## STATE PLAYS OXY IN DECISIVE GAME

### Delegates Convene at State

Tri-County Conference Meets Saturday, April 6

Dr. Jacobs Officiates

Discussion Groups and Speakers Feature Program

Y.M.C.A. delegates from Ventura, Santa Barbara and San Luis Obispo counties will meet at the Santa Barbara State college campus for the Tri-County Conference to be held next Saturday and Sunday, April 6 and 7.

Dr. Charles Jacobs, a member of the Y.M.C.A. board of trustees will act as the representative of State college. College Y.M.C.A. members will be welcomed by Denning McArthur, president of the Gauchos "Y" at 7 o'clock p.m. in the auditorium. Members of the Gauchos "Y" will be official hosts during the conference and will assist in the dining service.

#### Register Saturday

The 300 delegates will register at State at 10 o'clock Saturday morning. There will be discussion and addresses for different sections in the classrooms.

Ebbet's hall will be the scene of the opening dinner at 12 p.m. In the afternoon Robert Wayne Burns of Covina will address the group on "Making the Most of My Home Life." During the afternoon two or three hours are to be devoted to recreational activities. In the evening the school men will be introduced as well as the delegates, after which there will be a theater party.

#### Sunday Assembly

Conference activities on Sunday begin with the assembly at 7:50 a.m. in the State college auditorium. There will be devotional services and special music. Tom Elliott, a Y.M.C.A. member of Amayo, China, will speak on "Making the Most of My Life in an Increasingly Smaller World."

Discussion groups are to be held on the topic, "Making the Most of My 'Y' Group" after the address. The closing conference dinner will be held in the cafeteria. At 1:15 p.m. closing ceremonies will end the conference.

### Names Cast In One-Act Plays

The casts for the play production class plays which are to be presented Thursday night, April 11, in the auditorium at 8:15 o'clock have been announced definitely by Mrs. Harold Davis, instructor.

"When the Whirlwind Blows," a tragedy, will be the first on the program and will include Jane White, as Anna; Janine Rupertis, Madame Andioya; Marie Persons as Josefa.

A mystery play, "The Gray Overcoat," will include Alfredo Chavez as Inspector Woodruff; Sidney Smith as Curtis; and Larry Bowlus as James.

A hilarious comedy, "Sad About Europe," will close the program. The members of the cast are Richard Brothers as Marshall K. Hunt; Mary Tone as Phoebe; Phyllis English as Gertie; Reva Chandler as Miss Mulberry; and Sidney De Rosa as Jim.

These plays will be free of charge and all students are urged to attend.

### Honorary Fraternity Initiates Pledges

Formal initiation of the pledges to Kappa Delta Phi, national educational fraternity, was held Tuesday evening in the A.W.S. room, at the regular monthly meeting.

Mrs. Olive Denman was in charge of the affair. Pledges to the fraternity are Geraldine Slayton, Julio Bortolozzo, Mary Hughes, Laura Kandjounzoff and Lyman Goldsmith.

### Review Offers Variety Show for Students

Singers and Dancers! Blackouts! Gags and Gals! Burlesque! Music and Rhythm! These will feature the third annual Roadrunner Revue, which will be held next month at the Fox Arlington theater.

"One of our best numbers will be the Anacapa Ballet, featuring John Twaddle as "Spring" and the two Hart brothers as "Springlets." They will be ably assisted by the Anacapa ballet dancers," states "Buddy" Moore and "Gump" Gumpertz, co-managers for the affair.

"Another outstanding feature will be the return of the team of Gam-mill and Williams who will be cast in a new comic act," the managers continued.

Two newcomers to the show this year are Stella Mae Smith and Babe Cornwall who will present a new and tuneful nautical number, which, according to "Bup" and "Gump" will be a "knockout!"

### Wm. Ashworth Explains Plot of Next Play

"The plays the thing."

In a talk Tuesday second hour before the English majors and the lower division unclassified, Dean William Ashworth stressed the importance of plays and acting.

The purpose of the Player's Club in giving the modern mystery, "Death Takes a Holiday," is to acquaint the students with one type of standard play. In later life the students will have an opportunity to witness many ultra-modern plays, but few standard plays. It is the plan of the club to see at least two standard plays a year in their own college.

In some instances, a previous reading of the play will aid in an intelligent criticism of the interpretation by the cast at the actual performance, yet others prefer to see the production first, and then read the play.

"Death Takes a Holiday" is essentially a mystery, and is original in that it represents and characterizes Death. The plot is based upon the question "Why do men fear Death?" A weird effect arises in the contrast between human affection and the unearthly emotions of Death.

"With the cooperation of the students, the Player's Club can make this play a real success," concluded Dean Ashworth.

### Lambourne Brothers Lead in Tournament

Making 2770 points, Bill Lambourne and Fred Lambourne are leading the State college bridge tournament which started last Friday evening, according to Sam Clark, manager.

Second place is held by Sam Clark teamed with Orazio Fenzi, and so far they have made 1110 points in the total number of rubbers played.

The next round of the tournament will be held this Friday at 8 o'clock in the women's club room and all who did not attend the first round are asked to attend. "New entries will be accepted and they will be given a chance to play the same number of games as their competitors have played," said Mr. Clark.

All players are requested to bring their own decks of cards.

### Phelps Receives Post on Executive Council

Notice has been received by President Clarence L. Phelps that he has been appointed to act on the executive committee of the American Association of Teachers colleges.

Mr. Phelps will take the place of former President E. Selke who has been transferred to the accrediting committee.

The American Association of Teachers colleges is a national organization established for the purpose of raising the standards of teachers colleges. It also classifies the standing of the various colleges and this year gave an all American rating to Santa Barbara State college.

### POMONA MEN'S GLEE CLUB TO SING IN SANTA BARBARA

Pomona Men's Glee club, one of the strongest contestants in the glee club contest to be held in the Santa Barbara high school auditorium, are the undisputed champions of the United States, having won that title in the national contest two years ago. They have also won the Western division every year since its inception.

### Singing Representatives from Five Colleges Vie for Honors in Annual Musical Contest

Three-hundred glee club members from five Southern California colleges will be Santa Barbara guests Saturday, April 6, for the eleventh annual contest of the Pacific Southwestern Glee Club association held in the Santa Barbara high school auditorium.

Colleges participating in the contest are San Diego, Pomona, Redlands, Occidental and Santa Barbara. Registration and rehearsals for the glee club members will take place on this campus during the morning and afternoon.

### Nature Study Class Offers Post Session

Plans for a Santa Barbara School of Nature Study to be conducted in Rocky Nook, Mission Canyon, from August 5 to 16 are now being laid by Harrington Wells of the science department, who will direct the course.

Students may register for the nature school alone, or may arrange their courses as a post-session to the regular summer session.

In addition to lecturers who will be guest speakers, the faculty is made up of the following: Dr. Harry Bauer, head of the department of biology at Santa Monica junior college; Mrs. Alice Bradley, dietetics; Dr. Lewis Carson, astronomy instructor; Miss Hazel Severy, head of the science department; Seldon Spaulding, Laguna Blanca school in Hope Ranch; Mr. Wells and Harry Wilson.

Judges for the contest are Miss Ardis Carter, music instructor of Santa Barbara high school; Ralph Peterson, instructor at Los Angeles junior college; and Alexander Stewart of the University of Southern California. Points which will be considered in judging the winners are accuracy, tone, diction, rhythm, phrasing, interpretation and the general effect.

Since the contest originated, James G. Warren, a patron of music from Los Angeles, who has personally presented the trophies to winners of both the men's and women's glee clubs in the past, will again present silver loving cups to this year's winners. Mr. Warren will be accompanied by his wife and his daughter, Miss Eleanor Warren, the composer of one of the contest numbers.

The men's glee club of Santa Barbara State college will participate in the contest for the first time, although the women's glee club has entered three times. The State college men's glee club will sing "Adoremus Te" besides one of the two numbers selected for the

### Talk Given at Church by C. L. Phelps

"The Problems of Young People" was the subject of a talk given by President Clarence L. Phelps at the First Methodist Episcopal church last Sunday evening, March 30.

In his address President Phelps stressed the idea that youth is being held down by the lack of funds for educational purposes.

The State College Women's Glee club, under the direction of Mrs. Helen M. Barnett, sang three numbers: "Song on May Morning," by Warren; "Cossack Cradle Song," by Gaines; and "Emite Spiritum Tuum," by Schuetky.

Richard Jackson lead the scripture reading, while Evelyn Steiner lead the congregation in the evening prayer. Both are members of this college.

### International Artist Will Visit School

Invited to this college by the English department, Miss Gene Ross, internationally-known silhouette artist, will speak on the topic "Round the World on a Pair of Scissors," April 11, at 4 p.m. in the Women's club room.

Miss Ross, who recently gave an exhibition at El Encanto hotel, is planning a trip around the world. The artist left Hollywood some time ago with only a car full of gasoline and a pair of scissors. She took no money with her on the trip. Arriving in Santa Barbara during the Fiesta, she remained here until after the three days' celebration, after which she went to Sacramento where she was welcomed royally. After doing the silhouette of the late Governor Rolph, she continued on her tour around the United States. While in Washington, D. C., she made silhouette of President Roosevelt and many other noted government officials. After leaving the United States, she took a trip up into Canada. She will continue this work in Europe sometime in the near future.

During her lecture, Miss Ross will show several silhouette portraits on the screen, which will be of important people.

Invited guests to hear and see Miss Ross will be art students and members of the college faculty. Refreshments will be served following the talk.

### F. Osborn Returns From Trip Abroad

Fred Osborn, a student here last semester, returned home last Friday from a cruise on the ship S.S. Mariposa which took him to Australia. During the course of the trip he acted in the capacity of ship's bugler.

His itinerary included the Hawaiian Islands, Somoan Islands, Fiji Islands, Australia, Tasmania and back to the United States. On the way back several members of the recent Byrd expedition were taken aboard to work their way home. Fred was lucky enough to have one of the officers of the expedition as a room mate, from whom he received much interesting information.

He plans to take another trip on the same boat over the same route after which he will start around the world cruise on the Dollar the world on the Dollar liner President Hayes. This cruise will start on the west coast. From there they will sail through the Panama Canal and eventually to the Mediterranean Sea. On the way back Osborn plans to stop off in South America, where he will remain for several months.

### Mr. Cheever Talks to Art Spectators

Mr. Walter Cheever met about 24 interested spectators at the Faulkner gallery Sunday, March 31, and discussed with them the valuable points in the present exhibit on early American art.

### El Gauchito Ties for Pennant

Harder's Team Has High Batting Average

Ike Kahn Tops List

Crucial Game Played at Cabrillo Field Saturday

By ROBERT MOORE

Playing for the title of undisputed leaders in the Southern conference and making their initial bid for the championship pennant, Coach "Spud" Harder's Gauchos nine will take on the strong Occidental Tigers this Saturday at Cabrillo field, in an effort to cop the top place in the conference race.

Both the Gauchos and the Oxy Tigers are now tied for first place in the league, each team having won two games and lost one. In an early season encounter the Staters dropped a game to La Verne but because an ineligible player was used by La Verne the game was forfeited to Santa Barbara. In another conference game the Harder-men were defeated by Rdlands but as yet the Oxy men have not had occasion to meet the Bulldogs.

#### Only Defeat

Occidental's only defeat was suffered at the hands of Whittier who beat them by a score of 4 to 1, but Santa Barbara administered a stinging 11 to 2 drubbing to the Quakers which according to all indications should give them a slight edge over the Tigers, although it cannot safely be predicted as to who will come out on top.

#### Best Batter

Ike Kahn, diminutive all around man, is the hardest hitter on the team with an average of .400. "Bort" Bortolozzo, pitcher, runs a close second with .375 points, and if he keeps it up should soon hit the 400 mark. "Mert" Miller who alternates between pitching and the first sack duties bats them out for a .357 average, and Rezy Rezonico, flashy Gauchito plate man follows close behind with .353 points. Don Fisher another mound artist who sometimes occupies first base, shares a .333 score with Shirley Keith, one of "Spud's" team ace outfielders. All other members on the team hit between .182 and .333. This is the first time a green and white nine have advanced up the ladder as far as they have and if they play heads up ball they should come out on top.

Invited guests to hear and see Miss Ross will be art students and members of the college faculty. Refreshments will be served following the talk.

## Music Department

One of its factions that Santa Barbara State is proudest of is the music department. Although housed in somewhat run-down quarters and limited in faculty and funds, it is a department which is constantly heard from and one which brings much credit to the school.

Their outstanding annual achievement is the sponsoring of the All Southern California College Symphony orchestra. Under the leadership of Henry Eichheim, student musicians from the entire southland give a creditable performance.

The annual goodwill tour of the band and male chorus brings much favorable publicity to the college. The band also represents Santa Barbara at large in the annual Tournament of Roses on each successive New Year's day. Many other appearances at football games and rallies and different types of programs are made yearly by this group of loyal students.

For several years the women's glee club has entered the annual western division of the college glee club association. They also give many other appearances during the year, at churches, club meetings and on radio programs.

This year, as hostess school for the glee club concert, Santa Barbara's music department has assumed an added responsibility. We know, from past experiences, that the members of the department, both faculty and student, are capable of doing a fine job in entertaining the visiting musicians and in organizing the concert.

To the delegates participating in the affair this week-end, we extend cordial greetings, accompanied by the sincere wish that they enjoy themselves and that their stay will be profitable.

## We Lower the Flag

Not so many weeks ago we maintained, in the editorial columns of El Gaucho, that students at State were adults, not junior high school children, and should be treated as such. We were criticized for defending our mental reputations, so to speak, on the grounds that many of us were junior high school children and the rest of us acted as though we were. In view of certain incidents that have been brought to our attention, we ring down our colors.

But only to a little above half mast, because we believe that, while some of us have childish outlooks in regard to certain things, that group does not represent the majority of students on this campus.

Last week when the college band and male chorus gave a program in the student body assembly there were constant disturbances, perpetrated, it is rumored, by a group of freshmen. May we point out to those who insist on spoiling the pleasure of their neighbors in the assembly that the administration has made allowances for students who do not wish to attend student body meetings. It is a college rule that the penalty for not going to auditorium meetings is the deduction of one grade point, but there is neither criticism nor comment if a student chooses to take the slight penalty rather than attend the meetings. It is our belief that those students, who are not interested in the assemblies and who have no intention of being courteous and mannerly, should stay away and accept the penalty.

At the dance a week ago last Saturday night some over-jealous farmers conceived the idea of distributing the hay, used for decorative purposes, over the floor. Not only was this little deed responsible for much annoyance to the dancers, but it was the cause of a bill, approximately twenty dollars, which must be paid by the social committee. The floor at Rockwood has been refinished since the Farmer's Formals and several drapes have been replaced. Consequently there is a strong probability that there will be one less dance than usual this semester.

The other atrocity is the state of the men's club room, which, we understand, has been bolted and barred. Poker playing and smoking, expressly forbidden in college buildings by State law, and a general disregard for the welfare of the furnishings were the causes of this sudden action.

Are the majority of students on the campus, the great middle class, to submit to the criticism and the withdrawal of privileges that result for such actions on the part of a few? The same few, we are willing to wager, being responsible for all these nefarious deeds? Isn't there something the average students can do about it? Because if there isn't, the faculty will take the situation in hand, attempting to regulate it by their only means, withdrawal of privileges.

## 'Passing the Buck'

A flagrant example of "passing the buck" was introduced on an unsuspecting student council at a special meeting Monday noon in the student body office, with what seemed like a strong desire to have the council swallow the aforementioned "buck" without so much as tasting of it.

It appears that in the late summer of 1931, before school opened, a group of men, former and prospective students of State, decided that an island party would be just the thing for getting in training for the fall semester. The trip was organized and recruits were solicited with the understanding that it would cost each man two dollars, which included transportation and food for a week's stay. Ringleaders in the affair were prominent students of that era, two of them afterwards student body presidents.

Approximate costs for the excursion, according to a report sent to the present council were \$80.00 for the hire of a boat to and from the island; \$14.00 for purchase of utensils; and \$66.19 for food, making a total of \$160.19.

According to the same report, 22 men made the journey, with the result that \$44.00 revenue was collected from this source, and that a deficit of \$116.19 was left. Also according to the report, the men's club donated \$50.00 towards the payment of the \$116.99, thus reducing the deficit to \$66.19. The remaining \$66.19, still unpaid in 1935, is owed to a Santa Barbara market for the purchase of food.

In the short discussion that followed during the 30 minute noon period, several peculiarities were brought to light. The most obvious is that while the bill has been outstanding and held against the student body or parts of it for over four years, no council has ever voted to pay it. Also there are no papers, except the report just compiled by the man whose misfortune it is to have his signature on the market bill, no vouchers for money received, no record of how many actually went on the trip, and no authorization from the student body office for the purchase of the food. In fact the only document that carries with it the weight of authenticity is the bill for \$66.19.

Also there seems to be a variance of opinion as to whether or not the school, and in particular the men's athletic department, was connected with the excursion. Coach Hal Davis says no; the report says yes.

Such is the history of the case to date and as presented to the 1935 student body council. A motion to pay the bill immediately from the student body surplus fund was made, seconded and voted upon. After a somewhat half-hearted vote and a revoke, by which time some of the council members were on their way to their six period classes, the motion was voted down. It was suggested that more definite information be obtained and presented to the council at a future date, when the "buck passing" will be ended.

It is the desire of the present council to quit "passing the buck," to settle the affair in the very near future. There is little doubt that the bill is legitimate in that the merchandise was received and consumed. There is a great deal of doubt as to who actually owes the bill.

There are certain questions that we believe should be brought before the council and answered to the satisfaction of all, however, before the settling-up process is completed. Among them:

If the bill is a legitimate one against the student body, why didn't the council in power in the fall of 1931 pay it?

Why didn't those in charge of the affair make official reports at the time and why didn't they, knowing that one of their signatures appeared on the bill, see that it was paid?

How many men actually participated in the excursion?

If the Outing club bought the utensils, as is supposed, why doesn't a credit show in the report recently submitted to the council?

Would it or would it not be a bad policy to establish to pay bills incurred without written authorization from the student body? In other words, hasn't the market that accepted the purchase without any official authorization from the student body office, some liability in the affair?

When, where and to whom did the men's club pay the \$50.00?

Does the jurisdiction of the student body extend to summer affairs, or is it valid only during the school term?

Is there, after all, an undiscovered Ethiopian concealed in the gas house?

A man would rather say evil of himself than say nothing.—Rochefort could.

contest, "Morning Hymn" by Henschel and "Requiem" by Brahms are the numbers rehearsed for the men's glee clubs.

The women's glee clubs will sing "Emite Spiritum" by Schuetky, or "Song on a May Morning" by Eleanor Warren.

In addition each college will sing a second song. There will be unison songs by the five women's and the five men's glee clubs at the close of the program.

The three hundred songsters will banquet at El Paseo at 6 p.m. Entertainment during the banquet will be furnished by the San Diego State college women's quartet consisting of June Bowles, first soprano; Catherine Center, second soprano; Gertrude Tyler, first alto and Lois Franklin, second alto. Leonora Jenkins, concert mistress at three different symphony concerts here, will accompany the quartet.

After the contest a reception will be held in Ebbets hall, under the sponsorship of the Associated Women students. There will be informal dancing to Fred Lambourne's orchestra.

Officers of the Pacific Southwestern Intercollegiate Glee Club association are Fred Biedleman, director of the San Diego men's glee club; president; Mrs. Helen M. Barnett, director of the Santa Barbara State college women's glee club, vice-president; and Miss Deborah Smith, glee club director at San Diego State college.

Directors of the glee clubs who will attend are Miss Deborah Smith, head of the music department, and Fred Biedleman, San Diego State college; W. P. Olds, University of Redlands; Ralph Lyman, Pomona college; Cyril Swan, Occidental college; and Mrs. Helen M. Barnett and Clifford Leedy, Santa Barbara State college.

The student committee, working with the directors, consists of Lois Jo McPheeters, manager of the women's glee club; Allan Lambourne, student director of the men's glee club; and Harold De Jonge, manager of the men's glee club.

Institutions affiliated with the Pacific Southwestern Glee Club association not competing this year are the California Institute of Technology, Chapman college, University of Arizona, University of California at Los Angeles, Whittier college and the University of Southern California.

## Players Club Sells Lobero Season Books

Season tickets are being sold for 50 cents by members of the Players' club of Santa Barbara. Four or five plays will be produced during the coming season, which opens next month.

The drive for ticket sales began yesterday and will extend over a two weeks' period. The Lobero players must have assurance of backing through subscriptions for season tickets if they continue production.

"I feel that any fair means employed in keeping the Lobero theater open is both necessary and advisable since it meets the need of a certain group of young people in Santa Barbara who otherwise would not have the opportunity to develop their talents," said Mrs. Jane Miller Abraham, president of the Players' club, concerning the intensive drive.

## Important Announcements

There will be a meeting of the Roadrunner Revue staff at 8 o'clock Wednesday night. All members are required to be there.

Senior breakfast will be held Friday morning, April 5 at 7 a.m. in Ebbets hall. The meeting is very important as senior business will be discussed, according to Marten Verhoeven, president of the senior class.

The cast for "Death Takes a Holiday" will hold a rehearsal Thursday night in the auditorium at 7:30 o'clock.

Students of the college are invited to attend a showing of movies of Mexico by Mr. and Mrs. Roscoe Lyons, at the Baptist church, Friday evening, April 5, at 8 o'clock. A silver offering will be taken.

## Dr. Ganzert Speaks on Foreign Affairs

Dr. Frederic L. Ganzert spoke to the International Relations club on "Germany and the Attitude of Other Nations Toward Hitler," at the State college last night.

Dr. Ganzert discussed the attitude of France, England, and Russia toward the recent action taken by Germany in openly declaring to disregard the League of Nations and re-arm their military forces.

## Mrs. Croswell Demonstrates Tile Making

Mrs. Mary E. T. Croswell, chairman of the art department, gave a demonstration on making, glazing and firing tile to a group of students of Mr. R. L. Soules of the industrial education department last Wednesday in the art craft room.

Different clays, their uses, where they come from and where they were purchased, were discussed. Mrs. Croswell showed the differences between studio and commercial tiles.

The demonstration was illustrated with tiles made by students of the art department and also tiles from commercial houses. A little of the history of the art of tile making was given, from Egypt through Persia and Assyria.

The group was also shown the kiln and how it is stacked and fired.

Another demonstration was given by Mrs. Croswell in the weaving room Thursday, March 28, for Charles Holden, practice teacher of the elementary department at Jefferson school, and his students.

Next fall the art department will offer a one unit course in tile making in collaboration with a three unit course in pottery. The one unit may be taken separately.

heartbreaker, and never will be a heartbreaker. I yam what I yam, (but I'm sure a demon at parlor exercises!)"

Frank Gilmore, the forgotten man, and Dick Brothers were rushing Sammy Davis last Friday afternoon. Knowing that the varsity baseball team was out of town, they thought they might rate. Sammy didn't look particularly enthusiastic. Maybe it's 'cause her nose is all red from a cold!

"Donk" Hart, the crooner, was walking around school with a Biltmore Hotel towel. Where didja get it, Donald?

Where's Margie Nielson these days? Terraplaning around the country? It'd be sorta nice to see you around once in a while, Marge! — Mary Alice Halferty? Where's she been — or is she "W.T.D.ing"

# GAUCHO CAB

By BILL HOYT

At last Los Gauchos are learning how to use their Bolo (or whatever it is that the Pampas beef wrestler uses); for Staters in one big splurge last week-end won two track meets here on the home battle grounds at Phelps field and the wandering rope throwers branded Whittier in the South.

In downing the Poets, the State horsehiders played the best brand of baseball that the Southern Conference has yet seen. No star could be chosen for his outstanding hitting or his outstanding fielding, each player exhibited one hundred per cent baseball. "Mert" Miller was in his prime last Saturday chucking probably the best ball in his collegiate career, and "Rezy" Rezzonico the other half of the battery pulled the most spectacular stunt of the fracas when he poled out a homer with two men on, netting a total of three runs that started the land slide.

As per schedule Los Gauchos turned out the victors of the three way meet. But it wasn't just as easy as that. Several times it looked bad for green and white, for instance, when Rolly McDonald took a spill in that decisive race the two mile. Rolly wasn't to be outdone though even if he was racing the best the conference had to offer, he got up—stuck to the heels of his opponent—and in the final lap put on a determined sprint and gained the laurel wreath.

Big Joe Nightingale deserves a lot of credit too for his double win in the century and the furlong. Joe's times aren't good enough to take the conference meet, but with that guy's competitive spirit he's a cinch to place in one or both of the sprints. Larry Bowls will be one to watch in the conference meet as at the present he holds the best time in the 440 yard dash of all the one lap men in the southern schools. Then too, there's always "Tiny" McCollough with his mighty

# VARSIITY CINDERMEN IN CRUCIAL MEET

## Strong Bull Dog Outfit Faces State

Winner Gains Third Place in Conference

After pasting the Whittier and La Verne squads last week, Captain "Tiny" McCollough and his boys will attempt to climb another notch in the conference track and field standings this Saturday when they tackle a powerful Redlands team on the local field.

Redlands nosed out Whittier by one point a couple of weeks ago, so the fracas should be close, so close, in fact, that a single break may swing the final result either way. The meet will find the Gauchos cinder artists attempting to climax their push upward this year by finishing third in the dual meet ratings. San Diego State and Occidental having already clinched the first two places.

Joe Nightingale, who has thundered down the 100 and 220 stretches for a double victory in each of the last two meets, will receive the well-known acid test when he tackles Case, the Bulldog Bullet. Case toured the century in 9.9 and the furlong in 22.1 last week to cop both races against San Diego State. Redlands will also sport one of the best quarter-milers in the conference in Lange, who will extend Santa Barbara's Larry Bowls to the limit in this race.

After successfully meeting one of his main threats for conference disarm to toss the shot out for a first, and "Honker" Lee to heave the javelin out of sight.

No baloney! State is on the upgrade for a change. It's been a long time since anybody has been able to say anything like that and really mean it. Maybe it's too early to crow yet, but the odds are in favor and they are not to be sneezed at. It all depends now on those same fellows that have started the ball rolling to stay behind it and not—never let up. It's a battle from now till the end of the year.

## GAUCHOS WALLOP WHITTIER POETS IN LEAGUE GAME

Making a round total of 14 hits and 11 runs, the Santa Barbara State Gauchos poured it thick and heavy on the Whittier baseball nine to efficiently make up for the 1934 football and 1935 basketball defeats administered to them by the strong Poets. The game was played last Saturday afternoon in the southern city.

Pitcher Mert Miller stole the show by limiting the Poets to five hits, two of which were decidedly scratchy. For the first three innings only nine men opposed him, and up until the seventh inning the score was no hits and no runs. With a heavy run lead, Miller eased off and pitched easily for the certain victory. Miller also collected two hits as his contribution to the Gauchos scoring.

The game was never in doubt with the Gauchos bombarding every pitcher the Poets used. Ike Kahn started things rolling with a hit off the first ball from the first Whittier pitcher. Joe Robinson followed with a safety, and Lebeck came through with a hit to retire the pitcher.

Kahn and Keith led the batting with three hits from five times at bat. Kahn is now leading the conference in batting averages.

tant run honors in Baker of Whittier last week, Roland McDonald, undefeated State ace, will face more serious opposition Saturday from Burns, Redlands' best miler. Another Bulldog troublemaker promises to be Johnson, whom Gauchos football fans remember as a hard-hitting fullback. Johnson looks a few feet better than Elmer Lee of the Gauchos in the javelin throw, and will also be a menace in the shot put. He should bow in the latter event however to the mighty Scot from Santa Barbara, Captain McCollough. "Toby" Holcomb in the pole vault, and one of the McCollough brothers in the discus also stand an excellent chance to break into the win column for State.

Leonard Dorn, one of Coach Carter's fast-developing sophomores, may cop a place in the mile, while Elwood Gorman, another sophomore, will be a threat in the shot, javelin and high jump.

## Campus Coffee Cup Capers

Undoubtedly the highlight of the Interfraternity formal was the arrival of Bruce Heltman, the Carpinteria playboy. He wore a derby, a smile and an eight-inch cigar, carrying stick and gloves. Speaking of the Formal, we observe many interesting couples. For instance: The revival of the Kerrigan-Keppel affair after laying dormant these many moons. Reid Prince and "Peachy" Stuart were too cute for words. Powell "Porky" Freeman and Jan "Ham" Hamilton look nicely together, don't they?

For one who probes into the private lives of the unwary campus romanticists, Herman "Jo-Jo" Gumpertz does all right himself. (s fair warning, Holman!)

While we are on the subject of love, how does Jimmy "Casanova" Lebeck escape the prying eye of the press? We don't blame the girls for steering clear of "Goldy" Goldsmith (full-blooded Irishman), for we hear he has taken to practicing in company his lines as "Death" in "Death Takes a Holiday," now in rehearsal. The only girl who really "understands" our fair-haired boy is Peggy Pope—his leading lady. Try a hamburger supreme daily!

## CHAMPS OR CHUMPS?

Although State has the best chance of winning the Southern Conference Baseball championship that it has ever had, and the crucial game with Oxy is but three days off, "Skeeter" Voorhies, Shirley Keith, "Sleepy" Morris, Harold Sanderson and Hi Stanley failed to report for practice last night.

The Gauchos are tied with Occidental for first place and the game Saturday will undoubtedly decide the league championship. With this in mind, what logical excuse can be offered in defense of this negligence? Can it be that these fellows consider the game already won or is it plain laziness?

"Spud" Harder has spent long hours in preparing his baseball team for the league race, and it appears that on the very week that success is in sight, his hopes are to be smashed. How could any group of MEN representing any school throw away such a chance to pull their team out of the cellar of the conference and give the school and their coach the honor that they deserve?

Sports on this campus are on the upgrade but unless they continue to climb, little support, financial and otherwise, can be expected from the student body.

## FROSH TIE, LOSE IN WEEK'S GAMES

In a loosely played game the Gauchos babes dropped a 9 to 4 seven inning game to the Ventura J. C. nine yesterday on Cabrillo field. Last Friday the Yearlings battled the Black Foxe horsehiders to a 10 to 10 tie after 10 innings of hard playing.

Ventura hit "Spider" Murray quite freely for the first three innings of the game yesterday before he was retired in favor of Clemens who finished out the game. Although Murray was quite nervous he looked like he might have possibilities of becoming a good chucker considering this was the first time he had ever been in the box for a regular game.

Both games showed a decided need of improvement in the fielding of the frosh infield.

Erhard saved his own game against Black Foxe when he poked out a single with three on in the ninth inning and advanced to third base on an error scoring three runs and tying the score. He also pitched good ball throughout the game but received poor support.

## FRESHMAN NINE PLAYS SAN LUIS

Still trying to get their eye on the ball, Coach Bud Cummings freshmen baseball team will clash with the strong Taft Junior college nine either this coming Friday or Saturday at Cabrillo field.

So far this year the Freshmen have dropped only two games, one to Ventura and one to Santa Monica. Both of these games were lost mainly because of poor fielding and not because of lack of mound ability, although in each of these games the Freshies did not start hitting until it was too late to do them any good.

Not much is known about the Taft diamond men although they also seem to have trouble in their field work. In a game against the Cal-Poly Mustangs they scored 12 runs against the three made by the Mustangs and these three were the result of poor fielding. Harrah and Lockwood are slated to bear the brunt of the pitching duties for the J. C. men.

Shires Earhardt and Spud Pollock are expected to take over the battery for the Staters while the balance of the line-up has been tentatively selected as follows: Niebur, first base, Murray, second base; Luse, shortstop; Fosdick, third, and Langlo, Yonada and Smith in the outfield.

## HARDERMEN LOSE TWO ENCOUNTERS

Coming up against high class competition the Santa Barbara State Gauchos dropped two non-conference games to the San Jose State and Chapman college nine on Wednesday and Friday, respectively of last week.

The San Jose horsehiders outthit the locals by an 8-7 score, but pushed across six runs in the fifth inning to swamp the Staters by an 8-2 score. Olson, Spartan pitcher, had the Gauchos under control at all times.

Friday the Gauchos entrained to Los Angeles and took on the Chapman nine in another non-conference game. They outthit their opponents, but errors lost the game by a 4-3 count. Julio Bortolazzo started as pitcher and Don Fisher finished the game. The Southerners nicked "Bort" for their four run total, but were unable to score against Fisher. "Swede" Keith led the batting attack with three singles in four trips to the plate.

## FROSH TRACKMEN SWAMP WHITTIER BABES 77 TO 49

The Gauchos yearlings added insult to injury by drubbing the Whittier freshmen track team 77 to 49 last Saturday in conjunction with the varsity meet on Phelps field.

The Gauchitos presented a well rounded team and should give their opponents plenty of trouble in the all-conference meet to be held next week.

**FROSH MEET CAL-POLY**

Santa Barbara State's first frosh track and field team, which is proving itself one of the mightiest yearling outfits in the conference, will travel to San Louis Obispo this Saturday to meet the Cal-Poly Mustangs. The meet was scheduled for two weeks ago, but was postponed because of rain.

The frosh are unbeaten and should not have their record spoiled this week, although if the Staters should fall into a slump, the northerners are just powerful enough to pull an upset.

## State Wins Two League Trackmeets

McDonald, Bowls Break School Records

Dame hard-luck, who has hounded State college track teams for years, stepped out of the picture for a couple of hours last Saturday and Coach Nick Carter's Gauchos scored a double win over Whittier and La Verne on Phelps field in Mission canyon.

Although Whittier scored more points than Santa Barbara in the triangle meet, the dual meet scoring gave Santa Barbara the edge over both schools. State scored 68 points to Whittier's 61 and defeated La Verne 89 to 44.

The big thrill of the afternoon was the two mile. Roland McDonald, Gauchos distance ace ran into a tough break on the sixth lap when he slipped on a soft spot at the end of the first turn and fell. He got up however, and over came a 25 yard lead and sprinted it out with Baker, Whittier's favorite, to win in 10 minutes 28.5 seconds, a new school record. McDonald had previously placed first in the 880.

One of the upsets of the meet occurred in the 440 when Larry Bowls sprinted home in 50.8 seconds six yards ahead of Tebbis of Whittier, who was slated to win easily.

Joe Nightingale, Gauchos sprinter nabbed both dashes and ran a lap on the winning relay team for high point honors for the day.

Summary of complete results:  
100yard dash—Nightingale (SB), first; Kendle (W), second; Hutchison (W), third; Bowen (SB), fourth. Time 10.2 sec.

880-yard run—McDonald (SB), first; Myer (L), second; Jackson (SB), third; Perry (W) and Robinson (W), tier for fourth. Time 2 min. 5.5 sec.

High jump—Tebbs (W), first; Gorman (SB), second; Garber (SB) and Rygh (SB) tied for third. Height 5 ft. 11 in.

Pole vault—Lehman (L), first; Holcomb (SB), second; Hilton (L).

## Socialites of Campus Dance at Montecito

As successful a co-operative affair as has been put on this year was held Saturday evening when the combined fraternities gave a formal dance at the Montecito Country club, according to "Bun" O'Reilly, president of the Sigma Alpha Kappa.

Fred Lambourne's orchestra furnished music for the dancing, which began at 9 o'clock and ended at 1 o'clock.

The student committee consisted of the presidents of the three fraternities, James Coultas of Tau Omega, Bernard O'Reilly of Sigma Alpha Kappa and Bill Hoyt of Beta Sigma Chi.

Patrons and patronesses were Dr. and Mrs. William Ashworth and Doctor Charles Pruess.

"The purpose of the dance, to promote a generally better feeling between fraternities and to show what can be done on the campus when organizations unite plans, was realized fully," said Mr. O'Reilly. Each fraternity was well represented and many alumni turned out.

## Two Departments Combine at Picnic

Final arrangements for a picnic to be held in conjunction with the junior high department were made by members of the elementary department at their regular meeting held last Tuesday morning.

Paradise camp is the site selected for the picnic, which will be held this coming Sunday, April 7. The outing club cabin has been secured for the occasion and will be open to all those attending. Sandwiches, coffee and salad will be furnished free of charge by the department to all members who have paid their semester dues.

The home of Mrs. Fred Schauer was the setting of a tea, announcing the engagement of Evelyn Eaves, former student of State, to Vincent Scott, son of Mr. and Mrs. James Scott of Los Angeles.

## Sororities End Pledging Weeks with Hell Night and Initiation

Campus sororities terminated five weeks of pledging with "hell night" on Friday evening and formal initiation Sunday afternoon.

Phi Kappa Gamma initiated its pledges at the home of Mr. and Mrs. Fred Allred on Montgomery street. Pledges were Janet Hilton, Mary Wilson, Mildred Byers, Carolyn Sa-ruer and Katherine Gross. Following the formal ceremonies, the members attended a dinner at El Mirasol hotel and went to the Granada theater to see "Biography of a Bachelor Girl."

On "hell night" the pledges gave a musical comedy, "Antics of the Sea," which is given every year on that evening.

Initiation for Tau Gamma Sigma pledges took place at Mrs. Helen M. Barnett's home on Nopal street. Those inducted were Frances and Alice Hoelscher, Elizabeth Denman, Jeannette Banks, Charlotte Naess, Louise Jackson, Eleanor and Margaret Mellinger, Charlotte Pilling, Margaret Pope and Jeanne Wood. After the meeting supper was served.

The national sorority, Delta Sigma Epsilon, initiated pledges at the Masonic temple, and later entertained the new members and alumnae with a formal dinner at El Encanto. Jimmy Campiglia's orchestra furnished entertainment in the lounge.

Pledges initiated were Catherine

Cadwell, Evelyn Bramen, Thelma George, Frances Kenney, Margaret Laing, Betty McClain, Myrtle Lee Neff, Florence Roddick and Dorothy Soules. Mrs. Margaret Bennett is the sponsor.

Delta Zeta Deltas held initiation ceremonies at the home of Mr. and Mrs. Kenneth Thompson on Lago drive. Following the initiation members and alumnae were entertained at a dinner at El Paseo.

Initiates are Kay Case, Margaret Eastwood, Miriam Alexander, Ellen Roe, Ruth Hilty, Miriam Hendy, Frances Morris, Betty Smith, Ann Covell, Louise Holden, Constance Allen and Jean Townsend.

Areta Gamman pledges were inducted in the Blue room of the Presbyterian church. Those initiated were Mary Dudley, Dorothy Clark, Jean Henderson and Venetta Eastlack. A buffet supper was served later at the home of Mildred Rhors and Ruth Brubaker.

Gamma Delta Chi pledges initiated were Louise Dalton, Mildred Davis, Edna Brown, Bernice Baker, Edna Forbes, Alice Hilgren, Doratha Prescott, Helen Rodgers, Betty Wishard and Agnes Smith.

Alpha Theta Chi sorority initiated their pledges at the home of Margaret Walker on Moreno road. Following the ceremonies those present were entertained at the Plantation restaurant.

## I.E.'s Entertain Guests at Picnic

A baseball game between the A.M.'s and P.M.'s, umpired by Mr. Roy L. Soules, featured the Industrial Education picnic Saturday, March 31, at Paradise Camp. The A.M.'s were victorious, 26 to 6.

Coffee and ice cream were served by the social committee at the Outing Club cabin, and after lunch the guests adjourned to Paradise Camp. Games and races were enjoyed.

About twenty guests were present. Invitations were extended to all members of the department and their guests.

Source, Stella Mae Smith, Genevieve Hamilton, Margaret Duncan, Myrna Jullien, Margaret Wood, Virginia Biller, Bettie Walker, Marie Persons, Blanche Steward and Jean Dooley were initiated.

## A. W. S. Chooses Student Heads for Spring Tea

Preliminary arrangements have been begun in preparation for the annual A.W.S. spring tea to be given May 4 in Ebbets hall, according to Julia Lynch, general chairman of the affair. All State women, their mothers and house mothers, faculty members and husbands and wives, and several prominent townspeople are invited to the tea.

Student committee chairmen are Ruth Brubaker, food committee; Wilma Keisner, invitations; Georgia Lyons, corsages; Betty Hopkins, properties; Ann Seymour, table service; Betty Roulston, decorations; Jeanne Wood, publicity; Jean McNally, serving; Frances McKinney, clean up; and Sheila Davidson, program.

## There's something about a Chesterfield —

*There's one thing I especially like about Chesterfields—entirely aside from the fact that it's a milder cigarette—and I've heard a number of people say the same thing ... While I'm smoking Chesterfield I*

*never get little crumbs of tobacco in my mouth—the tobacco doesn't spill out and that adds a lot to my pleasure of smoking them ... I notice more and more of my friends smoke Chesterfields.*

*Chesterfields are Milder Chesterfields Taste Better*
