Calling all men, mice and
chihuahuas!

All men mice and chihuahuas will report to the West Beach this afternoon for the annual Hobo Brawl where games, eats, and prizes will bring to a close the Whiskerino, which has been in mode for the last month.

Chief feature of the afternoon will be the awarding of the beard-growing prizes. The prizes will be for the heaviest, the longest, the best colored, and the best trimmed beards. Judges will include Fred Allred, Capt. Paul Jones, Spud Harder and Harrington Wells. Twenty-five dollars in cash will be awarded.

Under the guidance of Dave Pollock and Danny D'Alfonso, officers of the Men's club, a beach supper will be served, including pop, milk, ice cream, beans, and French bread.

Seniors Give Class Program Tuesday

Senior class day, under the direction of Dorothy Taylor, will be held next Tuesday, May 18, on the campus.

An assembly featuring a 14 piece orchestra and selections by the Senior Glee club chorus will be held second hour in the auditorium, with all students invited to attend.

Following the program, the student body is invited to gather on the gym lawn for the unveiling of the Senior gift.

"A Night in Harlem" will be the keynote of a dinner-dance to be held in the cafeteria Tuesday night. Olive DeMotte will chairman the breakfast and dinner committee; Melvin English will act as master of ceremonies in assembly; and Kaye Grow will take charge of the Senior gift.

Over the Fence

By JACK SALYER

BUDDIES AGAIN

Handsome Adolf will try to sell Mussolini on the idea of a German and Austrian alignment which Mussolini has so vigorously and cruelly prevented in the past. Hitler considers the Austrians good Aryans and therefore German citizens. Also, it would be quite handy for trade to flow freely between the two countries and it would not do France any good for Germany to bolster Austria up to the altitude of a first rate power. The trouble is it wouldn't do Italy any good either, but since the two are thick as thieves they may come to an agreement. If so, it will be a diplomatic victory for Hitler.

FARLEY AND HOOVER

Although Hoover will never take to the hustings again, he remains America's number one Republican, despite Alf Landon's pretense to the honor, and he and Farley attended a dinner together. They were separated by a clergyman, at the dinner table. An enterprising photographer took a picture of them, much to Hoover's apparent disgust, as he turned his back on the unhappy Farley who was talking.

Dave Pollock

Dave Pollock, president of the Men's club, who will act as head of the annual Hobo Brawl, being held this afternoon at West beach.

Women Install Officers

Play Precedes Ceremonies
with Ann Seymour
Presiding

Installation of officers featured the meeting of the Associated Women students yesterday, second hour, in the auditorium. Miriam Turton officially took her position as next year's president.

Barbara Bennett was installed as first vice-president; with Barbara Hoose as second vice-president; Pauline Michael as secretary; Dorothy Cameron as treasurer; Frances Hoelscher as counselor; and Rena Sacconaghi as W.A.A. representative to the A.W.S. board.

Ann Seymour, retiring president of the organization, conducted the meeting. A one-act play, "Wrong Number," was presented with Mary Alice Halferty, Marjorie Davison and Betty Card in the cast. Eunice Lynn and Viola Merony sang a medley of numbers.

This year's A.W.S. officers include Pat Ireland, first vice-president; Louise Jackson, second vice-president; Miriam Turton, secretary; Frances Hoelscher, treasurer; Geraldine Fitzgerald, counselor; and Nancye Clapp, W.A.A. representative.

The meeting was the last official gathering of the group, which climaxed its social season last Sunday with the annual tea, honoring mothers and housemothers of women students.

Estudiantina Plays Host to 400

Seven Hundred Join for
Beach Supper After
Dance, Playday

Registration reports from Estudiantina showed that well over 400 students from twelve schools including Santa Barbara high, Carpinteria high, Lompoc high, Santa Paula high, Santa Ynez high, San Luis Obispo high, South Pasadena, Los Angeles Junior college, Compton Junior college, Wasco high, and Bakersfield high were guests of the college at the annual playday.

Rena Sacconaghi, heading the beach barbecue division, reported that almost 700 people were served at the picnic tables at West beach.

The play-day was the third to be sponsored by State college and was participated in by almost twice as many visitors as in either of the two previous, and is said to be the most successful yet.

With Larry Butler and the Cummings and Powell dance featuring the opening assembly, under the direction of Bill Hoyt, of high school and college students, the day's activities included a tour of the campus and an informal hop at Rockwood with Fred Lambourne's Collegians providing music. Those choosing a beach afternoon gathered behind the breakwater for swimming races and relays. Herman Smith, of Santa Barbara high school, won the men's swimming dash and was awarded a State banner at the closing bonfire.

At 5:30 o'clock, all beach enthusiasts and those dancing at Rockwood gathered for a barbecue picnic and bonfire which closed the day's program.

News Flash

ISLAND TRIP

Santa Barbara State students will be the guests of Mr. E. Stanton, new owner of Santa Cruz Island, on their annual trek to the islands, May 29-31, according to a letter received from Mr. Stanton. The only stipulations are that there are to be no firearms and open fires must be guarded closely. It is expected that the group will make the trip in Captain Bill Clark's new "Norconian," which makes the trip in one hour and 20 minutes, lowering the possibilities of "seasickness." The college will be one of the first groups permitted to stay on the island.

Mrs. Helen Barnett

Mrs. Helen M. Barnett, head of the Music department and director of the Women's Glee club, will lead a concert of the Men's and Women's Glee clubs tomorrow night in the auditorium.

Election Places Monson,
Riparetti and
Stockill

Doug Oldershaw, junior student and outstanding football star, was chosen to fill the position of president of the Men's club for the coming year, at a meeting of that organization yesterday morning.

Those elected to office with Oldershaw include Jim Monson, vice-president; Perfie Riparetti, secretary-treasurer; and Joe Stockill, social chairman. Other men running for Men's club position were Harry Sloan, Clarence Lair, Harry Nethery and Lansing Stewart.

Pollock Presides

Business of the meeting, presided over by Dave Pollock, retiring president, featured the presentation of plans for the Hobo Brawl today, the allotment of funds to the Gavel and Key for a scholarship award, and the announcement by John Twaddell, president of the Block "S" society, of the formation of a local chapter of the national honorary athletic fraternity, Sigma Delta Psi.

Installation of the new officers will take place at the next regular meeting of the club.

Glee Clubs Gather in Concert

BARNETT DIRECTS

Numbers Include Dances,
Songs, Piano Solos
By Students

More than 50 student-members of the Men's and Women's Glee club to be given in the auditorium tomorrow evening at 8:30 p.m.

This is the first time for several years that the clubs have given a home concert, and a varied and interesting program has been prepared, according to Mrs. Helen M. Barnett, head of the Music department. Mrs. Barnett, with Mr. John W. McAllister, director of the Men's Glee club, assisting, will direct the concert. All students and friends are invited to attend. A charge of 25 cents will be made.

The program for the evening opens with three numbers by the Women's Glee club including "With Revels and Wassails," Woodman, "Ashes of Roses," Gaul, and "Sweet and Low," by Hawley. Leonard Scofield will sing two baritone solos, "Victoria mia core," Carissimi, and "Give a Man a Horse," by O'Hare. "Love Me Not for Comely Grace," Vene, "The Nightingale," Tchaikowsky, and "The Sleigh" by Kountz will then be sung by the Women's Glee club.

Scharleen Horner will follow with Chopin's "Fantasia Impromptu," a piano solo. In their first selections of the concert, the Men's Glee club will offer "To Arms" by Maunder, "Just a Song at Twilight," Molly-Holcomb, and "Student Logic" by Smith.

Frances Smith will be featured in two soprano solos, "None But the Lonely Heart," Tchaikowsky, and "Morning" by Speaks. She will be followed by two more numbers of the Women's Glee club, "Crying Water," Hamblen, and "Dawn on the Desert," by Bliss.

An interpretative dance under the direction of Elizabeth Sehon, titled "Water Girls," will be done by Irene Baptiste, Virginia Hutchison and Hanna Pelch.

An arrangement of "Londonderry Air" by Mrs. Barnett, Burnham's "Russian Peasant Lullaby" and Protheroe's "Shadow March" by the Women's Glee club is next on the program. A two piano group by Frances Jane Miller and Anita Priest will precede the closing "Italian Street Song" from Naughty Marietta, with Mrs. Barnett and the combined glee clubs.

Block Lettermen Plan Dance

The regular meeting of the Block "S" Society will be held tonight at the Anacapa club at 7:30 p.m. The election of officers for next year will take place.

Plans for the annual Block "S" dance to be held at Tucker's Grove will be discussed. The tentative date for the dance has been set for May 19. The event will be informal. The dance will be open to the members of the society only.

"All men who have ordered pins and have not received them, or those who have not ordered pins, but wish to do so, are requested to see Bob Johnston," stated John Twaddell, president of the organization.

All members of the group are requested to attend this important meeting so that the officers may be elected by the consent of the majority.

Jeff Powell Cuts Teeth on Gun Barrel

State Student Inherits Varied Collection of Firearms

Imagine teething on a gun! Jeff Powell, a Santa Barbara State student, boasts exactly that experience and adds with a convincing note of proof that "it was a double-barreled, 41 Deringer." He does not, however, give the gun credit for his perfect set of teeth, nor does he commit himself as to his mother's reaction to such a procedure. At any rate his contact with firearms obviously came at an early age.

Jeff became vitally interested in guns after his father's death. Mr. Powell, who had been an expert in the field of firearms, left his son a fine collection of implements of warfare which included not only guns, but swords and knives as well. Jeff inherited his father's enthusiasm with his collection. He himself has added a few pieces to the group, which includes guns handed down in the family from father to son for generations. His only explanation for such a continued interest in the field is, "Why, we are Virginians!"

Warning to his subject, Jeff began talking about his collection of 52 guns. They date from pre-revolutionary days and range in size from an elephant gun to a

"22 pepper-box pistol" measuring only four inches. He highly prizes the former because it saw action at Devil's Den, the scene of fiercest fighting in the battle of Gettysburg. It also deserves recognition as one of the few guns in the Civil War equipped with a telescope sight increasing the effective shooting range to well over two miles.

Another choice firearm is a Tell duelling pistol brought by an uncle from Germany after the World War. Jeff recently met the owner of a similar pistol who stated positively that he would not sell the piece, but nevertheless set a value of more than \$1,000 on it. If he had not known it before, Jeff now knew that in case of dire necessity his collection would feed more than just his pride.

Among the guns are many historical relics of pioneer and frontier days. Several of these old pieces have their loading equipment with them consisting of bullet molds, powder-measuring devices and capping tools. One gun is exactly like Daniel Boone's, and who knows but what it was his?

Sometimes Jeff finds the law interfering with his hobby. Guns are not generally considered the

healthiest things to have around, particularly guns that are still good. Therefore, the government has made certain laws concerning the possession of such articles. It was one of these laws that Jeff met face to face when he became owner of a Thompson sub-machine gun, a type much used by underworld characters. Rather than break the law, Jeff gave it up, but he felt quite bad about losing such a colorful addition to his collection.

Collecting alone apparently fails to satisfy this youthful enthusiast, who supplements that phase of his hobby with another, namely pistol shooting. He belongs to the Ontario (California) Police Pistol club, and before coming to Santa Barbara was a member of a team sponsored by the Ontario merchants. This team was never defeated in competition even with police or American Legion teams. After this sweeping statement Jeff modestly added, "Please understand. I'm not bragging. I was the fifth and least important member on the team."

Since coming to Santa Barbara, Jeff has joined the Carpinteria Gun club and shows every evidence of a continued interest in his hobby.

Chalk Up Another

Acting on a superb idea which was brought forth last year, Santa Barbara State college presented again its Estudiantina, a day set aside for the entertainment of high school seniors, junior college students and its own student body members.

The success of the event proved that State is capable of holding its own against the activities of other colleges and universities. With over 400 guests present, the committee in charge maneuvered the plans of the day without a "hitch." An impromptu dance which replaced beach competition due to weather conditions, was a highlight of the day, and served as a mixer, acquainting students of all represented institutions.

Through the aid of the campus guides, a tour made of the campus, proved not only valuable to the guests, but of interest to our own students. Through the valuable assistance of many social organizations, approximately 900 persons were served a barbecue supper at the beach.

Estudiantina, a gold-plated brainstorm of a year ago, has once more been written in the past. The true value of this annual program cannot be fully realized. Of worth, not only as advertising for the college, it provides a method of spring relaxation and mutual benefit for the entire college. One of the big-scale events attempted by State, Estudiantina should never be discontinued. Rather, more affairs of this type should be instituted at the college.

To Leeward

By GNAT

I couldn't write my blither last week. Why? Well, you just try holding your nose while you read Hanley's column.

One of my three readers, (yes, I have three now, Theodora, and I can prove it), broke down and told me about a dentist who was always looking down in the mouth although his daughter was running around with the best set in town. Reminds me of tennis, sets and stuff. Who ever originated the scoring system in tennis must have been left in the lurch or something, to say that love stands for nothing.

Remarkable remarks: The greatest service our deans of men and women perform for students is their strenuous activity in promoting sleep.

Many a student journalist could be put in the class of the rewrite man, who is termed a reporter whose legs have gone back on him.

Orchids to the sophomore at a formal last weekend who, when he discovered that he was standing on his lady friend's train, remarked, "Though I may not have the power to draw an angel from the skies, I have pinned one to

earth." She excused him.

Getting in in the wee hours and raiding the refrigerator brings to mind the poor cannibal who came in at a similar hour, and could only find some cold missionary to appease his appetite. Which is almost as bad as the remark of the African game hunter, "Now don't get in a stew" to some lady tourists whom he was chaperoning about a particular bit of jungle, when same aforementioned cannibals appeared.

Modern nursery rhyme—Heigh diddle diddle, the cat and the fiddle—swing it!

The tragic Hindenburg disaster ought to act as a warning to things so full of gas—as our friend Theodora. We understand from authentic sources that he had a marvelous time "going wild" last night, playing the part of a Hawaiian lover of a mystic mind in a play. If mystic could be spelled slightly differently, like mistake, it would not be far off. As ye sow, so shall ye reap.

And as the fire department says, "The man who plays with fire, will get soaked sooner or later." Let's go swimming.

Student Amendments

In accordance with rules and regulations of the student body constitution, the following amendments are being submitted to members of the student body.

The changes were presented and passed at the last regular meeting of the student council, and will be voted upon at the next assembly session of the entire student body.

BY-LAWS ARTICLE VII

Section 4.—Recall of Awards

At any time the Legislative Council may recall an award because of condition of sweater, such as filth, shabbiness or any other rules set up by the Council. No person but a letter man shall wear an award, or athletic insignia at any time. The Legislative Council may recall an award because of infringement of this rule on the recommendation of the Block "S" Society.

Section 5. Athletic Awards

a. There shall be a uniform style for all Block "S" awards. The Block "S" award shall be a white chenille Block "S" on Duckran black and white felt base, which shall extend past the chenille as a piping of 1/8 inch. Its size shall be 5 1/2 inches long and 4 inches wide and the width of the letter shall be 1 1/2 inches throughout all its parts. The above size is to be used to be placed on regulation sweater coats only. For the blanket award, the letter shall be of plain white felt 12x10 1/2x2 1/4. The first Freshman award shall be the class numerals, of white chenille, size 5 1/2x4x1 1/4 on a light weight pull-over sweater. The second award shall be the class numerals of white chenille, size 7 1/2x6x1 1/4. The Block S shall be placed on the coat sweater on lower left hand side so that the top of "S" will be 14 inches below the shoulder seam. The Block numerals shall be placed on the pull-over sweater so that they are in the upper center of sweater, the top of the numeral to be 3 1/2 inches below the bottom center of crew neck.

b. Football—The Block "S" will be awarded to any man who has played in at least five games in a season and has a total playing time of at least 100 minutes, and has the recommendation of the coach, Intercollegiate Athletic Board and the Legislative Council of the Associated Students.

c. Basketball—The Block "S" will be awarded to any man who has a total playing time to average 12 minutes per intercollegiate basketball game and who has played in at least one half of the total number of scheduled games, and has the recommendation of the Coach, Intercollegiate Athletic Board and the Legislative Council.

d. Baseball—The Block "S" will be awarded to any man, excepting pitchers, who has played in fifty per cent (50%) of the total innings of all intercollegiate baseball games (pitchers who have pitched 1-3 the total innings of all intercollegiate baseball games,) and has recommendation of the Coach, the Intercollegiate Athletic Board and the Legislative Council.

e. Track—(1) The Block "S" will be awarded to any man who has earned 15 points in Intercollegiate track meets and has participated in one half of the total intercollegiate meets, or has won or tied for points in the Southern Conference Meet, or an official meet of the A.A.U. He must have the recommendation of the Coach, the Intercollegiate Athletic Board, and the Legislative Council.

(2) Cross-Country—The Block "S" will be awarded to any man in Cross Country who: 1. Gets first or second in the Conference Meet; 2. If the Santa Barbara State College Team wins first in the Conference Meet, then the first five on the team to finish will be awarded the Block "S"; 3. Any man placing from 3-15 in the Conference Meet will receive five points toward his letter in Track; 4. Any man placing 1-5 in any dual Cross-Country Meet will receive five points toward his letter in Track; 5. He must have the recommendation of the Coach, the Intercollegiate Athletic Board, and the Legislative Council.

f. Sports not mentioned—Any sports not heretofore mentioned which may be added will receive awards according to the requirements which shall be made by the Legislative Council upon the recommendation of the Intercollegiate Athletic Board and the Block "S" Society.

for three full seasons of any sport, or (2) Any man who has been unable to meet the above requirements for sports awards because of some legitimate cause, and who has the recommendation of the Coach, Captain of the sport, and the Intercollegiate Athletic Board, with the approval of the Legislative Council may be given the award of that sport. Only one award to be given under this clause in each sport.

h. Freshman Awards—The qualifications for Freshman awards shall be the same as for Varsity, except that the word "intercollegiate" will not apply to Freshman sport activities.

i. There shall be one and only one award per year to any man who is granted an award under the requirements for awards set forth above. The Varsity awards shall be: first year, light weight coat sweater; second year, choice between blanket and heavy coat sweater; third year, a gold award signifying the sport or sports in which it is won. (The Block "S" Society shall recommend eligible men for this gold award to the Legislative Council for its approval).

(1) Note: Light weight sweater is single weight cardigan knit, while heavy weight is double weight cardigan knit.

j. Additional Awards—(1) In addition to above awards any man who earns a Block "S" in any sport shall be awarded, upon graduation, a certificate signed by the President of the College, the Director of P.E. and the Coaches of the various sports in which he received the letter. This award to be of parchment paper and to have on it the sport or sports in which letters have been won and years or year of winning letter.

(2) Any man who has won a letter in any sport for three seasons of the sport shall be awarded, upon graduation, a life pass which will be honored (if exchanged for a ticket) for all athletic contests held under the auspices of the Associated Students of Santa Barbara State College on its home grounds. This award to be issued by the Legislative Council on recommendation of Block "S" Society which shall be responsible for the keeping of accurate records of all such pass-holders.

(3) Any man who has earned a letter and has had two years of Junior College competition or its equivalent may regard this as equal to one year of competition at Santa Barbara.

k. Awards for Senior Managers—Upon the recommendation of the General Athletic Manager, Coach of the particular sport and the Intercollegiate Athletic Board, and with the approval of the Legislative Council, a Senior Manager shall receive the award of the particular sport, with the letter "M" on the lower base of the "S", on a single weight cardigan knit green sweater. To all managers who have served for four seasons in one sport shall be granted a sweater, insignia, and life pass.

Spring Grid Practice Started Monday

Harder Praises Assistants for Part in Building Successful Teams

Looking over his charges after two days of spring workout, Coach Spud Harder said, "Barring injuries, ineligibilities and other like causes I think it is safe to say that next fall's football team will equal and possibly surpass the record of the 1936 Big Green."

"Doc Kelliher has sent up some exceptional frosh material who will provide plenty of spirited competition for the varsity positions next fall. Well grounded in fundamentals and the Warner system due largely to the coaching of Kelliher last year as freshman coach, backfield coach Willie Wilton and will find ourselves in the pleasant position of not having to spend the first part of the season familiarizing our replacements with the type of ball necessary in this system."

Lauds Willie

Coach Harder was equally enthusiastic about his assistant Willie Wilton, former U.C.L.A. backfield star, the man to whom Harder credits much of State's success last year.

"Wilton's ability both as backfield coach and scout last season proved invaluable to the team and in the same role again in the 1937 season I am counting heavily upon him for another successful season."

Valley vs. Coast

Monday night 45 suits were issued and by the time the Valley against the Coast game comes around the genial gridiron mentor will have close to 70 men conditioning themselves for the approaching campaign. Practice will last three weeks and on May 29 the spring gigantic will take place in Laguna park.

The first few nights of practice will be devoted to exercises.

The second annual spring game will be a contest to decide the relative importance of the backfield to the line, with the valley boys boasting a slight edge on the forward wall and the coasters given the nod in the backfield.

A slight fee will be charged for adults and a slighter fee for students who wish to see the preview to the next grid season.

Aztecs Take Series and Title

Border City Team Comes Back After Thursday to Win Two Games

Winding up a successful season Coach "Spud" Harder's Gauchos diamond performers finished their schedule last week-end against the Aztecs of San Diego by dropping the last two games of a three game series, 16-5 and 9-7.

Winning nine games and losing five. Winning over La Verne in a three game series, taking two out of three from the Oxy Tiger, winning one and dropping two, to both the Redlands Bulldogs and San Diego Aztecs and winning both games of a doubleheader from Coach "Chief" Newman's Whittier Poets.

Busby Collects

In the final series with San Diego, Clair Busby proved to be the shining light at the bat. He poled homers on successive days to bring his season's final to an even 10 four baggers.

'Shires' Out

The Gauchos were hampered a great deal in the Aztec games, by the loss of Harder's ace hurler, Lloyd "Shires" Erhard, who was injured a few hours prior to the first game, leaving Harder without a capable mound staff. Dale McNeice pitched both the first and third games, winning the first and with a little help from his teammates would have won the final battle.

No Chucker

In the second game, everybody except the bat boy threw for the Gauchos. Bobby Murray, regular centerfielder was first in line rapidly followed by Powell "China Clipper" Lee and in turn Elmo Evans, third sacker. Earl Homan, who was on the receiving end of these pitchers' slants, decided that he would take a turn and his offerings lasted the remainder of the encounter. San Diego winning 16-5.

Captain and Captain-Elect

Howard Yeager, left, and Bill Gray, right, were chosen captain and captain-elect at the annual meeting of the track team last Saturday after the all-conference. Both men are juniors and hold school records in their respective events. Last week Yeager ran the low hurdles in 23.5, but had to take second to Hartigan of San Diego, who won in the same time.

Gauchos Fail in Big Meet

Yeager Places Second in Lows in Record Time of 23.5

Santa Barbara State's Gauchos track teams fared poorly in the All-Conference Track Meet held at San Diego last Saturday. In varsity competition the Gauchos were held to 10½ points in placing fifth, and the freshmen scored 17 points which was good enough to gain third place.

Yeager Second

Howard Yeager's 23.5 second race in the 220 low hurdles was the outstanding performance for the local team. Leading the entire field to the last hurdle, he lost the race to Captain Selwyn Hartigan by mere inches as the Aztec lunged for the tape. Ray Stalmak finished on Yeager's heels to cinch third place in the same race. Ray also won fourth place in the javelin with a toss of 169 feet.

Gibson Injured

Wells Gibson, after leading the mob for the first 400-yards of the quarter mile, had to limp in when his shoe came off, spiking his foot.

Bill Gray pushed Hartigan and Sampsell of Oxy in taking a close third in the 120 high hurdles. Jim Benton stretched himself over the high jump, with the bar towering at 5 feet 11 inches.

McArthur Wins

Bill MacArthur paced the frosh in their point gathering by taking first in the 100-yard dash, and a very close second in the 220. Gene Putman flashed his red beard over the line for a third in the 100-yard dash. Eddie Kellogg put on a fast finish to place third in the 440. Arnold Rose leaped five feet six inches to grab third place in the high jump. Bob Young took a third in the pole vault with a jump of 11 feet. Yoshohiko Fujimoto with a dazzling home stretch sprint finished fourth in the mile run.

The athletic revenue of the University of Michigan for the past 15 years amounts to \$7,032,676.43.

Gaucha Booster Club Lays Plans

Organizing for the purpose of sponsoring better relationships between the down town folks and the State college, the Gaucha Booster's club met for the first time in the offices of T. H. Canfield last Monday night with the local attorney presiding as temporary chairman.

The club is driving for a membership of 500 before the coming football season begins, and will start next Monday on a drive to enroll that number. Although only about 20 men, representing almost every kind of business on State street met, there had been more than 100 persons, pledged to the club before the initial meeting.

Plans for Gaucha Special

A plan to have a special section of reserved seats in the Pershing Park for the exclusive use of the members is one of the Booster's offers. Pressure will be brought to bear to get more seats for the Gaucha's home field in the event of the failure of the Gaucha stadium to blossom forth.

Arrangements for the "Gaucha Special" to El Paso, Texas for the New Mexico game on December 4 have already been started, and a 40 piece band will be assured of the trip.

Yeager and Gray Honored by Team

In the annual meeting of the track team held last week-end the Gauchos selected Bill Gray to lead the team in the 1938 season and selected Howard Yeager as the honorary captain for the just concluded season.

Both men have their names on the record books of the Gaucha institution and have been mainstays in the cinder sport since their arrival on the State campus. Gray this year set a new record in the high hurdles by running 15.1, and Yeager last year in the conference meet hung up a record in the broad jump with a 23 feet 2 7-8 inches attempt. He also holds the low hurdle standard at 24.1.
