by Mrs. Helen Barnett; and Curriculum Problems in Elementary Education by Mrs. Lamoreaux. More information may be secured from E. E. Ericson.

Phelps Meets with State School Heads

State Superintendent of Schools, William Kersey, has called a meeting of all the city, county, and district superintendents of the state at Del Monte, California, October 26 and 27.

President Clarence L. Phelps will attend, representing the local State college. President Phelps states that there will be approximately 600 school teachers in attendance.

Department of Justice

Upholding enforcement of the recent ruling brought to the attention of the students by the Finance and Welfare committees, four student body books were recently confiscated by the football guards. Yesterday, in an open meeting of the Welfare committee, a judicial decision was handed down on the first case of this kind at State during the past few years.

Two cases, backed by sufficient evidence to absolve the individuals concerned of all blame, were dismissed by the board. Two students were found guilty of violating the ruling, but the decision of the board to return these student books were based upon lack of enforcement of the regulation in the past and insufficient warning given this year. However, during the remainder of 1936, the two students aforementioned will carry student books, each page of which will be stamped "Probation."

On the inside back cover of the student tickets, a statement reads, "If presented by any other than the bonafide holder, book will be forfeited, taken up at the time of fraudulent presentation and full admission collected." To this, Staters have affixed their signatures, and accepted the books on the conditions stipulated within.

Students should be made to realize the importance of obedience of this regulation. There is no need of a second warning; a full explanation of the reason for the ruling would be advisable.

Starting with the football game tonight and including all student activities demanding presentation of student books, the Welfare committee will exercise no leniency in dealing with flagrant violation of the regulation. According to the statement in these books, from this time on, the letter of the law will be enforced, and decisions rendered accordingly.

Organized Rooting

Despite the fact that school spirit has reached an unprecedented peak this year, the rooting section at the Cal-Tech game did not measure up to the expectations of the rally committee.

To enable every student to do his share of yelling and singing, the Sophomore Squires have devised a simple plan, which, if cooperated with by the student body, will result in an efficient and quick-acting rooting section. The band is to sit opposite the fifty-yard line with a small group of men rooters on either side. Mixed groups will then sit to one side of the male sections.

It is expected that in this way adequate supervision can be made by the yell kings and song leaders, providing all students cooperate to the utmost.

The men's rooting section is not to take care of all the noise, they are merely the nucleus of what is hoped to prove an incentive for better student spirit equalling the creditable beginning which the football team has made.—I. M.

CAMPUS CALENDAR

- Friday, October 9: Alpha Phi Gamma Press Luncheon, Ebbets Hall, 1:00 p. m.; Gauchos vs. Redlands, here; After the Game Dance, Rockwood.
Saturday, October 10: Gamma Delta Chi, Cabin; Sigma Alpha Kappa Pledge Dinner; Alpha Theta Chi Party; Frosh vs. Ventura J. C.
Sunday, October 11: Gamma Delta Chi, Cabin; San Joaquin Alumni meeting; Delta Sigma Epsilon Open House for Faculty.
Monday, October 12: Sorority and Frat meetings.
Tuesday, October 13: A. W. S. and Men's Club meetings, 2nd hour; A. W. S. Board meeting; Orchesis.
Wednesday, October 14: Riding Class; Band.
Thursday, October 15: W. A. A. meeting, 5:30 p. m.; Council meeting.
Friday, October 16: Gauchos vs. La Verne, here.

Long Shots

By LONGIE

There isn't much to tell you this week so I'll just go into some memories. Oh yes! Did I or didn't I, yes I did, see Tiny Garman drive off the campus with Tooley Palmer. Where's Jack Smith, has his stock dropped?

Remember when... Jack Knight made his contributions to Uncle Sam when Stella was in the East, and now they're still going together... Joe Stock-till gave Betty the ring... The Gilmore-Davis-Yeager triangle was on... Shep Lee and Barbara Phelan continually danced "cheek-to-cheek"... Buppy Moore, Dolph Lowe, and Jack Knight tried to get rates on joining the nudist colony at the Exposition after the San Diego game... Dave Pollock and "Brakey" were both after Marge Brauns... Wilma Kiesner, Estelle Stray, and Violet Barnett were holding a contest to see which would be Lane Mickey's Minnie Mouse, and none of them got the honor.

Now for my predictions for the dance after the game tonight.

Howie will escort Sherley Yetter... June Vance and Busby... Gordy Parsons and Harriet Ridneour... Helen Hughes will more than likely be escorted by Sid Gardner... Myrna Jullien will be with either Twaddell or Gardy, that we shall see.

Well, that's all for now. Tuesday we'll know whether these predictions are right. They're probably wrong, but then... bye.

Book Chatter

By Arthur H. Batchelder

"Shucks, I haven't got time for reading... who has around here?" This is the statement which I hear the most on our campus and I decided that the answer was only to be found among ourselves. No one is blamed for not reading... for either studying or earning a living takes up so much time that we must grab every spare minute possible if we intend to read at all. Here are my results:

Alan Neil, "I read between drawings, on the way to college... any time I possibly can."

A member of our busy office force, Miss Phebe Steer, says, "I'm a great reader-in-bed... it's the only time I have to spare."

Ross Lamoreaux, our new fencer and debater, "I read between classes... on the way to them."

A very prominent doctor whom I know has a special pocket made in his suit to carry the "Reader's Digest."

Rhoda Adamson, "Spare moments over the weekends are budgeted to reading."

There you are neighbors, ideas from "among ourselves." It seems that we must not "find time" for reading, but MAKE IT!

And remember, if you will make friends of your books, they will never prove false friends.

The golf class will meet Monday, 9th period, in the gym.

From Where I Sit

I sit here most every day Watching students work and play And pass my favorite spot. They hurry or tarry on their way Some look sad and some look gay, But some are not. They fret about the smallest things How soon before the next bell rings?

Or when the next test' going to be. Or shall I cut French history? Some are dressed so clean and neat, While others whom you chance to meet

Are carelessly clad. Not because they lack the "wear" But because they just don't care. And that's bad. Often a professor passes Squinting through his faithful glasses

At college life. And shakes his head from side to side

As if he felt down deep inside, A sort of strife.

For these poor people in our school Of course, I mean now, as a rule Are here for fun.

And learning comes in after play Which seems to hold the mass in sway, Until it's done,

But getting back to where I sit And let the moments quickly flit In pondered thought.

It's like a jungle bench, that place. Where I can see each passing face And not be caught.

It makes one wonder, I'll confess, What to do about this mess,

My deep concern My sentence, then, as judge is this, Study fools and do not miss

Your chance to learn.

Extension of Northwestern University's Evanston campus a half mile into Lake Michigan is being planned by that institution's authorities.

Salaries of Bucknell University's faculty and administrative staff have been increased five per cent.

Radio Ranglings

The Democratic "Tabloid Revue" heard on Friday nights at 8:15 certainly lives up to its name. In case you didn't know it, the program is in support of Roosevelt and Garner. My, my, could they have seen the movie, "Thanks A Million" also? Oh me.

Here's another keyhole peek. This time it's at Igor Gorin. He is romantic baritone on Hollywood Hotel... was born in Odessa... raised in Vienna... parents wanted him to be a physician... he said no... was choir soloist at 7... taught languages... was Czech star at 22... is single... all songs he sings have some experience back of them... might make a good song writer... has brown hair... grey eyed... first sang as special attraction for the "Jazz Singer."

We got over our most popular song epidemic and now we're heading for another. This is the guest star program. It's getting so thick that in a short time we will be glad to hear that a person will not be a guest star.

Remember that Andre Kostelanetz with Kay Thompson and the Rhythm Singers will be heard at 8:30 instead of 6:30 tonight over KHJ.

New York University has a new course in cosmetic hygiene.

Journalistic Fraternity Marks Eleventh Active Campus Season

Jack Smith Organizes First Omega Xi Alpha With Redlands U

By LAWRENCE LESLIE

The very beginning of Alpha Phi Gamma, the journalistic fraternity on the Santa Barbara campus, dates back to 1925 when a few interested journalists got together and formed a local fraternity known as Omega Xi Alpha.

This small and new organization functioned surprisingly well and soon became well known both on and off campus.

In 1927, Jack Smith, an alumnus of the college and the first president of Omega Xi Alpha, joined forces with Robert Whiteside of Redlands University, and the two interested various local journalistic fraternities on college campus of the southwestern area in becoming national fraternities. A meeting was held at the University club at Los Angeles, and six colleges met to form the first national honorary fraternity which was open to both men and women in the field of journalism. Those colleges who are charter members are Redlands university, Southwestern, Fresno State, Cal Tech, Whittier and Santa Barbara State. Thus, Santa Barbara's local fraternity became "Eta" chapter in the national honorary journalistic fraternity of Omega Xi Alpha.

In September, 1929 this national fraternity merged with the Alpha Phi Gamma national honorary journalistic fraternity which functions in the eastern and mid-western part of the United States, and the two sectional national organizations became one large national affair, extending from coast to coast.

Since the earliest days of the fraternity on Santa Barbara's campus, the same creed has been adhered to and kept as the goal for which the group strives. "To recognize individual ability and achievement in journalistic pursuits in colleges and universities, encouraging production of literary works, establishing cordial intercourse between students and members of the journalistic profession, fostering the spirit of brotherhood among those of kindred interests."

Santa Barbara played host to the western division of Alpha Phi Gamma during January, 1930. Seven colleges attended and the two-day affair was rated as a great success.

Again in 1934 it was Santa Bar-

bara's honor to play host, this time to the national convention. Members came from all parts of the country, and the feature of the convention was Arthur Brisbane, noted columnist, who delivered an interesting address on "American Journalism."

The campus life of the fraternity has been both academic and social. On the academic side, the members of the fraternity published for a number of years the Literary supplement to the college paper, a special edition of literary works of college students. In addition, the fraternity annually takes over the publication of one edition of the college paper, and has aided for a number of years in the editing of "Hoy Dia," Alumni paper. Socially, the fraternity has always been the nucleus of social life of the publication, managing parties, press luncheons, etc., throughout the year.

This year, active members on the campus are Bill Hoyt, Petie McKinney, Irene Minikin, Dorothy Hornor, Allen Neil, Lawrence Leslie and Bob Moore.

Social Sorority Gives College Cabin Shower

Gamma Delta Chi, social sorority, will act as hostess to representatives of all sororities at a shower to be held Sunday afternoon, October 11, at the College cabin.

The affair will be on the order of a potluck party, with each social sorority presenting a gift designed to make the cabin more comfortable. Invitations have been extended to all members of the faculty. Mr. and Mrs. Paul Miller and Mr. and Mrs. John Stewart will act as sponsors.

The Gamma Delts will stage a sport dance October 24 at the Girl Scout House. The group also plans a rummage sale in October, and has placed Nancye Clapp in charge.

Sig Alphas Hosts at Formal Rush Dinner

Active members of the Sigma Alpha Kappa fraternity will hold their semi-annual formal pledge dinner Saturday evening, October 10, at El Cortijo. The occasion will be featured by short, impromptu talks by active and alumni members of the fraternity.

Official hosts for the evening will be William Poole, fraternity president; Bill Murphy, vice president; Harris Brakesman, social chairman; and Dave Pollock, pledge captain. Al Thorne's orchestra and entertainers will provide music.

According to Poole, the dinner promises to be a great success with an excellent representation by alumni and active members both.

STAFF SYMPATHY

The staff of El Gaucho wishes to extend its sympathy to Rose De Ward, college student, who was hurt in an accident recently while enroute to State. She is a transfer from Pasadena Junior College and was a physical education major. She will not return this semester.

Gnomes Honor New Members

Gnome Club Entertains 24 Prospective Members

A party for prospective Gnome club members was given last Monday evening, October 5, at 8:00 o'clock at the home of Judy Drennen, 1318 Alta Vista road.

Twenty members and 22 prospective pledges were present. Miss Ruth McCullough, newly elected president, welcomed the new members and explained the objects and aims of the club.

New girls were introduced and the remainder of the evening was spent in playing "Cooty," the first prize going to Eleanor Porter.

Official chairman of the party was Mrs. Don Fisher, with Leona Grow in charge of refreshments. The tally and refreshments were carried out in the club's colors, green and gold.

Leonard Entertains Delta Zeta at Meet

Members of Delta Zeta Delta sorority were entertained by Miss Elinor Stewart at her home on Monday evening following a business meeting which was presided over by Elisabeth Leonard, president.

Ann Covelle, treasurer, reported on the financial standing of the sorority which was very satisfactory. Plans were completed for future coming events.

The dinner dance to be held tomorrow will be attended by members of other sororities which include Blanche Hillman, Tau Gamma Sigma; Mary Wilson, Phi Kappa Gamma; and Renata Maccianti, Alpha Theta Chi.

Active members of Delta Zeta will hold a buffet supper at the home of Mrs. John Porter preceding the Redlands game.

Marionettes Present Night Performance

The Olvera Puppeteers, noted marionette group of this country, will come to the Santa Barbara High school for an afternoon and evening performance today in the auditorium.

The puppeteers have performed at the Santa Barbara Biltmore and El Encanto.

The players specialize in the burlesquing of life with marionettes. Numbers included in the presentation are "Puppet Impertinence," a variety parade featuring Duke Ellington and his orchestra, Bill Robinson, a Chinese Fantasy, the Hayden Trio and many others.

Miss Ethel Moss, instructor and head of the scholarship society at Santa Barbara High, is in charge of arrangements.

Campus Speedster Wrecks Model 'A'

State's Barney Oldfield, Bob Reynolds, the master of the highway, returned to the campus Wednesday, having averaged fifty miles per hour to Flagstaff. He averaged it once too often this trip, and burned out a bearing about twenty miles from Los Vegas.

The entire Reynolds Model "A" was picked up bodily by a truck and carried into Pomona. Ted Joham and Bruce LeClaire, occupants of the vehicle, hitch-hiked to Los Angeles and rode a bus to Santa Barbara.

As the old adage says, "Nuts should be used to drive with, rather than merely to hold the steering wheel," is appropriate. Or perhaps it's "Haste Makes Waste!"

Alpha Thets Schedule Barn Dance Tonight

Fifty students, members of Alpha Theta Chi, social sorority, and their guests, will meet at the home of Stella Mae Smith Saturday night at eight o'clock for a scavenger hunt. A barn dance in Goleta will complete the evening.

"Tiny" Garman, social chairman, will be in charge of the event, the first of a series of informal affairs planned for the year. Stella Mae Smith, Madge Bunch and Cecile Dillehunt will arrange refreshments.

At the regular sorority meeting, members discussed the gift to be presented to the college cabin this Sunday afternoon at a shower sponsored by Gamma Delta Chi.

Dance Honors Redlands Foes

Lambourne Orchestra Plays for Rockwood After Game Dance

The first after-the-game dance of the year will be held tonight at Rockwood following the Redlands-Santa Barbara State football game. Dancing will begin at 10:30 p. m. and end at 1:00 a. m.

Members of the Redlands team will be guests of the student body. Music will be provided by Fred Lambourne's orchestra.

Dean Lois M. Bennink, Miss Gladys Van Fossen and Miss Hazel Severy will act as faculty sponsors of the affair.

Members of the social committee in charge of the dance are Dot Riche, Yale Lorden, Jo Denman, Bill McKenzie, Wilma Kiesner and Margaret Eastwood.

All students are urged to bring their student body books. Those inviting outside guests must sign up in Dean Bennink's office before noon today. A charge of 50 cents will be made for outsiders.

TO THE THEATRE WE WILL GO

On Friday night October 9th Dorothy Hornor and Allen Frick are invited to attend the show of "Swing Time" now showing at the Fox Arlington Theater.

Redlands and Staters Renew Strife Tonight

State Seeks Revenge for Last Year's Disputed Contest Played at Redlands

STAGE SET FOR LOCALS

Gardenhire to Give His Best to Replace the Vacant Shoes of Sanderson

When Redlands takes the field against the Gauchos at Pershing Park, local football fans will witness one of the most bitter struggles of the current season.

Last year, State was leading 6-0 up to the last minute of play; the spectators began oozing out on the playing field but the alert Bulldogs pulled a hideout play, scored, and made the conversion good thus beating the Gauchos out of a tie for the conference championship.

State protested the game, but the officials upheld Redlands, and so the stage is set for a little revenge for the local boys.

The tentative starting line-up for the Gauchos is: Mulock at left end; "Peewee" Fredburg at left tackle; Doug Oldershaw back at his old position, left guard; Donk Hart will again center the old swineskin; Hayman at right guard; man-mountain Busby at right tackle; "Ladies Man" Young at right end.

The all-conference backfield will never play together again as Sanderson's competitive days have been ended by an injury. But the other three namely Pollock at quarter, "Little Box" Morelli at left half, and Yeager at right half, will carry on with the able assistance of Gardenhire at fullback, whose passing ability makes State's aerial attack an ever present scoring threat. It was Gardy's bullet pass to Jack Smith that scored one of the touchdowns against Flagstaff. Fred Monson has been so impressive in practice that he will alternate at the fullback post.

One of the features of the game from the spectator's viewpoint will be the renewal of last year's duel for high scoring honors between Blaisdell of Redlands and Yeager of State. Last year, Blaisdell beat "Howie" by a six point margin. At the present time Yeager is leading his esteemed rival by two touchdowns, but Morelli is way ahead of all the conference scorers with four touchdowns to his credit.

Introducing Redlands' Squad Review of Bulldogs' '36 Football Team

Introducing the 1936 University of Redlands Football team!

Jimmy Blaisdell, the sophomore sensation of the 1935 squad. As a passer, pass receiver, or broken field runner, Blaisdell is hard to beat and is the foundation of Cushman's "razzledazzle" play. He comes from Coronado high where he had a fine record as a griddy.

Earl Riley, one of the four Indians on the squad is the regular blocking halfback, and as such is one tough player. Made his letter last year and will be much in evidence this season.

Garth Huffaker, after having transferred in last semester has rapidly proved his worth as a fullback, being a fine ball packer and an equally good kicker. Huffaker comes from New Mexico Military Institute where he was an exceptionally valuable player.

Don Engleman, another redskin, plays either half or fullback and does either well. He will be valuable to replace both Huffaker and Riley, having had plenty of experience last year.

Dick Pazder, former frosh player, promises to be the only ex-yearling griddy to play first string. He plays half and will play right half, opposite Riley. Next to Engleman,

GaUCHO Rating Drops in Place

Williamson Marks State Eleven Twenty Points Lower in Placement

During the preceding week the Santa Barbara State Gauchos dropped 20 place points in rank according to the Williamson football rating table which includes 551 college football teams in the United States.

Below are given only the teams which are located near-by with those of vital importance to the Gauchos set in black face type.

Position	School	Percent. Score
9	Southern Calif.	92.5
14	St. Mary's	91.5
15	Santa Clara	91.0
18	Washington U.	90.0
27	California	85.7
31	Washington State	84.0
61	Stanford	74.7
94	Oregon State	67.1
110	Loyola	64.0
121	Santa Barbara	62.5
176	Whittier	53.8
183	Redlands	52.2
201	Flagstaff	49.2
221	Nevada	46.0
347	San Diego	35.0
405	Occidental	31.3
443	La Verne	26.8
495	Cal Tech	20.7

Radio Broadcasts Harder Prediction

Santa Barbara State will gain mention on Rush Hughes' gridiron program "Tomorrow's Football Tonight" for the first time tonight. The mention will come in the form of a pre-game statement by Coach "Spud" Harder. The statement that will be heard over the N.B.C. Red network broadcast originating in San Francisco and extending to San Diego and Portland follows:

"If Redlands stops Howard Yeager, Santa Barbara's shifty halfback, I look for a Redlands victory. On the other hand if Santa Barbara can successfully check open field running of Redland's Jimmy Blaisdell we stand a fair chance of winning. Our team is in excellent condition and anxious to even that seven to six loss handed us by Redlands in the final minute of the 1935 game"

Pazder stars in punting and is constantly improving. He can also pick up plenty of yardage when he grabs the pigskin for line play.

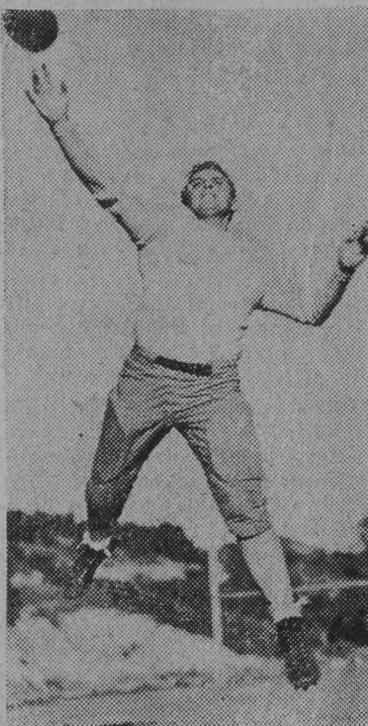

Truman Case, star sprinter, developed the ability to catch passes last year and became a valuable reserve half. With added experience, Case looks like a sure fire man for some fancy pass catching and running.

Walt Raitt brought to Redlands a fine high school gridiron record, but was injured while playing first year football. Last year he again turned out and promised to be a good man to replace Reinold "Pete" Peterson. Raitt will see most action at quarter when Blaisdell is shifted to half position.

Mal Rink hails from the same school as Blaisdell, Coronado, and apparently that school turns out some outstanding men, as Rink is considered just as good a lineman as Blaisdell is a back. Last year he played guard, receiving one of two letters given to sophomores, but

'Gardy' Gardenhire

'Gardy' Stars as State Full

Gardenhire Replaces Sandy on Position as Back in GaUCHO Lineup

About six years ago, the Lindsay High school football team had a quarterback who called his plays so carefully and so wisely that they won the game 102 to 0. "Gardy" Gardenhire, flashy State fullback, was that quarterback and at that time was comparatively new to the game of football. During his very early years he had played sandlot football with the kids of the neighborhood, but when he entered high school he really began to "go to town." During his four years at high school, "Gardy" played in the quarterback position, and not until he came to Santa Barbara in 1935 did he get a taste of the fullback duties.

Last year under the direction of Coach "Bud" Cummings, "Gardy" showed an outstanding display in both offensive and defensive work. He proved to be a good kicker, an excellent passer, and is fairly fast on the field.

This year, Coach "Spud" Harder plans to use "Gardy" in place of Harold Sanderson who is layed up for the rest of the season with a shoulder injury. As the season is still young, he will yet have time to turn in some stellar performances before he turns in his uniform next fall. "Gardy" was one of the stars on the Frosh team of last year and he will no doubt repeat his good work on the Varsity.

Tennis Class Has Enrollment of 15

Tennis classes are making rapid progress, according to Hal Davis, instructor. There are 15 physical education majors and minors enrolled in the two sections. Nearly all of the group are beginners in tennis.

"Technique and methods of teaching are stressed more than anything else," stated Mr. Davis. "Later, it is hoped, this group will be able to act as instructors to the new pupils."

Tennis is a two unit course, with one lecture and three practices each week. The members are also required to pass a practical and written test on strokes and court strategy and keep a notebook.

Sandy Retires Due to Injury

GaUCHO Line Crusher Must Quit Game with Bruised Left Shoulder

Sandy is gone. Not from the campus but never again will the tawny haired fullback plunge for first downs thru the enemy's stronghold, never again will he kick for gains of 60, 70, and 80 yards, and never again will opponents feel the mighty blasts of each tackle and block.

Harold "Sandy" Sanderson, varsity fullback, has retired as the result of injuries received two years ago in the game against Occidental and recurring in the Flagstaff encounter. While the sensational kicker was not seriously hurt in this last game it has been found necessary that he should quit before he injures himself too severely.

The actual injury was a bone bruise on the left shoulder. This trouble was far worse in its origin than it appears at the present. When Sanderson was struck in the Occidental game, he remained unconscious for three hours while the GaUCHO fans feared for his life. The doctors advised him to drop the game after that occurrence as they could find nothing wrong but knew that he had a serious trouble. Sandy refused to leave the sport and continued to batter his opponents without a let-up.

When the next season began Sanderson was back again dumping his opponents with that injured shoulder. Finally, the trouble reverted to its past condition and Sanderson was out for a short time. Again he returned to continually bang the enemy with the same sore shoulder. During this period an x-ray was taken and the bruise discovered.

When this season came Sandy began with the Cal Tech game but Harder replaced him with Gardenhire when the game was safely in possession of State. With the Flagstaff game there was a fresh trouble which nearly developed into a temporary paralysis Sandy was again advised to retire and at last agreed with his doctors. If he didn't retire he might be forced to. The great senior has finished his career as a gridiron king.

Coach Spud Harder, interviewed concerning Sanderson's injury and loss to the team, said:

"Sandy" was one of our most valued and consistent players. His loss is going to be very difficult to replace, although we have some good men who may develop to first-rate fullbacks, but hardly this season.

"Sanderson was more than just a fine football player. He was a

State Frosh Tackle Tough Ventura J. C.

Jones and Warner Systems to Battle It Out in Rough Game at Ventura

L. ROSSI BACK IN SUIT

Frosh Brush Up on Offensive Formations in Effort to Shake Backs in Open

When the Santa Barbara State college Freshmen meet the Ventura J. C. tonight, at Ventura, a battle of systems is expected to take place. The Ventura "Pirates" are coached in the power plays obtained by using the Jones and Notre Dame systems, while the Gauchos are taught the intricate and deceptive plays of the Warner system.

The dope shows that the two teams are on a par, providing the Freshmen can play the stellar brand of ball they exhibited against the powerful Bakersfield J. C. last Friday, and if this is true the deception or strength of either team may prove the margin of victory.

The Freshmen have but two men on the injured list: Merlo, a regular quarterback and Jessop, right-half. They have however been hit by the loss of three men, Kenard, end; Hoffman, quarterback; and Berratta, halfback; all leaving school.

The power of the "Pirates" is not definitely established, but they were able to eek out a close victory over the rugged Taft J. C. squad, which is one of the toughest junior college squads in the western division.

The frosh this week have been brushing up on their offensive formations in an effort to shake their backs into the open, which they managed to do on one or two occasions in last week's tussle.

Lloyd Rossi, who has been out for two weeks with an injured knee, is back in suit and may see action tonight.

The probable line-up for the frosh will be: left end, Nickoletti; left tackle, Romer; left guard, Valos; center, J. McArthur; right guard, Wood; right tackle, Valenzuela; right end, Coffey; quarterback, Rossi; left half, B. McArthur; right half, Wilson; fullback, Bailey.

Bulldog Power Machines Attempt Gaucho Massacre at Pershing Park Tonight

Bulldogs Head for Hardermen

Principal Battle Looms for Personal Strife with Yeager, Blaisdel!

Opening their campaign to bring home the Southern California conference championship, University of Redlands Bulldogs will travel far from their home turf to engage the Santa Barbara Gauchos here tonight.

The two teams will renew an argument which is as old as football—namely which is superior, speed and deception, or hft.

The Bulldogs, advocates of speed, won one round last year when seven points made in the last minute and a half gave them a one point lead, but this year Coach "Spud" Harder's Gauchos, bringing on the field practically the same team that weathered the gridiron wars last year, have been selected by some as Whittie's chief threat for the conference crown, showing that they are rated high among conference teams.

Also being fought out again this year, is the argument over the superiority of Howard Yeager, Gaucho halfback, or Jimmy Blaisdel, Bulldog quarter. Blaisdel won the conference high point title last year, but Yeager was right on his heels. The rivalry between these two spectacular players, both juniors, should be one of the high points of the game.

Bulldog mentor Cecil Cushman will depend on all of his "razzledazel" plays during the game, for his squad, with six returning lettermen, is far outweighed by the burly Santa Barbara boys.

His backfield, one of the most versatile for many years, is already showing signs of having definitely mastered the deception and speed required in Cushman's grid attack.

With Blaisdel calling signals, Don Eagleman, veteran half, doing some fine playing from his new fullback berth, Earl Riley, blocking half letterman, not only running interference but also doing some ball carrying and pass catching, and Garth Huffaker, New Mexico institute player, playing opposite Riley, Cushman has developed a tricky group.

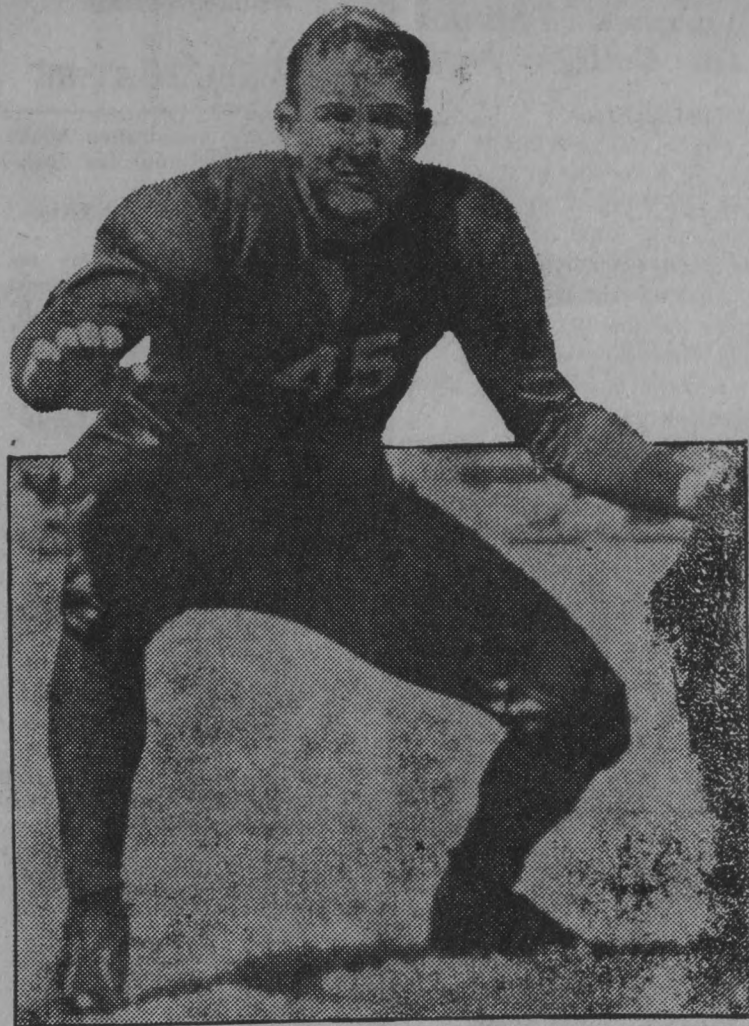

Although the line is lighter than the Santa Barbara wall, the playing of Mal Rink, center, Ben Smith and Ken Moore, guards, Gerry Smith and Bill Spriggs, tackles, and "Stix" Crawford and Kelly Moore, wingmen is enough to make opponents think twice before trying to break through it.

JIMMY BLAISDELL

EARL RILEY

GERRY SMITH

Redlands Roster Warmed Up for Bitter Season Battle

(Continued from Page Four) great sportsman and a fine fellow this year he will return to his old berth at center.

Gerry Smith, senior letterman, is one of the most consistent players on the squad, capably filling a guard position. Smith has two letters for two years of playing and will undoubtedly make his third this year.

Bill Spriggs has just as good a record at tackle as Smith and is a good man to have available when opponents start pouding the line.

Ken Pierce, transferring in from Bacone J. C., will add considerable heft to the line, tipping the scales at 195 pounds. He was one of the best at Bacone and brings to Redlands plenty of experience. Coach Cushman will probably use him as either or both a tackle or a guard.

Ben Smith, returning senior, made his letter two years ago and is another who will aid the line with a good knowledge of the game.

Bob "Stix" Crawford, 6 ft. 5 in wingman, is not nearly so awkward as are most tall people as is proved by the fact that he is a two year letterman in both football and basketball and is a good high jumper. With his extreme altitude and his "sticky" fingers, "Stix" is a man to

watch carefully when any passes start flying in his direction.

Kelly Moore also showed up from Bacone this year to fill the need for an experienced wingman to play opposite Crawford. He will give Copp Collins, reserve end last year, some stiff competition for a first string job.

Copp Collins made his frosh numeral two years ago, but did not get much of a chance to show what he could do last year because of Don Kitch and Pat Nicholson, one of the finest pair of ends ever to hit Redlands. This year with more experience, Collins promises to be a valuable man.

Lumberjack Player Expresses Thanks to Gaucho Footballers

Editor's Note: This letter was received by Coach Spud Harder from a true sportsman of the Flagstaff College expressing his thanks for the sympathy extended to him after the injury which he received in the last week's game.

To whom it may concern:

I wish to thank you for the lovely bouquet of flowers and the nice card that I received after the game yesterday. I'm very sorry I wasn't here to accept them personally. Again I wish to thank you from the bottom of my heart.

I want compliment you on your splendid school spirit, and also your fine team. I hope you have a very enjoyable trip home and I feel confident that you will reach the top, not only this year but years to come.

On behalf of the Flagstaff State College and the football team, I wish you success and happiness.

JIM PATTERSON.

Women drivers react more slowly than men in time of braking emergency, according to findings of a series of scientific tests given at Pennsylvania State college.

Loss of Sanderson Great Blow to State Team

(Continued from Page Four) who often was an inspiration to his team-mates when they needed that extra spark to drive them on against seemingly hopeless odds.

"We are going to miss him (Sanderson) more than most people think. But it is better to have him missing from the team than possibly injured in some way that would affect his future well-being.

"The team and the coaching staff know we have lost a valuable man. How valuable he was will be known perhaps before we get through the remainder of our schedule."

Sanderson first came to fame in a frosh-varsity game that ended with a frosh victory, 12-6, but resulted in the following sport comment: "Harold Sanderson, substitute fullback, has proved himself to be a line plunger of no little ability, and no doubt we will hear more from him before the season is over."

Redlands saw Sandy playing with the result that he was the only back who could gain through the Redlands line. Finally, came the Oxy game which ended 12-6 in Oxy's favor. However, the whole story was not in the score. Sanderson began to crash the opponent's line with consistent yardage although no score was gained as the game progressed with State suddenly driven back deep into their own territory. From here Sanderson was called on to kick. With the ball in his hands he stepped behind the goal line and slammed into the ball to see it travel 65

yards through the air and then 33 yards further on the bounce. The greatest distance that any State man had ever punted the ball. For the rest of the year he was satisfied with cracking through defenses and smashing offenses to make his enemy feel discouraged.

In the next season he shined outstandingly when his kicking kept the U.S.C. Spartan out of the pay dirt. Later he starred as the team held Oxy on the 4 yard line and kicked out of danger. Meanwhile he blocked passes, displayed the fundamentals of kicking, and smashed line defenses. To conclude his last full season he averaged 5 yards each time he packed the ball and gained 55 yards in 4 consecutive plays against Whittier.

For one year Sandy worked as a powerful substitute. For one year he starred as the leader of the team. For his last year he must serve in spirit alone.

Prof. Selig Hecht of Columbia University claims that chemicals in the eye cause our color sense.

Students Attend Recreation Night

A crowd of 75 men and women attended the first "Recreation Night" held last Wednesday from 7:15 to 8:00 in the school gym under the sponsorship of the W.A.A. "Pop" Wells officiated for the group.

Volleyball, shuffleboard, ping-pong and relays were enjoyed by the students. Alice Lamb, Clara Ross, La Rue Steelsmith and Nancye Clapp helped with the organization of the games.

These "mixer" activities will be held twice a month. Tournaments will be started next time. All members of the student body are invited to attend the next session.

At Pennsylvania State college enrollments in four-year courses of the school of agriculture and experiment station have nearly doubled in the past 10 years.

Department Plans Folder as Campus Guide of Information

A Poor Taste Party will be given by the elementary department on Saturday, October 24. Prizes will be given for the poorest of the poor taste costumes. Mrs. L. S. Price announced arrangements for unique entertainment numbers.

The department voted to put out an information folder which will be sent to prospective students explaining its purpose and work.

Mrs. Price spoke about the placement of the graduates and better prospects for placing teachers.

Officers of the group are Leo Butts, president; Doris DeAy, secretary; Leonard Dorn, treasurer; Tom Lindquist, program and social chariman.

Phi Kappa Gamma to Hold Potluck Dinner

Phi Kappa Gamma, social sorority, will hold a potluck dinner Monday night in their club room at the corner of Sola and Chapala streets. Plans will be made for future social events.

At the last meeting, held Monday, October 5, Peggy Flynn was elected rush chairman and Zelma McCleary head of the pledging activities for the coming year.

Former Professor Expresses Thanks for College News

Dear Miss McKinney:

I wonder if you would mind running a little note in El Gaucho to the effect that I am in a very uncomfortable state of uncertainty as to whom I am indebted for the very kind thought of sending me a copy of that fine big edition of the "Daily News-Morning Press" that was devoted mostly to the State college and its new site.

To see the towers and walls and hanging gardens spread all over the Mesa was a great thrill and makes me long to be back in Santa Barbara with the bougainvillea and the orange blossoms and El Paseo and all the good gaucho atmosphere—especially now that Autumn is covering the Wasatch Mountains back of the University with a crimson glow and persons are beginning to talk about automatic furnace stokers and news is coming in from Colorado and surrounding states of the first snow fall.

Please tell President Phelps that those plans and specifications on the front page looked like the earthly realization of a wonderful dream. Congratulations to all of you, and may the foundations start soon.

My very best wishes to you and to my other good friends in Alpha Phi Gamma.

Sincerely,

FREDERIC W. GANZERT.

Statements by the POWERS THAT BE

All student registration books must be turned into the registrar's office today.

WILHELMINA MENKEN.

Today is the final time for change of program. Reports must be made out immediately. Petitions will be accepted until four o'clock this afternoon.

The BYSTANDER

(Continued from Page One)

at the time, resulted in France giving the Syrians their independence. The Arabs are rebelling against the infiltration of Jews and the rapid increase of Zionist property holders.

Poland has joined the parade of nations seeking a home for the Jews. The government has asked the League of Nations to locate a home for the Polish Jews. M. Komarnicki, Polish delegate to the League, said that while Palestine was the natural home for the Zion race, some other place must be found for the vast horde of Jews inhabiting Central and Eastern Europe.

EUROPEAN INFLATION

The paper profits to European national treasuries from currency devaluations were estimated at more than \$1,000,000,000. France gained a profit predicted at 17,000,000,000 francs of which ten billions were set aside for the stabilization fund

Pond States Grad Placement High as Department Meets

Miss Elsie A. Pond welcomed members and new students of the junior high department to the first meeting of the year, Tuesday. The placement list of last year's 49 graduates was read, 32 of whom have teaching positions; two, library positions; and two, responsible office jobs.

Elizabeth Hartwell is located in the city school library as secretary, while Rea McPeake is in the Lincoln library. The office jobs are held by Marjory Tondro and Julio Bortolazzo.

Helen Harper Ewing was the only graduate married, and is living in Atascadero where her husband teaches the seventh grade and P. E. in the high school.

Bob Kindred was elected president of the department; Elmer Niebuhr, vice president; Dick Wichman, treasurer; and Frank Haymen, secretary. John Twaddell will be captain for the intramural sports, and Betty Nordyke, publicity chairman.

In the intramural sports discussion it was voted to petition for co-ed activities, whereby the women will not be excluded.

to insure a parity with the U. S. dollar and the British pound.

Italy added approximately 2,000,000,000 lire to the stock of gold and foreign currency. Italian officials declared the realized profits will be used for defraying expenses of the Ethiopian campaign and national necessities.

English Group Plans Outing

English Department Plans Annual Excursion to Famous Library

Voting to again make their annual pilgrimage to the Henry E. Huntington Library, the English department set an approximate date for either November or December. The excursion will be open to any one who wishes to go. Last year about 30 students made the trip in the school bus.

Betty Clark volunteered to take charge of the English department bulletin board outside room 44. She will post newspaper clippings, contest announcements and other items of general interest.

The officers of the department are president, Frances Hoelscher; vice president, Norman Phillips; secretary, Christine McDonald; treasurer, Alfredo Chavez; and program chairman, Barbara Sharp.
