SANTA BARBARA, CALIFORNIA, APRIL 18, 1950

No. 45

LAST CHANCE TO VOTE TODAY

MAY QUEEN CANDIDATES are (left to right) June Morey, Vivian Schmitz, Doreen Kingsley, Mickey McMahan, Marilyn Lenfesty, Caroline Steiner, Marilyn Williams, and Barbara Hancock. —Kluth Photo

DR. ALBERT ELKUS FAMOUS MUSICIAN ON SUMMER STAFF

Dr. Albert I. Elkus, a distinguished musicologist, composer and teacher, will join the Santa Barbara College faculty for the coming Summer Session, it was announced by Dr. J. Harold Williams, Acting Provost.

This outstanding musician will teach three courses at the college—Music History and Appreciation, Symphonic Literature, and Advanced Piano.

At present Dr. Elkus is professor of music and chairman of the department of music on the Berkeley campus of the University. He has been director of the University orchestra since 1934. Before joining the faculty there he served with the San Francisco Conservatory of Music as head of the music theory department. He also taught at Mills College and Dominican College.

He received his BA and MA degrees from the University of California, returned as a faculty member in 1933 and has been chairman of the department since 1937.

A well-known pianist, he studied under such artists as Hugo Mansfeldt, Harold Bauer, Josef Lhevinne, Oscar Weil, Carol Phrohaska, Robert Fuchs, George Schumann and Franz Schalk.

In 1921 he received the Julliard music award for his composition entitled "Impressions from a Greek Tragedy," and in 1935 was given the Julliard Publication award.

Other published compositions are Concertino on Lezienne III of Aristo; I am the Reaper, choral work; Serenade for String Quartet; On a Merry Folk Tune; Eight Pieces for Pianoforte; Lines from a Sonnet; Ferry Hinksey; two songs and others.

He is a member of many national musical organizations including the American Musicological Society, the American Society of Aesthetics, International Society of Contemporary Music, and the New York Composers League.

Eight Lovely Coeds To Seek May Queen Honor at Festival

Campaigning for May Queen began yesterday and will continue throughout this week as eight lovely coeds vie for the honored title. Stunt Day, Monday, May 1, will culminate the campaign. On that day the candidates will be introduced at 11 am at the Riviera snack area, at 12 in the Riviera Cafeteria, and 1 pm at the Mesa Snack area.

The election of the Queen and her court will take place Wednesday, May 3, and she will be crowned at the annual May Dance, Friday, May 5. The dance will be from 9 to 1 at the Recreation Center, with music furnished by Lino Mautino's six-piece orchestra.

Each year the May Dance is co-sponsored by Phrateres and Alpha Phi Omega, men's and women's service organizations. The affair is under the general chairmanship of Merilee Robertson and Henry Use. Publicity chairman is Mary Collins.

Candidates

The eight Queen candidates are all sorority girls and are being sponsored by their respective sororities.

Alpha Delta Pi candidate, Barbara Hancock, is a freshman and is majoring in elementary education. A Santa Barbara girl, she was active in A Cappella, Girls' League, and newswriting while she attended high school.

Marilyn Williams, Alpha Phi candidate, is a junior elementary education major from Orange. She is active in the Elmed Club, the Secretariat, and the Social Committee. She is also being sponsored by Sigma Pi fraternity.

The Chi Omega candidate, Carmelita "Mickey" McMahan, is a junior psychology major from Santa Ana. She is a member of the Rifle Club, and formerly attended Santa Ana Junior College, where she was active in campus affairs.

Marilyn Lenfesty is being sponsored by Delta Gamma and Delta Tau Delta. She is a member of the recently organized Colonel's Coeds. Coming from Westwood, she

PRESENT MANY STUDENT WORKS IN MAY CONCERT

Student composers of Santa Barbara College will have the unusual opportunity of having their works played publicly by outstanding musicians from the faculty and from Hollywood motion picture studios.

This unique event will take place at the Lobero Theatre May 14, under the auspices of the committee on music, drama and lectures. Admission will be free.

Scores for the concert have been submitted by students now on campus and music department alumni. Formal rehearsals started last Sunday.

On the program will be works written for the piano and for ensembles including duos, trios, and string and wood quartettes. Works for a cappella and brass choir are also included.

"This type of event is important if we are to encourage creative talent. Toward this end Santa Barbara College, through its music department, is offering this concert."

EXAMINATION

All students who desire to take the American Institutions examinations should sign up with Dr. Jacobs in West Hall 107 for an exam in American History and with Mr. Turner in Ridge Hall 102B for the American Constitution and Government exam.

The American History test will be given May 6, 9-12 am, in Ridge Hall 101. The American Constitution and Government test will be given May 13, 9-12 am, in Ridge Hall 101.

Frank Goodall, Don Mills Vie for President; Three Classes Choose Next Year's Officers; Test Proposed Amendment, By-law Changes

Student voters will vote for ASB and class officers again today, the last day of balloting. Frank Goodall and Don Mills are vying for the most important position, that of president of the associated students.

U OF CALIFORNIA EXTENSION LISTS COURSES BY MAIL

Hundreds of correspondence courses on almost any subject from aeronautics to zoology are listed in the new "Lifelong Learning" catalog of correspondence courses of University Extension, University of California.

Among the variety of 46 fields of study are many courses in a half dozen different languages, including four courses on Russian.

The only requirement for admission to the courses is the ability to carry the work through to successful completion. A period of one year is allowed to finish each group of 15 lessons.

University entrance deficiencies may be made up through correspondence study. For certain courses the University of California will allow credit toward the bachelor's degree and toward recommendations for teachers' credentials. No correspondence courses are offered for graduate credit.

Veterans may apply their education benefits to cover correspondence courses offered by University Extension.

Copies of the catalog, which include complete information, amount of the fees and instructions have just been received here by the University of California Extension office, 906 Santa Barbara St., and are available upon request.

Outstanding Botanists Hold Meet on Campus Students Host Guests

Over 100 outstanding botanists and horticulturists in this area will come here tomorrow for a meeting of the Southern California Botanists. Dr. Cornelius H. Muller, assistant professor of botany, is in charge of all the arrangements.

The group will inspect the various botanical facilities of Santa Barbara including on their agenda a picnic at the Botanical Gardens, a visit of the Santa Barbara Museum herbarium, and a visit to outstanding private gardens.

Students of botany will take part in the program as planned and will be available to give information and aid to the visitors.

German Instructor Is Commissioned Captain In Military Reserve

Dr. Rolf Linn, instructor in German, has been commissioned a captain in the Military Intelligence Reserve Unit at Santa Barbara College.

He resumes the work which he carried on for three years during the war. In his work, Dr. Linn initiated and developed a German military library of captured material which was built up to 20,000 volumes by the time the war ended.

Vice-presidential candidates are Chuck Missman, Doris Spotts, and Elaine Strobel. Those running for the position of secretary are Diane Covey, Allison Nicholson, Grace Pope, and Vivian Schmitz.

Ten are battling it out for the three representative-at-large positions. They are Bob Christoffer-son, Dorothy Davis, Jim Downing, Pat Hart, Ted Knudson, Danny Kutch, Jim Mulick, Elenita Quintero, Larry Schilling, and Don Smith.

Bill Cunningham is the only one listed on the ballot as yell leader, but publicity has been circulated concerning a write-in candidate.

Senior Class

Those running for senior class officers are Ken Bonilla and Bill Norton, president; Betty Braden, Jan Jones, and Peggy Ward, vice-president; Phyllis Alden, Pat Henon, and Freddie Nation, secretary.

Junior class candidates are Don Frederickson, Ed McCann, and Jim Stanley, president; Robert Allen, Suzanne Smith, and Joel Williams, vice-president; Juanita Gebb, Sally Shedd, and Martha Bacon, secretary.

Contenders for sophomore class offices are Al Hunter and Ted Troy, president; Jess Alexander, Vince DeFiore, Marilyn Ringel, Denise Weber, and Margaret Wright, vice-president; Marlene Boone, Claire Tompkins, and Barbara York, secretary.

Amendments

Also appearing on the ballot are several proposed changes to the AS constitution. The proposed amendments are:

Article III, section 6. The elective officers of this organization shall be the following: President of the Associated Students, Vice-president of the Associated Students, the four Class Presidents, Secretary, Yell Leader, and three Student Representatives elected at large.

The proposed amendment is as follows:

The elective officers of this organization shall be the following: President of the Associated Students, Vice-president of the Associated Students, the four Class Presidents, Secretary, Yell Leader, and three women Representatives elected at large, and three men Representatives elected at large.

By-laws

Article V, section 8. The votes for the posts of Representative-at-Large shall be counted as follows: if any candidate or candidates receive 31 per cent or more of all votes cast for the Representative-at-Large in the preliminary balloting, they shall be declared elected; if one candidate receives the requisite number of votes for the election, the three candidates receiving the next largest number of votes shall be considered candidates in the final elections and the one receiving the largest number of votes at that time shall be declared elected. In the event that no candidate receives 31 percent of all votes cast, the five candidates receiving the largest number of votes cast in the preliminary election shall be declared elected. Continued on page four

PROSPECTIVE CAST STARTS REHEARSAL OF O'NEILL TRAG'DY

Daily rehearsals for the forthcoming production of Eugene O'Neill's classic tragedy, "Beyond the Horizon," are being held in Oak Hall for the prospective cast.

The play, which will be presented in the Riviera Auditorium on May 26 and 27, is the story of many years in the lives of a New England farm family. It effectively presents the emotional struggle of two brothers who love the same woman.

The brothers are played by Tom Keen and Gordon Stafford. Keen plays the part of Rob, the scholarly, emotionally unstable younger brother, while Stafford plays the home-loving Andrew. Ellie Denholm is cast as Ruth, the woman in the lives of both.

Others in the cast are Ken Kellogg, Betty Groebli, Evelyn Stafford, Alan Collins, and Dick Sickles.

May 2 Lobero Recital To Feature Works of American Composers

An unusual piano recital presented entirely from the works of 20th century American composers will be given by Lloyd Browning, Assistant Professor of Music, at the Lobero Theater, May 2nd, at 8:30 pm.

Professor Browning is a prominent concert pianist, and a specialist in contemporary American composition. Many of the compositions on the program will be presented for the first time in the hope that the performance will help promote the works of present day composers of piano works.

The compositions hint at trends in music such as neo-classicism, jazz blues, ragtime, expressionism and barbarism. The most prominent of the composers represented are Charles T. Griffes, Roy Harris, George Gershwin and Edward McDowell.

The major work of the evening will be MacDowell's "Keltic Sonata." Other works played will be "Streets of Laredo," "Wayfaring Stranger," and "Black is the Color of My True Love's Hair" by Roy Harris, "Passacaglia" by Walter Piston, and "Prelude" by George Gershwin. The unusual "Anti-Abolitionists' Riots" by Charles Ives will be included in the second half of the program.

The recital is sponsored by the Committee on Drama, Lectures, and Music in co-operation with the Santa Barbara Society of Music.

Professor Dearborn to Attend Dallas Meeting

Dr. Terry Dearborn, chairman of the Physical Education Department, will attend the annual national convention of the American Association for Health and Physical Education and Recreation at Dallas April 19-22.

LABOR DEPARTMENT RELEASES SURVEY ON '50 JOB PICTURE FOR COLLEGE GRADS

The following survey of job opportunities in the United States was compiled by the office of the Department of Labor for the information of college students considering vacation and post-graduation work possibilities.

With about 500,000 college students graduating this year—the largest number in our country's history—the job outlook for the new college graduates is generally good. It is not, however, as good as in 1947 and 1948.

The outlook is clouded by three factors: the large number of graduates who will be seeking jobs; a moderate increase in the total number of unemployed persons; and the filling of war-created shortages of college graduates in some specialized fields by the large graduating classes of 1948 and 1949.

Graduates seeking information on expanding industries or sections of the country need to remember this basic fact: most of the jobs taken by this year's college graduates will be, as usual, those which have been vacated by other workers. Deaths and retirements at the top of the occupational ladder create the largest number of openings at the bottom. It follows that most of the openings will occur in the large industries and the areas where there are now the heaviest concentrations of employment.

Employment in certain parts of the country is growing more rapidly than in others in the long-run. This is true on the West Coast, the South Atlantic region and Texas. However, the supply of workers in some of these areas—the West Coast for example—has increased more rapidly than job opportunities. Moreover, in rural areas of the country generally the need for workers in some of the professional fields is greater than in cities.

Prospects are excellent in some occupations, industries, and areas. In others, where wartime and postwar shortages have now been filled, many graduates will find it difficult to get jobs.

In teaching, for example, there is at once an acute shortage of personnel in the elementary schools

and a growing oversupply at the high school level.

Other professional fields in which stiff competition for jobs is expected in the next few years include: law, journalism, and personnel work. In engineering, the number of graduates will exceed the number of openings in the early 1950's; after the next 4 or 5 years, the employment situation for new graduates is likely to improve in this rapidly growing profession. In chemistry, competition will be keen during the next few years among persons without graduate training; the outlook is better for those with graduate degrees.

There will probably also be an oversupply of business administration graduates. A surplus of new graduates has already developed in the field of accounting.

Liberal arts graduates with work experience or specialized training will find it easier to get jobs than those with only a general undergraduate education.

Good opportunities are expected for occupational groups important in health service, such as veterinarians, medical X-Ray technicians, medical laboratory technicians, dental hygienists, physical therapists, occupational therapists, and dietitians.

The picture facing this year's graduates is a mixed one. Business conditions as a whole are continuing good. In spite of this high level of business activity, the growing labor force and growing productivity may well result in high levels of unemployment. The picture for job opportunities is equally mixed. Some occupations are oversupplied with graduates, and the competition will be intense for the available jobs. Other fields have a demand for jobs which far outweigh the available supply of trained people to fill those jobs. Those whose training lies in the crowded fields have several alternatives open to them. First of all, they would be well advised to ex-

Job Placement for Non-Teachers . . .

One of the many fine speeches heard in the recent Intramural Speech Tournament expressed an idea which deserves particular attention from every student, particularly those who contemplate graduation in the near future.

Leonard Hylton, a senior, stated his thesis: "What Santa Barbara College needs is a general type placement and advisory bureau for all graduates."

We have here now an excellent teacher placement bureau. It placed 386 out of 387 applicants in good positions last year. However, since we have become a part of the University of California, a larger and larger percentage of our graduates do not have teaching credentials. We must establish an agency to seek job information for the "forgotten graduates," those who leave without a credential to seek their place in the world.

A general placement bureau is needed because of the increasing number of non-teacher graduates, because of the need to let potential employers know of the caliber and classification of all our graduates, and because we, as graduates, must have information on where to seek employment.

Lack of funds is handicapping Dr. Paul Jones, the Placement Director, and preventing his expansion of the services now offered only to prospective teachers. When funds become available, he can begin to contact government, state and other employment service agencies to disburse information about our graduates and secure information about job opportunities.

We as students must take the first step. The question of how a general placement and advisory bureau for graduates may be set up soon deserves thought, planning and action. It is to our own advantage to act soon!

is a sophomore group major. Delta Sigma Epsilon is sponsoring Vivian Schmitz, a sophomore who is majoring in early childhood education. She is President of the Five Footers, treasurer of Phrateres, a member of Spurs, historian of the Publicity Committee, and a member of the Student Directory staff.

Kappa Alpha Theta candidate Caroline Steiner, a sophomore, is from Coachella. She is a music major and had a major role in the recent campus production of "Of Thee I Sing."

June Morey has been entered by Pi Beta Phi. Last year she was

chosen Honorary Colonel of the ROTC. Majoring in sociology, and in her junior year, she hails from Laguna Beach.

Doreen Kingsley, the Sigma Kappa candidate, is a native Santa Barbaran and a freshman. She is majoring in elementary education and worked on the staff of her high school annual last year.

Gaucha Trackmen Lose Dual Meet With San Diego State

An outmanned but fighting Santa Barbara College track team, under Coach Nick Carter, once again wen down to defeat as they were topped by the San Diego State Aztecs 85-46 in a dual meet held in the Southland.

The Aztecs lived up to expectations in winning the event, but the Gauchos were bolstered by some fine individual performances. Outstanding among these was Del Pickart's javelin throw of 227' 4 1/2", which was his best mark of

the year and sets a new college record in the event.

Pickart's mark was almost 10 feet farther than he threw the javelin last year in a meet between the two teams. The old record was also held by Pickart with a 221' 10 1/2" toss, which he made last year in an NCAA meet. Les Reed came in for a surprising second in the event.

Willie Dancer copped the high jump for the Gauchos with a leap of 6' 4 1/4". Jack Razzeto of San Diego, who recently jumped 6' 8 1/4" in the Texas Relays, did no better than 6' 2 1/4".

Otey Scruggs was high point man for the Gauchos with 13 points. Scruggs took firsts in the shot put with a toss of 43' 11", and in the discus with a mark of 126' 1". In the 880 he came in second behind Dick Schuneman of San Diego.

Dick Johnson scored his fastest time of the season as he ran the 100-yard dash in 9.9 for first place in that event.

The results:

High Jump—Dancer (SB), tie for second, Razzeto and Page (SD). 6' 4 1/4".
Discus — Scruggs (SB), Templeton (SB), Beck (SD). 126' 1".
Pole Vault—Smith (SD), Beck (SD), tie for third between Dean and Cooper (SB), and Teagle (SD). 13' 6".
Mile Run — Sturak (SD), Kinsella (SD), Console (SD). 4:34.1.
440—Ellis (SD), Harwood (SD), Smith (SB). 51.6.

Santa Barbara Downs Los Angeles State In Tennis Matches

Coach Lyle Reynolds' Santa Barbara College tennis team downed Los Angeles State 6-3 at the Stadium Courts. The Gauchos took two of three doubles matches and four of six singles contests to sew up the event.

Captain Don Tully, Dick Lessler, Cal Cory and Arnold Funai scored the singles victories for the team.

Hilbert Lee and Arnold Funai teamed up to defeat Dave Doall and Bob Flikoff in the doubles, 3-6, 6-1, 6-3. The other Gaucha doubles victory was turned in by Cal Cory and Glen Vaughn, who downed Sam Migliazzo and Hilton Eidelman, 6-2, 6-2.

Singles
Dave Doal (LA) d. Hilbert Lee, 6-4, 6-1; Don Tuully (SB) d. Bob Flikoff, 6-1, 6-2; A. Martinez (LA) d. Bill Swain, 4-6, 6-3, 6-3; Dick Lessler (SB) d. Buddy Weber, 4/6, 6/3, 6-1; Cal Cory (SB) d. Sam Migliazzo, 6-0, 6-1; Arnold Funai (SB) d. Hilton Eidelman, 6-3, 6-0.

Doubles
Lee-Funai (SB) d. Doal-Flikoff, 3-6, 6-1, 6-3; Martinez-Weber (LA) d. Swain-Tully, 2-6, 6-4, 6-4; Cory-Glen Vaughn d. Migliazzo-Eidelman, 6-2, 6-2.

11—Johnson (SB), Straub (SD), Daniels (SD). 9.9.
Shot Put—Scruggs (SB), Simmons (SD), Templeton (SB). 43' 11".
Javelin—Pickarts (SB), Reed (SB), Page (SD). 227' 4 1/2".

Broad Jump—Mahon (SD), Daniels (SD), Beck (SD). 22' 5 3/4".
120 High Hurdles — Mahon (SD), Cook (SB), Barr (SB). 15.2.

Two Mile—Beason (SD), Atterbury (SB), Daniels (SD). 10:01.9.
220 low hurdles—Hartin (SD), Vick (SB), Marr (SD). 24.4.
Mile Relay—Won by San Diego (Mahon, Beck, Ellis and Schuneman). 3:24.6.

-- THE SCORE --

by Talley

The most frequent discussion in sports is the age old agrument about the relative merits of the old and the new. We will never know whether Citation could beat Seabiscuit in a match race. We can only conjecture the outcome of a bout between Dempsey and Louis. However, in the Spring when hundreds of thousands of thinclad athletes compete in track and field events we have more concrete evidence of performance. The cold impartiality of the yardstick and the timer's watch replace the anecdotal evidence presented in favor of the fabled heroes of the past in other sports.

Hanner Dissents

The 24th running of the West Coast Relays at Fresno renews the old discussion. Those who still praise the unsurpassable skill of departed track stars find a staunch dissenter in J. Flint Hanner, director of the relays at Fresno. Hanner contends that the supermen of the "good old days" could never compete with modern athletes.

The relays, which are to be held May 13 at the Raisin Bowl at Fresno, have consistently provided new records in every event. Some records have been broken as many as a dozen times in past relays.

Marks Broken

Hanner backs up his opinion by pointing to events of the past. When John Kuck set a world mark for the shot put at Fresno in 1927 it was considered an impossible distance. Today that mighty heave of 51 feet 1/2 inch probably would not qualify for the finals in that event.

Lee Barnes represented USC in 1928 with a vault of 14' 1 1/2". This leap is still a good one but as amazing as it was at the time it is now a full foot and a half below the record of Cornelius Warmerdam. Warmerdam, now assistant track coach to Hanner at Fresno State, backs up his boss in the idea that it is only a matter of time until a fresh young athlete will soar over the 16 foot mark.

Many other "miracle marks" of the relays have been consistently broken. This year one of the great-

Errors Cost Gauchos Pair Of Games to USC Trojans

A combination of numerous Gaucha errors and some heavy Trojan hitting cost the Santa Barbara College Gauchos a pair of weekend tilts with USC. On Saturday night the Trojans downed Coach Theo (Spud) Harder's squad 11-1 and on Friday the Gauchos came out on the short end of an 8-7 count after 10 innings.

In Saturday's contest the Trojan

est marks of all time is expected to fall Berkeley's 1941 two-man relay team presented four of the country's best half milers. These men ran a breath-taking 7:34.6 for a world record that looked unbeatable. Yet this year another California school, USC, has come up with a quartet of athletes that should crack that mark on the fine Raisin Bowl track.

Hanner Sees All

Hanner has been in a fine position to observe the efforts of three decades of the world's finest athletes. The West Coast Relays has been the scene of countless world beating performances. So many marks have been broken that the Relays uses the phrase "Where World Records are Broken" as their motto.

He can speak authoritatively, then, when he gives the reasons for so many outstanding performances. Of first importance he lists the huge number of participating athletes from the grade school up. "Thousands compete where hundreds participated before," says Hanner. Improved coaching and better equipment have also been vital factors in the new marks. Bamboo for heavy hickory in the pole vault has aided, with new experiments constantly being tried. The wobbly unpredictable javelin of the old days has been discarded for the well balanced modern javelin, to list a few innovations.

Moderns Best

These arguments will never prove that Notre Dame would polish off Michigan's point a minute team of a half century ago. They do, however, prove that modern athletes display a vigor and ability that is a phenomenon which is unique in the history of sports.

There are between ten and twelve million acres of brush-covered land in California which may provide grazing lands if the brush is removed, according to Dr. Frank J. Veihmeyer, professor of irrigation at the University of California.

hurler, Jack Schlarb, handcuffed the Gaucha hitters in limiting them to two hits while his teammates touched Gaucha hurler Paddy Hill for nine hits including home runs by Outfielder Jay Roundy and Third Baseman Al Karan.

The Gaucha batters just couldn't seem to find Schlarb's range as he collected 10 strikeouts in the seven inning tilt.

Give Away

Friday's game was a different story as both teams strove hard to give away the ball game. The three hour and forty minute marathon saw the Gauchos commit seven errors plus a number of passed balls, while the Trojans strove hard to lose this advantage by giving up nine bases on balls and two double errors.

Trojan Coach Sam Berry was hard put to find a pitcher with any control but finally came up with Chuck Pryor who put down a last minute Gaucha rally and enabled the Trojans to come out victorious.

Good Job

Lefty Bob Johnston went the route for the Gauchos and pitched a fine game, but once again he was hamstrung by lack of support from his teammates. Johnston allowed only three earned runs and showed fine control as he did not give up a single base on balls.

**COLLEGE WOMEN
IN BUSINESS**

A liberal education frequently does not offer the specialized training necessary for business. More and more college women are turning to business school for the training with a ready commercial value.

SUMMER SESSION BEGINS JUNE 19
RESERVATIONS MUST BE IN ADVANCE

How much lovelier can a girl look? She's your

"MISS FASHION PLATE OF 1950"

PHYLLIS KIRKEMO

Here she is! The girl you chose as Revlon's "Miss Fashion Plate of 1950". She's just won a year's supply of Revlon cosmetics FREE!

And she's the girl who has a chance to become "Miss Fashion Plate of 1950" for the whole United States! She'll compete in this Revlon-sponsored contest with candidates from colleges and universities from coast to coast for the Grand Prize... a glamorous trip to Bermuda by Pan American Clipper, including an expense-free week at the famous "Castle Harbour" ...and seven other thrilling prizes: an RCA-Victor portable radio; a Lane Hope Chest; an Amelia Earhart Party Case in "Revlon Red" leather; a necklace, bracelet and earring set by Trifari; a silver-plated lighter, cigarette urn and tray set by Ronson; a year's supply of Berkshire nylon stockings; a Wittnauer wrist watch!

You all know a winner because you picked a winner! She's another lovely example of why so many girls and women ...to look their loveliest... always look to Revlon.

ADVERTISERS

Goodall, Mills Vie for President; Three Classes Choose Next Year's Officers; Test Proposed Amendmet, By-law Changes

Continued from page one
 tions shall be considered candidates in the final balloting, at which election the three candidates receiving the largest number of votes shall be considered elected.

The proposed amendment is as follows:

The votes for the posts of Representative-at-Large shall be counted as follows: If any candidate or candidates receive 34 per cent or more than 34 per cent of all ballots cast for the Representative-at-Large in the elections, they shall be declared elected; except in the event that more than 3 candidates receive the required amount, then the three highest shall be declared elected. If one candidate receives the requisite number of votes for election, the three candidates receiving the next largest number of votes shall be considered candidates in the run-off elections and the

two receiving the largest number of votes cast, shall at that time be declared elected. In the event that no candidate receives 34 per cent of all the ballots cast, the five candidates receiving the largest number of votes cast in the preliminary elections shall be considered candidates in the final balloting at which election the three candidates receiving the largest number of votes shall be considered elected.

ARTICLE V, Section 14, Paragraph C. Special elections shall involve the same procedures as regular elections.

The proposed amendment is as follows:

Special elections shall involve the same procedures as regular elections except in the case of special elections to fill vacancies among the Representatives-at-Large, in which case officers shall be elected by a majority vote.
